ITEM 4. CHANGE IN REGISTRANT'S CERTIFYING ACCOUNTANT

On June 7, 2002, Simon Property Group, L.P., a Delaware limited partnership (the Plan Administrator), decided to replace Arthur Andersen LLP ("Andersen") with Ernst & Young LLP ("E&Y") as the independent accountants of the Simon Property Group and Adopting Entities Matching Savings Plan (the "Plan"). The change in accountants will become effective immediately. This decision was approved by the Audit Committee of the Board of Directors of Simon Property Group, Inc., managing general partner of the Plan Administrator.

Edgar Filing: SIMON PROPERTY GROUP INC /DE/ - Form 8-K

Andersen's reports on the Plan's financial statements for the past two years did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the two most recent fiscal years ended December 31, 2001 and 2000, and the subsequent interim period through the date of this report, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to Andersen's satisfaction, would have caused Andersen to make reference to the subject matter in its report on the Plan's financial statements for such years; nor were there any reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

The Plan Administrator has provided Andersen a copy of the foregoing disclosures. A letter from Andersen stating its agreement with such disclosures is attached as Exhibit 16 to this report.

During the years ended December 31, 2001 and 2000 and the subsequent interim period through the date of this report, neither the Plan Administrator nor anyone acting on the Plan's behalf consulted E&Y with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Plan's financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

I. INFORMATION ABOUT VOTING

Solicitation of Proxies

The Board of Directors (the Board of Directors or the Board) of Kirkland's, Inc. (Kirkland's or the Company) is soliciting proxies for use at our annual meeting of shareholders to be held on June 1, 2016 (the Annual Meeting) and any adjournments of that meeting. We first mailed this proxy statement, the accompanying form of proxy and our Annual Report to Shareholders for our fiscal year ending January 30, 2016 (fiscal 2015) on or about April 29, 2016.

Agenda Items

The agenda for the Annual Meeting is to:

1. Elect three Class II directors;
2. Ratify the selection of Ernst & Young LLP as our independent registered public accounting firm;
3. Hold an advisory vote on executive compensation;
4. Consider and vote on an amendment to the Company's 2002 Employee Stock Purchase Plan to increase the number of shares available for issuance under that Plan (the ESPP Amendment); and
5. Vote on any other business properly brought before the meeting.

Who Can Vote

You can vote at the Annual Meeting if you are a holder of our common stock, no par value per share (Common Stock), on the record date. The record date is the close of business on April 6, 2016. You will have one vote for each share of Common Stock. As of April 6, 2016, there were 15,782,652 shares of Common Stock outstanding and entitled to vote.

How to Vote

For Shares Held Directly in the Name of the Shareholder

If you hold your shares in registered form and not through a bank, brokerage firm or other nominee, you may vote your shares in one of two ways:

In Person. If you choose to vote in person, you can attend the Annual Meeting and cast your vote in person; or

Voting By Mail. If you choose to vote by mail, complete the enclosed proxy card, date and sign it, and return it in the postage-paid envelope provided. If you sign your proxy card and return it without marking any voting instructions, your shares will be voted in favor of each of the proposals presented at the Annual Meeting.

For Shares Held Through a Bank, Brokerage Firm or Other Nominee

If you hold your shares through a bank, brokerage firm or other nominee, you may vote your shares in any one of three ways:

In Person. If you choose to vote in person at the Annual Meeting, you must obtain a legal proxy from your bank, brokerage firm or other nominee authorizing you to vote at the Annual Meeting. You can then come to the Annual Meeting and cast your vote in person;

Table of Contents

Voting By Mail. If you choose to vote by mail, complete and return to your bank, brokerage firm or other nominee the voting instruction form provided to you by your bank, brokerage firm or other nominee; or

Voting By Telephone or Internet. If you choose to vote by telephone or Internet, vote in accordance with instructions set forth on the voting instruction form provided to you by your bank, brokerage firm or other nominee.

Use of Proxies

Shareholders of record receive the proxy materials, including a proxy card, from the Company, whereas shareholders who beneficially own their shares through a bank or brokerage firm in street name will receive the proxy materials, together with a voting instruction form, from the bank or broker. If you are a shareholder of record, unless you tell us on the proxy card to vote differently, we plan to vote signed and returned proxies **FOR** the nominees for director, **FOR** the approval of Ernst & Young LLP as the Company's independent registered public accountant for fiscal 2016, **FOR** the ratification of the compensation of the named executive officers, as disclosed in this proxy statement, pursuant to an advisory vote on executive compensation, and **FOR** the ESPP Amendment. We do not now know of any other matters to come before the Annual Meeting. If they do, proxy holders will vote the proxies according to their best judgment.

Shareholders who hold their shares in street name should refer to **Broker Non-Votes** below for information concerning the voting of their shares on any matter for which they do not provide instructions to their bank or broker, either by returning a completed, dated and signed voting instruction form in the envelope provide, or by telephone or Internet as provided elsewhere herein.

Quorum Requirement

We need a quorum of shareholders to hold a valid Annual Meeting. A quorum will be present if the holders of at least a majority of the outstanding Common Stock entitled to vote at the Annual Meeting either attend the Annual Meeting in person or are represented by proxy. Broker non-votes and votes withheld are counted as present for the purpose of establishing a quorum.

Vote Required for Action

Directors are elected if the votes cast **FOR** exceed the votes cast **AGAINST** at the Annual Meeting (with abstentions and broker non-votes not counted as votes cast either for or against such election). Proxies may not be voted for more than three directors, and shareholders may not cumulate votes in the election of directors.

The ratification of Ernst & Young LLP (**EY**) as our independent registered public accountants for fiscal 2016, the advisory vote on executive compensation, the amendment of the Plan, and any other actions properly presented at the Annual Meeting are approved if the votes cast in favor of the action exceed the votes cast opposing the action.

Shares represented by proxies that are properly marked **ABSTAIN** will be counted for purposes of determining the presence of a quorum at the 2016 Annual Meeting. Shares represented by proxies that abstain from voting on the ratification of EY as our independent registered public accountant for fiscal 2016, the advisory vote on executive compensation, or the amendment to the Plan, will not have any effect on the outcome of those votes.

Broker Non-Votes

A broker non-vote occurs when banks or brokerage firms holding shares on behalf of a shareholder do not receive voting instructions from the beneficial owner of the shares by a specified date before the Annual Meeting and do not have discretionary authority to vote those undirected shares on specified matters under applicable stock exchange rules. The election of directors, the advisory vote related to executive compensation, and amendment of the Plan are considered non-routine matters and bank / broker discretionary voting on these matters is prohibited. As a result, if you are a beneficial owner, hold your shares in street name, and do not give your broker or other nominee instructions on how to vote your shares with respect to the election of directors, the advisory vote on executive compensation, or the amendment of the Plan, no votes will be cast on your behalf with respect to those

Table of Contents

proposals. In contrast, the ratification of auditors is a discretionary matter, so your broker or nominee will be permitted to exercise discretionary authority to vote your shares with respect to the ratification of our selection of EY as our independent registered public accounting firm even if you do not give your broker or other nominee instructions on how to vote your shares with respect to that proposal. Shares with respect to which brokers do not have authority to vote may still be counted in determining whether a quorum is present.

Because the Company has a majority voting standard for the election of directors, and the other proposals will be approved if the votes cast in favor of the action exceed the votes cast opposing the action, broker non-votes will have no effect on the outcome of the vote on any of the proposals contained in this Proxy Statement.

Revoking a Proxy or Changing Your Vote

For Shares Held Directly in the Name of the Shareholder

If you hold your shares in registered form and not through a bank, brokerage firm or other nominee, you may revoke your proxy at any time before it is exercised. You can revoke a proxy by:

Submitting a later-dated proxy by mail;

Sending a written notice to the Corporate Secretary of Kirkland & Co. You must send any written notice of a revocation of a proxy so as to be delivered before the taking of the vote at the Annual Meeting to:
Kirkland & Co., Inc.

5310 Maryland Way

Brentwood, TN 37027

Attention: Carter R. Todd

Vice President, General Counsel and Corporate Secretary

; or

Attending the Annual Meeting and voting in person. Your attendance at the Annual Meeting will not in and of itself revoke your proxy. You must also vote your shares at the Annual Meeting in order to effectively revoke your previously delivered proxy.

For Shares Held Through a Bank, Brokerage Firm or Other Nominee

If you hold your shares through a bank, brokerage firm or other nominee, you may change your vote at any time by:

Submitting a later-dated voting instruction form by mail to your bank, brokerage firm or other nominee;

Submitting a later-dated telephone or Internet vote in accordance with instructions set forth on the voting instruction form provided to you by your bank, brokerage firm or other nominee; or

Attending the Annual Meeting and voting in person. Your attendance at the Annual Meeting will not in and of itself revoke your voting instructions to your bank, brokerage firm or other nominee. You must also vote your shares at the Annual Meeting in order to effectively revoke your previously delivered voting instructions. In order, however, to vote your shares at the Annual Meeting, you must obtain a legal proxy, executed in your favor, from your bank, brokerage firm or other nominee to be able to vote at the Annual Meeting.

II. THE PROPOSALS TO BE VOTED ON

Proposal 1 Election of Directors

Our Board of Directors consists of three classes of directors, each class with three directors. The term for each class is three years. Class terms expire on a rolling basis, so that one class of directors is elected each year. Currently, there are nine incumbent directors, consisting of three in Class II whose terms will expire at this Annual

Table of Contents

Meeting, three in Class III whose terms will expire at the 2017 Annual Meeting and three in Class I whose terms will expire at the 2018 Annual Meeting. Two of our current Class II directors, Ralph T. Parks and Murray Spain (whose information is also provided below), intend to retire as a director and will not stand for re-election, effective as of the Annual Meeting.

The nominees for Class II director this year are Susan S. Lanigan, W. Michael Madden and Charlie Pleas, III. Ms. Lanigan and Mr. Pleas are both new nominees standing for election. Information about the nominees, the incumbent directors not standing for re-election, and the Board of Directors is contained in the next section of this Proxy Statement entitled Board of Directors.

The Board of Directors expects that each of the nominees will be able and willing to serve as directors. If any nominee is not available, the proxies may be voted for another person nominated by the Board of Directors to fill the vacancy, or the size of the Board of Directors may be reduced. In the event that a director fails to receive the number of votes required for reelection to the Board, the Company's Governance and Nominating Committee will make a recommendation to the Board of Directors as to whether the Board of Directors should accept the director's resignation or take such other action as the Committee may recommend. The Board of Directors will act on the Committee's recommendation and publicly disclose its decision and the rationale behind such decision within ninety (90) days after certification of the election results.

The Board of Directors recommends a vote FOR the election of each of Susan S. Lanigan, W. Michael Madden and Charlie Pleas, III to the Board of Directors.

Proposal 2 Ratification of Independent Registered Public Accounting Firm

Our audit committee (the Audit Committee) has selected EY as our independent registered public accounting firm to perform the audit of our consolidated financial statements for the fiscal year 2016. In deciding to engage EY, our Audit Committee noted that there were no auditor independence issues raised with EY.

Our Board of Directors recommends that the shareholders ratify the selection of EY as our independent registered public accounting firm. This appointment will be submitted to our shareholders for ratification at the Annual Meeting. The submission of the appointment of EY is required neither by law nor by our bylaws. Our Board of Directors is nevertheless submitting it to our shareholders to ascertain their views. If our shareholders do not ratify the appointment, the selection of another independent registered public accounting firm will be considered by our Board of Directors. If EY shall decline to accept or become incapable of accepting its appointment, or if its appointment is otherwise discontinued, our Board of Directors will appoint another independent registered public accounting firm.

Our Audit Committee reviews audit and non-audit services performed by EY, as well as the fees charged by EY for such services. In its review of non-audit service fees, the Audit Committee considers, among other things, the possible effect of the performance of such services on the auditor's independence. Additional information concerning the Audit Committee and its activities with EY can be found in the following sections of this proxy statement: Board Committees: Audit Committee, at page 11, and Audit Committee Report at page 32. For additional information about EY see Independent Registered Public Accounting Firm on page 31 of this Proxy Statement.

The Board of Directors recommends a vote FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year 2016.

Proposal 3 Advisory Vote Related to Executive Compensation

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) enables our shareholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the Securities and Exchange Commission s (SEC) rules.

Table of Contents

As described in detail under the heading "Executive Compensation – Compensation Discussion and Analysis" on page 18, our executive compensation programs are designed to attract, motivate, and retain our named executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of strategic goals and the realization of increased shareholder value. Please read the "Executive Compensation – Compensation Discussion and Analysis" for additional details about our executive compensation programs, including information about the fiscal 2015 compensation of our named executive officers.

We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our shareholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our shareholders to vote **FOR** the following resolution at the Annual Meeting:

RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2016 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosure.

The say-on-pay vote is advisory and is therefore not binding on the Company, the Compensation Committee or our Board of Directors. Our Board of Directors and our Compensation Committee value the opinions of our shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our shareholders' concerns, and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board of Directors recommends that you vote **FOR this Proposal 3 to ratify the compensation of the named executive officers as disclosed in this proxy statement.**

Proposal 4 – Amendment of the Company's 2002 Employee Stock Purchase Plan to Increase the Number of Shares Available for Issuance under that Plan

On March 30, 2016, our Board of Directors unanimously adopted the ESPP Amendment, a copy of which is attached hereto as [Appendix A](#). The purpose of the ESPP Amendment is to increase the number of shares of common stock authorized to be issued under the ESPP by 125,000 shares, effective upon adoption of the ESPP Amendment, and to increase the number of shares added to the Plan by up to 35,000 shares annually commencing January 1, 2017. The ESPP was originally adopted in 2002 and at that time there were 500,000 shares reserved for issuance under the Plan. As of the record date, there were now fewer than 15,000 shares reserved and available for issuance under the ESPP. Upon shareholder approval of the ESPP Amendment, the number of shares of common stock authorized to be issued under the ESPP will immediately increase by 125,000 shares and will increase annually thereafter each January 1 commencing on January 1, 2017 by up to an additional 35,000 shares. Except as described above, all other terms of the ESPP shall remain the same. A copy of the ESPP is attached hereto as [Appendix B](#).

We are requesting in this Proposal 4 that our shareholders approve the ESPP Amendment. The affirmative vote of a majority of the shares entitled to vote and present in person or by proxy is required to approve the ESPP Amendment. The key features of the ESPP are outlined below. This summary, however, does not purport to be a complete description of the ESPP.

Purpose

The purpose of the ESPP is to provide our eligible employees with the opportunity to increase their stake in the success of Kirkland's by buying stock from the Company on favorable terms. Generally, participants in the ESPP will accumulate funds to purchase shares through payroll deduction and those accumulated funds will be applied quarterly to purchase shares of stock at a discount.

Table of Contents

Administration and Operation

The Board administers the ESPP and has the final power to construe and interpret the Plan. The Board has the power to delegate such administration and has chosen to delegate the administration of the ESPP to the Compensation Committee of the Board. Employees are eligible to participate in the ESPP if they have been employed by the Company or one of its subsidiaries for at least 12 months and work more than 20 hours per week for more than five months per calendar year. There are four quarterly stock purchase periods in each year, and shares of stock are purchased at the end of each such purchase period. The purchase price per share of stock is 85% of the fair market value per share of stock of the last trading day of the purchase period.

Stock Subject to ESPP

Subject to approval of this proposal, an aggregate of 125,000 shares plus any shares that might be remaining in the ESPP after the first quarter 2016 purchase period will be reserved for issuance under the ESPP. Pursuant to the Amendment, the number of shares of stock reserved for issuance under the ESPP will automatically increase on January 1 of each year for a period of up to ten years, beginning on January 1, 2017 and ending on (and including) January 1, 2026, by the lesser of (i) .5% of the total number of shares of our common stock outstanding on December 31 of the preceding calendar year, (ii) 35,000 shares of common stock, or (iii) such lesser number of shares of common stock as determined by the Board. The shares of common stock purchasable under the ESPP will be shares of authorized but unissued or reacquired common stock, including shares repurchased by us on the open market. If the Amendment is not approved and the total number of shares for which purchase rights are exercised exceeds the number of shares remaining in the ESPP, then the available shares will be prorated among all plan participants. In that case, any amounts not applied to the purchase of the available shares will be refunded to participating employees of the Company, and the ESPP will cease.

Federal Tax Consequences

The ESPP is intended to be an employee stock purchase plan within the meaning of Section 423 of the Internal Revenue Code of 1986, as amended (the Code). Under such a plan, no taxable income is recognized by the participant either when the purchase right is granted at the beginning of the purchase period or when the shares are purchased at the end of each purchase period.

The Board of Directors unanimously recommends that you vote FOR the amendment of the Company's 2002 Employee Stock Purchase Plan to add additional shares to the Plan.

IV. INFORMATION ABOUT THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board Leadership Structure

The Board of Directors of the Company is led by a Chairman of the Board and chairmen of the various committees of the Board of Directors. The Company has determined that it is appropriate for the Chairman of the Board of Directors to be an independent director, so that the same person does not fill the roles of chairman and chief executive officer. While such a dual role is permitted, the Company desires to establish a measure of board independence by appointing an independent director to serve as Chairman of the Board of Directors. If the CEO or another insider ever serves as Chairman of the Board of Directors in the future, we would anticipate that a Lead Independent Director, elected by the independent directors, would preside over executive sessions of the independent directors. In addition to preserving the independence of the Board of Directors as a whole, each of the committees of the Board of Directors is chaired by an independent director (and is comprised only of independent directors), in accordance with the applicable listing standards of The Nasdaq Stock Market (Nasdaq). The Board of Directors believes its current structure and operation, as described herein, properly safeguards the independence of the Board of Directors.

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics that applies to its directors, officers and employees, including the Company's principal executive officer, principal financial officer and principal accounting officer. This Code of Business Conduct and Ethics may be found on the Company's investor website at www.kirklands.com under Investor Relations - Corporate Governance - Governance.

Board Independence

Consistent with the Nasdaq listing standards and the regulations promulgated by the SEC, a majority of the members of a listed company's board of directors must qualify as independent, as affirmatively determined by the

Table of Contents

Board of Directors. After review of all relevant transactions and relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors, the Board of Directors affirmatively has determined that the following directors, constituting a majority of the Company's directors, are independent directors within the meaning of the applicable Nasdaq listing standards: Steven J. Collins, Carl T. Kirkland, R. Wilson Orr, III, Ralph T. Parks, Miles T. Kirkland, Murray M. Spain and Jeffery C. Owen. The Board of Directors has also determined that the two new nominees to the Board would be independent directors within the meaning of the applicable Nasdaq listing standards. The Company's independent directors meet in regularly scheduled executive sessions at which only independent directors are present.

Board of Directors and Committee Meetings

During fiscal 2015, the Board of Directors held six regular meetings. All directors attended at least 75% of the meetings of the Board of Directors and all committees of the Board of Directors on which they served. While the Company encourages all members of the Board of Directors to attend annual meetings of the Company's shareholders, there is no formal policy as to their attendance. All members of the Board of Directors attended the 2015 annual meeting of shareholders, except for Messrs. Collins and Spain.

The Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Governance and Nominating Committee.

Audit Committee

The Board of Directors has adopted a written charter that outlines the duties of the Audit Committee. A copy of this charter is available on the Company's investor website at www.kirklands.com under Investor and Media Relations Corporate Governance - Committees. The principal duties of the Audit Committee, among other things, are to:

review and reassess the adequacy of the Audit Committee and its charter not less than annually and recommend any proposed changes to the Board of Directors for consideration and approval;

review with management and the Company's independent public accountants the Company's audited financial statements and related footnotes, and the clarity of the disclosures in the financial statements;

meet periodically with management and the Company's independent public accountants to review the Company's major financial risk exposures and the steps taken to monitor and control such exposures;

review and discuss quarterly reports from the Company's independent public accountants regarding all critical accounting policies and practices to be used;

obtain from the Company's independent public accountants their recommendation regarding internal controls and other matters relating to the accounting procedures and the books and records of the Company and the correction of controls deemed to be deficient;

pre-approve all auditing services and permitted non-audit services (including the fees for such services and terms thereof) to be performed for the Company by its independent public accountants;

adopt procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters;

establish, review and update policies for approving related party transactions; and monitor implementation of such policies; and

review and approve any transactions between the Company and related parties.

Table of Contents

Members: Mr. Parks (Chairman), Mr. Owen, Mr. Orr and Mr. Spain. All of the members of the Audit Committee are independent as defined by the applicable rules and regulations of Nasdaq and the SEC.

The Board of Directors has determined that the Audit Committee does not have an audit committee financial expert as that term is defined in the SEC's rules and regulations. However, the Board of Directors believes that each of the members of the Audit Committee has demonstrated that he is able to read and understand fundamental financial statements, including the Company's balance sheets, statements of operations and statements of cash flows. In addition, the Board believes that Board nominee Charlie Pleas, III, would qualify as an audit committee financial expert and if he is elected to the Board at the Annual Meeting, it is expected that he would be appointed to the Audit Committee.

Number of Meetings in fiscal 2015: 10

Compensation Committee

The Board of Directors has adopted a written charter that outlines the duties of the Compensation Committee. A copy of this charter is available on the Company's investor website at www.kirklands.com under Investor and Media Relations Corporate Governance - Committees. Under the terms of its charter, the Compensation Committee is directly responsible for establishing compensation policies for our executive officers. The principal duties of the Compensation Committee, among other things, are to:

review and recommend to the Board of Directors the annual salary, bonus, stock compensation and other benefits, direct and indirect, of the Company's executive officers, including the Chief Executive Officer and Chief Financial Officer;

review and provide recommendations to the Company regarding compensation and bonus levels of other members of senior management;

review and recommend to the Board of Directors new executive compensation programs;

grant awards under our equity incentive plans and establish the terms thereof;

review and recommend to the Board of Directors the terms of any employment agreement executed by the Company with an executive officer of the Company;

review and recommend to the Board of Directors the appropriate structure and amount of compensation for the Directors;

oversee all matters relating to the outcome of shareholder advisory votes on executive compensation, including recommending the frequency of such advisory votes to the Board of Directors;

oversee the appropriate Committee response to a say-on-pay vote that does not achieve the required vote and, based on such result, determine if any compensation arrangement subject to such advisory voting should be modified;

review and approve material changes in the Company's employee benefit plans; and

where applicable, employ a compensation consultant that reports directly to the committee to assist in the evaluation of our executive compensation programs.

Members: Mr. Collins (Chairman), Mr. Owen, Mr. M. Kirkland and Mr. Orr. All of the members of the Compensation Committee are independent as defined by the applicable rules and regulations of Nasdaq and the SEC.

Governance and Nominating Committee

The Board of Directors has adopted a written charter that outlines the duties of the Governance and Nominating Committee. A copy of this charter is available on the Company's investor website at www.kirklands.com under Investor and Media Relations Corporate Governance - Committees. The principal duties of the Governance and Nominating Committee, among other things, are to:

Review and make recommendations on the range of skills and expertise which should be represented on the Board of Directors, and the eligibility criteria for individual Board of Directors and committee membership;

identify and recommend potential candidates for election or re-election to the Board of Directors;

implement a policy and procedures with regard to the consideration of any director candidates recommended by security holders; and

review and recommend to the Board of Directors the appropriate structure of Board of Directors committees, committee assignments and the position of chairman of each committee.

Members: Mr. Orr (Chairman), Mr. Collins, and Mr. M. Kirkland. All of the members of the Governance and Nominating Committee are independent as defined by the applicable rules and regulations of Nasdaq and the SEC.

Number of Meetings in fiscal 2015: 5

Director Nomination Process

The Governance and Nominating Committee will consider director candidates who have relevant business experience, are accomplished in their respective fields, and who possess the skills and expertise to make a significant contribution to the Board of Directors, the Company and its shareholders. The Governance and Nominating Committee will consider nominees for election to the Board of Directors that are recommended by shareholders, provided that a complete description of the nominees' qualifications, experience and background, together with a statement signed by each nominee in which he or she consents to act as such, accompany the recommendations. Such recommendations should be submitted in compliance with the procedures outlined on page 34 under the heading Shareholder Proposals for the 2017 Annual Meeting.

While the Governance and Nominating Committee does not have a specific diversity policy relating to the composition of the Board of Directors, the Board of Directors does value diversity. The Board of Directors considers a number of diversity factors in evaluating director candidates including, without limitation, professional experience, education, race, gender and national origin, but does not assign any particular weight or priority to any particular factors. Instead, the Board of Directors considers each individual candidate in the context of the current perceived needs of the Board of Directors as a whole.

In identifying prospective director candidates, the Governance and Nominating Committee may seek referrals from other members of the Board of Directors, management, shareholders and other sources. The Governance and

Nominating Committee also may, but need not, retain a search firm in order to assist it in identifying candidates to serve as directors of the Company. The Governance and Nominating Committee utilizes the same criteria for evaluating candidates regardless of the source of the referral. When considering director candidates, the Governance and Nominating Committee seeks individuals with backgrounds and qualities that, when combined with those of our incumbent directors, provide a blend of skills and experience to further enhance the Board of Director s effectiveness.

In connection with its annual recommendation of a slate of nominees, the Governance and Nominating Committee may also assess the contributions of those directors recommended for re-election in the context of the Board of Directors evaluation process and other perceived needs of the Board of Directors.

Table of Contents

When considering whether the directors and nominees have the experience, qualifications, attributes and skills, taken as a whole, to enable our Board of Directors to satisfy its oversight responsibilities effectively in light of the Company's business and structure, our Board of Directors focuses primarily on the information discussed in each director's biographical information set forth on pages 6 to 10 of this Proxy Statement. Each of the Company's directors possesses high ethical standards, acts with integrity and exercises careful, mature judgment. Each is committed to employing their skills and abilities to aid the long-term interests of the stakeholders of the Company. In addition, our directors are knowledgeable and experienced in one or more business endeavors, which further qualify them for service as members of the Board of Directors.

In 2016, our Board Chairman recommended both Susan S. Lanigan and Charlie Pleas, III, as potential director nominees. In each case, the Governance and Nominating Committee then interviewed these prospective nominees, reviewed their qualifications and expertise and ultimately recommended to the full Board of Directors that each of these candidates become a nominee for director.

New directors participate in an orientation program that includes discussions with senior management, a store visit, and their review of background materials on our strategic plan, organization and financial statements. We encourage each director to participate in continuing educational programs that are important to maintaining a director's level of expertise to perform his or her responsibilities as a Board member.

Board of Directors Role in Risk Oversight

The Board of Directors takes an active role in risk oversight. The Board of Directors exercises its risk oversight function through the full Board of Directors and each of its committees. The Audit Committee of the Board of Directors takes an active risk oversight role by meeting with the Company's senior management team on a regular basis and reviewing and approving key risk policies and risk tolerances. The Audit Committee is responsible for ensuring that the Company has in place a process for identifying, prioritizing, managing, and monitoring its critical risks. Furthermore, the Board of Directors, with input from the Audit Committee, regularly evaluates our management infrastructure, including personnel competencies and technologies and communications, to ensure that key risks are being properly evaluated and managed. Finally, the Compensation Committee of the Board of Directors reviews any risks associated with the Company's compensation practices. In the Compensation Committee's view, our compensation policies do not encourage risk-taking, in part because the compensation packages are weighted towards long-term vesting equity as opposed to cash or immediately vested equity awards.

VI. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis (CD&A)

Overview

The Compensation Committee of the Board of Directors has developed and implemented compensation policies, plans and programs that seek to enhance our profitability, and thus shareholder value, by aligning the financial interests of our senior management with those of our shareholders. Our compensation arrangements are designed to attract and retain corporate officers and other key employees and to motivate them to perform to the full extent of their abilities, in the best long-term interests of the shareholders.

During fiscal 2015, the Compensation Committee held 7 meetings and took the following significant actions:

discussed, approved and recommended to the Board of Directors the base salary and bonus packages of our named executive officers;

established bonus targets and payout levels for our named executive officers for fiscal 2015; and

approved equity grants totaling 47,500 options and 19,000 RSUs to NEOs; and also approved equity grants totaling 140,000 options and 56,000 RSUs to other members of management.

Our Compensation Committee is comprised entirely of the following independent directors: Steven J. Collins (chairman), Miles Kirkland, Jeffery C. Owen and R. Wilson Orr, III. Mr. Collins previously served as the Company's Chief Financial Officer from 1997 to 1998. Except as described in the preceding sentence, no member of our current Compensation Committee is or has been one of our officers or employees or has had any relationship requiring disclosure under the SEC rules. In addition, during fiscal 2015, none of our executive officers served as any of the following:

a member of the compensation committee (or other board committee performing similar functions, or, in the absence of any such committee, the entire board of directors) of another corporation, one of whose executive officers served on the Compensation Committee;

a director of another corporation, one of whose executive officers served on the Compensation Committee; or

a member of the compensation committee (or other board committee performing similar functions, or, in the absence of any such committee, the entire board of directors) of another corporation, one of whose executive officers served as one of our directors.

Limited Reliance on Outside Advisors

The Compensation Committee has sought input from compensation consultants in the past and may do so again in the future, but the advice of such consultants has never been central to our executive compensation process or philosophy. Rather, our executive compensation process is driven primarily by the experience and judgment of the Compensation Committee's members. When applying that judgment, individual members of the Compensation Committee may from time to time review the public filings of other companies, but the Compensation Committee has not identified a specific compensation peer group or otherwise engaged in formal benchmarking.

Consideration of Results of Shareholder Advisory Votes on Executive Compensation

At our 2015 Annual Meeting of Shareholders, we conducted a Say-On-Pay shareholder advisory vote, as required by the Dodd-Frank Act. The Compensation Committee appreciates that over 95% of the shares voting approved the executive compensation discussed and disclosed in the Compensation Discussion and Analysis, the compensation tables, and the narrative executive compensation disclosure contained in the 2015 Proxy Statement.

Table of Contents

Our Compensation Committee interprets the results of this vote as an endorsement of existing programs and therefore we have not made material changes to our approach to executive officer compensation. This year we are again providing shareholders with an opportunity to express their views on this topic in another Say-On-Pay shareholder advisory vote. For more information, please see Proposal No. 3 Advisory Vote Related to Executive Compensation on page 4.

At the annual meeting of shareholders on June 1, 2011, our shareholders expressed a preference that advisory votes on executive compensation occur on an annual basis. In accordance with the results of this vote, the Board of Directors determined to implement an annual advisory vote on executive compensation until the next required vote on the frequency of shareholder votes on the compensation of executives, which is scheduled to occur at the 2017 annual meeting.

Role of Executives in Establishing Compensation

The Compensation Committee approves and recommends to the Board of Directors all compensation and equity awards to three individuals who were our named executive officers in 2015: W. Michael Madden, our President and Chief Executive Officer; Michelle R. Graul, our Executive Vice President of Stores and Merchandising; and Adam C. Holland, our Chief Financial Officer. The Compensation Committee reviews the performance of the named executive officers through internal committee discussions and discussions with the executives, and determines the appropriate level of compensation on an annual basis.

Mr. Madden regularly attends portions of the Compensation Committee meetings and provides assistance in gathering data and information designed to support the decision-making process of the Compensation Committee. However, he is excused by the Compensation Committee from such meetings when decisions concerning executive compensation are made. Additionally, the Compensation Committee holds separate meetings outside the presence of management, at which executive compensation decisions are made.

Compensation Philosophy

The key objective of our compensation programs is to attract and retain highly qualified key executives. Once executives have joined the company, our compensation programs must provide the appropriate level of incentives in the form of cash and equity to maintain a high level of competitiveness and thereby retain key managers. We offer our executives a combination of cash bonus incentives, equity-based compensation in the form of stock options and RSUs, and the opportunity to participate in an employee stock purchase plan. We believe these incentive programs align with our overall goal of maximizing our long-term financial results and shareholder value.

Elements of Compensation

Executive pay is structured to consist of the following components:

base salary;

cash bonuses; and

equity awards.

The Compensation Committee believes that a significant portion of total compensation for our executives should be allocated to equity incentives that align pay with shareholder value. In addition, cash bonuses are available to reward executives for achieving company performance goals and individual goals that contribute to increasing the value of the company.

Base Salary

We provide our named executive officers with base salaries to compensate them for services rendered during the year. The Compensation Committee believes that competitive salaries must be paid in order to attract and retain high-quality executives. The Compensation Committee annually reviews the base salary for executive officers and makes adjustments to individual base salary rates when necessary or otherwise appropriate.

Table of Contents

Among other things, individual base salary adjustments take into account individual performance contributions for the year, as well as sustained performance contributions over a number of years, significant changes in responsibilities, if any, and cost of living adjustments. The assessment of individual performance is subjective and is not intended to correlate to specific corporate performance measures. The Compensation Committee's decisions regarding fiscal 2015 and fiscal 2016 salary increases are reflected below:

Executive Officer	Fiscal 2014 Base Salary Rate	Fiscal 2015 Base Salary Rate	Fiscal 2016 Base Salary Rate
W. Michael Madden President & Chief Executive Officer	\$ 370,000	\$ 450,000(1)	\$ 465,000(4)
Michelle R. Graul Executive Vice President of Stores and Merchandising	\$ 320,000	\$ 350,000(2)	\$ 360,000(4)
Adam C. Holland Chief Financial Officer	\$ 200,000	\$ 250,000(3)	\$ 260,000(4)

- (1) Mr. Madden was appointed Chief Executive Officer effective February 8, 2015, and the amount shown above for fiscal 2015 reflects his base salary following that promotion.
- (2) Ms. Graul was appointed Executive Vice President of Stores and Merchandising effective August 21, 2014, and the amount shown above for fiscal 2014 reflects her base salary following that promotion.
- (3) Mr. Holland was appointed Chief Accounting Officer on August 21, 2014 and appointed Chief Financial Officer effective February 8, 2015. The amounts shown above for fiscal 2014 and fiscal 2015 reflect his base salary rate following each promotion.
- (4) The amounts shown above reflect each named executive officer's base salary rate following merit based increases as determined by the Compensation Committee in its discretion.

Bonus and Non-Equity Incentive Plan Compensation

Our cash bonus program compensation is provided under the Company's Amended and Restated 2002 Equity Incentive Plan and has been designed to provide a short-term incentive to our executives based upon predetermined performance goals for the company and each individual executive. The Compensation Committee determines the amount of the target bonus annually for each executive expressed as a percentage of base salary.

For fiscal 2015, the target bonus for the named executive officers were: 100% of base salary for Mr. Madden; 75% of base salary for Ms. Graul; and 60% of base salary for Mr. Holland. Bonuses under this program for Mr. Madden, Ms. Graul, and Mr. Holland were based entirely on Company performance goals.

Company performance is measured based solely upon the achievement of a specified level of earnings before adjustments for interest and taxes (EBIT) as determined through our annual budgeting process. The annual budget is approved by the Board of Directors at the beginning of the fiscal year. The reliance on EBIT is driven by the Compensation Committee's belief in using a metric that is more closely aligned to bottom line earnings and provides a measure of asset productivity by including depreciation and amortization in the measurement of performance.

The Company performance goal is structured such that 100% payout of the applicable target bonus is attained upon achieving 100% of the Company EBIT goal, with the threshold bonus (50% of target payout) attained upon achievement of 75% of the EBIT goal, maximum bonus (150% of target payout) attained upon achievement of 150%

of the EBIT goal and linear interpolation used to determine payouts between these levels of EBIT performance.

Calculation of the performance bonus earned by each executive was based on the Company's final audited financial statements. The Compensation Committee reserves the right to adjust the Company performance target for extraordinary and non-recurring events after it has been established; however, it has not done so during the last eight fiscal years. The Compensation Committee may also award discretionary bonuses from time to time to recognize significant achievements and service to the Company.

As discussed above, the non-equity incentive plan compensation of our named executive officers during fiscal 2015 was based entirely on the achievement of Company financial performance goals, specifically certain levels of EBIT as determined by the Compensation Committee for purposes of our cash bonus program. The Company's EBIT target for fiscal 2015 was \$37,374,000. The actual EBIT achieved by the Company in fiscal 2015, as determined prior to bonus payments under the cash bonus program, was \$26,200,000 (which was 70.1% of the target

Table of Contents

EBIT amount). Under the terms of the Company's fiscal 2015 non-equity incentive plan, bonuses are not paid to plan participants unless at least 75% of the EBIT target is achieved. Because the minimum EBIT target for fiscal 2015 was not achieved, the Compensation Committee did not award bonuses to the named executive officers (or any other Company employees) for fiscal 2015.

Equity Based Incentives

Equity awards are generally made to named executive officers upon hire. Thereafter, awards are generally made annually, at the discretion of the Compensation Committee, as part of the Compensation Committee's annual compensation evaluation process. Equity awards may also be made in special circumstances (for example, to recognize a promotion or achieve a particular retention objective), but these situations are rare. There were no such special circumstances grants in fiscal 2015. The exercise price of each stock option award is based on the closing price of our common stock on the date of the grant (if not a business day, the immediately preceding business day). For newly hired employees receiving stock options, the grant of such award occurs on the later of the first day of employment or upon Compensation Committee approval, with the exercise price being based upon the closing price of our common stock on such date.

The Compensation Committee, in its discretion, evaluates potential equity awards primarily based on the number of shares to be allocated in relation to the number of shares outstanding, with additional consideration given to the value of the award in relation to total compensation. The Compensation Committee continually evaluates the type of equity award that is appropriate at the given time in response to changing business conditions with a goal of providing the type of equity award most appropriate to provide the right balance between retention and incentive to build long-term shareholder value. Equity awards have vesting requirements and terms that are similar among the recipients of the awards, providing incentives for employees to stay with the Company and work together to achieve common goals. Stock option awards typically provide for three-year or four-year vesting, with one-third or one-fourth vesting on the first anniversary of the grant date, and the remainder vesting over the succeeding eight quarters or 12 quarters. Beginning with option grants to employees in fiscal 2010, the vesting period was increased from three years to four years in order to further encourage retention of executive officers and to slow recognition of the expense associated with such awards for income statement purposes. Restricted stock unit awards generally provide for three-year cliff vesting.

On June 4, 2015, in connection with the Compensation Committee's annual compensation evaluation process, the Compensation Committee made the following annual equity awards to named executive officers: (a) Mr. Madden was granted stock options with respect to 20,000 shares and 8,000 RSUs; (b) Ms. Graul was granted stock options with respect to 15,000 shares and 6,000 RSUs; and (c) Mr. Holland was granted stock options with respect to 12,500 shares and 5,000 RSUs. The size of these equity awards was determined by the Compensation Committee after a review of fiscal 2014 performance (and, with respect to Ms. Graul and Mr. Holland, after consultation with Mr. Madden regarding each executive's performance in fiscal 2014) and taking into consideration the grantees' other compensation, the value of our shares on the date of grant and the Compensation Committee's subjective judgment regarding the size of award necessary to strongly encourage both the retention of the grantees and their continued efforts on our behalf while managing the dilutive impact of the awards.

Perquisites

We do not provide significant perquisites or personal benefits to our executive officers that are not readily available to other employees.

Severance Benefits

The specific terms of our severance arrangements are discussed below under the heading Employment Arrangements and Post-Employment Compensation and Benefits. The Compensation Committee has noted the prevalence of severance arrangements among our peer companies and believes that such arrangements, when properly tailored, are appropriate and necessary. The Compensation Committee also believes that reasonable severance benefits (i) should be established with reference to an executive's position and current cash compensation opportunities, and (ii) should be conditioned upon execution of a release of claims against the employer and its

Table of Contents

affiliates. Accordingly, the Compensation Committee has approved modest severance benefits for both Mr. Madden and Ms. Graul pursuant to which severance is payable upon a termination without cause or a resignation for good reason, subject in each case to Mr. Madden or Ms. Graul executing a release of claims in favor of the Company. The severance benefits for Mr. Madden and Ms. Graul remained consistent with those benefits provided in prior years.

Tax Implications - Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code limits our ability to deduct for tax purposes compensation in excess of \$1,000,000 that is paid to our principal executive officer or any one of our three highest paid executive officers, other than our principal executive officer or principal financial officer, who are employed by us on the last day of our taxable year, unless, in general, the compensation is paid pursuant to a plan that has been approved by our shareholders and is performance-related and non-discretionary. The Compensation Committee will review and consider the deductibility of executive compensation under Section 162(m) and may authorize certain payments in excess of the \$1,000,000 limitation. The Compensation Committee believes that it needs to balance the benefits of designing awards that are tax-deductible with the need to design awards that attract, retain and reward executives responsible for our success. During the 2013 Annual Meeting of Shareholders, we obtained shareholder approval of the Company's 2002 Equity Incentive Plan, as amended and restated. Among the changes reflected in that plan restatement are changes intended to provide us with greater flexibility in structuring compensation to be exempt from the limits of Section 162(m) (including the ability to grant our annual cash performance bonuses under the 2002 Equity Incentive Plan, as amended and restated).

Stock Ownership Guidelines

We do not have a formal policy in place stipulating levels of share ownership for executives. The Board of Directors and the Compensation Committee encourage employee stock ownership through the granting of equity compensation and through the Company's Employee Stock Purchase Plan. Our Chief Executive Officer, Mr. Madden, has a material ownership position in the Company. The Board of Directors and the Compensation Committee are currently working on stock ownership guidelines for executive officers and directors and expect to have that policy adopted and in place prior to the end of 2016.

Compensation Risk Analysis

Our Compensation Committee is keenly aware that compensation arrangements, if not properly structured, may encourage inappropriate risk-taking. In designing our compensation programs, the Compensation Committee seeks to mitigate such risk by (i) providing a meaningful portion of total compensation in the form of equity incentives that vest over multiple years, and (ii) capping annual cash bonuses for named executive officers at 150%, 112.5%, and 90% of base salary for Mr. Madden, Ms. Graul, and Mr. Holland, respectively. Each of these elements is intended to encourage an appropriately long-term focus. Moreover, while we have not implemented a stock ownership guideline for our management team, we note that each of our named executive officers, including Mr. Madden, our Chief Executive Officer, maintains a meaningful direct stock ownership position, which we believe provides a significant incentive for our team to ensure that their actions are focused on the creation of sustainable shareholder value and the avoidance of excessive risk.

Compensation Committee Report

We, the members of the Compensation Committee, have reviewed and discussed the foregoing Compensation Discussion and Analysis with management. Based on our review and discussion with management, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy

Statement.

Nonqualified Deferred Compensation for Fiscal 2015

Effective March 1, 2005, the Company adopted The Executive Non-Qualified Excess Plan (the Deferred Compensation Plan). The Deferred Compensation Plan is available for certain employees whose benefits under the Company's 401(k) retirement plan are limited due to provisions of the Internal Revenue Code.

The following table provides information about defined contribution and other plans that provide for the deferral of compensation on a basis that is not tax-qualified by each of the executive officers named in our summary compensation table:

Employment Arrangements and Post-Employment Compensation and Benefits

We do not maintain a general severance plan, and except as otherwise discussed in this section, there are no provisions for severance or change of control payments for our executive officers. Our 2002 Equity Incentive Plan does not provide for automatic acceleration of vesting or other benefits in the event of a change of control. The Board of Directors may, in its sole discretion, cause all outstanding options to become fully vested and immediately exercisable in the event of a change of control. Except as otherwise discussed in this section, there are no change of control vesting acceleration provisions included with any of our stock compensation grants and any severance payments to named executive officers would be subject to the approval of the Compensation Committee. The details regarding the potential post-employment benefits to which our executive officers are entitled are set forth below.

Table of Contents*W. Michael Madden, President and Chief Executive Officer*

In April 2008, the Compensation Committee approved a letter agreement with Mr. Madden which provides for certain post-employment benefits in the event of a termination of his employment by us without cause or resignation by him for good reason. Under these circumstances, Mr. Madden would be entitled to severance pay equal to his then-current base salary and continuation of health benefits through COBRA for a period of six months. In April 2013, Mr. Madden's salary and benefit continuation due upon a severance event were increased from six to 12 months. The payment of any such benefits would be subject to Mr. Madden providing the Company with a general release of claims in a form reasonably prescribed by the Company.

Assuming one of the following events occurred on January 30, 2016, Mr. Madden's payments and benefits have an estimated value of:

Type of Separation	Salary Continuation	Welfare Benefit Continuation(1)	Company-Provided Life Insurance Proceeds(2)	Total
Death			\$ 50,000	\$ 50,000
Termination without Cause or resignation for Good Reason	\$ 450,000	\$ 10,392		\$ 460,392

- (1) Represents the value of Company payments of premiums related to health insurance for Mr. Madden and his family.
- (2) Represents life insurance proceeds from Company-provided life insurance policies. Executives enrolled in the Company's health insurance plan receive \$25,000 in additional life insurance coverage over and above the coverage available to other employees enrolled in the plan.

Adam C. Holland, Vice President and Chief Financial Officer

Mr. Holland is not currently party to any employment contract or arrangement with us that provides for any severance payments or benefits upon his termination of employment.

Michelle R. Graul, Executive Vice President of Stores and Merchandising

When Ms. Graul joined the company in 2005, the Company entered into an Employment Agreement with her, which provides for certain post-employment benefits in the event of a termination of her employment by us without cause or resignation for good reason. Under these circumstances, Ms. Graul would be entitled to cash severance equal to her average total cash compensation for the three preceding years, payable over twelve months, and continuation of group health benefits for 12 months. In that case, she would also be restricted from competing with us for 12 months. We may elect to extend that non-competition period for up to an additional 12 months by extending her severance benefits for an equivalent period.

If Ms. Graul resigns from employment without good reason, we may elect to impose non-competition restrictions on her for up to 12 months by paying her the severance benefits described above for an equivalent period. If Ms. Graul is terminated for cause, she will be restricted from competing with us for 12 months (without any payment from us).

The payment of any severance benefits to Ms. Graul is conditioned on her execution of a general release of claims in a form reasonably prescribed by the Company.

Assuming one of the following events occurred on January 30, 2016, Ms. Graul's payments and benefits have an estimated value of:

Type of Separation	Salary Continuation	Welfare Benefit Continuation(1)	Company-Provided Life Insurance Proceeds(2)	Total
Death			\$ 50,000	\$ 50,000
Termination without Cause or resignation for Good Reason	\$ 431,455(3)	\$ 10,392		\$ 441,847

- (1) Represents the value of Company payments of premiums related to health insurance for Ms. Graul and her family.

Table of Contents

- (2) Represents life insurance proceeds from Company-provided life insurance policies. Executives enrolled in the Company's health insurance plan receive \$25,000 in additional life insurance coverage over and above the coverage available to other employees enrolled in the plan.
- (3) Assumes that we do not elect to extend her non-compete obligations beyond the 12 month default period. The table also assumes that we do not elect to maintain her non-compete beyond termination of employment, if Ms. Graul terminates her employment without good reason.

VII. RELATED PARTY TRANSACTIONS

Our Policies Regarding Related Party Transactions

We have a written statement of policy with respect to related party transactions, which is administered by the Audit Committee of our Board of Directors. Under our related party transaction policy, a Related Party Transaction is any transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) between us (including any of our subsidiaries) and a Related Person, without regard to the amount involved. A Related Person includes any of our executive officers, directors or director nominees, any shareholder owning in excess of five percent of our common stock, any immediate family member of any of the foregoing persons, and any firm, corporation or other entity in which any of the foregoing persons is employed as an executive officer or is a partner or principal or in a similar position or in which such person has a five percent or greater beneficial ownership interest in such entity. Related Party Transactions do not include any transactions involving only director or executive officer compensation, transactions where the Related Person receives proportional benefits as a shareholder with all other shareholders, transactions involving competitive bids, or transactions involving certain bank-related services.

Under the terms of our related party transaction policy, the Audit Committee will only approve a Related Party Transaction if it is determined that the transaction is in, or is not inconsistent with, the best interest of the Company and its shareholders. Any director or officer with an interest in a related party transaction is expected to recuse him or herself from considering the matter and voting upon it. In all cases, a director or officers with an interest in a Related Party Transaction may not attempt to influence Company personnel in making any decision with respect to the transaction.

When reviewing a Related Party Transaction, the Audit Committee will use any process and review any information that it determines to be appropriate. The Audit Committee takes into consideration all of the relevant facts and circumstances available to it, including (if applicable), but not limited to (i) the material terms and conditions of the transaction or transactions; (ii) the Related Party's relationship to the Company; (iii) the Related Party's interest in the transaction, including their position or relationship with, or ownership of, any entity that is a party to or has an interest in the transaction; (iv) the approximate dollar value of the transaction; (v) the availability from other sources of comparable products or services; and (vi) an assessment of whether the transaction is on terms that are comparable to the terms available to use from an unrelated their party. All Related Party transactions will be disclosed in accordance with SEC rules.

In the event that we become aware of a Related Party Transaction that was not previously approved or ratified by the Audit Committee, we will evaluate all options available with respect to that transaction, including ratification, revision or termination.

Pursuant to our related party transaction policy, a Related Party Transaction may only be consummated or may only continue if:

the Audit Committee approves or ratifies such transaction in accordance with the terms of our related party transaction policy; or

the Chairperson of the Audit Committee pre-approves or ratifies such transaction and the amount involved in the transaction is less than \$120,000, provided that for the Related Party Transaction to continue it must be approved by the Audit Committee at its next regularly scheduled meeting.

Table of Contents

Transactions with Related Persons, though not classified as Related Party Transactions by our related party transaction policy and, thus, not subject to its review and approval requirements, may still need to be disclosed if required by the applicable securities laws, rules and regulations.

During fiscal 2015, we identified the following related party activity, which has been previously approved by the Audit Committee:

Real Estate Lease

The Company leases 11,700 square feet of retail real estate located in the Columns development in Jackson, Tennessee from Vann Drive Partners, a joint venture in which each of Carl Kirkland and Miles Kirkland, each a member of our Board of Directors, and Robert Alderson, our retired Chief Executive Officer and current member of our Board of Directors, hold minority equity positions. The term of the lease commenced in May 2004 and continues for an initial period of 5 years, with two 5-year renewal options. The Company exercised both 5-year renewal options, and the lease is currently scheduled to expire in January 2020. The lease provides for minimum rental payments of \$12,000 per month. The lease also provides for the payment of customary additional charges, including taxes and insurance. In fiscal 2015, the Company paid total rent and ancillary charges under the lease of \$160,000. This lease has been reviewed and approved by our Board of Directors and Audit Committee. Management considers the terms of this lease to be at arms-length and reasonably equivalent to terms we could have obtained through negotiations with an unaffiliated third party.

Vendor Agreement

In July 2009, the Company entered into a Vendor Agreement with a related party vendor to purchase merchandise inventory. The vendor is considered a related party because its principal owner is the spouse of the Company's Vice President of Merchandising. During fiscal 2015, the Company's purchases from this vendor totaled approximately \$39.2 million, or 14.8% of total merchandise purchases. Payable amounts outstanding to this vendor were approximately \$2.3 million as of January 30, 2016.

VIII. OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors and persons who own more than ten percent of a registered class of our equity securities (collectively, Reporting Persons), to file initial reports of ownership and reports of change of ownership with the SEC. Reporting Persons are additionally required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely upon a review of copies of reports furnished to us during fiscal 2015, all Reporting Persons were in compliance with Section 16(a) filing requirements, except that Mr. Carl Kirkland filed two forms late relating to three gift transactions, one equity plan transaction and five sale transactions, Mr. Owen filed his initial statement of beneficial ownership late, and each of Messrs. Owen, Madden and Holland and Ms. Graul filed one form late relating to one equity plan transaction.

Independent Registered Public Accounting Firm

The Audit Committee has selected EY to be the Company's independent registered public accounting firm for fiscal year 2016. Representatives of EY are expected to be present at the Annual Meeting on June 1, 2016 and will be given an opportunity to make a statement if they desire to do so. In addition, representatives of EY will be available to respond to appropriate questions at that time.

General

Under the terms of its pre-approval policy, the Audit Committee is required to pre-approve audit and non-audit services to be performed by the Company's independent registered public accounting firm in order to assure that the provision of such services does not impair the independent registered public accounting firm's independence. Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, it will require specific pre-approval by the Audit Committee. Any proposed services exceeding the pre-approved cost level require specific pre-approval by the Audit Committee.

The Audit Committee has delegated pre-approval authority to the Audit Committee Chairperson and may in the future delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Audit Services

The annual audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. The Audit Committee approves, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Company structure or other matters. In addition to the annual audit services engagement specifically approved by the Audit Committee, the Audit Committee may grant general pre-approval for other audit services,

which are those services that only the independent registered public accounting firm reasonably can provide.

Audit-Related Services

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent registered public accounting firm. The Audit Committee believes that the provision of audit-related services does not impair the independence of the auditor.

Any services to be performed by the independent registered public accounting firm not classified in any of the aforementioned categories must be specifically pre-approved by the Audit Committee.

Pre-Approval Fee Levels

Pre-approval fee levels for all services to be provided by the independent registered public accounting firm are established annually by the Audit Committee. Any proposed services exceeding these levels require specific pre-approval by the Audit Committee.

realize significant cost savings, reduces the amount of duplicate information shareholders receive, and reduces the environmental impact of printing and mailing documents to you. Under this process, certain shareholders will receive only one copy of our proxy materials and any additional proxy materials that are delivered until such time as one or more of these shareholders notifies us that they want to receive separate copies. (b) Purchase Price. The Purchase Price for each share of Stock purchased at the close of an Accumulation Period will be 85% of the lower of:

(i) the Fair Market Value on the last day of such Accumulation Period; or

(ii) the Fair Market Value on the first day of the applicable Offering Period (as determined under Section 3(e)).

(c) Number of Shares Purchased. As of the last day of each Accumulation Period, each Participant will be deemed to have elected to purchase the number of shares of Stock calculated in accordance with this Subsection (c), unless the Participant has previously withdrawn from the Plan in accordance with Section 5(a). The amount then in the Participant's Plan Account will be divided by the Purchase Price, and the number of shares that results will be purchased from the Company with the funds in the Participant's Plan Account. The foregoing notwithstanding, no Participant will purchase more than 25,000 shares of Stock with respect to any Accumulation Period nor more than the amounts of Stock set forth in Sections 8(b).

(d) Available Shares Insufficient. If the aggregate number of shares that all Participants elect to purchase during an Accumulation Period exceeds the maximum number of shares remaining available for issuance under Section 13(a), then the number of shares to which each Participant is entitled will be determined by multiplying the number of shares available for issuance by a fraction, the numerator of which is the number of shares that such Participant has elected to purchase and the denominator of which is the number of shares that all Participants have elected to purchase.

(e) Issuance of Stock. Certificates representing the shares of Stock purchased by a Participant under the Plan will be issued to him or her as soon as reasonably practicable after the close of the applicable Accumulation Period, except that the Committee may determine that such shares will be held for each Participant's benefit by a broker designated by the Committee (unless the Participant has elected that certificates be issued to him or her). Shares may be registered in the name of the Participant or jointly in the name of the Participant and his or her spouse as joint tenants with right of survivorship or as community property.

(f) Unused Cash Balances. An amount remaining in the Participant's Plan Account that represents the Purchase Price for any fractional share will be carried over in the Participant's Plan Account to the next Accumulation Period. Any amount remaining in the Participant's Plan Account that represents the Purchase Price for whole shares that could not be purchased by reason of Subsection (c) above, Section 8(b) or the aggregate share limit of Section 13(a) will be refunded to the Participant in cash, without interest.

8. Limitations on Stock Ownership.

(a) Five Percent Limit. Any other provision of the Plan notwithstanding, no Participant will be granted a right to purchase Stock under the Plan if such Participant, immediately after his or her election to purchase such Stock, would own stock possessing more than 5% of the total combined voting power or value of all classes of stock of the Company or any parent or Subsidiary of the Company. For purposes of this Subsection (a), the following rules will apply:

(i) Ownership of stock will be determined after applying the attribution rules of Section 424(d) of the Code; and

(ii) Each Participant will be deemed to own any stock that he or she has a right or option to purchase under this or any other plan or arrangement.

(b) Dollar Limit. Any other provision of the Plan notwithstanding, no Participant will purchase Stock with a Fair Market Value in excess of the following limit:

(i) In the case of Stock purchased during an Offering Period that commenced in the current calendar year, the limit will be equal to (A) \$25,000 minus (B) the Fair Market Value of the Stock that the Participant previously purchased in the current calendar year (under this Plan and all other employee stock purchase plans of the Company or any parent or Subsidiary of the Company).

(ii) In the case of Stock purchased during an Offering Period that commenced in the immediately preceding calendar year, the limit will be equal to (A) \$50,000 minus (B) the Fair Market Value of the Stock that the Participant previously purchased (under this Plan and all other employee stock purchase plans of the Company or any parent or Subsidiary of the Company) in the current calendar year and in the immediately preceding calendar year.

(iii) In the case of Stock purchased during an Offering Period that commenced in the second preceding calendar year, the limit will be equal to (A) \$75,000 minus (B) the Fair Market Value of the Stock that the Participant previously purchased (under this Plan and all other employee stock purchase plans of the Company or any parent or Subsidiary of the Company) in the current calendar year and in the two preceding calendar years.

A Participant whose employee contributions are discontinued automatically as a result of the limited stated in this Section 8(b) will automatically resume contributions to the Plan (if possible, with respect to the same Offering Period) at the beginning of the earliest Accumulation Period ending in the next calendar year, if he or she then is an Eligible Employee.

9. Rights Not Transferable. The rights of any Participant under the Plan, or any Participant's interest in any Stock or moneys to which he or she may be entitled under the Plan, will not be transferable by voluntary or involuntary assignment or by operation of law, or in any other manner other than by beneficiary designation or the laws of descent and distribution. If a Participant in any manner attempts to transfer, assign or otherwise encumber his or her rights or interest under the Plan, other than by beneficiary designation or the laws of descent and distribution, then such act will be treated as an election by the Participant to withdraw from the Plan under Section 5(a).

10. No Rights as an Employee. Nothing in the Plan or in any right granted under the Plan will confer upon the Participant any right to continue in the employ of a Participating Company for any period of specific duration or interfere with or otherwise restrict in any way the rights of the Participating Companies or of the Participant, which rights are hereby expressly reserved by each, to terminate his or her employment at any time and for any reason, with or without cause.

(b) Adjustments. The aggregate number of shares of Stock offered under the Plan, the share limit described in Section 7(c) and the price of shares that any Participant has elected to purchase will be adjusted proportionately by the Committee for any increase or decrease in the number of outstanding shares of Stock resulting from a subdivision or consolidation of shares or the payment of a stock dividend, any other increase or decrease in such shares effected without receipt or payment of consideration by the Company, the distribution of the shares of a Subsidiary to the Company's stockholders or a similar event.

(c) Reorganizations. Any other provision of the Plan notwithstanding, immediately prior to the effective time of a Corporate Reorganization, the Offering Period and Accumulation Period then in progress will terminate and shares will be purchased pursuant to Section 7, unless the Plan is assumed by the surviving corporation or its parent corporation pursuant to the plan of merger or consolidation. The Plan will in no event be construed to restrict in any way the Company's right to undertake a dissolution, liquidation, merger, consolidation or other reorganization.

14. Amendment or Discontinuance. The Board will have the right to amend, suspend or terminate the Plan at any time and without notice. Except as provided in Section 13, any increase in the aggregate number of shares of Stock to be issued under the Plan will be subject to approval by a vote of the stockholders of the Company.
