PRELIMINARY SUBJECT TO COMPLETION DATED MARCH 3, 2016

STANDARD MUTUAL INSURANCE COMPANY

NATIONAL GENERAL HOLDINGS CORP.

Dear Member:

You were on January 27, 2016, the holder of a policy of insurance issued by Standard Mutual Insurance Company (SMIC). As a policyholder, you are also a member of SMIC, which is currently organized as a mutual company.

We are sending the enclosed proxy statement/prospectus to any person who, on January 27, 2016, was a named insured under a policy of insurance issued by SMIC, and also met the other requirements set forth in The SMIC Special Meeting Qualification of Eligible Members on page [] of this proxy statement/prospectus (an Eligible Member) for three reasons:

- (1) All Eligible Members are hereby asked to approve and adopt: a Plan of Conversion (the Plan), pursuant to which SMIC will convert from an Illinois mutual insurance company to an Illinois stock insurance company named Standard Property and Casualty Insurance Company (SPCIC) (the Conversion), and the other transactions contemplated therein, including, without limitation: (a) the formation of SPCI Holdings, Inc., a Delaware corporation (SPCI Holdings), which will own all of the authorized shares of capital stock of SPCIC; (b) the sale of all of the authorized shares of SPCI Holdings to National General Holding Corp., a publicly traded insurance holding company traded on the NASDAQ Global Market (National General) pursuant to that certain Stock Purchase Agreement, dated January 27, 2016, by and between SMIC and National General (the Stock Purchase Agreement); and (c) the granting to each Eligible Member, without payment, of the right to subscribe for and purchase shares of National General common stock at a discount pursuant to the Plan (collectively, the Proposed Transaction) as described in detail in the proxy statement/prospectus.
- (2) All Eligible Members are hereby asked to approve and adopt amended and restated articles of incorporation of SPCIC (the Amended and Restated Articles), also as described in detail in the proxy statement/prospectus.
- (3) All Eligible Members are hereby offered the opportunity to subscribe up to \$27,600,000 in the aggregate for shares of common stock of National General for cash at a discount to the market price (the Offering), subject to the effectiveness of the Plan, also as described in detail in the proxy statement/prospectus.

We are also providing this proxy statement/prospectus to the officers and directors of SMIC (Officers and Directors), who also have the right to subscribe for shares of National General common stock as Officers and Directors and, if applicable, as Eligible Members.

SMIC's board of directors has approved the proposed Plan. SMIC has also entered into the Stock Purchase Agreement with National General, which was approved by SMIC's board of directors. Upon completion of the Proposed Transaction, (i) SMIC will issue all of its authorized shares of capital stock to SPCI Holdings, and become a wholly-owned subsidiary of SPCI Holdings, (ii) SPCI Holdings will sell all of its authorized shares of capital stock to National General, and (iii) National General will issue shares of its common stock to those Eligible Members, Officers and Directors who subscribe in the Offering.

Your subscription for shares of National General common stock will only be effective if the Plan is approved at the Special Meeting (as defined below).

Effect Upon Member Rights of SMIC Members and Contract Rights of SMIC Policyholders:

Policyholders of SMIC currently have member rights in SMIC, including, but not limited to, the right to vote in the elections of SMIC's board of directors and, possibly, the right to share in the surplus, if any, of a solvent liquidation of SMIC. Upon the Conversion, all member rights in SMIC, whether provided by SMIC's articles of incorporation or bylaws or by Illinois law, will be extinguished. However, all SMIC policies will remain policies issued and backed by SMIC, and all rights specified in such policies will remain unchanged. For more information, see Summary of Rights of Policyholders of SMIC in Their Capacity as Such on page [] of this proxy statement/prospectus.

Consummation of the Conversion requires approval by the Illinois Director of Insurance (the IL DOI). Such approvals will be contingent upon satisfaction of certain conditions, including adoption and approval of the Plan by the Eligible Members.

The Plan and the Amended and Restated Articles will be submitted to a vote at a special meeting of members of SMIC entitled to vote thereon to be held on [], 2016, which we refer to as the Special Meeting. All Eligible Members are entitled to vote in person or by proxy at the Special Meeting.

After considering a variety of alternatives, SMIC's board of directors believes the Plan is reasonable, fair and equitable to SMIC's members and policyholders, and in the best interests of SMIC. As set forth in more detail in this proxy statement/prospectus, SMIC's board of directors expects that the Conversion will benefit SMIC and its members and policyholders because it will provide SMIC with potential access to a significant amount of additional capital, potentially allows SMIC to avail itself of National General's A- rating by A.M. Best Company, Inc., permits SMIC to operate as a wholly-owned subsidiary of National General or one of its operating insurance subsidiaries and serve as a platform for National General's personal lines insurance business, permits SMIC to maintain its basic name, headquarters, culture, values and management team and provides opportunities for career advancement to SMIC's employees.

SMIC's board of directors unanimously recommends that the Eligible Members vote for adoption and approval of the Plan and the transactions contemplated therein and the Amended and Restated Articles.

We encourage you to read the information in this proxy statement/prospectus carefully. It describes the reasons why SMIC's board of directors have concluded that the Plan and the transactions contemplated therein serve the best interests of SMIC and its members and

Table of Contents

policyholders and how SMIC's board of directors came to that conclusion. It also describes the terms of National General's discounted offering of common stock to Eligible Members and includes an order form to return if you wish to subscribe.

Eligible Members are cordially invited to attend the Special Meeting to vote on the Plan at the time and place set forth in the Notice of Special Meeting of Members accompanying this proxy statement/prospectus. A proxy card is included with this proxy statement/prospectus. Whether or not you plan to attend, please complete, sign and return the proxy card as soon as possible. Your proxy card must be received no later than 5:00 p.m., Central time, on [], 2016, in order to be counted as part of the vote at the Special Meeting.

On behalf of the boards of directors and management of SMIC and of National General, we urge you to support the Proposed Transaction and to vote **FOR** each of the proposals to be considered at the Special Meeting.

If you need assistance with your proxy vote, or if you have any questions about the Plan, the Proposed Transaction or the Offering, please contact representatives of National General and SMIC at (610) 478-2090 or standardmutual@griffingroup.com.

We appreciate and respect the confidence and trust you have placed in SMIC, and we look forward to continue serving your insurance needs.

Sincerely,

Mark O. Roberts, Jr., President and Chief Executive Officer

Standard Mutual Insurance Company

Michael Karfunkel, Chairman and Chief Executive Officer

National General Holdings Corp.

As an Eligible Member, meeting the requirements set forth in The SMIC Special Meeting Qualification of Eligible Members on page [] of this proxy statement/prospectus:

you are entitled to vote on the proposal to approve and adopt: (i) the Plan and the transactions contemplated therein, including, without limitation, (a) the formation of SPCI Holdings, which will own all of the authorized shares of capital stock of SPCIC, (b) the sale of all of the authorized shares of SPCI Holdings to National General pursuant to the Stock Purchase Agreement and (c) the granting to each Eligible Member, without payment, of the right to subscribe for and purchase shares of common stock of National General at a discount pursuant to the Plan; and (ii) the Amended and Restated Articles; and

you will receive, without payment, the right to subscribe for and purchase shares of common stock of National General at a discount.

What does it mean to demutualize?

SMIC is a mutual insurance company. Mutual insurance companies have no stockholders. When an insurance company demutualizes, it converts its organizational form from a mutual insurance company to a stock insurance company with one or more stockholders. If the demutualization becomes effective, SMIC will become a stock insurance company, and all of its newly issued shares of common stock will be indirectly owned by National General.

Why is SMIC converting from a mutual insurance company to a stock insurance company?

SMIC's board of directors believes the Proposed Transaction will benefit SMIC's members who are policyholders of SMIC in a number of ways. In addition to the opportunity Eligible Members have to buy shares of National General common stock at a discount, these benefits include, but are not limited to, remaining a policyholder of a company with:

the ability to compete more effectively in the current and future marketplace;

access to a significant amount of additional capital;

the potential ability to avail itself of National General's stable A.M. Best A- financial strength rating and National General's larger A.M. Best financial size category, which opens additional markets and better stabilizes its agency force and policyholder renewals; and

decreased operating and administrative costs due to economies of scale.

What will be the effect upon member rights of SMIC members?

Policyholders of SMIC currently have member rights in SMIC, including the right to vote in the elections of SMIC's board of directors and the right to share in the surplus, if any, of a solvent liquidation of SMIC. Following the consummation of the Proposed Transaction, all member rights in SMIC will be extinguished.

Will the Proposed Transaction have any impact on my in-force insurance policy issued by SMIC?

No. Following the consummation of the Proposed Transaction, all SMIC policies will remain policies issued and backed by SMIC and policyholders of SMIC will continue to enjoy all contract rights under their respective SMIC insurance contracts.

What are the differences between mutual insurance companies and stock insurance companies and my corresponding rights?

The chart below outlines the differences between the two types of entity structures, as well as the differences in the current rights of the members of SMIC and the rights of SPCIC policyholders following the Proposed Transaction.

	Mutual Insurance Companies/Member	Stock Insurance Companies/Policyholder

Policy Benefits	As provided in the policy.	The insurance terms of the policy do not change as a result of the conversion to a stock insurance company.
Who Controls the Insurance Company	Policyholders of the mutual insurance company who are members of the mutual insurance company will, as its members, control the company through the election of the board of directors.	The stock insurance company will be an indirect, wholly-owned subsidiary of National General. National General will control SPCIC through the election of the board of directors of SPCI Holdings, which will be the sole stockholder of SPCIC.
Membership/Ownership Interests-Voting	Policyholders of the mutual insurance company who are members of the mutual insurance company may vote on director elections, demutualizations, mergers, dissolutions, dividend distributions and other material matters coming before members for a vote.	Policyholders may not vote on the election of directors of the insurance company or any other matters relating to the insurance company.

Liquidation Rights

Upon a liquidation, the members of the mutual insurance company share in any assets of the mutual insurance company left over after payment of all of its liabilities.	Upon a liquidation, policyholders do not have the right to share in the surplus of the stock insurance company.

The Conversion

In accordance with the Plan and pursuant to Section 59.1 of the Illinois Insurance Code, 215 ILCS 5/59.1, et. seq. (the Act), SMIC has obtained an appraisal of the pro forma fair market value of SMIC as converted to a stock corporation from Feldman Financial Advisors, Inc. (the Independent Appraiser), an independent consulting firm experienced in the valuation of insurance companies. The Independent Appraiser has determined, as of September 25, 2015, that the pro forma fair market value of SMIC, as converted, is between \$20,400,000 (the Minimum of the Valuation Range) and \$27,600,000 (the Maximum of the Valuation Range). For more information regarding the appraisal, see The Plan of Conversion Appraisal of SMIC beginning on page [] of this proxy statement/prospectus.

Pursuant to the Plan, the Stock Purchase Agreement and the Act, after approval by SMIC's board of directors:

- (i) National General filed the Form A Statement with the IL DOI in support of its request for approval to acquire control of SMIC,
- (ii) SMIC filed an application with the IL DOI, which contained the Plan and other necessary or appropriate documents required by the Act or requested by the IL DOI relating to the Plan,
- (iii) the IL DOI must approve the Plan and the change of control of SMIC,
- (iv) after the applicable approval by the IL DOI and after the SEC declares the registration statement of which this proxy statement/prospectus is a part effective, National General will commence the Offering (see The Offering beginning on page [] of this proxy statement/prospectus),

Edgar Filing: National General Holdings Corp. - Form S-4

- (v) after approval of the Plan by the IL DOI, the Eligible Members must approve the Plan by an affirmative vote of not less than two-thirds of the votes cast at the Special Meeting,
- (vi) following approval by the Eligible Members, SMIC will file with the IL DOI (a) the minutes of the Special Meeting at which the Plan was approved, (b) the Amended and Restated Articles and the Bylaws adopted by SMIC's board of directors and (c) the certificate of incorporation and bylaws of SPCI Holdings, and
- (vii) on the Closing Date, (a) SMIC will convert from a mutual insurance company to a stock insurance company (*i.e.*, SPCIC), (b) SPCIC will issue all of its authorized shares of capital stock to SPCI Holdings and become a wholly-owned subsidiary of SPCI Holdings, and (c) National General will, (I) subject to the terms and conditions of the Plan, issue shares of its common stock to

Table of Contents

subscribing Participants, and (II) use the gross proceeds from the sale of shares of its common stock and, if applicable, the amount deposited in the Cash Contribution Fund (as defined in section The Offering Overview below) to purchase all of the issued and outstanding shares of capital stock of SPCI Holdings.

The Plan is included as Appendix A to this proxy statement/prospectus and is described under The Plan of Conversion on page [] of this proxy statement/prospectus. Approval of the Plan by the Eligible Members effectively approves all of the transactions contemplated therein. Following effectiveness of the Conversion, which we refer to as the Effective Date, SMIC will continue its operations as a separate insurance subsidiary of National General, potentially availing itself of National General's A-rating by A.M. Best, and the policyholders of SMIC will remain policyholders of SPCIC.

Effect Upon Member Rights of SMIC Members and Contract Rights of SMIC Policyholders

Policyholders of SMIC currently enjoy member rights in SMIC, including the right to vote for election of SMIC's board of directors and, possibly, the right to share in the surplus (if any) of a solvent liquidation of SMIC. Following the consummation of the Conversion, all member rights in SMIC, whether provided by SMIC's articles of incorporation or bylaws or Illinois law, will be extinguished.

All SMIC policies will remain policies issued and backed by SMIC, and all rights specified in such policies will remain unchanged. See The Plan of Conversion Rights as a Member of SMIC Following Conversion on page [] of this proxy statement/prospectus.

The Stock Purchase Agreement

Pursuant to the Stock Purchase Agreement, National General will use the gross proceeds from the sale of shares of its common stock pursuant to the Offering and, if applicable, the amount deposited in the Cash Contribution Fund to purchase all of the authorized shares of capital stock of SPCI Holdings at a purchase price equal to the greater of the gross proceeds received by National General in the Offering and the Minimum of the Valuation Range. For a detailed description of the terms of the Stock Purchase Agreement, see The Stock Purchase Agreement beginning on page [] of this proxy statement/prospectus.

Table of Contents

The Offering

Shares Offered	National General is offering shares of its common stock with aggregate gross sale proceeds of up to \$27,600,000 to the Participants. There is no minimum number of shares that National General must sell in the Offering, and the number of shares sold will vary depending on the proceeds received and the Per Share Purchase Price.
Determination of the Per Share Purchase Price	The Per Share Purchase Price of such shares will be at a discount from the volume weighted average trading price of a share of National General common stock, as reported on the NASDAQ Global Market, for the 10 trading-day period ending on the trading day before the Special Meeting (the Pricing Date). The size of the discount and the number of shares purchased in the Offering will depend on the amount subscribed and the market price of National General s common stock during the relevant period. The discount per share will be 20% if the gross proceeds are equal to 12.5% of the Maximum of the Valuation Range (\$3,450,000) or less and will decrease in a linear fashion if the gross proceeds are greater than 12.5% of the Maximum of the Valuation Range. The aggregate discount for all shares sold will not exceed \$5,000,000. The manner of calculating the discount is described in The Offering Per Share Purchase Price on page [] of this proxy statement/prospectus.
Limitations on Subscriptions	Unless the minimum amount is reduced, the minimum subscription amount by any subscribing Participant in the offering is \$500. The maximum subscription amount in the offering by any subscribing Participant may not exceed \$400,000 (the Maximum Subscription Amount); <u>provided, however</u> , such Maximum Subscription Amount shall apply separately with respect to each capacity of any subscribing Participant (i.e., as an Eligible Member, Officer or Director). In addition, for purposes of determining whether the Maximum Subscription Amount has been reached, there shall be no aggregation with respect to spouses, immediate family members or entities controlled by any Participant or controlled by the applicable Participant s spouse or any member of such Participant s immediate family. These limitations are subject to certain additional limitations as described in The Offering Limitations on Subscriptions and Purchases of Common Stock on page [] of this proxy statement/prospectus.
Procedure for Subscription	Subscriptions must be made by completing and returning the signed stock order form provided with this proxy statement/prospectus. Payment shall be made by wire, check, bank draft or other means acceptable to National General at the time the order form is delivered to the Subscription Agent. All subscription payments

made by wire, check or bank draft shall be payable to National General. All subscription payments will be deposited by National General in an escrow account at a bank designated by National General before the Expiration Date (as defined below). Each subscriber will indicate the aggregate dollar amount that such subscriber would like to subscribe for in the Offering (the

Subscription Amount). The subscription payment will be such subscriber's Subscription Amount expressed as a dollar amount and the number of shares of National General common stock that such Subscription Amount purchases will be determined in

accordance with the Plan. A Participant may not transfer its right to subscribe in the Offering to any person. Once the Subscription Agent receives a conforming order form with full payment, the order shall be deemed placed and will be irrevocable. For more information, see The Offering on page [] of this proxy statement/prospectus.

Expiration of the Offering

The Expiration Date, when the Offering will expire, is 5:00 p.m. Eastern time on [] 2016, or such later date as National General and SMIC agree. The number of shares to be issued to each person whose subscription is accepted will be determined as soon as practicable after the Pricing Date.

Delivery of Shares; Refunds

Subject to the provisions of the Plan, the number of shares of National General common stock to be sold to each subscribing Participant will be equal to the whole number nearest to but not exceeding the quotient of such subscriber's Subscription Amount divided by the Per Share Purchase Price. No fractional shares will be issued. Shares purchased in the Offering will be issued in book-entry form in the Direct Registration System as soon as practicable after the closing of the Offering. No physical stock certificates will be issued for shares purchased in the Offering. A refund will be made to such subscriber equal to the difference, if any, between (i) such subscriber's Subscription Amount and (ii) the Per Share Purchase Price multiplied by the whole number of shares sold to such subscriber. No interest will be paid on any portion of a subscriber's Subscription Amount, including any refund. See The Offering Delivery of Common Stock and The Offering Refunds on page [] of this proxy statement/prospectus for more information.

The closing market price of a share of National General common stock on January 26, 2016 (the date preceding public announcement of the Proposed Transaction) was \$20.38. The closing market price on [], 2016 was \$[].

The affirmative vote of at least two-thirds of the votes cast by Eligible Members present in person or by valid proxy at the Special Meeting is required to adopt and approve the Plan and the other transactions contemplated therein. Recommendation of the SMIC Board of Directors

Reasons for the Plan of Conversion

SMIC's board of directors approved the sponsored subscription rights conversion with National General because it (i) provides SMIC the ability to compete more effectively in the current and future marketplace; (ii) provides SMIC with access to a significant amount of additional capital; (iii) provides Eligible Members an opportunity to acquire shares of National General common stock at a discount to market; (iv) permits SMIC to operate as a wholly-owned subsidiary of National General or one of its operating insurance subsidiaries and serve as a platform for National General's personal lines insurance business; (v) permits SMIC the potential ability to avail itself of National General's stable A.M. Best A- financial strength rating and National General's larger A.M. Best financial size category, which SMIC's board of directors believes may open additional markets and better stabilizes its agency force and policyholder renewals; (vi) decreases SMIC's administrative costs by utilizing the resources of National General; (vii) significantly reduces the cost of SMIC's reinsurance program; (viii) permits SMIC to maintain its basic name, headquarters, culture, values and management team; and (ix) provides SMIC's employees with opportunities for career advancement. You can find more information about SMIC's reasons for the Conversion in The Plan of Conversion Background of the Plan of Conversion on page [] of this proxy statement/prospectus.

You should be aware that Officers and Directors have certain interests in the Proposed Transaction that may differ from, or be in addition to, the interest of any particular policyholder and/or member generally. For further information with respect to benefits and payments to be made to certain Officers and Directors as a result of the Proposed Transaction, see The Plan of Conversion Effects of the Conversion Interests of Certain Persons in the Conversion on page [] of this proxy statement/prospectus.

National General's decision to acquire SMIC is part of National General's strategy to grow its personal lines franchise. The SMIC acquisition provides National General with entry into the states of Illinois and Indiana for both homeowners and package products, including access to SMIC's loyal, professional independent agency force in Illinois and Indiana, and adds to its expansion of standard and preferred personal lines products. With National General's support, National General expects that SMIC will realize substantial benefits from transitioning SMIC to National General's state-of-the-art technology system, comprehensive reinsurance structure and shared services platform. You can find more information about National General's reasons for the Conversion in The Plan of Conversion National General's Reasons for the Transaction on page [] of this proxy statement/prospectus.

Opinion of Financial Advisor

SMIC's board of directors, at its meeting on December 17, 2015, received an oral opinion of Griffin Financial Group, LLC (Griffin), SMIC's financial advisor, that, based upon certain analyses and studies Griffin performed and subject to the factors, assumptions and caveats stated in that opinion and in its written opinion, the proposed acquisition of SMIC by National General in connection with the conversion of SMIC from a mutual insurance company to a stock insurance company, was fair, from a financial point of view, to SMIC. Griffin subsequently confirmed the oral opinion by delivery of its written opinion, dated December 17, 2015 and addressed to SMIC's board of directors, which is attached to this proxy statement/prospectus as Appendix D. The opinion

Table of Contents

outlines the processes and procedures Griffin followed, the information Griffin reviewed, the analyses it performed, the matters it considered, and the assumptions it made in arriving at its opinion. Eligible Members of SMIC are urged to read the entire opinion, as well as the description of SMIC's opinion in The Plan of Conversion Opinion of Financial Advisor to SMIC's Board of Directors beginning on page [] of this proxy statement/prospectus, carefully before voting on the Plan, including the transactions contemplated therein. Griffin's opinion was provided for the use and benefit of SMIC's board of directors in connection with its consideration of the Proposed Transaction. The opinion is not intended to be, and does not constitute, a recommendation to any member of SMIC as to how any such member should vote with respect to the Plan or whether any Eligible Member should participate in the Offering.

Pursuant to its engagement with SMIC, Griffin was entitled to receive for its opinion, and has been paid, a customary fee from SMIC. This fee was payable irrespective of the conclusion expressed in the opinion and whether or not the Proposed Transaction closes. In addition, Griffin will be entitled to receive from SMIC a customary fee for financial advisory services, a portion of which is contingent upon the Closing, and SMIC has agreed to provide Griffin with contractual indemnification for certain liabilities under certain circumstances.

Regulatory Matters

A condition to effectiveness of the Plan is that it and the change of control of SMIC be approved by the IL DOI under the Illinois Insurance Code. SMIC filed the Plan with the IL DOI for review on [], 2016. Such approval will be contingent upon satisfaction of certain conditions including, without limitation, adoption and approval of the Plan by the Eligible Members.

No Dissenters Rights for Eligible Members

Eligible Members do not have any right to seek an appraisal of their SMIC membership rights whether or not they vote at the Special Meeting or participate in the Offering.

United States Federal Income Tax Considerations

Eligible Members. The United States federal income tax consequences to Eligible Members of the Conversion and Offering are not certain. However, National General believes that, upon consummation of the Conversion, (a) Eligible Members should be treated as transferring their membership interests in SMIC in exchange for subscription rights to purchase the shares of National General common stock offered in the Offering; (b) an Eligible Member should realize gain upon such exchange equal to the amount by which the fair market value of the subscription right received by the Eligible Member exceeds the Eligible Member's basis in the exchanged membership interest; (c) any gain realized by an Eligible Member as a result of the receipt of a subscription right must be recognized, whether or not the eligible Member exercises that right by subscribing for National General shares; (d) any gain recognized by an Eligible Member as a result of the receipt of a subscription right should constitute a capital gain, which should be long term capital gain if the Eligible Member has held its membership interest for more than one year; (e) if an Eligible Member is required to recognize gain on the receipt of a subscription right and does not exercise such subscription right: (i) the Eligible Member should recognize a corresponding loss upon the lapse of the unexercised subscription right, (ii) the amount of that loss should equal the amount of the gain previously recognized upon receipt of the unexercised subscription right, and (iii) if the common stock that an Eligible Member would have received upon exercise of the lapsed subscription right would have constituted a capital asset in the hands of that Eligible Member, the resulting loss upon lapse of the subscription right should constitute a capital loss that is likely a short-term loss; (f) if an Eligible Member elects to exercise a subscription right, the Eligible Member will have a basis in the shares received through exercise of the subscription right equal to the sum of the price paid under the subscription agreement plus the basis, if any, of the subscription right that is exercised to purchase such shares, taking into account the income and gain, if any,

recognized by such Eligible Member on the receipt of the subscription right.

Officers and Directors. The United States federal income tax consequences to the Officers and Directors being granted subscription rights to participate in the Offering are also not certain. However, National General believes and intends to take the position that Officers and Directors who subscribe for National General shares should be treated as realizing compensation income in an amount equal to the excess of the value of the National

Table of Contents

General shares received upon such subscription over the purchase price for the shares. See United States Federal Income Tax Considerations beginning on page [] for more information.

The United States federal income tax consequences described above may not apply to all Eligible Members, Officers or Directors. Your tax consequences will depend on your individual situation. Accordingly, we strongly urge you to consult your tax advisor for a full understanding of the particular tax consequences of the Conversion and Offering including the receipt and the exercise or lapse of subscription rights based on your particular circumstances.

Table of Contents

RISK FACTORS

The Proposed Transaction presents certain risks to SMIC's current members, and the Offering also involves certain risks as described below, which you should carefully consider. Also, in general, investing in National General securities involves risk. Before subscribing for National General common stock, you should carefully consider the Risk Factors discussed in National General's most recent Annual Report on Form 10-K, as updated by National General's quarterly reports on Form 10-Q and other filings National General makes with the SEC in the future, as incorporated by reference into this proxy statement/prospectus, as well as other information National General includes or incorporates by reference herein. Additional risks and uncertainties not presently known to National General or that National General currently deems immaterial may also materially affect National General's business, results of operations and financial condition and may cause the value of National General securities to decline.

Risks Related to the Proposed Transaction

SMIC's management and board of directors have interests in pursuing the Proposed Transaction that are in addition to the members' interests.

SMIC's management and board of directors have interests in the Proposed Transaction that are in addition to the interests of SMIC's members. See "The Plan of Conversion—Effects of the Conversion—Interests of Certain Persons in the Conversion" beginning on page [] of this proxy statement/prospectus for information about these matters and summaries of the agreements that govern these matters.

Consummation of the Conversion extinguishes the rights of the members of SMIC as such.

At present, members of SMIC have certain rights, including, but not limited to, the right to vote in the elections of SMIC's board of directors and the right to share in the surplus, if any, of a solvent liquidation of SMIC. On the Effective Date, all rights of members, as such, will be extinguished, and the members will no longer have any right to vote in the elections of directors of SMIC, who will be elected by SPCI Holdings (which will be a wholly-owned subsidiary of National General) as the sole stockholder of SMIC. In addition, after the consummation of the Conversion, the policyholders will not have any right to share in the surplus of SMIC following a solvent liquidation.

The Plan and the Conversion may result in litigation.

Although expressly authorized by statute and approved by the IL DOI, there can be no assurance that adoption of the Plan and the transactions contemplated therein will not result in litigation challenging the validity of or arising out of acts taken pursuant to the Conversion. Litigation can be costly and time consuming and could result in a diversion of effort and resources by SMIC's management.

SMIC may not experience the anticipated improvement in its A.M. Best financial strength rating as a result of the Conversion.

Insurance companies are rated by rating agencies, reflecting their financial strength and ability to pay claims. Financial strength and claims paying ratings are important factors in establishing the competitive position of insurance companies. As previously discussed in this proxy statement/prospectus, as a result of the Conversion, SMIC will become an indirect, wholly-owned subsidiary of National General, which is expected to make it a stronger company than it is as a standalone company. SMIC anticipates that it may receive an upgrade to its rating from A.M. Best based on National General's A- rating, but there is no guaranty that A.M. Best will upgrade SMIC's financial strength rating as a result of completing the Conversion.

Table of Contents

Risks Related to the Offering

The Offering may cause the price of National General common stock to decline.

The purchase price of the shares of National General common stock in the Offering will be at a discount from the trading price of National General common stock. This, together with the number of shares National General would issue if National General raises the maximum in proceeds permitted by the Offering, may result in a decrease in the trading price of National General common stock. If Eligible Members, Officers and Directors subscribe in the Offering for a substantial subscription amount and purchase a substantial number of shares, and the purchasers of such shares subsequently choose to sell some or all of those shares, the resulting sales also could depress the trading price of National General common stock.

Your ability to resell shares of National General common stock that you purchase in the Offering may be delayed, and you may not be able to sell your shares at a price equal to or greater than the Per Share Purchase Price.

If you subscribe in the Offering, you will have no rights as a stockholder of the shares you purchased in the Offering until National General issues the shares to you. Although National General will endeavor to issue the shares as soon as practicable after the Effective Date, which may be several days after the Expiration Date, there may be a delay between the Effective Date and the time that the shares are issued through the Direct Registration System. In addition, due to market factors, National General cannot assure you that, following the Effective Date, you will be able to sell your common stock at a price equal to or greater than the Per Share Purchase Price.

If you do not act promptly and follow the subscription instructions, your subscription may be rejected.

Eligible Members, Officers and Directors who desire to subscribe in the Offering must act promptly to ensure that all required forms and payments are received by the Subscription Agent before the Expiration Date. Once tendered, subscriptions to purchase shares of National General common stock in the Offering cannot be modified or revoked without National General's consent. If you fail to complete your subscription properly, send an incorrect payment amount or otherwise fail to follow the subscription procedures, depending on the circumstances, your subscription may be rejected or accepted only to the extent of the payment received. Any uncertified personal check used to pay the Subscription Amount must clear by 4:00 p.m. Eastern time, on the Pricing Date, and the clearing process may require five or more business days. If you make payment of the Subscription Amount by uncertified personal check, your check may not clear in sufficient time to enable you to purchase shares in the Offering. (You may eliminate this risk by paying the Subscription Amount by certified or cashier's check or bank draft drawn on a U.S. bank, or by a wire transfer.) Neither National General nor the Subscription Agent undertakes to contact you concerning, or attempt to correct, an incomplete or incorrect subscription. SMIC and National General have the absolute right, in their sole discretion and without liability to any person, to reject any subscription.

THE PLAN OF CONVERSION

The following is a discussion of the material terms of, and the context for, the Plan, a copy of which is attached as Appendix A to this proxy statement/prospectus and incorporated by reference herein. You are urged to read carefully the Plan in its entirety.

Overview

The Plan and the Stock Purchase Agreement provide that, subject to appropriate member and regulatory approvals and other conditions: (i) SMIC will convert from a mutual insurance company to the stock form of organization pursuant to the Act and issue all of its capital stock to SPCI Holdings; (ii) National General will acquire all authorized shares of SPCI Holdings for an amount of cash equal to the SPA Purchase Price, and SMIC will thereby become an indirect subsidiary of National General; (iii) National General will fund its purchase of all such authorized shares of SPCI Holdings with the proceeds of the Offering, plus, to the extent necessary, from the Cash Contribution Fund; (iv) Participants will receive the right to acquire up to \$27,600,000 (*i.e.*, the Maximum of the Valuation Range) of National General common stock at a discount to its market price; (v) to the extent the Aggregate Discount Value (as defined in the Plan) does not exceed \$5,000,000, National General will contribute the difference to an incentive compensation pool for SMIC's employees; and (vi) National General will provide certain additional benefits to SMIC's employees, Officers and Directors as described in this proxy statement/prospectus.

Background of the Plan of Conversion

In 2012, SMIC found itself facing a number of business obstacles in addition to the challenges of remaining competitive and profitable. While SMIC had recorded a profit in 2011, SMIC had posted a loss in two of the five prior years. Subsequently, SMIC did not record a profit in the years 2012 through 2014, primarily due to elevated weather-related losses. Then, in 2015, SMIC's A.M. Best rating was downgraded to B+ with a negative outlook. During this period, while SMIC's board of directors believed that SMIC had a strong management team with extensive local knowledge and expertise in the homeowners and personal auto insurance businesses in the Illinois and Indiana markets, a strong culture of customer service and a loyal professional independent agency force, SMIC's board of directors and management remained concerned about SMIC's long-term outlook given the marketing, technology and capital needed to compete effectively as well as the lack of regional diversity in its risk portfolio. In addition, SMIC's board of directors was concerned that further rating downgrades would substantially hinder SMIC's ability to compete on a long-term basis in its existing markets or to expand geographically.

In the fall of 2014, in consultation with SMIC's outside counsel, Sidley Austin LLP, regarding potential strategic transactions and strategic partnerships, SMIC's board of directors tentatively determined that it would explore a standby conversion and a sponsored conversion. It rejected the possibility of a stand-alone conversion because SMIC's board of directors did not believe SMIC was a viable, independent public company. SMIC's board of directors did not preclude the possibility of a mutual affiliation, but it was not considered a preferred option because it conferred little or no economic value on SMIC's policyholders or its other stakeholders. On November 13, 2014, SMIC's management met with representatives of Griffin and SMIC's outside counsel Sidley Austin LLP to discuss the process of identifying a counterparty for a standby or sponsored conversion. On January 12, 2015, SMIC engaged Griffin to act as its financial advisor in connection with the Proposed Transaction.

In April 2015, Griffin distributed a summary description of the contemplated transaction and a form of nondisclosure agreement to 51 potential counterparties, including 30 mutual companies, 12 stock companies and nine financial buyers. Of those, 30 executed nondisclosure agreements and received access to an electronic data room and a confidential information memorandum regarding SMIC, which requested that preliminary indications of interest be

submitted to Griffin no later than June 1, 2015.

Griffin received 14 indications of interest. 11 were for a standby conversion, of which six were from other mutuals and five were from financial buyers. Two indications of interest were for a sponsored conversion and one was for a mutual affiliation.

Table of Contents

A special meeting of SMIC's board of directors was held on June 5, 2015 to review the preliminary indications of interest. Griffin presented materials concerning the process to date including a review of solicited parties, those who executed nondisclosure agreements, those who submitted preliminary indications of interest and those who did not and the reasons therefor. Griffin then presented materials on each bidder that submitted an indication of interest including financial data concerning the bidder and the terms of its indication of interest. After careful consideration, SMIC's board of directors elected to permit six of the 14 bidders to conduct additional due diligence and meet with SMIC's board of directors and its senior management. The six bidders admitted to the second round of bidding represented three different transaction structures—standby conversion, sponsored conversion and mutual affiliation. One of the six admitted bidders was an affiliate of National General.

Griffin notified each of the bidders as to whether they were admitted to the second round and scheduled management meetings with the six bidders that were admitted. During the course of due diligence, Griffin and SMIC responded to requests for additional information from bidders. Meetings between the management and SMIC's board of directors and each of the bidders were held at an offsite location between June 17 and July 7, 2015.

Through July and August 2015, SMIC completed its GAAP financial statements for the year ended December 31, 2014 and its quarterly GAAP financial statements for the quarters ended March 31, 2015 and June 30, 2015. All such financial statements were posted in the data room in September 2015. The final appraisal also was completed and posted in the data room in September 2015. Bidders then were requested to submit to Griffin final bids on or before October 19, 2015.

Five second round bids were received from six bidders, each of which were summarized by Griffin in advance of a special meeting of SMIC's board of directors held on October 29, 2015. A bid was received directly from National General. After careful consideration, SMIC's board of directors eliminated all bidders except two. The remaining bidders were National General and a financial buyer. At the direction of SMIC's board of directors, management and Griffin negotiated with both parties, and each substantially improved its bid. Griffin prepared a comparative analysis of the two bids, and SMIC's board of directors concluded that the National General proposal was the superior economic proposal and resulted in greater transaction certainty. At a special meeting of SMIC's board of directors held on November 17, 2015, SMIC elected to commence exclusive negotiations with National General.

On November 20, 2015, SMIC and National General executed a letter of intent. The letter of intent provided that National General would acquire SMIC through a sponsored demutualization pursuant to which Eligible Members and other Participants would be entitled to purchase shares of National General common stock at an aggregate discount of up to \$5,000,000 based upon its 10-day VWAP. National General also agreed, among other things, to the creation of an Advisory Board, the funding of an annual bonus pool for Officers equal to 5% of SMIC's underwriting profit, the funding of an employee bonus pool in an amount equal to the difference between the Aggregate Discount Value and \$5,000,000, if any, the creation of a special severance program covering any SMIC employees terminated within 18 months of the Closing, and the maintenance of SMIC's corporate headquarters and the use of its name (or some other agreed upon name not containing the word "mutual") and brand for a period of at least six years following the Closing.

From November 21, 2015 through January 27, 2016, National General and its outside counsel, Locke Lord LLP, and SMIC and its outside counsel, Sidley Austin LLP, discussed and negotiated various provisions of the Stock Purchase Agreement, the Plan and other material transaction agreements.

On December 17, 2015, at a special meeting of SMIC's board of directors, Griffin provided its opinion to SMIC's board of directors that, based upon certain analyses and studies Griffin performed and subject to the factors, assumptions and caveats it outlined, the Proposed Transaction was fair to SMIC from a financial point of view. At the December 17, 2015 special meeting, prior to the delivery of Griffin's opinion, Sidley Austin LLP reviewed certain legal issues

relating to the Proposed Transaction. Sidley Austin LLP's review included a discussion of: (i) the rights of policyholders of SMIC in their capacity as such and as members of SMIC; (ii) the fiduciary duty of SMIC's board of directors; and (iii) the business judgment rule. Sidley Austin LLP also reviewed and discussed the draft versions of the Plan and the Stock Purchase Agreement (including exhibits thereto and related documents and agreements) with SMIC's board of directors.

Table of Contents

Griffin then reviewed its presentation with SMIC's board of directors. Griffin's presentation included a summary of the competitive bidding process undertaken by SMIC and managed by Griffin, an overview of National General and the Proposed Transaction, and an overview of the analyses performed by Griffin in connection with the preparation of its fairness opinion, including: (i) a review of the consideration to be paid by National General; (ii) a review of the Independent Appraiser's valuation range; (iii) an analysis of the other sponsored demutualization transaction; (iv) a comparable company analysis; and (v) a comparable transaction analysis. Griffin also considered the potential impact on (i) SMIC's policyholders as creditors; (ii) SMIC's policyholders in their capacity as members of SMIC; and (iii) other SMIC stakeholders.

At the request of SMIC's board of directors, Griffin then delivered its oral opinion (which was subsequently confirmed in writing) that the Proposed Transaction was fair to SMIC from a financial point of view. For more information on Griffin's opinion, see Plan of Conversion Opinion of Financial Advisor to SMIC's Board of Directors on page [] of this proxy statement/prospectus.

On January 27, 2016, SMIC's board of directors held a special meeting to review and consider the final drafts of the transaction documents prepared and negotiated by SMIC, National General and each party's outside counsel. During the January 27, 2016 special meeting, SMIC's board of directors asked various questions of SMIC's management, Griffin and Sidley Austin LLP relating to the terms and conditions of such documents. After engaging in discussion regarding such documents, SMIC's board of directors unanimously approved and adopted the Plan, Stock Purchase Agreement, the Retention Bonus Plan and the Special Severance Plan (as described in The Plan of Conversion Interests of Certain Persons in the Conversion beginning on page []), and the other transaction agreements.

On January 27, 2016, following the special meeting of SMIC's board of directors, SMIC and National General entered into the Stock Purchase Agreement.

SMIC Board of Directors Recommendation

Reasons for the Proposed Transaction

After careful deliberation, SMIC's board of directors reached the conclusion that it is in the best interest of SMIC's members and other policyholders to enter into a strategic transaction that will provide for the long term stability and viability of SMIC. SMIC's board of directors considered a variety of alternative approaches including maintaining the status quo, entering into reinsurance transactions, mergers or affiliations with other mutual insurance companies, and a subscription rights style demutualization, either on a standalone basis, with a standby investor, or by means of a sponsored demutualization. Ultimately, after careful deliberation and examining multiple potential transactions and counterparties, SMIC's board of directors determined that it was in its members' and other policyholders' best interests to enter into a subscription rights style demutualization, in a transaction sponsored by National General, as described in this proxy statement/prospectus.

SMIC's board of directors believes that the Conversion, as described herein, complies with the Act. SMIC's board of directors further believes that the Proposed Transaction is in the best interests of each of its members and other policyholders, because the Proposed Transaction provides for the following advantages: (i) provides SMIC the ability to compete more effectively in the current and future marketplace; (ii) provides SMIC with access to a significant amount of additional capital; (iii) provides Eligible Members with an opportunity to acquire shares of National General common stock at a discount to market; (iv) permits SMIC to operate as a wholly-owned subsidiary of National General or one of its operating insurance subsidiaries and serve as a platform for National General's personal lines insurance business; (v) permits SMIC the potential ability to avail itself of National General's stable A.M. Best A- financial strength rating and National General's larger A.M. Best financial size category, which SMIC's board of

directors believes opens additional markets and better stabilizes its agency force and policyholder renewals; (vi) decreases SMIC's administrative costs by utilizing the resources of National General; (vii) significantly reduces the cost of SMIC's reinsurance program; (viii) permits SMIC to maintain its basic name, headquarters, culture, values and management team; and (ix) provides SMIC's employees with opportunities for career advancement.

Table of Contents

SMIC's board of directors considered, among other things, the following factors prior to determining to proceed with and approve the Proposed Transaction:

the challenges facing SMIC as a smaller independent company compared to the benefits associated with completing a transaction with National General;

its acquisition by National General will give SMIC the opportunity to be a more effective competitor in most geographic markets than it otherwise would be as a standalone operation;

the terms and conditions of the Stock Purchase Agreement and the related transaction documents;

due to the thorough nature of the competitive bidding process, SMIC's board of directors concluded it was unlikely any third party would make an offer superior to the National General offer with equivalent or lower execution risk; and

the opinion from Griffin, SMIC's financial advisor, that the Proposed Transaction with National General was fair to SMIC from a financial standpoint.

The foregoing discussion of factors considered by SMIC's board of directors is not intended to be exhaustive, but rather, includes material factors considered by it in reaching its decision to proceed with and approve the Proposed Transaction. In reaching this decision, SMIC's board of directors did not quantify or assign relative weights to the factors considered, and individual Directors may have given different weights to different factors.

Recommendation of SMIC's Board of Directors

On January 27, 2016, SMIC's board of directors adopted and approved the Plan and the other transactions contemplated therein. **SMIC's board of directors unanimously recommends that the Eligible Members vote FOR adoption and approval of the Plan and the other transactions contemplated therein at the Special Meeting.**

Appraisal of SMIC

The Plan provides that the aggregate purchase price of all of the authorized common stock of SPCI Holdings to be purchased by National General will be based on the appraised estimated consolidated pro forma market value of SMIC by the Independent Appraiser. The pro forma market valuation of such stock by the Independent Appraiser is, in turn, based on the Independent Appraiser's pro forma market valuation of SPCI Holdings' sole asset, SMIC. Under the Act, the pro forma market value may be stated as a range of values. The pro forma market valuation determined by the Independent Appraiser is stated as a range of pro forma market values set at 15% above and 15% below a midpoint valuation of SMIC.

The Act requires that the valuation to be included in a plan of conversion be based upon an independent evaluation by a qualified expert. On April 10, 2015, SMIC retained the Independent Appraiser to prepare this valuation. The Independent Appraiser is engaged regularly in the valuation of insurance companies and other financial institutions. There is no pre-existing relationship between the Independent Appraiser and SMIC.

For this engagement, the Independent Appraiser has been paid fees of \$55,000. These fees are not contingent on the consummation of the Proposed Transaction. SMIC agreed, among other things, to indemnify the Independent Appraiser from and against any and all loss or expenses, including reasonable attorney's fees, in connection with its appraisal and other services, unless such loss or expenses are the result of a lack of good faith or gross negligence on the part of the Independent Appraiser.

The Independent Appraiser made its appraisal in reliance upon information provided by management of SMIC, including the financial statements of SMIC, and other publicly available information. The Independent Appraiser considered and analyzed the following factors, among others: (i) financial and operating information with respect to the business, operations, and prospects of SMIC furnished to the Independent Appraiser by SMIC; (ii)

Table of Contents

publicly available information concerning SMIC that the Independent Appraiser believed to be relevant to its analysis; (iii) a comparison of the historical financial results and present financial condition of SMIC with selected publicly-traded insurance companies that the Independent Appraiser believed to be relevant to its analysis; and (iv) financial performance and market valuation data of certain publicly-traded insurance industry aggregates as provided by industry sources.

In preparing the appraisal, the Independent Appraiser visited SMIC's corporate headquarters and conducted discussions with its management concerning its business and future prospects. The Independent Appraiser reviewed and discussed with SMIC's management the unaudited internally prepared GAAP financial statements of SMIC as of and for the six months ended June 30, 2015 and SMIC's audited GAAP financial statements as of and for the years ended December 31, 2013 and December 31, 2014.

The Independent Appraiser's appraisal of SMIC's estimated consolidated pro forma market value was prepared as of September 25, 2015. On the basis of the foregoing, the Independent Appraiser gave its opinion, dated September 25, 2015, that the estimated consolidated pro forma market value of SMIC's aggregate common stock to be issued ranged from a minimum of \$20,400,000 to a maximum of \$27,600,000 with a midpoint of \$24,000,000. This appraisal report does not modify the Plan, the aggregate purchase price of all of the authorized shares of common stock of SPCI Holdings to be purchased by National General, or any of the respective terms of the Plan or the Offering, including the amount of shares of National General common stock being offered for subscription or discount in the Offering.

The appraisal report of the Independent Appraiser, which is incorporated by reference herein, is filed as an exhibit to the registration statement of which this proxy statement/prospectus is a part, and is available for inspection in the manner set forth under [Where You Can Find More Information](#).

The valuation of the Independent Appraiser is not intended, and must not be construed, as a recommendation of any kind as to the advisability of purchasing National General common stock in the Offering. In preparing the valuation, the Independent Appraiser relied upon and assumed the accuracy and completeness of financial, statistical and other information provided to it by SMIC. The Independent Appraiser did not independently verify the financial statements and other information provided to it by SMIC, nor did the Independent Appraiser value independently SMIC's assets and liabilities. The valuation of the Independent Appraiser considers SMIC only as a going concern and should not be considered as an indication of its liquidation value. Such valuation is necessarily based upon estimates of a number of matters, all of which are subject to change from time to time.

Opinion of Financial Advisor to SMIC's Board of Directors

SMIC engaged Griffin on January 12, 2015 to act as its financial advisor. Griffin is an investment banking firm that is regularly engaged in the representation of financial institutions, including mutual insurance companies and mutual holding companies, in connection with conversions, mergers and acquisitions, affiliations, and other strategic transactions. Griffin helped SMIC's board of directors and management identify potential partners and solicited indications of interest from them. That process resulted in the execution of a letter of intent on November 17, 2015 between SMIC and National General. By letter dated December 3, 2015, the January 12, 2015 Griffin's engagement letter with SMIC was amended pursuant to which SMIC requested Griffin to provide its opinion as to whether the Proposed Transaction is fair, from a financial point of view, to SMIC.

On December 17, 2015, Griffin provided its oral opinion to SMIC's board of directors that, based upon certain analyses and studies Griffin performed and subject to the factors, assumptions and caveats it outlined, the Proposed Transaction was fair, from a financial point of view, to SMIC as of the date thereof. Griffin subsequently confirmed its oral opinion by delivery of the written opinion, addressed to SMIC's board of directors.

The full text of Griffin's December 17, 2015 opinion is attached as Appendix D to this proxy statement/prospectus and is incorporated herein by reference. The opinion outlines the processes and procedures followed, the information Griffin reviewed, the analyses it performed, the matters it considered, and the assumptions it made in arriving at its opinion. The description of the opinion set forth below is a summary of the opinion. Eligible Members are urged to read the entire opinion carefully prior to voting on the Plan and the transactions contemplated therein.

Table of Contents

Griffin's opinion was provided for the use and benefit of SMIC's board of directors in connection with its consideration of the Proposed Transaction. The opinion is not intended to be, and does not constitute, a recommendation to any member of SMIC as to how any such member should vote with respect to the Plan or whether any Eligible Member should participate in the Offering.

Griffin was not requested to opine as to, and its opinion does not in any manner address, any particular step or aspect of the Proposed Transaction or the relative merits of the Proposed Transaction compared to any other transactional opportunity that has been or might be available to SMIC or on the effect of any alternative structure that is or could be available to SMIC with National General or any other party. Similarly, Griffin was not requested to, and its opinion does not in any manner address, (i) the fairness of the amount or nature of compensation or other consideration that may inure to the benefit of any Director, Officer or SMIC employee in connection with the Proposed Transaction or otherwise; (ii) the fairness of the Proposed Transaction to any particular constituent of SMIC; (iii) the fair market value of the shares of National General common stock to be offered to Eligible Members in the Offering or the price at which such shares will trade after public announcement or completion of the Proposed Transaction; (iv) the fair market value of SMIC or the pro forma value of SMIC required by the Act; (v) the determination as to which of SMIC's members are to be included among the Eligible Members; (vi) the maximum dollar amount of National General common stock which any Eligible Member can purchase in the Proposed Transaction; (viii) the value delivered by National General to Stancorp, Inc., a holding company controlled by Mark O. Roberts, Jr. and certain Roberts family members, that provides certain services directly and indirectly to SMIC; or (ix) the tax or financial accounting aspects of the Proposed Transaction.

In connection with arriving at its opinion, Griffin, among other things:

reviewed a draft of the Plan;

reviewed a draft of the Stock Purchase Agreement;

reviewed certain historical financial information for SMIC for the years ended December 31, 2013 and 2014 on a statutory and GAAP basis and the nine months ended September 30, 2015 and September 30, 2015 on a statutory and GAAP basis;

reviewed a management forecast and related assumptions for the five year period from December 31, 2015 to December 31, 2020 and discussed such financial statements, forecast and SMIC's prospects with SMIC's management;

reviewed the articles of incorporation and bylaws of SMIC;

reviewed certain actuarial reports and related loss data for SMIC for 2014 (SMIC advised Griffin that it does not seek an actuarial review of its reserves at any interim date);

reviewed the A.M. Best reports and related information with respect to each of SMIC and National General;

discussed with the management of SMIC and SMIC's board of directors Griffin's belief that a return to an A.M. Best rating of A- stable outlook, if SMIC continues to operate as a standalone entity, would be a multi-year process that would be dependent on sustained profitability during such period;

discussed with management and SMIC's board of directors and with National General management the possibility that the Proposed Transaction with National General, which holds an A.M. Best rating of A- , stable outlook, will result in SMIC being upgraded to the same A.M. Best rating as National General and the positive impact such a rating upgrade would have on SMIC and its business and prospects;

Table of Contents

held discussions with National General's management regarding National General's financial condition, results of operation and business strategy and National General's post-Closing integration and operations plans for SMIC with management of both SMIC and National General;

compared the Proposed Transaction with publicly available information relating to certain sponsored conversions;

compared the consideration paid to SMIC and its members to the consideration paid for companies Griffin believed to be somewhat similar to SMIC;

prepared discounted cash flow analyses based on management's projections;

compared the financial condition and operating performance of National General and SMIC to publicly available information concerning certain other companies Griffin deemed relevant;

reviewed National General's stock price history, investor composition, volume and liquidity data, analyst reports, and dividend payment history;

reviewed financial statements and other information filed by National General with the SEC since January 1, 2013; and

performed such other studies and analyses and reviewed such other information as Griffin deemed appropriate for the purposes of rendering its opinion.

In its review, Griffin also considered: (i) the statutorily required appraisal performed by the Independent Appraiser, noting that it was prepared using June 30, 2015 data and that SMIC had a loss in the third quarter of 2015; (ii) SMIC's history and estimates of future losses; (iii) the vibrancy of the process by which National General was selected to sponsor the Conversion; (iv) the impact of the Proposed Transaction on SMIC's constituents and stakeholders, including policyholders in their capacity both as creditors and members, management and employees, agents, and the communities that SMIC serves; and (v) the fact that certain covenants contained in the Stock Purchase Agreement can be enforced for six years by the Advisory Board.

In addition, Griffin had discussions with certain members of the management of each of SMIC and National General with respect to the economic and regulatory environments in which each company operates, the Proposed Transaction structure, post-Closing integration, ratings issues, capital adequacy, past and current business operations and the financial condition of each company, and National General's future plans and expected prospects for SMIC after its integration following the Closing. Griffin also discussed with members of SMIC's management and its board of directors the background and reasons for the Proposed Transaction, losses and potential losses, liquidity, investment and operating performance, as well as the future plans and prospects for SMIC with and without a conversion (on a standalone or sponsored basis), as well as the pro forma effects of the Proposed Transaction on the financial condition, performance and future prospects of SMIC.

In providing its opinion, Griffin relied upon and assumed the accuracy and completeness of all information which was publicly available or which was furnished to Griffin or which it discussed with the management of SMIC or National General or otherwise reviewed with each of them. Griffin did not independently verify (nor did Griffin assume responsibility or liability for independently verifying) any such information or its accuracy or completeness. Griffin further assumed that the fiduciary duty of the Directors under Illinois law is to members of SMIC but that SMIC members do not own SMIC and have no legal right to any distribution of SMIC's surplus in connection with the Proposed Transaction. Griffin did not conduct and, except as otherwise specified herein, has not been provided with, any valuation or appraisal of assets or liabilities (including any off-balance sheet liabilities) or surplus or projected income or cash flow derived therefrom of either SMIC or National General, nor did it examine the solvency of SMIC or National General under any state or federal laws relating to receivership, bankruptcy, insolvency or similar matters. In relying on financial information and analyses provided to Griffin or derived therefrom, Griffin assumed that such financial information and analyses were reasonably prepared based on assumptions reflecting the best currently available estimates and judgments and that SMIC's management was not

Table of Contents

aware of any facts that would make such information or analyses inaccurate, incomplete or misleading. Griffin did not perform due diligence on SMIC or National General's physical properties and facilities, sales, marketing, distribution, or service organizations or products.

Griffin is not an actuary and its services did not include any actuarial determinations or evaluations, or any attempt to evaluate any third party or management-prepared actuarial estimates provided to Griffin or any assumptions on which they were based. Griffin's opinion assumed the accuracy of SMIC's independent actuary. Griffin did not independently verify the accuracy of any actuarial reports. Griffin is not a law firm or accounting firm and relied on the expertise of SMIC's counsel and external accountants for matters within their expertise.

In providing its opinion, Griffin assumed that the final Stock Purchase Agreement and the final Plan would be identical, in all material respects, to the draft Stock Purchase Agreement and the draft Plan reviewed by Griffin and that the Proposed Transaction would be completed on the terms and conditions described in the Stock Purchase Agreement, without any waiver or modification of any terms or conditions material to the opinion. Griffin expressed no view as to any analyses, forecasts or estimates prepared by third parties or the assumptions on which they were based. Griffin further assumed that the representations and warranties made by SMIC and National General in the Stock Purchase Agreement and the related agreements and certificates were true and correct, in all respects material to Griffin's analysis. Griffin is not an actuarial, legal, regulatory or tax expert and relied on the assessments made by relevant advisors to SMIC with respect to such issues. Griffin further assumed that all member, material governmental, regulatory or other consents and approvals necessary for the completion of the Proposed Transaction would be obtained without any adverse effect on SMIC, National General or the contemplated benefits of the Proposed Transaction.

Griffin's opinion is necessarily based on financial, economic, market and other facts, circumstances, and conditions as in effect on, and the information made available to it as of, December 17, 2015. Changes in such conditions and information and events occurring after December 17, 2015 could materially affect Griffin's opinion. Griffin has not undertaken to update, revise, reaffirm or withdraw its opinion or otherwise comment upon events occurring after December 17, 2015.

Valuation Analyses and Inputs

In providing its December 17, 2015 opinion, Griffin performed a variety of financial and other analyses. The following is a summary of both Griffin's process and approach and the material analyses performed by Griffin that underlie its opinion, but such summary is not a complete description thereof. This summary includes information presented in tabular format. In order to fully understand the financial analyses, these tables must be read together with the accompanying text. The tables alone do not constitute a description of the financial analyses.

In determining whether the Proposed Transaction is fair, from a financial point of view, to SMIC, Griffin considered the impact of the Proposed Transaction on SMIC and each of its constituents, including its members, other policyholders, employees, agents and the communities served by SMIC as well as the vibrancy of the competitive processes used to identify partners or acquirers of SMIC (see "The Plan of Transaction" Background of the Plan of Conversion beginning at page [] of this proxy statement/prospectus), the results of such competitive processes, and other factors and information deemed relevant by it, and Griffin performed various analyses and studies, including, among other things, comparable transaction analyses.

The process, approach and methodologies used in connection with the preparation of a fairness opinion are complex and involve subjective judgments as to which approach and methodology is most appropriate and, once determined, which analyses and studies are most relevant under the particular circumstances to arrive at the opinion. The process,

therefore, is not necessarily susceptible to a partial analysis or summary description. Griffin believes that its analyses and studies must be viewed as a whole and that considering one analysis or study or a portion thereof without considering all studies and analyses, or attempting to ascribe relative weights to some or all such analyses, could create an incomplete or flawed view of the process underlying its opinion.

Under the draft Plan and the draft Stock Purchase Agreement, provided to Griffin on December 17, 2015, subject to appropriate member and regulatory approvals and other conditions: (i) SMIC will convert from a mutual insurance company to the stock form of organization under the Act and issue all of its capital stock to SPCI

Table of Contents

Holdings; (ii) National General will acquire all of the authorized common stock of SPCI Holdings for \$20,400,000 in cash, the minimum of the valuation range established by the statutorily required and independently determined appraised value; (iii) National General will fund the purchase of such stock from the proceeds of the Offering, plus, to the extent necessary, additional cash; (iv) Eligible Members will receive the right to acquire up to \$27,600,000 of National General common stock at a discount to the 10-day VWAP and can receive an Aggregate Discount Value of up to \$5,000,000; (v) to the extent subscriptions do not result in participating Subscribers realizing \$5,000,000 in Aggregate Discount Value, the difference between \$5,000,000 and the Aggregate Discount Value actually realized by participating Subscribers will be contributed to the Employee Bonus Pool Fund (as defined in the Plan); and (vi) as a result of all of the foregoing, SMIC will become an indirect wholly-owned subsidiary of National General.

Approach

Griffin's approach to determining whether the Proposed Transaction is fair, from a financial point of view, to SMIC was dictated by a number of circumstances, including SMIC's mutual structure, financial history, and business model. Griffin determined that there is no public property and casualty insurance company with a market for its stock with SMIC's history of losses and B+ rating. In addition, Griffin determined that a sponsored conversion transaction is not structurally comparable to a sale of a stock company. In order to establish a valuation range, Griffin used six valuation strategies: (i) Consideration Paid by National General; (ii) Preliminary Appraised Value; (iii) Comparable Sponsored Conversion; (iv) Public Company Inputs; (v) Sale of Stock Company Inputs; and (vi) Discounted Cash Flow, each of which is described below.

Consideration Paid by National General

In connection with its opinion, Griffin considered the total consideration paid by National General. Griffin identified the following five components of the total consideration paid by National General:

In order to complete the transaction, National General must contribute cash equal to the minimum independently appraised value of SMIC of \$20,400,000.

National General will offer its stock to Eligible Members, Directors and Officers at a discount to market. National General must offer shares of its common stock equal in value after discount to the maximum appraised value of SMIC of \$27,600,000. Value available via the discount but not realized by subscribing Participants will be captured by SMIC's employees in an incentive compensation plan such that the aggregate value via and related to the stock discount will be \$5,000,000.

National General will permit SMIC to pay retention bonuses to certain of its employees equal in the aggregate to \$2,750,000; 50% of the retention bonuses will be paid on or about the six month anniversary of Closing and the remainder will be paid on or about the one year anniversary.

In addition, the three Non-Employee Directors will receive periodic payments over the three year period following the Effective Date aggregating \$50,000 per Non-Employee Director for a total payment to the Non-Employee Directors of \$150,000.

Finally, National General will cause SPCI Holdings to create the Advisory Board for the purpose of monitoring compliance with National General's post-closing covenants and maintain the Advisory Board for six years following the Closing. The Advisory Board Members will each receive annual compensation of \$8,000 over the first three years of the Advisory Board Term for a total of \$24,000 during such period.

The sum of these five elements of aggregate consideration paid by National General equals \$28,370,000. In determining this value, Griffin did not consider any value paid by National General to Stancorp, Inc. Excluding payments to Directors, Officers and SMIC employees, aggregate consideration paid by National General equals \$25,400,000.

Table of Contents**Preliminary Appraised Value**

SMIC engaged the Independent Appraiser to provide an independent appraisal. The appraisal was largely based on public company valuations followed by certain discounts (such as size). According to the Independent Appraiser, as of September 30, 2015, SMIC's independently appraised preliminary valuation range is as follows:

SMIC Preliminary Independent Appraised Value	
Minimum of the Valuation Range (\$000)	\$ 20,400
Midpoint of the Valuation Range (\$000)	\$ 24,000
Maximum of the Valuation Range (\$000)	\$ 27,600

Comparable Sponsored Conversion

The AmTrust/First Nonprofit sponsored conversion completed in 2013 and the AmTrust/ARI sponsored conversion completed in 2016 are the most comparable to the Proposed Transaction.

SMIC National General First Nonprofit (i) was a true niche commercial insurer; (ii) operated nationally; (iii) possessed more product line diversification than SMIC; (iv) possessed more size and scale than SMIC; and (v) demonstrated better operating results than SMIC.

ARI was also a niche commercial insurer. Griffin noted that SMIC is a personal lines carrier and smaller than ARI and First Nonprofit in terms of assets and direct written premium.

Griffin noted that the effective consideration paid to SMIC's members, consisting of the \$20,400,000 minimum appraised value and the \$5,000,000 available discount, totals \$25,400,000, or 1.21x GAAP book value, which compares favorably to the 1.10x GAAP book value paid in the AmTrust/ARI transaction and the 0.93x GAAP book value paid in the AmTrust/First Nonprofit transaction. (NB: For all three companies, GAAP book value equaled

tangible book value.)

Public Company Inputs

Griffin first noted that there is no public P&C insurance company with a market for its stock at SMIC's size and with SMIC's history of losses and B+ rating. Griffin analyzed the publicly traded P&C companies listed below, each of which had between \$100,000,000 to \$500,000,000 in total equity and average daily trading volume of 15,000 or more at September 30, 2015. Griffin further segmented this data to focus on companies with return on average equity of less than 10%. None of these companies had negative return on average equity. Griffin noted that the value paid to SMIC members of 1.21x book value compares favorably to the .855x mean book value of companies with return on average equity of less than 10%.

Griffin focused on three companies that had negative net income and negative return on average equity, Ashmere Insurance Company, Mt. McKinley Insurance Company and Agent Alliance Insurance Company.

Griffin noted that the price paid to SMIC members of 115.6% of statutory book value was comparable to the mean and median multiples of 117.4% and 104.6% of statutory book value paid for Ashmere Insurance Company, Mt. McKinley Insurance Company and Agent Alliance Insurance Company, the three companies that had negative net income and negative return on average equity. (NB: statutory book value multiples were used because GAAP book value was not available for all companies because not all stock companies included report on a GAAP basis.)

Griffin concluded that a subscription rights style sponsored conversion like the Proposed Transaction is not necessarily comparable to a merger or other acquisition of a stock company. However, Griffin analyzed the selected transactions involving stock companies and attempted to compare such transactions to the Proposed Transaction using customary metrics often used in comparable transactions analyses of stock companies.

Discounted Cash Flow

In order to determine a discounted cash flow Griffin used certain assumptions and a forecast provided by management. The assumptions are as set forth below.

Earnings Assumptions

Earnings (loss) are based on the assumptions set forth in the second table below. Earnings (loss) are based on management forecasts and related assumptions. The assumptions are inherently judgmental.

SMIC has a recent history of losses and has been challenged by significant weather-related losses, primarily in its homeowners book. In addition, SMIC has confronted increases in the severity and frequency of weather-related losses with respect to new business.

Management assumptions and forecast included the following:

0% premium growth in exposures because SMIC is capital constrained;

Table of Contents

0% change in rate from the last 12 months ending September 30, 2015 based on an average 10 year premium earned of \$40,000,000 and an average five year premium earned of \$42,800,000;

loss and LAE ratio of 72% in future periods because over the last five years SMIC's loss and LAE ratio has averaged 72%;

expense ratio of 34% based upon SMIC's five year average expense ratio of 35% and an expected decrease in technological expenditures going forward;

investment yield equal to SMIC's average five year yield of approximately 2%; and

0% effective tax rate based on SMIC's average five year effective tax rate of 0%.

Discount Rate Assumptions

A discount rate was derived based on the following assumptions:

The latest published Duff & Phelps U.S. Equity Risk premium recommendation of 5%, multiplied by an assumed beta of 1.00 (U.S. Insurance Underwriters Index assumption);

Table of Contents

A normalized risk free interest rate of 4%, which is the yield on a 20 year Treasury as recommended by Duff & Phelps in its 2014 Valuation Handbook; and

A size premium of 6% for companies with low or no market capitalization.

Discount Rate Assumptions

Using the following parameters and assumptions a discount rate was assumed

2014 D&P Equity Risk Premium	5.00%	<i>(Duff & Phelps 2014 Valuation Handbook)</i>
Equity Beta Assumption	1.00	<i>(U.S. Insurance Underwriters Index Assumption)</i>
	5.00%

Co. Specific Risk/Size Discount (%) +	6.00%	<i>(Average Insurance Industry ROE 6% assumption)</i>
Discount Rate	15.00%	

Based on the computed weighted average cost of capital of 15%, Griffin applied a range of discount rates of 11% to 19%.

Exit Multiple Assumptions

To establish the terminal book value, Griffin calculated the sum of SMIC management's estimated annual negative net income over a five year period and adjusted SMIC's present book value downward by that amount to derive a terminal book value at the end of the fifth year of \$12,300,000. Griffin then applied multiples of 80%, 90%, 100% and 120% to this terminal book value.

Terminal Book Value Calculation	Year 1	Year 2	Year 3	Year 4	Year 5
Beginning Book Value	\$ 20,992	\$ 19,256	\$ 17,521	\$ 15,785	\$ 14,050

Based on this discounted book value based approach, SMIC's illustrative values ranges from \$4,900,000 to \$9,700,000.

Competitive Process

In connection with providing its opinion, Griffin considered and accorded substantial weight to the completeness, vibrancy and results of the competitive process SMIC, with the assistance of Griffin, conducted to

Table of Contents

identify the right strategic partner. Griffin believes the results of such competitive processes are an important, if not the most important, determinant of fairness under the circumstances. Please see the sections of this proxy statement/prospectus entitled *The Plan of Conversion*, *Background of the Plan of Conversion* and *The Plan of Conversion* SMIC's Board of Directors' Recommendation.

Impact of Proposed Transaction

Griffin discussed with SMIC's board of directors and considered the following impacts of the Proposed Transaction on SMIC, which SMIC's board of directors determined to be critical to SMIC's future success and its ability to continue to serve its members: (i) avoidance of a rating downgrade by A.M. Best and the corresponding benefits for SMIC, its members and other policyholders, and its agents; (ii) improved size and scale should permit improved enterprise risk management; and (iii) access to National General's broker network. Griffin noted its expectation that the financial condition, operating results, and A.M. Best ratings of National General would be important to SMIC, its members and other policyholders, and certain other constituents if the Proposed Transaction is consummated.

Policyholder Rights

Griffin considered the following effects on policyholders' rights:

Griffin was advised by SMIC's counsel that, as a general matter, policyholders of an Illinois mutual insurer possess both contractual rights to insurance coverage and membership rights consisting principally of the right to elect directors, the right to vote on certain fundamental transactions, and the right to share in surplus in the event of a solvent liquidation;

Griffin was advised by SMIC's counsel that membership rights of policyholders are not equivalent to an ownership interest in the applicable mutual insurer and that, in connection with the mutual to stock conversion of a mutual insurer, the grant to policyholders of a first priority right to purchase stock in the converting company or a holding company for such converting company is adequate compensation for the relinquishment of the membership rights of a policyholder;

Griffin was advised by SMIC's counsel that Illinois mutual policyholders have no claim on surplus, absent a solvent liquidation, which is very rare, and therefore, surplus is relevant only from a claims paying and loss absorption perspective;

As a consequence of the Proposed Transaction, SMIC's policyholders will relinquish their voting rights in exchange for the receipt of subscription rights but will acquire voting rights in National General to the extent they purchase its common stock in the Offering;

SMIC's policyholders have a right to dividends as, if and when declared by SMIC's board of directors. As a stock company, National General does not pay dividends to policyholders. Griffin was advised by management that SMIC has never paid or declared a policyholder dividend;

SMIC's policyholders have an interest in continued insurance coverage. Pursuant to the Stock Purchase Agreement, policies in force will continue to be insured by SMIC. Furthermore, renewal and premium levels will be subject to the market conditions and the determination, policies and procedures of SMIC's management (as a wholly-owned subsidiary of National General), and such levels are not guaranteed, similar to the current arrangement at SMIC;

SMIC's policyholders would benefit from an improved A- rating that may be extended to SMIC following its acquisition by National General;

SMIC's policyholders may benefit from SMIC's access to additional capital;

Table of Contents

SMIC's policyholders should benefit from SMIC's enhanced ability to generate surplus, which will, in turn, enhance its claims-paying ability; and

SMIC's policyholders should have the opportunity to purchase National General common stock at a substantial discount to market value.

Other Stakeholder Impacts

Griffin also considered the anticipated impact of the Proposed Transaction on other stakeholders. Because SMIC will maintain its headquarters in Springfield, Illinois for a period of six years post-Closing, employees of SMIC will continue to have career advancement opportunities. Like SMIC, National General produces business through an independent agent channel. National General's A.M. Best rating with Stable outlook will provide SMIC's agents with an opportunity for increased commissions due to increased sales. The Proposed Transaction also should provide significant opportunities for SMIC's agents to cross-sell National General's products and services through their respective customer bases. Griffin also noted that there was little overlap between SMIC's current agency force and National General's existing agency force.

Based on the foregoing, in Griffin's view, the Proposed Transaction appears to be materially positive to SMIC's members and other policyholders and its employees, Officers and agents as well as the communities in which SMIC operates.

Pursuant to its engagement with SMIC, Griffin was entitled to receive for its opinion, and has been paid, a customary fee from SMIC in the amount of \$175,000. This opinion fee was payable notwithstanding the conclusion expressed in the opinion and whether or not the Proposed Transaction is consummated. In addition, Griffin is entitled to receive from SMIC a customary fee for financial advisory services equal to 2% of SMIC's GAAP book value as of the fiscal quarter ended December 31, 2015 and 1.5% of the fair market value of National General's common stock sold in the Offering, of which \$50,000 was paid upon execution of the engagement letter and \$100,000 of which was paid by SMIC to Griffin in connection with the execution of the Stock Purchase Agreement. The balance of the financial advisory fee is contingent upon the Closing. SMIC has also agreed to provide Griffin with contractual indemnification for certain liabilities under certain circumstances. Griffin will not receive any compensation for services in connection with assisting SMIC to respond to inquiries from SMIC's members concerning the Special Meeting or the Offering.

Griffin notes that: (i) during the three years preceding the date of its opinion, Griffin had no investment banking relationship with SMIC, except in connection with assisting it in evaluating its strategic alternatives, exploring alternative transactions and executing the Proposed Transaction; (ii) during the three years preceding the date of its opinion Griffin had no investment banking relationship with National General, except that in 2013 and 2014, Griffin acted as an independent financial advisor to a special committee of the board of directors of National General and a special committee of the board of directors of an affiliate of National General in connection with transactions unrelated to the Proposed Transaction and provided fairness opinions in connection therewith; (iii) Griffin's law firm affiliate, Stevens & Lee, also represented a special committee of the board of directors of National General in connection with one of these unrelated transactions; and (iv) Griffin reviewed the terms of the transactions with Stancorp, Inc. but did not assign any value to such transaction in determining if the Proposed Transaction is fair to SMIC from a financial point of view.

Griffin's opinion was approved by Griffin's fairness opinion committee.

National General's Reasons for the Transaction

National General's decision to acquire SMIC is part of National General's strategy to grow its personal lines franchise. The SMIC acquisition provides National General with entry into the states of Illinois and Indiana for both homeowners and package products, including access to SMIC's loyal, professional independent agency force in Illinois and Indiana, and adds to its expansion of standard and preferred personal lines products. With National General's support, National General expects that SMIC will realize substantial benefits from transitioning

Table of Contents

SMIC to National General's state-of-the-art technology system, comprehensive reinsurance structure, and shared services platform.

Regulatory Matters

A condition to effectiveness of the Plan is that it must be approved by the IL DOI under the Act, and the change of control of SMIC upon becoming an indirect subsidiary of National General be approved by the IL DOI under the Holding Company Systems Act of the Illinois Insurance Code. On February [], 2016, SMIC filed the Plan with the IL DOI for review. On February 18, 2016, National General filed the Form A Statement with the IL DOI for review. The decision by the IL DOI whether to approve the Plan and the Form A Statement will be based on a variety of factors and the approval of the IL DOI will be contingent upon the satisfaction of certain conditions, including, without limitation, adoption and approval of the Plan by the Eligible Members.

Conditions to Closing of the Proposed Transaction

The consummation of the Proposed Transaction contemplated by the Plan is subject to the satisfaction of several conditions, including, without limitation, (i) adoption and approval by the Eligible Members of the Plan and the other transactions contemplated therein; (ii) receipt of all required regulatory approvals for the Proposed Transaction and the other transactions contemplated in the Plan; and (iii) the satisfaction or waiver of all conditions to closing under the Stock Purchase Agreement.

Effects of the Proposed Transaction

The Proposed Transaction will have the effects upon SMIC and its policyholders described below.

Operations and Business of SMIC

It is anticipated that the Proposed Transaction will not result in any immediate or material changes in SMIC's operations. After the Effective Date, SMIC will continue its corporate existence under the laws of the State of Illinois. It will be a wholly-owned subsidiary of SPCI Holdings, doing business under the name Standard Property and Casualty Insurance Company. SMIC will continue to be subject to the Illinois Insurance Code and to regulation and examination by the IL DOI and insurance regulators in those states and foreign jurisdictions in which SMIC is authorized to transact business.

In addition, the Proposed Transaction will not annul, modify or change any of SMIC's existing rights, assets, franchises and interests in any property, or any of its obligations or liabilities. SMIC will exercise all of the rights and powers and perform all of the duties conferred or imposed by law upon insurers writing the classes of insurance written by SMIC before the Effective Date, and will retain the rights and contracts existing before the Effective Date.

Effect Upon Member Rights of SMIC Members and Contract Rights of SMIC Policyholders

Policyholders of SMIC currently have certain rights as members of SMIC, including the right to vote for election of SMIC's board of directors. See Summary of Rights of Policyholders of SMIC in their Capacity As Such, on page []. Following the consummation of the Proposed Transaction, all member rights in SMIC will be extinguished, whether provided by SMIC's articles of incorporation or bylaws or the laws of Illinois.

All SMIC insurance policies will remain insurance policies issued and backed by SMIC, which may receive National General's A- rating from A.M. Best, and all contractual rights specified in such policies will remain unchanged as they

existed immediately before the Effective Date.

Interests of Certain Persons in the Conversion

Eligible Members should be aware that, in connection with the Proposed Transaction, Officers and/or Directors will be receiving certain benefits, including benefits outside of their capacities as Officers and/or Directors. Accordingly, those Officers and Directors may have interests that differ from those of SMIC's members and policyholders. At the time it approved the Plan and the Stock Purchase Agreement, SMIC's board of directors was aware of these benefits and conflicting interests and considered them, among other matters, in approving the Plan and the Stock Purchase Agreement, and in deciding to recommend that Eligible Members vote for the adoption and approval of the Plan and the other transactions contemplated therein. Such benefits to, and potential conflicts of interest of, the Officers and Directors are summarized below.

The following are only summaries of certain material terms relating to the arrangements and agreements described below and do not purport to be complete. All Eligible Members should carefully review the terms of the relevant documents. In the event of any inconsistency between the summaries below and the terms of the relevant documents, the latter will control.

Director Cash Retention Payments

Pursuant to the Plan, National General has agreed to pay to each of SMIC's non-employee directors (each, a Non-Employee Director) a retention bonus of \$50,000 over the three years following the Effective Date. Such

Non-Employee Directors are Hugh Graham, James Schultz and Mark O. Roberts, III. In the event that a Non-Employee Director dies prior to the payment of any amounts due pursuant to the Plan, such payment will be made to the estate of such Non-Employee Director.

For a full description of the Non-Employee Director retention payments, see Section 9.5(f) of the Plan, attached hereto as Appendix A.

installments, each equal in aggregate to one-third of the amount due, commencing on the first anniversary of the Effective Date.

In the event that, on any such payment date, any Designated Company Employee is not employed by SPCI Holdings or any of its affiliates because such employment is terminated (i) for cause by SPCI Holdings or its affiliates, or (ii) voluntarily by such Designated Company Employee without good reason, such payment otherwise due to such Designated Company Employee will be forfeited to all of the other eligible Designated Company Employees in the proportion that each such Designated Company Employee's payments bears to the aggregate payments of all eligible Designated Company Employees on such payment date. In the event that an eligible Designated Company Employee dies prior to the payment of any amounts due pursuant to the foregoing, such payment will be made to the estate of such Designated Company Employee.

For a full description of the Employee Bonus Pool Fund, see Section 9.5(d) of the Plan, attached hereto as Appendix A.

Annual Bonus Pool

Following the Closing and commencing with the year ending December 31, 2016, National General will cause SMIC to fund (or if, in the case of National General's restricted stock or common equity, make available) an annual bonus pool equal to five percent of the Company's Underwriting Profit (as defined in the Stock Purchase Agreement) to be allocated among members of SMIC's management at the discretion of Mark O. Roberts, Jr., or his duly appointed successor. Such annual bonus pool fund will be payable to management within thirty days following the receipt of the Statutory Statements (as defined in the Stock Purchase Agreement) for each applicable calendar year and will be funded in the form of cash, restricted stock units or other form of common equity of National General, or a combination thereof, as determined by the recipient and in such recipient's sole discretion (subject to certain exceptions).

For a full description of the annual bonus pool, please refer to Section 4.4(e) of the Stock Purchase Agreement, which is attached hereto as Appendix B.

Retention Bonus Plan

SMIC has adopted the Retention Bonus Plan, which will become effective upon the Closing, the purpose of which is to secure the continued services of certain individuals currently employed by SMIC, including certain Officers and employee-Directors (each such individual for purposes of this Retention Bonus Plan summary, a Retention Bonus Participant). Pursuant to the Retention Bonus Plan, each Retention Bonus Participant who remains continuously employed by SMIC or any of its subsidiaries from the date of the Closing through the six-month anniversary of the Closing will be entitled to receive a cash payment in an amount designated for such Retention Bonus Participant in the Retention Bonus Plan. Each Retention Bonus Participant who remains continuously employed by SMIC or any of its subsidiaries from the Closing through the first anniversary of the Closing will be entitled to receive a cash payment in the amount designated for such Retention Bonus Participant in the Retention Bonus Plan. The total payments that will be made under the Retention Bonus Plan will equal \$2,750,000.

If SMIC or any of its affiliates terminates a Retention Bonus Participant's employment without cause, or if a Retention Bonus Participant terminates his or her employment for good reason, SMIC will still make the payments under the Retention Bonus Plan. However, any Retention Bonus Participant whose employment with SMIC is terminated prior to the first anniversary of the Closing by SMIC for cause or by the Retention Bonus Participant for any reason other than good reason, will forfeit all unpaid amounts and will not be entitled to any subsequent payments (including

compensation in lieu of forfeited amounts) under the Retention Bonus Plan. Any retention bonus amounts so forfeited will be reallocated to all of the other eligible Retention Bonus Participants in the proportion that the retention bonuses payable to each such Retention Bonus Participant bears to the aggregate retention bonus payments of all eligible Retention Bonus Participants on such payment date. In the event that termination results from death or disability, unpaid retention bonuses will be paid to such Retention Bonus Participant's beneficiary, heirs, executor, administrator or successors in interest. A copy of the Retention Bonus Plan is available upon request to SMIC at (610) 478-2090 or standardmutual@griffingroup.com.

SMIC has agreed not to, and to prevent any of its affiliates, agents or representatives from, indirectly soliciting, encouraging, initiating, engaging in discussions or negotiations with, or responding favorably to requests for information, inquiries or other communications from, any Person other than National General concerning a sponsored conversion of SMIC, any acquisition of SMIC, any Acquired Company (as defined in the Stock Purchase Agreement), or any assets or business thereof. However, Officers and Directors may respond to inquiries from its members in the ordinary course of business.

The Stock Purchase Agreement provides for the payment of a termination fee by SMIC to National General in the event SMIC terminates the Stock Purchase Agreement to accept an acquisition proposal or National General terminates the Stock Purchase Agreement following acceptance or consummation by SMIC of an acquisition proposal. However, no such acquisition proposal was received before filing of the Form A Statement with the IL DOI on February 18, 2016 and as a result the terms of the Stock Purchase Agreement do not permit SMIC to accept any acquisition proposal received after that filing. Therefore, no termination fee will be payable by SMIC under the Stock Purchase Agreement.

Prior to the Closing, SMIC will cause SPCI Holdings to establish the Advisory Board, which will initially consist of Mark O. Roberts, Jr., Mark O. Roberts III and Joseph E. Summerson, all of whom are currently officers and/or directors of SMIC. The purpose of the Advisory Board is to enforce certain of National General's obligations under the Stock Purchase Agreement against National General, including some of the obligations of National General discussed above.

The Advisory Board will exist for a period of at least six years following the Closing. Upon expiration of such initial term, the Advisory Board's term may be extended by the board of directors of National General at its discretion. National General has agreed to pay to each Advisory Board Member an \$8,000 annual fee during the first three years of the Advisory Board term.

Other Provisions and Covenants

The descriptions of the terms and conditions of the Stock Purchase Agreement provided herein are summaries, do not purport to be a complete description of all such terms and conditions and are qualified in their entirety by reference to the Stock Purchase Agreement itself. The representations, warranties and covenants made in the Stock Purchase Agreement by National General and SMIC were made only for purposes of, except for the provisions of the Stock Purchase Agreement enforceable by the Advisory Board, the Stock Purchase Agreement and may be subject to limitations agreed upon by the parties thereto (including the making of certain representations and warranties for the purposes of allocating contractual risk instead of establishing such matters as fact), and may be subject to materiality standards applicable to the parties that differ from those applicable to Eligible Members. In addition, such representations and warranties (i) will not survive the consummation of the Conversion and may not be the basis of any claim under the Stock Purchase Agreement by the other party after the Stock Purchase Agreement is terminated, except as a result of fraud or a knowing breach as of the date thereof, and (ii) were made

only as of the date of the Stock Purchase Agreement, the Closing and/or such other date as is specified in the Stock Purchase Agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Stock Purchase Agreement. Accordingly, the Stock Purchase Agreement is described herein only to provide Eligible Members with information regarding the terms thereof, and not to provide any other factual information regarding SMIC or National General, their respective Affiliates, or their respective businesses.

The Stock Purchase Agreement also includes other covenants generally customary for a transaction of this nature with respect to, among other matters:

the use by each party of its respective reasonable best efforts to take all steps proper or advisable under applicable laws to consummate the transactions contemplated by the Stock Purchase Agreement; and

the parties' agreement to cooperate to obtain all required governmental approvals and to resolve any investigations or other inquiries concerning the Proposed Transaction initiated by any governmental authority.

Accounting Treatment

National General will account for the acquisition of the common stock of SPCI Holdings under the acquisition method of accounting within GAAP. Under the acquisition method of accounting, National General will record the assets (including identifiable intangible assets) and liabilities (including executory contracts and other commitments) of SMIC at their respective fair values as of the Effective Date and add them to those of National General. If the fair value of the assets acquired and liabilities assumed exceeds the SPA Purchase Price, National General will record a gain with respect to the acquisition. On the other hand, National General will record any excess of the SPA Purchase Price over the fair value of assets acquired and liabilities assumed as goodwill. In accordance with ASC Topic 805, *Business Combinations*, National General will not amortize any goodwill resulting from the acquisition to expense, but instead will review the goodwill for impairment at least annually, and to the extent goodwill is impaired, National General will write down its carrying value to its implied fair value and make a charge to earnings. National General will reflect these fair values in its consolidated financial statements issued after the acquisition and will not restate retroactively its consolidated financial statements to reflect the historical financial position or results of the operations of SMIC before the date of the acquisition.

THE OFFERING

Overview

National General is offering up to \$27,600,000 (equal to the Maximum of the Valuation Range) of shares of its common stock for cash on a subscription basis to Eligible Members, Officers and Directors.

The number of shares of common stock that will be issued in the Offering and the Per Share Purchase Price will be calculated at the end of the Offering and will depend on the aggregate amount subscribed and the market price of National General's common stock during the 10 trading-day period ending on the trading day immediately preceding the Special Meeting (which we refer to as the Pricing Date). See **Per Share Purchase Price** below for detailed information on how these will be calculated.

There is no minimum number of shares that must be sold, nor any minimum amount that must be raised in the Offering. SMIC has [] Eligible Members, but National General is unable to predict the number of persons that may subscribe to purchase shares in the Offering or the extent of any such subscription. The Offering may raise less than the maximum \$27,600,000 in gross proceeds offered by this proxy statement/prospectus.

National General will use the gross proceeds from the Offering to fund the purchase price under the Stock Purchase Agreement for the acquisition of the stock of SPCI Holdings, subject to the adoption and approval of the Plan by Eligible Members. If the Offering proceeds are less than \$20,400,000, National General expects to fund the remainder of the SPA Purchase Price from its other resources by establishing a fund (the **Cash Contribution Fund**) and contributing cash equal to such difference. National General will pay the expenses of the Offering from its other resources.

National General has appointed [] as subscription agent in connection with the Offering. See **The Offering** **The Subscription Agent** below for more information.

Subscriptions

To subscribe, you must sign and complete the stock order form and IRS Form W-9 provided with this proxy statement/prospectus and return it, together with payment in full for your Subscription Amount, to the Subscription Agent at the address given below so that it is received no later than 5:00 p.m. Eastern time on [], 2016, or such later date as National General and SMIC agree and announce (which we refer to as the **Expiration Date**).

Delivery of subscriptions other than to the address given below or in the manner described in the stock order form will not constitute valid delivery. The method of delivery of the stock order form and payment of the Subscription Amount to the Subscription Agent will be at your risk. If you are sending the stock order form and/or payment by mail, we recommend that you send the form and payment by overnight courier or by registered mail, properly insured, with return receipt requested, and that a sufficient number of days be allowed to ensure delivery to the Subscription Agent before the Expiration Date.

Your payment of the Subscription Amount must be made in U.S. dollars and in one of the following forms:

Wire, certified or cashier's check, uncertified check or bank draft drawn upon a U.S. bank or other means acceptable to National General at the time the order form is delivered to National General,

Edgar Filing: National General Holdings Corp. - Form S-4

SMIC (as agent for National General) or the Subscription Agent, payable to National General Financial Services, Inc. (or SMIC, as agent for National General).

Subscriptions or payments that do not include the unique identifying code found on your stock order form or that are received after the Expiration Date will not be accepted.

Checks will be deposited upon receipt by the Subscription Agent. **A subscription accompanied by an uncertified check will not be accepted if the check has not cleared, for any reason, by 4:00 p.m. Eastern time**

on the Pricing Date. If you are paying by uncertified check, please note that it could take five or more business days for the check to clear. Therefore, you are advised to send a cashier's (bank) check, bank draft, certified personal check, or a wire transfer with your subscription, rather than an uncertified personal check. Wire transfer and other bank or transmission fees are your responsibility. If you do not pay them separately, only the net amount, after such payment(s), will be considered your Subscription Amount. If a subscription is not accepted, the Subscription Agent will return the payment to the subscriber, without interest or penalty, as soon as practicable after the termination of the Offering.

All subscriptions received will be subject to the availability of the shares offered in light of provisions concerning oversubscription and the right to reject and in compliance with the minimum and maximum purchase limitations described below. Once tendered, subscriptions cannot be modified or revoked without National General's consent. SMIC and National General have the absolute right, in their sole discretion and without liability to any person, to reject any subscriptions that are: (i) not timely received, (ii) improperly completed or executed, (iii) not accompanied by the proper payment, (iv) accompanied by payment by check that is dishonored, or (v) submitted by a person that National General believes is making false representations or that National General believes may be violating, evading or circumventing the terms of the Offering. SMIC and National General may, but will not be required to, waive any incomplete subscription or may require the submission of a corrected subscription or the remittance of full payment for the shares subscribed for by any date that they may specify. The interpretation of the Subscription Agent, SMIC and National General of the terms and conditions of the order forms shall be final and conclusive, and National General and SMIC shall be free from liability to any person on account of such action. National General and SMIC will not be required to make uniform determinations in all cases.

National General's ability to complete the Offering is contingent upon the conversion of SMIC from mutual to stock form of organization, the adoption of the Amended and Restated Articles and the issuance of all of the shares of authorized capital stock of SPCIC to SPCI Holdings, which are subject to approval by the Eligible Members. See The Offering Offering Closing Conditions below for a description of additional conditions to completion of the Offering. Until such time as the Offering conditions are satisfied, all funds submitted to purchase shares will be held in a segregated account with the Subscription Agent.

Per Share Purchase Price

National General will sell the shares offered hereby at a discount to the 10-day VWAP. The size of the discount per share and the number of shares purchased in the Offering will depend on the amount subscribed and the market price of the National General common stock during the relevant period. The discount per share will be fixed between approximately 15.34% (if subscriptions reach the \$27,600,000 maximum offering amount) and 20% (if the total subscriptions are \$3,450,000 or less) of the 10-day VWAP, as described below. The aggregate discount for all shares sold will not exceed \$5,000,000. The discount and the resulting Per Share Purchase Price will be determined by National General's calculation agent after the close of trading on the Pricing Date.

The aggregate value of the per share discounts, as finally determined, will be the product of (i) the 10-day VWAP *less* the Per Share Purchase Price, *multiplied by* (ii) the aggregate number of shares of National General common stock acquired by Participants in the Offering, as determined below. If the Offering raises \$3,450,000 or less, the per share discount will be fixed at 20%. If the Offering raises \$3,450,000 (the collar for the discount), the aggregate value of the per share discounts will be \$862,500 (the minimum collar discount value). If the Offering raises the \$27,600,000 maximum proceeds, the aggregate value of the per share discounts will be \$5,000,000, which we refer to as the maximum discount value. If the Offering raises more than \$3,450,000, the aggregate value of the per share discounts will increase in a linear fashion with the gross offering proceeds, and will at any particular amount of offering proceeds equal the sum of (a) the \$862,500 minimum collar discount value *plus* (b) the product of (x) \$4,137,500

Edgar Filing: National General Holdings Corp. - Form S-4

(which is the difference between the \$5,000,000 maximum discount value and the \$862,500 minimum collar discount value) *multiplied by* (y) the quotient of (A) the difference between the gross offering proceeds and the \$3,450,000 collar, divided by (B) \$24,150,000 (which is the difference between the \$27,600,000 maximum proceeds and the \$3,450,000 collar).

For example:

Table of Contents

If the Offering raises \$8,280,000 in proceeds, the aggregate discount will be \$1,690,261. Assuming a 10-day VWAP of \$19.64, which was National General's 10-day VWAP on February 25, 2016, and a per share discount of 16.95%, 507,586 shares would be sold at a purchase price of \$16.31 per share, reflecting a discount of approximately \$3.33 per share from the 10-day VWAP.

If the Offering raises the maximum \$27,600,000 and assuming the maximum aggregate discount of \$5,000,000, the per share discount will be 15.34%. Assuming the same 10-day VWAP of \$19.64, 1,659,709 shares would be sold at a purchase price of \$16.63 per share, reflecting a discount of approximately \$3.01 per share.

If the gross offering proceeds are no more than the discount collar of \$3,450,000, assuming the same 10-day VWAP of \$19.64, the aggregate number of shares sold would be 219,555 shares at a 20% per share discount, or a discount of \$3.93 per share and a purchase price of \$15.71 per share, for an aggregate discount of \$862,500, the minimum collar discount value.

The following tables provide examples of the calculation of the discount and the number of shares issuable based on various aggregate offering proceeds and assuming that the 10-day VWAP is \$19.33 (calculated based on the closing price of National General's common stock on January, 20 2016) and \$19.64 (calculated based on the closing price of National General's common stock on February 25, 2016), respectively.

Table of Contents

Following the Special Meeting, National General will issue a press release and file a report on Form 8-K with the SEC to announce the results of the Special Meeting and of the Offering, including the total amount of subscriptions received, National General's 10-day VWAP, the discount, the Per Share Purchase Price, and the number of shares issued in the Offering.

Limitations on Subscriptions and Purchases of Common Stock

The minimum amount for which any person may subscribe is \$500 unless the minimum amount is reduced pursuant to the oversubscription provisions set forth in the Plan. The maximum subscription amount in the Offering by any Participant may not exceed \$400,000 (*i.e.*, the Maximum Subscription Amount); provided, however, that such Maximum Subscription Amount shall apply separately with respect to each capacity of any subscribing Participant (*i.e.*, as an Eligible Member, Officer or Director). In addition, for purposes of determining whether the Maximum Subscription Amount has been reached, there shall be no aggregation with respect to spouses, immediate family members or entities controlled by any Participant or controlled by the applicable Participant's spouse or any member of such Participant's immediate family.

Any person purchasing shares of National General common stock pursuant to the Offering will be deemed to represent and affirm to SMIC and National General that such person is purchasing for his or her own account and not on behalf of any other person or with a view to further distribution.

In the event of an oversubscription, the subscriptions of each Participant (including Officers and Directors) will be reduced pro rata, as set forth in the Plan. SMIC may increase or decrease any of the purchase limitations set forth herein at any time with the written consent of National General. In the event that either an individual or aggregate purchase limitation is increased after commencement of the Offering, any person who ordered the Maximum Subscription Amount will be permitted to purchase an additional number of shares of National General common stock such that such person may subscribe for or order the revised Maximum Subscription Amount. In the event that the Maximum Subscription Amount is decreased after commencement of the Offering, the orders of any person who subscribed for an amount in excess of the revised Maximum Subscription Amount will be decreased by the minimum amount necessary so that such person will be in compliance with the then Maximum Subscription Amount.

Subscription Rights Not Transferable

The right of Participants to purchase shares in the Offering cannot be transferred to any other person.

Offering Deadline

The Expiration Date, after which no subscriptions will be accepted, is 5:00 p.m. Eastern time on [], 2016, unless on or before that date National General and SMIC agree to extend the Offering. No shares will be sold hereby other than through the Offering. Subscriptions not received before the Expiration Date will not be accepted. The Offering may be terminated at any time and for any reason by agreement of the boards of directors of National General and SMIC, in which case all subscriptions would be cancelled and subscribers' funds returned without interest.

Offering Closing Conditions

The completion of the Offering is subject to closing conditions set forth in the Plan, including the adoption and approval of the Plan and the other transactions contemplated therein. If the Eligible Members do not adopt and approve the Plan and the Amended and Restated Articles at the Special Meeting, SMIC may resolicit its members to obtain the required approval, which would delay completion of the Offering. If such action is necessary, National

General and SMIC may, but need not, agree to extend the Expiration Date. In addition, all conditions precedent to closing under the Stock Purchase Agreement for National General's acquisition of the stock of SPCI Holdings must have been satisfied or waived before the completion of the Offering. Furthermore, if the Offering proceeds are insufficient to fund the SPA Purchase Price, National General must fund the remainder from its other resources.

Table of Contents

Until such time as these offering conditions are satisfied, all subscribers' funds tendered to purchase shares will be held without earning interest in a segregated account by the Subscription Agent.

Delivery of Common Stock

As soon as practicable after the Effective Date and after all allocations have been completed, National General's transfer agent, American Stock Transfer and Trust Company, LLC (American Stock Transfer) will mail to subscribers a statement of book-entry ownership reflecting ownership of the shares of common stock purchased in the Offering in the Direct Registration System (DRS). No physical stock certificates will be issued for shares purchased in the Offering. No interest will be paid on any portion of your Subscription Amount. UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

General

The following discusses the material federal income tax considerations related to the receipt and the exercise or lapse of subscription rights to purchase the shares of National General common stock offered in the Offering applicable to (i) Eligible Members and (ii) the Officers and Directors who may also participate in the Offering. We refer to all such persons collectively in this discussion as offerees.

Generally, the federal income tax consequences of the receipt and the exercise or lapse of the subscription rights are not clear. The following discussion is based, primarily, on private letter rulings that have been issued by the Internal Revenue Service to certain taxpayers unrelated to National General or SMIC that have engaged in transactions that are in certain respects analogous to the Plan. Under the Internal Revenue Code of 1986, as amended (which we refer to herein as the Code), private letter rulings are directed only to the taxpayer that requested the rulings and they may not be used or cited as precedent by other taxpayers. In addition, some of the discussion below is outside the scope of these private letter rulings, and is based upon an application of general tax principles. The entirety of this discussion is based on the Code, Treasury regulations promulgated under the Code, judicial authorities, published positions of the Internal Revenue Service and other applicable authorities, all as in effect on the date of this discussion and all of which are subject to change (possibly with retroactive effect) and to differing interpretations. No assurance can be given that the Internal Revenue Service would not assert, or that a court would not sustain, a position contrary to any part of the discussion below.

The following discussion is directed solely to (i) Eligible Members that are U.S. Persons and whose membership interests in SMIC through their qualifying policies constitute capital assets within the meaning of Section 1221 of the Code and (ii) Officers and Directors who are U.S. Persons. It does not purport to address all of the United States federal income tax consequences that may be applicable to the individual circumstances of particular categories of offerees, in light of their specific circumstances. For example, if a partnership is an Eligible Member, the tax treatment of a partner will generally depend on the status of the partner and the activities of the partnership. If you are a partner of a partnership that is an Eligible Member, you should consult your tax advisor. In addition, the following discussion does not address aspects of United States federal income taxation that may be applicable to Eligible Members subject to special treatment under the Code, such as financial institutions, insurance companies, pass-through entities, regulated investment companies, real estate investment trusts, financial asset securitization investment trusts, dealers or traders in securities, or tax-exempt organizations, or any aspect of the U.S. alternative minimum tax or the state, local or foreign tax consequences of any of the proposed transactions.

For purposes of this discussion, the term "U.S. Person" means (a) a citizen or resident of the United States, (b) a corporation, or entity treated as corporation, created or organized in or under the laws of the United States or any political subdivision thereof, (c) an estate the income of which is subject to United States federal income taxation regardless of its source, (d) a trust if either (i) a court within the United States is able to exercise primary supervision over the administration of such trust and one or more U.S. Persons have the authority to control all substantial decisions of such trust or (ii) the trust has a valid election in effect to be treated as a U.S. Person for United States federal income tax purposes, or (e) any other person or entity that is treated for United States federal income tax purposes as if it were one of the foregoing.

This discussion does not constitute tax advice and is not intended to be a substitute for careful tax planning. Each offeree is urged to consult his, her or its own tax advisor with respect to the U.S. federal, state, local and non-U.S. income and other tax consequences of the receipt and the exercise or lapse of subscription rights. Each prospective purchaser of shares of National General common stock in the Offering is also urged to

consult his, her or its own tax advisor with respect to the U.S. federal, state, local and non-U.S. income and other tax consequences of the acquisition, ownership and disposition of shares of National General common stock purchased pursuant to this offering.

Treatment of Eligible Members

General

Generally, the federal income tax consequences of the receipt and the exercise or lapse of subscription rights by Eligible Members are not clear. They present novel issues of tax law that are not adequately addressed by any direct authorities. Nevertheless, based primarily upon the analysis contained in certain private letter rulings issued by the Internal Revenue Service to unrelated taxpayers, we believe, and we intend to take the position that, for U.S. federal income tax purposes:

the membership interest of an Eligible Member is regarded for U.S. federal income tax purposes as a proprietary interest in SMIC, which the member holds in addition to holding a policy issued by SMIC;

upon consummation of the Conversion, Eligible Members should be treated as transferring their membership interests in SMIC in exchange for subscription rights to purchase the shares of National General common stock offered in the Offering;

gain should be realized by an Eligible Member upon such exchange equal to the amount by which the fair market value of the subscription right received by the Eligible Member exceeds the Eligible Member's basis in the exchanged membership interest;

any gain realized by an Eligible Member as a result of the receipt of a subscription right must be recognized, whether or not such right is exercised;

any gain recognized by an Eligible Member as a result of the receipt of a subscription right should constitute a capital gain, which should be long term capital gain if the Eligible Member has held its membership interest for more than one year;

if an Eligible Member is required to recognize gain on the receipt of a subscription right and does not exercise such subscription right, (i) the Eligible Member should recognize a corresponding loss upon the lapse of the unexercised subscription right, (ii) the amount of that loss should equal the gain previously recognized upon receipt of the unexercised subscription right, and (iii) if the common stock that an Eligible Member would have received upon exercise of the lapsed subscription right would have constituted a capital asset in the hands of that Eligible Member, the resulting loss upon lapse of the subscription right should constitute a capital loss (and in all likelihood a short-term loss); and

if an Eligible Member elects to exercise a subscription right, the Eligible Member will have basis in the shares received through exercise of the subscription right equal to the sum of the price paid under the subscription agreement plus the basis, if any, of the subscription right that is exercised to purchase such shares, taking into account the income and gain, if any, recognized by such Eligible Member on

the receipt of the subscription right.

For purposes of calculating the amount of gain recognized as a result of the receipt of subscription rights, or the amount of offsetting loss upon lapse of such rights, it is unclear how to determine the amount or value of subscription rights that are treated as allocated to each Eligible Member with respect to the Offering. Further, while it appears reasonable to assume that the subscription rights, since they are being offered at a discount from the trading price of National General's common stock have a fair market value, we have not undertaken to calculate this value, nor have we hired any third party to do so. Eligible Members will need to consult with their tax advisors to determine the aggregate value of their subscription rights, and thus the amount of gain (or offsetting loss) realized by them on the receipt (or lapse) of such subscription rights.

Tax Basis in Membership Interests

The Internal Revenue Service has traditionally asserted that the basis of a taxpayer, such as an Eligible Member, in its membership interest in a mutual company such as SMIC equals zero. The general view of the

Table of Contents

Internal Revenue Service in this regard is that the payment by a policyholder of a mutual insurance company of the premiums called for by the underlying insurance policy represents payment for the cost of insurance, rather than for the membership interest aspect of the policyholder's interest. As a result, the policyholder's basis in the membership interest is deemed to be zero.

Recent Court decisions, however, have been split on the validity of this position of the Internal Revenue Service. During 2008, the United States Court of Federal Claims in the case of *Fisher v. The United States*, 102 AFTR 2d 2008-5608 (2008), aff'd 105 AFTR 2d 2010-357 (2009), held that a policyholder of a mutual insurance company that, in the course of a demutualization that constituted a reorganization under the Code, (a) exchanged its membership interest in the insurer for shares of the common stock of a new holding company and (b) later sold such shares, did not realize any income for federal income tax purposes on the sale of such shares, because the amount realized by the policyholder on such sale was less than the policyholder's cost basis in its insurance policy as a whole. More recently, in December, 2015, the Court of Appeals for the Ninth Circuit in *Dorrance v. The United States*, 116 AFTR 2d 2015-6992 ruled that a taxpayer owning insurance policies in a mutual insurance company had a zero tax basis in the attendant membership rights which accompanied such policy ownership, affirming the position of the Internal Revenue Service. The Ninth Circuit in *Dorrance* overturned a taxpayer-friendly district court decision, which had held that the basis in the underlying policies should be equitably apportioned between the insurance aspect of the policy and the membership interest aspect of such policy. The Ninth Circuit decision in *Dorrance* may be viewed as creating a conflict between appellate courts and may increase the likelihood that the United States Supreme Court ultimately resolves the question.

The plan of conversion and the law considered by the court in each of *Fisher* and *Dorrance* were in certain respects substantially different than SMIC's Plan and the corresponding law of Illinois. Nevertheless, if the principles articulated by the court in *Fisher*, rather than those articulated by the court in *Dorrance* (and traditionally by the Internal Revenue Service) were determined to be applicable to the Offering hereunder, Eligible Members would potentially be able to report a basis in their membership interests deemed exchanged for the subscription rights, and accordingly report less gain than would be required under the approach traditionally adopted by the Internal Revenue Service. Eligible Members should consult with their tax advisors regarding their ability to reflect a basis in their membership interests in calculating the amount of their gain or loss on the exchange of such interests for the subscription rights hereunder.

Treatment of Officers and Directors

We believe, and intend to take the position, that the grant of subscription rights to the Officers and Directors does not constitute a taxable event for the recipients of such rights. Instead, we believe that the grant of such rights should be treated as the grant of an option to acquire National General common stock pursuant to Section 83 of the Code, and that such option should not be treated at grant as having a readily ascertainable fair market value within the meaning of this provision. As such, Officers and Directors entitled to subscription rights should be treated as realizing income upon the exercise of such rights, in an amount equal to the excess of the value of the National General shares received upon such exercise over the purchase price for such shares. Any income so realized should be treated as compensation income for federal income tax purposes. Officers and Directors should consult with their tax advisors with respect to the potential tax consequences to them of the receipt and exercise or lapse of subscription rights based on their particular circumstances.

* * * * *

DUE TO THE INDIVIDUAL AND SOMETIMES UNCERTAIN NATURE OF THE FEDERAL INCOME TAX CONSEQUENCES ASSOCIATED WITH THE RECEIPT, EXERCISE, AND LAPSE OF THE

SUBSCRIPTION RIGHTS HEREUNDER, EACH ELIGIBLE MEMBER AND EACH DIRECTOR, OFFICER, AND EMPLOYEE IS URGED TO CONSULT HIS, HER, OR ITS TAX AND FINANCIAL ADVISORS REGARDING SUCH TAX CONSEQUENCES.

Its homeowners and umbrella insurance products protect its customers against losses to dwellings and contents from a variety of perils, as well as coverage for personal liability. National General offers its property and casualty (P&C) insurance products through a network of approximately 22,000 independent agents, a number of affinity partners and through direct-response marketing programs. National General added lender-placed insurance to its P&C platform in 2015 through the acquisition of QBE s lender-placed insurance business to offer a full suite of lender-placed insurance products, including fire, home and flood products, as well as collateral protection insurance and guaranteed asset protection products for automobiles, to its customers.

National General launched its accident and health (A&H) business in 2012 to provide accident and non-major medical health insurance products targeting its existing P&C policyholders and the anticipated emerging market of employed persons who are uninsured or underinsured. In 2015, National General acquired certain business lines from Assurant Health, including small group self-funded and supplemental product lines. National General markets its and other carriers A&H insurance products through a multi-pronged distribution platform that includes a network of over 19,800 independent agents, direct-to-consumer marketing, wholesaling and worksite marketing.

National General is licensed to operate in 50 states and the District of Columbia, but focuses on underserved niche markets. Approximately 84% of its P&C premium written is originated in twelve core states: New York, North Carolina, California, Florida, Louisiana, Michigan, Texas, New Jersey, Virginia, Washington, Connecticut, and Massachusetts. For the years ended December 31, 2015, 2014 and 2013, its gross premium written was \$2,590 million, \$2,135 million and \$1,339 million, net premium written was \$2,186 million, \$1,870 million and \$679 million and total consolidated revenues were \$2,511 million, \$1,862 million and \$932 million, respectively.

National General acquired this business on March 1, 2010.

Its wholly owned subsidiaries include 14 regulated domestic insurance companies, of which 13 write primarily P&C insurance and one writes solely A&H insurance. Its insurance subsidiaries have been assigned an A- (Excellent) group rating by A.M. Best Company, Inc.

Business Segments

through our network of over 22,000 independent agents. In the affinity channel, National General partners with a number of affinity groups and membership organizations to deliver insurance products tailored to the needs of our affinity partners' members or customers under its affinity partners' brand name or label, which it refers to as selling on a "white label" basis. A primary focus of a number of its affinity relationships is providing recreational vehicle coverage, of which National General believes it is one of the top writers in the U.S. In addition, National General operates its lender-placed services through long-term distribution agreements with certain mortgage lenders.

Accident and Health (A&H) The A&H segment was formed in 2012 to provide accident and non-major medical health insurance products targeting its existing insureds and the anticipated emerging market of uninsured or underinsured employees. Through a number of recent acquisitions of both carriers and general agencies, including Velapoint, LLC, the call center general agency, National Health Insurance Company, a life and health insurance carrier established in 1979, Euro Accident Health & Care Insurance Aktiebolag (EuroAccident), the European group life and health insurance managing general agent, Healthcare Solutions Team, LLC a healthcare insurance management general agency, and North Star Marketing, a proprietary small group sales channel, National General has assembled a multi-pronged distribution platform that includes direct-to-consumer marketing through its call center agency, selling through independent agents, wholesaling insurance products through large general agencies/program managers and, through out affinity relationships, worksite marketing through employers.

Additional financial information regarding our segments and additional information regarding the products we sell and the distribution channels through which we sell them is presented in our Annual Report on Form 10-K for the year ended December 31, 2015 incorporated by reference herein. See "Where You Can Find More Information; Incorporation by Reference" in this prospectus supplement.

Recent Developments

In October 2015, National General closed on a master transaction agreement with QBE Investments (North America), Inc. (QBE Parent) and its subsidiary QBE Holdings, Inc. (together with QBE Parent "QBE"), pursuant to which National General acquired QBE's lender-placed insurance business (LPI Business), including certain of QBE's affiliates engaged in the LPI Business. The transaction included the acquisition of certain assets, including loan-trafficking systems and technology, client servicing accounts, intellectual property, and vendor relationships, as well as the assumption of the related insurance liabilities in a reinsurance transaction through which National General received the loss reserves, unearned premium reserves, and invested assets. The aggregate consideration for the transaction was approximately \$95.7 million, subject to certain adjustments.

In October 2015, National General closed the acquisition of certain business lines and assets from Assurant Health, which is a business segment of Assurant, Inc. Included in the transaction, are the small group self-funded and supplemental product lines, as well as the acquisition of North Start Marketing, a proprietary small group sales channel. The purchase price was an aggregate cash payment of \$14 million.

On January 22, 2016, National General entered into an agreement to acquire Century-National Insurance Company, a California based property and casualty underwriter. The purchase price for the transaction is currently expected to be approximately \$315 million, with the actual purchase price calculated based upon financial position at closing. The transaction is expected to close in the second quarter of 2016, subject to customary closing conditions and regulatory approvals.

Holders of shares of common stock are entitled to receive ratably the dividends, if any, as may be declared from time to time by the board of directors out of funds legally available therefor, subject to any contractual restrictions on the payment of dividends and to any restrictions on the payment of dividends imposed by the terms of any outstanding preferred stock or debt securities. As described below in *Description of Preferred Stock*, holders of our 7.50% Non-Cumulative Preferred Stock, Series A, and 7.50% Non-Cumulative Preferred Stock, Series B, will be entitled to receive dividends in preference to and in priority over dividends on common stock and dividends on any future series of preferred stock may be cumulative or non-cumulative as determined by our board of directors.

Voting Rights

The holders of our common stock are entitled to one vote per share on any matter to be voted upon by stockholders.

The holders of common stock are not entitled to cumulative voting rights with respect to the election of directors, which means that the holders of a majority of the voting power of our common stock voted can elect all of the directors then standing for election.

Preemptive or Other Rights

Holders of our common stock have no preemptive or conversion rights or other subscription rights and there are no redemption or sinking fund provisions applicable to the common stock. The rights, preferences and privileges of the holders of our common stock are subject to, and may be adversely affected by, the rights of the holders of our outstanding 7.50% Non-Cumulative Preferred Stock, Series A, and 7.50% Non-Cumulative Preferred Stock, Series B, and the holders of shares of any series of preferred stock which we may designate in the future.

Certain Anti-Takeover Effects of Provisions of Our Bylaws and Delaware Law

Special Meetings of Stockholders

Our bylaws generally provide that special meetings of our stockholders may be called only by the chairman of the board of directors, the chief executive officer, the president or by resolution of the board of directors. Stockholders are not permitted to call a special meeting or require our board of directors to call a special meeting. At any special

meeting of our stockholders, only such business will be conducted as has been specified in the notice of meeting given by or at the direction of our board of directors or otherwise properly brought before the special meeting by or at the direction of our board of directors.

No Cumulative Voting

Table of Contents

The Delaware General Corporation Law (the "DGCL") provides that stockholders are not entitled to the right to cumulate votes in the election of directors unless a corporation's certificate of incorporation provides otherwise. Our certificate of incorporation does not provide for cumulative voting in the election of directors.

Advance Notice Requirements for Stockholder Proposals and Director Nominations

Our bylaws provide that stockholders seeking to bring business before a meeting of stockholders, or to nominate candidates for election as directors at a meeting of stockholders, must provide timely notice of their intent in writing. To be timely, a stockholder's notice must be delivered to our principal executive offices not less than 90 days nor more than 120 days prior to the meeting. Our bylaws also specify certain requirements as to the form and content of a stockholder's notice, including the stockholder's ownership of the company, synthetic equity transactions engaged in by the stockholder related to National General, any proxies or voting agreements pursuant to which such stockholder has a right to vote shares of National General, any stock borrowing agreements entered into by the stockholder related to National General, any performance related fees the stockholder is entitled to based on changes in the value of the stock of National General and any other information that would be required to be made in connection with a solicitation of proxies by such stockholder pursuant to Section 14(a) of the Exchange Act. Our bylaws also require that such stockholder provide information concerning each item of business proposed by the stockholder and individuals nominated for election as a director, as applicable. Failure to timely comply with these provisions may preclude our stockholders from bringing matters before our annual meeting of stockholders or from making nominations for directors at our annual meeting of stockholders.

Stockholder-Initiated Bylaw Amendments

Our bylaws may be adopted, amended, altered or repealed by stockholders only upon approval of at least a majority of the voting power of all the then outstanding shares of our common stock. Additionally, our bylaws may be amended, altered or repealed by the board of directors by a majority vote.

Authorized but Unissued Shares

Our authorized but unissued shares of common stock are available for future issuances without stockholder approval and can be utilized for a variety of corporate purposes, including future offerings to raise additional capital, acquisitions and employee benefit plans. The existence of authorized but unissued and unreserved common stock could render more difficult or discourage an attempt to obtain control of us by means of a proxy contest, tender offer, merger or otherwise.

Section 203 of the DGCL

We are subject to Section 203 of the DGCL. Subject to certain exceptions, Section 203 of the DGCL prohibits a public Delaware corporation from engaging in a business combination (as defined in such section) with an interested stockholder (defined generally as any person who beneficially owns 15% or more of the outstanding voting stock of such corporation or any person affiliated with such person) for a period of three years following the time that such stockholder became an interested stockholder, unless: (1) prior to such time the board of directors of such corporation approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder; (2) upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of such corporation at the time the transaction commenced (excluding for purposes of determining the voting stock of such corporation outstanding (but not the outstanding voting stock owned by the interested stockholder) those shares owned (a) by persons who are directors and also officers of such corporation and (b) by employee stock plans in which employee participants do not

have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer); or (3) on or subsequent to such time, the business combination is approved by the board of directors of such corporation and authorized at a meeting of stockholders by the affirmative vote of at least two-thirds of the outstanding voting stock of such corporation not owned by the interested stockholder.

Table of Contents

Limitation of Liability and Indemnification of Directors and Officers

As permitted by the DGCL, our certificate of incorporation includes provisions that limit or eliminate the personal liability of our directors for a breach of their fiduciary duty of care as a director. The duty of care generally requires that, when acting on behalf of the corporation, directors exercise an informed business judgment based on all material information reasonably available to them. Consequently, a director will not be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director to the fullest extent permitted under Delaware law.

Our certificate of incorporation also authorizes us to indemnify our officers, directors and other agents to the fullest extent permitted under Delaware law, and we may advance expenses to our directors, officers and employees in connection with a legal proceeding, subject to limited exceptions. As permitted by the DGCL, our certificate of incorporation provides that:

we will indemnify our directors and officers to the fullest extent permitted by the DGCL, subject to limited exceptions; and

we may purchase and maintain insurance on behalf of our current or former directors, officers, employees or agents against any liability asserted against them and incurred by them in any such capacity, or arising out of their status as such.

In addition, we expect to enter into indemnification agreements with each of our executive officers and directors pursuant to which each executive officer and director will be indemnified as described above (or furnished contribution by us if indemnification is unavailable) and will be advanced costs and expenses subject to delivery of an undertaking to repay any advanced amounts if it is ultimately determined that such executive officer or director is not entitled to indemnification for such costs and expenses.

Forum

Our bylaws provide that, subject to certain exceptions, unless we consent in writing to an alternative forum, a state or federal court located in the State of Delaware will be the sole and exclusive forum for (i) any derivative action or proceeding brought on our behalf, (ii) any action asserting a claim of breach of fiduciary duty owed by any director, officer, employee or agent of National General to National General or our stockholders, (iii) any action asserting a claim arising pursuant to any provision of the DGCL, our certificate of incorporation or our bylaws, or (iv) any action asserting a claim governed by the internal affairs doctrine. The bylaw further provides that any person or entity purchasing or otherwise acquiring an interest in our shares of capital stock is deemed to have notice of and consented to the foregoing. Although we believe this provision benefits National General by providing increased consistency in the application of Delaware law in the types of lawsuits to which it applies, it may limit a stockholder's ability to bring a claim in a judicial forum that it finds favorable for disputes with us or our directors, officers or other employees, which may discourage such lawsuits against us and our directors, officers and employees.

Transfer Agent

Our registrar and transfer agent for the shares is American Stock Transfer & Trust Company.

Insurance Regulations Concerning Change of Control

State insurance holding company laws require prior approval by the respective state insurance departments of any change of control of an insurer. Control is generally defined as the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of the company, whether through the ownership of voting securities, by contract or otherwise. Control is generally presumed to exist through the direct or indirect ownership of 10% or more of the voting securities of a domestic insurance company or any entity that controls a domestic insurance company. In addition, two of our insurance subsidiaries are currently deemed to be commercially domiciled in Florida and, as such, are subject to regulation by the Florida Office of Insurance Regulation (OIR). Florida insurance law prohibits any person from acquiring 5% or more of our outstanding

Table of Contents

voting securities or those of any of our insurance subsidiaries without the prior approval of the Florida OIR. Any purchase of our shares that would result in the purchaser owning more than 10% of our voting securities will be presumed to result in the acquisition of control of our insurance subsidiaries and require prior regulatory approval.

Preferred Stock

Our certificate of incorporation authorizes, subject to any limitations prescribed by law, the issuance of 10,000,000 preferred stock, \$0.01 par value per share, in one or more series without shareholder approval. As of [], 2016, 2,200,000 shares of our 7.50% Non-Cumulative Preferred Stock, Series A, and 6,000,000 depository shares (equivalent to 150,000 shares of our 7.50% Non-Cumulative Preferred Stock, Series B), were issued and outstanding.

Each such series of preferred stock will have the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences, as will be determined by the board of directors. The purpose of authorizing the board of directors to issue preferred stock and determine its rights and preferences is to eliminate delays and uncertainties associated with a shareholder vote on specific issuances. The issuance of preferred stock, while providing desirable flexibility in connection with possible acquisition and other corporate purposes, could have the effect of making it more difficult for a third party to acquire, or discourage a third party from acquiring, a majority of our outstanding voting shares. Our board of directors may issue preferred stock with voting and conversion rights that could adversely affect the voting power of the holders of our common stock. There are no current agreements or understandings for the issuance of preferred stock and our board of directors has no present intention to issue any preferred stock.

The preferred stock will be, when issued, fully paid and nonassessable. Unless otherwise specified in the applicable prospectus supplement, each series will rank on a parity as to dividends and distributions in the event of a liquidation with each other series of preferred stock and, in all cases, will be senior to our common stock.

Dividend Rights

Unless otherwise set forth in the applicable prospectus supplement, holders of our preferred stock of each series will be entitled to receive, when, as and if declared by our board of directors, out of our assets legally available therefor, cash dividends at the rates and on the dates as set forth in the applicable prospectus supplement. Holders of our preferred stock will be entitled to receive dividends in preference to and in priority over dividends on common stock and may be cumulative or non-cumulative as determined by our board of directors. We will generally be able to pay dividends and distribute assets to holders of our preferred stock only if we have satisfied our obligations on our debt that is then due and payable.

If the applicable prospectus supplement so provides, as long as any preferred stock is outstanding, no dividends will be declared or paid or any distributions will be made on our common stock unless the accrued dividends on each series of preferred stock have been declared and paid.

Each series of preferred stock will be entitled to dividends as described in the applicable prospectus supplement. Different series of preferred stock may be entitled to dividends at different dividend rates or based upon different methods of determination. Except as provided in the applicable prospectus supplement, no series of preferred stock will be entitled to participate in our earnings or assets.

Liquidation Preference

Upon our dissolution, liquidation or winding up, the holders of each series of preferred stock will be entitled to receive out of our assets, whether from capital, surplus or earnings, and before any distribution of any assets is made on common stock, the amount per share fixed by the board of directors for that series of preferred stock, as reflected in the applicable prospectus supplement, plus unpaid dividends, if any, to the date fixed for distribution. Unless otherwise indicated in the applicable prospectus supplement, holders of our preferred stock will be entitled to no further participation in any distribution made in conjunction with any dissolution, liquidation or winding up.

Redemption

A series of preferred stock may be redeemable, in whole or in part, at our option, and may be subject to mandatory redemption in connection with a sinking fund. The terms, times, redemption prices and types of consideration of the redemption will be set forth in the applicable prospectus supplement. The applicable prospectus supplement will also specify the number of shares of the series that we will redeem in each year commencing after a specified date, at a specified redemption price per share, together with an amount equal to any accrued and unpaid dividends to the date of redemption.

If, after giving notice of redemption to the holders of a series of preferred stock, we deposit with a designated bank funds sufficient to redeem the series of preferred stock, then from and after the deposit, all shares called for redemption will no longer be outstanding for any purpose, other than the right to receive the redemption price and the right, if applicable, to convert the preferred stock into our common stock or other securities prior to the date fixed for redemption.

Except as indicated in the applicable prospectus supplement, the preferred stock is not subject to any mandatory redemption at the option of the holder.

Sinking Fund

The applicable prospectus supplement for any series of preferred stock will state the terms, if any, of a sinking fund for the purchase or redemption of that series.

Conversion and Exchange

The applicable prospectus supplement for any series of preferred stock will state the terms, if any, on which shares of that series are convertible into or exchangeable for shares of common stock or, if applicable, other securities.

Voting Rights

Under ordinary circumstances, the holders of preferred stock have no voting rights except as required by law. The applicable prospectus supplement may provide voting rights for holders of our preferred stock.

Transfer Agent and Registrar

We will select the transfer agent, registrar and dividend disbursement agent for a series of preferred stock, and each one will be described in the applicable prospectus supplement. The registrar for shares of preferred stock will send notices to shareholders of any meetings at which holders of our preferred stock have the right to vote on any matter.

SUMMARY OF RIGHTS OF POLICYHOLDERS OF SMIC IN THEIR CAPACITY AS SUCH

The rights of policyholders in their capacity as such are entirely contractual and based upon the terms of their respective in-force insurance policies issued by SMIC.

In his, her or its capacity as a member of SMIC, a person who holds an in-force insurance policy issued by SMIC has only the rights specified in the Illinois Insurance Code, SMIC's articles of incorporation and bylaws and as specified by applicable law. The Illinois Insurance Code, including Section 59.1 of the Illinois Insurance Code, governs SMIC, including rights of members.

Consistent with SMIC's organizational documents, policyholders of SMIC are members of SMIC by reason of being issued an in-force insurance policy by SMIC. If the underlying policy expires, is terminated or cancelled, such policyholder automatically ceases to be a member of SMIC. Thus, the membership relationship between the policyholder and SMIC is based solely upon such policyholder's status as an SMIC policyholder and no other fact or circumstance.

The organizational documents also provide authority for rights of policyholders in their capacity as members of SMIC. Together with rights provided under the Illinois Insurance Code, the policyholders, as members of SMIC, have the following rights:

right to elect directors of SMIC;

right to one vote on each matter submitted for a vote of members;

right to remove directors;

right to vote on certain fundamental transactions, including the adoption of a plan of conversion, undertaken by SMIC;

except as provided in a plan of conversion, the right to receive dividends as provided in any participating policies (SMIC has no outstanding participating policies);

right of certain members to subscribe for stock in a conversion (unless the IL DOI finds otherwise);
and

right of members whose insurance policies were issued after adoption of a plan of conversion to rescind such policies and receive a full refund of premiums paid, provided that they have not filed a claim under such policy.

No policyholder, as a member of SMIC, is entitled to vote on any matter, including without limitation any merger, except as expressly set forth in or pursuant to the Illinois Insurance Code or SMIC's organizational documents.

ARTICLE III

REASONS FOR PROPOSED CONVERSION AND EXPECTED SURPLUS

Section 3.1 Reasons for Proposed Conversion.

(a) The Board, after careful deliberation, came to the conclusion that it is in the best interest of SMIC's members and other policyholders to enter into a strategic transaction that will provide for the long term stability and viability of SMIC. The Board has considered a variety of alternative approaches including the status quo, reinsurance transactions, mergers or affiliations with other mutual insurance companies, and a subscription rights demutualization, either on a standalone basis, with a standby investor, or by means of a sponsored demutualization. Ultimately, after careful deliberation and examining multiple potential transactions and counterparties, the Board determined that it was in its members' and other policyholders' best interests to enter into a subscription rights method of demutualization, in a transaction sponsored by National General, as described in this Plan.

(b) The Board believes that the Conversion, as fully described herein, complies with the Act. The Board further believes that the Transaction, as set forth in this Plan, is in the best interests of each of its members and other policyholders, because the Transaction provides for the following advantages: (i) provides the Converted Company the ability to compete more effectively in the current and future marketplace; (ii) provides the Converted Company with access to a significant amount of additional capital; (iii) provides Eligible Members with an opportunity to acquire shares of Common Stock at a discount to market; (iv) permits the Converted Company to operate as a wholly-owned Subsidiary of National General or one of its operating insurance Subsidiaries and serve as a platform for National General's personal lines insurance business; (v) permits the Converted Company the ability to avail itself of National General's stable A.M. Best A- financial strength rating and National General's larger A.M. Best financial size category, which the Board believes opens additional markets and better stabilizes its agency force and policyholder renewals; (vi) decreases the Converted Company's administrative costs by utilizing the resources of National General; (vii)

Table of Contents

significantly reduces the cost of the Converted Company's reinsurance program; (viii) permits the Converted Company to maintain its basic name, headquarters, culture, values and management team; and (ix) provides the Converted Company's employees with opportunities for career advancement.

(c) Prior to the consummation of the Transaction, SMIC is only able to increase its statutory capital and surplus through earnings generated by its operating businesses, the use of surplus enhancing reinsurance arrangements or the issuance of surplus notes. However, these methods have certain limitations as a source of permanent capital to allow SMIC to stabilize its financial position, and ultimately provide greater stability and protection for members, as well as expand its business and policyholder base. In contrast, following the Transaction, the Converted Company will have access to a significant amount of additional capital. In addition, as an existing public company, National General has regular access to capital markets, which SMIC finds difficult to access.

ARTICLE IV

REGULATORY REQUIREMENTS FOR TRANSACTION APPROVAL

Section 4.1 Initial Approvals. This Plan must be approved by the affirmative vote of at least two-thirds (2/3) of the members of the Board. Pursuant to Section 59.1(8) of the Act, the Board may adopt a plan of conversion that does not rely on the issuance to Eligible Members of subscription rights to purchase stock of the Converted Company if such plan of conversion: (a) does not prejudice the interests of the Eligible Members; (b) is fair and equitable; (c) is based upon an independent appraisal of the market value of SMIC by a qualified person; and (d) contains a fair and equitable allocation of any consideration to be given to Eligible Members. Although this Plan describes an alternative plan of conversion pursuant to Section 59.1(8) of the Act (i.e., Eligible Members are being issued subscription rights to subscribe for and purchase shares of Common Stock instead of the Capital Stock of HoldCo or the Converted Company), the Conversion complies with the other provisions of the Act. In addition, National General must agree to the terms of this Plan in connection with its entering into the Purchase Agreement.

Section 4.2 Filing of this Plan with the IL DOI. Promptly after this Plan is approved by the Board, as described in Section 4.1, but prior to submitting this Plan to Eligible Members for approval at the Special Meeting in accordance with the Act, SMIC shall file an application with the IL DOI (the Application). The Application shall contain the following documents and information:

- (a) this Plan;
- (b) the Pro Forma Market Value, including the Valuation Range, as described in Section 5.2(a);
- (c) the form of notice to Eligible Members, as described in Section 4.5(a);

Table of Contents

(d) the form of proxy to be solicited from Eligible Members, as described in Section 4.5(a), and the related Policyholder Information Statement;

(e) the form of notice required by Section 59.1(10)(a) of the Act to policyholders who become members subsequent to adoption of this Plan by the Board but before the Effective Date, as described in Section 4.5(b);

(f) the proposed Articles of Incorporation and Bylaws of HoldCo;

(g) the proposed amended Articles of Incorporation and Bylaws of the Converted Company; and

(h) such other necessary or appropriate documents requested by the IL DOI relating to this Plan.

Section 4.3 Standards for Approval. Pursuant to Section 59.1(3)(a) of the Act, the IL DOI shall approve this Plan upon a finding that this Plan: (a) complies with the provisions of the Act; (b) does not prejudice the interests of the members of SMIC; and (c) contains a fair and equitable method of allocating Subscription Rights.

Section 4.4 Filing of the Registration Statement with the SEC. After this Plan is approved by the Board as described in Section 4.1, but prior to submitting this Plan to Eligible Members for approval at the Special Meeting, National General shall promptly cause the Registration Statement to be prepared and filed with the SEC. The Registration Statement may include this Plan and such other documents and materials filed with the IL DOI as National General and its counsel determine to be necessary and appropriate in connection with the Offering. In the event the Registration Statement fails to be or become effective, this Plan may be modified or terminated by the Board.

Section 4.5 Notices to Members.

(a) Within forty-five (45) days of the IL DOI's approval of this Plan and at least thirty (30) days before the date fixed for the Special Meeting described in Section 4.7, SMIC shall send a notice of the Special Meeting by first class mail to each Eligible Member, in the form authorized and approved by the IL DOI. Such notice shall include the Policyholder Information Statement (which will be included in the Registration Statement) and the proxy form for the approval or disapproval of the Transaction, in the form authorized and approved by the IL DOI. Such notice shall be given by mailing one notice per Qualifying Policy to the address of the first named insured of the Qualifying Policy, as such address appears on the records of SMIC. Such mailing (or a separate mailing sent within five (5) days thereafter) will include the Order Form, such proxy form and the Prospectus; provided, however, the issuance of the shares of Common Stock shall be subject to Eligible Members' approval of the Transaction at the Special Meeting as set forth in Section 4.7.

(b) With respect to any policy issued subsequent to the Eligibility Record Date but prior to the Effective Date, the subject policyholder shall be given written notice of this Plan in the form authorized and approved by the IL DOI pursuant to Section

Table of Contents

59.1(10)(a) of the Act, no later than forty-five (45) days after the Effective Date. The notice shall be sent to the address of the first named insured of such policy, as such address appears on the records of SMIC. The notice shall (i) include a copy of this Plan or a summary of this Plan and (ii) advise the named insured of his or her right to rescind the policy and to receive a full refund of any amounts paid for the policy within ten (10) days of the named insured's receipt of the notice.

Section 4.6 Form A Filing Regarding the Purchase Agreement. The consummation of the Transaction (including the consummation of the transactions contemplated in the Purchase Agreement) will result in a change of control of SMIC, and the Converted Company's becoming part of National General's Insurance Holding Company System. Therefore, this Plan and the Purchase Agreement, and the related acquisition of control by National General, will be subject to the approval by the IL DOI of a Form A (Statement Regarding the Acquisition of Control) filed by National General. In the event the IL DOI disapproves of the change of control, this Plan may be modified or terminated by the Board in accordance with the Act; provided that National General shall not be bound by any such modification or termination to which National General shall not have consented in writing.

Section 4.7 The Special Meeting to Approve the Conversion. Subsequent to the approval of this Plan by the Board and the IL DOI, the Special Meeting shall be scheduled for consideration of this Plan, as well as the Transaction, in accordance with SMIC's existing Bylaws and applicable Law, at the date and time set forth in the notice described in Section 4.5(a). An affirmative vote of not less than two-thirds (2/3) of Eligible Members voting (in person or by proxy) at the Special Meeting shall be required for approval of this Plan. Each Eligible Member shall be entitled to one vote.

Section 4.8 Post Meeting Filing. Pursuant to the Act, if this Plan is approved by the Eligible Members, SMIC shall file with the IL DOI (a) the minutes of the Special Meeting at which this Plan was approved, (b) the amended Articles of Incorporation and Bylaws of the Converted Company as adopted by the Board (along with a copy of the resolution of the Board adopting such amended documents, certified by the secretary of SMIC), and (c) the Articles of Incorporation and Bylaws of HoldCo.

ARTICLE V

SUBSCRIPTION OFFERING PROCESS

Section 5.1 Timing of Subscription Offering and Compliance with Applicable Securities Laws.

(a) In connection with the Offering, Participants shall be granted Subscription Rights, without payment, entitling each Participant to acquire from National General, at the Purchase Price, either authorized but unissued shares of Common Stock or issued but not outstanding shares of Common Stock that are held as treasury stock, in accordance with Securities Laws and other Laws and this Plan. No payment shall be made to any Person in lieu of the granting of Subscription Rights to any such Person. All Subscription Rights remaining unexercised at 5:00 p.m. Eastern Time on the last day of the Offering, if any, shall expire. If the total dollar amount of subscriptions for shares of Common Stock

Table of Contents

tendered by Participants in the Offering (the Aggregate Subscription Amount) is less than the Minimum of the Valuation Range, National General shall contribute cash to the Cash Contribution Fund in an amount equal to the difference between (i) the Minimum of the Valuation Range *less* (ii) the product of (A) the number of shares of Common Stock sold to Participants *multiplied by* (B) the Purchase Price. National General shall use the gross proceeds from the Offering and the amount of the Cash Contribution Fund (if applicable) to purchase all of the authorized shares of HoldCo. The Conversion, the issuance by the Converted Company of its shares to HoldCo, and the issuance of shares of HoldCo to National General are intended to happen simultaneously.

(b) The Policyholder Information Statement shall be included in the Registration Statement. The IL DOI shall be provided a copy of any amendments to the Registration Statement.

(c) The offer and sale of the shares of Common Stock shall be conditioned upon approval of this Plan by Eligible Members at the Special Meeting.

(d) National General shall not distribute the Prospectus or the Order Form to any Participant until the Registration Statement has been declared effective by the SEC or otherwise become effective.

(e) National General shall make reasonable efforts to comply with the Securities Laws. However, National General has no obligation to offer or sell shares to any Person under this Plan if such Person resides in a foreign country or in a jurisdiction of the United States with respect to which (i) the grant of Subscription Rights or the offer or sale of shares of Common Stock in the Offering to such Persons would require National General or its directors, officers or employees, under the laws of such jurisdiction, to register as a broker or dealer, salesman or selling agent or to register or otherwise qualify the Common Stock for sale in such jurisdiction, or National General would be required to qualify as a foreign corporation or file a consent to service of process in such jurisdiction, or (ii) such registration or qualification in the judgment of National General would be impracticable or unduly burdensome for reasons of cost or otherwise.

(f) Prior to the Effective Date, National General shall, if required by the applicable listing requirements, cause the shares of Common Stock to be issued in the Offering to be approved for listing by the NASDAQ Stock Market, subject to official notice of issuance.

Section 5.2 Purchase Price Per Share and Aggregate Number of Shares of Common Stock to be Offered. Subject to Article VI, the total number of shares of Common Stock to be offered in the Transaction to Participants shall be determined pursuant to this Section 5.2.

(a) The Independent Appraiser has been retained by SMIC to undertake an independent evaluation to determine the Pro Forma Market Value and Valuation Range. The Valuation Range will consist of the Pro Forma Market Value and a valuation fifteen

Table of Contents

percent (15%) above the Pro Forma Market Value (the Maximum of the Valuation Range) and a valuation fifteen percent (15%) below the Pro Forma Market Value (the Minimum of the Valuation Range). The determination of the Valuation Range by the Independent Appraiser may be based upon the current financial condition and results of operations of SMIC, a comparison of SMIC with comparable insurance companies, the pro forma book value and earnings per share of the Converted Company or such other factors as the Independent Appraiser may deem to be relevant and as are not inconsistent with the provisions of the Act, including (as permitted by the Act) that value estimated to be necessary to attract a full subscription for the shares of Common Stock in the Offering. The Valuation Range shall also be submitted to the IL DOI as part of the Application to be filed by SMIC for approval of the Conversion pursuant to Section 4.2. SMIC, with permission of the IL DOI, may adjust the Valuation Range if SMIC determines that a material change in financial condition of SMIC or other factors considered by the Independent Appraiser require an update of the appraisal; provided that National General shall not be bound by any such adjustment to the Valuation Range to which National General shall not have consented in writing.

(b) The Aggregate Subscription Amount that will be accepted in the Offering cannot exceed the Maximum of the Valuation Range, and the maximum number of shares of Common Stock to be sold in the Offering shall not exceed the quotient of the Maximum of the Valuation Range *divided by* the Purchase Price (the Maximum Shares Issuable). At a minimum, the Aggregate Subscription Amount, together with the cash contributed by National General to the Cash Contribution Fund (if applicable), must equal the Minimum of the Valuation Range. There is no minimum number of shares of Common Stock that must be sold in the Offering; provided, that if the Aggregate Subscription Amount is less than the Minimum of the Valuation Range, National General shall contribute sufficient cash to the Cash Contribution Fund such that the condition in the preceding sentence is satisfied.

(c) The Purchase Price shall be uniform as to all Participants.

Section 5.3 Number of Shares of Common Stock to be Offered by Category.

(a) Subject to Section 5.3(c) and the applicable limits in Article VI, the Eligible Members shall have the right to purchase the Maximum Shares Issuable less the shares of Common Stock purchased by the Officers and Directors pursuant to Section 5.3(b).

(b) Subject to Section 5.3(c) and the applicable limits in Article VI, in accordance to Section 59.1(7)(a)(ii) of the Act, the Officers and Directors shall have the right to purchase up to 33.31% of the total number of shares of Common Stock to be issued pursuant to the Offering (based on SMIC's Quarterly Statement as of September 30, 2015).

(c) In the event of an oversubscription by Eligible Members, each of the Eligible Members, Officers and Directors shall have their shares of Common Stock reduced pro rata, as set forth in Section 5.4(a).

Section 5.4 Potential Offering Adjustments.

(a) If, upon conclusion of the Offering, the Aggregate Subscription Amount is greater than the Maximum of the Valuation Range, then the subscriptions of each Participant (including Directors and Officers) shall be reduced, and each Participant's Subscription Amount shall equal an amount calculated according to the following formula:

$$a = \beta * (g / d)$$

where: a = Final Subscription Amount allowed for such Participant

β = Subscription Amount subscribed for by such Participant

g = Maximum of the Valuation Range

d = Aggregate Subscription Amount prior to the reduction pursuant to this Section 5.4(a)

(b) If, upon conclusion of the Offering, the Aggregate Subscription Amount is equal to or greater than the Minimum of the Valuation Range, but less than the Maximum of the Valuation Range then the Transaction shall be consummated as described herein.

(c) If, upon conclusion of the Offering, the Aggregate Subscription Amount is less than the Minimum of the Valuation Range, then in such event National General shall establish and fund the Cash Contribution Fund. After the Cash Contribution Fund is funded, the Transaction shall be consummated as described herein.

Section 5.5 Mailing Of Offering Materials and Collection Of Subscriptions.

(a) After approval of this Plan by the IL DOI and after the SEC has declared the Registration Statement effective, on the Mailing Date, National General or SMIC shall mail to the address of:

(i) each Eligible Member the following: (A) the notice and materials (including the proxy included in the Registration Statement) required by Section 4.5(a) (which may be contained in the same or a separate mailing), (B) an Order Form and (C) the Prospectus; and

(ii) each Director and Officer the following: (A) an Order Form and (B) the Prospectus.

(b) The Offering shall commence on the Mailing Date and continue for at least twenty (20) days but not more than forty-five (45) days (the Subscription Period).

(c) The exact timing of the commencement and completion of the Offering shall be determined by SMIC and National General in consultation with their respective representatives. SMIC and National General may consider a number of factors in determining the exact timing of the commencement of the Offering, including their respective current and projected future earnings, local and national economic conditions and the prevailing market for stocks in general and stocks of insurance companies in

particular. The Offering may be terminated by agreement of the Board and the board of directors of National General and otherwise as provided in the Purchase Agreement at any time prior to the Special Meeting and at any time thereafter, without liability to any Person, subject to any necessary regulatory approval or concurrence.

Section 5.6 Manner of Exercising Subscription Rights in the Offering; Order Forms; Method of Payment.

(a) A Participant that would like to subscribe for and purchase shares of Common Stock in connection with the Offering must properly complete and deliver the executed Order Form and an amount equal to such subscribing Participant's Subscription Amount, to National General, SMIC (as agent for National General), or the Subscription Agent (with the recipient set forth in the Prospectus), during the Subscription Period. Because the Purchase Price will not be known until the Business Day prior to the date of the Special Meeting (as provided in the definition of Purchase Price), each Participant will be subscribing for a dollar amount and the actual number of shares of Common Stock that such dollar amount will purchase will be determined pursuant to Section 5.8. National General and SMIC may extend the Subscription Period by such amount of time as they determine is appropriate, but in no event by more than ninety (90) days without the prior approval of the IL DOI. Failure of any subscriber to deliver a properly executed Order Form to National General, SMIC (as agent for National General) or the Subscription Agent (with the recipient set forth in the Prospectus), along with payment of the Subscription Amount, within the time limits prescribed, shall be deemed an irrevocable waiver and release by such Person of any rights to subscribe for or purchase shares of Common Stock. An Order Form will be deemed to have been delivered to National General, SMIC (as agent for National General) or the Subscription Agent (with the recipient set forth in the Prospectus) when it is physically received at the address shown on the Order Form and not when it is deposited in the mail if the subscriber chooses to make delivery by mail. Failure of the U.S. Postal Service to deliver to National General, SMIC (as agent for National General) or the Subscription Agent (with the recipient set forth in the Prospectus) any Order Form to the address shown on the Order Form shall also be deemed such a waiver and release.

(b) Payment for the subscription of shares of Common Stock must be received in full and collected by National General (or by SMIC or the Subscription Agent, each as agent for National General), together with a properly completed and executed Order Form. Such payment shall be made by wire, check, bank draft or other means acceptable to National General at the time the Order Form is delivered to National General, SMIC (as agent for National General) or the Subscription Agent (with the recipient set forth in the Prospectus). All subscription payments made by wire, check or bank draft shall be payable to National General (or SMIC, as agent for National General). All subscription payments will be deposited by National General in an escrow account at a bank designated by National General and SMIC. The subscription payment shall be such subscriber's Subscription Amount expressed as a dollar amount and the number of shares of Common Stock that such Subscription Amount purchases will be determined in accordance with Section 5.8.

Section 5.7 Authority to Reject Subscriptions. SMIC and National General shall have the absolute right, in their sole discretion and without liability to any Person, to determine which proposed subscribing Persons and which subscriptions and orders in the Offering meet the criteria provided in this Plan for eligibility to purchase shares of Common Stock and the total dollar amount that any person is eligible to subscribe for, and to reject any Order Form that is (a) improperly completed or executed, (b) not timely received, for whatever reason, (c) not accompanied by the proper payment, (d) accompanied by payment by check that is dishonored, or (e) submitted by a Person whose representations National General believes to be false or who it otherwise reasonably believes is, either alone, or Acting in Concert with others, violating, evading or circumventing, or intending to violate, evade or circumvent, the terms and conditions of this Plan or the Act. SMIC and National General may, but will not be required to, waive any irregularity on any Order Form or may require the submission of corrected Order Forms or the remittance of full payment for shares of Common Stock by such date as they may specify. The interpretation of the Subscription Agent, SMIC and National General of the terms and conditions of the Order Forms shall be final and conclusive, and National General and SMIC shall be free from liability to any Person on account of such action. Once National General, SMIC (as agent for National General) or the Subscription Agent, as applicable, receives an Order Form with full payment, the order shall be deemed placed and will be irrevocable; provided, however, that no Order Form shall be accepted until the Prospectus has been filed with the SEC and mailed or otherwise made available to the Persons entitled to Subscription Rights in the Offering, and any Order Form received prior to that time shall be rejected and no sale of shares of Common Stock shall be made in respect thereof.

Section 5.8 Shares Issued to Subscribers: Refunds. Subject to the provisions of this Plan concerning oversubscription under Section 5.4(a) and the right to reject, in whole or in part, subscriptions from subscribing Participants under Section 5.7, the number of whole shares of Common Stock to be sold to each subscribing Participant shall be equal to the whole number nearest to but not exceeding the quotient of such subscriber's Subscription Amount *divided* by the Purchase Price. No fractional shares will be issued. A refund will be made to such subscriber equal to the difference, if any, between (a) such subscriber's Subscription Amount (prior to any reduction pursuant to Section 5.4(a)) and (b) the Purchase Price *multiplied* by the whole number of shares sold to such subscriber as described in this Section 5.8. No interest will be paid on any portion of a subscriber's Subscription Amount, including any refund.

Section 5.9 Reclassifications. If between the Mailing Date and the Offering Closing Date, the outstanding shares of Common Stock are changed into a different number of shares, by reason of a reclassification, recapitalization, split-up, combination or exchange of shares, or any dividend payable in stock or other securities is declared with regard to the Common Stock with a record date between the Mailing Date and the Offering Closing Date, the Purchase Price will be adjusted to such number as if the reclassification, recapitalization, split-up, combination, exchange or dividend had occurred on the second (2nd) Trading Day prior to the Mailing Date.

Section 5.10 Announcement of Results. Promptly following the adjournment of the Special Meeting, National General will issue a press release and file a Current Report on Form 8-K with the SEC to announce the results of the Special Meeting and the Offering, including the Purchase Price, the National General Ten (10)-day VWAP, the Stock Discount

Table of Contents

Percentage and the total amount of subscriptions received, in each case as determined by the Calculation Agent or the Subscription Agent, as applicable.

Section 5.11 Closing Date. On the Offering Closing Date (which shall be the next Business Day after the date of the Special Meeting), shares of Common Stock will be issued to each Participant whose Order Form, together with payment, has been properly completed, timely submitted and not revoked. Each share of Common Stock issued in the Offering shall be fully paid and non-assessable upon payment in full of the Purchase Price.

ARTICLE VI

SUBSCRIPTION OFFERING LIMITATIONS AND RESTRICTIONS

Section 6.1 Subscription Rights. Subscription Rights are non-transferable, non-negotiable personal rights to subscribe for and purchase shares of Common Stock at the Purchase Price. Subscription Rights shall be granted, without payment, to each Participant as described in Articles V and VI. The granting of Subscription Rights to a Participant shall permit (but shall not require) the Participant to subscribe to purchase shares of Common Stock at the Purchase Price in the Offering.

Section 6.2 Restrictions on Purchase of Shares of Common Stock. The following additional limitations and exceptions shall apply to all purchases of shares of Common Stock:

(a) Unless the minimum amount is reduced pursuant to the oversubscription provisions of Section 5.4(a), the minimum Subscription Amount in the Offering by any subscribing Participant shall be \$500.00.

(b) In addition to the other restrictions and limitations set forth herein, the maximum Subscription Amount in the Offering by any subscribing Participant shall not exceed \$400,000 (the Maximum Subscription Amount); provided, however, that such Maximum Subscription Amount shall apply separately with respect to each capacity of any subscribing Participant (*i.e.*, as an Eligible Member, Officer or Director). For purposes of determining whether the maximum purchase amount has been reached, there shall be no aggregation with respect to spouses, immediate family members or entities controlled by any Participant or controlled by the applicable Participant's spouse or any member of such Participant's immediate family.

(c) Any Person purchasing shares of Common Stock pursuant to a Subscription Right in the Offering will be deemed to represent and affirm to SMIC and National General that such Person is purchasing for his or her own account and not on behalf of any other Person or with a view to further distribution.

(d) SMIC may increase or decrease any of the purchase limitations set forth herein at any time with the written consent of National General. In the event that either an individual or aggregate purchase limitation is increased after commencement of the Offering, any Person who ordered the Maximum Subscription Amount shall be permitted to purchase an additional number of shares of Common Stock such that such Person may

subscribe for or order the revised Maximum Subscription Amount. In the event that the Maximum Subscription Amount is decreased after commencement of the Offering, the orders of any Person who subscribed for an amount in excess of the revised Maximum Subscription Amount shall be decreased by the minimum amount necessary so that such Person shall be in compliance with the then Maximum Subscription Amount.

Section 6.3 Restrictions on Transfer of Shares of Common Stock. All shares of the Common Stock that are purchased in the Offering shall be transferable without restriction, except to the extent that such transfer is restricted by law, including the Securities Laws and regulations thereunder.

ARTICLE VII

CONDITIONS TO THE OFFERING

Consummation of the Offering is subject to (a) the receipt of all required federal and state approvals for the issuance of shares of Common Stock in the Offering, (b) approval and adoption of this Plan and the Transaction by the affirmative vote of at least two-thirds (2/3) of the votes cast at the Special Meeting by Eligible Members, voting in person or by proxy, as provided in Section 59.1(4)(c) of the Act, (c) the satisfaction or waiver of all of the conditions precedent for the completion of the Acquisition pursuant to the terms of the Purchase Agreement, and (d) the sale in the Offering of such dollar amount of shares of Common Stock which together with the Cash Contribution Fund (if applicable) equal at least the Minimum of the Valuation Range.

Any such interpretation, application or determination made in good faith and on the basis of such information and assistance as was then reasonably available for such purpose, shall be final, conclusive and binding, upon all Persons (other than National General, unless it shall have consented in writing thereto), and neither SMIC (or the Converted Company, as applicable) or HoldCo nor their directors, officers, employees, agents, Subsidiaries or Affiliates shall be liable to any Person in connection with any such interpretation, application or determination.

(b) In the event that the IL DOI adopts regulations with mandatory or optional provisions applicable to the Conversion prior to the Effective Date, this Plan may be amended to conform to such regulations at any time prior to the Effective Date by the affirmative vote of two-thirds (2/3) of the directors of SMIC then in office and no resolicitation of proxies or further approval by the Eligible Members shall be required.

(c) By approving this Plan, the Eligible Members authorize the amendment of this Plan in accordance with the provisions of this Section 8.2.

(d) National General shall not be bound by any amendment to this Plan in accordance with this Section 8.2 or otherwise, to which National General shall not have consented in writing in accordance with the terms set forth in the Purchase Agreement.

Section 8.3 Termination. This Plan may be withdrawn or terminated at any time before it is approved by the IL DOI by an affirmative vote of not less than two-thirds (2/3) of the directors of SMIC then in office. Once this Plan has been approved by the IL DOI, this Plan may only be withdrawn or terminated by the affirmative vote of not less than two-thirds (2/3) of the directors of SMIC then in office and approval of the IL DOI. This Plan may not be withdrawn or terminated unless the Purchase Agreement shall have been terminated in accordance therewith or National General shall have consented to such termination or withdrawal in writing, which consent may be granted or withheld in National General's sole discretion.

ARTICLE IX

ADDITIONAL PROVISIONS

Section 9.1 Consummation of the Offering. The Conversion shall be consummated on the Effective Date, which shall take place when the IL DOI has approved this Plan, the Eligible Members have approved this Plan and the amended Articles of Incorporation and Bylaws of the Converted Company have been adopted by the Board. On the Effective Date, (i) SMIC shall become an Illinois-domiciled stock insurance company and shall issue 1,000,000 shares of its common stock to HoldCo at a par value of \$1.00 per share (representing all of the shares of its Capital Stock to be issued in the Conversion); (iii) HoldCo shall issue and sell to National General all of the authorized shares of Capital Stock of HoldCo (1,000 shares of common stock, par value \$0.01 per share) pursuant to the Purchase Agreement; and (iv) the shares of Common Stock for which subscriptions are accepted in the Offering shall be issued and sold by National General.

Section 9.3 Continuation of Corporate Existence. In accordance with Section 59.1(11)(a) of the Act, upon the completion of the Conversion: (a) the corporate existence of SMIC shall be continued in the Converted Company, (b) all of the rights, franchises and interests of SMIC in and to every type of property, real, personal and mixed, and things in action thereunto belonging, shall be deemed transferred and vested in the Converted Company without any deed or transfer, and (c) the Converted Company shall be deemed to have assume all the obligations and liabilities of SMIC.

(d) In the event that \$5,000,000 shall exceed the Aggregate Discount Value (such excess amount being the Employee Bonus Pool Fund), National General shall pay, in cash, an aggregate amount equal to the Employee Bonus Pool Fund as incentive compensation to Employees as of the Effective Date (the Designated Company Employees). The Employee Bonus Pool Fund shall be allocated among the Designated Company Employees as determined by Mark O. Roberts Jr., or, in his absence, the Board, pursuant to a written schedule delivered to National General on or prior to the Effective Date. The Employee Bonus Pool Fund shall be paid to the Designated Company Employees in three (3) equal annual cash installments, each equal in aggregate to one third of the amount due, commencing on the first anniversary of the Effective Date; provided, that, in the event that, on any such payment date, that any Designated Company Employee is not employed by HoldCo or any of its Affiliates (collectively, the HoldCo Group) on such date because such employment with the HoldCo Group is terminated (i) for Cause by the HoldCo Group, or (ii) voluntarily by such Designated Company Employee without Good Reason, such payment otherwise due to such Designated Company Employee will be forfeited to all of the other eligible Designated Company Employees identified on such schedule in the proportion that each such Designated Company Employee's payment bears to the aggregate payments of all eligible Designated Company Employees on such payment date. In the event that an eligible Designated Company Employee dies prior to the payment of any amounts due pursuant to the foregoing sentence, such payment shall be made to the estate of such Designated Company Employee.

(e) National General shall pay to the Designated Company Employees cash retention bonus payments as allocated by SMIC pursuant to the Retention Bonus Plan delivered to National General on or prior to the Effective Date in an aggregate amount equal to, and not exceeding, \$2,750,000; provided, that, in the event that, on any such cash retention bonus payment date, any Designated Company Employee is not employed by the HoldCo Group on such date because such employment with the HoldCo Group is terminated (i) for Cause by the HoldCo Group, or (ii) voluntarily by such Designated Company Employee without Good Reason, such payment otherwise due to such Designated Company Employee will be forfeited to all of the other eligible Designated Company Employees identified on such schedule in the proportion that each such Designated Company Employee's payment bears to the aggregate cash retention bonus payments of all eligible Designated Company Employees on such payment date. Such cash retention bonuses shall be paid in two (2) equal installments, the first \$1,375,000 in aggregate cash retention bonus payments will be paid six (6) months following the Effective Date and the final \$1,375,000 in aggregate cash retention bonus payments will be paid on or about the first anniversary of the Effective Date. In the event that an eligible Designated Company Employee dies prior to the payment of any amounts due pursuant to this Section 9.5(e), such payment shall be made to the estate of such Designated Company Employee.

(f) Following the Effective Date, National General shall pay each of the directors who is not an Employee listed on Schedule 4.17 of the Company Disclosure Letter delivered pursuant to the Purchase Agreement (each a Non-Employee Director) a retention bonus of \$50,000 payable in twelve (12) equal consecutive quarterly installments of \$4,166.67 commencing on the calendar quarter ending immediately after the Effective Date. In the event that a Non-Employee Director dies prior to the payment of any amounts due pursuant to the foregoing sentence, such payment shall be made to the estate of such Non-Employee Director.

(g) While SMIC believes the benefits received by certain Employees, Directors and Officers under Sections 9.5(d), 9.5(e), 9.5(f) and 9.7 of this Plan and Sections 4.4, 4.16(f), 4.17 and 4.18 of the Purchase Agreement are not fees, commissions or other valuable consideration received by such Employees, Directors or Officers to aid, promote or assist the Transactions, it seeks approval of the receipt of these payments in connection with approval of the Plan by the IL DOI and the Eligible Members.

Section 9.6 Organizational Documents. After the Effective Date, the Articles of Incorporation and Bylaws of HoldCo and the Converted Company adopted pursuant to Section 4.7 may be amended pursuant to the provisions of the relevant document, the Illinois Insurance Code, and the statutory provisions generally applicable to the amendment of the certificate of incorporation or bylaws of business corporations, or such other statutory provisions as may be applicable at the time of the amendment.

Section 9.7 Advisory Board. Pursuant to Section 4.16 of the Purchase Agreement, immediately prior to the Effective Date, HoldCo shall form an advisory board (the Advisory Board). The Advisory Board shall have the right, power and authority to enforce the covenants contained in this Section 9.7 and Sections 9.5(d), 9.5(e) and 9.5(f) of this Plan and Sections 4.2(c), 4.4(b) through (h), 4.11, 4.13, 4.14, 4.15, 4.16 and 4.17 of the Purchase Agreement. The Advisory Board shall have a term of six (6) years commencing on the Effective Date (Advisory Board Term). The initial members of the Advisory Board shall consist of Mark O. Roberts Jr., Mark O. Roberts III and Joseph E. Summerson. During the Advisory Board Term, the Advisory Board shall consist of no less than three (3) members. In the event of a vacancy on the Advisory Board during the Advisory Board Term, such vacancy shall be filled by an appointee selected by an affirmative majority vote of the sitting members of the Advisory Board (the Advisory Board Members), which selection shall be subject to the consent of National General (such consent not to be unreasonably withheld, conditioned or delayed). For the avoidance of doubt, National General may not (a) remove any Advisory Board Members (other than based on a reasonable finding by the board of directors of the Converted Company that cause exists for such removal due to an action of an Advisory Board Member described in subsections (b), (c), (e) or (j) of the definition of Cause), or (b) replace any Advisory Board Members.

Section 9.8 Affiliate Agreements. The new Affiliates of the Converted Company may enter into tax sharing agreements, management agreements, service contracts, other cost-sharing arrangements and similar agreements with the Converted Company or any other Affiliate of the Converted Company, subject to any required regulatory approval of the IL DOI pursuant to the Illinois Insurance Code.

Section 9.9 Costs and Expenses. Any fee or payment to the IL DOI and any other regulatory authority, related to this Plan and the review by any such regulatory authority and its advisors conducted in connection with any public hearing, shall be borne by National General; provided, however, that statutory fees with respect to this Plan shall be borne by SMIC, the Converted Company or HoldCo, as applicable. STOCK PURCHASE AGREEMENT

This STOCK PURCHASE AGREEMENT, dated as of January 27, 2016 (this Agreement), is made by and between National General Holdings Corp., a Delaware corporation (Buyer), and Standard Mutual Insurance Company, an Illinois mutual insurance company (Company). References herein to Company shall refer to Company before or after giving effect to the Conversion (as defined below), as required by the context. Capitalized terms used herein shall have the meanings assigned to such terms in the text of this Agreement or in Section 8.1.

RECITALS:

WHEREAS, Company proposes to convert to an Illinois stock insurance company pursuant to the Plan of Conversion in accordance with Section 59.1 of the Illinois Insurance Code (the Act), and, simultaneously with such conversion, to issue and sell all of its authorized shares to SPCI Holdings, Inc., a Delaware corporation to be formed prior to the Effective Date (HoldCo), with Company thereby becoming a wholly owned Subsidiary of HoldCo (collectively, the Conversion);

WHEREAS, in connection with the Conversion, Buyer will grant to Participants rights to subscribe for a certain number of shares of the Common Stock at a discount to the then-current market price of such shares, which number of shares and discount shall be determined pursuant to the terms hereof and the terms of the Plan of Conversion; and

WHEREAS, upon the Effective Date, Buyer will use the proceeds from the sale of the Common Stock to Participants, as well as other funds described herein, to purchase 1,000 shares of the common stock of HoldCo, par value \$0.01 per share (the Shares), which constitute all of the authorized shares of the capital stock of HoldCo, subject to the terms and conditions set forth in this Agreement and the Plan of Conversion.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

ARTICLE 1

Sale and Purchase of Shares

Section 1.1 Purchase and Sale. In consideration for the sale and issuance of the Shares, and upon the terms and subject to the conditions of this Agreement, at the Closing, Buyer shall pay to HoldCo an amount (the Purchase Price) equal to (a) the Aggregate Subscription Amount, *plus* (b) the Cash Contribution Fund, if any, in cash, payable in accordance with Section 1.2, and HoldCo shall sell, issue and deliver to Buyer, all of the Shares, all of which shall be fully-paid and non-assessable.

Section 1.2 Closing. The closing of the sale and purchase of the Shares (the Closing) shall take place at the offices of Locke Lord LLP, 3 World Financial Center, Suite 2001, New York, New York 10281 at 10:00 a.m. on the Effective Date; provided, that all conditions set

Table of Contents

forth in Article 5 have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing but subject to the satisfaction or waiver of those conditions at such time) and all items set forth on the Subscription Calculation Schedule are final, unless another time, date or place is agreed to in writing by the parties. The date on which the Closing actually occurs is referred to hereinafter as the Closing Date. At the Closing:

(a) Company and HoldCo shall deliver to Buyer:

(i) one or more certificates representing all of the Shares issued in the name of Buyer (or one of its wholly-owned Subsidiaries, as it shall designate);

(ii) a reasonably current certificate of compliance for Company issued by the Illinois Department of Insurance (the IL DOI);

(iii) a copy of the Certificate of Incorporation of HoldCo certified by the Secretary of State of Delaware;

(iv) a copy of the Organizational Documents of each of the Acquired Companies, certified by an officer of the applicable Acquired Company;

(v) the original corporate record books and stock record books of Company;

(vi) the stock certificates for all of the issued and outstanding shares of the capital stock of Company after the Conversion;

(vii) written resignations, effective as of the Closing Date, of each director and the officers listed in Section 1.2(a)(vii) of the Buyer Disclosure Letter, solely in their capacity as a director or officer and not in their capacity as an employee of Company, at least ten (10) Business Days prior to the Closing Date, which former directors and officers shall have their new titles listed in Section 1.2(a)(vii) of the Buyer Disclosure Letter; and

(viii) a certificate of Company attesting to the matters set forth in Section 5.2(a).

(b) Buyer shall (i) pay to HoldCo, by wire transfer of immediately available funds to an account of HoldCo designated by Company at least two (2) Business Days prior to the Closing Date, an amount equal to the Purchase Price, and (ii) deliver to Company a certificate of Buyer attesting to the matters set forth in Section 5.3(a).

Section 1.3 Subscription Calculation Schedule.

(a) Not later than five (5) Business Days prior to the expected Closing Date, Company shall deliver to Buyer a schedule setting forth the Aggregate Subscription Amount, the Cash Contribution Fund, the Employee Bonus Pool Fund, the Aggregate Discount Value, the Subscription Price, the Valuation Range and the Maximum Shares Issuable, including reasonable detail as to the calculation of each item (the Subscription Calculation Schedule). Company and its representatives will consult with Buyer and its representatives during the preparation of

Table of Contents

the Subscription Calculation Schedule and allow Buyer and its representatives to review drafts of the Subscription Calculation Schedule and workpapers relating thereto.

(b) Unless Buyer objects in good faith and in writing to any item on the Subscription Calculation Schedule or any calculation that is in conflict with the Plan of Conversion within two (2) Business Days of receiving the Subscription Calculation Schedule, the items set forth in the Subscription Calculation Schedule shall be deemed final.

(c) In the event Buyer objects in good faith and in writing to any item on the Subscription Calculation Schedule or any calculation that is in conflict with the Plan of Conversion within two (2) Business Days of receiving the Subscription Calculation Schedule, the parties shall use their respective best efforts to resolve such objection of the disputed item and the final amount thereof. If, after a period of ten (10) Business Days following the date on which Buyer provides notice of such dispute, any such calculation remains disputed, then Buyer and Company shall together choose an independent accounting firm of nationally-recognized standing (the Accounting Firm) to resolve any remaining disputes. The Accounting Firm shall act as an arbitrator to determine, based solely on presentations by Buyer and Company, and not by independent review, only those issues still in dispute with respect to the Subscription Calculation Schedule. The decision of the Accounting Firm shall be final and binding and shall be in accordance with the provisions of this Section 1.3. All of the fees and expenses of the Accounting Firm shall be borne by Buyer and Company in the same proportion that the aggregate amount of the disputed items submitted to the Accounting Firm that are unsuccessfully disputed by Buyer and Company, respectively (as finally determined by the Accounting Firm), bears to the total amount of items submitted to the Accounting Firm.

Section 1.4 Tax Treatment of Transaction. Solely for federal income Tax purposes, the parties agree that the Conversion and the purchase of Shares pursuant to this Agreement shall be treated as if the following occurred in the following order: (a) Buyer acquired all of the membership interests in Company (collectively, the Membership Interests) from the Eligible Members in exchange for Subscription Rights, (b) Buyer contributed the Membership Interests plus the Purchase Price to HoldCo in exchange for the Shares, and (c) HoldCo then contributed the Membership Interests plus a portion of the Purchase Price to Company, as converted, in exchange for all of the capital stock of Company, as converted.

ARTICLE 2

(a) Company has all requisite corporate power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the Transaction. The execution and delivery of this Agreement by Company, the performance of Company's obligations hereunder and the consummation of the Transaction have been duly authorized by all requisite corporate action of Company (other than the Member Approval). Section 2.3 Non-Contravention. The execution and delivery of this Agreement by Company and the performance of its obligations hereunder do not (a) conflict with or breach any provision of the Organizational Documents of the Acquired Companies, (b) assuming receipt of the Illinois Approval, conflict with or breach any provision of any applicable Laws, (c) assuming receipt of the Illinois Approval, except as set forth in Section 2.3(c) of the Company Disclosure Letter, require any consent of or other action by any Person under, constitute a default or an event that, with or without notice or lapse of time or both, would constitute a default under, or cause or permit the termination, cancellation, acceleration or other change of any right or obligation or the loss of any benefit under, any provision of a Material Contract, any material Permit affecting Company or any Insurance License of Company, or (d) result in the creation or imposition of any Lien (other than Permitted Liens) on any Assets, except, in the case of clauses (c) and (d), as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

Section 2.4 Capitalization; Title to Shares; Subsidiaries.

(a) As of the Effective Date, after giving effect to the Conversion, the authorized capital stock of HoldCo will consist of 1,000 shares of common stock, par value \$0.01 per Share, and the authorized capital stock of Company will consist of 1,000,000 shares of

The authorized, issued and outstanding capital stock or other equity interests of each other Acquired Company and the record owners thereof, in each case free and clear of any Lien, are set forth in Section 2.4(a) of the Company Disclosure Letter. Upon their issuance to Buyer in accordance herewith, the Shares will be duly authorized, validly issued, fully-paid and non-assessable.

(b) As of the Effective Date, after giving effect to the Conversion with respect to all of the Acquired Companies, except for Acquired Company Securities owned by Buyer or HoldCo, there will be no outstanding (i) shares of capital stock of or other voting or equity interests in any Acquired Company, (ii) securities, bonds, debentures or Indebtedness of any Acquired Company convertible into or exercisable or exchangeable for shares of capital stock of or other voting or equity interests in any Acquired Company, (iii) options, warrants or other rights or agreements, commitments or understandings of any kind to acquire from any Acquired Company, or other obligation of any of the Acquired Companies to issue, transfer or sell, any shares of capital stock of or other voting or equity interests in any Acquired Company or securities, bonds, debentures or Indebtedness convertible into or exercisable or exchangeable for shares of capital stock of or other voting or equity interests in any Acquired Company, (iv) voting trusts, proxies or other similar agreements or understandings to which any Acquired Company is a party or by which any Acquired Company is bound with respect to the voting of any shares of capital stock of or other voting or equity interests in any Acquired Company, or (v) contractual obligations or commitments of any character restricting the transfer of, or requiring the registration for sale of, any shares of capital stock of or other voting or equity interests in any Acquired Company (the items in clauses (i), (ii) and (iii) being referred to collectively as the Acquired Company Securities). As of the Effective Date, after giving effect to the Conversion, there will be no outstanding obligations of any Acquired Company to repurchase, redeem or otherwise acquire any Acquired Company Securities.

(c) Company does not have any Subsidiaries.

Section 2.5 Investments. Except as set forth in Section 2.5 of the Company Disclosure Letter, Company does not own any shares of capital stock of, or other voting or equity interests in (including any securities exercisable or exchangeable for or convertible into shares of capital stock of or other voting or equity interests in), any other Person (other than such capital stock or voting or equity interests held in Company's investment portfolio). (b) Subject to Section 1.2(b), all transfer, documentary, sales, use, stamp, registration, value added and other such Taxes and fees (including any penalties and interest) incurred in connection with the Transaction (including any real property transfer Tax and any similar Tax) shall be borne by HoldCo, and HoldCo will, at its own expense, file all necessary Tax Returns and other documentation with respect to all such Taxes and fees, and, if required by applicable Law, Buyer will, and will cause its Affiliates to, join in the execution of any such Tax Returns and other documentation.

Section 9.4 Governing Laws: Trial by Jury.

(a) THIS AGREEMENT SHALL BE GOVERNED IN ALL RESPECTS, INCLUDING AS TO VALIDITY, INTERPRETATION AND EFFECT, BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS, TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD PERMIT OR REQUIRE THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION. Buyer and Company hereby irrevocably submit to the jurisdiction of the courts of the State of New York and the federal courts of the United States of America located in the State, City and County of New York solely in respect of the interpretation and enforcement of the provisions of this Agreement and in respect of the Transaction. Each of Buyer and Company irrevocably agrees that all claims in respect of the interpretation and enforcement of the provisions of this Agreement and in respect of the Transaction, or with respect to any such action or proceeding, shall be heard and determined in such a New York State or federal court, and that such jurisdiction of such courts with respect thereto shall be exclusive, except solely to the extent that all such courts shall lawfully decline to exercise such jurisdiction. Each of Buyer and Company hereby waives, and agrees not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or in respect of any such transaction, that it is not subject to such jurisdiction. Each of Buyer and Company hereby waives, and agrees not to assert, to the maximum extent permitted by Law, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or in respect of any such transaction, that such action, suit or proceeding may not be brought or is not maintainable in such courts or that the venue thereof may not be appropriate or that this Agreement may not be enforced in or by such courts. Buyer and Company hereby consent to and grant any such court jurisdiction over the person of such parties and over the subject matter of any such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 9.1 or in such other manner as may be permitted by Law, shall be valid and sufficient service thereof.

(b) EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.5 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their respective heirs, successors and permitted assigns; provided, that this Agreement shall not be assignable or otherwise transferable by any party without the prior written consent of the other party other than by Buyer to a wholly-owned Subsidiary so long as Buyer remains obligated hereunder.

Section 9.6 Entire Agreement. This Agreement and the Confidentiality Agreement constitute the entire agreement and supersede all prior agreements, understandings and representations, both written and oral, between the parties with respect to the subject matter hereof.

Section 9.7 Severability. If any provision, including any phrase, sentence, clause, Section or subsection, of this Agreement is determined by a court of competent jurisdiction to be invalid, inoperative or unenforceable for any reason, such circumstances shall not have the effect of rendering such provision in question invalid, inoperative or unenforceable in any other case or circumstance, or of rendering any other provision herein contained invalid, inoperative or unenforceable to any extent whatsoever. Upon any such determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 9.8 Counterparts; Effectiveness; Third Party Beneficiaries. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall together constitute one and the same instrument. This Agreement shall become effective when each party shall have received a counterpart hereof signed by both parties. Until and unless each party has received a counterpart hereof signed by the other party, this Agreement shall have no effect and no party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication). Except as provided in Sections 4.2(c), 4.4(b) through (h), 4.11, 4.13, 4.14, 4.15, 4.16 and 4.17, no provision of this Agreement is intended to confer any rights, benefits, remedies, obligations or liabilities hereunder upon any Person other than the parties and their respective successors and assigns.

Members of the Board of Directors:

You have requested our opinion as to whether the proposed conversion of Standard Mutual Insurance Company (SMIC or the Company) sponsored by National General Holdings Corp. (NGHC) is fair, from a financial point of view, to SMIC.

Under the draft Plan of Conversion (Plan of Conversion) and the draft Stock Purchase Agreement between SMIC and NGHC (the Purchase Agreement), provided to us as of December 17, 2015, subject to appropriate member and regulatory approvals and other conditions: (i) SMIC will convert from a mutual insurance company to the stock form of organization under the Illinois Insurance Company Mutual-to-Stock Conversion Act by issuing all its stock to SMIC Holdco, Inc. (Holdco), a to-be-formed Delaware corporation; (ii) NGHC will acquire the authorized common stock of Holdco. for an amount of cash equal to \$20.4 million, the minimum of the valuation range established by the statutorily required and independently determined appraised value; (iii) NGHC will fund the purchase of Holdco common stock from the proceeds of an offering of NGHC common stock to SMIC members and non-employee directors, officers and employees, plus, to the extent necessary, NGHC cash; (iii) SMIC s members will receive the right to acquire between \$20.4 million and \$27.6 million of NGHC common stock at a discount to its volume weighted average trading price for the 10 calendar day-period ending on the business day prior to the date of the special meeting of SMIC voting members to be held to consider and vote on the Plan of Conversion and can receive an Aggregate Discount Value of up to \$5.0 million; and (iv) to the extent subscriptions do not result in subscribers realizing \$5.0 million in Aggregate Discount Value, the difference between \$5.0 million and the Aggregate Discount Value actually realized by subscribers will be contributed to an incentive compensation pool for SMIC employees in lieu of the formation of, and the issuance of NGHC common stock to, an employee stock ownership plan; and (v) as a result of all of the foregoing, SMIC will become an indirect subsidiary of NGHC. The conversion and steps outlined above are collectively referred to as the Transaction . The Transaction is subject to regulatory and member approval. Capitalized terms not otherwise defined herein are used as defined in the draft Purchase Agreement and the draft Plan of Conversion. The terms and conditions of the conversion and steps outlined above are set forth in more detail in the Plan of Conversion and the Purchase Agreement.

Edgar Filing: National General Holdings Corp. - Form S-4

In arriving at our opinion, we (i) reviewed a draft of the Plan of Conversion; (ii) reviewed a draft of the Purchase Agreement; (iii) reviewed certain historical financial information for SMIC for (a) the years

ended December 31, 2013 and 2014 on a statutory and GAAP basis, and (b) the nine months ended September 30, 2014 and September 30, 2015 on a statutory and GAAP basis; (iv) management forecast and related assumptions for five years ended December 31, 2020 and discussed such financial statements, forecast and SMIC's prospects with SMIC's management; (v) reviewed the Articles of Incorporation and bylaws of SMIC; (vi) reviewed certain actuarial reports and related loss data for SMIC for the period ending December 31, 2014 (SMIC has advised us that it does not seek an actuarial review of its reserves at any interim date); (vii) reviewed the A.M. Best (A. M. Best) rating agency reports and related information with respect to each of SMIC and NGHC; (viii) discussed with the management of SMIC and the SMIC board their belief that a return to an A. M. Best rating of A- stable outlook, will be a multi-year process that is dependent on sustained profitability during such period; (ix) discussed with SMIC management and board and with NGHC management the likelihood that the Transaction with NGHC, which holds an A. M. Best rating of A-, stable outlook, will result in SMIC being upgraded to the same A. M. Best rating as NGHC and the positive impact such a rating upgrade will have on SMIC and its business and prospects; (x) held discussions with National General's management team regarding National General's financial condition, results of operation and business strategy and NGHC's post-Transaction integration and operations plans for SMIC with management of SMIC and NGHC; (xi) compared the Transaction with publicly available information relating to certain sponsored conversions, (xii) compared to consideration paid to SMIC and to its policyholders/members to the consideration paid for companies we believed to be somewhat similar to SMIC; (xiii) prepared discounted cash flow analyses based on management's projections; (xiv) compared the financial condition and operating performance of NGHC and SMIC to publicly available information concerning certain other companies we deemed relevant; (xiv) reviewed NGHC's stock price history, investor composition, volume and liquidity data, analyst reports and dividend payment history, (xv) reviewed financial statements and other information filed by NGHC with the Securities and Exchange Commission since January 1, 2013; and (xvi) performed such other studies and analyses and reviewed such other information as we deemed appropriate for the purposes of this opinion.

In our review we also considered (i) the statutorily required appraisal performed by Feldman Financial Advisors, Inc. noting that it was prepared using June 30, 2015 data and that SMIC had a loss in the third quarter of 2015; (ii) SMIC's history and estimates of future losses; (iii) the vibrancy of the process by which NGHC was selected to sponsor the Company's conversion; (iv) the impact of the Transaction on the Company's constituents and stakeholders, including policyholders in their capacity both as creditors and members, management and employees, agents and the communities SMIC serves; and (v) the fact that certain covenants contained in the Stock Purchase Agreement can be enforced for six years by an advisory board consisting of three current directors of SMIC. In addition, we have had discussions with certain members of the management of each of SMIC and NGHC with respect to the economic and regulatory environments in which each company operates, the Transaction structure, post-Transaction integration, rating, capital adequacy, past and current business operations and the financial condition of each company, and the future plans and prospects for SMIC after integration of the Transaction by NGHC. We also discussed with members of SMIC's management team and the SMIC Board the background and reasons for the Transaction, losses and potential losses, liquidity, investment and operating performance, as well as the

future plans and prospects for SMIC with and without a conversion (on a standalone or backstopped basis), as well as the pro forma effects of the Transaction on the financial condition, performance and future prospects of SMIC.

In providing our opinion, we have relied upon and assumed the accuracy and completeness of all information which was publicly available or which was furnished to us or which we discussed with the management of SMIC or NGHC or otherwise reviewed with each of them, and we have not independently verified (nor have we assumed responsibility or liability for independently verifying) any such information or its accuracy or completeness. We have further assumed that the fiduciary duty of directors of SMIC under Illinois law is to members of SMIC but that SMIC members do not own SMIC and have no legal right to any distribution of SMIC's surplus in connection with SMIC's conversion from mutual to stock form. We have not conducted or, except as specified herein, been provided with any valuation or appraisal of assets or liabilities (including any off-balance sheet liabilities) or surplus or projected income or cash flow derived therefrom of either SMIC or NGHC, nor have we examined the solvency of SMIC or NGHC under any state or federal laws relating to receivership, bankruptcy, insolvency or similar matters. In relying on financial information and analyses provided to us or derived therefrom, we have assumed that such financial information and analyses have been reasonably prepared based on assumptions reflecting the best currently available estimates and judgments and that management is not aware of any facts that would make such information or analyses inaccurate, incomplete or misleading. We also have not performed due diligence on SMIC or NGHC's physical properties and facilities, sales, marketing, distribution or service organizations or products.

We are not actuaries and our services did not include any actuarial determinations or evaluations by us, or any attempt to evaluate any third party or management-prepared actuarial estimates provided to us or any assumptions on which they were based. Our opinion assumes that the actuarial report of SMIC's independent actuary is accurate. We did not independently verify the accuracy of such report.

You have not requested, and we have not opined on any particular step or aspect of the Transaction or the relative merits of the Transaction compared to any other transactional opportunity that has been or might be available to SMIC or on the effect of any alternative structure that is or could be available to SMIC with NGHC or any other party. Similarly, you have not requested and we are not opining on (i) the fairness of the amount or nature of compensation or other consideration that may inure to the benefit of any SMIC director or officer or employee in connection with the Transaction or otherwise; (ii) the fairness of the Transaction to any particular constituent of SMIC; (iii) the fair market value of the NGHC Common Stock to be offered to SMIC members in connection with the Transaction or the price at which NGHC will trade after public announcement or completion of the Transaction; (iv) the fair market value of SMIC or the pro forma value of SMIC required by the Illinois Mutual-to-Stock Conversion Act; (v) the determination as to which SMIC members are to be included among members that are eligible to acquire NGHC Common Stock in the Transaction, (vi) the maximum dollar amount of NGHC Common Stock which any one member can purchase in the Transaction; (viii) the value delivered by NGHC to Stancorp, Inc., a holding company controlled by Mark Roberts, Jr., the CEO of SMIC, and certain family members, that provides

certain services directly and indirectly to SMIC; or (ix) the tax or financial accounting aspects of the Transaction.

In providing our opinion, we have also assumed that the final Purchase Agreement and the final Plan of Conversion will be identical, in all material respects, to the draft Purchase Agreement and the draft Plan of Conversion reviewed by us and that the Transaction will be completed on the terms and conditions described in the Purchase Agreement, without any waiver or modification of any terms or conditions material to our opinion. We express no view as to any analyses, forecasts or estimates, prepared by third parties or the assumptions on which they were based. We have also assumed that the representations and warranties made by SMIC and NGHC in the Purchase Agreement and the related agreements and certificates are, and will be true and correct, in all respects material to our analysis, and that the covenants and agreements contained therein will be performed in all respects material to our analysis. We are not actuarial, legal, regulatory or tax experts and have relied on the assessments made by relevant advisors to SMIC with respect to such issues. We have further assumed that all member, material governmental, regulatory or other consents and approvals necessary for the completion of the Transaction will be obtained without any adverse effect on SMIC or NGHC or on the contemplated benefits of the Transaction.

We have been retained by SMIC as set forth herein. We will receive a fee from SMIC for providing our opinion, which will become payable upon delivery of this opinion, regardless of the conclusion we reached and regardless of whether or not the proposed Transaction is completed. We also will receive a transaction-based fee payable upon completion of the Transaction. SMIC has agreed to indemnify us for certain liabilities arising from of our engagement.

On the basis of and subject to the foregoing and as set forth below, it is our opinion that, as of the date hereof, the Transaction is fair, from a financial point of view, to SMIC.

In arriving at our opinion we considered all of the analyses and factors described above. Consequently, no one analysis or factor should be viewed as determinative with respect to our determination of the fairness of the Transaction to SMIC. In providing our opinion that the Transaction is fair to SMIC, we considered, but do not opine, on the impact of the Transaction to any particular SMIC constituent, including SMIC agents, creditors, employees, members in their capacity as such and as policyholders or the communities in which SMIC is located. Our opinion is necessarily based on economic, market, industry and SMIC and NGHC specific conditions as in effect on, and the information made available to us as of, the date hereof. It speaks only as of the date hereof. It should be understood that subsequent developments may affect this opinion and that we do not have any obligation to update, revise, or reaffirm this opinion.

We call to your attention that: (i) during the three years preceding the date of this letter, we have had no investment banking relationship with SMIC, except in connection with assisting it in evaluating its strategic alternatives, exploring alternative Transactions and executing the Transaction; (ii) during the three years preceding the date of this letter we have had no investment banking relationship with NGHC except that in 2013 and 2014 we acted as an

independent financial advisor to a special committee of the board of

directors of NGHC and a special committee of the board of directors of an affiliate of NGHC in connection with transactions unrelated to the Transaction and provided fairness opinions in connection therewith; (iii) our law firm affiliate has also represented a special committee of the board of directors of NGHC in connection with one of these unrelated transactions; and (iv) e reviewed the terms of the transactions with Stancorp but did not assign any value to such transaction in determining if the Transaction is fair to the Company from a financial point of view.

This opinion has been approved by our fairness opinion committee. It is provided to the Board of Directors of SMIC in connection with and for the purposes of its evaluation of the Transaction and related matters and may not be relied upon by any other person for any other reason. This opinion does not constitute a recommendation to any member of SMIC (i) as to how such member should vote with respect to the Transaction, (ii) whether or not such member should purchase NGHC common stock, or (iii) on any other matter. This opinion may not be disclosed, referred to, or communicated (in whole or in part) to any third party for any purpose whatsoever except with our prior written approval. This opinion may, however, be reproduced in the Member Information Statement and the prospectus forming a part of a registration statement filed with the Securities and Exchange Commission with respect to the offering of NGHC common stock, each of which will be mailed to members of SMIC. However, such opinion must be reproduced in such documents in its entirety, and such documents must include a summary of the opinion and related analysis if required or if we deem it necessary or desirable in a form prepared or approved by us. This opinion may not otherwise be disclosed publicly in any manner without our prior written approval.

PART II INFORMATION

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers

Amended and Restated Certificate of Incorporation

Section 145 of the DGCL authorizes a court to award, or a corporation to grant, indemnity to officers, directors and other corporate agents in connection with certain legal proceedings and permits a corporation to include in its charter documents and agreements between the corporation and its officers, directors and other corporate agents, provisions expanding the scope of indemnification beyond that specifically provided for by Section 145.

Our charter provides that we will indemnify our directors and officers, and may indemnify our employees and agents, to the fullest extent permitted by Delaware law, including in circumstances in which indemnification is otherwise discretionary under Delaware law.

The foregoing statements are subject to the detailed provisions of the DGCL and the full text of our charter, which is was incorporated by reference to Exhibit 3.1 to National General's Registration Statement on Form S-1 (No. 333-190454) filed on August 7, 2013).

The DGCL

Subsection (a) of Section 145 of the DGCL empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of the fact that such person is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful.

Subsection (b) of Section 145 of the DGCL empowers a corporation to indemnify any person who was or is a party or threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses (including attorney's fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted under similar standards, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which the action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case the person is fairly and reasonably entitled to indemnity for the expenses which the court shall deem proper.

Section 145 of the DGCL further provides that, to the extent a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (a) and (b) or in the defense of any claim, issue or matter therein, the person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred in connection therewith; that indemnification provided for

by Section 145 of the DGCL shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; the right to indemnification and advancement of expenses arising under a provision of the certificate of incorporation or bylaws shall not be eliminated or impaired by an amendment to such provision after the occurrence of the act or omission that is the subject of civil, criminal, administrative or

II-1

Table of Contents

investigative action, suit or proceeding for which indemnification or advancement of expenses is sought, unless the provision in effect at the time of such act or commission explicitly authorizes such elimination or impairment after such act or omission has occurred; and that the scope of indemnification extends to directors, officers, employees or agents of a constituent corporation absorbed in a consolidation or merger and persons serving in that capacity at the request of the constituent corporation for another. Section 145 of the DGCL also empowers the corporation to purchase and maintain insurance on behalf of a director or officer of the corporation against any liability asserted against or incurred by the person in any such capacity or arising out of the person's status as such, whether or not the corporation would have the power to indemnify the person against such liabilities under Section 145 of the DGCL, including liabilities under the Securities Act.

Insurance

We have obtained directors' and officers' insurance to cover our respective directors, officers and some of our employees for certain liabilities incurred in their capacities as such.

Indemnification Agreements

National General has entered into written indemnification agreements with its directors and executive officers (a form of which is filed as Exhibit 10.14 to National General's registration statement on Form S-1 (No. 333-190454) filed on August 7, 2013). Under these agreements, if an officer or director makes a claim of indemnification to National General, either a majority of the independent directors or independent legal counsel selected by the independent directors must review the relevant facts and make a determination whether the director or officer has met the standards of conduct under Delaware law that would permit (under Delaware law) and require (under the indemnification agreement) National General to indemnify the director or officer.

The foregoing represents a summary of the general effect of National General's Amended and Restated Certificate of Incorporation, the DGCL, National General's insurance coverage and the indemnification agreements for purposes of general description only.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the Offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, if the Registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- (5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the Offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the Offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
 - (iii) The portion of any other free writing prospectus relating to the Offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
 - (iv) Any other communication that is an offer in the Offering made by the undersigned Registrant to the purchaser.

- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) (1) The undersigned registrant hereby undertakes as follows: That before any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.
- (2) The registrant undertakes that every prospectus: (i) that is filed pursuant to paragraph (1) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415,

will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the Offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

- (e) The undersigned Registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

- (f) The undersigned Registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
