PROSPECTUS SUPPLEMENT

(To Prospectus dated February 27, 2015)

Healthcare Trust of America Holdings, LP

\$350,000,000

3.500% Senior Notes due 2026

fully and unconditionally guaranteed by

Healthcare Trust of America, Inc.

We are offering \$350,000,000 aggregate principal amount of our 3.500% Senior Notes due August 1, 2026 (the Notes). The Notes will bear interest at the rate of 3.500% per year, payable semi-annually in arrears on February 1 and August 1 of each year, beginning February 1, 2017. The Notes will mature on August 1, 2026. The Notes will be fully and unconditionally guaranteed by Healthcare Trust of America, Inc., which has no material assets other than its investment in us. We may redeem some or all of the Notes at our option at any time or from time to time at the applicable redemption price described herein. If the Notes are redeemed on or after May 1, 2026, the redemption price will be equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest thereon to the applicable redemption date. See Description of Notes Our Redemption Rights. We will issue the Notes only in registered form in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The Notes will be our general unsecured and unsubordinated obligations and will rank equally in right of payment with all of our existing and future senior unsecured indebtedness and senior in right of payment to any of our subordinated indebtedness. As a result, the Notes will be effectively subordinated in right of payment to all of our existing and future secured indebtedness to the extent of the value of the collateral securing such indebtedness and structurally subordinated in right of payment to all existing and future liabilities and other indebtedness, whether secured or unsecured, of our subsidiaries.

The Notes are a new issue of securities with no established trading market. We do not intend to list the Notes on any national securities exchange or for quotation of the Notes on an automated dealer quotation system.

You should consider the risks that we have described in Risk Factors beginning on page S-6 of this prospectus supplement, as well as those described in our and Healthcare Trust of America, Inc.'s most recent Annual Report on Form 10-K, as updated by the subsequent filings under the Securities Exchange Act of 1934, as amended (the Exchange Act), before investing in the Notes.

Neither the Securities and Exchange Commission (SEC) nor any state securities commission has approved or disapproved of the notes or passed upon the adequacy or accuracy of this prospectus supplement or the accompanying

prospectus. Any representation to the contrary is a criminal offense.

	Offering Price(1)	Underwriting Discounts	Proceeds to Us, Before Expenses(1)
Per 3.500% Senior Note due 2026	99.721%	0.650%	99.071%
Total	\$ 349,023,500	\$ 2,275,000	\$ 346,748,500

(1) Plus accrued interest, if any, from July 12, 2016 to the date of delivery.

The underwriters expect to deliver the Notes to purchasers in book-entry form only through The Depository Trust Company for the accounts of its participants, including Clearstream Banking, *societe anonyme*, and Euroclear Bank, S.A./N.V. as operator of the Euroclear System, on or about July 12, 2016.

ABOUT THIS PROSPECTUS SUPPLEMENT

This document is comprised of two parts. The first part is this prospectus supplement, which contains the terms of this offering of the Notes and other information. The second part is the accompanying prospectus dated February 27, 2015, which is part of our Registration Statement on Form S-3 (No. 333-202388) and contains more general information, some of which does not apply to this offering.

This prospectus supplement may add to, update or change the information in the accompanying prospectus. If information in this prospectus supplement is inconsistent with information in the accompanying prospectus, this prospectus supplement will apply and will supersede that information in the accompanying prospectus.

It is important for you to read and consider all information contained or incorporated by reference into this prospectus supplement and the accompanying prospectus in making your investment decision. You should also read and consider the information in the documents to which we have referred you in *Where You Can Find More Information* and *Incorporation of Certain Documents by Reference* in this prospectus supplement.

No person is authorized to give any information or to make any representation that is different from, or in addition to, those contained or incorporated by reference into this prospectus supplement, the accompanying prospectus and, if given or made, such information or representations must not be relied upon as having been authorized. Neither the delivery of this prospectus supplement and the accompanying prospectus, nor any sale made hereunder, shall under any circumstances create any implication that there has been no change in our affairs since the date of this prospectus supplement, or that the information contained or incorporated by reference into this prospectus supplement or the accompanying prospectus is correct as of any time subsequent to the date of such information.

The distribution of this prospectus supplement and the accompanying prospectus and the offering of the Notes in certain jurisdictions may be restricted by law. This prospectus supplement and the accompanying prospectus do not constitute an offer to sell, or an invitation on our behalf or the underwriters or any of them, to subscribe for or purchase any of the Notes, and may not be used for or in connection with an offer or solicitation by anyone, in any jurisdiction in which such an offer or solicitation is not authorized or to any person to whom it is unlawful to make such an offer or solicitation. See *Underwriting (Conflicts of Interest)*.

Table of Contents

SUMMARY

This summary highlights key information contained elsewhere in this prospectus supplement. This summary is not complete and does not contain all the information that may be important to you. Before making an investment decision, you should read carefully this entire prospectus supplement and the documents incorporated by reference herein, including the financial statements and related notes as well as the Risk Factors section in our and Healthcare Trust of America, Inc.'s most recent Annual Report on Form 10-K, as updated by the subsequent filings under the Exchange Act. Unless otherwise indicated, references in this prospectus supplement to we, our, us or our company refer to Healthcare Trust of America Holdings, LP, a Delaware limited partnership, and its consolidated subsidiaries.

Healthcare Trust of America, Inc. and Healthcare Trust of America Holdings, LP

Healthcare Trust of America, Inc., our sole general partner, is a fully integrated, self-administered and internally managed real estate investment trust (REIT), primarily focused on acquiring, owning and operating high-quality medical office buildings that are predominantly located on or aligned with campuses of nationally or regionally recognized healthcare systems. We conduct substantially all of Healthcare Trust of America, Inc.'s operations. We invest primarily in high-quality medical office buildings in our target markets, and have acquired high-quality medical office buildings and other facilities that serve the healthcare industry with an aggregate purchase price of approximately \$3.7 billion to create a portfolio of medical office buildings (MOBs) and other healthcare assets consisting of approximately 16.2 million square feet of gross leasable area (GLA) throughout the U.S. Approximately 97% of our portfolio, based on GLA, was located on the campuses of, or aligned with, nationally or regionally recognized healthcare systems. We continue to focus on building relationships with strong tenants and healthcare systems that are leaders in their markets. The leased rate for our portfolio was 92.1% (includes leases which have been executed, but which have not yet commenced) and the occupancy rate was 91.4% as of March 31, 2016. Approximately 60% of our annualized base rent as of March 31, 2016 was derived from tenants that have (or whose parent companies have) a credit rating from a nationally recognized rating agency. Our portfolio is diversified geographically across 29 states, with no state having more than 14% of our total GLA as of March 31, 2016. We are concentrated in locations that we have determined to be strategic based on demographic trends and projected demand for MOBs, and we expect to continue to invest in these markets. We have concentrations in the following key markets and Top 75 metropolitan statistical areas: Albany, Atlanta, Austin, Boston, Charleston, Columbus, Dallas, Denver, Greenville, Honolulu, Houston, Indianapolis, Miami, Orlando, Phoenix, Pittsburgh, Raleigh, Tampa and White Plains.

Our principal executive offices are located at 16435 North Scottsdale Road, Suite 320, Scottsdale, Arizona 85254 and our telephone number is (480) 998-3478. We maintain a website at www.htareit.com, at which there is additional information about us. The information found on, or otherwise accessible through, our website is not incorporated into, and does not form a part of, this prospectus supplement or any other report or document that either we or Healthcare Trust of America, Inc. files with or furnishes to the SEC.

Recent Developments

During the second quarter of 2016, we completed investments of \$273.8 million (96% leased and approximately 919,000 square feet of gross leasable area). These investments are located in several of our key markets (Columbus, Ohio, Dallas, Texas, and Hartford, Connecticut), and we strategically expanded our presence into a new market (Oregon). These investments include the following:

Hilliard II MOB (Columbus, OH). This MOB has 35,000 square feet of GLA and was 75% occupied as of April 5, 2016, the date we acquired this property for \$8.5 million.

S-1

Table of Contents

Connecticut MOB Portfolio (primarily in New Haven, CT). This 26 building MOB portfolio was acquired on April 15, 2016 for \$180.3 million, consists of over 579,000 square feet of GLA and was 98% occupied as of such date. This MOB portfolio is affiliated with the Eastern Connecticut Health Network and Hartford Healthcare. This acquisition increases our total investment in New England to approximately \$1 billion in investments and 3.0 million square feet within a 120 mile radius.

Polaris MOB (Columbus, OH). This MOB has 45,000 square feet of GLA and was 100% occupied as of April 21, 2016, the date we acquired this property for \$14.6 million.

Legacy MOB (Woodburn, OR). This MOB has 23,000 square feet of GLA and was 100% occupied as of May 18, 2016, the date we acquired this property for \$7.8 million. This investment expanded our presence into our 30th state of Oregon.

Independence MOB (Dallas, TX). This MOB has 72,000 square feet of GLA and was 90% occupied as of May 20, 2016, the date we acquired this property for \$24.0 million.

Simon Williamson MOB (Birmingham, AL). This MOB has 102,000 square feet of GLA and was 100% occupied as of June 30, 2016, the date we acquired this property for \$27.8 million.

Middletown MOB (Middletown, CT). This two building MOB portfolio has 64,000 square feet of GLA and was 80% occupied as of June 30, 2016, the date we acquired these properties for \$11.0 million.

Table of Contents

THE OFFERING

The summary below describes the principal terms of the Notes. Certain of the terms and conditions described below are subject to important limitations and exceptions. The section entitled Description of Notes of this prospectus supplement contains a more detailed description of the terms and conditions of the Notes and the indenture governing the Notes. For purposes of this section entitled The Offering and the Description of Notes, references to we, us, and our or Healthcare Trust of America Holdings, LP refer only to Healthcare Trust of America Holdings, LP and not to its subsidiaries.

Issuer	Healthcare Trust of America Holdings, LP
Guarantor	Healthcare Trust of America, Inc.
Notes Offered	\$350,000,000 aggregate principal amount of 3.500% Senior Notes due 2026.
Ranking of Notes	<p>The Notes will be our general unsecured and unsubordinated obligations and will:</p> <p style="padding-left: 40px;">rank equally in right of payment with all of our existing and future senior unsecured and unsubordinated indebtedness, including our 3.70% Senior Notes due 2023 (the 2023 Notes) and our 3.38% Senior Notes due 2021 (the 2021 Notes) and senior in right of payment to any of our subordinated indebtedness;</p> <p style="padding-left: 40px;">be effectively subordinated in right of payment to all of our existing and future secured indebtedness to the extent of the value of the collateral securing such indebtedness; and</p> <p style="padding-left: 40px;">be structurally subordinated in right of payment to all existing and future liabilities and other indebtedness, whether secured or unsecured, of our subsidiaries.</p> <p>As of March 31, 2016, we had approximately \$327.1 million of secured indebtedness (including approximately \$2.5 million in net premium and \$639,000 in net deferred financing costs associated with our secured mortgage debt) and \$1,340.2 million of unsecured and unsubordinated indebtedness (including approximately \$1.7 million and \$1.7 million in net discount associated with our 2023 Notes and our 2021 Notes,</p>

respectively, and \$7.3 million in net deferred financing costs) outstanding on a consolidated basis. Of such indebtedness, all of the secured indebtedness and none of the unsecured and unsubordinated indebtedness was attributable to our subsidiaries.

Guarantee

The Notes will be fully and unconditionally guaranteed by Healthcare Trust of America, Inc. The guarantee will be an unsecured and unsubordinated obligation of Healthcare Trust of America, Inc. and will rank equally in right of payment with other unsecured and unsubordinated obligations of Healthcare Trust of America, Inc. Healthcare Trust of America, Inc. has no material assets other than its investment in us.

Table of Contents

Interest	The Notes will bear interest at a rate of 3.500% per year. Interest will be payable semi-annually in arrears on February 1 and August 1 of each year, beginning February 1, 2017.
Maturity	The Notes will mature on August 1, 2026 unless previously redeemed by us at our option prior to such date.
Our Redemption Rights	We may redeem the Notes at our option and in our sole discretion, at any time in whole or from time to time in part, at the applicable redemption price specified in this prospectus supplement. If the Notes are redeemed on or after May 1, 2026, the redemption price will be equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest thereon to the applicable redemption date. See Description of Notes Our Redemption Rights.
Sinking Fund	None.
Certain Covenants	<p>The indenture governing the Notes contains certain covenants that, among other things, limit our, the guarantor s and our subsidiaries ability to:</p> <p style="padding-left: 40px;">consummate a merger, consolidation or sale of all or substantially all of our assets; and</p> <p style="padding-left: 40px;">incur secured and unsecured indebtedness.</p> <p>These covenants are subject to a number of important exceptions and qualifications. See Description of Notes.</p>
Use of Proceeds	We expect that the net proceeds of this offering will be approximately \$346.5 million, after deducting the underwriting discount and estimated offering expenses payable by us. We intend to use the net proceeds of this offering (i) to repay a portion of the outstanding indebtedness under the revolving credit and term loan facility and (ii) for general corporate purposes, including, without limitation, working capital and investment in real estate. See Use of Proceeds.
Trading	The Notes are a new issue of securities with no established trading market. We do not intend to apply for listing of the Notes on any

securities exchange or for quotation of the Notes on any automated dealer quotation system. The underwriters have advised us that they intend to make a market in the Notes, but they are not obligated to do so and may discontinue any market-making at any time without notice.

Book-Entry Form

The Notes will be issued in the form of one or more fully-registered global Notes in book-entry form, which will be deposited with, or on behalf of, The Depository Trust Company, commonly known as DTC, in New York, New York. Beneficial interests in the global certificate

Table of Contents

representing the Notes will be shown on, and transfers will be effected only through, records maintained by DTC and its direct and indirect participants and such interests may not be exchanged for certificated Notes, except in limited circumstances.

Additional Notes

We may, without the consent of holders of the Notes, increase the principal amount of the Notes by issuing additional notes in the future on the same terms and conditions (except for any difference in the issue date, issue price and interest accrued prior to the issue date of the additional notes, and, if applicable, the first interest payment date), and with the same CUSIP number as the Notes offered hereby so long as such additional notes are fungible for U.S. federal income tax purposes with the Notes offered hereby.

Risk Factors

You should consider the risks that we have described in Risk Factors beginning on page S-6 of this prospectus supplement, as well as those described in our and Healthcare Trust of America, Inc.'s most recent Annual Report on Form 10-K, as updated by the subsequent filings under the Exchange Act to read about factors that you should consider before investing in the Notes.

Trustee and Paying Agent

U.S. Bank National Association.

Governing Law

The indenture governing the Notes, the Notes and the guarantee will be governed by, and construed in accordance with, the laws of the State of New York.

Table of Contents

RISK FACTORS

Investment in the Notes involves risks, including risks inherent in our business and in the business of Healthcare Trust of America, Inc., the guarantor of the Notes. In addition to the information presented in this prospectus supplement and the risk factors in our and Healthcare Trust of America, Inc.'s most recent Annual Report on Form 10-K, as updated by the subsequent filings under the Exchange Act, that are incorporated by reference in this prospectus supplement, you should consider carefully the following risk factors before deciding to purchase the Notes.

Any of the risks discussed below or in our and Healthcare Trust of America, Inc.'s filings under the Exchange Act incorporated by reference in this prospectus supplement could have a material impact on our business, financial condition or results of operations. In that case, our ability to pay interest on the Notes when due or to repay the Notes at maturity could be adversely affected, and the trading price of the Notes could decline substantially, and you may lose all or part of your investment.

Risks Related to the Notes and the Offering

The Notes will be effectively subordinated to our existing and future secured indebtedness to the extent of the value of the collateral securing such indebtedness, and to the existing and future liabilities of our subsidiaries.

Our obligations under our senior unsecured revolving credit and term loan facility, our senior unsecured term loan facility, our 2023 Notes, our 2021 Notes and the Notes are unsecured, but our obligations under certain other financing arrangements with lenders are secured by mortgages and security interests in certain of our properties and the ownership interests of certain of our subsidiaries. As of March 31, 2016, we had approximately \$327.1 million of secured indebtedness (including approximately \$2.5 million in net premium and \$639,000 in net deferred financing costs associated with our secured mortgage debt) outstanding. Holders of existing and future secured debt that we or our subsidiaries have incurred or may incur will have claims that are prior to your claims as holders of the Notes to the extent of the value of the assets securing such debt. If we were declared bankrupt or insolvent, or if we default under our secured financing arrangements, the funds borrowed thereunder, together with accrued interest, could become immediately due and payable. If we were unable to repay such indebtedness, the lenders could foreclose on the pledged assets to the exclusion of holders of the Notes, even if an event of default exists under the indenture governing the Notes at such time. In any such event, because the Notes are not secured by any of such assets, it is possible that there would not be sufficient assets from which your claims could be satisfied.

In addition, none of our subsidiaries will guarantee the Notes. Payments on the Notes are only required to be made by us and by Healthcare Trust of America, Inc. As a result, no payments are required to be made by, and holders of Notes will not have a claim against the assets of, our subsidiaries, except if those assets are transferred, by dividend or otherwise, to us or to Healthcare Trust of America, Inc. Therefore, although the Notes are unsubordinated obligations, they will be effectively subordinated to all liabilities, including trade payables, of our current and future subsidiaries. Our subsidiaries are separate and distinct legal entities and have no obligation to pay any amounts due under our indebtedness, including the Notes, or to make any funds available to us, whether by paying dividend, distribution, loan or other payments. Payments to us by our subsidiaries will also be contingent upon our subsidiaries' earnings and their business considerations. Our subsidiaries had approximately \$327.1 million of secured indebtedness (including approximately \$2.5 million in net premium and \$639,000 in net deferred financing costs associated with our secured mortgage debt) outstanding as of March 31, 2016.

Our substantial indebtedness may affect our ability to operate our business, and may have a material adverse effect on our financial condition and results of operations.

As of March 31, 2016, we had approximately \$1,667.3 million of indebtedness (including approximately \$2.5 million in net premium associated with our secured mortgage debt, approximately \$1.7 million in net

S-6

Table of Contents

discount associated with our 2023 Notes and approximately \$1.7 million in net discount associated with our 2021 Notes and approximately \$8.0 million in net deferred financing costs) outstanding. In addition, as of March 31, 2016, \$548.5 million was available to us to borrow under the revolving credit facility of our senior unsecured revolving credit and term loan facility.

Our indebtedness could have significant adverse consequences to us and the holders of the Notes, such as:

limiting our ability to satisfy our financial obligations, including those relating to the Notes;

limiting our ability to obtain additional financing to fund our working capital needs, acquisitions, capital expenditures or other debt service requirements or for other purposes;

limiting our ability to use operating cash flow in other areas of our business because we must dedicate a substantial portion of these funds to service debt;

limiting our ability to compete with other companies who are not as highly leveraged, as we may be less capable of responding to adverse economic and industry conditions;

restricting us from making strategic acquisitions, developing properties or exploiting business opportunities;

restricting the way in which we conduct our business because of financial and operating covenants;

covenants in the agreements governing our and our subsidiaries' existing and future indebtedness;

exposing us to potential events of default (if not cured or waived) under financial and operating covenants contained in our or our subsidiaries' debt instruments that could have a material adverse effect on our business, financial condition and operating results;

increasing our vulnerability to a downturn in general economic conditions; and

limiting our ability to react to changing market conditions in our industry and in our tenants' and borrowers' industries.

In addition to our debt service obligations, our operations may require substantial investments on a continuing basis. Our ability to make scheduled debt payments, to refinance our obligations with respect to our indebtedness and to fund capital and non-capital expenditures necessary to maintain the condition of our operating assets and properties, as well as to provide capacity for the growth of our business, depends on our financial and operating performance, which, in turn, is subject to prevailing economic conditions and financial, business, competitive, legal and other

factors.

Our existing credit facilities and indenture, as well as the indenture governing the Notes, contain restrictions that limit our flexibility in operating our business.

Our existing credit facilities contain a number of covenants that impose significant operating and financial restrictions on us, including restrictions on our ability to, among other things:

incur additional debt;

pay dividends on or make distributions in respect of Healthcare Trust of America, Inc.'s capital stock or make other restricted payments;

make certain payments on debt that is subordinated to the Notes;

make certain investments;

sell or transfer assets;

create liens on certain assets;

S-7

Table of Contents

consolidate, merge, sell or otherwise dispose of all or substantially all of our assets; and

enter into certain transactions with our affiliates.

In addition, the existing indenture governing our 2023 Notes, the existing indenture governing our 2021 Notes and the indenture governing the Notes contains financial and operating covenants, including restrictions on our ability to:

consummate a merger, consolidation or sale of all or substantially all of our assets; and

incur additional secured and unsecured indebtedness.

Any of these restrictions could limit our ability to plan for or react to market conditions and could otherwise restrict our business activities. Our ability to comply with these and other provisions of our existing credit facilities and the indentures may be affected by changes in our operating and financial performance, changes in general business and economic conditions, adverse regulatory developments or other events adversely impacting us. Our operating results may not be sufficient to service our indebtedness or to fund our other expenditures and we may not be able to obtain financing to meet these requirements. See [Description of Other Indebtedness](#) and [Description of Notes](#).

Despite our substantial indebtedness, we or our subsidiaries may still incur significantly more debt, which could exacerbate any or all of the risks related to our indebtedness, including our inability to pay the principal of or interest on the Notes.

We and our subsidiaries may be able to incur substantial additional indebtedness in the future. Although the agreements governing our unsecured and secured indebtedness, including our existing credit facilities and the indentures, limit our ability to incur additional indebtedness, these restrictions are subject to a number of qualifications and exceptions and, under certain circumstances, debt incurred in compliance with these restrictions could be substantial. To the extent that we or our subsidiaries incur additional indebtedness or other such obligations, we may face additional risks associated with our indebtedness, including our possible inability to pay the principal of or interest on the Notes.

If we default on our obligations to pay our other indebtedness, we may not be able to make payments on the Notes.

Any default under the agreements governing our indebtedness, including a default under our existing credit facilities, that is not waived by the required holders of such indebtedness, could leave us unable to pay principal, premium, if any, or interest on the Notes and could substantially decrease the market value of the Notes. If we are unable to generate sufficient cash flow and are otherwise unable to obtain funds necessary to meet required payments of principal, premium, if any, or interest on such indebtedness, or if we otherwise fail to comply with the various covenants, including financial and operating covenants, in the instruments governing our indebtedness, including our existing credit facilities, we could be in default under the terms of the agreements governing such indebtedness. In the event of such default, the holders of such indebtedness could elect to declare all the funds borrowed thereunder to be due and payable, together with any accrued and unpaid interest, the lenders under our existing credit facilities could elect to terminate their commitments or cease making further loans and we could be forced into bankruptcy or liquidation. In addition, a default (or an event of default) under agreements governing our indebtedness may trigger a cross default or cross-acceleration under our other agreements, including our existing credit facilities. If any of our indebtedness is accelerated, we may not be able to repay it.

We may not be able to generate sufficient cash flow to meet our debt service obligations.

Our ability to make payments on and to refinance our indebtedness, including the Notes, and to fund our operations, working capital and capital expenditures, depends on our ability to generate cash in the future. To

S-8

Table of Contents

a certain extent, our cash flow is subject to general economic, industry, financial, competitive, operating, legislative, regulatory and other factors, many of which are beyond our control.

We cannot assure you that our business will generate sufficient cash flow from operations or that future sources of cash will be available to us in an amount sufficient to enable us to pay amounts due on our indebtedness, including the Notes, or to fund our other liquidity needs. Additionally, if we incur additional indebtedness in connection with future acquisitions or development projects or for any other purpose, our debt service obligations could increase.

We may need to refinance all or a portion of our indebtedness, including the Notes, on or before maturity. Our ability to refinance our indebtedness or obtain additional financing will depend on, among other things:

our financial condition and market conditions at the time; and

restrictions in the agreements governing our indebtedness.

As a result, we may not be able to refinance any of our indebtedness, including the Notes, on commercially reasonable terms, or at all. If we do not generate sufficient cash flow from operations, and additional borrowings or refinancings or proceeds of asset sales or other sources of cash are not available to us, we may not have sufficient cash to enable us to meet all of our obligations, including payments on the Notes. Accordingly, if we cannot service our indebtedness, we may have to take actions such as seeking additional equity or delaying capital expenditures, or strategic acquisitions and alliances, any of which could have a material adverse effect on our operations. We cannot assure you that we will be able to effect any of these actions on commercially reasonable terms, or at all.

Failure to hedge effectively against interest rate changes may adversely affect our results of operations and our ability to meet our debt service obligations, including payments on the Notes.

As of March 31, 2016, we had approximately \$779.9 million of variable interest rate debt outstanding. We seek to manage our exposure to interest rate volatility by using interest rate hedging arrangements, to which approximately \$280.9 million of our variable interest rate debt was subject as of March 31, 2016. However, these hedging arrangements involve risk, including the risk that counterparties may fail to honor their obligations under these arrangements, that these arrangements may not be effective in reducing our exposure to interest rate changes and that these arrangements may result in higher interest rates than we would otherwise have. Moreover, no hedging activity can completely insulate us from the risks associated with changes in interest rates. Failure to hedge effectively against interest rate changes may materially adversely affect our results of operations and our ability to meet our debt service obligations, including payments on the Notes.

There is currently no trading market for the Notes, and a trading market for the Notes may not develop or be sustained.

The Notes are a new issue of securities with no established trading market. We do not intend to apply for listing of the Notes on any securities exchange or for quotation of the Notes on any automated dealer quotation system. Although the underwriters have advised us that they intend to make a market in the Notes, they are not obligated to do so and may discontinue any market-making at any time without notice. Accordingly, an active trading market may not develop for the Notes and, even if one develops, may not be maintained. The liquidity of the trading market, if any, and future trading prices of the Notes will depend on many factors, including, among other things, prevailing interest rates, the financial condition, results of operations, business, prospects and credit quality of us, Healthcare Trust of

America, Inc. and our subsidiaries, and other comparable entities, the market for similar securities and the overall securities market, and may be adversely affected by unfavorable changes in any of these factors, some of which are beyond our control. If an active trading market for the Notes does not develop or is not maintained, the market price and liquidity of the Notes is likely to be adversely affected, and holders may not be able to sell their Notes at desired times and prices or at all.

Table of Contents

Healthcare Trust of America, Inc. has no significant operations and no material assets, other than its investment in us.

The Notes will be fully and unconditionally guaranteed by Healthcare Trust of America, Inc. However, Healthcare Trust of America, Inc. has no significant operations and no material assets, other than its investment in us. Furthermore, Healthcare Trust of America, Inc.'s guarantee of the Notes will be effectively subordinated in right of payment to all existing and future unsecured and secured liabilities of its subsidiaries (including us and any entity Healthcare Trust of America, Inc. accounts for under the equity method of accounting). As of March 31, 2016, the total indebtedness of Healthcare Trust of America, Inc.'s subsidiaries (including us) was approximately \$1,667.3 million of indebtedness (including approximately \$2.5 million in net premium associated with our secured mortgage debt, approximately \$1.7 million in net discount associated with our 2023 Notes and approximately \$1.7 million in net discount associated with our 2021 Notes and approximately \$8.0 million in net deferred financing costs).

Federal and state statutes allow courts, under specific circumstances, to void guarantees and require holders of Notes to return payments received from guarantors.

Under the federal bankruptcy law and provisions of state fraudulent transfer laws, a guarantee, such as the guarantee provided by Healthcare Trust of America, Inc., could be voided, or claims in respect of a guarantee could be subordinated to all other debts of that guarantor if, among other things, the guarantor, at the time it incurred the indebtedness evidenced by its guarantee:

received less than reasonably equivalent value or fair consideration for the incurrence of the guarantee; and

either:

was insolvent or rendered insolvent by reason of the incurrence of the guarantee;

was engaged in a business or transaction for which the guarantor's remaining assets constituted unreasonably small capital;

intended to incur, or believed that it would incur, debts beyond its ability to pay those debts as they mature; or

intended to hinder, delay or defraud creditors.

In addition under such circumstances, any payment by that guarantor pursuant to its guarantee could be voided and required to be returned to the guarantor, or to a fund for the benefit of the creditors of the guarantor, as the case may be.

The measures of insolvency for purposes of these fraudulent transfer laws will vary depending upon the law applied in any proceeding to determine whether a fraudulent transfer has occurred. Generally, however, a guarantor would be considered insolvent if:

the sum of its debts, including contingent liabilities, was greater than the fair saleable value of all of its assets;

the present fair saleable value of its assets was less than the amount that would be required to pay its probable liability on its existing debts, including contingent liabilities, as they became absolute and mature; or

it could not pay its debts as they become due.

A court would likely find that a guarantor did not receive reasonably equivalent value or fair consideration for its guarantee unless it benefited directly or indirectly from the issuance of the Notes. If a court voided Healthcare Trust of America, Inc.'s guarantee of the Notes, you would no longer have a claim against such guarantor or the benefit of the assets of such guarantor constituting collateral that purportedly secured such

S-10

Table of Contents

guarantee and would be creditors solely of us. In addition, the court might direct holders of the Notes to repay any amounts already received from a guarantor. If the court were to void Healthcare Trust of America, Inc.'s guarantee, we cannot assure you that funds would be available to pay the Notes from any of our subsidiaries or from any other source.

An increase in interest rates could result in a decrease in the relative value of the Notes.

In general, as market interest rates rise, notes bearing interest at a fixed rate generally decline in value because the premium, if any, over market interest rates will decline. Consequently, if you purchase these Notes and market interest rates increase, the market value of your Notes may decline. We cannot predict the future level of market interest rates.

We may choose to redeem the Notes when prevailing interest rates are relatively low.

The Notes are redeemable at our option and we may choose to redeem some or all of the Notes from time to time, especially when prevailing interest rates are lower than the rate borne by the Notes. If prevailing rates are lower at the time of redemption, you would not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as the interest rate on the Notes being redeemed. See Description of Notes Our Redemption Rights.

The Notes may not be rated or may receive a lower rating than anticipated.

The Notes may be rated by one or more nationally recognized statistical rating organizations. The credit ratings of the Notes will primarily reflect the assessment of rating organizations of our financial strength and our ability to pay our debts when due, and will change in accordance with our financial strength. Any rating is not a recommendation to purchase, sell or hold any particular security, including the Notes. Ratings do not comment as to market price or suitability for a particular investor. In addition, ratings at any time may be lowered or withdrawn in their entirety. The ratings of the Notes may not reflect the potential impact of all risks related to structure and other factors on any trading market for, or value of, the Notes. Actual or anticipated changes or downgrades in our credit rating, including any announcement that our rating is under further review for a downgrade, could affect the market value of the Notes, increase our corporate borrowing costs and limit availability of capital.

The underwriters may have conflicts of interest that arise out of contractual relationships they or their affiliates have with us.

We intend to use the net proceeds of this offering (i) to repay a portion of the outstanding indebtedness under the revolving credit and term loan facility and (ii) for general corporate purposes, including, without limitation, working capital and investment in real estate. U.S. Bank National Association, an affiliate of U.S. Bancorp Investments, Inc., one of the underwriters participating in this offering, is a lender under our senior unsecured revolving credit facility and term loan facility. In addition, JP Morgan Chase Bank, N.A., an affiliate of J.P. Morgan Securities LLC, one of the underwriters participating in this offering, is the administrative agent and a lender under our senior unsecured revolving credit and term loan facility, Fifth Third Bank, an Ohio banking corporation, an affiliate of Fifth Third Securities, Inc., one of the underwriters participating in this offering, is the managing agent and a lender under our senior unsecured revolving credit and term loan facility, and Wells Fargo Bank, N.A., an affiliate of Wells Fargo Securities, LLC, one of the underwriters participating in this offering, is the syndication agent and a lender under our senior unsecured revolving credit and term loan facility. Accordingly, a portion of the net proceeds of this offering will be received by U.S. Bank National Association, Fifth Third Bank, an Ohio banking corporation, Morgan Chase Bank, N.A. and Wells Fargo Bank, N.A. and such other affiliates. U.S. Bank National Association will also serve as trustee under the indenture governing the Notes and will receive customary compensation thereunder. As a result,

certain of the underwriters and their affiliates have an interest in the successful completion of this offering beyond the customary underwriters' discounts received by such underwriters, which could result in a conflict of interest and cause them to act in a manner that is not in the best interests of us or our investors in this offering.

FORWARD-LOOKING STATEMENTS

Certain statements contained in this prospectus supplement and any documents we incorporate by reference herein constitute forward-looking statements within the meaning of the safe harbor from civil liability provided for such statements by the Private Securities Litigation Reform Act of 1995 (set forth in Section 27A of the Securities Act of 1933, as amended, or the Securities Act, and Section 21E of the Exchange Act). Such statements include, in particular, statements about our plans, strategies and prospects and estimates regarding future medical office building market performance. Additionally, such statements are subject to certain risks and uncertainties, as well as known and unknown risks, which could cause actual results to differ materially and in adverse ways from those projected or anticipated. Therefore, such statements are not intended to be a guarantee of our performance in future periods. Forward-looking statements are generally identifiable by the use of such terms as expect, project, may, should, could, would, intend, plan, anticipate, estimate, believe, continue, opinion, predict, potential, pro forma, and other such terms and other comparable terminology. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date this prospectus supplement or such document incorporated by reference herein, as applicable. We cannot guarantee the accuracy of any such forward-looking statements contained in this prospectus supplement or any documents we incorporate by reference herein, and we do not intend to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by law.

Any such forward-looking statements reflect our current views about future events, are subject to unknown risks, uncertainties, and other factors, and are based on a number of assumptions involving judgments with respect to, among other things, future economic, competitive, and market conditions, all of which are difficult or impossible to predict accurately. To the extent that our assumptions differ from actual results, our ability to meet such forward-looking statements, including our ability to generate positive cash flow from operations, provide dividends to stockholders, and maintain the value of our real estate properties, may be significantly hindered. The following factors, as well as any cautionary language in this prospectus supplement and any documents we incorporate by reference herein, provide examples of certain risks, uncertainties and events that could cause actual events or results to differ materially from those presented in our forward-looking statements:

our ability to effectively deploy proceeds of offerings of securities;

changes in economic conditions affecting the healthcare property sector, the commercial real estate market and the credit market;

competition for acquisition of medical office buildings and other facilities that serve the healthcare industry;

economic fluctuations in certain states in which our property investments are geographically concentrated;

retention of our senior management team;

financial stability and solvency of our tenants;

supply and demand for operating properties in the market areas in which we operate;

our ability to acquire real properties, and to successfully operate those properties once acquired;

changes in property taxes;

legislative and regulatory changes, including changes to laws governing the taxation of REITs and changes to laws governing the healthcare industry;

fluctuations in reimbursements from third party payors such as Medicare and Medicaid;

delays in liquidating defaulted mortgage loan investments;

changes in interest rates;

S-12

Table of Contents

the availability of capital and financing;

restrictive covenants in our existing credit facilities;

changes in our credit rating;

changes in accounting principles generally accepted in the United States of America, policies and guidelines applicable to REITs;

Healthcare Trust of America, Inc.'s ability to remain qualified as a REIT; and

the factors included in this prospectus supplement and any documents we incorporate by reference herein, including those set forth in our and Healthcare Trust of America, Inc.'s Annual Report on Form 10-K for the fiscal year ended December 31, 2015 and Quarterly Report on Form 10-Q for the period ended March 31, 2016, under the headings "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations."

Forward-looking statements express expectations of future events. All forward-looking statements are inherently uncertain as they are based on various expectations and assumptions concerning future events and they are subject to numerous known and unknown risks and uncertainties that could cause actual events or results to differ materially from those projected. Due to these inherent uncertainties, our security holders are urged not to place undue reliance on forward-looking statements. Forward-looking statements speak only as of the date made. In addition, we undertake no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of unanticipated events or changes to projections over time, except as required by law.

These risks and uncertainties should be considered in evaluating forward-looking statements and undue reliance should not be placed on such statements. Additional information concerning us and our business, including additional factors that could materially affect our financial results, is included herein and in our other filings with the SEC.

Table of Contents

USE OF PROCEEDS

We estimate that the net proceeds of this offering will be approximately \$346.5 million, after deducting the underwriting discounts and estimated offering expenses payable by us.

We intend to use the net proceeds of this offering (i) to repay a portion of the outstanding indebtedness under the revolving credit and term loan facility and (ii) for general corporate purposes, including, without limitation, working capital and investment in real estate. U.S. Bank National Association, an affiliate of U.S. Bancorp Investments, Inc., one of the underwriters participating in this offering, is a lender under our senior unsecured revolving credit facility and term loan facility. In addition, JP Morgan Chase Bank, N.A., an affiliate of J.P. Morgan Securities LLC, one of the underwriters participating in this offering, is the administrative agent and a lender under our senior unsecured revolving credit and term loan facility, Fifth Third Bank, an Ohio banking corporation, an affiliate of Fifth Third Securities, Inc., one of the underwriters participating in this offering, is the managing agent and a lender under our senior unsecured revolving credit and term loan facility, and Wells Fargo Bank, N.A., an affiliate of Wells Fargo Securities, LLC, one of the underwriters participating in this offering, is the syndication agent and a lender under our senior unsecured revolving credit and term loan facility. As a result, a portion of the net proceeds of this offering will be received by U.S. Bank National Association, Fifth Third Bank, an Ohio banking corporation, JP Morgan Chase Bank, N.A. and Wells Fargo Bank, N.A. and such other affiliates. U.S. Bank National Association will also serve as trustee under the indenture governing the Notes and will receive customary compensation thereunder. See Underwriting (Conflicts of Interest) Conflicts of Interest.

As of March 31, 2016, we had \$596.0 million outstanding under our \$1,150.0 million unsecured revolving credit and term loan facility, comprised of \$300.0 million outstanding under the \$300.0 million term loan and \$296.0 million outstanding under the \$850.0 million revolving credit facility. Our unsecured revolving credit facility matures on January 31, 2020. Our unsecured term loan matures on January 31, 2019, with a one-year extension option, subject to certain conditions. The borrowings under the senior unsecured revolving credit and term loan facility were used for our working capital needs and general corporate purposes, including acquisitions and repayment of debt. Borrowings under the \$300.0 million unsecured term loan accrue interest equal to adjusted LIBOR plus a margin ranging from 0.90% to 1.80% per annum based on our and Healthcare Trust of America, Inc.'s credit ratings. The margin associated with our borrowings as of March 31, 2016 was 1.15% per annum. Borrowings under the \$850.0 million unsecured revolving credit facility accrue interest equal to adjusted LIBOR plus a margin ranging from 0.88% to 1.55% per annum based on our and Healthcare Trust of America, Inc.'s credit ratings. We also pay a facility fee ranging from 0.13% to 0.30% per annum on the aggregate commitments under the unsecured revolving credit facility. As of March 31, 2016, the margin associated with our borrowings was 1.05% per annum and the facility fee was 0.20% per annum. See Description of Other Indebtedness.

Table of Contents**RATIO OF EARNINGS TO FIXED CHARGES AND PREFERRED STOCK DIVIDENDS**

The following table sets forth our ratio of earnings to fixed charges for each of the periods shown:

	Healthcare Trust of America Holdings, LP					
	Three Months ended					
	March 31,		Year Ended December 31,			
	2016	2015	2014	2013	2012	2011
Ratio of Earnings to Fixed Charges(1)	1.65	1.55	1.78	1.46	(2)	1.13

- (1) We restated the information for the years ended December 31, 2013, 2012 and 2011 to conform to our 2014 presentation. The results of operations of the property that was previously classified as held for sale has been reclassified out of discontinued operations for the periods ended 2013, 2012 and 2011.
- (2) The ratio of earnings to fixed charges was less than one-to-one for the year ended December 31, 2012. The total fixed charges for that year was \$46.7 million, and the total earnings were \$22.3 million. The deficiency amounts, or the amounts of fixed charges in excess of earnings for that year was \$24.4 million.

	Healthcare Trust of America, Inc.					
	Three Months ended					
	March 31,		Year Ended December 31,			
	2016	2015	2014	2013	2012	2011
Ratio of Earnings to Fixed Charges(1)	1.64	1.55	1.77	1.45	(2)	1.13

- (1) We restated the information for the years ended December 31, 2013, 2012 and 2011 to conform to our 2014 presentation. The results of operations of the property that was previously classified as held for sale has been reclassified out of discontinued operations for the periods ended 2013, 2012 and 2011.
- (2) The ratio of earnings to fixed charges was less than one-to-one for the year ended December 31, 2012. The total fixed charges for that year was \$46.7 million, and the total earnings were \$22.3 million. The deficiency amounts, or the amounts of fixed charges in excess of earnings for that year was \$24.4 million.

We have computed the ratios of earnings to fixed charges by dividing earnings by fixed charges. For the purposes of computing these ratios, earnings have been calculated by adding fixed charges to pre-tax income (loss) from continuing operations and fixed charges as the sum of interest expensed, amortized premiums, discounts and capitalized expenses related to indebtedness and the estimate of interest within rental expense.

There was no preferred stock of Healthcare Trust of America Holdings, LP outstanding for any of the periods shown above. Accordingly, the ratio of earnings to combined fixed charges and preferred stock dividends was identical to the ratio of earnings to fixed charges for each period.

Table of Contents**CAPITALIZATION**

The following table sets forth our capitalization as of March 31, 2016:

on an actual basis; and

on an as adjusted basis to give effect to the issuance of the Notes offered hereby and the application of the estimated net proceeds thereof, including the repayment of the outstanding indebtedness under the revolving credit and term loan facility.

You should read the following information in conjunction with the information contained in Use of Proceeds and our and Healthcare Trust of America, Inc.'s audited consolidated financial statements and accompanying notes, included or incorporated by reference in this prospectus supplement.

	As of March 31, 2016	
	Actual	As Adjusted
	(Unaudited)	
	(Amounts in thousands)	
Cash and cash equivalents	\$ 13,827	\$ 64,346
Debt:		
Fixed rate mortgages(1)	\$ 298,208	\$ 298,208

DESCRIPTION OF OTHER INDEBTEDNESS

Senior Unsecured Revolving Credit and Term Loan Facility

On November 19, 2014, we and Healthcare Trust of America, Inc. entered into a credit agreement with JPMorgan Chase Bank, N.A., as administrative agent, the other agents named therein and the lenders named therein to obtain an unsecured revolving credit facility in an aggregate maximum principal amount of \$800.0 million and a term loan facility in an aggregate maximum principal amount of \$300.0 million, subject to the increase described below.

On February 11, 2015, we executed an amendment to the unsecured revolving credit and term loan facility which added an additional lender and increased the amount available under the unsecured revolving credit facility from \$800.0 million to \$850.0 million. The other existing terms of the unsecured revolving credit and term loan facility were unchanged.

The proceeds of loans made under our senior unsecured revolving credit and term loan facility may be used for our working capital needs and general corporate purposes, including acquisitions and repayment of debt. As discussed above, on February 11, 2015, we executed an amendment to the unsecured revolving credit and term loan facility to increase the commitments under the revolving credit facility by \$50.0 million.

As of March 31, 2016, we had \$596.0 million outstanding under our \$1,150.0 million unsecured revolving credit and term loan facility, comprised of \$300.0 million outstanding under the term loan (excluding approximately \$2.0 million in net deferred financing costs) and \$296.0 million outstanding under the revolving credit facility. Borrowings under the unsecured revolving credit facility accrue interest equal to adjusted LIBOR, plus a margin ranging from 0.88% to 1.55% per annum based on our credit rating. We also pay a facility fee ranging from 0.13% to 0.30% per annum on the aggregate commitments under the unsecured revolving credit facility. As of March 31, 2016, the interest rate with respect to the revolving credit facility was 1.49% per annum, the margin associated with our borrowings was 1.05% per annum and the facility fee was 0.20% per annum. Including the impact of the interest rate swaps associated with our unsecured term loan, the interest rate was 1.73% per annum, based on our current credit rating. The unsecured term loan matures on January 31, 2019, and includes a one-year extension exercisable at the option of the borrower, subject to certain conditions.

Our senior unsecured revolving credit and term loan facility requires compliance with certain financial and operating covenants, including, among other things: a maximum ratio of total indebtedness to total asset value; a maximum ratio of secured indebtedness to total asset value; a minimum ratio of EBITDA to fixed charges; a maximum ratio of unsecured indebtedness to unencumbered asset value; and a minimum ratio of unencumbered net operating income to unsecured interest expense. Our senior unsecured revolving credit and term loan facility also contains customary events of default, including, but not limited to, non-payment of principal, interest fees or other amounts, breaches of covenants and bankruptcy or other insolvency events. Healthcare Trust of America, Inc. is also restricted from making distributions to its stockholders in the event it is in default under our senior unsecured revolving credit and term loan facility, except to the extent necessary for it to maintain its REIT status. Management believes that it was in compliance with the covenants as of March 31, 2016.

Senior Unsecured Term Loan

On July 20, 2012, we entered into our senior unsecured term loan facility with Wells Fargo Bank, N.A., as administrative agent, Wells Fargo Securities, LLC, as lead arranger, and the lenders named therein to obtain an unsecured term loan facility in an aggregate principal amount of \$155.0 million, subject to increase as discussed below. The proceeds of loans made under our senior unsecured term loan facility were used for our working capital

needs and general corporate purposes, including payment of tender offer obligations.

On November 19, 2014, we executed an amendment to the unsecured term loan facility that amended certain covenants to align with our unsecured revolving credit and term loan facility. As of March 31, 2016, we

S-17

Table of Contents

had \$155.0 million as an unsecured term loan from this facility (excluding approximately \$698,000 in net deferred financing costs). Our obligations with respect to the loan are guaranteed by Healthcare Trust of America, Inc. The loan matures on July 19, 2019, and the interest rate thereon is equal to LIBOR, plus a margin ranging from 1.55% to 2.40% per annum based on our credit rating. The margin associated with our borrowings as of March 31, 2016 was 1.70% per annum. We have interest rate swaps in place that fix the interest rate at 2.99% per annum, based on our current credit rating. The maximum principal amount under this unsecured term loan may be increased by us, subject to such additional financing being provided by our existing lender.

As stated above, on November 19, 2014 we executed an amendment to the unsecured term loan that brought its covenants in line with those of our unsecured revolving credit and term loan facility. Management believes that it was in compliance with the covenants as of March 31, 2016.

3.38% Senior Notes due July 15, 2021

On June 26, 2014, we issued \$300.0 million in aggregate principal amount of 3.38% Senior Notes due 2021 in an offering registered under the Securities Act. At March 31, 2016, we had a total of approximately \$300.0 million of 2021 Notes (excluding approximately \$1.7 million in net discount and \$2.3 million in net deferred financing costs) outstanding. The 2021 Notes bear interest at 3.38% per annum and are payable semi-annually. The 2021 Notes were offered at 99.21% of the principal amount thereof, with an effective yield to maturity of 3.50% per annum.

The terms of the 2021 Notes are governed by an indenture, dated June 26, 2014, among Healthcare Trust of America Holdings, LP, as issuer, Healthcare Trust of America, Inc., as guarantor, and U.S. Bank National Association, as trustee. This indenture contains various restrictive covenants virtually identical to the indenture governing the Notes, including limitations on our ability to incur additional indebtedness, requirements to maintain a pool of unencumbered assets and requirements to maintain insurance with financially sound and reputable insurance companies.

3.70% Senior Notes due April 15, 2023

On March 28, 2013, we issued \$300.0 million in aggregate principal amount of 3.70% Senior Notes due 2023 in an offering exempt from registration pursuant to Rule 144A under the Securities Act. The 2023 Notes bear interest at 3.70% per annum and are payable semi-annually. The 2023 Notes were offered at 99.19% of the principal amount thereof, with an effective yield to maturity of 3.80% per annum.

On November 21, 2013, we completed the exchange offer of the 2023 Notes for a new series of 2023 Notes that are now registered under the Securities Act. The new series of registered 2023 Notes have substantively identical terms to the initial series of the 2023 Notes.

The terms of the 2023 Notes are governed by an indenture, dated March 28, 2013, among Healthcare Trust of America Holdings, LP, as issuer, Healthcare Trust of America, Inc., as guarantor, and U.S. Bank National Association, as trustee. This indenture contains various restrictive covenants virtually identical to the indenture governing the Notes, including limitations on our ability to incur additional indebtedness, requirements to maintain a pool of unencumbered assets and requirements to maintain insurance with financially sound and reputable insurance companies.

At March 31, 2016, we had a total of approximately \$300 million of 2023 Notes (excluding approximately \$1.7 million in net discount and \$2.3 in net deferred financing costs) outstanding. The 2023 Notes are guaranteed by Healthcare Trust of America, Inc. and mature on April 15, 2023.

Table of Contents

Mortgage Debt

At March 31, 2016, we had a total of approximately \$325.3 million of mortgage debt (excluding approximately \$2.5 million in net premium and \$639,000 in net deferred financing costs) with 43 encumbered properties having a \$661.6 million aggregate gross book value.

Our mortgage debt is generally recourse solely to the specific properties securing the debt except in case of fraud, misapplication of funds and certain other limited recourse carve-out provisions, which could extend recourse to us. Much of our secured debt is prepayable, subject to various prepayment, yield maintenance or defeasance obligations.

Much of our secured debt includes lock-box arrangements under certain circumstances. We are permitted to spend an amount required to cover our operating expenses, taxes, debt service, insurance and capital expenditure reserves even if revenues are flowing through a lock-box in cases where a specified debt service coverage ratio is not met. All of our consolidated loans subject to lock-box provisions currently exceed the applicable minimum debt service coverage ratios.

Table of Contents

DESCRIPTION OF NOTES

The following description summarizes key terms and provisions of the Notes and the indenture, does not purport to be complete and is subject to, and qualified in its entirety by reference to, the actual terms and provisions of the Notes and the indenture, which are incorporated herein by reference. We will provide copies of these documents to you upon request. Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Notes or the indenture, as applicable. As used in this section, the terms we, us, our or Healthcare Trust of America Holdings, LP refer to Healthcare Trust of America Holdings, LP and not to any of its subsidiaries, unless stated otherwise. Unless the context requires otherwise, the term interest includes additional interest, as described below and references to dollars mean U.S. dollars.

General

The Notes will be issued pursuant to an indenture, to be dated as of July 12, 2016, among Healthcare Trust of America Holdings, LP, Healthcare Trust of America, Inc., as guarantor, and U.S. Bank National Association, as trustee. You may request copies of the indenture and the form of the Notes from us.

The Notes will be issued only in fully registered, book-entry form, in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof, except under the limited circumstances described below under Book-Entry, Delivery and Form. The registered holder of a Note will be treated as its owner for all purposes.

If any interest payment date, stated maturity date or redemption date is not a business day, the payment otherwise required to be made on such date will be made on the next business day without any additional payment as a result of such delay. The term business day means, with respect to any Note, any day, other than a Saturday, Sunday or any other day on which banking institutions in New York, New York are authorized or obligated by law or executive order to close. All payments will be made in U.S. dollars.

The Notes will be fully and unconditionally guaranteed by Healthcare Trust of America, Inc. on an unsecured and unsubordinated basis. See Guarantee below.

The terms of the Notes provide that we are permitted to reduce interest payments and payments upon a redemption of Notes otherwise payable to a holder for any amounts we are required to withhold by law. For example, non-United States holders of the Notes may, under some circumstances, be subject to U.S. federal withholding tax with respect to payments of interest on the Notes. We will set-off any such withholding tax that we are required to pay against payments of interest payable on the Notes and payments upon a redemption of Notes.

Ranking

The Notes will be our unsecured and unsubordinated obligations and will rank equally in right of payment with each other and with all of our existing and future unsecured and unsubordinated indebtedness, including the 2023 Notes and the 2021 Notes. However, the Notes will be effectively subordinated in right of payment to our existing and future secured indebtedness (to the extent of the value of the collateral securing such indebtedness). The Notes will also be effectively subordinated in right of payment to all existing and future liabilities, whether secured or unsecured, of our subsidiaries. As of March 31, 2016, we had approximately \$327.1 million of secured indebtedness (including approximately \$2.5 million in net premium and \$639,000 in net deferred financing costs associated with our secured mortgage debt) and \$1,340.2 million of unsecured and unsubordinated indebtedness (including approximately \$1.7 million and \$1.7 million in net discount associated with our 2023 Notes and our 2021 Notes, respectively and \$7.3 million in net deferred financing costs) outstanding on a consolidated basis. Of such indebtedness, all of the secured

indebtedness and none of the unsecured and unsubordinated indebtedness was attributable to our subsidiaries.

S-20

Table of Contents

Except as described under **Certain Covenants** and **Merger, Consolidation or Sale**, the indenture governing the Notes does not prohibit us or any of our subsidiaries from incurring additional indebtedness or issuing preferred equity in the future, nor does the indenture afford holders of the Notes protection in the event of (i) a recapitalization transaction or other highly leveraged or similar transaction, (ii) a change of control of us or (iii) a merger, consolidation, reorganization, restructuring or transfer or lease of substantially all of our assets or similar transaction that may adversely affect the holders of the Notes. We may, in the future, enter into certain transactions such as the sale of all or substantially all of our assets or a merger or consolidation that may increase the amount of our indebtedness or substantially change our assets, which may have an adverse effect on our ability to service our indebtedness, including the Notes. See **Risk Factors** **Risks Related to the Notes and the Offering**. Despite our substantial indebtedness, we or our subsidiaries may still incur significantly more debt, which could exacerbate any or all of the risks related to our indebtedness, including our inability to pay the principal of or interest on the Notes.

Additional Notes

The Notes will initially be limited to an aggregate principal amount of \$350.0 million. We may, without the consent of holders of the Notes, increase the principal amount of the Notes by issuing additional notes in the future on the same terms and conditions (except for any difference in the issue date, issue price and interest accrued prior to the issue date of the additional notes, and, if applicable, the first interest payment date), and with the same CUSIP number as the Notes offered hereby so long as such additional notes are fungible for U.S. federal income tax purposes with the Notes offered hereby. The Notes offered by this prospectus supplement and any additional notes would rank equally and ratably in right of payment and would be treated as a single series of debt securities for all purposes under the indenture.

Interest

Interest on the Notes will accrue at the rate of 3.500% per year from and including July 12, 2016 or the most recent interest payment date to which interest has been paid or provided for, and will be payable semi-annually in arrears on February 1 and August 1 of each year, beginning February 1, 2017. The interest so payable will be paid to each holder in whose name a Note is registered at the close of business on the January 15 or July 15 (whether or not a business day) immediately preceding the applicable interest payment date. Interest on the Notes will be computed on the basis of a 360-day year consisting of twelve 30-day months.

If any interest payment date or maturity or redemption date falls on a day that is not a business day, the required payment shall be made on the next business day as if it were made on the date such payment was due and no interest shall accrue on the amount so payable from and after such interest payment date or maturity or redemption date, as the case may be, to such next business day.

If we redeem the Notes in accordance with the terms of such Note, we will pay accrued and unpaid interest and premium, if any, to the holder that surrenders such Note for redemption. However, if a redemption falls after a record date and on or prior to the corresponding interest payment date, we will pay the full amount of accrued and unpaid interest and premium, if any, due on such interest payment date to the holder of record at the close of business on the corresponding record date.

Maturity

The Notes will mature on August 1, 2026 and will be paid against presentation and surrender thereof at the corporate trust office of the trustee unless earlier redeemed by us at our option as described under **Our Redemption Rights** below. The Notes will not be entitled to the benefits of, or be subject to, any sinking fund.

S-21

Table of Contents

Our Redemption Rights

We may redeem the Notes at our option and in our sole discretion, at any time or from time to time prior to May 1, 2026, in whole or in part, at a redemption price equal to the greater of:

100% of the principal amount of the Notes being redeemed; or

as determined by the Quotation Agent (as defined below), the sum of the present values of the remaining scheduled payments of principal and interest thereon (not including any portion of such payments of interest accrued as of the redemption date) that would be due if the Notes matured on the Par Call Date discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate (as defined below) plus 35 basis points (0.35%),

plus, in each case, accrued and unpaid interest thereon to the applicable redemption date; provided, however, that if the redemption date falls after a record date and on or prior to the corresponding interest payment date, we will pay the full amount of accrued and unpaid interest, if any (plus additional interest, if applicable), on such interest payment date to the holder of record at the close of business on the corresponding record date (instead of the holder surrendering its Notes for redemption).

Notwithstanding the foregoing, if the Notes are redeemed on or after the Par Call Date, the redemption price will be equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest thereon to the applicable redemption date.

As used herein:

Adjusted Treasury Rate means, with respect to any redemption date, the rate per year equal to the semi-annual equivalent yield to maturity (computed on the third business day immediately preceding the redemption date) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

Comparable Treasury Issue means the United States Treasury security selected by the Quotation Agent as having an actual or interpolated maturity comparable to the Remaining Life that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the Remaining Life.

Comparable Treasury Price means, with respect to any redemption date, (1) the average of the Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest of such Reference Treasury Dealer Quotations, or (2) if the trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such Quotations.

Par Call Date means May 1, 2026.

Quotation Agent means the Reference Treasury Dealer appointed by us.

Reference Treasury Dealer means (1) a Primary Treasury Dealer (as defined below) selected by U.S. Bancorp Investments, Inc. or its successors, (2) J.P. Morgan Securities LLC or its successors and (3) any two other Primary

Treasury Dealers selected by us; provided, however, that if any of the Reference Treasury Dealers referred to in clause (1) or (2) above ceases to be a primary U.S. Government securities dealer (Primary Treasury Dealer), we will substitute therefor another Primary Treasury Dealer.

Reference Treasury Dealer Quotations means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by us, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the trustee by such Reference Treasury Dealer at 5:00 p.m., New York City time, on the third business day preceding such redemption date.

Table of Contents

Remaining Life means the remaining term of the Notes to be redeemed, calculated as if the maturity date of such Notes were the Par Call Date.

Notice of any redemption will be mailed at least 15 days but not more than 60 days before the redemption date to each holder of the Notes to be redeemed. Unless we default in payment of the redemption price, on and after the redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption.

If we decide to redeem the Notes in part, the trustee will select the Notes to be redeemed (in principal amounts of \$2,000 and integral multiples of \$1,000 in excess thereof) on a pro rata basis or such other method it deems fair and appropriate or is required by the depository for the Notes.

In the event of any redemption of Notes in part, we will not be required to:

issue or register the transfer or exchange of any Note during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of the Notes selected for redemption and ending at the close of business on the day of such mailing; or

register the transfer or exchange of any Note so selected for redemption, in whole or in part, except the unredeemed portion of any Note being redeemed in part.

If the paying agent holds funds sufficient to pay the redemption price of the Notes on the redemption date, then on and after such date:

such Notes will cease to be outstanding;

interest on such Notes will cease to accrue; and

all rights of holders of such Notes will terminate except the right to receive the redemption price. Such will be the case whether or not book-entry transfer of the Notes in book-entry form is made and whether or not Notes in certificated form, together with the necessary endorsements, are delivered to the paying agent.

We will not redeem the Notes on any date if the principal amount of the Notes has been accelerated, and such an acceleration has not been rescinded or cured on or prior to such date.

Certain Covenants

Limitations on Incurrence of Debt.

Limitation on Total Outstanding Debt. The Notes will provide that we will not, and will not permit any subsidiary to, incur any Debt, other than Intercompany Debt and guarantees of Debt incurred by us or our subsidiaries in compliance with the indenture governing the Notes, if, immediately after giving effect to the incurrence of such Debt and the application of the proceeds thereof, the aggregate principal amount of all of our and our subsidiaries' outstanding Debt

on a consolidated basis determined in accordance with generally accepted accounting principles is greater than 60% of the sum of (without duplication) (1) Total Assets as of the end of our most recently completed fiscal quarter prior to the incurrence of such additional Debt and (2) the purchase price of any real estate assets or mortgages receivable acquired, and the amount of any securities offering proceeds received (to the extent such proceeds were not used to acquire real estate assets or mortgages receivable or used to reduce Debt), by us or any subsidiary since the end of such calendar quarter, including those proceeds obtained in connection with the incurrence of such additional Debt.

Secured Debt. In addition to the foregoing limitation on the incurrence of Debt, the Notes will provide that we will not, and will not permit any subsidiary to, incur any Debt, other than Intercompany Debt and guarantees of Debt incurred by us or our subsidiaries in compliance with the indenture governing the Notes, secured by any mortgage, lien, charge, pledge, encumbrance or security interest of any kind upon any of our or any of our subsidiaries' property if, immediately after giving effect to the incurrence of such Debt and the application of the

Table of Contents

proceeds thereof, the aggregate principal amount of all of our and our subsidiaries' outstanding Debt on a consolidated basis which is secured by any mortgage, lien, charge, pledge, encumbrance or security interest on our or our subsidiaries' property is greater than 40% of the sum of (without duplication) (1) Total Assets as of the end of our most recently completed fiscal quarter prior to the incurrence of such additional Debt and (2) the purchase price of any real estate assets or mortgages receivable acquired, and the amount of any securities offering proceeds received (to the extent such proceeds were not used to acquire real estate assets or mortgages receivable or used to reduce Debt), by us or any of our subsidiaries since the end of such calendar quarter, including those proceeds obtained in connection with the incurrence of such additional Debt; provided that for purposes of this limitation, the amount of obligations under capital leases shown as a liability on our consolidated balance sheet shall be deducted from Debt and from Total Assets.

Ratio of Consolidated Income Available for Debt Service to the Annual Debt Service Charge. Furthermore, the Notes also will provide that we will not, and will not permit any of our subsidiaries to, incur any Debt, other than Intercompany Debt and guarantees of Debt incurred by us or our subsidiaries in compliance with the indenture governing the Notes, if the ratio of Consolidated Income Available for Debt Service to the Annual Debt Service Charge for the four consecutive fiscal quarters most recently ended prior to the date on which such additional Debt is to be incurred shall have been less than 1.5 to 1.0, on an unaudited pro forma basis after giving effect thereto and to the application of the proceeds therefrom, and calculated on the assumption that: (1) such Debt and any other Debt incurred by us and our subsidiaries since the first day of such four-quarter period and the application of the proceeds therefrom, including to refinance other Debt, had occurred at the beginning of such period; (2) the repayment or retirement of any other Debt by us and our subsidiaries since the first day of such four-quarter period had been repaid or retired at the beginning of such period (except that, in making such computation, the amount of Debt under any revolving credit facility shall be computed based upon the average daily balance of such Debt during such period); (3) in the case of Acquired Debt or Debt incurred in connection with any acquisition since the first day of such four-quarter period, the related acquisition had occurred as of the first day of such period, with the appropriate adjustments with respect to such acquisition being included in such unaudited pro forma calculation; and (4) in the case of any acquisition or disposition by us or our subsidiaries of any asset or group of assets or other placement of any assets in service or removal of any assets from service by us or any of our subsidiaries since the first day of such four-quarter period, whether by merger, stock purchase or sale, or asset purchase or sale, such acquisition, disposition, placement in service or removal from service, or any related repayment of Debt had occurred as of the first day of such period, with the appropriate adjustments with respect to such acquisition, disposition, placement in service or removal from service, being included in such unaudited pro forma calculation.

Maintenance of Unencumbered Total Asset Value. The Notes will provide that we, together with our subsidiaries, will at all times maintain an Unencumbered Total Asset Value in an amount not less than 150% of the aggregate outstanding principal amount of all our and our subsidiaries' unsecured Debt, taken as a whole.

Insurance. The Notes will provide that we will, and will cause each of our subsidiaries to, maintain insurance with financially sound and reputable insurance companies against such risks and in such amounts as is customarily maintained by persons engaged in similar businesses or as may be required by applicable law.

As used herein:

Acquired Debt means Debt of a person (1) existing at the time such person becomes a subsidiary or (2) assumed in connection with the acquisition of assets from such person, in each case, other than Debt incurred in connection with, or in contemplation of, such person becoming a subsidiary or such acquisition. Acquired Debt shall be deemed to be incurred on the date of the related acquisition of assets from any person or the date the acquired person becomes a subsidiary.

Annual Debt Service Charge as of any date means the amount of interest expense determined on a consolidated basis in accordance with generally accepted accounting principles.

S-24

Table of Contents

Consolidated Income Available for Debt Service means, for any period, Earnings from Operations of us and our subsidiaries plus amounts which have been deducted, and minus amounts which have been added, for the following (without duplication): (1) Annual Debt Service Charge of us and our subsidiaries, (2) provision for taxes of us and our subsidiaries based on income, (3) provisions for gains and losses on properties and depreciation and amortization, (4) increases in deferred taxes and other non-cash items, (5) depreciation and amortization with respect to interests in joint venture and partially owned entity investments, (6) the effect of any charge resulting from a change in accounting principles in determining Earnings from Operations for such period, and (7) amortization of deferred charges.

Debt means any of our or any of our subsidiaries' indebtedness, whether or not contingent, in respect of (without duplication) (1) borrowed money evidenced by bonds, notes, debentures or similar instruments, (2) indebtedness secured by any mortgage, pledge, lien, charge, encumbrance or any security interest existing on property owned by us or any subsidiary, but only to the extent of the lesser of (a) the amount of indebtedness so secured and (b) the fair market value (determined in good faith by the board of directors of such person or, in the case of us or a subsidiary of us, by Healthcare Trust of America, Inc.'s board of directors) of the property subject to such mortgage, pledge, lien, charge, encumbrance or security interest, (3) the reimbursement obligations, contingent or otherwise, in connection with any letters of credit actually issued or amounts representing the balance deferred and unpaid of the purchase price of any property or services, except any such balance that constitutes an accrued expense or trade payable, or all conditional sale obligations or obligations under any title retention agreement, or (4) any lease of property by us or any of our subsidiaries as lessee which is reflected on our consolidated balance sheet as a capitalized lease in accordance with generally accepted accounting principles; but only to the extent, in the case of items of indebtedness under (1) through (3) above, that any such items (other than letters of credit) would appear as a liability on our consolidated balance sheet in accordance with generally accepted accounting principles. The term ***Debt*** also includes, to the extent not otherwise included, any obligation of us or any of our subsidiaries to be liable for, or to pay, as obligor, guarantor or otherwise (other than for purposes of collection in the ordinary course of business or for the purposes of guaranteeing the payment of all amounts due and owing pursuant to leases to which we are a party and have assigned our interest, provided that such assignee of ours is not in default of any amounts due and owing under such leases), Debt of another person (other than us or any of our subsidiaries) (it being understood that Debt shall be deemed to be incurred by us or any of our subsidiaries whenever we or such subsidiary shall create, assume, guarantee or otherwise become liable in respect thereof).

Earnings from Operations means, for any period, net income or loss of us and our subsidiaries, excluding (1) provisions for gains and losses on sales of investments or joint ventures; (2) provisions for gains and losses on disposition of discontinued operations; (3) extraordinary and non-recurring items; and (4) impairment charges, property valuation losses and non-cash charges necessary to record interest rate contracts at fair value; plus amounts received as rent under leases which are accounted for as financing arrangements net of related interest income, as reflected in the consolidated financial statements of us and our subsidiaries for such period determined in accordance with generally accepted accounting principles.

Intercompany Debt means Debt to which the only parties are any of us, Healthcare Trust of America, Inc. and any subsidiary; provided, however, that with respect to any such Debt of which we or Healthcare Trust of America, Inc. is the borrower, such Debt is subordinate in right of payment to the Notes.

Total Assets as of any date means the sum of (1) our and all of our subsidiaries' Undepreciated Real Estate Assets and (2) all of our and our subsidiaries' other assets determined in accordance with generally accepted accounting principles (but excluding intangibles).

Undepreciated Real Estate Assets as of any date means the cost (original cost plus capital improvements) of our and our subsidiaries' real estate assets on such date, before depreciation and amortization determined on a consolidated basis in accordance with generally accepted accounting principles.

S-25

Table of Contents

Unencumbered Total Asset Value as of any date means the sum of (1) those Undepreciated Real Estate Assets not encumbered by any mortgage, lien, charge, pledge or security interest and (2) all of our and our subsidiaries' other assets on a consolidated basis determined in accordance with generally accepted accounting principles (but excluding intangibles), in each case which are unencumbered by any mortgage, lien, charge, pledge or security interest; provided, however, that, in determining Unencumbered Total Asset Value for purposes of the covenant set forth above in Maintenance of Unencumbered Total Asset Value, all investments by us and any subsidiary in unconsolidated joint ventures, unconsolidated limited partnerships, unconsolidated limited liability companies and other unconsolidated entities accounted for financial reporting purposes using the equity method of accounting in accordance with generally accepted accounting principles shall be excluded from Unencumbered Total Asset Value.

Calculations in Respect of the Notes

Except as explicitly specified otherwise herein, we will be responsible for making all calculations required under the Notes. We will make all these calculations in good faith and, absent manifest error, our calculations will be final and binding on holders of the Notes. We will provide a schedule of our calculations to the trustee, and the trustee is entitled to rely upon the accuracy of our calculations without independent verification. The trustee will forward our calculations to any holder of Notes upon request.

Guarantee

Healthcare Trust of America, Inc. will fully and unconditionally guarantee our obligations under the Notes, including the due and punctual payment of principal of and interest on the Notes, whether at stated maturity, by declaration of acceleration, call for redemption or otherwise. The guarantee will be an unsecured and unsubordinated obligation of Healthcare Trust of America, Inc. and will rank equally in right of payment with other unsecured and unsubordinated obligations of Healthcare Trust of America, Inc. Healthcare Trust of America, Inc. has no material assets other than its investment in us.

Merger, Consolidation or Sale

The indenture provides that we or Healthcare Trust of America, Inc. may consolidate with, or sell, lease or convey all or substantially all of our or its assets to, or merge with or into, any other entity, provided that the following conditions are met:

we or Healthcare Trust of America, Inc., as the case may be, shall be the continuing entity, or the successor entity (if other than us or Healthcare Trust of America, Inc., as the case may be) formed by or resulting from any consolidation or merger or which shall have received the transfer of assets shall be domiciled in the United States and shall expressly assume payment of the principal of and interest on all of the Notes and the due and punctual performance and observance of all of the covenants and conditions in the indenture;

immediately after giving effect to the transaction, no Event of Default under the indenture, and no event which, after notice or the lapse of time, or both, would become an Event of Default, shall have occurred and be continuing; and

an officer's certificate and legal opinion covering these conditions shall be delivered to the trustee.

In the event of any transaction described in and complying with the conditions listed in the immediately preceding paragraphs in which we are not the continuing entity, the successor person formed or remaining shall succeed, and be substituted for, and may exercise every right and power of ours, and we shall be discharged from our obligations under the Notes and the indenture.

S-26

Table of Contents

Events of Default

The indenture provides that the following events are Events of Default with respect to the Notes:

default for 90 days in the payment of any installment of interest under the Notes;

default in the payment of the principal amount or redemption price due with respect to the Notes, when the same becomes due and payable; provided, however, that a valid extension of the maturity of the Notes in accordance with the terms of the indenture shall not constitute a default in the payment of principal;

our failure to comply with any of our other agreements in the Notes or the indenture upon receipt by us of notice of such default by the trustee or by holders of not less than 25% in aggregate principal amount of the Notes then outstanding and our failure to cure (or obtain a waiver of) such default within 90 days after we receive such notice;

failure to pay any indebtedness for money borrowed by us, Healthcare Trust of America, Inc. or any of our Significant Subsidiaries in an outstanding principal amount in excess of \$35.0 million at final maturity or upon acceleration after the expiration of any applicable grace period, which indebtedness is not discharged, or such default in payment or acceleration is not cured or rescinded, within 30 days after written notice to us from the trustee (or to us and the trustee from holders of at least 25% in principal amount of the outstanding Notes); or

certain events of bankruptcy, insolvency or reorganization, or court appointment of a receiver, liquidator or trustee of us, Healthcare Trust of America, Inc. or any of our Significant Subsidiaries or any substantial part of their respective property.

As used herein, ***Significant Subsidiary*** means any subsidiary which is a significant subsidiary within the meaning of Rule 1-02(w) of Regulation S-X promulgated by the SEC as in effect on the original issue date of the Notes.

If an Event of Default under the indenture with respect to the Notes occurs and is continuing (other than an Event of Default specified in the last bullet above with respect to us, which shall result in an automatic acceleration), then in every case the trustee or the holders of not less than 25% in principal amount of the outstanding Notes may declare the principal amount of all of the Notes to be due and payable immediately by written notice thereof to us and Healthcare Trust of America, Inc. (and to the trustee if given by the holders). However, at any time after the declaration of acceleration with respect to the Notes has been made, but before a judgment or decree for payment of the money due has been obtained by the trustee, the holders of not less than a majority in principal amount of outstanding Notes may waive all defaults or Events of Default and rescind and annul such declaration and its consequences if all Events of Default, other than the non-payment of accelerated principal of (or specified portion thereof) or interest on the Notes that have become due solely because of such acceleration, have been cured or waived as provided in the indenture.

Notwithstanding the foregoing, the sole remedy for any violation of any obligations we may be deemed to have pursuant to Section 314(a)(1) of the Trust Indenture Act of 1939, as amended (the Trust Indenture Act), or our and Healthcare Trust of America, Inc.'s covenant to provide certain reports under the indenture shall be the accrual of

additional interest on the Notes as set forth below under Reports.

The indenture also provides that the holders of not less than a majority in principal amount of the outstanding Notes may waive any past default with respect to the Notes and its consequences, except a default:

in the payment of the principal of or interest on the Notes, unless such default has been cured and we or Healthcare Trust of America, Inc. shall have deposited with the trustee all required payments of the principal of and interest on the Notes; or

S-27

Table of Contents

in respect of a covenant or provision contained in the indenture that cannot be modified or amended without the consent of the holder of each outstanding Note affected thereby.

The trustee will be required to give notice to the holders of the Notes of a default under the indenture unless the default has been cured or waived within 90 days; provided, however, that the trustee may withhold notice to the holders of the Notes of any default with respect to the Notes (except a default in the payment of the principal of or interest on the Notes) if specified responsible officers of the trustee consider the withholding to be in the interest of the holders.

The indenture provides that no holders of the Notes may institute any proceedings, judicial or otherwise, with respect to the indenture or for any remedy thereunder, except in the case of failure of the trustee, for 90 days, to act after it has received a written request to institute proceedings in respect of an event of default from the holders of not less than 25% in principal amount of the outstanding Notes, as well as an offer of reasonable indemnity. This provision will not prevent, however, any holder of the Notes from instituting suit for the enforcement of payment of the principal of and interest on the Notes at the respective due dates thereof.

Subject to provisions in the indenture relating to its duties in case of default, the trustee is under no obligation to exercise any of its rights or powers under the indenture at the request or direction of any holders of the Notes then outstanding under the indenture, unless the holders shall have offered to the trustee reasonable security or indemnity. The holders of not less than a majority in principal amount of the outstanding Notes (or of all Notes then outstanding under the indenture, as the case may be) shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee, or of exercising any trust or power conferred upon the trustee. However, the trustee may refuse to follow any direction which is in conflict with any law or the indenture, which may be unduly prejudicial to the holders of the Notes not joining therein or the action would involve the trustee in personal liability.

Within 120 days after the close of each fiscal year, we and Healthcare Trust of America, Inc. must deliver a certificate of an officer certifying to the trustee whether or not the officer has knowledge of any default under the indenture and, if so, specifying each default and the nature and status thereof.

Defeasance

We may, at our option and at any time, elect to have our obligations and the obligations of Healthcare Trust of America, Inc. discharged with respect to the outstanding Notes and guarantee (Legal Defeasance). Legal Defeasance means that we and Healthcare Trust of America, Inc. shall be deemed to have paid and discharged the entire indebtedness represented by the outstanding Notes and guarantee, and to have satisfied all other obligations under such Notes, the guarantee and the indenture, except as to:

the rights of holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium and additional interest, if any, on, such Notes when such payments are due from the trust funds referred to below;

our obligations with respect to such Notes including exchange and registration of transfer of Notes, mutilated, destroyed, lost or stolen Notes, issuing temporary Notes, cancellation of Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

the rights, powers, trusts, duties, and immunities of the trustee, and our and Healthcare Trust of America, Inc. s obligations in connection therewith; and

the Legal Defeasance provisions of the indenture.

In addition, we may, at our option and at any time, elect to have our obligations and the obligations of Healthcare Trust of America, Inc. released with respect to certain covenants under the indenture, including the

Table of Contents

covenants listed under **Certain Covenants** above, as described in the indenture (**Covenant Defeasance**), and thereafter any omission to comply with such obligations shall not constitute a default or an Event of Default. In the event **Covenant Defeasance** occurs, certain Events of Default (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) will no longer apply. Except as specified herein, however, the remainder of the indenture and such Notes and guarantee will be unaffected by the occurrence of **Covenant Defeasance**, and the Notes will continue to be deemed **outstanding** for all other purposes under the indenture other than for the purposes of any direction, waiver, consent or declaration or act of holders (and the consequences of any thereof) in connection with any of the defeased covenants.

In order to exercise either **Legal Defeasance** or **Covenant Defeasance**:

we must irrevocably deposit with the trustee, in trust, for the benefit of the holders, cash in U.S. dollars, non-callable government securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay the principal of, premium and additional interest, if any, and interest on, the outstanding Notes on the stated date for payment thereof or on the redemption date of the Notes, as the case may be, and we must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

in the case of **Legal Defeasance**, we must deliver to the trustee an opinion of counsel confirming that:

we have received from, or there has been published by, the Internal Revenue Service a ruling, or

since the date of the indenture, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion of counsel shall confirm that, the holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such **Legal Defeasance** and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such **Legal Defeasance** had not occurred;

in the case of **Covenant Defeasance**, we must deliver to the trustee an opinion of counsel confirming that the holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such **Covenant Defeasance** and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such **Covenant Defeasance** had not occurred;

no default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other indebtedness being defeased, discharged or replaced), and the granting of liens to secure such borrowings);

such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than the indenture and the agreements governing any other indebtedness being defeased, discharged or replaced) to which we or Healthcare Trust of America, Inc. is a party or by which we or Healthcare Trust of America, Inc. is bound;

we must deliver to the trustee an officers certificate stating that the deposit was not made by us with the intent of preferring the holders of the Notes over our other creditors with the intent of defeating, hindering, delaying or defrauding any of our creditors or others; and

we must deliver to the trustee an officers certificate and an opinion of counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

S-29

Table of Contents

Satisfaction and Discharge

The indenture will be discharged and will cease to be of further effect (except as to surviving rights or registration of transfer or exchange of the Notes, as expressly provided for in the indenture) as to all outstanding Notes when:

either:

all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust and thereafter repaid to us) have been delivered to the trustee for cancellation; or

all Notes not theretofore delivered to the trustee for cancellation (1) have become due and payable or (2) are to be called for redemption under arrangements reasonably satisfactory to the trustee for the giving of notice of redemption by the trustee in the name, and at the expense, of us, and we, in the case of clause (1) or (2) above, have irrevocably deposited or caused to be irrevocably deposited with the trustee or the paying agent (other than us or any of our affiliates), as applicable, as trust funds in trust cash in an amount sufficient to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the trustee for cancellation, for principal and interest to the date of such deposit (in the case of Notes which have become due and payable) or to the maturity date or redemption date, as the case may be; provided, however, that there shall not exist, on the date of such deposit, a default or Event of Default; provided, further, that such deposit shall not result in a breach or violation of, or constitute a default under, the indenture or any other agreement or instrument to which we are a party or to which we are bound;

we have paid or caused to be paid all other sums payable under the indenture by us; and

we have delivered to the trustee an officers' certificate and an opinion of counsel, each stating that all conditions precedent provided for in the indenture relating to the satisfaction and discharge of the indenture have been complied with.

Modification, Waiver and Meetings

Modifications and amendments of, and supplements to, the indenture (other than certain modifications, supplements and amendments for administrative purposes or for the benefit of Note holders, in each case as further described below) will be permitted to be made only with the consent of the holders of not less than a majority in principal amount of all outstanding Notes; *provided, however*, that no modification or amendment may, without the consent of the holder of each Note affected thereby:

change the stated maturity of the principal of or any installment of interest on the Notes issued under such indenture, reduce the principal amount of, or the rate or amount of interest on, or any premium payable on redemption of, the Notes, or adversely affect any right of repayment of the holder of the Notes, change the

place of payment, or the coin or currency, for payment of principal of or interest on any Note or impair the right to institute suit for the enforcement of any payment on or with respect to the Notes;

reduce the above-stated percentage of outstanding Notes necessary to modify or amend the indenture, to waive compliance with certain provisions thereof or certain defaults and consequences thereunder or to reduce the quorum or change voting requirements set forth in the indenture;

modify or affect in any manner adverse to the holders the terms and conditions of our obligations in respect of the payment of principal and interest; or

modify any of the foregoing provisions or any of the provisions relating to the waiver of certain past defaults or certain covenants, except to increase the required percentage to effect the action or to provide that certain other provisions may not be modified or waived without the consent of the holders of the Notes.

S-30

Table of Contents

Notwithstanding the foregoing, modifications and amendments of the indenture will be permitted to be made by us, Healthcare Trust of America, Inc. and the trustee without the consent of any holder of the Notes for any of the following purposes:

to evidence a successor to us as obligor or Healthcare Trust of America, Inc. as guarantor under the indenture;

to add to our covenants or those of Healthcare Trust of America, Inc. for the benefit of the holders of the Notes or to surrender any right or power conferred upon us or Healthcare Trust of America, Inc. in the indenture;

to add Events of Default for the benefit of the holders of the Notes;

to amend or supplement any provisions of the indenture; provided, that no amendment or supplement shall materially adversely affect the interests of the holders of any Notes then outstanding;

to secure the Notes;

to provide for the acceptance of appointment by a successor trustee or facilitate the administration of the trusts under the indenture by more than one trustee;

to provide for rights of holders of the Notes if any consolidation, merger or sale of all or substantially all of our and Healthcare Trust of America, Inc.'s property or assets occurs;

to cure any ambiguity, defect or inconsistency in the indenture; provided, that this action shall not adversely affect the interests of holders of the Notes in any material respect;

to provide for the issuance of additional notes in accordance with the limitations set forth in the indenture;

to supplement any of the provisions of the indenture to the extent necessary to permit or facilitate defeasance and discharge of any series of the Notes; provided, that the action shall not adversely affect the interests of the holders of the Notes in any material respect; or

to conform the text of the indenture, any guarantee or the Notes to any provision of this Description of Notes to the extent that such provision in this Description of Notes was intended to be a verbatim recitation of a

provision of the indenture, such guarantee or the Notes.

In addition, without the consent of any holder of the Notes, Healthcare Trust of America, Inc., or a subsidiary thereof, may directly assume the due and punctual payment of the principal of, any premium, if any, and interest on, all the Notes and the performance of every covenant of the indenture on our part to be performed or observed. Upon any assumption, Healthcare Trust of America, Inc. or the subsidiary shall succeed us, and be substituted for and may exercise every right and power of ours, under the indenture with the same effect as if Healthcare Trust of America, Inc. or the subsidiary had been the issuer of the Notes, and we shall be released from all obligations and covenants with respect to the Notes. No assumption shall be permitted unless Healthcare Trust of America, Inc. has delivered to the trustee (1) an officers certificate and an opinion of counsel, stating, among other things, that the guarantee and all other covenants of Healthcare Trust of America, Inc. in the indenture remain in full force and effect and (2) an opinion of independent counsel that the holders of the Notes shall have no materially adverse U.S. federal tax consequences as a result of the assumption, and that, if any Notes are then listed on the New York Stock Exchange, that the Notes shall not be delisted as a result of the assumption.

In determining whether the holders of the requisite principal amount of outstanding Notes have given any request, demand, authorization, direction, notice, consent or waiver thereunder or whether a quorum is present at a meeting of holders of the Notes, the indenture provides that Notes owned by us or any other obligor upon the Notes or any of our affiliates or of the other obligor shall be disregarded.

Table of Contents

The indenture contains provisions for convening meetings of the holders of the Notes. A meeting will be permitted to be called at any time by the trustee, and also, upon request, by us, Healthcare Trust of America, Inc. or the holders of at least 10% in principal amount of the outstanding Notes, in any case upon notice given as provided in the indenture. Except for any consent that must be given by the holder of each Note affected by certain modifications and amendments of the indenture, any resolution presented at a meeting or adjourned meeting duly reconvened at which a quorum is present will be permitted to be adopted by the affirmative vote of the holders of a majority in principal amount of the outstanding Notes; provided, however, that, except as referred to above, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action that the indenture expressly provides may be made, given or taken by the holders of a specified percentage, which is less than a majority, in principal amount of the outstanding Notes may be adopted at a meeting or adjourned meeting duly reconvened at which a quorum is present by the affirmative vote of the holders of the specified percentage in principal amount of the outstanding Notes. Any resolution passed or decision taken at any meeting of holders of the Notes duly held in accordance with the indenture will be binding on all holders of the Notes. The quorum at any meeting called to adopt a resolution, and at any reconvened meeting, will be holders holding or representing a majority in principal amount of the outstanding Notes; provided, however, that if any action is to be taken at the meeting with respect to a consent or waiver which may be given by the holders of not less than a specified percentage in principal amount of the outstanding Notes, holders holding or representing the specified percentage in principal amount of the outstanding Notes will constitute a quorum.

Reports

Whether or not we are subject to Section 13 or 15(d) of the Exchange Act and for so long as any Notes are outstanding, we will furnish to the trustee (i) all quarterly and annual reports that would be required to be filed with the SEC on Forms 10-Q and 10-K if we were required to file such reports and (ii) all current reports that would be required to be filed with the SEC on Form 8-K if we were required to file such reports, in each case within 15 days after we file such reports with the SEC or would be required to file such reports with the SEC pursuant to the applicable rules and regulations of the SEC, whichever is earlier. Reports, information and documents filed with the SEC via the EDGAR system will be deemed to be delivered to the trustee as of the time of such filing via EDGAR for purposes of this covenant; provided, however, that the trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been filed via EDGAR. Delivery of such reports, information and documents to the trustee is for informational purposes only and the trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including our compliance with any of our covenants relating to the Notes (as to which the trustee is entitled to rely exclusively on an officer's certificate). Notwithstanding the foregoing, if permitted by the SEC, we may satisfy our obligation to furnish the reports described above by furnishing such reports filed by Healthcare Trust of America, Inc.

The sole remedy for any violation of any obligations we may be deemed to have pursuant to Section 314(a)(1) of the Trust Indenture Act or our covenant to provide certain reports under the indenture as described above shall be the accrual of additional interest on the Notes at a rate of 0.25% per annum, payable semiannually. In no event shall additional interest accrue at a combined per annum rate in excess of 0.50% per annum pursuant to the indenture, regardless of the number of events or circumstances giving rise to the requirement to pay such additional interest.

Trustee

U.S. Bank National Association will initially act as the trustee, registrar, exchange agent and paying agent for the Notes, subject to replacement at our option.

If an Event of Default occurs and is continuing, the trustee will be required to use the degree of care and skill of a prudent man in the conduct of his own affairs. The trustee will become obligated to exercise any of its

S-32

Table of Contents

powers under the indenture at the request of any of the holders of any Notes only after those holders have offered the trustee indemnity reasonably satisfactory to it.

If the trustee becomes one of our creditors, it will be subject to limitations on its rights to obtain payment of claims or to realize on some property received for any such claim, as security or otherwise. The trustee is permitted to engage in other transactions with us. If, however, it acquires any conflicting interest, it must eliminate that conflict or resign.

No Conversion or Exchange Rights

The Notes will not be convertible into or exchangeable for any capital stock of us or Healthcare Trust of America, Inc.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator, stockholder or limited partner of ours or Healthcare Trust of America, Inc., as such, will have any liability for any of our obligations or those of Healthcare Trust of America, Inc. under the Notes, the indenture, any guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Book-Entry, Delivery and Form

Except as set forth below, the Notes will be issued in registered, global form in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. Notes will be issued at the closing of this offering only against payment in immediately available funds.

The Notes initially will be represented by one or more Notes in registered, global form without interest coupons (collectively, the "Global Notes"). The Global Notes will be deposited upon issuance with the trustee as custodian for DTC and registered in the name of DTC or its nominee, in each case, for credit to an account of a direct or indirect participant in DTC as described below.

Except as set forth below, the Global Notes may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. Beneficial interests in the Global Notes may not be exchanged for definitive Notes in registered certificated form ("Certificated Notes") except in the limited circumstances described below. See "Exchange of Global Notes for Certificated Notes." Except in the limited circumstances described below, owners of beneficial interests in the Global Notes will not be entitled to receive physical delivery of Notes in certificated form.

Transfers of beneficial interests in the Global Notes will be subject to the applicable rules and procedures of DTC and its direct or indirect participants (including, if applicable, those of the Euroclear System ("Euroclear") and Clearstream Banking, S.A. ("Clearstream")) (as indirect participants in DTC), which may change from time to time.

Depository Procedures

The following description of the operations and procedures of DTC, Euroclear and Clearstream are provided solely as a matter of convenience. These operations and procedures are solely within the control of the respective

Table of Contents

settlement systems and are subject to changes by them. We take no responsibility for these operations and procedures and urge investors to contact the system or their participants directly to discuss these matters.

DTC has advised us that DTC is a limited-purpose trust company created to hold securities for its participating organizations (collectively, the Participants) and to facilitate the clearance and settlement of transactions in those securities between the Participants through electronic book-entry changes in accounts of its Participants. The Participants include securities brokers and dealers (including the underwriters), banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly (collectively, the Indirect Participants). Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Participants or the Indirect Participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the Participants and Indirect Participants.

DTC has also advised us that, pursuant to procedures established by it:

(1) upon deposit of the Global Notes, DTC will credit the accounts of the Participants designated by the underwriters with portions of the principal amount of the Global Notes; and

(2) ownership of these interests in the Global Notes will be shown on, and the transfer of ownership of these interests will be effected only through, records maintained by DTC (with respect to the Participants) or by the Participants and the Indirect Participants (with respect to other owners of beneficial interest in the Global Notes).

Investors in the Global Notes who are Participants may hold their interests therein directly through DTC. Investors in the Global Notes who are not Participants may hold their interests
