Item 2.02 Results of Operations and Financial Condition

On September 10, 2013, ConAgra Foods, Inc. (the Company) issued a press release containing information on the Company s first quarter fiscal 2014 financial results. The press release is furnished with this Form 8-K as Exhibit 99.1 and is incorporated herein by reference.

The press release includes the non-GAAP financial measure of adjusted diluted earnings per share. Management considers GAAP financial measures as well as such non-GAAP financial information in its evaluation of the Company s financial statements and believes these non-GAAP measures provide useful supplemental information to assess the Company s operating performance and financial position. To the extent required, this measure is reconciled in the press release to the most directly comparable measures as reported in accordance with GAAP, and should be viewed in addition to, and not in lieu of, the Company s diluted earnings per share as calculated in accordance with GAAP. The inability to predict the amount and timing of future items makes a detailed reconciliation of projections of future diluted EPS, adjusted for items impacting comparability, impracticable.
