Item 1.01 Entry into a Material Definitive Agreement.

On November 29, 2012, KAR Auction Services, Inc. (the Company) entered into the First Amendment to Credit Agreement (the Amendment) with JPMorgan Chase Bank, N.A., as administrative agent, and the several lenders party to the Amendment, amending the Company's Credit Agreement, dated as of May 19, 2011 (as amended, the Credit Agreement). The lenders entering into the Amendment constituted the requisite number to amend the Credit Agreement.

The Amendment provides for, among other things, modifications to the Consolidated Senior Secured Leverage Ratio (as defined in the Credit Agreement) financial covenant and modifications to increase the amount of Restricted Payments (as defined in the Credit Agreement) permitted to be paid under the Credit Agreement.

So long as (a) no Default (as defined in the Credit Agreement) has occurred and is continuing and (b) both on a historical and on a pro forma basis (after giving effect to such Restricted Payments and all related transactions), the Consolidated Leverage Ratio (as defined in the Credit Agreement) does not exceed 4.50 to 1.00, the Company would be permitted to make Restricted Payments in an aggregate amount not to exceed the sum of (i) \$18,750,000 (if the payment is after the effective date of the Amendment and on or prior to December 31, 2012) or \$75,000,000 in any fiscal year (if the payment is after December 31, 2012), as the case may be, plus (ii) on or after the effective date of the Amendment, an additional \$75,000,000 in the aggregate, plus (iii) Available Retained ECF (as defined in the Credit Agreement) (to the extent such Available Retained ECF would be a positive number if reduced by the amount of Restricted Payments made pursuant to this clause (iii)). Available Retained ECF represents the amount of cumulative Excess Cash Flow (as defined in the Credit Agreement) that is not otherwise required to be applied as a prepayment of the term loans.

Certain of the lenders and agents and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory and investment banking, commercial banking and other services for the Company and its affiliates, for which they received or will receive customary fees and expenses.

The above description of the Amendment is not complete and is qualified in its entirety by reference to the full text of the Amendment, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K (this Report) and incorporated herein by reference. A copy of the Company's press release announcing the Amendment and the declaration of a cash dividend on the Company's common stock (as described below) is filed as Exhibit 99.1 to this Report and incorporated herein by reference.

Item 8.01 Other Events.

On November 30, 2012, the Company announced the approval of a quarterly cash dividend policy on the Company's common stock and the declaration of an initial quarterly dividend.

On November 30, 2012, the Company announced the commencement of a secondary offering of its common stock. A copy of the Company's press release announcing the secondary offering is filed as Exhibit 99.2 to this Report and incorporated herein by reference.
