EXPLANATORY NOTE

This Amendment No. 2 to the Registration Statement on Form S-1 (File No. 333-191974) of Radiant Logistics, Inc. is being filed solely to file the revised legal opinion regarding the validity of the shares of our common stock offered under this prospectus and to submit the required XBRL interactive data files. Accordingly, Part I, the form of prospectus, has been omitted from this filing.

PART II
INFORMATION NOT REQUIRED IN PROSPECTUS**Item 13. *Other Expenses of Issuance and Distribution.***

The estimated expenses payable by us in connection with the offering described in this registration statement (other than the underwriting discount and commissions) will be as follows:

SEC registration fee	\$ 3,703
Accounting fees and expenses	75,000
Printing and engraving expenses	50,000
Legal fees and expenses	150,000
NYSE MKT Market filing fee	23,000
Miscellaneous	3,500
Total	\$ 305,203

Item 14. *Indemnification of Directors and Officers.*

Our certificate of incorporation and our bylaws provide that we indemnify our directors, officers, employees and agents against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement reasonably incurred, provided they act in good faith and in a manner reasonably believed to be in or not opposed to our best interests, and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful.

Pursuant to Section 102 of the DGCL, a director's liability is not eliminated (1) for a breach of such director's duty of loyalty to the Registrant or its stockholders, (2) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (3) under Section 174 of the DGCL (relating to the declaration of dividends and purchase or redemption of shares in violation of the DGCL) or (4) for any transaction from which such director derived an improper personal benefit.

We believe that the indemnification provisions contained in our certificate of incorporation and our bylaws are necessary to attract and retain qualified persons as directors and officers. These provisions do not eliminate a director's or officer's duty of care, and, in appropriate circumstances, equitable remedies such as injunctive or other forms of non-monetary relief will remain available under the DGCL. The indemnification provisions also do not affect a director's responsibilities under any other law, such as federal securities laws or state or federal environmental laws.

If we fail to pay in full a claim for indemnification within 60 days, then the person claiming an indemnification right may bring suit to enforce the indemnification claim. We must prove the person claiming indemnification has failed to meet the standards of conduct that make it permissible under the DGCL for us to indemnify such person.

At present, there is no pending litigation or proceeding involving any of our executive officers or directors to which indemnification is being sought, nor are we aware of any threatened litigation that may result in claims for indemnification by any executive officer or director.

We have an insurance policy covering our executive officers and directors with respect to certain liabilities, including liabilities arising under the Securities Act or otherwise.

Item 15. Recent Sales of Unregistered Securities.

From July 1, 2012 through October 31, 2013 we issued the following unregistered securities:

In March 2013, we issued 252,362 shares of common stock to the former shareholder of Adcom, valued at approximately \$0.4 million. These shares were issued in connection with an earn-out obligation derived from our acquisition of Adcom in September 2008.

In October 2013, we issued 237,230 shares of common stock as payment of a portion of the purchase price for the acquisition of On Time.

In October 2013, we issued 39,822 shares of common stock upon exercise of stock options. We did not utilize or engage a principal underwriter in connection with any of the above securities transactions. The above securities were only offered and sold to accredited investors as that term is defined in Rule 501 of Regulation D, promulgated under the Securities Act of 1933, as amended. Management believes the above shares of common stock were issued pursuant to the exemption from registration under Section 4(a)(2) of the Securities Act of 1933, as amended.

Item 17. Undertakings

(a) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers, and controlling persons pursuant to the foregoing provisions or otherwise, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment of expenses incurred or paid by a director, officer or controlling person in a successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to the court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(b) The undersigned registrant hereby undertakes that:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3)

To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- (4) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

- (5) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

We have entered into indemnification agreements with each of our directors and officers that provide that we will indemnify the directors and officers to the fullest extent permitted by law.
