**IMPORTANT NOTICE ABOUT INFORMATION IN THIS PROSPECTUS SUPPLEMENT
AND THE ACCOMPANYING PROSPECTUS**

This document is in two parts. The first part is this Prospectus Supplement, which describes the specific terms of this offering of the Notes and also adds to and updates information contained in the accompanying Prospectus and the documents incorporated by reference in this Prospectus Supplement and the accompanying Prospectus. The second part is the accompanying Prospectus which gives more general information, some of which does not apply to this offering.

If the description of this offering varies between this Prospectus Supplement and the accompanying Prospectus, you should rely on the information contained in or incorporated by reference in this Prospectus Supplement.

In this Prospectus Supplement and any other prospectus supplements, the **Issuer**, **we**, **us** and **our** refer to Telefónica Emisiones, S.A.U., **Telefónica** or the **Guarantor** refer to Telefónica, S.A. and the **Telefónica Group** refers to Telefónica and its consolidated subsidiaries, in each case except as otherwise indicated or the context otherwise requires. We use the word **you** to refer to prospective investors in the securities.

SPANISH WITHHOLDING TAX

Potential investors should review the summary set forth in **Taxation**, beginning on S-37, regarding the tax treatment in Spain of income obtained in respect of the Notes. For these purposes, **income** means interest paid on an Interest Payment Date (as defined herein) or the amount of the difference, if any, between the aggregate redemption price paid upon the redemption of the Notes of a series (or a portion thereof) and the aggregate principal amount of such Notes (other than in the event of a Redemption for Failure to List (as defined herein)), as applicable. In particular, income obtained in respect of the Notes will be exempt from Spanish withholding tax provided certain requirements are met, including that The Bank of New York Mellon (in its capacity as paying agent, the **Paying Agent**) provides us and the Guarantor, in a timely manner, with a duly executed and completed statement providing certain details relating to the Notes, including the relevant payment date, the total amount of income to be paid on such payment date and a breakdown of the total amount of income corresponding to Notes held through each clearing agency located outside Spain (the **Payment Statement**). See **Taxation Spanish Tax Considerations Compliance with Certain Requirements in Connection with Income Payments**.

If a payment of income in respect of the Notes is not exempt from Spanish withholding tax, including due to any failure by the Paying Agent to deliver a duly executed and completed Payment Statement, such payment will be made net of Spanish withholding tax, currently at the rate of 21%. If this were to occur due to any failure by the Paying Agent to deliver a duly executed and completed Payment Statement, affected owners of a beneficial interest in the Notes (each, a **Beneficial Owner**) will receive a refund of the amount withheld, with no need for action on their part, if the Paying Agent submits a duly executed and completed Payment Statement to us and the Guarantor no later than the 10th calendar day of the month immediately following the relevant payment date. In addition, Beneficial Owners may apply directly to the Spanish tax authorities for any refund to which they may be entitled pursuant to the Direct Refund from Spanish Tax Authorities Procedures set forth in Annex A hereto.

The supplemental indenture to be entered into in respect of each series of Notes will provide for the timely provision by the Paying Agent of a duly executed and completed Payment Statement in connection with each payment of income under the Notes, and set forth certain procedures agreed by us, the Guarantor and the Paying Agent which aim to facilitate such process, along with a form of the Payment Statement to be used by the Paying Agent. See **Description of the Notes and the Guarantees Maintenance of Tax Procedures**.

Table of Contents

Prospective investors should note that none of the Issuer, the Guarantor or the underwriter accepts any responsibility relating to the procedures established for the timely provision by the Paying Agent of a duly executed and completed Payment Statement in connection with each payment of income under the Notes. Accordingly, none of the Issuer, the Guarantor or the underwriter will be liable for any damage or loss suffered by any Beneficial Owner who would otherwise be entitled to an exemption from Spanish withholding tax but whose income payments are nonetheless paid net of Spanish withholding tax because these procedures prove ineffective. Moreover, none of the Issuer or the Guarantor will pay any Additional Amounts (as defined herein) with respect to any such withholding.

See Risk Factors Risks Relating to the Guarantor, the Issuer and the Notes .
