Transaction Valuation*

\$3,852,404,200

Amount of Filing Fee**

\$496,189.66

The calculation of the transaction value is determined by adding the sum of (i) 150,856,104 shares of common stock, par value \$0.001 per share, of Idenix Pharmaceuticals, Inc. (Idenix) multiplied by the offer price of \$24.50 per share and (ii) the net offer price for 8,794,634 shares issuable pursuant to outstanding options with an exercise price less than \$24.50 per share (which is calculated by multiplying the number of shares underlying such outstanding options by an amount

Edgar Filing: IDENIX PHARMACEUTICALS INC - Form SC TO-T/A

equal to \$24.50 minus such applicable exercise price). The calculation of the filing fee is based on information provided by Idenix as of June 8, 2014.

Amendments to the Offer to Purchase

Item 11. Additional Information

The information set forth in the Offer to Purchase under the caption **16. Certain Legal Matters; Regulatory Approvals** *Certain Litigation* and Items 1 through 11 of the Schedule TO, to the extent such Items incorporate by reference the information contained in the Offer to Purchase, is hereby amended and supplemented by adding the following paragraph at the end of such caption on page 48 of the Offer to Purchase as set forth below:

On July 24, 2014, Idenix, its directors and certain officers, Parent and Purchaser entered into a memorandum of understanding (the MOU) with the plaintiffs in the above-captioned actions reflecting an agreement in principle to settle the actions based on the agreement to include certain additional disclosures relating to the Offer and the Merger in Amendment No. 6 to the Schedule 14D-9 to be filed by Idenix with the SEC. Idenix, its directors and certain officers, Parent and Purchaser each have denied, and continue to deny, that they have committed, or aided or abetted the commission of, any breach of fiduciary duty or any law, or engaged in any of the wrongful acts alleged in such actions, and expressly maintain that they diligently and scrupulously complied with their fiduciary and other legal duties. The defendants in the actions, to eliminate the burden, expense, distraction and uncertainties inherent in further litigation, and without admitting the validity of any allegation made in such actions, or any liability with respect thereto, have concluded that it is desirable that the claims against them be settled on the terms reflected in the MOU. The terms of the settlement reflected in the MOU are subject to customary conditions including completion of appropriate settlement documentation, court approval and consummation of the Offer and the Merger.

The MOU provides that all actions will be dismissed with prejudice as to all defendants. Pursuant to the terms of the MOU, the parties expect to execute a stipulation of settlement, which will be subject to approval by the court, following notice to holders of Shares. There can be no assurance that the settlement will be finalized or that the court will approve the settlement.
