CNB Financial Corporation

We are a bank holding company and a financial holding company registered under the Bank Holding Company Act of 1956, as amended. We were incorporated under the laws of the Commonwealth of Pennsylvania in 1983 for the purpose of engaging in the business of a financial holding company. On April 26, 1984, we acquired all of the outstanding capital stock of County National Bank, a national banking chartered institution. In December of 2006, County National Bank changed its name to CNB Bank and became a state bank chartered in Pennsylvania and subject to regulation by the Pennsylvania Department of Banking and the Federal Deposit Insurance Corporation.

We are subject to regulation, supervision and examination by the Board of Governors of the Federal Reserve System. In general, we are limited to owning or controlling banks and engaging in such other activities as are properly incident thereto. In addition to the Bank, we have three other subsidiaries, CNB Securities Corporation, CNB Insurance Agency and Holiday Financial Services Corporation. CNB Securities Corporation, incorporated in Delaware, maintains investments in debt and equity securities. CNB Insurance Agency, incorporated in Pennsylvania, provides for the sale of nonproprietary annuities and other insurance products. Holiday Financial Services Corporation, incorporated in Pennsylvania, offers small balance unsecured loans and secured loans, primarily collateralized by automobiles and equipment, to borrowers with higher risk characteristics.

We do not currently engage in any operating business activities, other than the ownership and management of CNB Bank, CNB Securities Corporation, CNB Insurance Agency, and Holiday Financial Services Corporation.

CNB Bank was incorporated in 1934 and is chartered in the Commonwealth of Pennsylvania. ERIEBANK, a division of CNB Bank, began operations in 2005. In October 2013, we acquired FC Banc Corp. and its subsidiary, Farmers Citizens Bank. Farmers Citizens Bank served the central Ohio markets of Bucyrus, Cardington, Fredericktown, Mount Hope and Shiloh, as well as the markets of Worthington and Upper Arlington in the greater Columbus, Ohio area, with 8 branch locations. We continue to operate these branch locations as FCBank, a division of CNB Bank. In July 2016, we acquired Lake National Bank of Mentor, Ohio. We operate the two former Lake National Bank branches in Mentor, Ohio as part of the ERIEBANK division of CNB Bank. Bank on Buffalo, a division of CNB Bank, began operations in November 2016 with the opening of a loan production office in Buffalo, New York.

CNB Bank has full service branch offices and loan production offices located in various communities in its market area. CNB Bank's primary market area includes the Pennsylvania counties of Cambria, Cameron, Centre, Clearfield, Crawford, Elk, Indiana, Jefferson, and McKean. As ERIEBANK, a division of CNB Bank, the Bank operates in the Pennsylvania counties of Crawford, Erie, and Warren, and in the Ohio counties of Lake and Ashtabula. As FCBank, a division of CNB Bank, the Bank operates in the Ohio counties of Crawford, Richland, Ashland, Wayne, Marion, Morrow, Knox, Holmes, Delaware, and Franklin. As Bank on Buffalo, a division of CNB Bank, the Bank operates in Erie County, New York.

CNB Bank is a full service bank engaging in a full range of banking activities and services for individual, business, governmental and institutional customers. These activities and services principally include checking, savings, and time deposit accounts; real estate, commercial, industrial, residential and consumer loans; and a variety of other specialized financial services. CNB Bank's Wealth & Asset Management Services division offers a full range of client service.

RISK FACTORS

Investing in our common stock involves a high degree of risk. You should carefully consider the following risk factors, as well as those contained on page 4 of the accompanying prospectus and in our Annual Report on Form 10-K for the year ended December 31, 2015 and all of the other information contained or incorporated by reference in this prospectus supplement and the accompanying prospectus, before deciding to invest in our common stock. The realization of any of the matters referenced as risk factors could have a material adverse effect on our business, financial condition, liquidity, results of operations and prospects and holders of our common stock could lose some or all of their investment.

Risks Associated with the Offering and Our Common Stock

The Value of the Corporation's Common Stock Fluctuates

The market for the Corporation's common stock may experience significant price and volume fluctuations in response to a number of factors including actual or anticipated quarterly variations in operating results, changes in expectations of future financial performance, changes in estimates by securities analysts, governmental regulatory action, banking industry reform measures, customer relationship developments and other factors, many of which will be beyond the Corporation's control.

Furthermore, the stock market in general, and the market for financial institutions in particular, have experienced extreme volatility that often has been unrelated to the operating performance of particular companies. These broad market and industry fluctuations may adversely affect the trading price of the Corporation's common stock, regardless of actual operating performance.

Future Sales of Shares of the Corporation's Shares of Common Stock Could Negatively Affect its Market Price

Future sales of substantial amounts of the Corporation's shares of common stock, or the perception that such sales could occur, could adversely affect the market price of the Corporation's common stock in the open market. We make no prediction as to the effect, if any, that future sales of shares, or the availability of shares for future sale, will have on the market price of the Corporation's common stock.

Shares of the Corporation's Common Stock Are Not FDIC Insured

Neither the FDIC nor any other governmental agency insures the shares of the Corporation's common stock. Therefore, the value of your shares in the Corporation will be based on their market value and may decline.

The Corporation's Ability to Pay Dividends is Limited by Law and Regulations

The future declaration of dividends by the Corporation's Board of Directors will depend on a number of factors, including capital requirements, regulatory limitations, the Corporation's operating results and financial condition and general economic conditions. The Corporation's ability to pay dividends depends primarily on the receipt of dividends from CNB Bank. Dividend payments from CNB Bank are subject to legal and regulatory limitations, generally based on retained earnings, imposed by bank regulatory agencies. The ability of CNB Bank to pay dividends is also subject to financial condition, regulatory capital requirements, capital expenditures and other cash flow requirements. The Corporation cannot assure you that CNB Bank will be able to pay dividends to the Corporation in the future. The Corporation may decide to limit the payment of dividends to its stockholders even when the Corporation has the legal ability to pay them in order to retain earnings for use in the Corporation's business.

We have entered into the Sales Agreement with the Distribution Agent under which we may issue and sell shares of our common stock having aggregate gross proceeds of up to \$20,000,000 from time to time through the Distribution Agent. The Sales Agreement was filed with the SEC as an exhibit to our Current Report on Form 8-K dated January 31, 2017, and is incorporated herein by reference. The sales, if any, of shares of our common stock made under the Sales Agreement may be made by any method permitted by law deemed to be an at the market offering as defined in Rule 415 of the Securities Act, including, without limitation, sales made directly on NASDAQ, on any other existing trading market for the shares of common stock, sales made to or through a market maker other than on an exchange or otherwise, in negotiated transactions at market prices prevailing at the time of sale or at prices related to such prevailing market prices, or any other method permitted by law. We may instruct the Distribution Agent not to sell shares of the common stock if the sales cannot be effected at or above the price designated by us from time to time. We or the Distribution Agent may suspend the offering of the shares of common stock upon notice and subject to other conditions. The Distribution Agent will not engage in any transactions that stabilize the price of our shares of common stock.

Each time we wish to issue and sell shares of our common stock under the Sales Agreement, we will notify the Distribution Agent of the number of shares to be issued, the dates on which such sales are anticipated to be made, any minimum price below which sales may not be made and other sales parameters as we deem appropriate. Once we have so instructed the Distribution Agent, unless the Distribution Agent declines to accept the terms of the notice, the Distribution Agent has agreed to use its commercially reasonable efforts consistent with its normal trading and sales practices to sell such shares up to the amount specified on such terms. The obligations of the Distribution Agent under the Sales Agreement to sell our common stock are subject to a number of conditions that we must meet.

We will pay the Distribution Agent commissions for its services in acting as our agent in the sale of common stock. The Distribution Agent will be entitled to compensation at a commission rate of 2.5% of the gross proceeds from each sale of common stock pursuant to the Sales Agreement. Because there is no minimum offering amount required as a condition to close this offering, the actual total public offering amount, commissions and proceeds to us, if any, are not determinable at this time. In connection with the sale of the common stock on our behalf, the Distribution Agent will be deemed to be an underwriter within the meaning of the Securities Act and the compensation of the Distribution Agent will be deemed to be underwriting commissions or discounts. We have agreed to provide indemnification and contribution to the Distribution Agent against certain civil liabilities, including liabilities under the Securities Act. We estimate that the total expenses for the offering, excluding compensation payable to the Distribution Agent under the terms of the Sales Agreement, will be approximately \$200,000. We have also agreed to reimburse the Distribution Agent for the reasonable fees and disbursements of counsel to the Distribution Agent in connection with this offering. In accordance with FINRA Rule 5110, these reimbursed expenses are deemed underwriting compensation for this offering.

The Distribution Agent will provide written confirmation to us no later than the opening of the trading day immediately following the trading day on which it has made sales of shares of our common stock under the Sales Agreement. Each confirmation will include the number of shares sold on that day, the compensation payable by us to the Distribution Agent with respect to such sales, and the net proceeds payable to us.

Unless otherwise specified in the applicable placement notice, settlement for sales of our common stock will occur on the third business day following the date on which any sales are made, in return for payment of the net proceeds to us. There is no arrangement for funds to be received in an escrow, trust or similar arrangement.

The offering pursuant to the Sales Agreement will terminate upon the earlier of (i) the issuance and sale of all shares of common stock subject to the agreement or (ii) termination of the Sales Agreement by us or the Distribution Agent as permitted therein.

The Distribution Agent and its respective affiliates have provided, and may in the future provide various investment banking and other financial services to us and our affiliates, for which services they have received, and may in the future receive, customary fees. To the extent required by Regulation M, the Distribution Agent will not engage in any market making activities involving our common stock while the offering is ongoing under this prospectus supplement.

ABOUT CNB FINANCIAL CORPORATION

We are a bank holding company and a financial holding company registered under the Bank Holding Company Act of 1956, as amended. We were incorporated under the laws of the Commonwealth of Pennsylvania in 1983 for the purpose of engaging in the business of a financial holding company. On April 26, 1984, we acquired all of the outstanding capital stock of County National Bank, a national banking chartered institution. In December of 2006, County National Bank changed its name to CNB Bank (the Bank) and became a state bank chartered in Pennsylvania and subject to regulation by the Pennsylvania Department of Banking and the Federal Deposit Insurance Corporation.

We are subject to regulation, supervision and examination by the Board of Governors of the Federal Reserve System. In general, we are limited to owning or controlling banks and engaging in such other activities as are properly incident thereto. We do not currently engage in any operating business activities, other than the ownership and management of CNB Bank, CNB Securities Corporation, CNB Insurance Agency, and Holiday Financial Services Corporation.

The Bank was incorporated in 1934 and is chartered in the Commonwealth of Pennsylvania. ERIEBANK, a division of CNB Bank, began operations in 2005. Farmers Citizens Bank served the central Ohio markets of Bucyrus, Cardington, Fredericktown, Mount Hope and Shiloh, as well as the markets of Worthington and Upper Arlington in the greater Columbus, Ohio area, with 8 branch locations. We continue to operate these branch locations as FCBank, a division of CNB Bank. In July 2016, we acquired Lake National Bank of Mentor, Ohio. We operate the two former Lake National Bank branches in Mentor, Ohio as part of the ERIEBANK division of CNB Bank. Bank on Buffalo, a division of CNB Bank, began operations in November 2016 with the opening of a loan production office in Buffalo, New York.

The Bank has full service branch offices and loan production offices located in various communities in its market area. The Bank's primary market area includes the Pennsylvania counties of Cambria, Cameron, Centre, Clearfield, Crawford, Elk, Indiana, Jefferson, and McKean. THE SECURITIES WE MAY OFFER

The descriptions of the securities contained in this prospectus, together with the applicable prospectus supplements, summarize certain material terms and provisions of the various types of securities that we may offer. The particular material terms of the securities offered by a prospectus supplement will be described in that prospectus supplement. If indicated in the applicable prospectus supplement, the terms of the offered securities may differ from the terms summarized below. The prospectus supplement will also contain information, where applicable, about material U.S. federal income tax considerations relating to the offered securities, and the securities exchange, if any, on which the offered securities will be listed. The descriptions herein and in the applicable prospectus supplement do not contain all of the information that you may find useful or that may be important to you. You should refer to the provisions of the actual documents whose terms are summarized herein and in the applicable prospectus supplement, because those documents, and not the summaries, define your rights as holders of the relevant securities. For more information, please review the forms of these documents, which are or will be filed with the SEC and will be available as described under the heading **Where You Can Find More Information** above.

We may offer and sell from time to time, in one or more offerings, common stock and/or preferred stock.

Table of Contents

DESCRIPTION OF COMMON STOCK

The following description is a general summary of the terms of our common stock. The description below does not purport to be complete and is subject to and qualified in its entirety by reference to our amended and restated articles of incorporation and by-laws, as amended and restated. The description below does not contain all of the information that you might find useful or that might be important to you. You should refer to the provisions of our amended and restated articles of incorporation and by-laws, as amended and restated, because they, and not the summaries, define the rights of holders of shares of our common stock. You can obtain copies of our amended and restated articles of incorporation and by-laws, as amended and restated, by following the directions under the heading **Where You Can Find More Information**.

General

Our amended and restated articles of incorporation authorize us to issue 50,000,000 shares of stock, no par value. As of December 30, 2016, there were 14,473,482 shares of common stock issued and there were no outstanding options exercisable for shares of our common stock.

Each share of our common stock has the same relative rights and is identical in all respects to each other share of our common stock. Our common stock is non-withdrawable capital, is not of an insurable type and is not insured by the Federal Deposit Insurance Corporation or any other governmental entity.

Voting Rights

Holders of our common stock are entitled to one vote per share on each matter properly submitted to shareholders for their vote, including the election of directors. Holders of our common stock do not have the right to cumulate their votes for the election of directors. Subject to certain exceptions, whenever any corporate action is to be taken by a vote of the shareholders, it will be authorized by the affirmative vote of a majority of the votes cast by all shareholders entitled to vote thereon. Directors receiving the highest number of votes shall be elected.

Liquidation Rights

The holders of our common stock, together with the holders of any class or series of stock entitled to participate with the holders of our common stock in the distribution of assets in the event of any liquidation, dissolution or winding-up of us, whether voluntary or involuntary, will be entitled to participate equally in the distribution of any of our assets remaining after we have paid, or provided for the payment of, all of our debts and liabilities and after we have paid, or set aside for payment to, the holders of any class of stock having preference over the common stock in the event of a liquidation, dissolution or winding-up the full preferential amounts to which they are entitled.

Dividends

The holders of our common stock and any class or series of stock entitled to participate with the holders of our common stock are entitled to receive dividends declared by our board of directors out of any assets legally available for distribution. We may not pay dividends or other distributions unless we have paid, declared or set aside all accumulated dividends and any sinking fund, retirement fund or other retirement payments on any class of stock having preference as to payments of dividends over our common stock. As a holding company, our ability to pay distributions is affected by the ability of our subsidiaries to pay dividends. The ability of our bank subsidiary, and our ability, to pay dividends in the future is, and could in the future be further, influenced by bank regulatory requirements and capital guidelines.

Miscellaneous

The holders of our common stock have no preemptive or conversion rights for any shares that may be issued. Our common stock is not subject to additional calls or assessments, and all shares of our common stock currently outstanding are fully paid and nonassessable. All shares of common stock offered pursuant to a prospectus supplement, or issuable upon conversion, exchange or exercise of any convertible securities, will, when issued, be fully paid and nonassessable, which means that the full purchase price of the shares will have been paid and the holders of the shares will not be assessed any additional monies for the shares.

Certain Important Charter Provisions

Our by-laws, as amended and restated, provide for the division of our board of directors into three classes of directors, each class as nearly as equal as possible, with each serving staggered terms. Any amendment to our by-laws must be approved by the affirmative vote of a majority of the votes cast by all shareholders entitled to vote thereon and, if any shareholders are entitled to vote thereon as a class, upon receiving the affirmative vote of a majority of the votes cast by the shareholders entitled to vote as a class. Additionally, our amended and restated articles of incorporation provide that the affirmative vote of at least 66% of the outstanding shares of each class entitled to vote is required to effect a merger or consolidation of the Company into another company that is not a wholly owned subsidiary of the Company.

Table of Contents

Some of the foregoing provisions may have the effect of deterring hostile takeovers or delaying changes in control or management of us.

Since the terms of our amended and restated articles of incorporation and by-laws, as amended and restated, may differ from the general information we are providing, you should only rely on the actual provisions of our amended and restated articles of incorporation and by-laws. If you would like to read our amended and restated articles of incorporation and by-laws, you may request a copy from us by following the directions under the heading **Where You Can Find More Information**.

Our common stock is traded on the NASDAQ Stock Market under the symbol **CCNE**.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is American Stock Transfer & Trust Company, LLC.

Table of Contents

DESCRIPTION OF PREFERRED STOCK

The following description is a general summary of the terms of the preferred stock which we may issue. The description below and in any prospectus supplement does not purport to be complete and is subject to and qualified in its entirety by reference to our amended and restated articles of incorporation and the applicable certificate of designations designating the terms of the related series of preferred stock and our by-laws, as amended and restated, each of which we will make available upon request. The descriptions herein and in the applicable prospectus supplement do not contain all of the information that you may find useful or that may be important to you. You should refer to the provisions of our amended and restated articles of incorporation, the applicable certificate of designations and our by-laws, as amended and restated, because they, and not the summaries, define your rights as holders of shares of our preferred stock.

General

We are authorized to issue 50,000,000 shares of stock, no par value. Our amended and restated articles of incorporation, subject to limitations prescribed in such articles and subject to limitations prescribed by Pennsylvania law, authorize the board of directors, from time to time by resolution and without further shareholder action, to provide for the issuance of shares of preferred stock, in one or more series, and to fix the designation, powers, preferences and other rights of the shares and to fix the qualifications, limitations and restrictions thereof. As a result of its broad discretion with respect to the creation and issuance of preferred stock without shareholder approval, the board of directors could adversely affect the voting power of the holders of common stock and, by issuing shares of preferred stock with certain voting, conversion and/or redemption rights, could discourage any attempt to obtain control of us.

For purposes of this subheading, the term *equity securities* does not include convertible debt securities.

Distributions

Holders of the preferred stock of each series will be entitled to receive, when, as and if declared by our board of directors, out of our assets legally available for payment to shareholders, cash distributions, or distributions in kind or in other property if expressly permitted and described in the applicable prospectus supplement, at the rates and on the dates as we will set forth in the applicable prospectus supplement. We will pay each distribution to holders of record as they appear on our stock transfer books on the record dates determined by our board of directors.

Distributions on any class or series of preferred stock, if cumulative, will be cumulative from and after the date set forth in the applicable prospectus supplement. If our board of directors fails to declare a distribution payable on a distribution payment date on any class or series of preferred stock for which distributions are non-cumulative, then the holders of that class or series of preferred stock will have no right to receive a distribution in respect of the distribution period ending on that distribution payment date, and we will have no obligation to pay the distribution accumulated for that period, whether or not distributions on that series are declared payable on any future distribution payment date.

If any shares of the preferred stock of any class or series are outstanding, no full dividends will be declared or paid or set apart for payment on our preferred stock of any other class or series ranking, as to dividends, equally with or junior to the preferred stock of the class or series for any period unless all required dividends are paid. The phrase *all required dividends are paid* when used in this prospectus with respect to class or series of preferred stock means that:

if the class or series of preferred stock has a cumulative dividend, full cumulative dividends on the preferred stock of the class or series have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment is set apart for payment for all past dividend periods and the then current dividend period; or

if the class or series of preferred stock does not have a cumulative dividend, full dividends on the preferred stock of the class or series have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment is set apart for the payment for the then current dividend period.

When dividends are not paid in full, or a sum sufficient for the full payment is not so set apart, upon the shares of preferred stock of any class or series and the shares of any other class or series of preferred stock ranking equally as to dividends with the preferred stock of the class or series, all dividends declared upon shares of preferred stock of the class or series and any other class or series of preferred stock ranking equally as to dividends with the preferred stock will be declared equally so that the amount of dividends declared per share on the preferred stock of the class or series and the other class or series of preferred stock will in all cases bear to each other the same ratio that accrued and unpaid dividends per share on the shares of preferred stock of the class or series, which will not include any accumulation in respect of unpaid dividends for prior dividend periods if the preferred stock does not have cumulative dividend, and the other class or series of preferred stock bear to each other. No interest or sum of money in lieu of interest will be payable in respect of any dividend payment or payments on preferred stock of the class or series which may be in arrears.

Except as provided in the immediately preceding paragraph, unless all required dividends are paid, no dividends, other than in common stock or other stock ranking junior to the preferred stock of the class or series as to dividends and upon liquidation, dissolution or winding-up of us, will be declared or paid or set aside for payment or other distribution will be declared or made upon the common stock or any of our other stock ranking junior or equally with the preferred stock of the class or series as to dividends or upon liquidation, nor will any common stock or any of our other capital stock ranking junior to or equally with preferred stock of the class or series as to dividends or upon liquidation, dissolution or winding-up of us be redeemed, purchased or otherwise acquired for any consideration, or any moneys be paid to or made available for a sinking fund for the redemption of any shares of any stock, by us except by conversion into or exchange for our other stock ranking junior to the preferred stock of the class or series as to dividends and upon liquidation, dissolution or winding-up of us.

Table of Contents

Any dividend payment made on shares of a class or series of preferred stock will first be credited against the earliest accrued but unpaid dividend due with respect to shares of the class or series which remains payable.

Redemption

If so provided in the applicable prospectus supplement, the preferred stock will be subject to mandatory redemption or redemption at our option, in whole or in part, in each case upon the terms, at the times and at the redemption prices set forth in the prospectus supplement.

The prospectus supplement relating to a class or series of preferred stock that is subject to mandatory redemption will specify the number of shares of the preferred stock that will be redeemed by us in each year commencing after a date to be specified, at a redemption price per share to be specified, together with an amount equal to all accumulated and unpaid dividends thereon, which will not, if the preferred stock does not have a cumulative dividend, include an accumulation in respect of unpaid dividends for prior dividends periods, to the date of redemption. The redemption price may be payable in cash or other property, as specified in the applicable prospectus supplement. If the redemption price for preferred stock of any series is payable only from the net proceeds of the issuance of our stock, the terms of the preferred stock may provide that, if no stock will have been issued or to the extent the net proceeds from any issuance are insufficient to pay in full the aggregate redemption price then due, the preferred stock will automatically and mandatorily be converted into shares of our applicable stock pursuant to conversion provisions specified in the applicable prospectus supplement.

Notwithstanding the foregoing, unless provided otherwise for any class or series of preferred stock, unless all required dividends are paid:

no shares of the applicable class or series of preferred stock will be redeemed unless all outstanding shares of preferred stock of the class or series are simultaneously redeemed; and

we will not purchase or otherwise acquire directly or indirectly any shares of the applicable class or series of preferred stock, except by conversion into or exchange for our stock ranking junior to the preferred stock of the class or series as to dividends and upon liquidation, dissolution or winding-up of us;

provided, however, that the above restrictions will not prevent the purchase or acquisition of shares of preferred stock of the class or series pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding shares of preferred stock of the class or series.

Liquidation Preference

Upon any voluntary or involuntary liquidation, dissolution or winding up of our affairs, then, before any distribution or payment will be made to the holders of any common stock or any other class or series of shares of our capital stock ranking junior to the preferred stock in the distribution of assets upon any liquidation, dissolution or winding up of our affairs, the holders of each series or class of preferred stock will be entitled to receive out of our assets legally available for distribution to shareholders liquidating distributions in the amount of the liquidation preference set forth in the applicable prospectus supplement, plus an amount equal to all accumulated and unpaid distributions. After payment of the full amount of the liquidating distributions to which they are entitled, the holders of shares of preferred stock will have no right or claim to any of our remaining assets. If, upon the voluntary or involuntary liquidation,

dissolution or winding up, our available assets are insufficient to pay the amount of the liquidating distributions on all outstanding shares of preferred stock and the corresponding amounts payable on all shares of other classes or series of shares of our capital stock ranking equally with the preferred stock in the distribution of assets, then the holders of the preferred stock and all other classes or series of shares of capital stock will share ratably in any distribution of assets in proportion to the full liquidating distributions to which they would otherwise be respectively entitled.

If liquidating distributions will have been made in full to all holders of preferred stock, our remaining assets will be distributed among the holders of any other classes or series of shares of capital stock ranking junior to the preferred stock upon liquidation, dissolution or winding up, according to their respective rights and preferences and in each case according to their respective number of shares.

For those purposes, the consolidation or merger of us with or into any other corporation, trust or entity, or the sale, lease or conveyance of all or substantially all of our property or business, will not be deemed to constitute a liquidation, dissolution or winding up of our affairs.

Voting Rights

Holders of preferred stock will not have any voting rights, except as set forth below or as otherwise from time to time required by law, or as otherwise provided in the articles of amendment or the resolutions establishing such series and as indicated in the applicable prospectus supplement.

The terms will include the name of the issuer of the other securities or rights and the number or principal amount of the securities or rights into which the shares of preferred stock are convertible or exchangeable, the conversion or exchange price or rate or the manner of calculating the price, the conversion or exchange date(s) or period(s), provisions as to whether conversion or exchange will be at the option of the holders of the preferred stock or at our or other issuer's option, the events requiring an adjustment of the conversion or exchange price or rate and provisions affecting conversion or exchange in the event of the redemption of the series of preferred stock.

the name or names of any underwriters, dealers or agents;

the purchase price of the securities and the proceeds to us from the sale;

The distribution of the securities may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, at varying prices determined at the time of sale, or at prices determined as the applicable prospectus supplement specifies. The securities may be sold through a rights offering, forward contracts or similar arrangements.

In connection with the sale of the securities, underwriters, dealers or agents may be deemed to have received compensation from us in the form of underwriting discounts or commissions and also may receive commissions from securities purchasers for whom they may act as agent. Underwriters may sell the securities to or through dealers, and the dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters or commissions from the purchasers for whom they may act as agent.

We will provide in the applicable prospectus supplement information regarding any underwriting discounts or other compensation that we pay to underwriters or agents in connection with the securities offering, and any discounts, concessions or commissions which underwriters allow to dealers. Underwriters, dealers and agents participating in the securities distribution may be deemed to be underwriters, and any discounts and commissions they receive and any profit they realize on the sale of the securities may be deemed to be underwriting discounts and commissions under the Securities Act. Underwriters and their controlling persons, dealers and agents may be entitled, under agreements entered into with us, to indemnification against and contribution toward specific civil liabilities, including liabilities under the Securities Act.

Unless otherwise specified in the related prospectus supplement, each series of securities will be a new issue with no established trading market, other than shares of our common stock, which are listed on the NASDAQ Stock Market. We may elect to list any series of preferred stock on an exchange, but we are not obligated to do so. It is possible that one or more underwriters may make a market in the securities, but such underwriters will not be obligated to do so and may discontinue any market making at any time without notice. No assurance can be given as to the liquidity of, or the trading market for, any offered securities.

In connection with an offering, the underwriters may purchase and sell securities in the open market. These transactions may include short sales, stabilizing transactions and purchases to cover positions created by short sales. Short sales involve the sale by the underwriters of a greater number of securities than they are required to purchase in an offering. Stabilizing transactions consist of bids or purchases made for the purpose of preventing or retarding a decline in the market price of the securities while an offering is in progress. The underwriters also may impose a penalty bid. This occurs when a particular underwriter repays to the underwriters a

portion of the underwriting discount received by it because the underwriters have repurchased securities sold by or for the account of that underwriter in stabilizing or short-covering transactions. These activities by the underwriters may stabilize, maintain or otherwise affect the market price of the securities. As a result, the price of the securities may be higher than the price that otherwise might exist in the open market. If these activities are commenced, they may be discontinued by the underwriters at any time. Underwriters may engage in over-allotment. If any underwriters create a short position in the securities in an offering in which they sell more securities than are set forth on the cover page of the applicable prospectus supplement, the underwriters may reduce that short position by purchasing the securities in the open market.

Underwriters, dealers or agents that participate in the offer of securities, or their affiliates or associates, may be customers of, have engaged or engage in transactions with, and perform services for, us or our affiliates in the ordinary course of business for which they may have received or receive customary fees and reimbursement of expenses.
