Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to Be Held on May 1, 2013

Our Proxy Statement and Annual Report to Shareholders are available at www.hf-wa.com. The following materials are available for review:

Proxy Statement;

Table of Contents

Proxy Card;

Annual Report to Shareholders; and

Directions to attend the annual meeting, where you may vote in person.

Who is Entitled to Vote?

We have fixed the close of business on March 4, 2013, as the record date for shareholders entitled to notice of and to vote at our annual meeting. Only holders of record of Heritage's common stock on that date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of Heritage common stock you own, unless you acquired more than 10% of Heritage's common stock without prior Board approval. As provided in our Articles of Incorporation, for each vote in excess of 10% of the voting power of the outstanding shares of Heritage's voting stock, the record holders in the aggregate will be entitled to cast one-hundredth of a vote, and the aggregate power of these record holders will be allocated proportionately among these record holders. On March 4, 2013, there were 15,113,057 shares of Heritage common stock outstanding and entitled to vote at the annual meeting.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all shareholders of record on the voting record date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. You are a shareholder of record if your shares of Heritage common stock are held in your name. If you are a beneficial owner of Heritage common stock held by a broker, bank or other nominee (i.e., in street name), please see the instructions in the following question.

Shares of Heritage common stock can only be voted if the shareholder is present in person or by proxy at the annual meeting. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a shareholder of record.

Voting instructions are included on your proxy card. Shares of Heritage common stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the shareholder's instructions. Where properly executed proxies are returned to us with no specific instruction as to how to vote at the annual meeting, the persons named in the proxy will vote the shares FOR the election of each of our director nominees, FOR advisory approval of the compensation of our named executive officers as disclosed in this Proxy Statement and FOR ratification of the appointment of Crowe Horwath LLP as our independent registered public accounting firm for the year ending December 31, 2013. If any other matters are properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the annual meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxy cards to vote.

What if My Shares Are Held in Street Name by a Broker?

If you are the beneficial owner of shares held in street name by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. In the case of non-discretionary items, the shares not

Table of Contents

voted will be treated as broker non-votes. The proposal to elect directors and the advisory vote on executive compensation are considered non-discretionary items; therefore, you must provide instructions to your broker in order to have your shares voted on these proposals.

If your shares are held in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of common stock held in street name in person at the annual meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

How Will My Shares of Common Stock Held in the 401(k) Employee Stock Ownership Plan Be Voted?

We maintain a 401(k) employee stock ownership plan (KSOP) which owned 387,780 shares or 2.57% of Heritage s common stock as of the record date. Our employees participate in the KSOP. Each KSOP participant may instruct the trustee of the plan how to vote the shares of Heritage common stock allocated to his or her account under the KSOP by completing a vote authorization form. If a KSOP participant properly executes a vote authorization form, the KSOP trustee will vote the participant s shares in accordance with the participant s instructions. KSOP shares for which proper voting instructions are not received will not be voted. In order to give the trustee sufficient time to vote, all vote authorization forms, which are in the form of a proxy card, must be received from KSOP participants by the transfer agent on or before April 26, 2013.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of Heritage common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless a new record date for the meeting is set. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal 1: Election of Directors

Directors are elected by a plurality of the votes cast, in person or by proxy, at the annual meeting by holders of Heritage common stock. Accordingly, the six nominees for election as directors who receive the highest number of votes actually cast will be elected. Pursuant to our Articles of Incorporation, shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld and broker non-votes will have no effect on the outcome of the election because the six nominees receiving the greatest number of votes will be elected. **Our Board of Directors unanimously recommends that you vote FOR the election of each of its director nominees.**

Vote Required to Approve Proposal 2: Advisory Vote on Executive Compensation

Approval of the advisory (non-binding) vote on executive compensation requires the affirmative vote of the majority of the shares of Heritage common stock present, in person or by proxy, at the annual

Table of Contents

meeting. Abstentions are not affirmative votes and, therefore, will have the same effect as a vote against the proposal. Broker non-votes do not constitute votes cast and therefore will have no effect on the approval of the proposal. **Our Board of Directors unanimously recommends that you vote FOR the adoption of an advisory resolution to approve our executive compensation as disclosed in this Proxy Statement.**

Vote Required to Approve Proposal 3: Ratification of the Appointment of Our Independent Registered Public Accounting Firm

Ratification of the Audit and Finance Committee's appointment of Crowe Horwath LLP as our independent registered public accounting firm for the year ending December 31, 2013, requires the affirmative vote of the majority of the shares of Heritage common stock present, in person or by proxy, at the annual meeting by holders of Heritage common stock. Abstentions are not affirmative votes and, therefore, will have the same effect as a vote against the proposal. **Our Board of Directors unanimously recommends that you vote FOR the proposal to ratify the selection of Crowe Horwath LLP as our independent registered public accounting firm for the year ending December 31, 2013.**

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

submitting a new proxy with a later date;

notifying the Corporate Secretary of Heritage in writing before the annual meeting that you have revoked your proxy; or

voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in street name, you must bring a validly executed proxy from the nominee indicating that you have the right to vote the shares.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following tables set forth, as of March 4, 2013, information regarding share ownership of:

those persons or entities (or groups of affiliated persons or entities) known by management to beneficially own more than five percent of Heritage's common stock other than directors and executive officers;

each director and director nominee of Heritage;

each executive officer of Heritage named in the Summary Compensation Table appearing under "Executive Compensation" below (known as "named executive officers"); and

all current directors and executive officers of Heritage as a group.

Persons and groups who beneficially own in excess of five percent of Heritage's common stock are required to file with the Securities and Exchange Commission (SEC), and provide a copy to Heritage, reports disclosing their ownership pursuant to the Securities Exchange Act of 1934. To our knowledge, no other person or entity, other than the ones set forth below, beneficially owned more than five percent of the outstanding shares of Heritage's common stock as of the close of business on the voting record date.

Table of Contents

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. In accordance with Rule 13d-3 of the Securities Exchange Act, a person is deemed to be the beneficial owner of any shares of common stock if he or she has voting and/or investment power with respect to those shares. Therefore, the table below includes shares owned by spouses, other immediate family members in trust, shares held in retirement accounts or funds for the benefit of the named individuals, and other forms of ownership, over which shares the persons named in the table may possess voting and/or investment power. In addition, in computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to outstanding options that are currently exercisable or exercisable within 60 days after the voting record date are included in the number of shares beneficially owned by the person and are deemed outstanding for the purpose of calculating the person's percentage ownership. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

As of December 31, 2012, the following shareholders beneficially owned more than 5% of the outstanding shares of Heritage common stock.

Beneficial Owners of More Than 5%	Number of Shares Beneficially Owned	Percent of Common Stock Outstanding

Table of Contents**PROPOSAL 1 ELECTION OF DIRECTORS**

Our Board of Directors currently consists of eleven members and historically has been divided into three classes, with directors elected for three-year terms. At the 2011 annual meeting of shareholders, shareholders approved an amendment to our Articles of Incorporation which eliminated our classified Board prospectively. The terms of current members Brian S. Charneski, Gary B. Christensen, John A. Clees, Kimberly T. Ellwanger, Peter N. Fluetsch, Philip S. Weigand and Brian L. Vance expire at the 2013 annual meeting. Upon recommendation of the Governance and Nominating Committee, each of these incumbent directors, with the exception of Messrs. Fluetsch and Weigand who are retiring due to our retirement policy, has been nominated by the Board to serve a one-year term ending at the 2014 annual meeting, or when their respective successors have been duly elected and qualified. Ann Watson was newly appointed to the Board of Directors in October 2012 and has also been nominated by the Board to serve a one-year term. Ms. Watson was recommended as a director by a third party search firm. The third party search firm performed interviews with the directors and certain executive officers to determine a consensus profile for the director search. Due diligence of the candidates was performed by the third party search firm prior to the candidate meeting with the Board for final interviews, selection and nomination to the Board.

The table below sets forth information regarding each director of Heritage and each nominee for director, including his or her age, position and term of office. Each nominee has consented to being named in this Proxy Statement and has agreed to serve if elected. If a nominee is unable to stand for election, the Board of Directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority. At this time, we are not aware of any reason why a nominee might be unable to serve if elected.

The Board of Directors recommends you vote FOR the election of Brian S. Charneski, Gary B. Christensen, John A. Clees, Kimberly T. Ellwanger, Brian L. Vance and Ann Watson.

The Committee meets quarterly and on an as-needed basis to evaluate the effectiveness of Heritage's internal controls for safeguarding its assets and ensuring the

integrity of the financial reporting. The Committee also appoints the independent registered public accounting firm and reviews the audit reports prepared by the independent registered public accounting firm.

Compensation Committee

The Compensation Committee is composed of six members, each of whom is an independent director as defined by NASDAQ listing standards and applicable SEC and Internal Revenue Service rules. The Compensation Committee meets on an as-needed basis regarding the personnel, compensation and benefits related matters of Heritage. For more information on the responsibilities and activities of the Compensation Committee, including the Committee's processes for determining executive compensation, see the Compensation Discussion and Analysis section below.

Governance and Nominating Committee

The Governance and Nominating Committee is composed of six members, each of whom is an independent director. The Governance and Nominating Committee and its Chair are appointed annually by the Board of Directors. The Committee meets annually and on an as-needed basis, and is responsible for selecting qualified individuals to fill expiring directors' terms and vacancies on the Board of Directors. Final approval of director nominees is determined by the full Board, based on the recommendations of the Committee. The Committee's role includes oversight of our corporate governance program. The Committee's duties include the development and administration of Heritage's corporate governance standards.

Risk Committee

The Risk Committee is composed of six members. The Committee meets quarterly and on an as needed basis to review risks inherent in our business such as credit risk, market and liquidity risk, operational risk and the regulatory component of compliance risk. During the year, the Company developed an Enterprise Risk Management model for the Committee and full Board to utilize in managing risks of the Company.

CORPORATE GOVERNANCE

Heritage is committed to good corporate governance and acts in a manner that best serves the interests of the Company and its shareholders. The Board reviews the Company's policies and business strategies and advises executive management who manage and implement the Company's business model and operations. The Board has adopted Corporate Governance Guidelines, Committee Charters, Stock Ownership Guidelines and various Policies including the Code of Ethics Policy and Whistleblower Policy to provide a framework for effective governance practices. The full text of these documents can be found at www.hf-wa.com. Governance is a continuing focus at the Company and in this section we describe our key governance policies, guidelines and practices.

Corporate Governance Guidelines

The Corporate Governance Guidelines outline the Company's governance framework by addressing such items as responsibilities of directors, adherence to conflict of interest rules; the selection process for director candidates, required meeting attendance, stock ownership guidelines, the annual completion of Board performance assessments, director compensation, retirement age of directors, director education, succession planning and other important governance matters.

Process for Selecting Directors

In its deliberations for selecting candidates for nomination as director, the Governance and Nominating Committee Charter requires the Committee to consider: each candidate's business and occupational background and experience; integrity and reputation; education; knowledge of and contacts in our market area and ties to the community; ability to commit adequate time and attention to serve as a director in light of other commitments; ability to work effectively in a group; independence and potential conflicts of interest; tenure on the Board; specialized knowledge or skills; and any other factors that the Committee deems appropriate. In selecting nominees, the Committee must consider these criteria, and any other criteria established by the Board, in the context of an assessment of the operation and needs of the Board as a whole and the Board's goal of maintaining a diversity of backgrounds among its members. In searching for qualified director candidates to fill vacancies on the Board, the Committee solicits its current Board for names of potentially qualified candidates. Additionally, the Committee may request that members of the Board pursue their own business contacts for the names of potentially qualified candidates, or the Committee may use the services of a search firm. The Committee would then consider the potential pool of director candidates, select the top candidate based on the candidate's qualifications and the Board's needs, and conduct an investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of Heritage. The Committee will consider director candidates recommended by Heritage's shareholders. If a shareholder has submitted a proposed nominee, the Committee would consider the proposed nominee, along with any other proposed nominees recommended by members of the Board of Directors, in the same manner in which the Committee would evaluate its nominees for director. For a description of the proper procedure for a shareholder to submit a nomination, see Shareholder Proposals in this Proxy Statement.

Board Leadership

The Board annually elects the Chairman of the Board. The Chairman leads the Board and presides at all Board meetings, and is responsible for delivery of information to enable the Board to make informed decisions. In December 2012, the Board named Mr. Charneski as Vice Chairman of the Board and he now leads the Board meetings in the absence of the Chairman of the Board. The positions of Board Chairman and of President and Chief Executive Officer have been separately held since 2006. The Board believes this structure is appropriate for Heritage because it provides segregation of duties between managing Heritage and leadership of the Board.

Board Risk Oversight

The Board has the ultimate responsibility and authority for overseeing risk management at Heritage. The Board assesses risks facing Heritage and the subsidiary banks. On a regular basis, the Board reviews operational and regulatory reports provided by management to assess credit risk, liquidity risk, and operational risk.

The Board also delegates the oversight of risk to various committees. The Audit and Finance Committee oversees the financial, accounting and internal control risk management. The Compensation Committee oversees the management of risks that may be posed by our compensation practices and programs. The Compensation Committee is responsible for reviewing compensation policies and practices for all employees to ensure that they do not create or encourage risks that are reasonably likely to have a material adverse effect on Heritage. The Risk Committee oversees the risks inherent in our businesses in the following categories: credit risk, market and liquidity risk, operational risk and the regulatory component of compliance risk. The Audit and Finance Committee and Risk Committee hold a joint meeting annually to review the annual audit plan and risk assessment. The Compensation Committee Chair also attends the joint Audit and Finance and Risk Committee meeting to ensure that compensation risks are also reviewed as part of the annual risk assessment process. The Senior Risk Officer reports directly to the Risk Committee Chair and Audit and Finance Committee Chair.

Director Independence

Our common stock is listed on the NASDAQ Global Select Market. In accordance with NASDAQ requirements, at least a majority of our directors must be independent. The Board of Directors has determined that as of December 31, 2012 ten of our eleven directors were independent. Directors Charneski, Christensen, Clees, Ellwanger, Fluetsch, Jensen, Lyon, Rhodes, Watson and Weigand are all independent. Code of Ethics

The Board of Directors has adopted a written Code of Ethics Policy that applies to our directors, officers and employees.

Stock Ownership Guidelines

Heritage has adopted Stock Ownership Guidelines for directors, the Chief Executive Officer, the Presidents of our subsidiary banks and the Chief Financial Officer. The guidelines were established to promote a long-term perspective in managing the Company, and to help align the interests of our shareholders, directors and top executives. The stock ownership goal for each person is determined on an individual basis, first in dollars as a multiple as follows: three times each director's annual cash compensation, 2.5 times the Chief Executive Officer's base salary and 1.5 times each subsidiary bank President's and the Chief Financial Officer's base salary; and then by converting such amount to a fixed number of shares. The guidelines were revised in December 2012 and gave directors three years to comply and the executives five years to comply. As of December 31, 2012 all directors and executive officers covered by the Guidelines were in compliance, or are within the time frame to come into compliance, with the Stock Ownership Guidelines.

Shareholder Communication with the Board of Directors

The Board of Directors maintains a process for shareholders to communicate with the Board of Directors. Shareholders wishing to communicate with the Board of Directors should send any communication to Kaylene M. Lahn, Corporate Secretary, Heritage Financial Corporation, 201 Fifth Avenue S.W., Olympia, Washington 98501. Any such communication should state the number of shares beneficially owned by the shareholder making the communication.

Annual Meeting Attendance

Directors are encouraged to attend the annual meeting of shareholders and all directors attended the 2012 annual meeting of shareholders.

Related Party Transactions

We have followed a policy of granting loans to our executive officers and directors, which fully comply with all applicable federal regulations, including those governing loans and other transactions with affiliated persons of Heritage. Loans to our directors and executive officers are made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with all customers, and do not involve more than the normal risk of collectability or present other unfavorable features.

Table of Contents

All loans and aggregate loans to individual directors and executive officers, without regard to loan amount, are completely documented and underwritten using the same underwriting policies, procedures, guidelines and documentation requirements as are used for non-director and non-employee customers of Heritage. Following the normal underwriting approvals by underwriting personnel, all such loans are then presented for review and approval by the Board of Directors of Heritage Bank or Central Valley Bank, as the case may be, pursuant to Regulation O of the Federal Reserve Board, and the requirements of the Federal Deposit Insurance Corporation and the Washington State Department of Financial Institutions, Division of Banks. There are no exceptions to these procedures and all approvals are documented in the Board meeting minutes. There were \$8.4 million in loan balances outstanding to directors and executive officers at December 31, 2012.

2012 Director Compensation Highlights

The Compensation Committee retained McLagan, the independent compensation consultant, to review total director compensation and assist with updating the Company's compensation peer group (see Compensation Discussion and Analysis below for additional discussion about the peer group). As a result of McLagan's review, the Compensation Committee and the full Board determined that Board fees and equity as a percentage of total compensation should each be increased to more closely align the directors with the 50th percentile of the peer group. The cash compensation program was revised to shift more compensation to a retainer structure for committee chairs and the full Board due to ongoing work performed by the directors between meetings. Per meeting committee fees were also adjusted.

Table of Contents

Equity compensation became a larger percentage of total compensation to encourage long-term ownership in the Company as well as to more closely align our Board compensation program with the programs of our peer group.

Heritage's total assets as of December 31, 2012, were approximately \$1.35 billion. Heritage Bank has 29 branches located from Portland, Oregon to Seattle, Washington and Central Valley Bank has six branches located in the Yakima and Kittitas Valleys of Washington. Heritage's vision is to contribute to the success of our clients through our innovative team, providing quality financial services. We are committed to continuously improving customer satisfaction, employee empowerment and shareholder value.

2012 Business Highlights

While the past 12 months marked another year of challenging global and local economic conditions, the management team remained disciplined and improved upon key performance metrics. Our performance in 2012 reflected an improvement in shareholder return as a result of our prudent capital management strategies, a disciplined credit quality approach and continued efforts to maintain our core business operations while integrating and implementing acquisitions and seeking further growth opportunities. During 2012, we had the following significant accomplishments:

Total Shareholder Return Heritage's one-year shareholder return was 23.7% with a three-year return of 16.5%. Although slightly below our peer group's returns during the same periods, the one year return is 43 basis points stronger than for the SNL U.S. Bank Index, which includes banks with total assets between \$1 and \$5 billion.

Capital Management Strategies We repurchased 442,527 shares during 2012 through our stock repurchase program with a weighted average price of \$13.50. We paid regular and special cash dividends for a total of \$0.80 per share for 2012, and also paid a first quarter 2013 cash dividend of \$0.08 per share. Tangible common equity to tangible assets was 13.9% at year-end and the Company continued to maintain capital levels in excess of the regulatory requirements.

Net Income Heritage's net income significantly improved with net income of \$13.3 million, or \$0.87 per diluted common share, for the year ended December 31, 2012, compared to \$6.5 million, or \$0.42 per diluted common share, for the year ended December 31, 2011.

Credit Quality We significantly improved in credit quality with nonperforming originated assets to total originated assets decreasing to 1.39% at December 31, 2012, compared to 2.14% at December 31, 2011. As of December 31, 2012, our allowance for loan losses to total originated loans was 2.19%, representing 170.4% of nonperforming loans, net of governmental guarantees.

Growth Initiatives We pursued several acquisition opportunities and completed the acquisition of Northwest Commercial Bank on January 9, 2013. We continue a disciplined approach to seeking growth opportunities that will benefit our shareholders and customers.

Solid Balance Sheet We increased total originated loans by approximately \$37 million, or 4.4%, during the year and improved our deposit mix with non-maturity deposits to total deposits increasing to 74.2% at December 31, 2012, compared to 71.0% at December 31, 2011.

2012 Executive Compensation Highlights

Heritage continually strives to align pay with performance for all officers. Annual incentives were awarded during 2012 based on the Company's strong 2012 performance and equity incentives were awarded as a result of the 2011 financial performance. In these uncertain economic times, to limit the amount of the Company's net income that could be paid out in incentive compensation, the Board

Table of Contents

imposed a cap on the 2012 and 2011 annual cash incentives of 15% of net income in each respective year, which reduced the otherwise earned payouts by 5% and 12%, respectively. Executives received base salary increases in 2012 that were intended to bring them closer to the 50th percentile of the peer group, which was a result of the review of the compensation peer group study. All compensation components are also dependent upon the individual's successful personal performance.

2012 Compensation Program Highlights

During 2012, the Committee acted in accordance with the compensation philosophy and provided the executives' compensation aligned with Heritage's financial performance and each executive's individual performance and commensurate with market comparisons. Heritage entered into new employment agreements and deferred compensation arrangements with Messrs. Vance, Deuel and Hinson, and a new change in control agreement with Mr. Spurling. Mr. Broadhead continues to be subject to his previously existing employment agreement. The Committee believes these agreements and compensation arrangements are critical in retaining our key executives and further protecting Heritage's interests following their employment in the event of their separation. The particular terms of these agreements are discussed in more detail following the compensation tables. The Committee reviewed and revised the peer group of institutions for comparison with Heritage and undertook executive and director peer group compensation reviews. The Committee also updated the Stock Ownership Guidelines, which are intended to encourage additional corporate ownership by Messrs. Vance, Deuel, Hinson and Broadhead, and members of our Board.

The Company received 98% and 99% of votes cast in support of executive compensation during the 2012 and 2011 annual shareholders meetings, respectively. Heritage, the Board and the Committee pay careful attention to communications received from shareholders regarding executive compensation, including the results of these non-binding advisory votes. The Committee believes that these votes reflect our shareholders' agreement with our compensation philosophy and the manner in which we compensate our named executive officers. As such the Committee did not alter our compensation philosophy for 2012 as a result of these votes. The Committee continually strives to provide shareholder value while retaining key executives and will closely monitor the results of all future advisory votes on executive compensation. The Committee continued to adhere to and research the enhanced requirements within the Dodd-Frank Wall Street Reform and Consumer Protection Act impacting corporations' compensation programs, which focus on deferred incentives, clawback policies and performance-based compensation.

Philosophy and Objectives of Our Executive Compensation Program

Heritage's compensation philosophy provides overarching guidelines for establishing and managing all elements of compensation. The philosophy targets total executive compensation at market competitive levels, which we define as between the 50th and 75th percentile of peer banks in order to manage base salary levels, allow for meaningful performance-based compensation and recruit and retain key talent. Our compensation philosophy takes into account factors such as internal consistency of executive pay, and the experience, tenure and scope of responsibility for each of our named executive officers. The Committee seeks to target overall compensation at levels that it believes to be consistent with our peer group. Officer compensation is weighted toward Heritage's achievement of stated annual and long-term performance objectives.

Our compensation programs are designed to link compensation with performance, taking into account competitive compensation levels at peer group institutions and in the markets where we compete for talent. The policies and underlying philosophy governing our compensation programs include the following:

Employer of Choice We view compensation as a key factor in being an employer of choice in our markets. We believe that competitive compensation packages allow us to attract and retain well-qualified, key employees critical to our long-term success.

Table of Contents

Pay Aligned with Performance We strive to provide a competitive salary combined with incentive opportunities that reward outstanding individual and Company performance.

Prudent Management of Risk We evaluate, design and manage compensation programs to ensure that we are properly and prudently managing the risks that may be created by such programs. The Committee has the authority and responsibility to mitigate such risks, where necessary, through procedural oversight or program modification.

Flexibility We recognize that the market for key talent requires flexibility in compensation in order to attract qualified individuals. Salary ranges and individual compensation decisions take into account local competitive pressures and changing conditions, as well as regulatory restrictions. Furthermore, the targeted position relative to market may vary depending on the type and level of position, recognizing the different recruiting conditions and relative importance of various qualifications.

This compensation philosophy is reviewed periodically by the Committee and is modified, as appropriate, to reflect market trends and industry best practices. The Committee reviewed and approved the philosophy again in December 2012.

Role of the Compensation Committee

The Committee, composed entirely of independent directors, establishes and monitors compensation programs for employees of Heritage and its subsidiaries. The Committee's responsibilities are to:

review the goals, policies and objectives of the compensation plans of Heritage, Heritage Bank and Central Valley Bank;

review and administer our compensation plans in light of the goals and objectives of these plans, and adopt and recommend new compensation plans or amendments to existing plans;

review and approve actions affecting salaries, annual cash incentives, benefits, equity compensation grants and other compensation arrangements for the Chief Executive Officer and other named executive officers;

review and approve the corporate goals and objectives for the Chief Executive Officer annually;

review and recommend to the full Board for approval the director compensation and fees, benefits and equity compensation grants;

review the results of any shareholder advisory vote regarding compensation plans or programs of the Company and consider whether to implement any changes as a result of such advisory vote;

approve and recommend to the Board for adoption any programs or policies regarding the recovery of previously paid or earned compensation later determined to have been based on inaccurate financial information as may be required by statutory or regulatory authority or as may be deemed in the best interest of the Company and its shareholders;

review and discuss the Compensation Discussion and Analysis with management; and

review our policies regarding the tax deductibility of compensation paid to executive officers for purposes of Section 162(m) of the Internal Revenue Code.

In order to fulfill these responsibilities, the Committee's charter grants it the authority and adequate funding to retain and terminate any third party for the purpose of evaluation of the compensation and performance of the directors, senior executive officers and the Chief Executive Officer.

Role of Executives in Compensation Committee Deliberations

The Committee frequently requests that Mr. Vance and other executives be present at Committee meetings to discuss executive compensation. Executive officers in attendance may provide their insights and suggestions, but only Compensation Committee members may vote on decisions regarding executive compensation. The Compensation Committee discusses Mr. Vance's compensation with him, but final deliberations and all votes regarding all compensation are made in executive session with independent directors and without management present. The Committee also reviews Mr. Vance's recommendations and input from the independent compensation consultant when making decisions regarding the compensation of the other named executive officers.

Compensation Consultants and Advisors

During 2012, McLagan served as an independent compensation consultant to the Committee. McLagan provided the Committee with guidance on incentive plan deferrals and the retirement plan design. As noted above, McLagan also provided advice with respect to setting levels of director compensation. McLagan also assisted with the selection of a revised peer group, performed executive and director compensation benchmarking reviews, and assisted with an analysis of retirement plan benefits and the deferred compensation plan. Representatives of McLagan were also generally available to counsel the Committee as it discharged its own responsibilities with respect to our compensation programs. McLagan reports directly to the Committee and the Committee reviews and approves all consulting projects performed by McLagan. The Committee may replace McLagan or hire additional consultants at any time. As an independent consulting firm, McLagan does not provide other non-executive services such as retirement or welfare plan administration, to Heritage. The Committee does not believe that McLagan has any conflicts of interest that would impair its independence in advising the Committee. During 2012, the Company paid McLagan fees less than \$120,000.

The Committee also has the authority to retain, at the Company's expense, legal counsel and other advisors on an as needed basis, and will evaluate the independence of such advisors as the Committee deems appropriate and as may be required by the NASDAQ listing standards.

Use of Competitive Data

During 2012, the Committee engaged McLagan to conduct a review of the compensation of Heritage's executives and directors. As part of that process, McLagan assisted the Committee with identifying a revised peer group of institutions due to Heritage's growth in recent years as well as the fact that some of our original peer group were no longer in existence. The peer group was identified based, generally, on the following criteria:

publicly-traded financial institutions with return on average assets greater than a negative 1% and non-performing assets less than 9%;

locations in the states of Idaho, Montana, Oregon, Utah, Washington and Northern and Central California;

asset size of \$925 million to \$5 billion; and

comparable business model and performance results.

Table of Contents

Our peer group of 17 comparable commercial bank holding companies comprises the following:

Columbia Banking System, Inc.	First California Financial Group	Pacific Continental Corporation
Banner Corporation	Guaranty Bancorp	Bridge Capital Holdings
TriCo Bancshares	Washington Banking Co.	Northrim BanCorp Inc.
West Coast Bancorporation	Bank of Marin Bancorp	Heritage Oaks Bancorp
CoBiz Financial Inc.	Sierra Bancorp	Bank of Commerce Holdings
Farmers & Merchants Bancorp	Heritage Commerce Corp.	

In addition to analyzing the pay practices and performance of our peer group, the McLagan study included executive compensation information from published banking industry surveys including the American Bankers Association Survey and surveys published by McLagan.

In conducting its review, McLagan reviewed data on salary, cash compensation (salary and annual cash incentives), direct compensation (cash compensation and all forms of equity compensation) and total compensation (direct compensation and all other forms of compensation). In presenting its report to the Committee in June 2012, McLagan noted that salaries, cash compensation, direct compensation and total compensation amounts for the named executive officers and directors generally fell below the market 50th percentile (and in many cases significantly below the 50th percentile).

Components of Compensation

The following table lists some of the major components of compensation that we may use as part of the compensation program.

Component	Key Characteristics	Purpose	Principal 2012 Actions
Base Salary	Fixed compensation component. Reviewed annually and adjusted, if and when appropriate.	Intended to compensate an executive officer fairly for the responsibility level of the position held as well as be competitive within the banking industry.	During the year, base salaries for the named executive officers were adjusted to reflect the 50 th percentile of the peer group, resulting in some significant increases. Base salaries ranged from 46% to 61% of total compensation.
Annual Incentives	Variable compensation component.	Intended to motivate and reward executive officers for achieving annual goals. The annual incentives are performance-based and reflect the actual performance results compared to established goals.	Annual incentives ranged from \$59,467 to \$145,796, or 14% to 20% of total compensation for the named executive officers.
Long-term Incentives	Variable compensation component. Performance-based award opportunity, generally granted annually. The awards have more recently been in the form of restricted stock awards but historically included grants of incentive stock options.	Intended to motivate executive officers to achieve our business objectives by tying incentives to long-term performance. The increased stock ownership aligns employee and shareholder interests and serves as a retention tool.	The named executive officers received long-term incentives in the form of restricted stock awards ranging from, \$44,129 to \$156,177, or 14% to 33% of total compensation. Discretionary awards were also granted to Messrs. Deuel and Hinson and are detailed in the Equity Award Determinations.

Table of Contents

Component	Key Characteristics	Purpose	Principal 2012 Actions
Post-Employment Compensation	Fixed compensation component.	Intended to provide temporary income following an executive officer's involuntary termination of employment and to retain senior executives in a competitive marketplace.	Employment agreements, change in control agreements and/or deferred compensation plans were implemented for named executive officers.

Base Salary

Salary levels of executive officers are designed to be competitive within the banking industry and are based on the experience, tenure and responsibility of each officer. We utilize various compensation surveys and peer group comparisons, including the McLagan study described above, to obtain a general understanding of current base salary, salary range and total cash compensation trends of competitors to ensure that executive compensation is not significantly out of line with competitors of a similar size or within our market areas. Base salaries for our executive officers other than the Chief Executive Officer are based upon recommendations by the Chief Executive Officer, taking into account the subjective and objective factors described above. The Committee reviews and approves or disapproves those recommendations. The base salary for the Chief Executive Officer is recommended to the Board of Directors by the Compensation Committee. The Chief Executive Officer is not present during discussions regarding his compensation. The Compensation Committee generally meets in February of each year in order to approve the base salaries of most officers of Heritage and its subsidiaries effective April 1 of that year. This timing coincides with the review of the performance of the individual officer as well as the prior year performance of Heritage and its subsidiaries.

Salary Adjustments Made in 2012

The comprehensive review of executive compensation during 2012 reflected that, generally, our named executive officers' base salaries lagged the median level of similarly positioned executives at our peer group institutions. The Committee considered the results of the McLagan study, as well as a review of each individual's performance throughout the year and continued improvement in the Company's performance measures, when deciding on salary adjustments for 2012. As a result, the Committee increased the base salaries of our named executive officers (effective July 1, 2012) to move them closer to the 50th percentile of our peer group. The base salaries for 2011 and 2012 were as follows:

Name	Position	2011 Base Salary	2012 Base Salary (effective July 1, 2012)
Brian L. Vance	Chief Executive Officer	\$ 306,940	\$ 412,008
Jeffrey J. Deuel	President, Chief Operating Officer of Heritage Bank	\$ 216,300	\$ 256,008
Donald J. Hinson	Executive Vice President, Chief Financial Officer	\$ 181,280	\$ 244,008
D. Michael Broadhead	President of Central Valley Bank	\$ 182,000	\$ 200,004
David A. Spurling	Senior Vice President, Chief Credit Officer	\$ 169,950	\$ 205,008

Annual Cash Incentives

We use annual cash incentives to focus attention on current strategic priorities and encourage achievement of corporate objectives. These incentives are made under our Management Incentive Plan. The objectives of the Plan are to reward and retain high performers, to drive Heritage's long-term financial success, to encourage teamwork and to create an environment where executives are rewarded if Heritage achieves or exceeds pre-determined annual performance criteria. The Plan design incorporates a tiered approach with annual incentive awards that are linked to the achievement of pre-defined performance goals. The incentive ranges (as a percentage of salary) are designed to provide market competitive payouts for the achievement of minimum, target and maximum levels of performance. The annual awards are determined by previously approved goals, calculated based on financial and individual performance and then recommended by the Chief Executive Officer to the Committee. The Committee then reviews and approves or disapproves the annual cash incentive recommendations. Each of the named executive officers participates in the Management Incentive Plan.

The Committee approves the funding level for the Management Incentive Plan based on meeting or exceeding Company goals. Each performance goal has an established threshold (minimum), target and maximum expectation level; however no payment will be made for a goal if performance falls below the threshold level. Performance ratings for each specific corporate and individual goal between threshold and target or between target and maximum will result in the annual cash incentive payout being reduced or increased from target on a prorated basis. For the 2011 and 2012 annual cash incentives, the total pools of incentives paid were limited to an amount not to exceed 15% of the Company's net income. Each named executive officer has a scorecard with performance results and the Committee approves the final incentives paid. The Management Incentive Plan includes a provision that would operate to clawback, or require the repayment of, incentives should such incentives be paid on materially inaccurate performance metrics. The Compensation Committee reserves the right, in its sole discretion, to not award any incentive payouts when extraordinary circumstances occur that may negatively impact Heritage.

2012 Annual Cash Incentive Award Determinations

In 2012, each of our named executive officers was eligible to participate in the Management Incentive Plan, and had an annual cash incentive opportunity based on specified corporate goals and performance. In order for an executive to be eligible to receive any award, corporate performance had to exceed a threshold level and the executive had to achieve a satisfactory individual performance evaluation. The percentage target and maximum opportunities have remained the same since established in 2010. The aggregate Company incentives paid under the Management Incentive Plan, including those paid to our named executive officers, were limited to an amount not to exceed 15% of the Company's 2012 net income.

The opportunities for cash incentive awards for our named executive officers are detailed in the table below.

Name	Target Opportunity	Maximum Opportunity	Annual Cash Incentive Received as % of
	as % of Salary	as % of Salary	January 1, 2012 Salary
Brian L. Vance	40%	60%	47.5%
Jeffrey J. Deuel	30%	45%	35%
Donald J. Hinson	30%	45%	35%
D. Michael Broadhead	30%	45%	35%
David A. Spurling	30%	45%	35%

Table of Contents**Performance Goals**

In March 2012, the Committee approved all goals for the named executive officers which were related to Heritage's performance. These goals are set forth in the table below.

Corporate Goal	Weighting	Threshold	Target	Maximum	Actual Performance
Nonperforming Assets ⁽¹⁾	25%	1.81%	1.51%	1.21%	1.39%
Net Income ⁽²⁾	30%	\$ 8,817	\$ 11,021	\$ 13,225	\$ 13,261
Net Interest Margin ⁽³⁾	25%	4.80%	5.09%	5.40%	5.17%
Discretionary Strategic Initiatives	20%	1.0	5.0	10.0	⁽⁴⁾

(1) This metric is the originated nonperforming assets to total originated assets.

(2) Dollars in thousands.

(3) Noninterest expense divided by the sum of net interest income and noninterest income.

(4) Each named executive officer received a discretionary rating of 6. The ratings are defined as a five for meeting expectations and a ten for far exceeding expectations. The strategic initiatives vary between executives and examples would include shareholder relationship management and outreach, ongoing acquisition integration and overall division oversight.

As noted above, the aggregate cash incentives pool for 2012 was limited to 15% of the Company's 2012 net income. As a result of this limitation, the earned cash incentives were pro-rated and, therefore, each of the named executive officer's annual cash incentives was reduced by approximately 5%. The following table reflects the originally calculated, or earned annual cash incentive and the actual pro-rata annual cash incentive paid to each named executive officer for 2012 performance:

Name	Earned Annual Cash Incentive (\$)	Pro-Rata Annual Cash Incentive Paid (\$)
Brian L. Vance	153,757	145,796
Jeffrey J. Deuel	79,817	75,684
Donald J. Hinson	66,894	63,430
D. Michael Broadhead	67,159	63,682
David A. Spurling	62,714	59,467

Equity-based Compensation

Equity-based compensation is intended to more closely align the financial interests of our executives with long-term shareholder value, and to assist in the retention of key executives. Historically, we have granted equity-based compensation to officers in the form of incentive stock options and restricted stock awards. We continue to maintain our shareholder approved 2010 Omnibus Equity Plan, which allows us to grant stock options, stock appreciation rights, restricted stock, restricted performance stock, unrestricted stock or performance unit awards to directors, officers and other employees of Heritage and its subsidiaries.

Stock options and restricted stock awards are awarded based on the closing price of Heritage's stock on the date of grant. The date of grant is the date that the options or awards are approved by the Committee.

Generally, stock options and restricted stock awards are granted to officers annually during the February Committee meeting. One-time grants of options and/or restricted stock awards to individuals occur occasionally at the discretion of the Committee.

Table of Contents

Stock options granted under the 2010 Omnibus Equity Plan generally vest ratably over four years and expire ten years after they are granted. The majority of the restricted stock awards granted to date under the 2010 Omnibus Equity Plan vest ratably over four years while some grants awarded have a three-year or five-year cliff vesting schedule. Future awards may be granted with different vesting schedules.

Equity Grant Award Determination

The Chief Executive Officer makes recommendations to the Compensation Committee regarding the amount and terms of equity awards for the other named executive officers. Using the recommendations of the Chief Executive Officer, the Compensation Committee determines which executives will receive awards and determines the number of shares subject to each award. The Chair of the Compensation Committee, working with its independent compensation consultant, recommends to the Committee the amount and terms of equity awards for the Chief Executive Officer.

2012 Equity Award Determinations

In June 2012, the named executive officers received grants of restricted stock based on prior year performance. Heritage applied a tiered structure with target award opportunities expressed as a percentage of salary during 2012, as described in the table below. The percentage target and maximum opportunities have remained the same since established in 2010. Subjective factors were used to differentiate individual performance. Executive officers are assigned to one of five different tier levels based upon factors such as title, position and/or responsibilities. The tier level is the primary factor used to determine the equity award each executive officer may earn. The target opportunity is based upon a percentage of salary and placement within the tiered structure. If an officer did not meet his or her goals under the Management Incentive Plan for the prior year, the officer may not receive an award, or the award may be reduced. The Committee may make discretionary grants of stock options or restricted stock, based on factors relating primarily to the responsibilities of individual executives, their expected future contributions to Heritage and the recruitment of new officers.

The table below contains the tier level for each of the named executive officers, as well as their potential and actual 2012 awards, expressed as a percentage of base salary.

Name	Tier	Target Opportunity as % of Salary	Maximum Opportunity as % of Salary	2012 Actual Award as % of January 1, 2012 Salary
Brian L. Vance	I	30%	45.0%	31%
Jeffrey J. Deuel	II	25%	37.5%	26%
Donald J. Hinson	II	25%	37.5%	26%
D. Michael Broadhead	II	25%	37.5%	26%
David A. Spurling	II	25%	37.5%	26%

To determine the 2012 equity awards, Heritage took into consideration whether the named executive officers met their individual performance goals under the Management Incentive Plan for 2011. Although, the equity awards were calculated in February 2012, the awards were not granted until a full executive compensation review was performed at the June 2012 Committee meeting. The 2012 actual awards as a percentage of salary were generally lower than the target level because the 2012 base salary included increases that were effective July 1, 2012. The 2011 performance results were 104% of target, thus the 2012 awards were higher as a percentage of the January 1, 2012 salary. Messrs. Deuel and Hinson received additional equity awards in September 2012, each totaling \$100,005, that

is not included in the above presentation because the awards were discretionary. These discretionary awards were provided in conjunction with, and contingent upon, the employment agreements each of them entered into.

Retirement Benefits

401(k) Employee Stock Ownership Plan. We maintain a 401(k) Employee Stock Ownership Plan as a retirement plan. The plan is a defined contribution plan and is designed to provide employees with savings opportunities and financial security during retirement. Heritage makes three different contributions to the plan:

A matching contribution equal to 50% of an employee's salary deferral contributions up to a maximum of 6% of an employee's eligible compensation;

A profit-sharing contribution which includes a fixed contribution of 2% of an employee's eligible compensation and a discretionary contribution based on a percentage of an employee's eligible compensation based on Heritage's financial performance and management's recommendation and as approved by the Board. For 2012, the discretionary contribution was equal to 1% of employees' eligible compensation; and

A stock contribution as a result of the employee stock ownership plan determined based on the current employee stock ownership plan's loan principal and interest repayments, which is allocated as a percentage of eligible compensation.

Deferred Compensation Plan. During 2012, Heritage adopted a Deferred Compensation Plan, which provides our directors and select executive officers with the opportunity to defer current compensation. Under the Deferred Compensation Plan, participants are permitted to elect to defer compensation and Heritage has the discretion to make additional contributions to the plan on behalf of any participant based on a number of factors. The notional account balances of participants under the plan earn interest on an annual basis. The applicable interest rate as initially selected by the Committee will be the Moody's Seasoned Aaa Corporate Bond Yield as of January 1 of each year. Generally, a participant's account is payable upon the earliest of the participant's separation from service with Heritage, the participant's death or disability, or a specified date that is elected by the participant in accordance with applicable rules of the Internal Revenue Code. The Company's obligation to make payments under the Deferred Compensation Plan is a general obligation of the Company and is to be paid from the Company's general assets. As such, participants are general unsecured creditors of the Company with respect to their participation under the plan. The Committee believes that the Deferred Compensation Plan provides Heritage with another tool to attract and retain the best qualified individuals to serve in key roles within the organization.

Messrs. Vance, Deuel and Hinson were given awards pursuant to which the Company will make contributions to accounts maintained on their behalf under the Deferred Compensation Plan. The terms of the particular awards to Messrs. Vance, Deuel and Hinson are described in more detail following the Nonqualified Deferred Compensation table below.

Perquisites and Other Benefits

The Chief Executive Officer and Presidents of Heritage or its subsidiary banks receive perquisites in the form of golf club memberships and use of automobiles. These perquisites are considered a priority for these individuals because of their community involvement and business development activities. Executive officers participate in Heritage's other benefit plans on the same terms as other employees. These plans include medical, dental and vision insurance, life insurance, long-term disability and flexible spending accounts.

Tax and Accounting Considerations

Heritage takes into account tax and accounting implications in the design of its compensation programs. For example, in the selection of long-term incentive instruments, the Compensation Committee reviews the projected expense amounts and expense timing associated with alternative types of awards. In selecting appropriate incentive devices, the Compensation Committee reviews extensive modeling analyses and considers the related tax and accounting issues.

Section 162(m) of the Internal Revenue Code places a limit on the tax deduction for compensation in excess of \$1 million paid to the Chief Executive Officer and four most highly compensated executive officers of a corporation in a taxable year. All of the compensation Heritage paid in 2012 to the named executive officers is expected to be deductible under Section 162(m) of the Code. The Compensation Committee retains the discretion, however, to pay non-deductible compensation if it believes doing so is in our best interests.

Effective June 2012, the Compensation Committee adopted a deferred compensation plan. The Company entered into contribution agreements with Messrs. Vance, Deuel and Hinson that provided for potential 2012 contributions to each executive's account by the Company on a 50% pro-rata basis. The potential contributions were based on a percentage of the respective executive's salary, with a pre-determined minimum, target and maximum level, with the amount of the contributions based on the achievement of performance goals under the Deferred Compensation Plan. Mr. Vance also received an initial contribution of \$150,000 as of July 1, 2012 under his participation agreement.

Under Mr. Vance's Deferred Compensation Plan participation agreement, Heritage's contributions for 2012 were set at 16% of salary for minimum achievement of performance goals, 33% for target achievement and 50% for maximum achievement. With respect to Mr. Vance, the 16% minimum achievement is a fixed amount to be contributed annually, that may be increased based upon performance that is greater than the minimum performance threshold. The initial contribution made on behalf of Mr. Vance was not performance based. In both bases, the Compensation Committee intended for these portions of Mr. Vance's benefit to also act as a retirement benefit. Mr. Vance's Company contributions under the Deferred Compensation Plan vest 30% as of July 1, 2012 and 10% as of January 1, 2013 and an additional 10% as of each January 1 thereafter through January 1, 2019. Mr. Vance's participation agreement provides for Company contributions under the Deferred Compensation Plan for the years 2012 through and including 2019.

Under their respective Deferred Compensation Plan participation agreements, Heritage's contributions on behalf of Messrs. Deuel and Hinson for 2012 were set at 10% of salary for minimum achievement of

performance goals, 20% for target achievement and 35% for maximum achievement. Mr. Deuel's and Mr. Hinson's Company contributions under the Deferred Compensation Plan vest 10% as of January 1, 2013 and 10% as of each January 1 thereafter through January 1, 2022. Their participation agreements provide for Company contributions under the Deferred Compensation Plan for the years 2012 through and including 2016. In 2013, the Compensation Committee approved Company contributions to the Deferred Compensation Plan of \$85,867, \$35,222, and \$33,571 on behalf of Messrs. Vance, Deuel, and Hinson, respectively, based on the achievement of 2012 performance goals under their respective Deferred Compensation Plan participation agreements.

Potential Payments Upon Termination or Change in Control

The following table reflects the estimated amount of compensation that would be paid to each of our named executive officers in the event of various terminations of employment and in the event of a change in control of Heritage. The values assume a termination date of December 31, 2012. The exact values would need to be calculated upon the actual termination of employment. The calculations do not include compensation and benefits the executives receive that are generally available to our employees.

Employment Agreements and Severance/Change in Control Benefits

The rationale for having employment and severance/change in control agreements in place is to retain the employment of the named executive officers, and the talent, skills, experience and expertise that they provide to Heritage. Retention of the current leadership team is a critical goal of the Board as it protects Heritage and the shareholders and provides stability and the type of skilled leadership needed in the current environment. Employment agreements also provide critical protection to Heritage by subjecting the executives to non-competition, non-solicitation and other restrictions following their employment.

Employment Agreements Messrs. Vance, Deuel, Hinson and Broadhead. On September 7, 2012, Heritage entered into a restated employment agreement with Mr. Vance, President and Chief Executive Officer of Heritage and Chief Executive Officer of Heritage Bank and Central Valley Bank, and new employment agreements with Mr. Deuel, Executive Vice President of Heritage and President and Chief Operating Officer of Heritage Bank, and Mr. Hinson, Executive Vice President and Chief Financial Officer of Heritage and Heritage Bank. On December 3, 2010, Heritage and Central Valley Bank entered into an employment agreement with Mr. Broadhead to continue as President of Central Valley Bank.

The agreements have initial terms from July 1, 2012 through June 30, 2015 for Mr. Vance and through June 30, 2014 for Messrs. Deuel and Hinson. The term of the agreements will be automatically extended for an additional year beginning on July 1, 2014 for Mr. Vance and July 1, 2013 for Messrs. Deuel and Hinson, and on each July 1 thereafter, unless either party gives at least 90 days prior notice of non-renewal. Mr. Broadhead's agreement had an initial term from December 3, 2010 through March 31, 2012, and the term of the agreement automatically extended for an additional year beginning on April 1, 2012 and will automatically extend on each April 1 thereafter, unless either party gives at least 90 days prior notice of non-renewal.

The employment agreements provide for annual base salaries of \$412,000, \$256,000, \$244,000 and \$200,004 for Messrs. Vance, Deuel, Hinson and Broadhead, respectively. The base salaries will be reviewed annually and may be increased at the discretion of the Board. The agreements provide that the executives will be eligible to receive performance-based annual incentive bonuses, in accordance with Heritage's annual incentive plan, and also to receive employee benefits on as favorable a basis as other similarly situated and performing senior executives of Heritage. Messrs. Vance, Deuel and Broadhead will also each be provided an automobile for business use or a car allowance, at Heritage's prerogative.

The agreements for Messrs. Vance, Deuel and Hinson provide for severance benefits in the event the executive's employment is terminated by Heritage other than for cause or as a result of the executive's death or disability, or if the employment is terminated by the executive for good reason (Termination). For a Termination during the term of the employment agreement that does not occur within six months before or within 24 months after a change in control of Heritage (Covered Period), Mr. Vance would be entitled to receive an amount equal to 200% of his base salary plus annual bonus (Base Compensation) and Messrs. Deuel and Hinson would each be entitled to receive an amount equal to 100% of their Base Compensation, all payable in monthly installments over a 24-month period. For a Termination that occurs during a Covered Period, Mr. Vance would be entitled to receive a lump sum equal to 300% of his Base Compensation and Messrs. Deuel and Hinson would each be entitled to receive a lump sum equal to 200% of their Base Compensation. The executives and their eligible dependents would also be entitled to continued coverage under the medical and dental plans of Heritage (18 months' coverage for Mr. Vance for any Termination; for Messrs. Deuel and Hinson, 12 months' coverage for Termination that does not occur during a Covered Period and 18 months' coverage for Termination during a Covered Period). The employment agreements also provide that any equity award granted to an executive and subject to vesting, performance or target requirements will be treated as having satisfied the applicable requirements in the case of any Termination.

Table of Contents

All severance benefits under the employment agreements for Messrs. Vance, Deuel and Hinson are contingent upon the executive's execution and non-revocation of a general release and waiver of claims against Heritage. The agreements are subject to certain banking regulatory provisions and include a clawback provision should any severance payment require recapture under any applicable statute, law, regulation or regulatory interpretation or guidance. Further, the agreements provide for an automatic reduction of severance payments if the reduction would result in a better net-after-tax result for the respective executive after taking into account the impact of the golden parachute payment restrictions of Section 280G of the Internal Revenue Code.

Under Mr. Broadhead's employment agreement, upon a Termination, Heritage would be required to: (1) pay Mr. Broadhead his salary at the rate in effect at the time of Termination, over a one-year period commencing on the date of Termination; (2) continue to provide to Mr. Broadhead and his eligible dependents and beneficiaries, for one year, substantially the same group life insurance, hospitalization, medical, dental, prescription drug and other health benefits, and long-term disability insurance (if any) had he not experienced a Termination (except that any such coverage would cease if and when he is no longer covered under an insurance program made available by Central Valley Bank to employees generally); and (3) pay to Mr. Broadhead any bonus or incentive compensation to which he has a legally binding right on the date of his Termination. In addition, any equity awards granted to Mr. Broadhead by Heritage that are subject to vesting, performance or target requirements would be treated as if Mr. Broadhead satisfied such vesting, performance or target requirements as of the date of his Termination.

Mr. Broadhead's employment agreement also provides for a lump sum severance payment of two times base salary if Mr. Broadhead experiences a Termination within 12 months following a change in control of Heritage. Mr. Broadhead and his eligible dependents and beneficiaries also would receive, for one year, substantially the same group life insurance, hospitalization, medical, dental, prescription drug and other health benefits, and long-term disability insurance (if any) as he would have received had he not experienced a Termination. In addition, any equity awards granted to Mr. Broadhead by Heritage that are subject to vesting, performance or target requirements would be treated as if Mr. Broadhead satisfied such vesting, performance or target requirements as of the date of his Termination. Mr. Broadhead's agreement provides for a benefit cutback in the event any amounts are non-deductible due to the golden parachute payment restrictions of Section 280G of the Internal Revenue Code.

The employment agreements for all the executives contain restrictive covenants prohibiting the unauthorized disclosure of confidential information of Heritage by the executives during and after their employment with the Heritage, and prohibiting the executives from competing with Heritage and from soliciting its employees or customers during employment and after termination of employment for any reason. The non-solicitation and non-competition provisions apply to Mr. Vance for a period of 24 months following any termination not in connection with a change in control. For Messrs. Deuel and Hinson, the non-competition provisions apply for a period of 12 months following any termination not in connection with a change in control and the non-solicitation provisions apply for a period for 24 months following any termination not in connection with a change in control. The non-competition and non-solicitation provisions apply to Messrs. Vance, Deuel and Hinson for a period of 12 months following any termination in connection with a change in control. For Mr. Broadhead, all of the restrictive covenants apply for a period of 12 months following any termination of employment.

Change in Control Agreement Mr. Spurling. On September 7, 2012, Heritage entered into a change in control agreement with Mr. Spurling. The initial term of the agreement begins on September 7, 2012 and continues through June 24, 2014. The agreement will automatically extend for additional 12-month periods unless terminated by Heritage upon 90 days prior written notice. If a change in control occurs during the term of the agreement, the agreement will remain in effect for the two-year period immediately following the change in control and will then terminate.

Table of Contents

The agreement provides for severance benefits in the event of Mr. Spurling's termination by Heritage not for cause or by Mr. Spurling for good reason, in each case within 24 months after a change in control of Heritage. Mr. Spurling would be entitled to receive an amount equal to 150% of his annual salary, payable in monthly installments over a 12-month period. Mr. Spurling and his eligible dependents would also be entitled to continued coverage under the medical and dental plans of Heritage for a period of 12 months following termination.

All severance benefits under Mr. Spurling's agreement are contingent upon his execution and non-revocation of a general release and waiver of claims against Heritage. The agreement is subject to certain banking regulatory provisions and includes a clawback provision should any severance payment require recapture under any applicable statute, law, regulation or regulatory interpretation or guidance. The agreement also provides for a benefit cutback in the event any amounts are non-deductible due to the golden parachute payment restrictions of Section 280G of the Internal Revenue Code.

The agreement contains restrictive covenants prohibiting the unauthorized disclosure of confidential information of Heritage by Mr. Spurling during and after his employment with Heritage, and prohibiting him from competing with Heritage and from soliciting its employees or customers during employment and after termination of employment for any reason. The non-solicitation provisions apply for a period of 12 months following any termination. The non-competition provisions apply for a period of 12 months following any termination in connection with a change in control.

Equity Plans

Our Restricted Stock Plan of 2002 and Restricted Stock Plan of 2006 provide for accelerated vesting of awards upon disability, death or retirement (at or after age 65). The 2010 Omnibus Equity Plan provides for accelerated vesting of awards upon disability, death or retirement (at or after age 65 and 10 years of service). During 2012, the Heritage Board approved an amendment to all of the above named Equity Plans, which allows for the vesting of shares upon the attainment of retirement eligibility to provide administrative alignment of tax and book reporting for these transactions. The 2010 Omnibus Equity Plan further provides that in the event of a change in control, if Heritage is not the surviving corporation and the acquirer does not assume outstanding awards or provide substitute equivalent awards, or if the award recipient is terminated without cause or if the award recipient terminates his or her own employment for good reason within 24 months following a change in control, then all outstanding awards will become immediately exercisable or vested. Our 1998 Stock Option and Restricted Stock Award Plan, Restricted Stock Plan of 2002, Restricted Stock Plan of 2006 and Incentive Stock Option Plan of 2006 provide for immediate vesting of all outstanding awards in connection with a change in control.

PROPOSAL 2 ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act), we are required to include in this Proxy Statement and present at the meeting a non-binding shareholder vote to approve the compensation of our named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC. This proposal, commonly known as a say-on-pay proposal, gives shareholders the opportunity to endorse or not endorse the compensation of Heritage's executives as disclosed in this Proxy Statement. We currently hold our say-on-pay vote every year. The proposal will be presented at the annual meeting in the form of the following resolution:

RESOLVED, that the shareholders approve the compensation of Heritage Financial Corporation's named executive officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables and related material in Heritage's Proxy Statement for the 2013 annual meeting of shareholders.

This vote will not be binding on our Board of Directors or Compensation Committee and may not be construed as overruling a decision by the Board or create or imply any additional fiduciary duty on the Board. It will also not affect any compensation paid or awarded to any executive. The Compensation Committee and the Board may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

The purpose of our compensation policies and procedures is to attract and retain experienced, highly qualified executives critical to our long-term success and enhancement of shareholder value. We believe that our compensation policies and procedures are strongly aligned with the long-term interests of our shareholders. As discussed in the Compensation Discussion and Analysis, the Compensation Committee of the Board of Directors believes that the executive compensation for 2012 is reasonable and appropriate, is justified by Heritage's performance in a difficult environment and is the result of a carefully considered approach. In considering how to vote on this proposal, the Board requests that you consider the following factors:

Heritage's improved one-year and three-year total shareholder returns of 23.7% and 16.5%, respectively. Although slightly below our peer group's respective returns during the same periods, our one-year return is 43 basis points stronger than the SNL U.S. Bank Index, which includes banks with total assets between \$1 and \$5 billion.

Heritage's earnings improved by 103% over the prior year's earnings with \$13.3 million in net income for the year ended December 31, 2012 compared to \$6.5 million for the year ended December 31, 2011. As a result, diluted earnings per common share increased to \$0.87 for the year ended December 31, 2012 from \$0.42 for the year ended December 31, 2011.

Heritage's capital management strategies which included the ongoing stock repurchase program and the annual cash dividend payment of \$0.80 per share while maintaining solid capital levels in excess of regulatory requirements. Heritage's performance when measured by credit quality and capital ratios are above the median of its peer group with most metrics above the 75th percentile of the peer group.

Heritage's leadership team strives to fairly compensate and retain quality management while managing and balancing risks and rewards. The management team achieved some key growth initiatives during 2012 which included the acquisition of Northwest Commercial Bank and the continued focus on strong core business operations.

The Board of Directors recommends that you vote FOR approval of the compensation of our named executive officers as disclosed in this Proxy Statement.

**PROPOSAL 3 RATIFICATION OF THE APPOINTMENT
OF REGISTERED PUBLIC ACCOUNTING FIRM**

Appointment of Independent Registered Public Accounting Firm

The Audit and Finance Committee of the Board of Directors has appointed Crowe Horwath LLP as its independent registered public accounting firm for the December 31, 2013 and 2012 fiscal years. KPMG LLP served as Heritage's independent auditor for the fiscal year ended December 31, 2011. Heritage terminated its engagement of KPMG LLP as its independent registered public accounting firm upon the completion of the audit for fiscal year ended December 31, 2011. In connection with the audit as of and for the years ended December 31, 2011 and 2010, and the subsequent interim period through March 2, 2012, (1) there were no disagreements with KPMG LLP on any matter of accounting principle or practice, financial statement disclosure, auditing scope or procedure, whereby such disagreements, if not resolved to the satisfaction of KPMG LLP, would have caused them to make reference thereto in their report on the financial statements for such years; and (2) there have been no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K). You are asked to ratify the appointment of Crowe Horwath LLP at the annual meeting. Although shareholder ratification of the appointment of Crowe Horwath LLP is not required by our bylaws or otherwise, our Board of Directors is submitting this appointment to shareholders for their ratification at the annual meeting as a matter of good corporate practice. If the appointment of Crowe Horwath LLP is not ratified by our shareholders, the Audit and Finance Committee may appoint another independent registered public accounting firm or may decide to maintain its appointment of Crowe Horwath LLP. Even if the appointment of Crowe Horwath LLP is ratified by the shareholders at the annual meeting, the Audit and Finance Committee, in its discretion, may select a different independent registered public accounting firm at any time during the year.

The Audit and Finance Committee operates under a written charter adopted by the Board of Directors. In fulfilling its oversight responsibility of reviewing the services performed by Heritage's independent registered public accounting firm, the Committee carefully reviews the policies and procedures for the engagement of the independent registered public accounting firm. The Audit and Finance Committee discussed with Crowe Horwath LLP the overall scope and plans for the audit, and the results of the audit for the year ended December 31, 2012. Heritage also reviewed and discussed with Crowe Horwath LLP and KPMG LLP the fees paid, as described below, and determined the fees billed for services was compatible with Crowe Horwath LLP and KPMG LLP maintaining their independence.

A representative of Crowe Horwath LLP is expected to attend the meeting to respond to appropriate questions and will have an opportunity to make a statement if he or she so desires.

The Board of Directors unanimously recommends that you vote FOR the ratification of the appointment of Crowe Horwath LLP as the independent registered public accounting firm for Heritage for the year ending December 31, 2013.

- (2) Includes costs incurred in relation to the audit of the employee benefit plan performed by KPMG LLP.
- (3) The Company paid fees to KPMG LLP for the employee benefit plan and tax services during 2012; however these fees were not included because KPMG LLP was not our principal accountants for this audit period.

Pre-approval Policy

It is the policy of the Audit and Finance Committee to pre-approve all audit and permissible non-audit services to be provided by the registered public accounting firm and the estimated fees for these services. Pre-approval is typically granted by the full Audit and Finance Committee. In considering non-audit services, the Audit and Finance Committee will consider various factors, including but not limited to, whether it would be beneficial to have the service provided by the independent registered public accounting firm and whether the service could compromise the independence of the independent registered public accounting firm. For the year ended December 31, 2012, the Audit and Finance Committee approved all, or 100%, of the services provided by Crowe Horwath LLP that were designated as audit fees, audit-related fees, tax fees and all other fees as set forth in the table above.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our directors and executive officers, and persons who own more than 10% of Heritage's common stock to report their initial ownership of the common stock and any subsequent changes in that ownership to the SEC. Specific due dates for these reports have been established by the SEC and we are required to disclose in this Proxy Statement any late filings or failures to file. Based solely on our review of the copies of such forms we have received and written representations provided to us by the above referenced persons, we believe that, during the year ended December 31, 2012, all filing requirements applicable to our reporting officers, directors and greater than 10% shareholders were properly and timely complied with.
