SCHEDULE II

LITIGATION SCHEDULE

**ASSET-BACKED COMMERCIAL PAPER INVESTIGATION** On August 14, 2012, the SEC entered a settled administrative order against Wells Fargo Brokerage Services LLC (n/k/a Wells Fargo Securities, LLC) and a former sales representative concerning alleged sales practice and suitability issues related to certain 2007 sales of three asset-backed commercial paper products to institutional and municipal purchasers. Without admitting or denying the allegations, the firm agreed to a censure, a cease-and-desist order, disgorgement of \$65,000 plus prejudgment interest, and a civil penalty of \$6.5 million.

**FINRA SETTLEMENT** On December 11, 2014, FINRA announced its settlement with ten firms, including Wells Fargo Securities, LLC, that had pitched for an investment banking role on a contemplated Toys R Us initial public offering in 2010. FINRA alleged that WFS violated NASD and FINRA rules by allowing its research analyst to participate in the solicitation of investment banking business and by offering favorable research coverage to induce investment banking business; and by failing to implement policies and procedures reasonably designed to prevent violations in connection with analyst public appearances. WFS neither admitted nor denied FINRA's findings but consented to a censure and payment of a \$4 million fine. The fine has been paid and the matter is fully resolved.

**FINRA SETTLEMENT** On November 18, 2015, FINRA announced a settlement with Wells Fargo Securities, LLC involving customer trade confirmations that inaccurately reflected the capacity in which the firm acted, e.g., principal, agent, or mixed capacity. The firm neither admitted nor denied the findings and consented to a censure and payment of a \$300,000 fine. The fine has been paid and the matter is fully resolved.

**SEC MCDC SETTLEMENT** On February 2, 2016, the SEC announced a settlement with Wells Fargo Bank, N.A. Municipal Products Group (MPG) as part of the SEC's Municipalities Continuing Disclosure Cooperation (MCDC) initiative. The MCDC offered defined settlement terms to underwriters and issuers of municipal securities that self-reported potential violations of Exchange Act Rule 15c2-12 regarding municipalities' continuing disclosure requirements. Seventy-two underwriters entered into settlements under the MCDC. The SEC proposed an offer of settlement regarding eight transactions MPG had self-reported, with a penalty of \$440,000, which MPG accepted.

**SEC ORDER** On September 22, 2014, the SEC entered an order against Wells Fargo Advisors, LLC related to the firm's policies and procedures to prevent the misuse of material nonpublic information. The firm admitted the SEC's findings of fact, acknowledged that its conduct violated the federal securities laws and agreed to retain an independent compliance consultant to review relevant policies and procedures, as well as the making, keeping and preserving of certain required books and records. The firm agreed to a censure, a cease and desist order and a civil penalty of \$5,000,000.

**CLIENT IDENTIFICATION PROGRAM** On December 18, 2014, FINRA announced a settlement with Wells Fargo Advisors, LLC and Wells Fargo Advisors Financial Network, LLC for an alleged violation of NASD and FINRA rules concerning the Client Identification Program and the effects of using recycled client account numbers. The use of recycled numbers was alleged to have resulted in certain accounts not having a complete review for Client Identification Purposes. WFA and WFA FiNet neither admitted nor denied FINRA's findings and consented to a censure and the payment of a \$1.5 million fine. The fine has been paid and the matter is fully resolved.

**MUTUAL FUND SALES CHARGE WAIVERS** On July 6, 2015, FINRA announced a settlement with Wells Fargo Advisors, LLC and Wells Fargo Advisors Financial Network, LLC for an alleged violation of NASD and FINRA rules concerning application of mutual fund sales charge waivers. FINRA alleged WFA and FiNet did not reasonably supervise the application of sales charge waivers for eligible mutual fund purchases in certain retirement and charitable organization accounts. WFA and FiNet neither admitted nor denied FINRA's findings and agreed to censure

and to provide remediation to eligible clients. Due to WFA and FiNet's self-report of the issue and cooperation, FINRA assessed no fine. WFA and FiNet agreed to pay an estimated \$15 million in restitution, including interest, to affected customers.

**FINRA REPORTING SETTLEMENTS** From time to time Wells Fargo broker-dealers resolve technical trade reporting issues relating to timing and other data elements with FINRA involving small numbers of trades processed by the firms. Resolutions of this type during the relevant period included fines of less than \$100,000 each.

**STATE OF NEW HAMPSHIRE SETTLEMENT** Wells Fargo Advisors Financial Network (WFAFN) entered into a Consent Order with the State of New Hampshire on February 12, 2016 relative to due diligence concerning two customer accounts. WFAFN agreed to pay a total of \$32,000 to the clients and \$3,000 to the state.
