**NOAH HOLDINGS LIMITED ANNOUNCES UNAUDITED FINANCIAL RESULTS FOR
THE FIRST QUARTER OF 2016**

SHANGHAI, May 23, 2016 Noah Holdings Limited (Noah or the Company) (NYSE: NOAH), a leading wealth and asset management service provider with a focus on global services for high net worth individuals and enterprises in China, today announced its unaudited financial results for the first quarter of 2016.

Starting from the fourth quarter of 2015, the Company changed its reporting currency from the U.S. dollar (US\$) to the Renminbi (RMB). The change in reporting currency is to better reflect the Company s performance, as the majority of the Company s operations are conducted in RMB, to align the Company s reporting currency with its underlying operations and to reduce the impact that the increased volatility of the RMB to US\$ exchange rate will have on the Company s reported operating results. This release contains translations of certain RMB amounts into US\$ for convenience¹. Prior period numbers have been recast into the new reporting currency.

FIRST QUARTER 2016 FINANCIAL HIGHLIGHTS

Net revenues in the first quarter of 2016 were RMB607.2 million (US\$94.2 million), a 35.6% increase from the corresponding period in 2015.

Mr. Kenny Lam, Group President of Noah, commented, "The macro environment in the first quarter was one of the most volatile in recent years. With our cautious approach to risk management and product selection, we have effectively managed this volatility and continue to deliver solid results. Our clients recognize the benefits of our commitment to long term value investing. We remain focused on building a sustainable, leading wealth and asset management platform."

FIRST QUARTER 2016 FINANCIAL RESULTS

Net Revenues

Net revenues for the first quarter of 2016 were RMB607.2 million (US\$94.2million), a 35.6% increase from the corresponding period in 2015, primarily due to increases in one-time commissions and recurring service fees.

Wealth Management Business

Net revenues from one-time commissions for the first quarter of 2016 were RMB274.8 million (US\$42.6 million), a 43.0% increase from the corresponding period in 2015. The increase was primarily due to the

change in the product mix.

Net revenues from recurring service fees for the first quarter of 2016 were RMB168.6 million (US\$26.1 million), a 24.4% increase from the corresponding period in 2015. The increase was mainly due to the cumulative effect of finance products with recurring service fees previously distributed by the Company.

Net revenues from performance-based income for the first quarter of 2016 were RMB6.8 million (US\$1.1 million), a 24.0% decrease from the corresponding period in 2015.

Net revenues from other service fees for the first quarter of 2016 were RMB13.5 million (US\$2.1 million), compared with RMB5.2 million in the corresponding period of 2015.

Asset Management Business

Net revenues from recurring service fees for the first quarter of 2016 were RMB127.3 million (US\$19.7 million), a 57.9% increase from the corresponding period in 2015. The increase was primarily due to the increase in assets under management by the Company.

Net revenues from performance-based income for the first quarter of 2016 were RMB9.1 million (US\$1.4 million), a 43.5% decrease compared with the corresponding period in 2015.

Internet Finance Business

Net revenues for the first quarter of 2016 were RMB5.8 million (US\$0.9 million), a 36.2% decrease from the corresponding period in 2015, primarily due to the Company's internet finance business strategic change to focus more on distribution of standard products.

Operating costs and expenses

Operating costs and expenses include compensation and benefits, selling expenses, general and administrative expenses, other operating expenses and government subsidies. Operating costs and expenses for the first quarter of 2016 were RMB379.8 million (US\$58.9 million), a 24.3% increase from the corresponding period in 2015. The increase was mainly driven by growth in compensation and benefits, increased rental and related expenses associated with the new head office building which was put into use in the first quarter of 2016 and increased marketing expenses, and was partially offset by a RMB68.9 million (US\$10.7 million) increase in government subsidies received in the first quarter of 2016 compared with the first quarter of 2015.

Wealth Management Business

Operating costs and expenses for the first quarter of 2016 were RMB330.4 million (US\$51.2 million), a 55.8% increase from the corresponding period in 2015.

Compensation and benefits includes compensation for relationship managers and back-office employees. Compensation and benefits for the first quarter of 2016 were RMB236.0 million (US\$36.6 million), a 51.3% increase from the corresponding period in 2015. In the first quarter of 2016, relationship manager compensation increased by 43.4% from the corresponding period in 2015, primarily driven by an increase in the number of relationship managers and a change of product mix to include more insurance brokerage business. Other compensation for the first quarter of 2016 increased by 63.4% from the corresponding period

in 2015, primarily driven by an increase in the number of back-office employees.

Selling expenses for the first quarter of 2016 were RMB58.8 million (US\$9.1 million), a 54.4% increase from the corresponding period in 2015, primarily due to an increase in client events and other marketing initiatives, and an increase in rental fees.

General and administrative expenses for the first quarter of 2016 were RMB24.6 million (US\$3.8 million), an 81.9% increase from the corresponding period in 2015, mainly due to an increase in rental and related expenses associated with the new head office building which was put into use in the first quarter of 2016.

Other operating expenses, which include other costs incurred directly in relation to the Company's revenues, for the first quarter of 2016 were RMB11.1 million (US\$1.7 million), an increase of 150.0% from the corresponding period in 2015. The increase was primarily due to the growth of other businesses within the wealth management segment.

Government subsidies represent cash subsidies received from local governments for general corporate purposes. The Company received RMB0.1 million (US\$9.9 thousand) in government subsidies for the wealth management business in the first quarter of 2016, compared to nil in the corresponding period of 2015.

Asset Management Business

Operating costs and expenses for the first quarter of 2016 included compensation and benefits and operation expenses of RMB60.0 million (US\$9.3 million) and government subsidy of RMB68.9 million (US\$10.7 million).

Compensation and benefits include compensation of managers of institutional client relationships, fund managers and back-office employees. Compensation and benefits for the first quarter of 2016 were RMB43.4 million (US\$6.7 million), an 8.1% increase from the corresponding period in 2015. The increase was primarily due to an increase in the number of back-office employees.

Selling expenses for the first quarter of 2016 were RMB1.9 million (US\$0.3 million), compared with RMB2.3 million in the corresponding period of 2015, representing a decrease of 16.9% year over year.

General and administrative expenses for the first quarter of 2016 were RMB12.4 million (US\$1.9 million), a 13.3% decrease from the corresponding period in 2015, primarily due to decreased consultant expenses.

Government subsidies represent cash subsidies received from local governments for general corporate purposes. The Company received RMB68.9 million (US\$10.7 million) in government subsidies for the asset management business in the first quarter of 2016, compared to nil in the corresponding period in 2015.

Internet Finance Business

Operating costs and expenses for the first quarter of 2016 were RMB58.3 million (US\$9.0 million), a 60.8% increase from the corresponding period in 2015, and represented the Company's expenses in human resources, marketing and internet infrastructure, as well as expenses incurred in promoting the Company's internet finance business. Operating costs and expenses for the first quarter of 2016 primarily consisted of compensation and benefits of RMB33.9 million (US\$5.3 million), selling expenses of RMB7.2 million (US\$1.1 million), general and administrative expenses of RMB13.2 million (US\$2.0 million) and other operating expenses of RMB3.9 million (US\$0.6 million).

Operating Margin

Operating margin for the first quarter of 2016 was 37.4% compared to 31.7% for the corresponding period in 2015. The increase was primarily due to an increase in government subsidies received in the first quarter of 2016 compared with the first quarter of 2015.

Wealth Management Business

Operating margin for the first quarter of 2016 was 28.7%, compared to 38.0% for the corresponding period in 2015 and 11.7% in the fourth quarter of 2015. The decrease year-on-year was mainly because operating costs and expenses grew faster than net revenues in the first quarter of 2016, as compared to the first quarter of 2015.

Asset Management Business

Operating margin increased to 106.5% for the first quarter of 2016 from 40.7% for the corresponding period in 2015. The increase was primarily due to the RMB68.9 million (US\$10.7 million) in government subsidies received in the first quarter of 2016, compared to nil in the first quarter of 2015.

Internet Finance Business

Operating loss for the first quarter of 2016 was RMB52.5 million (US\$8.1 million) compared with RMB27.2 million for the corresponding period of the prior year and RMB 56.0 million in the fourth quarter of 2015.

Income Tax Expenses

Income tax expenses for the first quarter of 2016 were RMB53.4 million (US\$8.3 million), a 40.3% increase from the corresponding period in 2015, in line with the year-over-year growth in taxable income.

Net Income

Net Income

Net income attributable to Noah shareholders for the first quarter of 2016 was RMB199.0 million (US\$30.9 million), a 50.7% increase from the corresponding period in 2015.

Net margin for the first quarter of 2016 was 31.7%, as compared to 28.7% for the corresponding period in 2015.

Net income per basic and diluted ADS for the first quarter of 2016 was RMB3.54 (US\$0.55) and RMB3.38 (US\$0.52), respectively, as compared to RMB2.35 and RMB2.29, respectively, for the corresponding period in 2015.

Non-GAAP Net Income Attributable to Noah Shareholders

Non-GAAP net income attributable to Noah shareholders for the first quarter of 2016 was RMB214.0 million (US\$33.2 million), a 52.6% increase from the corresponding period in 2015.

Non-GAAP net margin for the first quarter of 2016 was 34.2%, as compared to 30.5% for the corresponding period in 2015.

Non-GAAP net income per diluted ADS for the first quarter of 2016 was RMB3.63 (US\$0.56), as compared to RMB2.43 for the corresponding period in 2015.

Balance Sheet and Cash Flow

As of March 31, 2016, the Company had RMB2,480.3 million (US\$384.7 million) in cash and cash equivalents, compared to RMB1,703.2 million as of March 31, 2015 and RMB2,132.9 million as of December 31, 2015.

Cash inflow from the Company's operating activities during the first quarter of 2016 was RMB730.8 million (US\$113.3 million), an increase from RMB247.2 million in the fourth quarter of 2015, mainly due to the temporary impact of other current liabilities.

Cash outflow from the Company's investing activities during the first quarter of 2016 was RMB381.1 million (US\$59.1 million), a change from RMB87.5 million cash inflow in the fourth quarter of 2015, primarily due to an increase in investments in short-term and long-term investments.

Cash inflow from the Company's financing activities for the first quarter of 2016 was RMB0.2 million (US\$23.7 thousand).

2016 FORECAST

The Company estimates that non-GAAP net income attributable to Noah shareholders for the full year 2016 will be in the range of RMB690 million to RMB720 million, an increase of 14.4% to 19.4% compared to the full year 2015. This estimate reflects management's current business outlook and is subject to change.

DISCUSSION OF NON-GAAP FINANCIAL MEASURES:

In addition to disclosing financial results prepared in accordance with U.S. GAAP, the Company's earnings release contains non-GAAP financial measures that exclude the effects of all forms of share-based compensation. The reconciliation of these non-GAAP financial measures to the nearest GAAP measures is set forth in the table captioned "Reconciliation of GAAP to Non-GAAP Results" below.

The non-GAAP financial measures disclosed by the Company should not be considered a substitute for financial measures prepared in accordance with U.S. GAAP. The financial results reported in accordance with U.S. GAAP and reconciliation of GAAP to non-GAAP results should be carefully evaluated. The non-GAAP financial measure used by the Company may be prepared differently from, and therefore may not be comparable to, similarly titled measures used by other companies.

When evaluating the Company's operating performance in the periods presented, management reviewed non-GAAP net income results reflecting adjustments to exclude the impact of share-based compensation to supplement U.S. GAAP financial data. As such, the Company believes that the presentation of the non-GAAP net income, non-GAAP income per diluted ADS and non-GAAP net margin provides important supplemental information to investors regarding financial and business trends relating to the Company's financial condition and results of operations in a manner consistent with that used by management. Pursuant to U.S. GAAP, the Company recognized significant amounts of expenses for the restricted shares and share options in the periods presented. The Company utilized the non-GAAP financial results to make financial results comparable period to period and to better understand its historical business operations.

FOREIGN CURRENCY TRANSLATION

Effective October 1, 2015, the Company changed its reporting currency from U.S. dollars (US\$) to Chinese Renminbi (RMB). The change in reporting currency is to better reflect the Company's performance, as the majority of the Company's operations are conducted in RMB, to align the Company's reporting currency with its underlying operations and to reduce the impact that the increased volatility of the RMB to US\$ exchange rate will have on the Company's reported operating results. Prior to October 1, 2015, the Company reported its annual and quarterly consolidated balance sheets and consolidated statements of income and comprehensive income and shareholder's equity and cash flows in US\$. In this announcement, the unaudited financial results for the quarter ended March 31, 2016 are stated in RMB. The related financial statements prior to October 1, 2015 have been recast to reflect RMB as the reporting currency for comparison to the financial results for the quarter ended March 31, 2016.

This announcement contains currency conversions of certain RMB amounts into US\$ at specified rates solely for the convenience of the reader. Unless otherwise noted, all translations from RMB to US\$ are made at a rate of RMB6.448 to US\$1.00, the effective noon buying rate for March 31, 2016 as set forth in the H.10 statistical release of the Federal Reserve Board.
