Item 5.03. Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year
Amendment and Restatement of Gilead Sciences, Inc. Bylaws

Effective December 23, 2015, the Board of Directors (the Board) of Gilead Sciences, Inc. (Gilead) adopted amendments to the Amended and Restated Bylaws (as amended and restated, the Bylaws) of Gilead primarily to implement proxy access.

Over the last several months, we engaged in discussions regarding proxy access with a number of our largest stockholders that together hold over 37% of our outstanding stock. This allowed us to gain valuable feedback as to the particular proxy access parameters that our stockholders consider appropriate. Based on the feedback received from our stockholders and after considering various proxy access provisions adopted by other companies, the Board adopted a proxy access framework that it believes will provide meaningful access for stockholders while safeguarding the long-term interests of Gilead and its stockholders and limiting the potential for abuse.

Section 5(c) has been added to the Bylaws to permit a stockholder, or a group of up to 20 stockholders, owning 3% or more of Gilead's outstanding common stock continuously for at least three years to nominate and include in Gilead's proxy materials director nominees constituting up to the greater of (i) 20% of the Board or (ii) two directors, provided that the stockholder(s) and the nominee(s) satisfy the requirements specified in the Bylaws.

The Bylaws were also amended to make certain other clarifications and procedural changes.

The foregoing description is qualified in its entirety by reference to the Bylaws filed as Exhibit 3.2 to this Report.

Item 9.01. Financial Statements and Exhibits.
