PROXY STATEMENT

FOR THE 2013 ANNUAL MEETING OF STOCKHOLDERS

MAY 22, 2013

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why am I receiving these materials?

We have sent you this Proxy Statement and the enclosed proxy card because the Board of Directors (the **Board**) of Exelixis, Inc. (sometimes referred to as **we**, **us** or **Exelixis**) is soliciting your proxy to vote at the 2013 Annual Meeting of Stockholders (the **Annual Meeting**), including any adjournments or postponements of the meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this Proxy Statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, or follow the instructions below to submit your proxy over the telephone or on the Internet.

We intend to mail this Proxy Statement and accompanying proxy card on or about April 17, 2013 to all stockholders of record entitled to vote at the Annual Meeting.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on March 25, 2013 will be entitled to vote at the Annual Meeting. On this record date, there were 183,789,132 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 25, 2013 your shares were registered directly in your name with our transfer agent, Computershare Shareowner Services LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 25, 2013 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in **street name** and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are three matters scheduled for a vote:

Election of the three Class II nominees for director named herein to hold office until the 2016 Annual Meeting of Stockholders;

Ratification of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 27, 2013; and

Advisory approval of the compensation of our named executive officers, as disclosed in this Proxy Statement.

How do I vote?

As a stockholder of Exelixis, you have a right to vote on certain business matters affecting the company. The proposals that will be presented at the Annual Meeting and upon which you are being asked to vote are discussed below in this Proxy Statement. The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy using the enclosed proxy card, vote by proxy over the telephone or vote by proxy on the Internet. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-800-652-VOTE (8683) from the United States using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 11:59 p.m., Eastern Time, on May 21, 2013 to be counted.

To vote on the Internet, go to www.investorvote.com/EXEL to complete an electronic proxy card. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 11:59 p.m., Eastern Time, on May 21, 2013 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

Most beneficial owners whose stock is held in street name receive voting instruction forms from their banks, brokers or other agents, rather than the proxy card. You must follow these instructions for your bank, broker or other agent to vote your shares per your instructions. Alternatively, many brokers and banks provide the means to grant proxies to vote shares by telephone and via the Internet. If your shares are held in an account with a broker or bank providing such a service, you may grant a proxy to vote those shares by telephone or over the Internet as instructed by your broker or bank. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

We provide Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 25, 2013.

What if I return a proxy card but do not make specific choices?

If you are a registered stockholder and you return a signed and dated proxy card without marking any voting selections, your shares will be voted on the proposals as follows:

For the election of Mr. Feldbaum and Drs. Garber and Marchesi in Proposal 1;

For the ratification of our selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 27, 2013 in Proposal 2; and

For the advisory approval of the compensation of our named executive officers in Proposal 3.

If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will bear the entire cost of soliciting proxies, including the preparation, assembly, printing and mailing of this Proxy Statement, the proxy card and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of our common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. You may revoke your proxy in the following ways:

Stockholder of Record: Shares Registered in Your Name

Your proxy may be revoked by filing with the Secretary of Exelixis at our principal executive office, Exelixis, Inc., 210 East Grand Avenue, South San Francisco, California 94080, either (1) a written notice of revocation or (2) a duly executed proxy card bearing a later date.

Your proxy may also be revoked by granting a subsequent proxy by telephone or on the Internet (your latest telephone or Internet proxy is the one that is counted).

Your proxy may also be revoked by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, by itself, revoke your proxy.

Edgar Filing: EXELIXIS, INC. - Form DEF 14A

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker or bank as nominee or agent, you should follow the instructions provided by your broker or bank to revoke any prior voting instructions.

What happens if I do not vote?

Stockholder of Record; Shares Registered in Your Name

If you are a stockholder of record and do not vote by completing your proxy card, by telephone, over the internet or in person at the Annual Meeting, your shares will not be counted towards a quorum, and will have no effect on the vote count for Proposals 1, 2 and 3.

Beneficial Owner; Shares Registered in the Name of a Broker or Bank

If on March 25, 2013, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and only your broker will be able to vote your shares. A broker non-vote occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular non-routine proposal, including the election of directors, because the broker or nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner (despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions). Therefore, if you do not give your broker or nominee specific instructions, your shares will not be voted on with respect to such non-routine proposals. Proposal 2 constitutes a routine management proposal, and thus, if you do not give your broker or nominee specific instructions, your broker or nominee will nevertheless have the authority to vote your shares with respect to this proposal, but will not have the authority to vote your shares with respect to Proposals 1 and 3.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares entitled to vote are represented by votes at the meeting or by proxy. On the record date, there were 183,789,132 shares outstanding and entitled to vote.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions will be counted towards the number of shares considered to be present at the meeting for quorum purposes. Shares represented by broker non-votes will be counted in determining whether there is a quorum present.

If there is no quorum, either the chairman of the Annual Meeting or the holders of a majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

How many votes are needed to approve each proposal and how are votes counted?

Proposal 1 Election of Directors: Directors are elected by majority vote. Each of the three Class II nominees must receive For votes from the holders of a majority of shares cast with respect to such director (number of shares voted For a director must exceed the number of shares voted Against that director). Abstentions and broker non-votes, if any, are not counted for purposes of electing directors and will have no effect on the results of this vote.

You may vote For, Against or Abstain for each nominee for election as a director.

Proposal 2 Ratification of Ernst & Young LLP: The affirmative vote of a majority of shares present in person or by proxy at the Annual Meeting and entitled to vote on the proposal is required to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 27, 2013. Abstentions will have the effect of votes against this proposal. Brokers generally have discretionary authority to vote on the ratification of our independent accounting firm; thus we do not expect any broker non-votes on this proposal. To the extent there are any broker non-votes, they will have no effect on the results of this vote.

You may vote For, Against or Abstain on the proposal to ratify the appointment of Ernst & Young LLP as Exelixis independent registered public accounting firm for the fiscal year ending December 27, 2013.

Proposal 3 Advisory Vote on Executive Compensation: The affirmative vote of a majority of shares present in person or by proxy at the Annual Meeting and entitled to vote on the proposal is required to approve the non-binding, advisory vote on executive compensation. Abstentions will be counted toward the tabulation of votes cast on the proposal and will have the same effect as votes against this proposal. Broker non-votes will have no effect and will not be counted towards the vote total. Since the vote is advisory, it is not binding on the Board or on us. Nevertheless, the views expressed by our stockholders, whether through this vote or otherwise, are important to management and the Board and, accordingly, the Compensation Committee and Board intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements. Your vote will serve as an additional tool to guide the Compensation Committee and Board in continuing to improve the alignment of our executive compensation programs with business objectives and performance and with the interests of our stockholders.

You may vote For, Against or Abstain on the proposal to approve the compensation of our named executive officers.

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count For, Against and Abstain votes with respect to each proposal.

Do I have dissenters rights?

We are organized as a corporation under Delaware law. Under the Delaware General Corporation Law, our stockholders are not entitled to dissenters rights with respect to any of the proposals set forth in this Proxy Statement and we will not independently provide the stockholders with any such rights.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

Will other matters be voted on at the Annual Meeting?

We are not aware of any matters to be presented at the Annual Meeting other than those described in this Proxy Statement. If any other matters not described in the Proxy Statement are properly presented at the meeting, proxies will be voted in accordance with the best judgment of the proxyholders.

What proxy materials are available on the Internet?

This Proxy Statement and our 2012 annual report to stockholders are available at <http://exel-annualstockholdermeeting.com>.

What is the deadline for submitting stockholder proposals for the 2014 Annual Meeting?

To be considered for inclusion in the 2014 proxy materials, your proposal must be submitted in writing by December 18, 2013 to Exelixis Secretary at Exelixis, Inc., 210 East Grand Avenue, South San Francisco, California 94080, and you must comply with all applicable requirements of Rule 14a-8 promulgated under the

Securities Exchange Act of 1934, as amended. However, if our 2014 Annual Meeting of Stockholders is not held between April 22, 2014 and June 21, 2014, then the deadline will be a reasonable time prior to the time that we begin to print and mail our proxy materials.

If you wish to submit a proposal or nominate a director at the 2014 Annual Meeting of Stockholders, but you are not requesting that your proposal or nomination be included in next year's proxy materials, you must submit your proposal in writing, in the manner set forth in our Bylaws, to Exelixis' Secretary at Exelixis, Inc., 210 East Grand Avenue, South San Francisco, California 94080, to be received no earlier than the close of business on February 21, 2014, and no later than the close of business on March 23, 2014. However, if our 2014 Annual Meeting of Stockholders is not held between April 22, 2014 and June 21, 2014, then you must notify Exelixis' Secretary, in writing, not earlier than the close of business on the 90th day prior to the date of the 2014 Annual Meeting of Stockholders and not later than the close of business on the later of (i) the 60th day prior to the date of the 2014 Annual Meeting of Stockholders or (ii) if we publicly announce the date of the 2014 Annual Meeting of Stockholders fewer than 70 days prior to the date of the 2014 Annual Meeting of Stockholders, the 10th day following the day that we first make such public announcement of the date of the 2014 Annual Meeting of Stockholders. We also advise you to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations. The chairperson of the 2014 Annual Meeting of Stockholders may determine, if the facts warrant, that a matter has not been properly brought before the meeting and, therefore, may not be considered at the meeting. In addition, if you do not also comply with the requirements of Rule 14a-4(c)(1) promulgated under the Securities Exchange Act of 1934, as amended, our management will have discretionary authority to vote all shares for which it has proxies for any such stockholder proposal or director nomination, including in opposition to such stockholder proposal or director nomination.

Where can I obtain directions to the Annual Meeting?

You may contact Investor Relations at (650) 837-7000 to obtain directions to the Annual Meeting.

PROPOSAL 1

ELECTION OF CLASS II DIRECTORS

Our Certificate of Incorporation and Bylaws provide that the Board is divided into three classes, with each class having a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including a vacancy created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is elected and qualified, or, if sooner, until such director's death, resignation or removal.

The Board presently has eleven members. There are three directors in Class II whose term of office expires at the Annual Meeting. Each of the nominees up for election to this class is currently a director of Exelixis who was previously elected by the stockholders. If elected at the Annual Meeting, each of these nominees would serve until the 2016 Annual Meeting and until his successor is elected and has qualified, or, if sooner, until the director's death, resignation or removal.

Directors are elected by a majority of the votes present in person or represented by proxy and entitled to vote at the Annual Meeting, except in the case of a contested election. A contested election occurs when the number of nominees up for election exceeds the number of directors to be elected, in which case directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote on the election of directors at any such meeting. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the three nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of such substitute nominee as the Nominating and Corporate Governance Committee of the Board may propose. Each person nominated for election has agreed to serve if elected, and we have no reason to believe that any nominee will be unable to serve.

All director nominees set forth in this Proxy Statement have tendered an irrevocable resignation as a director conditioned upon (i) such director failing to receive a majority of the votes present in person or represented by proxy and entitled to vote at the Annual Meeting and (ii) acceptance by the Board of such resignation. If a director nominee who is serving as a director at the time of the election does not receive a majority of the votes present in person or represented by proxy and entitled to vote at the Annual Meeting, the Nominating and Corporate Governance Committee will act to determine whether to accept the director's conditional resignation and will submit such recommendation for prompt consideration by the Board. The Board will act on the Nominating and Corporate Governance Committee's recommendation within ninety days following certification of the stockholder vote. In making their decision, the Nominating and Corporate Governance Committee will evaluate the best interests of Exelixis and its stockholders and shall consider all factors and information deemed relevant. The director who tenders his conditional resignation shall not participate in the Nominating and Corporate Governance Committee's recommendation or Board action regarding whether to accept the conditional resignation of such director. If the Board shall determine not to accept the conditional resignation of a director, the Board shall promptly disclose its decision-making process and decision to reject the conditional resignation in a Form 8-K furnished to the Securities and Exchange Commission (the "SEC").

Set forth below is biographical information for each person nominated and each person whose term of office as a director will continue after the Annual Meeting. Incorporated within each biography is a description of the specific experience, qualifications, attributes and skills of each director or director nominee that led our Board to conclude that the individual should serve as a director as of the date of this Proxy Statement.

Dr. Garber holds an A.B. summa cum laude, an A.M. and a Ph.D., all in Economics, from Harvard University, and an M.D. with research honors from Stanford University. Our Board has concluded that Dr. Garber should continue to serve as a director of Exelixis as of the date of this Proxy Statement due particularly to his training as a physician and economist, his knowledge and experience with respect to the life sciences, healthcare and pharmaceutical industries, and his knowledge and experience with policymaking, regulatory issues and other governmental matters.

Vincent T. Marchesi, M.D., Ph.D., age 77, has been a director since May 2001. INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Corporate Governance

Corporate Governance Guidelines

We have adopted written corporate governance guidelines, which may be viewed at www.exelixis.com under the caption Investors & Media Corporate Governance. These guidelines include guidelines for determining director independence and qualifications for directors. Our Board regularly reviews, and modifies from time to time, the corporate governance guidelines, Board committee charters and Board practices. Please note that information found on, or accessible through, our website is not a part of, and is not incorporated into, this Proxy Statement.

Code of Conduct and Ethics

We have adopted a Code of Conduct and Ethics that applies to all directors, officers and employees, including the principal executive officer, principal financial officer and principal accounting officer. The Code of Conduct and Ethics is posted on our website at www.exelixis.com under the caption Investors & Media Corporate Governance. We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K regarding an amendment to, or waiver from, a provision of this Code of Conduct and Ethics by posting such information on our website, at the address and location specified above and, to the extent required by the listing standards of the NASDAQ Stock Market, by filing a Current Report on Form 8-K with the SEC, disclosing such information.

Director Independence

We have adopted standards for director independence pursuant to NASDAQ listing standards, which require that a majority of the members of a listed company's board of directors qualify as independent, as affirmatively determined by the board of directors. An independent director means a person other than an officer or employee of Exelixis or one of our subsidiaries, or another individual having a relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and Exelixis, its senior management and its independent registered public accounting firm, the Board has affirmatively determined that Drs. Cohen, Garber, Marchesi, McCormick, Papadopoulos, Poste and Willsey and Messrs. Wyszomierski and Feldbaum, who are nine of the eleven members of the Board, represent a majority of the Board and are independent. Dr. Morrissey, our President and Chief Executive Officer, is not independent by virtue of his employment with Exelixis. Dr. Scangos, who served as our President and Chief Executive Officer from October 1996 to July 2010, is not an independent director by virtue of his former employment with Exelixis. In addition, the Board has also determined that: (i) all directors who serve on the Audit, Compensation and Nominating and Corporate Governance Committees are independent under applicable NASDAQ listing standards; and (ii) all members of the Audit Committee meet the independence requirements under the Securities Exchange Act of 1934, as amended.

Board Leadership Structure

The Board does not have a formal policy on whether the role of chairman and chief executive officer should be separate or combined. Our corporate governance guidelines provide that the Board will select its chairman and the chief executive officer in the manner it considers to be in the best interests of our company and those of our stockholders. Currently, we have an independent chairman of the board separate from the chief executive officer. The Board believes this bifurcated structure provides for sufficient independent oversight of management and strong Board leadership, while allowing for the effective management of company affairs. The Board believes that if the positions of chairman and chief executive officer are combined, the appointment of a lead independent director would be necessary for effective governance. Accordingly, our corporate governance guidelines provide

that if the roles are combined, the independent directors of the Board must appoint a lead independent director. Our corporate governance guidelines further provide that the lead independent director would: (i) preside at all meetings of the Board at which the chairman is not present, including executive sessions of the independent directors; (ii) have the authority to call meetings of the independent directors; (iii) serve as the principal liaison on Board-wide issues between the independent directors and the chairman; and (iv) have such other authority and duties as the Board may from time to time determine. The Board believes that this flexible approach provides it with the ability to establish a leadership structure, based upon its judgment, that is in the best interests of our company and those of our stockholders at any given time.

Role of the Board in Risk Oversight

Management is responsible for identifying the various risks facing our company, including, without limitation, strategic, operational, financial and regulatory risks that may exist from time to time. Management is also charged with the responsibility of implementing appropriate risk management policies and procedures and managing our risk exposure on a day-to-day basis. While we do not have a formal risk oversight policy, the Board, as a whole and through its various committees, conducts the risk oversight function for our company. In its risk oversight role, the Board evaluates whether management has reasonable controls in place to address material risks currently facing our company and those we may face in the future. The Board and its committees meet at regularly scheduled and special meetings throughout the year at which they are presented with information regarding risks facing the company. The Board also is presented with such information during monthly teleconferences among our Board and senior management established to provide the members of our Board with more frequent business updates. Following consideration of the information provided by management, the Board provides feedback, makes recommendations and, as needed, issues directives to management to address our risk exposure.

Prohibitions on Derivative, Hedging, Monetization and Other Transactions

We maintain an insider trading policy applicable to all employees, including our directors and executive officers, which prohibits certain transactions in our stock, including short sales, puts, calls or other transactions involving derivative securities, hedging or monetization transactions, purchases of Exelixis securities on margin or borrowing against an account in which Exelixis securities are held, or pledging Exelixis stock as collateral for a loan.

Stockholder Communications with the Board

Security holders may send communications to the Board by mail at 210 East Grand Avenue, South San Francisco, California 94080, by facsimile at (650) 837-7951 or by e-mail at info@exelixis.com, each of the foregoing sent Attn: Board of Directors.

Board Committees and Meetings

During the fiscal year ended December 28, 2012, the Board held eight meetings. As required under applicable NASDAQ listing standards, during the fiscal year ended December 28, 2012, our independent directors met five times in executive sessions, four of which were regularly scheduled executive sessions.

During the fiscal year ended December 28, 2012, all of our directors attended at least 75% of the total meetings of the Board and of the committees on which they served during the period for which they were a director or committee member, respectively, except Dr. McCormick. Dr. McCormick's absences were primarily due to scheduling conflicts with certain meetings of the American Association for Cancer Research, a scientific organization whose mission is to prevent and cure cancer through research, education, communication, and collaboration, of which Dr. McCormick served as president for a one-year term from April 2012 to April 2013. From 2006 through 2011, Dr. McCormick attended at least 75% of the total meetings of the Board and of the committees on which he served, and regularly participates in the monthly teleconferences among our Board and senior management established to provide the members of our Board with more frequent business updates.

In 2012, the Board had four standing committees: an Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Research and Development Committee.

Audit Committee

The Audit Committee of the Board oversees our corporate accounting and financial reporting process, ensures the integrity of our financial statements and has been designated as the Qualified Legal Compliance Committee within the meaning of Rule 205.2(k) of Title 17, Chapter II of the Code of Federal Regulations. The Audit Committee performs several functions, such as evaluating the performance of, and assessing the qualifications of, the independent registered public accounting firm; determining whether to retain or terminate the existing independent registered public accounting firm or to appoint and engage a new independent registered public accounting firm; reviewing and approving the engagement of the independent registered public accounting firm to perform any proposed permissible services and appropriate compensation thereof; reviewing, providing oversight of and approving related party transactions; establishing procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by Exelixis regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; reviewing the financial statements to be included in our Annual Report on Form 10-K; discussing with management and the independent registered public accounting firm the results of the annual audit and the results of our quarterly financial statement reviews; and resolving any disagreements between the independent registered public accounting firm and management. The Audit Committee also has the specific responsibilities and authority necessary to comply with the listing standards of the NASDAQ Stock Market applicable to audit committees.

During 2012, the Audit Committee was comprised of three independent directors, Drs. Cohen and Papadopoulos and Mr. Wyszomierski (chairman). Effective February 1, 2012, Dr. Papadopoulos, also an independent director, replaced Dr. Willsey as a member of the Audit Committee. The Board has determined that Mr. Wyszomierski is an audit committee financial expert as defined in applicable SEC rules. The Audit Committee met seven times during the fiscal year ended December 28, 2012. The Audit Committee's report is set forth in Report of the Audit Committee below. The Audit Committee has a written charter, which is available on our website at www.exelixis.com under the caption Investors & Media Corporate Governance.

Compensation Committee

The purpose of the Compensation Committee is to: oversee our compensation policies, plans and programs; review and determine the compensation to be paid to officers; work with management to address any conflict of interest with any compensation adviser engagement by management or the Compensation Committee; review with management our Compensation Discussion and Analysis and to consider whether to recommend that it be included in our proxy statements and other filings; and prepare and review the Compensation Committee's report included in our annual proxy statement or Annual Report on Form 10-K, as applicable, in accordance with applicable rules and regulations of the SEC. The Compensation Committee reviews and recommends to the Board the compensation and benefits of all officers, establishes and reviews general policies relating to compensation and benefits of employees, including executive officers, and performs such other functions regarding compensation as the Board may delegate. The Compensation Committee also administers the issuance of stock options and other awards under our stock plans.

During 2012, the Compensation Committee comprised three independent directors, Drs. Cohen (chairman), Marchesi and Willsey. The Compensation Committee met nine times during the fiscal year ended December 28, 2012. The Compensation Committee's report is set forth in Compensation Committee Report below. Information on the Compensation Committee's processes and procedures for consideration of executive compensation are addressed in Compensation Discussion and Analysis below. For information regarding our processes and procedures for the consideration and determination of director compensation, please see Compensation of Directors below. The Compensation Committee has a written charter, which is available on our website at www.exelixis.com under the caption Investors & Media Corporate Governance.

The Compensation Committee retained Frederick W. Cook & Co., Inc., a national compensation consulting firm, as its external compensation consultant to assist the Compensation Committee in its duties related to executive compensation. For more detailed information regarding the services provided by Frederick W. Cook & Co., Inc., please see Compensation Discussion and Analysis below. Frederick W. Cook & Co., Inc. did not perform any work for us other than the executive compensation consulting services provided to the Compensation Committee and reported directly to the Compensation Committee through its chairperson. Frederick W. Cook & Co., Inc. also provided a certification to the Compensation Committee regarding its independence and provision of services. In March 2013, the Compensation Committee assessed the independence of Frederick W. Cook & Co., Inc. pursuant to SEC rules and concluded that no conflict of interest exists that would prevent Frederick W. Cook & Co., Inc. from serving as an independent consultant to the Compensation Committee.

Management retained Radford, a compensation consulting firm serving technology and life sciences companies, as its external compensation consultant to assist with executive and non-employee director compensation. For more detailed information regarding the services provided by Radford, please see Compensation of Directors and Compensation Discussion and Analysis below. Radford is an Aon Hewitt Company and an affiliate of Aon plc which has provided insurance brokerage services to Exelixis since 2012. Aggregate fees paid to Aon plc for 2012 did not exceed \$120,000. Radford provided a certification to the Compensation Committee regarding its independence and provision of services. In March 2013, the Compensation Committee assessed the independence of Radford pursuant to SEC rules and concluded that no conflict of interest exists that would prevent Radford from serving as an independent consultant to management.

Nominating and Corporate Governance Committee

The purpose of the Nominating and Corporate Governance Committee is to: oversee all aspects of our corporate governance functions on behalf of the Board; make recommendations to the Board regarding corporate governance issues; identify, review and evaluate candidates to serve as directors; serve as a focal point for communication between such candidates, non-committee directors and management; recommend such candidates to the Board and make such other recommendations to the Board regarding affairs relating to the directors, including director compensation; and develop a set of corporate governance principles for Exelixis. Effective September 2012, in light of emerging compliance requirements in connection with the continued development and commercialization of COMETRIQ™ (cabozantinib), the Nominating and Corporate Governance Committee also oversees our healthcare compliance programs created to prevent fraud and abuse in federal healthcare programs and non-compliance with applicable healthcare laws. During 2012, the Nominating and Corporate Governance Committee was comprised of three independent directors, Drs. Garber (chairman) and Poste and Mr. Feldbaum. The Nominating and Corporate Governance Committee met two times during the fiscal year ended December 28, 2012. The Nominating and Corporate Governance Committee has a written charter, which is available on our website at www.exelixis.com under the caption Investors & Media Corporate Governance.

Because we are a biotechnology company with rapidly evolving and expanding clinical programs, the Board does not believe that it is appropriate to adopt, and the Nominating and Corporate Governance Committee has not adopted, a formal policy with respect to a fixed set of minimum qualifications for its candidates for membership on the Board. Instead, in considering candidates for directorship, the Nominating and Corporate Governance Committee will generally consider all relevant factors, including the candidate's applicable expertise and demonstrated excellence in his or her field, the usefulness of such expertise to us, the availability of the candidate to devote sufficient time and attention to the affairs of Exelixis, the existence of any relationship that would interfere with the exercise of the candidate's independent judgment, and the candidate's demonstrated character and judgment. In the review process, the Nominating and Corporate Governance Committee evaluates prospective candidates for directorship in the context of the existing membership of the Board (including the qualities and skills of the existing directors), our operating requirements and the long-term interests of our stockholders. The Board does not have a formal policy with regard to the consideration of diversity in identifying

director nominees, but the Nominating and Corporate Governance Committee believes that the factors considered above enable it to identify director candidates that possess a wide range of backgrounds, industry knowledge, skills and experiences.

The Nominating and Corporate Governance Committee generally will consider and assess all candidates recommended by our directors, officers and stockholders. In previous years, we engaged an executive search firm to assist the committee in identifying and recruiting potential candidates for membership on the Board. The Nominating and Corporate Governance Committee intends to consider stockholder recommendations for directors using the same criteria as potential nominees recommended by the members of the Nominating and Corporate Governance Committee or others. The Nominating and Corporate Governance Committee has not received any recommended nominations from any of our stockholders in connection with the 2013 Annual Meeting. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate. If, after its review, the Nominating and Corporate Governance Committee supports a candidate, it would recommend the candidate for consideration by the full Board.

Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee within the timeframe specified in our Bylaws that is applicable to matters to be brought before an Annual Meeting of Stockholders as set forth under Questions and Answers About These Proxy Materials and Voting above. Such communications should be sent to the following address: Exelixis, Inc., 210 East Grand Ave., South San Francisco, California 94080, Attn: Nominating and Corporate Governance Committee of the Board. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record owner of our stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director, if elected.

Research and Development Committee

The Research and Development Committee, which was established effective January 1, 2006, is responsible for advising Exelixis and the Board on matters of scientific importance as the Board, in consultation with management, may designate from time to time. During 2012, the Research and Development Committee was comprised of four members, Drs. McCormick, Marchesi, Poste (chairman) and Willsey. The Research and Development Committee met two times during the fiscal year ended December 28, 2012.

Equity Compensation Arrangements

In January 2000, we adopted the 2000 Non-Employee Directors Stock Option Plan (the *Directors Plan*) to provide for the automatic grant of options to purchase shares of common stock to directors who are not employees of Exelixis or of any of our affiliates. Such options are granted automatically, without further action by us, the Board or our stockholders. For 2012, under the terms of the *Directors Plan*, non-employee directors were eligible to receive a one-time initial option to purchase 25,000 shares of common stock when they first join the Board and an annual option to purchase 15,000 shares of common stock on the day following each Annual Meeting of Stockholders. Effective February 5, 2013, under the terms of the *Directors Plan*, all non-employee directors receive a one-time initial option to purchase 50,000 shares of common stock when they first join the Board. In addition, all non-employee directors receive an annual option to purchase 30,000 shares of common stock on the day following each Annual Meeting of Stockholders. Options granted under the *Directors Plan* are not intended to qualify as incentive stock options under the Internal Revenue Code of 1986, as amended (the *Code*). The exercise price of options granted under the *Directors Plan* is equal to 100% of the fair market value of a share of common stock on the grant date. Under the terms of the *Directors Plan*, the initial options to purchase 50,000 shares are immediately exercisable but will vest at the rate of 25% of the shares on the first anniversary of the grant date and monthly thereafter over the next three years. The annual grants are exercisable immediately but will vest monthly over a one-year period. As long as the optionholder continues to serve with us or with an affiliate of us, the option will continue to vest and be exercisable during its term. When the optionholder's service terminates, we will have the right to repurchase any unvested shares acquired upon exercise of the option at the original exercise price, without interest. Generally, stock options issued under the *Directors Plan* prior to May 18, 2011 have a term of ten years. However, in connection with the adoption of the

Exelixis, Inc. 2011 Equity Incentive Plan (the "2011 Equity Plan"), stock options issued under the Directors' Plan after May 18, 2011 are subject to a term that does not exceed seven years. Stock options issued under the Directors' Plan prior to December 1, 2010 are generally set to terminate three months after a non-employee director's service terminates, with certain extensions of the termination date to avoid violation of registration requirements under the Securities Act of 1933, as amended, or the optionholder's death or disability. Effective December 1, 2010, all options granted under the Directors' Plan are generally set to terminate the earlier of three years after a non-employee director's service terminates or the remainder of the term of the option.

During fiscal 2012, we granted an option to purchase 15,000 shares of common stock to each of our non-employee directors, with the exception of Dr. Morrissey who was serving as an executive officer of Exelixis at the time of grant. The options were granted at an exercise price per share of \$4.57, which equaled the fair market value of our common stock at the date of grant (based on the last reported sale price as quoted on the NASDAQ Global Select Market on the last trading day prior to the day of grant).

Reimbursement of Expenses

The members of the Board are also eligible for reimbursement of expenses incurred in connection with their attendance of Board meetings and their service on the Board in accordance with our policy. In 2012, total reimbursement for such expenses was approximately \$108,324.

Processes and Procedures for Determining Director Compensation

Our Nominating and Corporate Governance Committee is responsible for recommending to the Board for approval the annual compensation for our non-employee directors. The Nominating and Corporate Committee acts on behalf of the Board in discharging the Board's responsibilities with respect to overseeing our compensation policies with respect to non-employee directors. For non-employee director compensation decisions, the Nominating and Corporate Governance Committee considered information provided by Radford, a compensation consultant retained by Exelixis to compile benchmark and industry compensation data. Dr. Morrissey, Laura Dillard, our Vice President, Human Resources, Pamela A. Simonton, our Executive President and General Counsel, and James B. Bucher, our Vice President, Corporate Legal Affairs and Secretary, participated in a discussion with the Nominating and Corporate Governance Committee regarding the 2013 compensation decisions for non-employee directors. However, none of these officers participated in the determination of non-employee director compensation. Except as described above, no other executive officers participated in the determination or recommendation of the amount or form of non-employee director compensation for 2013. The Nominating and Corporate Governance Committee does not delegate any of its functions to others in determining non-employee director compensation, and we do not currently engage any other consultants with respect to director compensation matters.

The Nominating and Corporate Governance Committee benchmarks cash compensation as well as compensation in the form of stock options for non-employee directors. The Nominating and Corporate Governance Committee uses peer group data primarily to ensure that our compensation program for non-employee directors as a whole is competitive. For a more detailed discussion of our peer list, please see "Compensation of Executive Officers" Compensation Discussion and Analysis.

After the Nominating and Corporate Governance Committee finalizes its recommendations regarding compensation for our non-employee directors, the Nominating and Corporate Governance Committee presents its recommendations to the full Board for consideration and approval.

The assumptions used to calculate the value of option awards are set forth in Note 10 of the Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended December 28, 2012, filed with the SEC on February 21, 2013. There can be no assurance that the options will ever be exercised (in which case no value will actually be realized by the director) or that the value on exercise will be equal to the grant date fair value shown in this column.

PROPOSAL 2**RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has selected Ernst & Young LLP as Exelixis' independent registered public accounting firm for the fiscal year ending December 27, 2013. The Board, on behalf of the Audit Committee, has further directed that management submit the selection of the independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. Ernst & Young LLP has audited our financial statements for each of the twelve fiscal years in the period ended December 28, 2012. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the selection of Ernst & Young LLP as Exelixis' independent registered public accounting firm. However, the Board is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of Exelixis and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required to ratify the selection of Ernst & Young LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as a vote against this proposal. Broker non-votes are counted towards a quorum, but will have no effect on the results of this vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF PROPOSAL 2.**Principal Accountant Fees and Services**

The aggregate fees billed by Ernst & Young LLP for the last two fiscal years for the services described below are as follows:

	Fiscal Year Ended	
	December 28, 2012	December 30, 2011
Audit Fees (1)	\$ 915,458	\$ 851,044
Audit-Related Fees (2)		34,200
Tax Fees (3)		
All Other Fees (4)	6,000	2,580
Total Fees	\$ 921,458	\$ 887,824

- (1) Audit fees consist of fees billed for professional services rendered for the audit of our consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided by Ernst & Young LLP in connection with statutory and regulatory filings and other engagements such as comfort letters, consents, and review of documents filed with the SEC.
- (2) Audit-related fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under Audit fees. During fiscal 2012 and 2011, these services included consultations relating to various transactions of Exelixis.
- (3) Tax fees include fees for tax compliance. No tax fees were billed during fiscal 2012 and 2011.

- (4) All other fees consist of fees for products and services other than the services described above. During fiscal 2012, these fees consisted of professional services rendered pertaining to the filing of our registration statement on Form S-3 with the SEC in June 2012. During fiscal 2011, these fees related to an online subscription to an Ernst & Young, LLP database.

All fees described above were pre-approved by the Audit Committee. The Audit Committee has determined that the rendering of the services other than audit services by Ernst & Young LLP is compatible with maintaining the independence of the independent registered public accounting firm.

Pre-Approval of Services

During 2012 and 2011, the Audit Committee of the Board pre-approved the audit and non-audit services to be performed by Exelixis independent registered public accounting firm, Ernst & Young LLP. Non-audit services are defined as services other than those provided in connection with an audit or a review of our financial statements. The Audit Committee pre-approves all audit and non-audit services rendered by Ernst & Young LLP. The Audit Committee generally pre-approves specified services in the defined categories of audit services, audit-related services, tax services and all other services up to specified amounts. Pre-approval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent registered public accounting firm or on an individual explicit case-by-case basis before the independent auditor is engaged to provide each service. The Audit Committee or its chairman, whom the Audit Committee has designated as a one-person subcommittee with pre-approval authority, pre-approved all audit fees, audit-related fees, tax fees and other fees in 2012 and 2011. Any pre-approvals by the subcommittee must be and were presented to the Audit Committee at its next scheduled meeting.

PROPOSAL 3

ADVISORY VOTE ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS

Our stockholders are entitled to vote to approve, on an advisory basis, the compensation, as disclosed in this Proxy Statement, of our Chief Executive Officer, Chief Financial Officer and the other executive officers appearing in the table entitled "Summary Compensation Table for Fiscal 2012" later in this Proxy Statement (collectively, the "Named Executive Officers"). This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this Proxy Statement.

The compensation of our Named Executive Officers subject to the vote is disclosed in "Compensation Discussion and Analysis," and the compensation tables and the related narrative disclosure contained in this Proxy Statement. As discussed in the "Compensation Discussion and Analysis" section of this Proxy Statement, the primary objectives of our executive compensation program are to align compensation with business objectives and performance and with the interests of our stockholders and to enable us to attract, retain and reward executive officers for extraordinary performance. In support of these objectives, our fiscal 2012 executive compensation program continues to reflect our decision to focus our proprietary resources and development and commercialization efforts exclusively on COMETRIQ™ (cabozantinib), our wholly-owned inhibitor of multiple receptor tyrosine kinases.

The Board encourages our stockholders to read the disclosures set forth in the "Compensation Discussion and Analysis" section of this Proxy Statement to review the correlation between compensation and performance, as well as the compensation actions taken in 2012. The Board believes that our executive compensation program effectively aligns executive pay with our performance and results in the attraction and retention of highly talented executives.

Accordingly, the Board recommends that our stockholders cast a non-binding advisory vote "For" the following resolution:

RESOLVED, that the compensation paid to the our Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.

Required Vote and Board of Directors Recommendation

Advisory approval of Proposal 3 requires the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote at the Annual Meeting. Abstentions will be counted toward the tabulation of votes cast on the proposal and will have the same effect as votes against this proposal. Broker non-votes will have no effect and will not be counted towards the vote total.

Our Board believes that approval of Proposal 3 is in our best interests and the best interests of our stockholders for the reasons stated above. Because the vote is advisory, it is not binding on the Board or on us. Nevertheless, the views expressed by our stockholders, whether through this vote or otherwise, are important to management and the Board and, accordingly, the Compensation Committee and Board intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements. Your vote will serve as an additional tool to guide the Compensation Committee and Board in continuing to improve the alignment of our executive compensation programs with business objectives and performance and with the interests of our stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF PROPOSAL 3.

- (1) This table is based upon information supplied by executive officers and directors and upon information gathered by us about principal stockholders known to us. Unless otherwise indicated in the footnotes to this table and subject to community property laws where applicable, we believe that each of the stockholders named in this table has sole voting and investment power with respect to the shares indicated as beneficially owned. Applicable percentages are based on 183,765,598 shares outstanding on March 1, 2013, adjusted as required by rules promulgated by the SEC. The percentage of beneficial ownership as to any person as of a particular date is calculated by dividing the number of shares beneficially owned by such person, which includes the number of shares as to which such person has the right to acquire voting or investment power within 60 days of March 1, 2013, by the sum of the number of shares outstanding as of such date plus the number of shares as to which such person has the right to acquire voting or investment power within 60 days of March 1, 2013. Consequently, the denominator for calculating beneficial ownership percentages may be different for each beneficial owner.
