Shareholders will be asked to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2014.

Otter Tail Corporation is pleased to use the U.S. Securities and Exchange Commission rules that allow companies to furnish their proxy materials over the Internet. As a result, we are mailing to our shareholders a Notice of Internet Availability of Proxy Materials (the Notice). Shareholders will receive the Notice instead of a paper copy of our Proxy Statement, proxy card and the 2013 Annual Report on Form 10-K. The Notice contains instructions on how to access those documents over the Internet or, if you prefer, instructions on how to receive paper or e-mail copies of the proxy materials. We believe this process allows us to provide shareholders with the information they need in a timely manner while reducing the environmental impact, and lowering the costs of printing and distributing our proxy materials.

Your vote is important. Whether or not you attend the meeting, we encourage you to vote your shares by telephone, Internet or the mail. Instructions on voting your shares are on the Notice or proxy card you received for the Annual Meeting.

If your shares are held of record in a brokerage account, please follow the instructions you receive from your broker. Your broker will submit a proxy card to Otter Tail Corporation reflecting the votes it receives. Employee Stock Ownership Plan participants should follow the instructions provided by Wells Fargo Bank, N.A.

A: You have the right to revoke your proxy any time before the Annual Meeting by:

providing written notice to an officer of Otter Tail Corporation and voting in person at the Annual Meeting;

submitting another proper proxy by telephone or the Internet; or

Shares voted as abstentions (or as withhold authority as to Directors) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum at the meeting and as unvoted, although present and entitled to vote, for purposes of determining the approval of the matter as to which the shareholder has abstained.

If your shares are held in the name of a brokerage firm and you do not provide voting instructions to your broker, your shares will not be voted on any proposal for which your broker does not have discretionary authority to vote. If a broker submits a proxy that indicates that the broker does not have discretionary authority as to certain shares to vote on one or more proposals, those shares will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum at the meeting but will not be considered as present and entitled to vote with respect to such proposals. Brokers have discretionary authority to vote on the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm.

7. Q: Where and when will I be able to find the results of the voting?

A: Preliminary results will be announced at the Annual Meeting of Shareholders. Election of Directors

Edgar Filing: Otter Tail Corp - Form DEF 14A

The Board of Directors of Otter Tail Corporation is composed of nine Directors divided into three classes. The members of each class are elected to serve three-year terms with the term of office of each class ending in successive years. The terms of Mr. John D. Erickson, Mr. Nathan I. Partain, and Mr. James B. Stake expire at the time of the 2014 Annual Meeting of Shareholders. Table of Contents

Meetings and Committees of the Board of Directors

The full Board of Directors of Otter Tail Corporation considers all major decisions of Otter Tail Corporation. The Board of Directors has established a standing Audit Committee, Compensation Committee, and Corporate Governance Committee so that certain important matters can be addressed in more depth than may be possible in a full Board of Directors meeting. Each committee operates under a charter that is reviewed annually by that committee and approved by the Board of Directors.

Pursuant to Otter Tail Corporation's bylaws and governance guidelines, the Board of Directors determines the best board leadership structure for Otter Tail Corporation from time to time. Otter Tail Corporation recognizes that different board leadership structures may be appropriate for companies in different situations. Since 2002 Otter Tail Corporation has had a separate Chairman of the Board and Chief Executive Officer. The Chairman and Chief Executive Officer are elected annually by the Board. Otter Tail Corporation believes that its leadership structure, with a separate Chief Executive Officer and Chairman of the Board, is the optimal structure for Otter Tail Corporation at this time. The Chief Executive Officer and the Chairman of the Board have an excellent working relationship.

The Board of Directors acting as a Risk Committee of the whole retains responsibility for risk oversight for Otter Tail Corporation. The Board of Directors is routinely called upon in the exercise of its business judgment to assess the risk involved in matters brought to it for consideration. As a part of the strategic planning process the Board of Directors assesses the risk involved in the strategic plan of Otter Tail Corporation. In addition the Board of Directors conducts a complete corporate risk assessment at least annually and reviews risk regularly and routinely throughout the year.

The full Board of Directors held a total of seven regularly scheduled and special meetings in 2013. In addition to these meetings, the Board of Directors also held a planning retreat with senior management in June 2013. During 2013, the Board of Directors met in executive session without the Chief Executive Officer and management at each meeting. It also met in executive session with only the independent Directors at certain meetings. Each Director attended at least 75 percent of the total meetings of the Board of Directors and the meetings of the committees on which he or she served with the exception of Mr. Fritze, who had a preexisting commitment at the time of his appointment that prevented him from attending one meeting. Each then sitting Director attended the Annual Meeting of Shareholders in 2013. It is expected that the Directors and executive officers of Otter Tail Corporation will attend the Annual Meeting of Shareholders in 2014.

Audit Committee

The Audit Committee reviews the financial results of Otter Tail Corporation, reviews accounting, audit and control procedures, and retains and supervises the independent registered public accounting firm. The Audit Committee has oversight responsibility for Otter Tail Corporation's Code of Conduct. In 2013, this committee was composed of five members of the Board of Directors: Ms. Bohn, Ms. Schuette, Mr. Partain (Chair), Mr. Spies and Mr. Stake. Mr. Olson served on this Committee until his resignation on May 14, 2013. The Board has determined that all committee members, including Mr. Olson, are independent Directors as defined by the NASDAQ Listing Standards. The Board of Directors has determined that Mr. Partain and Mr. Stake meet the SEC definition of an audit committee financial expert and all members of the committee are financially literate. The Audit Committee routinely meets in executive session with internal audit and the independent registered public accounting firm without management present. During the course of 2013 the committee received training on new financial issues affecting Otter Tail Corporation. The Audit Committee held four meetings in 2013. For further information on the actions of the Audit Committee, please refer to the Report of the Audit Committee on page 37. The Audit Committee Charter may be reviewed at www.ottertail.com.

Table of Contents

Compensation Committee

The Compensation Committee reviews, recommends and reports to the Board of Directors on all compensation programs, plans and policies involving Otter Tail Corporation's Board of Directors and certain executive officers and it develops, evaluates and recommends for approval all equity based compensation plans of Otter Tail Corporation. The Compensation Committee oversees the administration of the 1999 Employee Stock Purchase Plan, the 1999 Stock Incentive Plan and the Executive Annual Incentive Plan. The Compensation Committee periodically retains an outside compensation consultant to advise it in its decision making process. That consultant has not been used by management to an extent that would require disclosure under SEC rules. Subject to approval by the Board of Directors, this committee sets compensation for the Directors, the Chief Executive Officer, the Chief Financial Officer and certain other executive officers. In 2013, this committee was composed of three members of the Board of Directors: Ms. Johnson, Ms. Schuette and Mr. Stake (Chair). Mr. Liebe served on this committee until his retirement on April 8, 2013. The Board has determined that all committee members, including Mr. Liebe, are independent Directors as defined by the NASDAQ Listing Standards. The Compensation Committee held five meetings in 2013. For further information on the actions of the Compensation Committee, please refer to the Compensation Discussion and Analysis (CD&A) on page 13 and the Report of the Compensation Committee on page 20. The Compensation Committee Charter may be reviewed at www.ottertail.com.

Corporate Governance Committee

The Corporate Governance Committee identifies and recommends to the Board of Directors qualified candidates for election as Directors, recommends Director committee assignments and recommends actions necessary for the proper governance of Otter Tail Corporation and for the evaluation of the performance of the Board of Directors and Chief Executive Officer. With input from the Chief Executive Officer, the Corporate Governance Committee recommends certain executive officers for annual election. The Corporate Governance Committee reviews issues and developments related to corporate governance practices and makes recommendations to the Board of Directors on changes in structure, rule or practice necessary for compliance and for good corporate governance.

Otter Tail Corporation's Corporate Governance Committee Charter provides that the skills and characteristics required generally of Directors include diversity, age, business background and experience, accomplishments, experiences in the business of Otter Tail Corporation and a willingness to make the requisite commitment of time and effort. Accordingly, the Board of Directors has not set minimum standards for Director candidates. Rather, it seeks highly qualified individuals with diverse backgrounds and business and life experiences that will enable them to constructively review and guide management of Otter Tail Corporation. The Corporate Governance Committee retained a consultant to identify Director candidates in 2013 and the consultant identified Mr. Fritze, who was appointed to the Board on August 15, 2013. The Corporate Governance Committee considers and evaluates potential Director candidates and makes its recommendations to the full Board of Directors. Any shareholder may submit a recommendation for nomination to the Board of Directors by sending a written statement of the qualifications of the recommended individual to the President and Chief Executive Officer, Otter Tail Corporation, Box 9156, Fargo, North Dakota 58106-9156. The Corporate Governance Committee will use the same process for evaluating all nominees, regardless of whether the nominee recommendation is submitted by a shareholder or some other source.

If a shareholder wishes to nominate a candidate for election to the Board of Directors, in order for the nomination to be properly made the shareholder must give written notice to the Secretary of Otter Tail Corporation. Notice must be received at Otter Tail Corporation's principal executive offices at least 90 days before the date that is one year after the prior year's regular meeting. The Corporate Governance Committee is composed of three members of the Board of Directors who, for 2013, were Ms. Bohn (Chair), Ms. Johnson and Mr. Spies. Mr. Olson served on this committee until his resignation on May 14, 2013. The Board has determined that all committee members, including Mr. Olson, are independent Directors as defined by the NASDAQ Listing Standards. The Corporate Governance Committee held ten meetings in 2013. The Corporate Governance Committee Charter may be reviewed at www.ottertail.com.

Director Compensation

In May 2011, the Compensation Committee retained Towers Watson (Towers) to assess the competitiveness of the compensation provided to Directors of Otter Tail Corporation taking into consideration current market conditions. Towers advised the Compensation Committee that total Director compensation was consistent with market with the exception of the Chairman's compensation which was below market. In 2012, Towers provided a trending report to the Compensation Committee which again concluded that total Director compensation was consistent with market except for the Chairman's compensation. After considering these findings, the Compensation Committee determined that it would not make any changes to Director compensation for 2013. Non-employee Directors of Otter Tail Corporation receive an annual retainer for their services as a Director. Non-employee Directors, except the Chairman, receive an annual retainer of \$60,000. The Chairman receives an annual retainer of \$84,000. Each committee chair receives an additional retainer of \$7,000 per year. These fees have been unchanged since 2008. Directors do not receive a meeting fee for attending either committee or Board of Director meetings. In addition, non-employee Directors receive actual expense reimbursement if they are required to furnish their own transportation to Board of Directors or committee meetings outside their city of residence.

Each non-employee Director receives an annual grant of restricted stock, which in 2013 was 2,000 shares granted under the terms of the 1999 Stock Incentive Plan on the date of the Annual Meeting, except for Mr. Fritze, who received 1,333 shares at the time of his appointment to the Board of Directors. The shares of restricted stock vest over a period of four years at the rate of 25% per year and are eligible for full dividend and voting rights.

Directors may elect to receive their compensation (other than expense reimbursements) in the form of cash, stock or a combination. Directors may elect to defer the receipt of all or part of their cash compensation pursuant to the Otter Tail Corporation Deferred Compensation Plan for Directors. The deferral may be in the form of cash or stock units. Cash deferrals receive interest at a rate equal to 1% over the prime commercial rate of U.S. Bank National Association. Deferrals in the form of stock units are credited quarterly with dividend equivalents equal to the dividend rate on Otter Tail Corporation's common shares and the deferred amount is paid out in common shares.

Otter Tail Corporation has established a stock ownership guideline for Directors. Directors are expected to hold Otter Tail Corporation stock equal to five times the value of the non-Chair annual retainer (\$300,000) to be obtained within five years of beginning service on the Board of Directors. This is an increase from the prior guideline of 4,000 shares. All existing Directors either meet the guidelines or are in the five-year period provided to reach the guidelines.

Compensation Discussion and Analysis

Executive Summary

Otter Tail Corporation believes that strong, effective leadership is the cornerstone of its continued growth and success. To be successful, Otter Tail Corporation must be able to attract, retain and motivate highly qualified executive officers with the competencies needed to excel in a rapidly changing marketplace and to understand issues relating to a diverse group of companies in several different industries.

Executive compensation at Otter Tail Corporation is focused on results. Total direct compensation includes base pay, annual cash incentive and stock-based long-term incentive. The mix of pay is designed to reflect a strong bias towards pay for performance by placing a majority of target compensation at risk. The only element of total direct compensation that is not performance based is base pay. Annual cash incentive and stock-based long-term incentive are performance and metric based. Discretion is exercised only in the individual performance portion of annual cash incentive.

At the 2011 Annual Meeting of Shareholders, Otter Tail Corporation provided shareholders an advisory vote on executive compensation. The shareholders voted to approve, on an advisory basis, the compensation of Otter Tail Corporation's Named Executive Officers, as described in the Compensation Discussion and Analysis section, the tabular disclosure regarding such compensation, and the accompanying narrative disclosure set forth in Otter Tail Corporation's Proxy Statement for the 2011 Annual Meeting. The vote was 17,001,537 shares For (83.95% of the shares voted), 1,603,663 shares Against (7.92% of the shares voted), and 1,646,317 shares Abstain (8.13% of the shares voted).

The Compensation Committee has taken into account the result of the shareholder vote in determining executive compensation policies and decisions since the 2011 Annual Meeting of Shareholders. The Compensation Committee viewed the vote as a strong expression of the shareholders' general satisfaction with Otter Tail Corporation's current executive compensation programs. While the Compensation Committee considered this shareholder satisfaction in determining to continue executive compensation programs, decisions regarding incremental changes in the compensation programs and individual compensation were made in consideration of Otter Tail Corporation's performance, current economic conditions, and individual executive performance as described in more detail below.

Consistent with the shareholders' preference expressed in voting at the 2011 Annual Meeting of Shareholders, the Board of Directors determined that an advisory vote on the compensation of Otter Tail Corporation's executive officers will be conducted every three years. As discussed elsewhere in this Proxy Statement, a shareholder advisory vote will take place at the 2014 Annual Meeting of Shareholders.

Purpose and Philosophy

The Compensation Committee of the Board of Directors is responsible for developing and recommending to the Board of Directors Otter Tail Corporation's executive compensation program for the principal executive officers: Edward J. McIntyre, President and Chief Executive Officer; Kevin G. Moug, Chief Financial Officer and Senior Vice President; George A. Koeck, Senior Vice President, General Counsel and Corporate Secretary; Chuck S. MacFarlane, Senior Vice President, Electric Platform; and Shane N. Waslaski, Senior Vice President, Manufacturing & Infrastructure Platform (referred to in this CD&A as the executive officers). Each of these executive officers is included in the Summary Compensation Table and the related tables beginning on page 21.

The Compensation Committee has adopted an Executive Compensation Policy which outlines the overall executive compensation philosophy of Otter Tail Corporation and describes the components of executive compensation for the executive officers. In 2011, the Compensation Committee added a recoupment policy to the Executive Compensation Policy which provides that, after an accounting restatement, Otter Tail Corporation will attempt to recoup amounts paid to current and former executive officers under the Annual Cash Incentive Plan or the 1999 Stock Incentive Plan during the prior three years that would not have been paid based on the restated financial statements.

Otter Tail Corporation provides fair and equitable compensation to its executive officers by combining base pay, annual cash incentive, stock-based long-term incentive, retirement plans, and competitive health, dental and other benefits. The Executive Annual Incentive Plan is designed to reward executives for Otter Tail Corporation's current year financial success and recognize the responsibilities of the executive officers for meeting Otter Tail Corporation's financial performance goals. Stock-based incentives focus on long-term performance by aligning the executive officers' long-term financial interests with Otter Tail Corporation's shareholders' interest. Pension and retirement plans are provided to encourage long tenure amongst the executive officers. Health, dental, vacation and other benefits are designed to be competitive with companies with whom Otter Tail Corporation competes for executive talent.

Table of Contents*Market Conditions and Peer Group*

The Compensation Committee periodically retains a compensation consultant to provide market-based compensation data in connection with its consideration of the compensation of the executive officers. In 2012, the Compensation Committee retained Towers to assess the competitiveness of the compensation provided to executive officers of Otter Tail Corporation taking into consideration current market conditions. To appropriately assess market conditions Towers created a peer group of publicly traded utility, manufacturing and distribution companies of comparable size heavily weighted to electric utilities to reflect the relative size of Otter Tail Corporation's operating companies, and taking into account other considerations that Towers deemed relevant such as geographic location (the Peer Group). The Peer Group is found below:

Company Name	SIC Code (Primary)
ALLETE, Inc.	4931 Electric and other services combined
Avista Corp.	4931 Electric and other services combined
Black Hills Corporation	4911 Electric services
CH Energy Group Inc.	4931 Electric and other services combined

Titan Machinery, Inc.	5990 Retail Retail Stores
UIL Holdings Corporation	4911 Electric services
UNS Energy Corp.	4911 Electric services
Westar Energy, Inc.	4931 Electric and other services combined

Towers used this Peer Group as well as other published survey data to compare the compensation provided to the executive officers in the areas of total remuneration, annual incentive, long-term incentive, retirement benefits, and perquisites. The analysis compared both the structure of compensation and the amount of compensation provided to each of the executive officers. Towers found that the structure of compensation was in line with market practices. Towers also found that the amount of total compensation and that the individual components of compensation provided the executive officers were competitive with market at the 50th percentile, with the exception of retirement benefits for nonparticipants in the pension and supplemental pension plans, which were below the 50th percentile. The Compensation Committee utilized the information provided by Towers as a reference point in determining 2013 compensation for the executive officers. In addition the Compensation Committee considered individual performance, historical compensation and internal equity as well as regional considerations. The Compensation Committee received compensation recommendations from Mr. McIntyre for Mr. Moug, Mr. MacFarlane, Mr. Koeck and Mr. Waslaski. The Compensation Committee may, but is not required, to consider the recommendations. The Compensation Committee does not receive a recommendation for Mr. McIntyre.

Table of Contents*Base Pay*

Base pay is a traditional element of compensation provided almost universally by corporations. Base pay is set with reference to the market for similar jobs in the utility and general industry sectors as determined by the Peer Group. An individual executive's base pay also takes into consideration tenure, experience, skillset and individual performance.

Annual Cash Incentive

The Otter Tail Corporation Executive Annual Incentive Plan provides annual cash incentives to the executive officers for achieving annual performance targets for Otter Tail Corporation, the Electric Platform, or Manufacturing & Infrastructure Platform of Otter Tail Corporation depending upon the executive officer's position and responsibilities. The annual cash incentive is designed to place a significant portion of each executive officer's annual cash compensation at risk depending upon the financial and workplace safety performance of Otter Tail Corporation for that year and the individual performance of the executive officer. The target annual cash incentive for each executive officer is measured as a percentage of base pay. The target for annual cash incentive is set with reference to the market data for similar jobs in the utility and general industry sectors as determined by the Peer Group and published data.

The financial targets for the annual cash incentive are premised upon the executive officers delivering on their financial, safety and individual performance commitments to Otter Tail Corporation as reflected, in part, in the annual budget approved by the Board of Directors. The Compensation Committee set the following financial and safety targets for 2013:

Name	Targets	
Edward J. McIntyre	Corporate Earnings Per Share	\$1.52
	Corporate Return on Equity	10.5%
	Safety	4.5 Case Rate
Kevin G. Moug	Corporate Earnings Per Share	\$1.52
	Corporate Return on Equity	10.5%
	Safety	4.5 Case Rate
George A. Koeck	Corporate Earnings Per Share	\$1.52
	Corporate Return on Equity	10.5%
	Safety	4.5 Case Rate
Charles S. MacFarlane	Electric Platform Net Income	\$38.6 million
	Electric Platform Return on Equity	10.0%
	Electric Platform Safety	2.35 Case Rate
Shane N. Waslaski	Corporate Earnings Per Share	\$1.52
	Manufacturing/Infrastructure	12%
	Platform Return on Invested Capital	
	Manufacturing/Infrastructure	

The Compensation Committee set threshold performance levels in addition to the target performance levels for the financial measures in order to incent the executive officers to strive for the best possible performance in a difficult year and a maximum performance level to reward exceptional performance.

As noted above, the Annual Incentive Plan includes a non-financial measure for workplace safety. One of Otter Tail Corporation's five core values is safety. Otter Tail Corporation strives to provide safe work places and requires safe work practices throughout its businesses. The Compensation Committee believes that management's tone related to workplace safety is critical to achieving Otter Tail Corporation's goals regarding

Table of Contents

workplace safety. Safety is measured against the weighted average composite case rate for the industries in which Otter Tail Corporation and its subsidiaries operate. The incentive for safety is paid if the weighted average composite case rate of Otter Tail Corporation and its subsidiaries is less than the weighted average composite case rate for the past three years for the industries in which Otter Tail Corporation and its subsidiaries operate. There is no threshold or maximum performance level for the safety performance measure. Subject to the discretion of the Compensation Committee, the safety incentive is not to be paid in a year where there is a workplace fatality due to a workplace accident.

The financial, workplace safety and individual performance targets for annual cash incentive are divided into components as follows:

1. Corporate Earnings Per Share. (applies to Mr. McIntyre, Mr. Moug, Mr. Koeck and Mr. Waslaski). Each executive officer receives 40% (35% for Mr. Koeck; 30% for Mr. Waslaski) of the total target payout if Otter Tail Corporation achieves the targeted corporate earnings per share. The award amount is reduced for achievement of the threshold corporate earnings per share and additional increments are paid for performance above the target. For corporate earnings per share the threshold was \$1.22, the target was \$1.52 and the maximum was \$1.75. Otter Tail Corporation exceeded target corporate earnings per share in 2013.
2. Corporate Return on Equity. (applies to Mr. McIntyre, Mr. Moug and Mr. Koeck). Each executive officer receives 40% (35% for Mr. Koeck) of the total target payout if Otter Tail Corporation achieves the targeted corporate return on equity. The award amount is reduced for achievement of the threshold corporate return on equity and additional increments are paid for performance above the target. For corporate return on equity the threshold was 8.4%, the target was 10.5% and the maximum was 12.10%. Otter Tail Corporation exceeded target corporate return on equity in 2013.
3. Electric Platform Net Income. Mr. MacFarlane receives 25% of the total target payout if the Electric Platform achieves its targeted net income. The award amount is reduced for achievement of threshold net income and additional increments are paid for performance above the target. For electric platform net income the threshold was \$34.1 million, the target was \$38.6 million and the maximum was \$40.6 million. The Electric Platform exceeded threshold net income in 2013.
4. Electric Platform Return on Equity. Mr. MacFarlane receives 25% of the total target payout if the Electric Platform achieves its targeted return on equity. The award amount is reduced for achievement of threshold return on equity and additional increments are paid for performance above the target. For electric platform return on equity the threshold was 9.0%, the target was 10.0% and the maximum was 11.0%. The Electric Platform exceeded target return on equity for 2013.
5. Manufacturing & Infrastructure Platform Return on Invested Capital. Mr. Waslaski receives 30% of the total target payout if the Manufacturing & Infrastructure Platform achieves its targeted Return on Invested Income (ROIC). The award amount is reduced for achievement of threshold ROIC and additional increments are paid for performance above the target. For the Manufacturing & Infrastructure Platform ROIC the threshold was 9.5% of Average Invested Capital, the target was 12%, and the maximum was 17%. The Manufacturing & Infrastructure Platform exceeded target ROIC for 2013.
6. Safety Incentive. Each executive officer receives 10% of the total target payout if Otter Tail Corporation (Mr. McIntyre, Mr. Moug & Mr. Koeck), the Electric Platform (Mr. MacFarlane) and the Manufacturing & Infrastructure Platform (Mr. Waslaski) achieve their respective targets for workplace safety. The target weighted average composite case rate for Otter Tail Corporation was 4.50, for the Electric Platform 2.35 and for the Manufacturing & Infrastructure Platform 5.50. The performance level for safety was met by all entities in 2013.
7. Each executive officer receives a percentage of the total target payout based upon individual performance. (Mr. McIntyre, 10%; Mr. Moug, 10%; Mr. Koeck, 20%; Mr. MacFarlane, 40% and Mr. Waslaski, 30%). The actual amount of the award is determined by Mr. McIntyre, who may award up to 200% of the target amount and it is subject to Compensation Committee approval. Mr. McIntyre's individual performance award is determined solely by the Compensation Committee.

Table of Contents

The Compensation Committee has discretion over the treatment of extraordinary gains, write offs or other events in determining the amount of annual cash incentive to be paid. In making its determinations in 2013 the Compensation Committee exercised its discretion by excluding the costs incurred related to the repurchase of a portion of Otter Tail Corporation's 9% Notes. The repurchase of these Notes will reduce pretax interest expense by approximately \$4.3 million per year for the remaining three-year life of the Notes.

Long-Term Incentives

Long-term incentive compensation for executive officers consists of performance share awards and restricted stock awards granted by the Compensation Committee under the Otter Tail Corporation 1999 Stock Incentive Plan.

The performance share awards are designed to tie the long-term incentives for the executive officers to Otter Tail Corporation stock performance and to further align the interests of the executive officers with shareholders. It does so in two ways. First, the number of shares awarded to the executive officers is based upon total shareholder return as compared to the total shareholder return of companies in the Edison Electric Institute Index (EEI Index) for the three-year period beginning on the first day of the year in which the grant is awarded. The EEI Index provides total shareholder returns for 49 shareholder owned electric utilities. Second, the value of the shares awarded increases or decreases with value provided to shareholders.

The restricted stock awards are also designed to align the interest of the executive officers with that of shareholders. They do so by rewarding continuity of service of the executive officers since the restricted stock awards vest over a period of four years and unvested restricted stock is forfeited upon voluntary termination. In addition, the value of shares awarded increases or decreases with the value provided to shareholders.

In 2013, the Compensation Committee set targeted long-term incentive with reference to the market data for similar jobs in the utility and general industry sectors as determined by the Peer Group and published data. For performance shares, the number of shares actually awarded to each executive officer was calculated by dividing the targeted value delivered for each executive officer by the per share price of Otter Tail Corporation common stock on April 8, 2013 (\$30.93). For restricted stock, the number of shares actually awarded to each executive officer was calculated by dividing the targeted value delivered for each executive officer by the per share price of Otter Tail Corporation common stock on April 8, 2013 (\$30.93).

The grants of performance shares were approved by the Compensation Committee on April 8, 2013. Whether the performance shares become payable is based upon the total shareholder return of Otter Tail Corporation as compared to the total shareholder returns of the companies that comprise the EEI Index over a three-year period. For the grant awarded in 2013 the three-year period is from January 1, 2013 through December 31, 2015. The EEI Index is chosen because it is the sector which includes Otter Tail Corporation common shares. For purposes of this calculation, total shareholder return equals stock appreciation plus the value of dividends reinvested. The actual payment of common shares may range from zero to 200% of the target amount and will be paid in 2016. The target amount will be paid if the total shareholder return for Otter Tail Corporation is at the 50th percentile of the total shareholder returns of the companies that comprise the EEI Index over the three-year period. The threshold performance level is set at the 25th percentile and the maximum performance level is set at the 85th percentile. Otter Tail Corporation believes the target is appropriate as it is indicative of performance consistent with the sector over the three-year measurement period. Stronger than sector performance is awarded with additional shares. Weaker than sector performance is penalized with the executive officers receiving fewer or no shares. The performance shares, to the extent they become payable, are paid in common shares of Otter Tail Corporation.

The grants of restricted stock were approved by the Compensation Committee on April 8, 2013. The shares vest at a rate of 25% per year over a four-year period with the first quarter vesting on April 8, 2014, and the remaining quarters on the same date in 2015, 2016 and 2017. Upon the grant date the executive officers are eligible for full dividend and voting rights.

Other Benefits

The executive officers receive health, dental, life, vacation and other traditional benefits identical to or consistent with the non-executive employees of Otter Tail Corporation.

Stock Ownership Guidelines

Otter Tail Corporation has established common stock ownership guidelines to ensure that the executive officers remain focused on long-term shareholder value. The ownership guidelines are as follows: Mr. McIntyre, 5 x base salary; Mr. Moug, 2 x base salary; Mr. MacFarlane, 2 x base salary; Mr. Waslaski, 2 x base salary; and Mr. Koeck, 1 x base salary. Stock options are not considered as shares for purposes of satisfying the ownership guidelines and new officers are given five years to meet the guidelines. All of the executive officers meet guidelines with the exception of Mr. McIntyre and Mr. Waslaski who have held their positions for less than five years.

Retirement Income and Deferred Compensation

Historically, the executive officers of Otter Tail Corporation have provided Otter Tail Corporation with long-term service. Otter Tail Corporation believes that this long-term service by its executive officers has been fundamental to its success. Accordingly, Otter Tail Corporation encourages long-term service by providing executive officers security in retirement through its pension and supplemental retirement plans. The executive officers, except for Mr. McIntyre and Mr. Waslaski, participate in the plans related to retirement income. Retirement benefits for Mr. McIntyre and Mr. Waslaski are described separately below.

Central to providing retirement security and encouraging long-term service by its executive officers are the Otter Tail Corporation Pension Plan (Pension Plan) and non-qualified Executive Survivor and Supplemental Retirement Plan (ESSRP). Combined, these plans deliver a defined pension benefit that increases with years of service and compensation. A further description of the benefits under the plan is found in the narrative description to the Pension Benefits Table.

Mr. McIntyre and Mr. Waslaski participate in the Executive Restoration Plus Plan (Restoration Plan), which was adopted in 2012 for executive officers and certain others who are not eligible to participate in the Pension Plan and the ESSRP. Subject to its annual discretion, Otter Tail Corporation shall contribute a sum equal to 6.5% of annual compensation for the plan year in excess of Internal Revenue Code Section 401(a)(17) compensation limit in effect for that year plus 3% of annual compensation to retirement accounts for Mr. McIntyre and Mr. Waslaski provided they are employed on the last day of the plan year.

The Restoration Plan also permits participants to defer up to 50% of salary in 1% increments and up to 100% of their annual cash incentive compensation in 1% increments. The plan provides that each participant makes his or her own investment decisions on the amounts deferred and on the amounts contributed by Otter Tail Corporation and is solely at risk for investment returns. A participant's elected deferred sub-account is fully vested at all times. A participant's employer contributions sub-account shall be vested to the same extent he or she is vested in any employer contributions under the Otter Tail Corporation Retirement Savings Plan provided, however, that a participant will become fully vested in their employer contribution sub-account upon death, becoming disabled, or upon a change in control, provided the date on which the participant becomes fully vested in the employer contributions as a result of any of those events occurs while the participant is actively employed by or associated with Otter Tail Corporation.

The executive officers except for Mr. McIntyre and Mr. Waslaski, who defer under the Restoration Plan, may elect to participate in a non-qualified deferred compensation plan. The plan offers a relatively low cost, competitive benefit consistent with plans offered by other employers. Participation in the plan is limited to the executive officers of Otter Tail Corporation and certain other employees of Otter Tail Corporation and its subsidiaries. Under the plan, participants may defer up to 50% of their base pay and 100% of their annual cash

Table of Contents

incentive compensation. The amounts deferred are segregated into one or more accounts chosen by the participant and earn a return based upon the performance of the investment option chosen by the participant. One account under the plan has a beginning distribution date coinciding with retirement. Other accounts may have distribution dates determined by the participant. Deferred contributions are made pre-tax. Each participant makes his or her own investment decisions on the amounts deferred and is solely at risk for investment returns. There are no Otter Tail Corporation contributions to the plan for executive officers and Otter Tail Corporation is not at risk for individual investment returns.

Otter Tail Corporation also provides a 401(k) retirement savings plan in which the employees of Otter Tail Corporation, including the executive officers, may participate. The plan permits all employees to set aside a portion of their income into the 401(k) retirement savings plan and Otter Tail Corporation matches 50% of the first 5% set aside by an employee up to the statutory maximum. Employees hired after September 1, 2006, may be awarded an enhanced employer contribution. In 2013, that award was 4%. The participation of the executive officers is on precisely the same terms as other participants in the plan.

Severance Benefits

Otter Tail Corporation has entered into change in control severance agreements with each of the executive officers, which provide financial protection in the event of a change in control that disrupts the executive officer's career. These agreements are designed to attract and retain high caliber executive officers, recognizing that change in control protections are commonly provided at comparable companies with which Otter Tail Corporation competes for executive talent. In addition, the change in control protections will enhance the impartiality and objectivity of the executive officers in the event of a change in control situation and better ensure that shareholder interests are protected. The protections contained in the change in control agreements provide for a double trigger, which means that there must be both a change in control and a termination of employment for the provisions to apply. A more complete description of the change in control agreements is found in the tabular disclosure in this Proxy Statement found at page 28.

Otter Tail Corporation has also entered into executive employment agreements with the executive officers, except for Mr. McIntyre who has chosen not to receive one. These agreements have been entered into by Otter Tail Corporation to clearly define the obligations of Otter Tail Corporation and the benefits to the executive officer upon termination from employment. These agreements are more fully described in the tabular disclosure in this Proxy Statement found at page 28.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code imposes limits on tax deductions for executive compensation in excess of \$1,000,000 paid to certain executive officers. It is the Compensation Committee's policy to take reasonable steps to preserve this tax deduction.

Report of Compensation Committee

The Compensation Committee of Otter Tail Corporation's Board of Directors is composed of three independent Directors as defined by the NASDAQ Listing Standards and operates under a written charter adopted by the Board of Directors. The Compensation Committee reviewed and discussed with management the foregoing CD&A. Based upon that review and discussion with management and its independent review of the CD&A, the Compensation Committee has recommended to the Board of Directors that the CD&A be included in this Proxy Statement and in Otter Tail Corporation's Annual Report on Form 10-K for the year ended December 31, 2013, filed with the SEC.

In each year bonuses paid to each of the executive officers were based in part upon the achievement of individual goals established at the beginning of the year, undertaking additional work outside of the scope of their normal responsibilities and individual performance as determined by Chief Executive Officer and the Compensation Committee, for each executive officer except for Mr. McIntyre, whose bonus was determined by the Compensation Committee using the same criteria.

- (2) The amounts shown represent the aggregate grant-date fair values of performance award grants (2013 \$37.51/share, 2012 \$21.75/share, 2011 \$23.61/share) and restricted stock grants (2013 \$31.03/share, 2012 \$21.32/share, 2011 \$22.51/share) and, for Mr. Waslaski, restricted stock units (2011 \$18.03/share), as determined in accordance with FASB ASC Topic 718 and using the same assumptions as are described at Note 7 to the consolidated financial statements in the Annual Report on Form 10-K of Otter Tail Corporation for 2013. The estimated maximum payout value of the performance awards based on the per share grant-date fair value of the awards are as follows: Mr. McIntyre (2013 \$1,687,950, 2012 \$1,770,450); Mr. Moug (2013 \$547,646, 2012 \$543,750, 2011 \$514,698);

Because the amounts shown primarily reflect the value ascribed to performance shares, which are awarded only if Otter Tail Corporation meets certain share price benchmarks over a three-year period as compared to peers and described in the CD&A, the amount may not represent the value actually received by the executive officers. See CD&A for a more detailed description.

In 2013 the change in pension values were: for Mr. Moug (\$162,453); Mr. Koeck (\$36,052); and for Mr. MacFarlane (\$135,330).

receive an award in an amount of 0% to 200% of the target for individual performance awarded at the discretion of the Compensation Committee for Mr. McIntyre and at the discretion of Mr. McIntyre and the Compensation Committee for Mr. Moug and Mr. Koeck. The workplace safety measure is paid at 100% if the target is met. This plan and targets are more fully described in the CD&A. Represents an incentive award granted to Mr. MacFarlane as determined on a basis consistent with the Executive Annual Incentive Plan and described in the CD&A. Awards are contingent upon Otter Tail Power Company reaching performance targets in three categories of performance: net income, return on equity and safety, and individual performance. Mr. MacFarlane is entitled to receive an award in an amount of 50% to 200% of the target for each financial category based upon the performance of Otter Tail Power Company, provided Otter Tail Power Company meets at least the threshold performance level. The workplace safety measure is paid at 100% if the target is met. Mr. MacFarlane is entitled to receive an award in an amount of 0% to 200% of target for individual performance awarded at the discretion of Mr. McIntyre and the Compensation Committee. The amount actually paid in 2013 is reported in part under Non-Equity Incentive Plan Compensation and in part under Bonus in the Summary Compensation Table.

The amount actually paid in 2013 is reported in part under Non-Equity Incentive Plan Compensation and in part under Bonus in the Summary Compensation Table.

- (3) Represents grants of performance shares to each of Mr. McIntyre, Mr. Moug, Mr. Koeck, Mr. MacFarlane and Mr. Waslaski that vest dependent upon the three-year total shareholder return as compared to the total shareholder returns for the companies comprising the EEI Index. The awards of performance shares are more fully described in the CD&A.
- (4) Represents restricted stock grants to Mr. McIntyre, Mr. Moug, Mr. Koeck, Mr. MacFarlane and Mr. Waslaski that vest ratably on April 8, 2014, April 8, 2015, April 8, 2016 and April 8, 2017 provided they are employed by Otter Tail Corporation on those dates. Pension, ESSRP, and Restoration Plus Plans

The Pension Plan is a tax-qualified defined benefit pension plan. Employees of Otter Tail Corporation and non-union employees of Otter Tail Power Company hired prior to September 1, 2006, and union employees of Otter Tail Power Company hired prior to November 1, 2013 (January 1, 2009 for Coyote Station employees) are eligible to participate in the Pension Plan. Benefits for Mr. Moug and Mr. Koeck are determined by multiplying 37% of final average earnings (as defined in the Plan) by a fraction the numerator of which is the number of years of benefit accrual service up to 30 years and the denominator of which is 30. For these executive officers, final average earnings is determined using the 42 consecutive months out of the last 10 consecutive years prior to the participant's retirement which produces the highest average salary. In addition, for each year of benefit accrued service earned in excess of 30 years, the executive's benefit shall increase by 1% up to a maximum of 110% of the benefit. For Mr. MacFarlane, the benefit is determined by multiplying 38% of his final average earnings by a fraction the numerator of which is the number of years of benefit accrual service up to 30 years and the denominator of which is 30. Final average earnings for Mr. MacFarlane is determined by using the 30 consecutive months out of the last 10 years prior to the participant's retirement that produces the highest average salary. A full pension benefit is paid if the executive officer retires after he or she reaches age 62. If the executive officer commences payment prior to age 62, there is a reduction in pension benefit on a scale beginning at 5% at age 61 and ending at 39% at age 55, the earliest age at which the pension benefit may be received. The Plan does not provide for a lump sum distribution.

The Plan does not contemplate, nor have there been granted, additional years of credited service.

Mr. McIntyre and Mr. Waslaski are not eligible to participate in the Pension Plan.

Mr. Moug, Mr. MacFarlane and Mr. Koeck participate in the ESSRP. Participation in the ESSRP is determined by the Board of Directors. Mr. Koeck will receive retirement benefits under the ESSRP equal to the greater of the following:

- (1) A benefit equal to 70% of the participant's final average earnings (as defined in the ESSRP) offset by the participant's social security benefit and the amount of the participant's benefit from Otter Tail Corporation's tax-qualified defined benefit Pension Plan; provided the amount of this benefit will not increase after December 31, 2010. The benefit amount accrues over a 15-year period. If this benefit is applicable, it will be paid for 15 years to the participant or the participant's beneficiary, or for such longer period of time as the

Table of Contents

participant lives. Final average earnings under the ESSRP is the average of the participant's total cash payments (base pay and bonus) paid to the participant during the highest consecutive 42 months in the 10 years prior to the date as of which final average earnings is determined.

- (2) The benefit calculated under Otter Tail Corporation's tax-qualified defined benefit Pension Plan, modified to include the participant's bonus in the computation of covered compensation and to exclude any statutory compensation and benefits limit, and offset by the participant's benefit from the tax-qualified defined benefit Pension Plan. If this benefit is applicable, it will be paid in the same form as the participant's tax-qualified defined benefit Pension Plan benefit.

Mr. Moug and Mr. MacFarlane will receive retirement benefits under the ESSRP equal to the greater of the following:

- (1) A benefit equal to 65% of the participant's final average earnings (as defined in the ESSRP) offset by the participant's social security benefit and the amount of the participant's benefit from Otter Tail Corporation's tax-qualified defined benefit Pension Plan; provided that the amount of this benefit will not increase after December 31, 2010. The benefit amount accrues over a 15-year period. If this benefit is applicable, it will be paid for 15 years to the participant or the participant's beneficiary, or for such longer period of time as the participant lives. Final average earnings for Mr. Moug is defined in the same manner as for Mr. Koeck. Final average earnings for Mr. MacFarlane is defined as the average of the total cash payments (base pay and bonus) paid to the participant during the highest consecutive 30 months in the 10 years prior to the date as of which final average earnings is determined.

- (2) The benefit calculated under Otter Tail Corporation's tax-qualified defined benefit Pension Plan, modified to include the participant's bonus in the computation of covered compensation and to exclude any statutory compensation and benefit limits, and offset by the participant's benefit from the tax-qualified defined Pension Plan. If this benefit is applicable, it will be paid in the same form as the participant's tax-qualified defined benefit Pension Plan benefit.

The executive officers are all vested in their benefits under the ESSRP. Mr. Moug and Mr. Koeck were granted an additional 5 and 3.6 years of service, respectively, under the ESSRP as of January 1, 2005. These increases were designed to more equitably apply the reduction in benefits caused by the January 1, 2005 Amendment to the ESSRP. The ESSRP does not provide for a lump sum distribution.

If an executive officer under the ESSRP dies while employed by Otter Tail Corporation, Otter Tail Corporation will pay the participant's beneficiary an amount equal to four times the participant's annual salary and bonus at the time of death. If an executive officer under the ESSRP dies after retirement or dies after termination for other reasons with a vested benefit, Otter Tail Corporation will pay the participant's beneficiary a lesser amount, depending upon the executive officer's age at death and his or her vested percentage.

If an executive officer retires prior to age 62 or terminates employment prior to retirement, with a vested benefit in the ESSRP, the executive officer will receive a reduced benefit amount. If a participant dies while still employed, his or her beneficiary will receive the actuarial equivalent of the participant's benefit in 15 annual installments. Upon a change in control (as defined in the ESSRP), or in the event of the death of the executive officer while actively employed by Otter Tail Corporation, the executive officer becomes 100% vested in his or her accrued benefit. In the event of disability, years of credited service and years of participation continue to accrue under the ESSRP until such time as payments under Otter Tail Corporation's long-term disability plan end. The Board of Directors has the right to amend, suspend or terminate the ESSRP, but no such action can reduce the benefits already accrued.

Mr. McIntyre and Mr. Waslaski participate in the Executive Restoration Plus Plan which is a nonqualified defined contribution plan. The plan permits a participant to defer up to 50% of salary in 1% increments and up to 100% of annual cash incentive compensation in 1% increments. In addition, subject to its annual discretion, Otter Tail Corporation shall contribute a sum equal to 6.5% of the annual compensation for the plan year in excess of

Table of Contents

Internal Revenue Code Section 401(a)(17) compensation limit in effect for that plan year plus 3% of annual compensation to the deferral and retirement accounts for Mr. McIntyre and Mr. Waslaski, provided they are employed on the last day of the plan year. The plan provides that each participant makes his or her own investment decisions on the amounts deferred and on the amounts contributed by Otter Tail Corporation and is solely at risk for investment returns. A participant's elected deferred sub-account shall be fully vested at all times. A participant's employer contributions sub-account shall be vested to the same extent he or she is vested in any employer contributions under the Otter Tail Corporation Retirement Savings Plan, provided, however, that a participant shall become fully vested in their employer contribution sub-account upon death, becoming disabled, or upon a change in control, provided the date on which the participant becomes fully vested in the employer contributions as a result of any of those events occurs while the participant is actively employed by or associated with Otter Tail Corporation.

If a participant separates from service or becomes disabled, the vested portion of the participant's account shall be paid in a lump sum. If a participant dies while still employed, the participant's vested account shall be paid to the participant's beneficiary in a lump sum payment. The Board of Directors has the right to amend, suspend, or terminate the Executive Restoration Plus Plan, but no such action can reduce the benefits already accrued.

The following table summarizes the number of years of credited service and present accumulated value of the pension benefits for Mr. Moug, Mr. Koeck and Mr. MacFarlane under the Otter Tail Corporation Pension Plan and ESSRP. Payments made for Mr. McIntyre and Mr. Waslaski under the Executive Restoration Plus Plan are found on the Non-Qualified Deferred Compensation Table and in the Summary Compensation Table.

Potential Termination Payments Upon a Change in Control

Otter Tail Corporation has entered into change in control severance agreements (the *Severance Agreements*) with the Named Executive Officers. The Severance Agreements provide for certain payments and other benefits if, following a Change in Control, Otter Tail Corporation terminates the executive officer's employment without Cause or the executive officer terminates his or her employment for Good Reason. Such payments and benefits include: (i) severance pay equal to two times the sum of the executive officer's salary (at the highest annual rate in effect during the two years prior to the termination) and average annual incentive compensation (for the two years prior to the termination); (ii) two years of continued life, health and disability insurance; (iii) the payment of legal fees and expenses relating to the termination; and (iv) the termination of any noncompetition arrangement between Otter Tail Corporation and the executive officer. Under the Severance Agreements, *Cause* is defined as willful and continued failure to perform duties and obligations or willful misconduct materially injurious to Otter Tail Corporation; *Good Reason* is defined to include a material change in the employee's responsibility or status, a reduction in salary or benefits, or a mandatory relocation; and *Change in Control* is defined to include a change in control of the type required to be disclosed under SEC proxy rules, acquisition by a person or group of 35% of the outstanding voting stock of Otter Tail Corporation, a proxy fight or contested election that results in Continuing Directors (as defined in the Agreements) not constituting a majority of Otter Tail Corporation's Board of Directors, or another event the majority of the Continuing Directors determines to be a Change in Control.

Potential Termination Payments due Outside a Change in Control

Otter Tail Corporation has entered into employment agreements (the *Employment Agreements*) with the Named Executive Officers except for Mr. McIntyre. The Employment Agreements provide that if Otter Tail Corporation terminates the employment of one of the executive officers for Cause or if one of the executive

officers terminates the employment relationship without Good Reason (as defined in the Employment Agreements) that the executive officer shall receive base pay and benefits through the date of termination. Alternatively, if Otter Tail Corporation terminates the employment of one of the executive officers for any other reason, or if one of the executive officers terminates the employment relationship for Good Reason, Otter Tail Corporation shall pay a severance payment equal to 1.5 times the sum of the executive officer's base pay plus his or her most recent annual cash incentive payment in full satisfaction of Otter Tail Corporation's obligations to the executive officer.

The following table presents information regarding potential payments pursuant to the agreements described above and the 1999 Stock Incentive Plan for each of the executive officers named below assuming the event took place on December 31, 2013.

Compensation Policies and Risk

Otter Tail Corporation believes that its compensation policies and practices for its employees are such that they are not likely to create risk that would have a material adverse effect on Otter Tail Corporation. As described in this Proxy Statement, the executive officers of Otter Tail Corporation are paid two forms of incentive compensation. Short-term incentives are measured against earnings per share, platform net income, platform return on equity, return on invested capital, workplace safety and individual performance. These financial and safety measures are transparent, subject to review and the recoupment policy and can be verified by audit. Only a portion of short-term incentive, individual performance, is discretionary. Otter Tail Corporation's long-term incentives are based upon stock performance and again, are transparent and subject to review and the recoupment policy. In short, Otter Tail Corporation believes there is little room for manipulation and a relatively low level of risk. To the extent that incentive compensation is utilized for other employees at Otter Tail Corporation, consistent practices are followed. Otter Tail Corporation's disclosure in this Proxy Statement was considered and discussed first by the executive team, including its Vice President of Human Resources and then by the Compensation Committee and the Board of Directors.

Advisory Vote on Executive Compensation

As required pursuant to Section 14A of the Exchange Act, Otter Tail Corporation is providing its shareholders with a non-binding advisory vote on the compensation of the Named Executive Officers as described in the CD&A and the accompanying tables contained in this Proxy Statement. Otter Tail Corporation asks that you support the compensation of our Named Executive Officers as disclosed in this Proxy Statement. Because your vote is advisory, it will not be binding on the Board of Directors or Otter Tail Corporation. However, the Board of Directors will review the results of your voting and take those results into consideration when making future decisions regarding executive compensation. We currently conduct advisory votes on executive compensation every three years and expect to conduct the next advisory vote at our 2017 Annual Meeting of Shareholders.

As has been described in this Proxy Statement, executive compensation at Otter Tail Corporation is heavily weighted towards pay for performance and focused on driving strong financial performance. Both short-term and long-term incentives have significant performance components attached to them. The Compensation Committee has established targets that permit payment of short-term and long-term incentives only when Otter Tail Corporation's financial and safety metrics are met. Long-term incentives are tied to Otter Tail Corporation stock performing well in the market. Historically, in years when Otter Tail Corporation has not met its financial and safety targets the Named Executive Officers have not received short-term incentives. Similarly, when Otter Tail Corporation's stock has not performed well, long-term incentives have not been paid. It is only when Otter Tail Corporation is operating safely, and performing well financially and in the market that short-term and long-term incentives are paid.

Otter Tail Corporation believes it has designed compensation programs that are appropriate to attract and retain talented and dedicated key executives who are focused on Otter Tail Corporation's performance.

Otter Tail Corporation also believes that the information provided above and in this Proxy Statement demonstrates that its executive compensation programs are appropriate to ensure that the interests of the Named

Table of Contents

Executive Officers are aligned with the long-term interests of Otter Tail Corporation's shareholders. Accordingly, Otter Tail Corporation is asking its shareholders to vote FOR the following resolution at the Annual Meeting:

To approve, on an advisory basis, the compensation of Otter Tail Corporation's Named Executive Officers as described in the Compensation Discussion and Analysis section of the Proxy Statement for the 2014 Annual Meeting of Shareholders, the tabular disclosure regarding such compensation and the accompanying narrative disclosure set forth in such Proxy Statement.

The Board of Directors recommends a vote FOR adoption of the resolution approving the compensation of Otter Tail Corporation's Named Executive Officers. Adoption of this resolution will require the affirmative vote of the majority of the common shares present in person or by proxy and entitled to vote at the Annual Meeting.

Proposal to Adopt the Otter Tail Corporation 2014

Stock Incentive Plan

On February 6, 2014, the Board of Directors adopted, subject to shareholder approval, the Otter Tail Corporation 2014 Stock Incentive Plan (the 2014 Incentive Plan). The purpose of the 2014 Incentive Plan is to promote the interests of Otter Tail Corporation and our shareholders by aiding us in attracting and retaining employees, officers, consultants, independent contractors, advisors and non-employee directors capable of assuring the future success of Otter Tail Corporation and motivating such persons to put forth maximum efforts for the success of our business. The 2014 Incentive Plan will allow us to compensate such persons through various stock-based arrangements and provide them with opportunities for stock ownership in Otter Tail Corporation, thereby aligning their interests with our shareholders.

We have previously awarded stock options, restricted stock and performance share awards to employees, officers and non-employee directors under the 1999 Stock Incentive Plan. The 1999 Stock Incentive Plan expired by its terms on December 13, 2013 and no more awards may be granted thereunder. At December 31, 2013, we had approximately 806,599 shares that had not yet been used for awards under the 1999 Stock Incentive Plan.

The Board believes that the continuation of stock-based compensation programs is essential in attracting, retaining and motivating highly qualified officers, employees and non-employee directors to enhance our success. The 2014 Incentive Plan will allow for the continued use of stock-based compensation. The flexibility of the 2014 Incentive Plan will allow future awards to be based on then-current objectives for aligning compensation with shareholder value.

The following is a summary of the material terms of the 2014 Incentive Plan and is qualified in its entirety by reference to the 2014 Incentive Plan. A copy of the 2014 Incentive Plan is attached as the Appendix to this Proxy Statement.

Administration

The Compensation Committee will administer the 2014 Incentive Plan and will have full power and authority to determine when and to whom awards will be granted, and the type, amount, form of payment and other terms and conditions of each award, including conditions for forfeiture, recoupment, or disgorgement of awards, consistent with the provisions of the 2014 Incentive Plan. In addition, the Compensation Committee can specify whether, and under what circumstances, awards to be received under the 2014 Incentive Plan or amounts payable under such awards may be deferred automatically or at the election of either the holder of the award or the Compensation Committee. Subject to the provisions of the 2014 Incentive Plan, the Compensation Committee may amend or waive the terms and conditions, or accelerate the exercisability, of an outstanding award. The Compensation Committee has authority to interpret the 2014 Incentive Plan and establish rules and regulations for the administration of the 2014 Incentive Plan.

Table of Contents

The Compensation Committee may delegate its powers under the 2014 Incentive Plan to one or more directors or officers, except that the Compensation Committee may not delegate its powers to grant awards to executive officers or directors who are subject to the Exchange Act, or in a way that would violate Section 162(m) of the Internal Revenue Code. The Board of Directors may also exercise the powers of the Compensation Committee at any time, so long as its actions would not violate the requirements of Section 16 of the Exchange Act or Section 162(m) of the Internal Revenue Code.

Eligible Participants

Any employee, officer, consultant, independent contractor, advisor or non-employee director providing services to us or any of our affiliates, who is selected by the Compensation Committee, is eligible to receive an award under the 2014 Incentive Plan. As of February 14, 2014, approximately 2,550 employees, officers, consultants, independent contractors, advisors and directors were eligible as a class to be selected by the Compensation Committee to receive awards under the 2014 Incentive Plan.

Shares Available For Awards

The aggregate number of shares of our common stock that may be issued under all stock-based awards made under the 2014 Incentive Plan will be 1,900,000. Certain awards under the 2014 Incentive Plan are subject to limitations as follows:

No person may be granted in any calendar year stock options, stock appreciation rights or any other awards the value of which is based solely on an increase in the value of our common stock after the date of grant of the award, of more than 500,000 shares in the aggregate in any calendar year.

The maximum amount payable to any person that may be a covered person within the meaning of Section 162(m) (covered person) pursuant to all performance awards which are intended to represent qualified performance-based compensation within the meaning of Section 162(m) in the aggregate in any calendar year shall be \$5,000,000 in value, whether payable in cash, shares or other property.

The Compensation Committee will adjust the number of shares and share limits described above in the case of a stock dividend or other distribution, including a stock split, merger or other similar corporate transaction or event that affects shares of our common stock, in order to prevent dilution or enlargement of the benefits or potential benefits intended to be provided under the 2014 Incentive Plan.

Types of Awards and Terms and Conditions

The 2014 Incentive Plan permits the granting of:

stock options (including both incentive and non-qualified stock options);

stock appreciation rights (SARs);

restricted stock and restricted stock units;

dividend equivalents;

performance awards of cash, stock or property;

stock awards; and

other stock-based awards.

Awards may be granted alone, in addition to, in combination with or in substitution for, any other award granted under the 2014 Incentive Plan or any other compensation plan. Awards can be granted for no cash consideration or for any cash or other consideration as may be determined by the Compensation Committee or as required by applicable law. Awards may provide that upon the grant or exercise thereof, the holder will receive cash, shares

of our common stock, other securities or property, or any combination of these in a single payment, installments or on a deferred basis. The exercise price per share under any stock option may not be less than the fair market value of our common stock on the date of grant of such option except to satisfy legal requirements of foreign jurisdictions or if the option is in substitution for an option previously granted by an entity acquired by us. The grant price of any SAR may not be less than the fair market value of our common stock on the date of grant of such SAR. Determinations of fair market value under the 2014 Incentive Plan will be made in accordance with methods and procedures established by the Compensation Committee. The term of awards will not be longer than ten years from the date of grant. Awards will be adjusted by the Compensation Committee in the case of a stock dividend or other distribution, including a stock split, merger or other similar corporate transaction or event that affects shares of our common stock, in order to prevent dilution or enlargement of the benefits or potential benefits intended to be provided under the 2014 Incentive Plan.

Stock Options. The holder of an option will be entitled to purchase a number of shares of our common stock at a specified exercise price during a specified time period, all as determined by the Compensation Committee. The option exercise price may be payable either in cash or, at the discretion of the Compensation Committee, in other securities or other property having a fair market value on the exercise date equal to the exercise price.

Stock Appreciation Rights. The holder of a SAR is entitled to receive the excess of the fair market value (calculated as of the exercise date or, at the Compensation Committee's discretion, as of any time during a specified period before or after the exercise date) of a specified number of shares of our common stock over the grant price of the SAR. SARs vest and become exercisable in accordance with a vesting schedule established by the Compensation Committee.

Restricted Stock and Restricted Stock Units. The holder of restricted stock will own shares of our common stock subject to restrictions imposed by the Compensation Committee (including, for example, restrictions on the right to vote the restricted shares or to receive any dividends with respect to the shares) for a specified time period determined by the Compensation Committee. The holder of restricted stock units will have the right, subject to any restrictions imposed by the Compensation Committee, to receive shares of our common stock, or a cash payment equal to the fair market value of those shares, at some future date determined by the Compensation Committee. The Compensation Committee may permit accelerated vesting in certain events, including the participant's death, disability, termination or retirement, or a change in control of Otter Tail Corporation. If the participant's employment or service as a director terminates during the vesting period for any other reason, the restricted stock and restricted stock units will be forfeited, unless the Compensation Committee determines that it would be in our best interest to waive the remaining restrictions.

Dividend Equivalents. The holder of a dividend equivalent will be entitled to receive payments (in cash, shares of our common stock, other securities or other property) equivalent to the amount of cash dividends paid by us to our shareholders, with respect to the number of shares determined by the Compensation Committee. Dividend equivalents will be subject to other terms and conditions determined by the Compensation Committee, but the Compensation Committee may not grant dividend equivalents in connection with grants of options, SARs, or unvested performance awards.

Performance Awards. The Compensation Committee may grant performance awards under the 2014 Incentive Plan. A performance award may be denominated or payable in cash, stock (including restricted stock and restricted stock units), other securities, other awards or other property, and confers on the holder the right to receive payments, in whole or in part, upon the achievement of one or more performance goals during a performance period as established by the Compensation Committee. The performance goals to be achieved during any performance period, the length of any performance period, the amount of any performance award granted, the amount of any payment or transfer to be made pursuant to any performance award and any other terms and conditions of any performance award will be determined by the Compensation Committee. Performance awards that are granted to participants who may be covered persons and that are intended to be qualified performance-based compensation, to the extent required by Section 162(m) of the Internal Revenue

Table of Contents

Code, must be conditioned solely on the achievement of one or more objective performance goals established by the Compensation Committee within the time prescribed by Section 162(m) of the Internal Revenue Code and must otherwise comply with the requirements of Section 162(m) of the Internal Revenue Code.

Performance goals for performance awards that are granted to participants who may be covered persons and that are intended to be qualified performance-based compensation must be based solely on one or more of the following business criteria, applied on a corporate, subsidiary, division, business unit, line of business or product basis: sales, revenue, costs, expenses, earnings (including one or more of net profit after tax, gross profit, operating profit, earnings before interest and taxes, earnings before interest, taxes, depreciation and amortization and net earnings), earnings per share, earnings per share from continuing operations, operating income, pre-tax income, operating income margin, net income, margins (including one or more of gross, operating and net income margins), ratios, including one or more of price to earnings, debt to assets, debt to net assets and ratios regarding liquidity, solvency, productivity or risk), returns (including one or more of return on actual or pro forma assets, net assets, equity, investment, capital and net capital employed), shareholder return (including total shareholder return relative to an index or peer group), stock price, market capitalization, economic value added, cash generation, cash flow (including operating cash flow, free cash flow and cash flow return on equity), unit volume, working capital, market share, cost reductions and strategic plan development and implementation. Such goals may reflect whole corporate entity or business unit performance or a relative comparison to the performance of a peer group of entities or other external measure of the selected performance criteria. To the extent consistent with Section 162(m) of the Internal Revenue Code, the Compensation Committee may, when it establishes performance criteria, also provide for the adjustment for charges related to an event or occurrence which the Compensation Committee determines is appropriate for adjustment, including, but not limited to, asset write-downs; litigation or claim judgments or settlements; changes in tax law, accounting principles or other such laws or provisions affecting reported results; severance, contract termination and other costs related to exiting certain business activities; acquisitions; and gains or losses from the disposition of businesses or assets or from the early extinguishment of debt.

Stock Awards. The Compensation Committee may grant unrestricted shares of our common stock, subject to terms and conditions determined by the Compensation Committee and the limitations in the 2014 Incentive Plan.

Other Stock-Based Awards. The Compensation Committee is also authorized to grant other types of awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to our common stock, subject to terms and conditions determined by the Compensation Committee and the limitations in the 2014 Incentive Plan.

Accounting for Awards

If an award entitles the holder to receive or purchase shares of our common stock, the shares covered by such award or to which the award relates will be counted against the aggregate number of shares available for awards under the 2014 Incentive Plan. For SARs settled in shares upon exercise, the aggregate number of shares with respect to which the SAR is exercised, rather than the number of shares actually issued upon exercise, will be counted against the number of shares available for awards under the 2014 Incentive Plan. If an option is not exercised, the number of shares counted against the 2014 Incentive Plan will be the gross amount of shares subject to the option. Awards that do not entitle the holder to receive or purchase shares and awards that are settled in cash will not be counted against the aggregate number of shares available for awards under the 2014 Incentive Plan.

If an award is terminated, forfeited or cancelled without the issuance of any shares or if shares covered by an award are not issued for any other reason, then the shares previously set aside for such award will be available for future awards under the 2014 Incentive Plan. If shares of restricted stock awarded under the 2014 Incentive Plan are forfeited or otherwise reacquired by us prior to vesting, those shares will again be available for awards under the 2014 Incentive Plan. Shares withheld as payment of the purchase or exercise price of an award or in satisfaction of tax obligations relating to an award will not be available again for granting awards under the 2014 Incentive Plan.

Table of Contents

Duration, Termination and Amendment

Unless discontinued or terminated by the Board, the 2014 Incentive Plan will expire at midnight on December 31, 2023. Awards may be granted under the 2014 Incentive Plan until the earlier to occur of termination of the Plan or the date on which all shares available for awards under the 2014 Incentive Plan have been purchased or acquired; provided, however, that incentive stock options may not be granted following the 10-year anniversary of the Board's adoption of the 2014 Incentive Plan.

The Board may amend, alter, suspend, discontinue or terminate the 2014 Incentive Plan at any time, although shareholder approval must be obtained for any amendment to the 2014 Incentive Plan that would (1) increase the number of shares of our common stock available under the 2014 Incentive Plan, (2) increase the award limits under the 2014 Incentive Plan, (3) permit repricing of options or SARs, (4) permit awards of options or SARs at a price less than fair market value, or (5) cause Section 162(m) of the Internal Revenue Code to become unavailable with respect to the 2014 Incentive Plan. Shareholder approval is also required for any action that requires shareholder approval under the rules and regulations of the Securities and Exchange Commission, the NASDAQ Stock Market LLC or any other securities exchange that are applicable to us.

Prohibition on Repricing Awards

Without the approval of our shareholders, the Compensation Committee will not reprice, adjust or amend the exercise price of any options or the grant price of any SAR previously awarded, whether through amendment, cancellation for cash or a replacement grant or any other means, except in connection with a stock dividend or other distribution, including a stock split, merger or other similar corporate transaction or event that affects shares of our common stock, in order to prevent dilution or enlargement of the benefits, or potential benefits intended to be provided under the 2014 Incentive Plan.

Transferability of Awards

Except as otherwise provided by the terms of the 2014 Incentive Plan, awards (other than stock awards) under the 2014 Incentive Plan may only be transferred by will or by the laws of descent and distribution. Under no circumstances may outstanding awards (other than stock awards) be transferred for value.

Federal Income Tax Consequences

Grant of Options and SARs. The grant of a stock option or SAR is not expected to result in any taxable income for the recipient.

Exercise of Options and SARs. Upon exercising a non-qualified stock option, the optionee must recognize ordinary income equal to the excess of the fair market value of the shares of our common stock acquired on the date of exercise over the exercise price, and we generally will be entitled at that time to an income tax deduction for the same amount. The holder of an incentive stock option generally will have no taxable income upon exercising the option (except that an alternative minimum tax liability may arise), and we will not be entitled to an income tax deduction. Upon exercising a SAR, the amount of any cash received and the fair market value on the exercise date of any shares of our common stock received are taxable to the recipient as ordinary income and generally are deductible by us.

Disposition of Shares Acquired Upon Exercise of Options and SARs. The tax consequence upon a disposition of shares acquired through the exercise of an option or SAR will depend on how long the shares have been held and whether the shares were acquired by exercising an incentive stock option or by exercising a non-qualified stock option or SAR. Generally, there will be no tax consequence to us in connection with the disposition of shares acquired under an option or SAR, except that we may be entitled to an income tax deduction in the case of the disposition of shares acquired under an incentive stock option before the applicable incentive stock option holding periods set forth in the Internal Revenue Code have been satisfied.

Table of Contents

Awards Other than Options and SARs. If an award is payable in shares of our common stock that are subject to substantial risk of forfeiture, unless a special election is made by the holder of the award under the Internal Revenue Code, the holder must recognize ordinary income equal to the excess of (i) the fair market value of the shares received (determined as of the first time the shares become transferable or not subject to substantial risk of forfeiture, whichever occurs earlier) over (ii) the amount (if any) paid for the shares by the holder of the award. We will generally be entitled at that time to an income tax deduction for the same amount. As to other awards granted under the 2014 Incentive Plan that are payable either in cash or shares of our common stock not subject to substantial risk of forfeiture, the holder of the award must recognize ordinary income equal to (a) the amount of cash received or, as applicable, (b) the excess of (i) the fair market value of the shares received (determined as of the date such shares are received) over (ii) the amount (if any) paid for the shares by the holder of the award. We generally will be entitled at that time to an income tax deduction for the same amount.

Income Tax Deduction. Subject to the usual rules concerning reasonable compensation, including our obligation to withhold or otherwise collect certain income and payroll taxes, and assuming that, as expected, stock options, SARs and certain other performance awards paid under the 2014 Incentive Plan are qualified performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code, we generally will be entitled to a corresponding income tax deduction at the time a participant recognizes ordinary income from awards made under the 2014 Incentive Plan.

Special Rules for Executive Officers and Directors Subject to Section 16 of the Exchange Act. Special rules may apply to individuals subject to Section 16 of the Exchange Act. In particular, unless a special election is made pursuant to the Internal Revenue Code, shares received through the exercise of a stock option or SAR may be treated as restricted as to transferability and subject to a substantial risk of forfeiture for a period of up to six months after the date of exercise. Accordingly, the amount of any ordinary income recognized and the amount of our income tax deduction will be determined as of the end of that period.

Delivery of Shares for Tax Obligation. Under the 2014 Incentive Plan, the Compensation Committee may permit participants receiving or exercising awards, subject to the discretion of the Compensation Committee and upon such terms and conditions as it may impose, to deliver shares of our common stock (either shares received upon the receipt or exercise of the award or shares previously owned by the participant) to us to satisfy federal, state or local tax obligations.

Section 409A of the Internal Revenue Code. The Compensation Committee will administer and interpret the 2014 Incentive Plan and all award agreements in a manner consistent with the intent to satisfy the requirements of Section 409A of the Internal Revenue Code to avoid any adverse tax results thereunder to a holder of an award. At the Annual Meeting of Shareholders, the Board of Directors will propose that shareholders ratify the appointment of the firm of Deloitte & Touche LLP as the independent registered public accounting firm to audit the consolidated financial statements of Otter Tail Corporation for 2014. This firm has no direct or indirect financial interest in Otter Tail Corporation.

Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations and other decisions under or with respect to the Plan or any Award or Award Agreement shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon any Participant, any holder or beneficiary of any Award or Award Agreement, and any employee of the Company or any Affiliate.

(c) Power and Authority of the Board of Directors. Notwithstanding anything to the contrary contained herein, the Board may, at any time and from time to time, without any further action of the Committee, exercise the powers and duties of the Committee under the Plan, unless the exercise of such powers and duties by the Board would cause the Plan not to comply with the requirements of Rule 16b-3 or Section 162(m).

Section 4. Shares Available for Awards.

(a) Shares Available. Subject to adjustment as provided in Section 4(c) of the Plan, the aggregate number of Shares that may be issued under all Awards under the Plan shall be 1,900,000. Shares to be issued under the Plan may be authorized but unissued Shares, treasury shares or Shares acquired in the open market or otherwise. If an Award terminates or is forfeited or cancelled without the issuance of any Shares, or if any Shares covered by an Award or to which an Award relates are not issued for any other reason, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award, to the extent of any such termination, forfeiture, cancellation or other event, shall again be available for granting Awards under the Plan. If Shares of Restricted Stock are forfeited or otherwise reacquired by the Company prior to vesting, whether or not dividends have been paid on such Shares, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award of Restricted Stock, to the

Table of Contents

extent of any such forfeiture or reacquisition by the Company, shall again be available for granting Awards under the Plan. Shares that are withheld in full or partial payment to the Company of the purchase or exercise price relating to any Award or in connection with the satisfaction of tax obligations relating to any Award, or Shares that are acquired by the Company on the open market with cash delivered to the Company for any such purposes, shall not be available for granting Awards under the Plan.

(b) Accounting for Awards. For purposes of this Section 4, if an Award entitles the holder thereof to receive or purchase Shares, the number of Shares covered by such Award or to which such Award relates shall be counted on the date of grant of such Award against the aggregate number of Shares available for granting Awards under the Plan. For Stock Appreciation Rights settled in Shares upon exercise, the aggregate number of Shares with respect to which the Stock Appreciation Right is exercised, rather than the number of Shares actually issued upon exercise, shall be counted against the number of Shares available for Awards under the Plan. If an Option is not exercised, as permitted by Section 6(a)(iii), the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award shall be the gross amount of Shares subject to the Award. Awards that do not entitle the holder thereof to receive or purchase Shares and Awards that are settled in cash shall not be counted against the aggregate number of Shares available for Awards under the Plan.

(c) Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company or other similar corporate transaction or event affects the Shares such that an adjustment is necessary in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares (or other securities or other property) that thereafter may be made the subject of Awards, (ii) the number and type of Shares (or other securities or other property) subject to outstanding Awards, (iii) the purchase or exercise price with respect to any Award and (iv) the limitations contained in Section 4(d) of the Plan.

(d) Award Limitations Under the Plan.

(i) Section 162(m) Limitation for Certain Types of Awards. No Eligible Person may be granted Options, Stock Appreciation Rights or any other Award or Awards under the Plan, the value of which Award or Awards is based solely on an increase in the value of the Shares after the date of grant of such Award or Awards, for more than 500,000 Shares (subject to adjustment as provided in Section 4(c) of the Plan) in the aggregate in any calendar year.

(ii) Section 162(m) Limitation for Performance Awards. The maximum amount payable to any Participant that may be a covered person within the meaning of Section 162(m) pursuant to all Performance Awards which are intended to represent qualified performance-based compensation within the meaning of Section 162(m) in the aggregate in any calendar year shall be \$5,000,000 in value, whether payable in cash, Shares or other property. This limitation does not apply to any Award subject to the limitation contained in Section 4(d)(i) of the Plan.

Section 5. Eligibility.

Any Eligible Person shall be eligible to be designated a Participant. In determining which Eligible Persons shall receive an Award and the terms of any Award, the Committee may take into account the nature of the services rendered by the respective Eligible Persons, their present and potential contributions to the success of the Company or such other factors as the Committee, in its discretion, shall deem relevant. Notwithstanding the foregoing, an Incentive Stock Option may only be granted to full-time or part-time employees (which term as used herein includes, without limitation, officers and Directors who are also employees), and an Incentive Stock

Option shall not be granted to an employee of an Affiliate unless such Affiliate is also a subsidiary corporation of the Company within the meaning of Section 424(f) of the Code or any successor provision. Further, notwithstanding the foregoing, Options and Stock Appreciation Rights shall not be granted to an Eligible Person providing direct services to an Affiliate unless the Company has a controlling interest in such Affiliate within the meaning of Treas. Reg. Sec. 1.409A-1(b)(5)(iii)(E)(1).

Section 6. Awards.

(a) Options. The Committee is hereby authorized to grant Options to Eligible Persons with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

(i) Exercise Price. The purchase price per Share purchasable under an Option shall be determined by the Committee and shall not be less than 100% of the Fair Market Value of a Share on the date of grant of such Option; provided, however, that the Committee may designate a per share exercise price below Fair Market Value on the date of grant (A) to the extent necessary or appropriate, as determined by the Committee, to satisfy applicable legal or regulatory requirements of a foreign jurisdiction or (B) if the Option is granted in substitution for a stock option previously granted by an entity that is acquired by or merged with the Company or an Affiliate.

(ii) Option Term. The term of each Option shall be fixed by the Committee but shall not be longer than 10 years from the date of grant.

(iii) Time and Method of Exercise. The Committee shall determine the time or times at which an Option may be exercised in whole or in part and the method or methods by which, and the form or forms (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the applicable exercise price) in which, payment of the exercise price with respect thereto may be made or deemed to have been made. Alternatively, the Committee may, in its discretion, permit a Non-Qualified Stock Option (but not an Incentive Stock Option) to be exercised by delivering to the Participant a number of Shares having an aggregate Fair Market Value (determined as of the date of exercise) equal to the excess, if positive, of the Fair Market Value of the Shares underlying the Non-Qualified Stock Option being exercised, on the date of exercise, over the exercise price of the Non-Qualified Stock Option for such Shares.

(b) Stock Appreciation Rights. The Committee is hereby authorized to grant Stock Appreciation Rights to Eligible Persons subject to the terms of the Plan and any applicable Award Agreement. A Stock Appreciation Right granted under the Plan shall confer on the holder thereof a right to receive upon exercise thereof the excess of (i) the Fair Market Value of one Share on the date of exercise (or, if the Committee shall so determine, at any time during a specified period before or after the date of exercise) over (ii) the grant price of the Stock Appreciation Right as specified by the Committee, which price shall not be less than 100% of the Fair Market Value of one Share on the date of grant of the Stock Appreciation Right. Subject to the terms of the Plan and any applicable Award Agreement, the grant price, term, methods of exercise, dates of exercise, methods of settlement and any other terms and conditions of any Stock Appreciation Right shall be as determined by the Committee; provided, however, that the term of each Stock Appreciation Right shall not be longer than 10 years from the date of grant. The Committee may impose such conditions or restrictions on the exercise of any Stock Appreciation Right as it may deem appropriate.

(c) Restricted Stock and Restricted Stock Units. The Committee is hereby authorized to grant Awards of Restricted Stock and Restricted Stock Units to Eligible Persons with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

(i) Restrictions. Shares of Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee may impose (including, without limitation, any limitation on the right to vote a Share of Restricted Stock or the right to receive any dividend or other right or property with respect thereto), which

Table of Contents

restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate. Notwithstanding the foregoing, the Committee may permit acceleration of vesting of such Awards in certain events including, but not limited to, the Participant's death, disability, termination or retirement or a Change in Control.

(ii) Issuance and Delivery of Shares. Any Restricted Stock granted under the Plan shall be issued at the time such Awards are granted and may be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of a stock certificate or certificates, which certificate or certificates shall be held by the Company. Such certificate or certificates shall be registered in the name of the Participant and shall bear an appropriate legend referring to the restrictions applicable to such Restricted Stock. Shares representing Restricted Stock that are no longer subject to restrictions shall be delivered to the Participant promptly after the applicable restrictions lapse or are waived. In the case of Restricted Stock Units, no Shares shall be issued at the time such Awards are granted. Upon the lapse or waiver of restrictions and the restricted period relating to Restricted Stock Units evidencing the right to receive Shares, such Shares shall be issued and delivered to the holder of the Restricted Stock Units.

(iii) Forfeiture. Except as otherwise determined by the Committee, upon a Participant's termination of employment or resignation or removal as a Director (in either case, as determined under criteria established by the Committee) during the applicable restriction period, all Shares of Restricted Stock and all Restricted Stock Units held by the Participant at such time shall be forfeited and reacquired by the Company; provided, however, that the Committee may, when it finds that a waiver would be in the best interest of the Company, waive in whole or in part any or all remaining restrictions with respect to Shares of Restricted Stock or Restricted Stock Units.

(d) Dividend Equivalents. The Committee is hereby authorized to grant Dividend Equivalents to Eligible Persons under which the Participant shall be entitled to receive payments (in cash, Shares, other securities, other Awards or other property as determined in the discretion of the Committee) equivalent to the amount of cash dividends paid by the Company to holders of Shares with respect to a number of Shares determined by the Committee. Subject to the terms of the Plan and any applicable Award Agreement, such Dividend Equivalents may have such terms and conditions as the Committee shall determine. Notwithstanding the foregoing, the Committee may not grant Dividend Equivalents to Eligible Persons in connection with grants of Options, Stock Appreciation Rights or unvested Performance Awards to such Eligible Persons.

(e) Performance Awards. The Committee is hereby authorized to grant Performance Awards to Eligible Persons subject to the terms of the Plan and any applicable Award Agreement. A Performance Award granted under the Plan (i) may be denominated or payable in cash, Shares (including, without limitation, Restricted Stock and Restricted Stock Units), other securities, other Awards or other property and (ii) shall confer on the holder thereof the right to receive payments, in whole or in part, upon the achievement of one or more performance goals during such performance periods as the Committee shall establish. Subject to the terms of the Plan, the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award granted, the amount of any payment or transfer to be made pursuant to any Performance Award and any other terms and conditions of any Performance Award shall be determined by the Committee. Performance Awards that are granted to Eligible Persons who may be covered employees under Section 162(m) and that are intended to be qualified performance-based compensation within the meaning of Section 162(m), to the extent required by Section 162(m), shall be conditioned solely on the achievement of one or more objective Performance Goals established by the Committee within the time prescribed by Section 162(m), and shall otherwise comply with the requirements of Section 162(m).

(f) Stock Awards. The Committee is hereby authorized to grant to Eligible Persons Shares without restrictions thereon, as deemed by the Committee to be consistent with the purpose of the Plan. Subject to the terms of the Plan and any applicable Award Agreement, such Stock Awards may have such terms and conditions as the Committee shall determine.

Table of Contents

(g) Other Stock-Based Awards. The Committee is hereby authorized to grant to Eligible Persons such other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares), as are deemed by the Committee to be consistent with the purpose of the Plan. The Committee shall determine the terms and conditions of such Awards, subject to the terms of the Plan and the Award Agreement. Shares, or other securities delivered pursuant to a purchase right granted under this Section 6(g), shall be purchased for consideration having a value equal to at least 100% of the Fair Market Value of such Shares or other securities on the date the purchase right is granted. The consideration paid by the Participant may be paid by such method or methods and in such form or forms (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof), as the Committee shall determine.

(h) General.

(i) Consideration for Awards. Awards may be granted for no cash consideration or for any cash or other consideration as may be determined by the Committee or required by applicable law.

(ii) Awards May Be Granted Separately or Together. Awards may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with or in substitution for any other Award or any award granted under any other plan of the Company or any Affiliate. Awards granted in addition to or in tandem with other Awards or in addition to or in tandem with awards granted under any other plan of the Company or any Affiliate may be granted either at the same time as or at a different time from the grant of such other Awards or awards.

(iii) Forms of Payment under Awards. Subject to the terms of the Plan and of any applicable Award Agreement, payments or transfers to be made by the Company or an Affiliate upon the grant, exercise or payment of an Award may be made in such form or forms as the Committee shall determine (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof), and may be made in a single payment or transfer, in installments or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents with respect to installment or deferred payments.

(iv) Term of Awards. The term of each Award shall be for a period not longer than 10 years from the date of grant.

(v) Limits on Transfer of Awards. Except as otherwise provided by the Committee or the terms of this Plan, no Award (other than a Stock Award) and no right under any such Award shall be transferable by a Participant for value other than by will or by the laws of descent and distribution. The Committee may establish procedures as it deems appropriate for a Participant to designate a Person or Persons, as beneficiary or beneficiaries, to exercise the rights of the Participant and receive any property distributable with respect to any Award in the event of the Participant's death. The Committee, in its discretion and subject to such additional terms and conditions as it determines, may permit a Participant to transfer a Non-Qualified Stock Option to any family member (as such term is defined in the General Instructions to Form S-8 (or any successor to such Instructions or such Form) under the Securities Act of 1933, as amended) at any time that such Participant holds such Option, provided that such transfers may not be for value (i.e., the transferor may not receive any consideration therefor) and the family member may not make any subsequent transfers other than by will or by the laws of descent and distribution. Each Award under the Plan or right under any such Award shall be exercisable during the Participant's lifetime only by the Participant (except as provided herein or in an Award Agreement or amendment thereto relating to a Non-Qualified Stock Option) or, if permissible under applicable law, by the Participant's guardian or legal representative. No Award (other than a Stock Award) or right under any such Award may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or encumbrance thereof shall be void and unenforceable against the Company or any Affiliate.

(vi) Restrictions: Securities Exchange Listing. All Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such restrictions as the Committee may deem advisable under the Plan, applicable federal or state securities laws and regulatory requirements, and the Committee may cause appropriate entries to be made or legends to be placed on the certificates for such Shares or other securities to reflect such restrictions. If the Shares or other securities are traded on a securities exchange, the Company shall not be required to deliver any Shares or other securities covered by an Award unless and until such Shares or other securities have been admitted for trading on such securities exchange.

(vii) Section 409A Provisions. Notwithstanding anything in the Plan or any Award Agreement to the contrary, to the extent that any amount or benefit that constitutes deferred compensation to a Participant under Section 409A of the Code and applicable guidance thereunder is otherwise payable or distributable to a Participant under the Plan or any Award Agreement solely by reason of the occurrence of a Change of Control or due to the Participant's disability or separation from service (as such term is defined under Section 409A), such amount or benefit will not be payable or distributable to the Participant by reason of such circumstance unless the Committee determines in good faith that (i) the circumstances giving rise to such Change of Control, disability or separation from service meet the definition of a change in ownership or control, disability or separation from service, as the case may be, in Section 409A(a)(2)(A) of the Code and applicable proposed or final regulations, or (ii) the payment or distribution of such amount or benefit would be exempt from the application of Section 409A by reason of the short-term deferral exemption or otherwise. Any payment or distribution that otherwise would be made to a Participant who is a Specified Employee (as determined by the Committee in good faith) on account of separation from service may not be made before the date which is 6 months after the date of the Specified Employee's separation from service (or if earlier, upon the Specified Employee's death) unless the payment or distribution is exempt from the application of Section 409A by reason of the short-term deferral exemption or otherwise.

Section 7. Amendment and Termination: Corrections.

(a) Amendments to the Plan. The Board may amend, alter, suspend, discontinue or terminate the Plan at any time; provided, however, that, notwithstanding any other provision of the Plan or any Award Agreement, prior approval of the shareholders of the Company shall be required for any amendment to the Plan that:

(i) requires shareholder approval under the rules or regulations of the Securities and Exchange Commission or The NASDAQ Stock Market LLC or any other securities exchange that are applicable to the Company;

(ii) increases the number of shares authorized under the Plan as specified in Section 4(a) of the Plan;

(iii) increases the number of shares subject to the limitations contained in Section 4(d)(i) of the Plan or the dollar amount subject to the limitation contained in Section 4(d)(ii) of the Plan;

(iv) permits repricing of Options or Stock Appreciation Rights, which is prohibited by Section 3(a)(v) of the Plan;

(v) permits the award of Options or Stock Appreciation Rights at a price less than 100% of the Fair Market Value of a Share on the date of grant of such Option or Stock Appreciation Right, contrary to the provisions of Section 6(a)(i) of the Plan; and

(vi) would cause Section 162(m) to become unavailable with respect to the Plan.

(b) Amendments to Awards. Subject to the provisions of the Plan, the Committee may waive any conditions of or rights of the Company under any outstanding Award, prospectively or retroactively. Except as otherwise provided in the Plan, the Committee may amend, alter, suspend, discontinue or terminate any outstanding Award,

prospectively or retroactively, but no such action may adversely affect the rights of the holder of such Award without the consent of the Participant or holder or beneficiary thereof. The Company intends that Awards under the Plan shall satisfy the requirements of Section 409A to avoid any adverse tax results thereunder, and the Committee shall administer and interpret the Plan and all Award Agreements in a manner consistent with that intent. If any provision of the Plan or an Award Agreement would result in adverse tax consequences under Section 409A, the Committee may amend that provision (or take any other action reasonably necessary) to avoid any adverse tax results and no action taken to comply with Section 409A shall be deemed to impair or otherwise adversely affect the rights of any holder of an Award or beneficiary thereof.

(c) **Correction of Defects, Omissions and Inconsistencies.** The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any Award or Award Agreement in the manner and to the extent it shall deem desirable to implement or maintain the effectiveness of the Plan.

Section 8. **Income Tax Withholding.**

In order to comply with all applicable federal, state, local or foreign income tax laws or regulations, the Company may take such action as it deems appropriate to ensure that all applicable federal, state, local or foreign payroll, withholding, income or other taxes, which are the sole and absolute responsibility of a Participant, are withheld or collected from such Participant. In order to assist a Participant in paying all or a portion of the applicable taxes to be withheld or collected upon exercise or receipt of (or the lapse of restrictions relating to) an Award, the Committee, in its discretion and subject to such additional terms and conditions as it may adopt, may permit the Participant to satisfy such tax obligation by (a) electing to have the Company withhold a portion of the Shares otherwise to be delivered upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes or (b) delivering to the Company Shares other than Shares issuable upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes. The election, if any, must be made on or before the date that the amount of tax to be withheld is determined.

Section 9. **General Provisions.**

(a) **No Rights to Awards.** No Eligible Person, Participant or other Person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Eligible Persons, Participants or holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to any Participant or with respect to different Participants.

(b) **Award Agreements.** No Participant shall have rights under an Award granted to such Participant unless and until an Award Agreement shall have been duly executed on behalf of the Company and, if requested by the Company, signed by the Participant, or until such Award Agreement is delivered and accepted through an electronic medium in accordance with procedures established by the Company.

(c) **No Rights of Stockholders.** Except with respect to Restricted Stock and Stock Awards, neither a Participant nor the Participant's legal representative shall be, or have any of the rights and privileges of, a stockholder of the Company with respect to any Shares issuable upon the exercise or payment of any Award, in whole or in part, unless and until the Shares have been issued.

(d) **No Limit on Other Compensation Plans or Arrangements.** Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation plans or arrangements, and such plans or arrangements may be either generally applicable or applicable only in specific cases.

(e) **No Right to Employment or Directorship.** The grant of an Award shall not be construed as giving a Participant the right to be retained as an employee of the Company or any Affiliate, or a Director to be retained as a Director, nor will it affect in any way the right of the Company or an Affiliate to terminate a Participant's

Table of Contents

employment at any time, with or without cause. In addition, the Company or an Affiliate may at any time dismiss a Participant from employment free from any liability or any claim under the Plan or any Award, unless otherwise expressly provided in the Plan or in any Award Agreement.

(f) Governing Law. The validity, construction and effect of the Plan or any Award, and any rules and regulations relating to the Plan or any Award, shall be determined in accordance with the laws of the State of Minnesota.

(g) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the purpose or intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction or Award, and the remainder of the Plan or any such Award shall remain in full force and effect.

(h) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

(i) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash shall be paid in lieu of any fractional Share or whether such fractional Share or any rights thereto shall be canceled, terminated or otherwise eliminated.

(j) Headings. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

Section 10. Clawback or Recoupment.

All Awards under this Plan shall be subject to forfeiture or other penalties under any clawback or recoupment policy of the Company in effect from time to time and such forfeiture or penalty provisions as determined by the Committee and set forth in the applicable Award Agreement.

Section 11. Effective Date of the Plan; Effect on Prior Plan.

The Plan shall be subject to approval by the stockholders of the Company at the annual meeting of shareholders of the Company to be held on April 14, 2014 and the Plan shall be effective as of the date of such shareholder approval. On and after the date of shareholder approval of the Plan, no awards shall be granted under the Company's 1999 Stock Incentive Plan, but all outstanding awards previously granted under the 1999 Stock Incentive Plan shall remain outstanding in accordance with the terms thereof.

Section 12. Term of the Plan.

The Plan shall terminate at midnight on **December 31, 2023**, unless terminated before then by the Board. Awards may be granted under the Plan until the earlier to occur of termination of the Plan or the date on which all Shares available for Awards under the Plan have been purchased or acquired; provided, however, that Incentive Stock Options may not be granted following the 10-year anniversary of the Board's adoption of the Plan. As long as any Awards are outstanding under the Plan, the terms of the Plan shall govern such Awards.

Adopted by the Board of Directors on February 6, 2014, subject to and effective upon shareholder approval.
