PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS
to be held on _____

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Cornerstone Strategic Value Fund, Inc., a Maryland corporation (the "Fund") for use at the Annual Meeting of Stockholders for the year 2010 (the "Meeting") to be held 11:30 a.m., eastern time, on _____ at the Fifth Floor Conference Room, One West Pack Square, Asheville, NC 28801, and at any and all adjournments and postponements thereof. A form of proxy is enclosed herewith. This Proxy Statement and the accompanying form of proxy are being first mailed to stockholders of the Fund ("Stockholder(s)") on or about _____.

Any Stockholder who executes and delivers a proxy may revoke it by written communication to the Secretary of the Fund at any time prior to its use or by voting in person at the Meeting. Attendance by a Stockholder at the Meeting does not, in itself, revoke a proxy. Unrevoked proxies will be voted in accordance

Edgar Filing: CORNERSTONE STRATEGIC VALUE FUND INC - Form PRE 14A

with the specifications thereon and, unless specified to the contrary, will be voted FOR the election of Messrs. Andrew A. Strauss and Glenn W. Wilcox, Sr. as the nominees for Class III Director.

In general, abstentions and broker non-votes, as defined below, count for purposes of obtaining a quorum but do not count as votes cast with respect to any proposal requiring that the broker has discretion. With respect to a proposal requiring the affirmative vote of a majority of the Fund's outstanding shares of common stock, the effect of abstentions and broker non-votes is the same as a vote against such proposal. Otherwise, abstentions and broker non-votes have no effect on the outcome of a proposal. A broker non-vote is a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary voting power.

At least one-third of the Fund's Stockholders must be present at the Meeting in person or by proxy to constitute a quorum for the transaction of business by the Fund. In the event that a quorum is not present at the Meeting, the persons named as proxies may propose one or more adjournments of the Meeting from time to time. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. The persons named as proxies will vote those proxies which they are entitled to vote FOR or AGAINST any such proposal in their discretion.

The cost of soliciting the proxies will be borne by the Fund. The Fund expects that the solicitation will be primarily by mail, but also may include telephone, electronic, oral or other means of communication, including personal interviews conducted by officers of the Fund or Ultimus Fund Solutions, LLC, the administrator to the Fund (the "Administrator").

Only holders of the Fund's issued and outstanding shares of common stock of record at the close of business on _____ are entitled to notice of, and to vote at, the Meeting. Each such holder is entitled to one vote per share of common stock so held. The number of shares of common stock outstanding on _____ was _____. The Fund is a diversified, closed-end management investment company.

Copies of the Fund's most recent annual report may be ordered free of charge to any Stockholder by writing to the Fund, c/o Ultimus Fund Solutions, LLC, 260 Madison Avenue, New York, NY 10016, or by calling collect (513) 326-3597. This report is not to be regarded as proxy-soliciting material.

This Proxy Statement is first being mailed to Stockholders on or about _____.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

In accordance with the Fund's By-laws, the Fund's Board of Directors is divided into three classes: Class I, Class II and Class III. Each class has a term of three years and each year the term of office of one class expires. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors.

At the Meeting, Stockholders will be asked to elect two Class III

Edgar Filing: CORNERSTONE STRATEGIC VALUE FUND INC - Form PRE 14A

Directors to hold office until the year 2013 Annual Meeting of Stockholders or thereafter until each of their respective successors is duly elected and qualified. The term of office of the Class III Directors, currently consisting of Messrs. Andrew A. Strauss and Glenn W. Wilcox, Sr., will expire at the year 2013 Annual Meeting or thereafter until his respective successor is duly elected and qualified. If elected, each nominee has consented to serve as a Director of the Fund until his successor is duly elected and qualified. Each Nominee was considered and recommended by the Fund's Nominating and Corporate Governance Committee.

The persons named in the accompanying form of proxy intend to vote at the Meeting (unless directed not to vote) FOR the election of these nominees. Each nominee has indicated that he will serve if elected, and the Board of Directors has no reason to believe that any of the nominees named above will become unavailable for election as a director, but if any nominee should be unable to serve, the proxy will be voted for any other person determined by the persons named in the proxy in accordance with their judgment.

The following table sets forth the names, addresses, birth dates and principal occupations of each of the nominees for election as Directors:

* As of December 31, 2009, the Fund Complex is comprised of the Fund, Cornerstone Total Return Fund, Inc. and Cornerstone Progressive Return Fund, all of which are managed by Cornerstone Advisors, Inc. Each of the above Directors oversee all of the Funds in the Fund Complex.

** Mr. Bradshaw is an "interested person" as defined in the Investment Company Act of 1940 because of his affiliation with Cornerstone Advisors, Inc.

The Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of the Board's effectiveness. The Board determined that each of the Directors is qualified to serve as a Director of the Fund based on a review of the experience, qualifications, attributes and skills of each Director. In reaching this

determination, the Board has considered a variety of criteria, including, among other things: character and integrity; ability to review critically, evaluate, question and discuss information provided, to exercise effective business judgment in protecting shareholder interests and to interact effectively with the other Directors, the Investment Adviser, other service providers, counsel and the independent registered accounting firm ("independent auditors"); and willingness and ability to commit the time necessary to perform the duties of a Director. Each Director's ability to perform his duties effectively is evidenced by his experience or achievements in the following areas: management or board experience in the investment management industry or companies or organizations in other fields, educational background and professional training; and experience as a Director of the Fund. Information as of _____, 2010 discussing the specific experience, skills, attributes and qualifications of each Director which led to the Board's determination that the Director should serve in this capacity is provided below.

Ralph W. Bradshaw. Mr. Bradshaw is co-founder of Cornerstone Advisors, Inc. and has served as its President since its inception in 2001. He brings over 18 years of extensive investment management experience and also formerly served as a Director of several other closed-end funds. Prior to founding the Adviser, he served in consulting and management capacities for registered investment advisory firms specializing in closed-end fund investments. His experiences included developing and implementing successful trading strategies with a variety of underlying portfolios containing domestic and international equity and fixed-income investments. In addition, he has been a financial consultant and has held managerial positions or operated small businesses in several industries. Mr. Bradshaw holds a B.S. in Chemical Engineering and an M.B.A.

Thomas H. Lenagh. Mr. Lenagh has been involved in the investment company and

Edgar Filing: CORNERSTONE STRATEGIC VALUE FUND INC - Form PRE 14A

financial industry for over 40 years, including as a member of the Board of Directors of the Merrill Lynch Funds for over ten years. Earlier in his career, Mr. Lenagh served as the Chief Executive Officer of a public company for approximately five years. In addition, to the Cornerstone Funds Boards, he serves on the Boards of three other public companies. Mr. Lenagh is a Chartered Financial Analyst.

Edwin Meese III. Mr. Meese holds the Ronald Reagan Chair in Public Policy at The Heritage Foundation and is also the Chairman of The Heritage Foundation's Center for Legal and Judicial Studies. He is the former chairman of the governing board of George Mason University in Virginia and serves on the board of several civic and educational organizations. Previously, Mr. Meese served as the 75th Attorney General of the United States and immediately prior to that as Counsellor to the President of the United States for Ronald Reagan.

Scott B. Rogers. Reverend Rogers has been the Executive Director of a regional community ministry organization for over 30 years. In addition to the leadership and management skills obtained through this work, he contributes a non-profit perspective and community insight to the Board's discussions and deliberations, which provides desirable diversity.

Andrew A. Strauss. Mr. Strauss is an experienced attorney with a securities law background. He currently manages a law firm specializing in estate planning, probate and estate administration. In addition, Mr. Strauss served in an executive capacity with a large public company for over nine years. He is a graduate of the Wharton School of the University of Pennsylvania and Georgetown University Law Center. Glenn W. Wilcox, Sr. Mr. Wilcox has been a business owner for over 55 years. He has previous business experience in the real estate development, radio and oil and gas exploration industries. He serves on the Board of Directors and Audit Committee of another public company. From 1996 until 2004, Mr. Wilcox was a member of the Board of Appalachian State University, and was Chairman of the Board from 2001-2003. He has been a private investor in public equities for over 50 years.

Specific details regarding each Director's principal occupations during the past five years are included in the table above. The summaries set forth above as to the experience, qualifications, attributes and/or skills of the Directors do not constitute holding out the Board or any Director as having any special expertise or experience, and do not impose any greater responsibility or liability on any such person or on the Board as a whole than would otherwise be the case. The following table sets forth, for each Director, the aggregate dollar range of equity securities owned of the Fund and of all Funds overseen by each Director in the Fund Complex as of December 31, 2009. The information as to beneficial ownership is based on statements furnished to the Fund by each Director.

DIRECTOR TRANSACTIONS WITH FUND AFFILIATES. As of December 31, 2009, neither the Independent Directors nor members of their immediate family owned securities beneficially or of record in Cornerstone Advisors, Inc., or an affiliate of Cornerstone Advisors, Inc. Furthermore, over the past five years, neither the Independent Directors nor members of their immediate family have any direct or indirect interest, the value of which exceeds \$120,000, in Cornerstone Advisors, Inc. or any of its affiliates. In addition, since the beginning of the last two fiscal years, neither the Independent Directors nor members of their immediate family have conducted any transactions (or series of transactions) or maintained any direct or indirect relationship in which the amount involved exceeds \$120,000 and to which Cornerstone Advisors, Inc. or any affiliate thereof was a party.

BOARD COMPOSITION AND LEADERSHIP STRUCTURE

The Board consists of six individuals, one of whom is an Interested Director. The Chairman of the Board, Mr. Bradshaw, is the Interested Director and is the President of the Fund, the President of the Investment Adviser, and is the President and a director or trustee of Cornerstone Total Return Fund, Inc. and Cornerstone Progressive Return Fund. The Board does not have a lead independent director.

The Board believes that its structure facilitates the orderly and efficient flow of information to the Directors from the Investment Adviser and other service providers with respect to services provided to the Fund, potential conflicts of interest that could arise from these relationships and other risks that the Fund may face. The Board further believes that its structure allows all of the Directors to participate in the full range of the Board's oversight responsibilities. The Board believes that the orderly and efficient flow of information and the ability to bring each Director's talents to bear in overseeing the Fund's operations is important, in light of the size and complexity of the Fund and the risks that the Fund faces. The Board and its committees review their structure regularly, to help ensure that it remains appropriate as the business and operations of the Fund and the environment in which the Fund operates changes.

Currently, the Board has an Audit Committee and a Nominating and Corporate Governance Committee. The responsibilities of each committee and its members are described below. Each of the Directors attended at least seventy-five (75%) percent of the five (5) meetings of the Board of Directors and the four (4) meetings of its committees (including regularly scheduled and special meetings) held during the period for which he was a member.

THE AUDIT COMMITTEE

Edgar Filing: CORNERSTONE STRATEGIC VALUE FUND INC - Form PRE 14A

During the calendar year ended December 31, 2009, the Audit Committee was composed of all directors who are not interested persons of the Fund, as such term is defined in Section 2(a)(19) of the Investment Company Act. The members of the Audit Committee during this period were Messrs. Wilcox, Sr., Strauss, Rogers, Meese, and Lenagh. The Board of Directors has adopted an audit committee charter. The principal functions of the Audit Committee include but are not limited to, (i) the oversight of the accounting and financial reporting processes of the Fund and its internal control over financial reporting; (ii) the oversight of the quality and integrity of the Fund's financial statements and the independent audit thereof; and (iii) the approval, prior to the engagement of, the Fund's independent registered public accounting firm and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Fund's independent registered public accounting firm. The Audit Committee convened four (4) times during the 2009 calendar year.

The Audit Committee currently does not have an Audit Committee Financial Expert, as such term is defined in Section 407 of the Sarbanes-Oxley Act of 2002. Rather, the Audit Committee members believe that each of their individual experiences provide the Audit Committee with sufficient experience and expertise to allow them to perform their duties as members of the Audit Committee.

THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Fund has a standing Nominating and Corporate Governance Committee (the "Committee"), which is comprised of Messrs. Wilcox, Sr., Strauss, Rogers, Meese, and Lenagh, all of whom are directors who are not interested persons of the Fund, as such term is defined in Section 2(a)(19) of the Investment Company Act. The Committee has a written charter. In addition to its responsibility to oversee the corporate governance of the Fund, the Committee is appointed to identify and select qualified candidates that have exhibited strong decision making ability, substantial business experience, relevant knowledge of the investment company industry (including closed-end funds), skills or technological expertise and exemplary personal integrity and reputation. In addition, the Committee seeks candidates that have experience and knowledge involving all of the service providers of a registered investment company.

The Committee will consider all nominees recommended by Stockholders of the Fund, so long as Stockholders send their recommendations in writing to the Secretary of the Fund in a manner consistent with the Fund's By-laws. The Committee will seek candidates for the Board that have exhibited strong decision-making ability, substantial business experience, relevant knowledge, skills or technological expertise, and exemplary personal integrity and reputation. Specifically, the Committee assesses all director nominees taking into account several factors, including, but not limited to, issues such as the current needs of the Board and the nominee's: (i) integrity, honesty, and accountability; (ii) successful leadership experience and strong business acumen; (iii) forward-looking, strategic focus; (iv) collegiality; (v) independence and absence of conflicts of interests; and (vi) ability to devote necessary time to meet director responsibilities. The Committee will ultimately recommend nominees that it believes will enhance the Board's ability to oversee, in an effective manner, the affairs and business of the Fund. The Committee will consider and evaluate Stockholder-recommended candidates by applying the same criteria used to evaluate director-recommended candidates. Currently, the By-laws provide that the deadline for submitting a Stockholder proposal for inclusion in the Fund's proxy statement and proxy for the Fund's 2010 annual meeting of stockholders pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, is _____. Stockholders wishing to submit proposals or

Edgar Filing: CORNERSTONE STRATEGIC VALUE FUND INC - Form PRE 14A

director nominations that are not to be included in such proxy statement and proxy must deliver notice to the Secretary at the principal executive offices of the Fund not later than the close of business on _____ nor earlier than the close of business on _____. Stockholders are also advised to review the Fund's By-laws, which contain additional requirements with respect to advance notice of Stockholder proposals and director nominations.

In 2010, the Committee met and discussed the nomination of the Class III Directors of the Fund for the 2010 Annual Meeting of Stockholders. Each Nominee was recommended by the Committee, composed of the non-interested Directors. The Nominating and Corporate Governance Committee convened four (4) times during the 2009 calendar year.

BOARD'S ROLE IN RISK OVERSIGHT OF THE FUND

The Board oversees risk management for the Fund directly and, as to certain matters, through its Audit and Nominating and Corporate Governance Committees. The Board exercises its oversight in this regard primarily through requesting and receiving reports from and otherwise working with the Fund's senior officers (including the Fund's Chief Compliance Officer), portfolio

management personnel of the Adviser, the Fund's independent auditors, legal counsel and personnel from the Fund's other service providers. The Board has adopted, on behalf of the Fund, and periodically reviews with the assistance of the Fund's Chief Compliance Officer, policies and procedures designed to address certain risks associated with the Fund's activities. In addition, the Adviser and the Fund's other service providers also have adopted policies, processes and procedures designed to identify, assess and manage certain risks associated with the Fund's activities, and the Board receives reports from service providers with respect to the operation of these policies, processes and procedures as required and/or as the Board deems appropriate. The Board does not believe that a separate Risk Oversight Committee is necessary for effective risk oversight at this time, but intends to continuously evaluate how it assesses risk and will consider again in the future whether any changes to their current structure are prudent.

REQUIRED VOTE

Directors are elected by a plurality (a simple majority of the votes cast at a meeting) of the votes cast by the holders of shares of common stock of the Fund present in person or represented by proxy at a meeting with a quorum present. For purposes of the election of Directors, abstentions and broker non-votes will be counted as shares present for quorum purposes, may be considered votes cast, and may affect the plurality vote required for Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF MESSRS. ANDREW A. STRAUSS AND GLENN W. WILCOX, SR. AS CLASS III DIRECTORS OF THE FUND.

PROPOSAL NO. 2

SEEKING STOCKHOLDER INPUT ON STRUCTURE AND CONTINUATION OF
THE FUND'S MANAGED DISTRIBUTION PLAN ("MDP")

Edgar Filing: CORNERSTONE STRATEGIC VALUE FUND INC - Form PRE 14A

Why are stockholders being asked to provide input regarding the Fund's MDP?

Generally, a closed-end investment company's distributions would fall into one of three broad categories:

1. No MDP - distributions by closed-end investment companies would be limited to those required by Internal Revenue Code ("IRC") regulation to consist of net income, along with realized net short-term and long-term capital gains ("Net Earnings").

2. Low-level MDP - regular distributions by closed-end investment companies representing less than 10% of net assets per year including those required by IRC regulation that consist of Net Earnings and tax-free return-of-capital, if necessary, to maintain the desired level of distributions.

3. High-level MDP - regular distributions by closed-end investment companies representing 10% or more of net assets per year including those required by IRC regulation that consist of Net Earnings and tax-free return-of-capital, if necessary, to maintain the desired level of distributions.

The Fund initiated a fixed, monthly distribution to stockholders in 2002 which, with interim adjustments and extensive disclosure, continues to be a high-level MDP. This MDP has been maintained through the historic economic volatility, increased regulatory scrutiny and challenging markets of the intervening years. The Board continues to believe that the MDP is in the best interests of the Fund and its stockholders, however, the Board has determined that it is appropriate at this time to poll stockholders for their preferences regarding the continuation and structure of the MDP.

What are features of the Fund's MDP?

The Fund's MDP provides a regular monthly distribution to stockholders that is adjusted through an annual resetting of the monthly distribution amount per share based on the Fund's net asset value on the last business day in each October. The terms of the MDP have been reviewed and approved at least annually by the Fund's Board and can be modified at their discretion. To the extent that distributions exceed the current Net Earnings of the Fund, the balance of the amounts paid out will be generated from sales of portfolio securities held by the Fund, which will be characterized under the IRC either as short-term or long-term capital gains or a tax-free return-of-capital. To the extent these distributions are not represented by net investment income and capital gains, they will not represent yield or investment return on the Fund's investment portfolio. A return-of-capital distribution reduces the cost basis of an investor's shares in the Fund. The Board currently plans to maintain this MDP even if regulatory requirements would make part of a return-of-capital, necessary to maintain the distribution, taxable to stockholders and to disclose that portion of the distribution that is classified as ordinary income. Although it has no current intention to do so, the Board may terminate the MDP at any time and such termination may have an adverse effect on the market price for the Fund's common shares.

What are benefits of the MDP?

The Fund's MDP historically has maintained a stable, high rate of distribution. The Fund's Board remains convinced that its stockholders are well served by a policy of regular distributions which increase liquidity and provide flexibility to individual stockholders in managing their investment. Stockholders have the

Edgar Filing: CORNERSTONE STRATEGIC VALUE FUND INC - Form PRE 14A

option of reinvesting all or a portion of these distributions in additional shares of the Fund through the Fund's reinvestment plan or receiving them in cash. For more information regarding the Fund's reinvestment plan, stockholders should carefully read the description of the dividend reinvestment plan contained in the Fund's Reports to Stockholders.

What are risks of the MDP?

The Fund makes level distributions on a monthly basis and these distributions are not tied to the Fund's net investment income and capital gains, and may not represent yield or investment return on the Fund's portfolio. Under the MDP, the

Fund makes monthly distributions to stockholders at a rate that may include periodic distributions of its Net Earnings or return-of-capital. As noted above, stockholders have the option of reinvesting all or a portion of these distributions in additional shares of the Fund through the Fund's reinvestment plan or receiving them in cash. In any fiscal year where total cash distributions exceed Net Earnings and unrealized gain or loss for the year, such excess will decrease the Fund's total assets and, as a result, will have the likely effect of increasing the Fund's expense ratio. There is a risk that the total Net Earnings and unrealized gain or loss for years from the Fund's portfolio would not be great enough to fully offset the amount of cash distributions paid to Fund stockholders. If this were to be the case, the Fund's assets would be partially reduced by an equal amount, and there is no guarantee that the Fund would be able to replace the assets. In addition, in order to make such distributions, the Fund may need to sell a portion of its investment portfolio at a time when independent investment judgment might not dictate such action. Furthermore, the cash used to make distributions will not be available for investment pursuant to the Fund's investment objective.

Funds maintain varying degrees of cash levels pursuant to market conditions and the judgment of the portfolio manager. In addition, portfolio managers must raise cash periodically to cover operating expenses. For any fund, to the extent that cash is held at any given time for operating expenses or other purposes, it will not be available for investment pursuant to that fund's investment objective. In addition to these general cash requirements, a fund's MDP may also require that securities be sold to raise cash for those stockholders who elect to take cash distributions rather than reinvest in shares of the fund, in which case, it will also not be available for investment pursuant to the fund's investment objective. It is possible that a situation will occur where the MDP contributes to a reduction of assets over an extended period of time such that the assets of the Fund are reduced to a point where the Fund would no longer be economically viable. In such event, the Fund would then need to take additional actions, which might include, for example, liquidation or merger, to address the situation. While this is one of the risk factors of any managed distribution plan, including the MDP, it is important to note that the Fund's MDP was not designed to be a mechanism for the dissolution of the Fund or a short-term liquidation policy, and it is not the intention of the Board to allow the Fund to self-liquidate through the unsupervised effects of the MDP. The Board monitors the MDP and the Fund's asset levels regularly, and remains ready to modify the terms of the MDP if, in its judgment, the Board believes it is in the best interests of the Fund and its Stockholders.

THE BOARD OF DIRECTORS, INCLUDING THE INDEPENDENT DIRECTORS, REQUESTS THAT STOCKHOLDERS PROVIDE INPUT REGARDING PROPOSAL 2 BY MARKING THE PROXY CARD ACCORDINGLY.

AUDIT COMMITTEE REPORT

In 2010, the Audit Committee met with the Fund's Administrator and the Fund's independent registered public accounting firm, Tait, Weller & Baker LLP, to discuss and review the Fund's audited financial statements for the calendar year ended December 31, 2009. The Fund's independent registered public accounting firm represented to the Audit Committee that the Fund's financial statements were prepared in accordance with U.S. generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with the Fund's Administrator and its independent registered public accounting firm. The Audit Committee also discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61.

The Fund's independent registered public accounting firm also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm their independence, in light of the services they were providing.

Based upon the Audit Committee's discussion with the Fund's Administrator and the independent registered public accounting firm and the Audit Committee's review of the representations and report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Fund's Annual Report for the calendar year ended December 31, 2009 filed with the Securities and Exchange Commission ("SEC").

This Audit Committee report shall not be deemed incorporated by reference in any document previously or subsequently filed with the SEC that incorporates by reference all or any portion of this proxy statement except to the extent that the Fund specifically requests that the report be specifically incorporated by reference.

The Audit Committee of the Board of Directors has selected Tait, Weller & Baker LLP to be employed as the Fund's independent registered public accounting firm to make the annual audit and to report on, as may be required, the financial statements which may be filed by the Fund with the SEC during the ensuing year.

Respectfully submitted,
