PROXY STATEMENT

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The China Fund, Inc. (the Fund) for use at the Annual Meeting of Stockholders (the Meeting), to be held at the offices of Clifford Chance US LLP, 31 West 57 Street, New York, New York 10019, on Thursday, March 19, 2015, at 10:30 A.M., Eastern Time, and at any adjournments thereof.

This Proxy Statement and the form of proxy card are being mailed to stockholders on or about January 14, 2015. Any stockholder giving a proxy has the power to revoke it by executing a superseding proxy by phone, Internet or mail following the process described on the proxy card or by submitting a notice of revocation to the Fund prior to the date of the Meeting or in person at the Meeting. All properly executed proxies received in time for the Meeting will be voted as specified in the proxy or, if no specification is made, for the election of the directors as described in Proposal 1 of this Proxy Statement.

The presence in person or by proxy of stockholders entitled to cast one third of the votes entitled to be cast thereat constitutes a quorum at all meetings of the stockholders. For purposes of determining the presence of a quorum for transacting business at the Meeting, executed proxies returned without marking a vote on Proposal 1 will be treated as shares that are present for quorum purposes. Abstentions are included in the determination of the number of shares present at the Meeting for purposes of determining the presence of a quorum. **If a stockholder is present in person or by proxy at the Meeting but does not cast a vote, the stockholder's shares will count towards a quorum but will have no effect on Proposal 1.** In the event a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to Proposal 1 are not received, holders of a majority of the stock present in person or by proxy have power to adjourn the meeting. If a quorum is present, a shareholder vote may be taken on Proposal 1 prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. The chairman of the Meeting may adjourn any meeting of stockholders from time to time to a date not more than 120 days after the original record date without notice other than announcement at the meeting. At such adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the Meeting as originally notified. The Fund may set a subsequent record date and give notice of it to stockholders, in which case the meeting may be held not more than 120 days beyond the subsequent record date. The Fund may postpone or cancel a meeting of stockholders by making a public announcement (as defined in the Fund's By-Laws) of such postponement or cancellation prior to the meeting. Notice of the date, time, and place to which the meeting is postponed is required to be given not less than ten days prior to such date and otherwise in the manner set forth in the Fund's By-Laws.

The Board of Directors has fixed the close of business on December 30, 2014 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting and at any adjournments thereof. Stockholders on the record date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the record date, the Fund had outstanding 15,682,029 shares of common stock.

Management of the Fund knows of no item of business other than that mentioned in Proposal 1 of the Notice of Meeting that will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

The Fund will furnish, without charge, a copy of its annual report for its fiscal year ended October 31, 2014 to any stockholder requesting such report. Requests for the annual report should be made The China Fund, Inc., c/o Computershare Fund Services, 280

PROPOSAL 1

ELECTION OF CLASS I DIRECTORS

The Fund's By-Laws provide that the Board of Directors (the Board) is to be divided into three classes: Class I, Class II and Class III. The terms of office of the present directors (each a Director) in each class expire at the Annual Meeting of Stockholders in the year indicated or thereafter in each case when their respective successors are elected and qualified: Class I, 2015; Class II, 2016; and Class III, 2017. At each subsequent annual election, Directors chosen to succeed those whose terms are expiring will be identified as being in the same class and will be elected for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board.

James Lightburn, who is currently a Class I Director, has chosen to not stand for re-election. The term of Joe O. Rogers will expire at the 2015 Annual Meeting of Stockholders. At a meeting held on December 5, 2014, the Board nominated Joe O. Rogers to serve as a Class I Director of the Fund until the Fund's 2018 Annual Meeting of Stockholders or until his successor is duly elected and qualified. At that same meeting Richard Shore was appointed by the Board as a Director of the Fund. The Board nominated Richard Shore to serve as a Class I Director until the Fund's 2018 Annual Meeting of Stockholders or until his successor is duly elected and qualified. The persons named in the accompanying form of proxy card intend, in the absence of contrary instructions, to vote all proxies for the elections of Joe O. Rogers and Richard Shore to serve for a term expiring on the date on which the Annual Meeting of Stockholders is held in 2018, or until their successors are elected and qualified. The nominees have indicated that they will serve if elected. If a nominee should be unable to serve, an event not now anticipated, the proxies will be voted for such person, if any, as is designated by the Board to replace the nominee. The election of a Director will require the affirmative vote of a majority of the votes cast at the Meeting. Presence at the meeting, in person or by proxy, of a stockholder who does not cast a vote will have no effect on the outcome of the election.

Leadership Structure and Board of Directors

The Board has general oversight responsibility with respect to the business and affairs of the Fund. The Board is responsible for overseeing the operations of the Fund in accordance with the provisions of the 1940 Act, other applicable laws and the Fund's Articles of Incorporation. The Board is composed of seven Independent Directors and one of the Independent Directors serves as Chairman of the Board. Following the Annual Meeting of Stockholders the Board will be composed of six Independent Directors because Mr. Lightburn has chosen not to stand for re-election. Generally, the Board acts by majority vote of all of the Directors, including a majority vote of the Independent Directors if required by applicable law. The Fund's day-to-day operations are managed by Allianz Global Investors U.S. LLC, the Fund's Investment Manager, and other service providers who have been approved by the Board. The Board meets periodically throughout the year to oversee the Fund's activities, review contractual arrangements with service providers, oversee compliance with regulatory requirements and review performance. The Board has determined that its leadership structure is appropriate given the size of the Board, the fact that all of the Directors are not interested persons, and the nature of the Fund.

The Directors were selected to serve and continue on the Board based upon their skills, experience, judgment, analytical ability, diligence, ability to work effectively with other Directors and a commitment to the interests of stockholders and a demonstrated willingness to take an independent and questioning view of management. Each Director, other than Mr. Li and Mr. Shore, also has considerable familiarity with the Fund and the Administrator, and their operations, as well as the special regulatory requirements governing regulated investment companies and the special responsibilities of investment company directors as a result of his substantial prior service as a Director or officer of the Fund and, in several cases, as a director of other investment companies. In addition to those qualifications, the following is a brief summary of the specific experience, qualifications or skills that led to the conclusion, as of the date of this proxy statement, that each person identified below should serve as a Director for the Fund. References to the qualifications, attributes and skills of the Directors are pursuant to requirements of the Securities and Exchange Commission (SEC), and do not constitute a holding out of the Board or any Director as having any special expertise and should not be considered to impose any greater responsibility or liability on any such person or on the Board by reason thereof than the normal responsibility and liability of an investment company board member or board. As required by rules the SEC has adopted under the 1940 Act, the Fund's Independent Directors select and nominate all candidates for Independent Director positions.

Joe O. Rogers: Mr. Rogers has served as a Director of the Fund since the Fund's inception in 1992. He has provided business and investment consulting services for over 30 years. Mr. Rogers' experience includes service as the president, vice president or partner in business and investment consulting firms including Rogers International LLC, PHH Asia Corporation and PHH Fantus Consulting. He served as the U.S. Ambassador to the Asian Development Bank under President Ronald Regan. Mr. Rogers also served the U.S. House of Representatives in various capacities including Executive Director and International Relations Counselor of the Republican Conference and served as the chief economist and budget advisor to Senator William Armstrong. He has lectured on economics and finance at various U.S. based and internationally based universities and served as a Visiting Professor of Finance at Fudan University in Shanghai from 2010 to 2012. Mr. Rogers also serves on the board of another listed company.

Richard Shore: Mr. Shore has served as a Director of the Fund since 2014. He is a founding director of Reneo LLC, a strategic consulting firm, and a founding partner of Gilbert LLP, a boutique law firm. He is a recognized authority on complex insurance and liability matters. His work involves strategic advice, litigation, alternative dispute resolution and complex, multi-party settlement negotiations. Mr. Shore is also a frequent writer and speaker on insurance coverage and dispute resolution topics.

Michael F. Holland: Mr. Holland has served as a Director of the Fund since the Fund's inception in 1992. He has worked in the investment management industry for over 40 years. Mr. Holland's experience includes service as the Chairman of Holland & Company LLC, which he founded in 1995, and as the chief executive officer, chairman or vice chairman of major U.S. asset management firms including Salomon Brothers Asset Management, First Boston Asset Management and Oppenheimer & Co., Inc. He is a regular guest on several financial television programs and is regularly quoted in leading financial publications. Mr. Holland also serves on the boards of other charitable and listed companies.

Li Jin: Mr. Li has served as a Director of the Fund since January 2013. He currently serves as Chair Professor of Finance at Guanghua School of Management in Peking University and Professor of Finance at Oxford University Said Business School. He also acts as an Assistant Dean to the Guanghua School of Management and the Co-Chair of the Finance Department at the school. Before he joined Oxford and Peking Universities, Li Jin taught in the finance department at the Harvard Business School from 2001 to 2012.

Gary L. French: Mr. French has served as a Director of the Fund since September 2013. Currently, Mr. French is primarily a private investor focusing on residential real estate acquisition, refurbishment and sales as well as commercial real estate financing. He is also a Senior Consultant with Regulatory Fundamentals Group, providing development, distribution of software and related consulting services. He served as a Senior Vice President and Business Head of Fund Administration Division at State Street Bank and Trust Company from 2002 to 2010. He brings over 30 years of investment management industry experience to the Board. Mr. French also serves on the board of another listed company.

William C. Kirby: Mr. Kirby has served as a Director of the Fund since 2007. He is T. M. Chang Professor of China Studies at Harvard University and Spangler Family Professor of Business Administration at Harvard Business School. Mr. Kirby is a historian of modern China, whose work examines China's business, economic and political development in an international context. He has served the academic community for over 30 years. Mr. Kirby joined Harvard University in 1992, where he currently serves various positions including Chairman of the Harvard China Fund. He has also served as the Director of the John K. Fairbank Center for Chinese Studies, Dean of the Faculty of Arts and Sciences, Chair of the Council on East Asian Studies and the Director of the National Resource Center for East Asia for Harvard University. Prior to joining Harvard University, Mr. Kirby served as the Dean of the Faculty of Arts and Sciences, Director of Asian Studies and Director of International Affairs at Washington University. Mr. Kirby has published numerous books and articles related to Chinese business and history.

The Fund's Board has an Audit Committee, which is responsible for reviewing financial and accounting matters. The Fund's Audit Committee is comprised of all of the Directors, all of whom are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act), and its actions are governed by the Fund's written Audit Committee Charter. The current members of the Audit Committee are Messrs. French, Holland, Kirby, Li, Lightburn, Rogers and Shore. All members of the Audit Committee are independent as independence is defined in the New York Stock Exchange, Inc.'s listing standards, as may be modified or supplemented. The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "1934 Act"). The Audit Committee met five times during the fiscal year ended October 31, 2014. The Audit Committee has a charter which is available on the Fund's website (www.chinafundinc.com).

The Fund's Board has a Nominating and Compensation Committee, comprised of the current members of the Audit Committee, which is responsible for nominating candidates to fill any vacancies on the Board. All of the members of the Nominating and Compensation Committee are independent as independence is defined in the New York Stock Exchange, Inc.'s listing standards, as may be modified or supplemented and are not interested persons of the Fund. Currently, the Nominating and Compensation Committee does not have a policy to consider nominees recommended by stockholders. The Nominating and Compensation Committee believes that it is not necessary to have such a policy because the Board consists entirely of Directors who are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act). The Nominating and Compensation Committee evaluates a candidate's qualifications for Board membership and the candidate's independence from the Fund's Investment Manager and other principal service providers. The Nominating and Compensation Committee does not have specific minimum qualifications that must be met by candidates recommended by the Nominating and Compensation Committee and there is not a specific process for identifying such candidates. In nominating candidates, the Nominating and Compensation Committee takes into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses or other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, requirements of the New York Stock Exchange and the SEC to maintain a minimum number of independent or non-interested directors, requirements of the SEC as to disclosure regarding persons with financial expertise on the Fund's audit committee and the extent to which the candidate generally would be a desirable addition to the Board and any committees of the Board. The Committee believes the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard. The Nominating and Compensation Committee met four times during the fiscal year ended October 31, 2014. The Nominating and Compensation Committee has a charter which is available on the Fund's website (www.chinafundinc.com).

The Fund does not have a specified process for stockholders to send communications to the Board because stockholders are able to communicate directly with the Board at the Annual Meeting of Stockholders and the Fund's reports to stockholders disclose contact information which may be used to direct communications to the Board.

The Fund does not have a policy regarding Board member's attendance at the Annual Meeting of Stockholders. However, each of the six then Directors attended the 2014 Annual Meeting of Stockholders. Mr. Shore was appointed by the Board as a Director on December 5, 2014.

The Fund's Board of Directors held four regular meetings and two special meetings during the fiscal year ended October 31, 2014. Each Director attended at least seventy-five percent of the aggregate number of meetings of the Board and of any committee on which he served.

Risk Oversight

The day-to-day operations of the Fund, including the management of risk, is performed by third party service providers, such as the Fund's Investment Manager (Allianz Global Investors U.S. LLC) and Administrator (State Street Bank and Trust Company). The Directors are responsible for overseeing the Fund's service providers and thus have oversight responsibilities with respect to risk management performed by those service providers. Risk management seeks to identify and address risks, i.e., events or circumstances that could have material adverse effects on the business, operations, stockholder services, investment performance or reputation of the Fund. The Fund and its service providers employ a variety of processes, procedures and controls to identify certain of those possible events or circumstances, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur.

Not all risks that may affect the Fund can be identified nor can controls be developed to eliminate or mitigate their occurrence or effects. It may not be practical or cost effective to eliminate or mitigate certain risks, the processes and controls employed to address certain risks may be limited in their effectiveness, and some risks are simply beyond the reasonable control of the Fund or the Investment Manager or other service providers. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals. As a result of the foregoing and other factors, the Fund's ability to manage risk is subject to substantial limitations.

Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and Committee activities. As part of its regular oversight of the Fund, the Board, directly or through a Committee, interacts with and reviews reports from, among others, the Investment Manager, the Fund's Chief Compliance Officer and the Fund's independent registered public accounting firm, as appropriate, regarding risks faced by the Fund. The Board is responsible for overseeing the nature, extent and quality of the services provided to the Fund by the Investment Manager and receives information about those services at its regular meetings. In addition, on an annual basis, in connection with its consideration of whether to renew the Fund's Advisory Agreements, the Board meets with the Investment Manager to review the services provided. Among other things, the Board regularly considers the Investment Manager's adherence to the Fund's investment restrictions and compliance with various Fund policies and procedures and with applicable securities regulations. The Board has appointed a Chief Compliance Officer who oversees the implementation and testing of the Fund's compliance program and reports to the Board regarding compliance matters for the Fund and its service providers. The Board, with the assistance of the Investment Manager, reviews investment policies and risks in connection with its review of the Fund's performance. In addition, as part of the Board's oversight of the Fund's Investment Manager and other service provider agreements, the Board may periodically consider risk management aspects of their operations and the functions for which they are responsible.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act requires the Fund's officers and Directors, and beneficial owners of more than ten percent of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange, Inc. Section 30(h) of the 1940 Act extends the reporting requirements under Section 16(a) of the 1934 Act to the investment adviser or manager of the Fund and the officers and directors of such investment adviser or manager. Based solely upon a review of Forms 3, 4 and/or 5 (or written representations in lieu thereof) furnished to the Fund pursuant to Rule 16a-3(e) of the 1934 Act, Brian Link, Secretary of the Fund, was 10 calendar days late in filing his Form 3 report. The Fund believes that all other officers and Directors have complied with all applicable filing requirements for the fiscal year ended October 31, 2014.
