All Dell Team Member Message From Gladden and Tu

Brian Gladden, Sr. Vice President and Chief Financial Officer

Larry Tu, Sr. Vice President, General Counsel

To: Global Dell Team

The Special Committee of the Board of Directors announced that it has entered into a revised definitive merger agreement with Michael Dell and global technology investment firm Silver Lake, which increased the merger consideration to \$13.75 per share in cash plus payment of a special dividend of \$0.13 per share. In addition, stockholders are guaranteed that the third quarter dividend of \$0.08 per share will be paid to stockholders of record as of a date prior to closing.

The revised agreement brings total merger consideration to at least \$13.88 per share and increases the total value to stockholders by at least \$350 million.

In addition, the revised agreement modifies the voting standard to require that the merger agreement be amended to require approval of the transaction by a majority of the unaffiliated shares (i.e., all outstanding shares other than shares held by Michael, the Board and certain members of management) actually voting on the proposed transaction.

In light of the revised agreement, the Special Committee has established a new record date of August 13, 2013 for shareholders eligible to vote on the transaction at the Special Meeting which was adjourned from today to September 12, 2013 at 9:00 a.m. Central Time at the Dell Round Rock Campus, 501 Dell Way, Round Rock, Texas.

Separately, the Dell Board of Directors announced today that the 2013 Annual Meeting of Stockholders will be held on October 17, 2013 at 9:00 a.m. Central Daylight Time at the Dell Round Rock campus.

On behalf of the entire leadership team, we greatly appreciate your focus on serving our customers and delivering results throughout this process. As we begin our fiscal 3rd quarter, let's continue to stay engaged with our customers and build upon the progress we are making.

As always, we will continue to keep you informed as the pending transaction moves toward completion.

Thank you.

Brian and Larry
