Two trustees are to be elected to the board of each Fund for a three-year term. The nominees for the board of each Fund are Stephen B. Timbers and Weston W. Marsh. Each nominee is currently a trustee of each Fund.

Unless otherwise directed, the persons named on the accompanying proxy card(s) intend to vote at the meeting **FOR** the election of each nominee as described above. Currently, there are six trustees. In accordance with each Fund's Agreement and Declaration of Trust, its board of trustees is divided into three classes of equal size. The terms of the trustees of the different classes are staggered. The current terms of Weston W. Marsh and Stephen B. Timbers will expire at the annual meeting of shareholders in 2013. The two trustees elected at the meeting to serve on the board of each Fund for a three-year term will hold office until the 2016 annual meeting or until his successor is duly elected and qualified. Committees of the Boards of Trustees. Each Fund's board of trustees currently has five standing committees:

Executive Committee. Messrs. Calamos and Timbers are members of the executive committee of each board, which has authority during intervals between meetings of the board of trustees to exercise the powers of the board, with certain exceptions. John P. Calamos, Sr. is an interested trustee of the Trust.

Dividend Committee. Mr. Calamos serves as the sole member of the dividend committee of each board. Each dividend committee is authorized, subject to board review, to declare distributions on the respective Fund's shares in accordance with the Fund's distribution policies, including, but not limited to, regular dividends, special dividends and short- and long-term capital gains distributions.

Audit Committee. Messrs. Marsh, Neal (Chair), Rybak, Timbers and Tripple serve on the audit committee of each board. The audit committees operate under a written charter adopted and approved by each board, a copy of which is available on the Funds' website, www.calamos.com. The audit committees select independent auditors, approve services to be rendered by the auditors, monitor the auditors' performance, review the results of each Fund's audit, determine whether to recommend to the board that the Fund's audited financial statements be included in the Fund's annual report and respond to other matters deemed appropriate by the boards. Each committee member is independent as defined by the NASDAQ Listing Rules and is not an interested person of the Fund as defined in the 1940 Act. The board of each Fund has determined that each member of its audit committee is financially literate and that at least one of its members has prior accounting or related financial management experience. Messrs. Neal, Rybak, Timbers and Tripple have been determined by the board to be audit committee financial experts for each Fund.

Governance Committee. Messrs. Marsh, Neal, Rybak (Chair), Timbers and Tripple serve on the governance committee of each board. Each committee member is independent as defined by the NASDAQ Listing Rules and is not an interested person of the Funds as defined in the 1940 Act. The governance committees operate under a written charter adopted by each board, a copy of which is available on the Funds' website, www.calamos.com. The governance committees oversee the independence and effective functioning of the boards of trustees and endeavors to be informed about good practices for investment company boards. The committees also make recommendations to their respective boards regarding compensation of independent trustees.

The governance committees also function as nominating committees by making recommendations to the boards of trustees regarding candidates for election as non-interested trustees. The governance committees look to many sources for recommendations of qualified trustees, including current trustees,

employees of Calamos Advisors, current shareholders of the Funds, search firms that are compensated for their services and other third party sources. Search firms that are retained by the governance committees to identify potential candidates evaluate potential candidates, conduct screening interviews and provide information to the governance committees with respect to the market for available candidates. In making trustee recommendations, the governance committees consider a number of factors, including a candidate's background, integrity, knowledge and relevant experience. These factors are set forth in an appendix to the written charter. Any prospective candidate is interviewed by the Funds trustees and officers, and references are checked prior to initial nomination. The governance committees will consider shareholder recommendations regarding potential candidates for nomination as trustees that are properly submitted to the governance committees for their consideration. Procedures for nominating a candidate are set forth in Appendix A to this proxy statement.

Valuation Committee. Messrs. Marsh, Neal, Rybak, Timbers and Tripple (Chair), serve on the valuation committee of each board. Each committee member is independent as defined by the NASDAQ Listing Rules and is not an interested person of the Funds as defined in the 1940 Act. The valuation committees operate under a written charter approved by each board. The valuation committees oversee valuation matters of each Fund delegated to the pricing committee, including the fair valuation determinations and methodologies proposed and utilized by the pricing committee, review the Funds' valuation procedures and their application by the pricing committee, review pricing errors and procedures for calculation of net asset value of each Fund and respond to other matters deemed appropriate by each board.

In addition to the above committees, each Fund's board of trustees has appointed and oversees a pricing committee comprised of officers of the Fund and employees of Calamos Advisors.

The following table shows the number of board and committee meetings of each Fund held during the fiscal year ended October 31, 2012:

	CHI	CHY	CSQ	CGO	CHW
Board of Trustees	4	4	4	4	4
Executive Committee	0	0	0	0	0
Audit Committee	4	4	4	4	4
Governance Committee	2	2	2	2	2
Dividend Committee*	0	0	0	0	0
Valuation Committee	4	4	4	4	4

* Each Fund's Dividend Committee acted by written consent on eleven occasions during the fiscal year ended October 31, 2012.

All of the trustees and committee members then serving attended at least 75% of the meetings of the board of trustees and applicable committees of each Fund held during the fiscal year ended October 31, 2012.

Leadership Structure and Qualifications of the Board of Trustees. Each Fund's board of trustees is responsible for oversight of their respective Fund. Each Fund has engaged Calamos Advisors to manage that Fund on a day-to-day basis. Each board of trustees oversees Calamos Advisors and certain other principal service providers in the operations of their respective Fund. Each board of trustees is currently composed of six members, five of whom are non-interested trustees. Each board of trustees meets in-person at regularly scheduled meetings four times throughout the year. In addition, each board of trustees may meet in-person or by telephone at special meetings or on an informal basis at other times. As described above, each board of trustees has established five standing committees—Audit, Dividend, Executive, Governance and Valuation—and may establish ad hoc committees or working groups from time-to-time, to assist each board of trustees in fulfilling its oversight responsibilities. The non-interested trustees also have engaged independent legal counsel to assist them in fulfilling their responsibilities. Such independent legal counsel also serves as counsel to each Fund.

The chairman of each board of trustees is an interested person of each Fund (as such term is defined in the 1940 Act). The non-interested trustees have appointed a lead independent trustee. The lead independent trustee serves as a liaison between Calamos Advisors and the non-interested trustees and leads the non-interested trustees in all aspects of their oversight of the Funds. Among other things, the lead independent trustee reviews and approves, with the chairman, the agenda for each board and committee meeting and facilitates communication among the Funds non-interested trustees. The trustees believe that each board of trustees' leadership structure is appropriate given the characteristics and circumstances of the Funds. The trustees also believe that this structure facilitates the exercise of each board of trustees' independent judgment in fulfilling its oversight function and efficiently allocates responsibility among committees.

Each board of trustees, including the independent trustees, has unanimously concluded that, based on each trustee's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other trustees, each continuing trustee should serve, and each nominee should be nominated to serve, as a member of each Board. In making this determination, the board of trustees has taken into account the actual service of the trustees during their tenure in concluding that each should continue to serve or be nominated to serve. The board of trustees also has considered each trustee's background and experience. Set forth below is a brief discussion of the specific experience qualifications, attributes or skills of each trustee that led each board of trustees to conclude that he should serve as a trustee.

Each of Messrs. Calamos, Marsh, Neal and Rybak has served for multiple years as a trustee of each Fund. In addition, each of Messrs. Calamos, Neal, Rybak, Timbers and Tripple has more than 25 years of experience in the financial services industry. Mr. Marsh has over 30 years of experience as a practicing attorney, counseling corporations and litigating commercial disputes. Each of Messrs. Calamos, Neal, Rybak, Timbers and Tripple has experience serving on boards of other entities, including other investment companies. Each of Messrs. Calamos, Marsh, Neal, Rybak and Timbers has earned a Masters of Business Administration degree, and each of Messrs. Marsh and Tripple has earned a Juris Doctor degree.

Risk Oversight. The operation of a registered investment company, including its investment activities, generally involves a variety of risks. As part of its oversight of the Funds, each board of trustees oversees risk through various regular board and committee activities. Each board of trustees, directly or through its committees, reviews reports from, among others, Calamos Advisors, the Funds' Compliance Officer, the Funds' independent registered public accounting firm, independent outside legal counsel, and internal auditors of Calamos Advisors or its affiliates, as appropriate, regarding risks faced by the Funds and the risk management programs of Calamos Advisors and certain service providers. The actual day-to-day risk management with respect to the Funds resides with Calamos Advisors and other service providers to the Funds. Although the risk management policies of Calamos Advisors and the service providers are designed to be effective, there is no guarantee that they will anticipate or mitigate all risks. Not all risks that may affect the Funds can be identified, eliminated or mitigated and some risks simply may not be anticipated or may be beyond the control of the board of trustees or Calamos Advisors, its affiliates or other service providers.

Trustee Compensation. The Funds do not compensate any of the trustees who are affiliated persons of Calamos Advisors.

Effective April 1, 2010, compensation of the non-interested trustees of the Funds in the Fund Complex* for their services as such consists of an annual retainer per trustee of \$86,000, with annual supplemental retainers of \$40,000 to the lead independent trustee, \$20,000 to the chair of the audit committee and \$10,000 to the chair of any other committee. Each non-interested trustee also receives a meeting attendance fee of \$7,000 for any regular board meeting attended in person, \$3,500 for any regular board meeting attended by telephone, \$3,500 for any special board meeting and \$3,000 for any committee meeting attended in person or by telephone, and \$1,500 per ad-hoc committee meeting to the Ad-hoc committee chair. The following table sets forth information with respect to the compensation paid by the Funds and the Fund Complex during the fiscal year ended October 31, 2012 to each of the trustees then serving.

Name	CHI	CHY	CSQ	CGO	CHW	Fund Complex*

Weston W. Marsh	\$ 6,624	\$ 7,153	\$ 11,130	\$ 2,569	\$ 5,041	\$ 144,000
John E. Neal	\$ 7,544	\$ 8,146	\$ 12,675	\$ 2,926	\$ 5,742	\$ 164,000
William R. Rybak	\$ 7,084	\$ 7,650	\$ 11,903	\$ 2,748	\$ 5,391	\$ 154,000
Stephen B. Timbers	\$ 8,464	\$ 9,140	\$ 14,221	\$ 3,283	\$ 6,442	\$ 184,000
David D. Tripple	\$ 7,084	\$ 7,650	\$ 11,903	\$ 2,748	\$ 5,391	\$ 154,000

* The Fund Complex includes Calamos Investment Trust, Calamos Advisors Trust and the Funds.

Includes fees deferred during the year pursuant to the deferred compensation plan described below.

The Funds in the Fund Complex have adopted a deferred compensation plan (Plan). Under the Plan, a trustee who is not an interested person of Calamos Advisors who has elected to participate in the Plan (participating trustees) may defer receipt of all or a portion of his compensation from the Funds in the Fund Complex. Compensation deferred for a participating trustee is credited to the trustee's deferral account as of the business day on which that compensation otherwise would have been paid to the trustee. The value of a trustee's deferral account at any time is equal to what the value would be if the amounts credited to the account had instead been invested in Class I shares of one or more of the funds of Calamos Investment Trust as designated by the trustee. Thus, the value of the account increases with contributions to the account or with increases in the value of the measuring shares and any distributions on those shares, and the value of the account decreases with withdrawals from the account or with declines in the value of the measuring shares. If a participating trustee retires, the trustee may elect to receive payments under the plan in a lump sum or in equal annual installments over a period of five years. If a participating trustee dies, any amount payable under the Plan will be paid to the trustee's designated beneficiaries. Each Fund's obligation to make payments under the Plan is a general obligation of that Fund. No Fund is liable for any other Fund's obligations to make payments under the Plan. As of October 31, 2012, the values of the deferred compensation accounts of each of Messrs. Marsh and Neal were \$1,219,729 and \$1,386,482, respectively.

Certain Relationships and Related Transactions. Each Fund has entered into an Investment Management Agreement and a Financial Accounting Services Agreement with Calamos Advisors. According to the terms of those agreements, Calamos Advisors provides portfolio management services to each Fund in consideration for fees based on the Fund's managed assets and provides certain accounting services to each Fund in consideration for fees based on the Fund's daily average net assets.

Required Vote. The vote of a plurality of all shares of the Fund present at the meeting, in person or by proxy, is required to elect each of the trustees. Each share is entitled to one vote.

Board Recommendation

Each Fund's board of trustees unanimously recommends that shareholders of each Fund vote For the nominees.

OTHER MATTERS

Each Fund's board of trustees knows of no other matters that are intended to be brought before the meeting. If other matters are properly presented for action at the meeting, and the respective Fund did not have notice of the matter at least 45 days prior to the date on which proxy materials were first sent to shareholders, the proxyholders named in the enclosed form of proxy will vote on those matters in their sole discretion.

Holders of the common shares of each Fund will vote together, as a single class, on any matter that may properly come before the meeting and at any adjournment or postponement thereof. It is not currently expected that any other matter will be raised at the meeting.

To each Fund's knowledge, no change in control of such Fund has occurred since the beginning of its last fiscal year.

How Proxies Will Be Voted. All proxies solicited by the board of trustees that are properly executed and received prior to the meeting, and that are not revoked, will be voted at the meeting. Shares represented by those proxies will be voted as indicated on the proxy card, or in the discretion of the proxyholders on any other matter that may properly come before the meeting.

How to Vote. Complete, sign and date the enclosed proxy card and return it in the enclosed envelope.

Expenses. The expenses of preparing, printing and mailing the enclosed proxy cards, the accompanying notice and this proxy statement and all other costs, in connection with the solicitation of proxies will be borne by the Funds. The Funds may also reimburse banks, brokers and others

for their reasonable expenses in forwarding proxy solicitation material to the beneficial

owners of shares of the Funds. In order to obtain the necessary quorum at the meeting, additional solicitation may be made by mail, telephone, telegraph, facsimile or personal interview by representatives of the Funds, Calamos Advisors, the Funds' transfer agent, or by brokers or their representatives or by a solicitation firm that may be engaged by the Funds to assist in proxy solicitations. Any costs associated with such additional solicitation are not anticipated to be significant.

Householding. The Funds reduce the number of duplicate shareholder reports and proxy statements your household receives by sending only one copy of those documents to those addresses shared by two or more accounts. Call the Funds at 1-800-582-6959 or write to the Funds at the address on page one of this proxy statement to request individual copies of shareholder reports and proxy statements, or to request a single copy of shareholder reports and proxy statements if your household is receiving duplicate copies. We will begin sending your household single or multiple copies, as you request, as soon as practicable after receiving your request.

Revoking a Proxy. At any time before it has been voted, you may revoke your proxy by: (1) sending a letter saying that you are revoking your proxy to the Secretary of the Funds at the Funds' offices located at 2020 Calamos Court, Naperville, Illinois 60563-2787; (2) properly executing and sending a later-dated proxy; or (3) attending the meeting, requesting return of any previously delivered proxy, and voting in person.

Quorum, Voting at the Meeting, and Adjournment. For any matter that may properly come before the meeting of a Fund, one-third of the shares entitled to vote on the matter constitutes a quorum for that matter. For purposes of determining the presence or absence of a quorum and for determining whether sufficient votes have been received for approval of any matter to be acted upon at the meeting, abstentions and broker nonvotes will be treated as shares that are present at the meeting but have not been voted.

If a quorum is not present in person or by proxy at the meeting, or if a quorum is present at the meeting but not enough votes to approve a proposal are received, the persons named as proxyholders may propose one or more adjournments of the meeting to permit further solicitation of proxies. Any proposal for adjournment of the meeting for a Fund will require the vote of a majority of the shares of the Fund represented at the meeting in person or by proxy.

SECTION 16(a) BENEFICIAL OWNERSHIP

REPORTING COMPLIANCE

Section 30(h) of the 1940 Act and Section 16(a) of the Exchange Act require the Funds' trustees and officers, investment adviser, affiliated persons of the investment adviser and persons who own more than 10% of a registered

class of the Funds' equity securities to file forms reporting their affiliation with the Fund(s) and reports of ownership and changes in ownership of the Funds' shares with the Securities and Exchange Commission (the "SEC"). Those persons and entities are required by SEC regulation to furnish the Funds with copies of any Section 16(a) form they file. Based on a review of those forms furnished to the Funds, the Funds believe that their trustees and officers and investment adviser have complied with all applicable Section 16(a) filing requirements during the last fiscal year. To the knowledge of each Fund's management, no person owns beneficially more than 10% of a class of the Fund's equity securities.

AUDIT COMMITTEE REPORT

The audit committee of each Fund's board of trustees reviews that Fund's annual financial statements with both management and the independent auditors, and the committee meets periodically with the independent and internal auditors to consider their evaluation of the Fund's financial and internal controls.

Each audit committee, in discharging its duties, has met with and held discussions with management and the Fund's independent and internal auditors. The committees have reviewed and discussed the audited financial statements with management. Management has represented to the independent auditors that each Fund's financial statements were prepared in accordance with generally accepted accounting principles.

The audit committees have also discussed with the independent auditors various matters as required by Statement on Auditing Standards No. 61 (Communications with Audit Committees). The independent auditors provided to the committees the written disclosure required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the representatives of the independent auditors confirmed to the committees their firm's independence.

Based on each audit committee's review and discussions with management and the independent auditors, the representations of management and the reports of the independent auditors to the committees, each committee recommended that the respective Fund include the audited financial statements in the Fund's annual report.

The members of the audit committee are: Weston W. Marsh, John E. Neal (Chair), William R. Rybak, Stephen B. Timbers and David D. Tripple.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Each Fund's audit committee selected Deloitte & Touche LLP (D&T) as the independent registered public accounting firm to audit the books and records of that Fund for its fiscal year ending October 31, 2012. It is not currently expected that a representative of D&T will be present at the meeting.
