### **PART III**

#### **NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

CareDx, Inc. (the Registrant) is unable to file, without unreasonable effort and expense, its Quarterly Report on Form 10-Q for the quarter ended June 30, 2016 (the Form 10-Q) because it needs additional time to complete its final review of its financial statements and other disclosures in the Form 10-Q, particularly in light of the Registrant's recent acquisition of Allenex AB and the requirement to include Allenex AB's results in its consolidated financial statements for the first time. The Registrant expects to file the Form 10-Q on or before the fifth calendar day following the prescribed due date.

The statement concerning the Registrant's expectation regarding the timing of the filing of the Form 10-Q is a forward-looking statement as defined in the Private Securities Litigation Reform Act of 1995, and actual events may differ from those contemplated by this statement. This statement is subject to certain risks and uncertainties, including the Registrant's inability to complete the work required to file the Form 10-Q in the anticipated time frame. The forward-looking statements contained in this Form 12b-25 are made as of the date hereof and the Registrant assumes no obligation to update such statements, except as required by applicable law.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).  Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As noted above, the Registrant recently acquired Allenex AB, the results of which will be included in the Registrant's consolidated financial statements for the first time. Accordingly, the Registrant expects that it will report qualitatively significant changes in its results of operations for the three and six months ended June 30, 2016, compared to the three and six months ended June 30, 2015. Further, for the reasons stated above, the Registrant is unable to provide numerical estimates of the changes pending finalization of its financial statements and other disclosures for the three and six months ended June 30, 2016.
