Item 7.01 Regulation FD.

On May 11, 2011, we filed an action in the U.S. District Court for the Northern District of West Virginia (the Court) against EQT Corporation, a Pennsylvania corporation (Trans Energy, Inc., et al. v. EQT Corporation). The action related to our attempt to quiet title to certain oil and gas properties referred to as the Blackshere Lease, consisting of approximately 3,800 acres located in Wetzel County, West Virginia. On September 5, 2012, the parties filed competing motions seeking summary judgment in this case. On November 26, 2012, the Court granted our motion for summary judgment and denied the defendant's motions for declaratory judgment and summary judgment. At this point, it is unclear whether the defendant plans to appeal the Court's decision.
