Item 1.01. Entry into a Material Definitive Agreement.

On December 15, 2015, Heartland Payment Systems, Inc. (the Company) entered into an Agreement and Plan of Merger (the Merger Agreement) with Global Payments Inc., a Georgia corporation (Global), Data Merger Sub One, Inc., a Delaware corporation and wholly owned subsidiary of Global (Merger Sub One) and Data Merger Sub Two, LLC, a Delaware limited liability company and wholly owned subsidiary of Global (Merger Sub Two), and together with Merger Sub One, the Merger Subs).

Pursuant to the terms and subject to the conditions set forth in the Merger Agreement, Global will acquire the Company by way of two mergers (the Mergers). First, Merger Sub One will merge with and into the Company, with the Company continuing as a wholly owned subsidiary of Global. Second, the Company will merge with and into Merger Sub Two immediately following the initial merger, with Merger Sub Two surviving the second merger as a wholly owned subsidiary of Global.

As a result of the Mergers, subject to the terms and conditions of the Merger Agreement, each outstanding share of the Company s common stock, other than shares owned by (i) Global, the Merger Subs or the Company (which will be cancelled), (ii) stockholders who have properly exercised and perfected appraisal rights under Delaware law, or (iii) any direct or indirect wholly owned subsidiary of the Company (which will remain outstanding), will be converted into the right to receive (subject to adjustment as set forth in the next sentence) \$53.28 in cash (the Cash Consideration), without interest, and 0.6687 shares of common stock of Global (the Stock Consideration), and together with the Cash Consideration, the Merger Consideration). Under the terms of the Merger Agreement, in the event that the number of shares of common stock of Global issuable as a result of the Mergers would exceed 19.9% of the issued and outstanding shares of common stock of Global immediately prior to the closing of the Mergers, the Stock Consideration will be reduced so that no more than 19.9% of the outstanding shares of common stock of Global become issuable in the Mergers and the Cash Consideration will be increased by a corresponding amount, so that the value of the per share Merger Consideration will remain the same.

Subject to the terms and conditions of the Merger Agreement, as a result of the Mergers (i) each outstanding option to purchase Company common stock (other than any option with an exercise price equal to or greater than the value of the Merger Consideration, which will be canceled for no consideration) will be cancelled and be converted into the right to receive the Merger Consideration with respect to the net number of shares of Company common stock underlying such option (after taking into account the exercise price of such option), and (ii) each outstanding restricted stock unit of the Company (including each outstanding performance share unit) will vest and be converted into the right to receive the Merger Consideration for each share of Company common stock underlying such restricted stock unit.

Consummation of the Mergers is subject to customary conditions, including without limitation, (i) approval by the holders of at least a majority of the outstanding shares of the Company s common stock, (ii) the absence of any law or order of any governmental entity which prohibits the consummation of the transactions contemplated by the Merger Agreement, (iii) the expiration or termination of the waiting period applicable to the consummation of the Mergers under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (iv) the effectiveness under the Securities Act of 1933 (as amended) of the Registration Statement on Form S-4 to be filed by Global, and (v) subject to certain materiality exceptions, the accuracy of the representations and warranties made by the parties and compliance by the parties with their respective obligations under the Merger Agreement.

Each of the Company and Global has made customary representations and warranties in the Merger Agreement. The Merger Agreement also contains customary covenants, including, without limitation, (i) covenants providing for the parties to use reasonable best efforts to cause the closing of the Mergers to be consummated, and (ii) the Company s agreement to not solicit proposals relating to alternative transactions to the Mergers or engage in discussions or negotiations with respect thereto, subject to certain exceptions. Additionally, the parties have agreed to select two Company nominees for appointment to Global s board of directors.

The Merger Agreement contains certain termination rights for Global and the Company, including a mutual termination right in the event the Mergers are not consummated by June 15, 2016 (subject to extension under certain circumstances). Upon termination of the Merger Agreement under specified circumstances described in the Merger Agreement, including (i) if Global terminates the Merger Agreement following a change of recommendation of the Company's board of directors, (ii) if the Company terminates the Merger Agreement to enter into a definitive agreement with a third party with respect to a superior acquisition proposal, or (iii) if the Merger

Agreement is terminated under certain circumstances and the Company subsequently enters into , or consummates, an alternative acquisition proposal within 12 months, the Company will be required to pay Global a termination fee of \$153,000,000.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by reference to, the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1, and which is incorporated by reference herein.

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any financial or other information about the Company, Global or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement, may be subject to important qualifications and limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of the Company, Global or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company and Global.
