PRELIMINARY SUBJECT TO COMPLETION DATED FEBRUARY 23, 2017

JOINT PROXY STATEMENT/ PROSPECTUS

MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

The board of directors of Patterson-UTI Energy, Inc. (Patterson-UTI) and the board of directors of Seventy Seven Energy Inc. (SSE) have each approved an Agreement and Plan of Merger (which, as it may be amended from time to time, is referred to as the merger agreement) that provides for the combination of SSE and Patterson-UTI. Pursuant to the terms of the merger agreement, a wholly owned subsidiary of Patterson-UTI will merge with and into SSE (the merger), with SSE surviving the merger as a wholly owned subsidiary of Patterson-UTI.

If the merger is completed, each share of SSE common stock, par value \$0.01 per share, issued and outstanding immediately prior to the effective time of the merger (other than certain shares specified in the merger agreement), will be converted into the right to receive a number of shares of Patterson-UTI common stock, par value \$0.01 per share, equal to the exchange ratio. The exchange ratio will be equal to 49,559,000 shares of Patterson-UTI common stock, divided by the total number of shares of SSE common stock outstanding or deemed outstanding immediately prior to the effective time of the merger (which includes, among other things, (i) shares of SSE common stock outstanding as a result of the exercise of warrants to acquire SSE common stock, (ii) shares of SSE common stock deemed outstanding as a result of the vesting of SSE restricted stock unit awards that existed prior to the execution of the merger agreement, (iii) shares of SSE common stock subject to perfected appraisal rights, (iv) shares of SSE common stock that underlie restricted stock unit awards that SSE issues on or after the execution of the merger agreement and (v) 50% of any shares of SSE common stock that have been tendered to SSE on or after August 1, 2016 for the purposes of satisfying tax withholding obligations upon the vesting of SSE restricted stock unit awards); *provided* that, in the event that any Series A warrants to acquire SSE common stock are forfeited or net settled, such 49,559,000 shares of Patterson-UTI common stock will be reduced by a number equal to (i) the aggregate exercise price for the warrants that are forfeited or net settled, divided by (ii) the volume weighted average price of a share of Patterson-UTI common stock for the ten consecutive trading days immediately preceding the third business day prior to the closing of the merger. In no event will Patterson-UTI issue more than 49,559,000 shares of its common stock as merger consideration. Annex B to this joint proxy statement/prospectus sets forth illustrative calculations of the exchange ratio. Based on the closing price of Patterson-UTI common stock on the Nasdaq Global

Select Market (the NASDAQ) on December 12, 2016, the last trading day before public announcement of the merger, the aggregate transaction value of the merger consideration payable to SSE stockholders was approximately \$1.42 billion, assuming the issuance of 49,559,000 shares of Patterson-UTI common stock.

Shares of Patterson-UTI common stock outstanding before the merger is completed will remain outstanding and will not be exchanged, converted or otherwise changed in the merger. Patterson-UTI common stock is currently traded on the NASDAQ, under the symbol PTEN . **We urge you to obtain current market quotations of Patterson-UTI common stock.** SSE common stock is not currently traded on a national securities exchange.

We intend for the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code). Accordingly, SSE stockholders generally are not expected to recognize any gain or loss for U.S. federal income tax purposes upon the exchange of shares of SSE common stock for shares of Patterson-UTI common stock pursuant to the merger, except with respect to cash received in lieu of fractional shares of Patterson-UTI common stock.

Based on the estimated number of shares of Patterson-UTI and SSE common stock that will be outstanding immediately prior to the closing of the merger and assuming that each holder of an SSE Series A warrant exercises their warrants for cash, we estimate that, upon such closing, former SSE stockholders will own up to approximately 25% of the combined company following the merger.

At a special meeting of SSE stockholders, SSE stockholders will be asked to vote on a proposal to adopt the merger agreement. Approval of this proposal requires the affirmative vote of a majority of the outstanding shares of SSE common stock entitled to vote thereon. At the special meeting, SSE stockholders will also be asked to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to SSE s named executive officers in connection with the merger.

In connection with the execution of the merger agreement, certain affiliates of Axar Capital Management, LLC (Axar), BlueMountain Capital Management, LLC (BlueMountain) and Mudrick Capital Management, L.P. (Mudrick) entered into voting and support agreements with Patterson-UTI, pursuant to which each such stockholder agreed to vote all of its shares of SSE common stock in favor of the adoption of the merger agreement and against, among other things, alternative transactions. As of the date of this joint proxy statement/prospectus, those stockholders hold and are entitled to vote in the aggregate approximately 59% of the issued and outstanding shares of SSE common stock entitled to vote at the SSE special meeting. In the event that SSE s board of directors changes its recommendation that SSE stockholders adopt the merger agreement, such stockholders, taken together, will be required to vote shares that, in the aggregate, represent 39.99% of the issued and outstanding shares of SSE common stock on such proposal, with each such stockholder being able to vote the balance of its shares of SSE common stock on such proposal in such stockholder s sole discretion. See The Merger Agreement Voting and Support Agreements beginning on page 148 for more information.

At a special meeting of Patterson-UTI stockholders, Patterson-UTI stockholders will be asked to vote on the proposal to approve the issuance of shares of Patterson-UTI common stock to SSE stockholders in connection with the merger. Approval of this proposal requires the affirmative vote of a majority of the shares of Patterson-UTI common stock, present in person or represented by proxy at the Patterson-UTI special meeting and entitled to vote thereon, assuming a quorum is present.

The SSE board of directors unanimously recommends that the SSE stockholders vote FOR the proposal to adopt the merger agreement, FOR the approval, on an advisory (non-binding) basis, of the compensation that may be paid or become payable to SSE s named executive officers in connection with the merger and FOR the proposal to approve the adjournment of the SSE special meeting, if necessary or appropriate, to permit further solicitation of proxies.

The Patterson-UTI board of directors unanimously recommends that the Patterson-UTI stockholders vote FOR the proposal to approve the issuance of shares of Patterson-UTI common stock to SSE stockholders in connection with the merger and FOR the proposal to approve the adjournment of the Patterson-UTI special meeting, if necessary or appropriate, to permit further solicitation of proxies.

The obligations of Patterson-UTI and SSE to complete the merger are subject to the satisfaction or waiver of several conditions set forth in the merger agreement. The accompanying joint proxy statement/prospectus contains detailed information about Patterson-UTI, SSE, the special meetings, the merger agreement and the merger. Patterson-UTI and SSE encourage you to read the joint proxy statement/prospectus carefully and in its entirety before voting, including the section titled Risk Factors beginning on page 35.

We look forward to the successful combination of Patterson-UTI and SSE.

Sincerely,

William A. Hendricks, Jr.

Jerry Winchester

SSE will transact no other business at the special meeting except such business as may properly be brought before the SSE special meeting or any adjournment or postponement thereof by or at the direction of the SSE board of directors. References to the SSE special meeting in this joint proxy statement/prospectus are to such special meeting as adjourned or postponed. Please refer to the joint proxy statement/prospectus of which this notice is a part for further information with respect to the business to be transacted at the SSE special meeting.

The SSE board of directors has fixed the close of business on February 22, 2017 as the record date for the SSE special meeting. Only SSE stockholders of record at that time are entitled to receive notice of, and to vote at, the SSE special meeting. A complete list of such stockholders will be available for inspection by any SSE stockholder for any purpose germane to the special meeting during ordinary business hours for the ten days preceding the SSE special meeting at SSE s offices at the address on this notice. The eligible SSE stockholder list will also be available at the SSE special

In connection with the execution of the merger agreement, certain affiliates of Axar Capital Management, LLC, BlueMountain Capital Management, LLC and Mudrick Capital Management, L.P., entered into voting and support agreements with Patterson-UTI, pursuant to which each such stockholder agreed to vote all of its shares of SSE common stock in favor of the adoption of the merger agreement and against, among other things, alternative transactions. See The Merger Agreement Voting and Support Agreements beginning on page 148 for more information.

Table of Contents

Completion of the merger is conditioned on approval and adoption of the merger agreement and the transactions contemplated by the merger agreement, including the merger, by the SSE stockholders, which requires the affirmative vote of a majority of the outstanding shares of SSE common stock entitled to vote thereon.

The proposal to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to SSE's named executive officers in connection with the merger is a vote separate and apart from the vote on the proposal to adopt the merger agreement. Accordingly, a SSE stockholder may vote to approve one proposal and not the other. Because the vote on the proposal to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to SSE's named executive officers in connection with the merger is advisory in nature only, it will not be binding on SSE or Patterson-UTI, and the approval of that proposal is not a condition to the completion of the merger.

The SSE board of directors unanimously approved the merger agreement, the merger and the other transactions contemplated by the merger agreement, and declared the merger agreement, the merger and the other transactions contemplated by the merger agreement to be advisable and fair to and in the best interests of SSE stockholders. The SSE board of directors unanimously recommends that SSE stockholders vote FOR the proposal to adopt the merger agreement, FOR the approval, on an advisory (non-binding) basis, of the compensation that may be paid or become payable to SSE's named executive officers in connection with the merger and FOR the proposal to approve the adjournment of the SSE special meeting, if necessary or appropriate, to permit further solicitation of proxies.

Your vote is very important regardless of the number of shares that you own. Whether or not you expect to attend the SSE special meeting in person, to ensure your representation at the SSE special meeting, we urge you to submit a proxy to vote your shares as promptly as possible by (i) accessing the internet site listed on the SSE proxy card, (ii) calling the toll-free number listed on the SSE proxy card or (iii) submitting your SSE proxy card by mail by using the provided self-addressed, stamped envelope. Submitting a proxy will not prevent you from voting in person, but it will help to secure a quorum and avoid added solicitation costs. Any eligible holder of SSE common stock who is present at the SSE special meeting may vote in person, thereby canceling any previous proxy. In any event, a proxy may be revoked at any time before the SSE special meeting in the manner described in the accompanying joint proxy statement/prospectus. QUESTIONS AND ANSWERS

*The following are some questions that you, as a Patterson-UTI stockholder or a SSE stockholder, may have regarding the merger and the other matters being considered at the special meetings, as well as the answers to those questions. Patterson-UTI and SSE urge you to read carefully the remainder of this joint proxy statement/prospectus including any documents incorporated by reference and the Annexes in their entirety because the information in this section does not provide all of the information that might be important to you with respect to the merger agreement, the merger and the other matters being considered at the special meetings. See *Where You Can Find More Information* beginning on page 233.*

Q: Why am I receiving this joint proxy statement/prospectus?

A: Patterson-UTI and SSE have agreed to a business combination pursuant to the terms of the merger agreement that is described in this joint proxy statement/prospectus. A copy of the merger agreement is included in this joint proxy statement/prospectus as Annex A.

In order to complete the merger, among other conditions:

Patterson-UTI stockholders must approve the issuance of shares of Patterson-UTI common stock to SSE stockholders in connection with the merger; and

SSE stockholders must adopt the merger agreement.

Patterson-UTI and SSE will hold separate special meetings of their stockholders to obtain these approvals. This joint proxy statement/prospectus, including its Annexes, contains and, with respect to Patterson-UTI incorporates by reference. important information about Patterson-UTI and SSE, the merger and the stockholder meetings of Patterson-UTI and SSE. You should read all of the available information carefully and in its entirety. See *Where You Can Find More Information* beginning on page 233.

Q: What effect will the merger have?

A: Patterson-UTI and SSE have entered into the merger agreement pursuant to which SSE will become a wholly owned subsidiary of Patterson-UTI and SSE stockholders will become stockholders of Patterson-UTI. Following the merger, the stockholders of Patterson-UTI and SSE will be the stockholders of the combined company.

Q: What will I receive in the merger?

A:

Patterson-UTI Stockholders: Regardless of whether the merger is completed, Patterson-UTI stockholders will retain the Patterson-UTI common stock that they currently own. They will not receive any merger consideration, and they will not receive any additional shares of Patterson-UTI common stock in the merger.

SSE Stockholders: If the merger is completed, SSE stockholders will receive a number of shares of Patterson-UTI common stock for each share of SSE common stock that they hold immediately prior to the effective time of the merger (the effective time) equal to the exchange ratio. The exchange ratio will be equal to 49,559,000 shares of Patterson-UTI common stock, divided by the total number of shares of SSE common stock outstanding or deemed outstanding immediately prior to the effective time (which includes (i) shares of SSE common stock outstanding as a result of the exercise of warrants to acquire SSE common stock, (ii) shares of SSE common stock deemed outstanding as a result of the vesting of SSE restricted stock unit awards that existed prior to the execution of the merger agreement, (iii) any shares of SSE common stock subject to perfected appraisal rights, (iv) shares of SSE common stock that underlie restricted stock unit awards that SSE issues on or after the execution of the merger agreement and (v) 50% of any shares of SSE common stock that have been tendered to SSE on or after August 1, 2016 for the purposes of satisfying

Table of Contents

tax withholding obligations upon the vesting of SSE restricted stock unit awards); *provided*, that in the event that any Series A warrants to acquire SSE common stock are forfeited or net settled, such 49,559,000 shares of Patterson-UTI common stock will be reduced by a number equal to (i) the aggregate exercise price for the warrants that are forfeited or net settled, divided by (ii) the volume weighted average price of a share of Patterson-UTI common stock for the ten consecutive trading days immediately preceding the third business day prior to the closing of the merger. In no event will Patterson-UTI issue more than 49,559,000 shares of its common stock as merger consideration. Annex B to this joint proxy statement/prospectus sets forth illustrative calculations of the exchange ratio.

SSE stockholders will not receive any fractional shares of Patterson-UTI common stock in the merger. Instead, Patterson-UTI will pay cash (without interest) in lieu of any fractional shares of Patterson-UTI common stock that a SSE stockholder would otherwise have been entitled to receive. SSE stockholders will also be entitled to any dividends declared and paid by Patterson-UTI with a record date at or after the effective time.

Q: If I am an SSE stockholder, how will I receive the merger consideration to which I am entitled?

A: A letter of transmittal and instructions for the surrender of SSE common stock certificates, or in the case of book entry shares, the surrender of such shares, will be mailed to SSE stockholders shortly after the completion of the merger. After receiving proper documentation from you, the exchange agent will forward to you the Patterson-UTI common stock and cash in lieu of fractional shares to which you are entitled. See *The Merger Agreement Exchange of Shares in the Merger* beginning on page 126.

Q: What is the value of the merger consideration?

A: Because Patterson-UTI will issue shares of Patterson-UTI common stock in exchange for each share of SSE common stock outstanding immediately prior to such exchange, the value of the merger consideration that SSE stockholders receive will depend on the price per share of Patterson-UTI common stock at the effective time. That price will not be known at the time of the special meetings and may be greater or less than the current price or the price at the time of the special meetings. We urge you to obtain current market quotations of Patterson-UTI common stock. See *Risk Factors* beginning on page 35.

In addition, the value of the merger consideration is dependent upon the exchange ratio. The exchange ratio will be 1.7731 if all outstanding Series A warrants of SSE are exercised for cash, no other warrants are exercised, no other shares of SSE are issued prior to closing and certain other assumptions set forth in *Example 1* of Annex B of this joint proxy statement/prospectus. The exchange ratio will be reduced if holders of Series A warrants of SSE fail to exercise their warrants by tendering the cash exercise price, either by forfeiting the warrants or by net share settling such warrants. The exchange ratio will also be reduced if Series B or Series C warrants of SSE all of which are presently out-of-the-money nevertheless exercise their warrants. The exchange ratio will further be reduced by any additional restricted stock unit awards granted by SSE for retention purposes, which will not exceed 300,000 restricted stock units in the aggregate. As of February 22, 2017, SSE has granted 284,543 restricted stock units since the execution of the merger agreement.

your bank, broker or other nominee, and not you. If this is the case, this joint proxy statement/prospectus has been forwarded to you by your bank, broker or other nominee. You must provide the record holder of your shares with instructions on how to vote your shares. Otherwise, your bank, broker or other nominee may not vote your shares on any of the proposals to be considered at the Patterson-UTI special meeting or the SSE special meeting, as applicable, and a broker non-vote will result.

Under the current Rules of the Nasdaq Global Select Market (the "NASDAQ"), banks, brokers or other nominees do not have discretionary authority to vote on any of the proposals at the Patterson-UTI special meeting. Because the only proposals for consideration at the Patterson-UTI special meeting are non-discretionary proposals, it is not expected that there will be any broker non-votes at such meeting. However, if there are any broker non-votes, they will have no effect on (i) the proposal to approve the issuance of shares of Patterson-UTI common stock to SSE stockholders in connection with the merger (assuming a quorum is present) or (ii) the proposal to approve the adjournment of the Patterson-UTI special meeting, if necessary or appropriate, to permit further solicitation of proxies.

Please note that you may not vote shares held in street name by returning a proxy card directly to Patterson-UTI or SSE or by voting in person at the special meeting unless you first obtain a legal proxy from your bank, broker or other nominee.

Q: What will happen if I fail to vote or I abstain from voting?

A: Patterson-UTI Stockholders: Assuming a quorum is present, if you fail to attend the Patterson-UTI special meeting in person and do not vote by proxy, it will not have any effect on the vote for the proposals; however, if you attend the Patterson-UTI special meeting and abstain or mark your proxy or voting instructions to abstain, it will have the same effect as a vote "AGAINST" (i) the proposal to approve the issuance of shares of Patterson-UTI common stock to SSE stockholders in connection with the merger, and (ii) the proposal to approve the adjournment of the Patterson-UTI special meeting, if necessary or appropriate, to permit further solicitation of proxies.

SSE Stockholders: Assuming a quorum is present, if you fail to attend the SSE special meeting in person and do not vote by proxy, it will have (i) the same effect as a vote "AGAINST" the proposal to adopt the merger agreement, (ii) no effect on the proposal to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to SSE's named executive officers in connection with the merger and (iii) no effect on the proposal to approve the adjournment of the SSE special meeting, if necessary or appropriate, to permit further solicitation of proxies.

If you attend the SSE special meeting and abstain or mark your proxy or voting instructions to abstain, it will have the same effect as a vote "AGAINST" (i) the proposal to adopt the merger agreement, (ii) the proposal to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to SSE's named executive officers based on or otherwise related to the proposed transactions and (iii) the proposal to approve the adjournment of the SSE special meeting, if necessary or appropriate, to permit further solicitation of proxies.

A: *Patterson-UTI Stockholders*: If you properly complete and sign your proxy card but do not indicate how your shares of Patterson-UTI common stock should be voted on a proposal, the shares of Patterson-UTI

common stock represented by your proxy will be voted as the Patterson-UTI board of directors recommends and, therefore, FOR (i) the proposal to approve the issuance of shares of Patterson-UTI common stock to SSE stockholders in connection with the merger and (ii) the proposal to approve the adjournment of the Patterson-UTI special meeting, if necessary or appropriate, to permit further solicitation of proxies.

SSE Stockholders: If you properly complete and sign your proxy card but do not indicate how your shares of SSE common stock should be voted on a proposal, the shares of SSE common stock represented by your proxy will be voted as the SSE board of directors recommends and, therefore, FOR (i) the proposal to adopt the merger agreement, (ii) the proposal to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to SSE's named executive officers in connection with the merger and (iii) the proposal to approve the adjournment of the SSE special meeting, if necessary or appropriate, to permit further solicitation of proxies.

Q: Can I change my vote or revoke my proxy after I have returned a proxy or voting instruction card?

A: Yes.

If you are the record holder of either Patterson-UTI or SSE common stock: You can change your vote or revoke your proxy at any time before your proxy is voted at the applicable special meeting. You can do this by:

timely delivering a signed written notice of revocation;

timely delivering a new, valid proxy bearing a later date (including by telephone or through the internet); or

attending the special meeting and voting in person, which will automatically cancel any proxy previously given, or revoking your proxy in person.

Simply attending the Patterson-UTI special meeting or the SSE special meeting without voting will not revoke any proxy that you have previously given or change your vote.

If you choose either of the first two methods, your notice of revocation or your new proxy must be received by the Secretary of Patterson-UTI or SSE, as applicable, no later than the beginning of the applicable special meeting.

Regardless of the method used to deliver your previous proxy, you may revoke your proxy by any of the above methods.

If you hold shares of either Patterson-UTI or SSE in street name : If your shares are held in street name, you must contact your bank, broker or other nominee to change your vote.

Q: What are the material U.S. federal income tax consequences of the merger to U.S. holders of SSE common stock?

A: The merger is intended to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code). It is a condition to Patterson-UTI's obligation to complete the merger that Patterson-UTI receive an opinion of Vinson & Elkins LLP, counsel to Patterson-UTI, to the effect that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Code, and it is a condition to SSE's obligation to complete the merger that SSE receive an opinion of Wachtell, Lipton, Rosen & Katz, special counsel to SSE, to the effect that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. If the merger so qualifies, a U.S. holder (as defined under Material U.S. Federal Income Tax Consequences) of SSE common stock generally will not recognize any gain or loss for U.S. federal income tax purposes upon the exchange of shares of SSE common stock for shares of Patterson-UTI common stock pursuant to the merger, except with respect to cash received in lieu of fractional shares of Patterson-UTI common stock. For further information, see Material U.S. Federal Income Tax Consequences beginning on page 153.

Table of Contents

Your tax consequences will depend on your individual situation. Accordingly, please consult your own tax advisor for a full understanding of the particular tax consequences of the merger to you.

Q: When do you expect the merger to be completed?

A: Patterson-UTI and SSE hope to complete the merger as soon as reasonably possible and expect the closing of the merger to occur late in the first quarter or early in the second quarter of 2017. However, the merger is subject to the satisfaction or waiver of other conditions, and it is possible that factors outside the control of Patterson-UTI and SSE could result in the merger being completed at an earlier time, a later time or not at all.

Q: What are the conditions to consummate the merger?

A: The respective obligations of Patterson-UTI, SSE and Merger Sub to effect the merger and otherwise consummate the transactions contemplated by the merger agreement are subject to the satisfaction or waiver of certain conditions at or before the closing date of the merger (the closing date), including but not limited to: (i) the effectiveness of the registration statement on Form S-4 of which this joint proxy statement/prospectus forms a part and the absence of a stop order suspending the effectiveness of such registration statement on Form S-4 or proceedings initiated or threatened by the SEC for that purpose; (ii) adoption of the merger agreement by the affirmative vote of holders of a majority of the outstanding shares of SSE common stock entitled to vote thereon; (iii) approval of the issuance of Patterson-UTI common stock pursuant to the merger agreement by the affirmative vote of holders of a majority of the shares present in person or represented by proxy and entitled to vote thereon; (iv) authorization for the listing on the NASDAQ of the shares of Patterson-UTI common stock to be issued in connection with the merger, subject to official notice of issuance; and (v) expiration or termination of any waiting periods applicable to the consummation of the merger and the other transactions contemplated by the merger agreement under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (referred to in this joint proxy statement/prospectus as the HSR Act) (on January 13, 2017, Patterson-UTI and SSE were notified by U.S. antitrust authorities that the early termination of the waiting period under the HSR Act had been granted).

In addition, Patterson-UTI's and Merger Sub's obligations to effect the merger are subject to the satisfaction or waiver of additional conditions, including but not limited to: (i) receipt by Patterson-UTI of a tax opinion from its counsel, dated as of the closing date, that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Code; (ii) SSE or any of its subsidiaries not incurring one or more material losses the value of which exceed, or would reasonably be expected to exceed, individually or in the aggregate, \$100 million during the pre-closing period; and (iii) the indebtedness less cash and cash equivalents (the net debt) of SSE and its subsidiaries not exceeding \$500 million and SSE furnishing to Patterson-UTI and Merger Sub a certificate executed by the chief executive officer and chief financial officer of SSE, dated as of the closing date, confirming that the net debt of SSE and its subsidiaries as of the closing date does not exceed \$500 million and setting forth SSE's calculation of the net debt of SSE and its subsidiaries.

Further, SSE's obligations to effect the merger are subject to the satisfaction or waiver of additional conditions, including but not limited to: (i) receipt by SSE of a tax opinion from its special counsel, dated as of the closing date, that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Code; (ii) Patterson-UTI or any of its subsidiaries not incurring one or more material losses the value of which exceed, or would reasonably be

expected to exceed, individually or in the aggregate, \$300 million during the pre-closing period; and (iii) the net debt of Patterson-UTI and its subsidiaries not exceeding \$725 million plus any indebtedness incurred to refinance SSE's existing indebtedness or pay transaction costs, and Patterson-UTI furnishing to SSE a certificate executed by the chief executive officer and chief financial officer of Patterson-UTI, dated as of the closing date, confirming that the net debt of Patterson-UTI and its subsidiaries as of the closing date does not exceed \$725 million plus any indebtedness incurred to refinance SSE's existing indebtedness or pay transaction costs.

Q: What happens if the merger is not completed?

A: If the issuance of Patterson-UTI common stock in the merger is not approved by Patterson-UTI stockholders or if the merger is not completed for any other reason, SSE stockholders will not receive any form of consideration for the SSE common stock they own in connection with the merger. In certain circumstances, SSE or Patterson-UTI may be required to pay up to \$7,500,000 of the other party's expenses, SSE may be required to pay Patterson-UTI a termination fee of \$40,000,000, or Patterson-UTI may be required to pay SSE a termination fee of either \$40,000,000 or \$100,000,000. For a discussion of these and other rights of each of Patterson-UTI and SSE to terminate the merger agreement, see [The Merger Agreement Termination Fees and Expenses](#) beginning on page 146.

Q: Do I need to do anything with my shares of common stock other than vote for the proposals at the special meeting?

A: *Patterson-UTI Stockholders:* If you are a Patterson-UTI stockholder, after the merger is completed, you are not required to take any action with respect to your shares of Patterson-UTI common stock.

SSE Stockholders: If you are a SSE stockholder, after the merger is completed, each share of SSE common stock that you hold will be converted automatically into the right to receive a number of shares of Patterson-UTI common stock equal to the exchange ratio together with cash (without interest) in lieu of any fractional shares, as applicable. You do not need to take any action at this time. A letter of transmittal and instructions for the surrender of SSE common stock certificates, or in the case of book entry shares, the surrender of such shares, will be mailed to SSE stockholders shortly after the completion of the merger.

Q: Are stockholders entitled to appraisal rights?

A: The holders of Patterson-UTI common stock are not entitled to appraisal rights in connection with the merger under Delaware law. SSE stockholders are entitled to appraisal rights under Section 262 of the General Corporation Law of the State of Delaware (the "DGCL"), provided they satisfy the special criteria and conditions set forth in Section 262 of the DGCL. SSE common stock held by stockholders that do not vote for approval of the merger and make a demand for appraisal in accordance with Delaware law will not be converted into Patterson-UTI common stock, but will be converted into the right to receive from the combined company consideration determined in accordance with Delaware law.

For more information regarding appraisal rights, see [The Merger Appraisal Rights](#) beginning on page 121. In addition, a copy of Section 262 of the DGCL is attached to this joint proxy statement/prospectus as Annex E.

Q: What happens if I transfer my shares of SSE common stock before the SSE special meeting?

A: The record date for the SSE special meeting is earlier than the date of the SSE special meeting and the date that the merger is expected to be completed. If you transfer your shares of SSE common stock after the SSE record date but before the SSE special meeting, you will retain your right to vote at the SSE special meeting, but will have transferred the right to receive the merger consideration in the merger. In order to receive the merger consideration, you must hold your shares through the effective date of the merger.

Q: What does it mean if I receive more than one set of materials?

A: This means you own shares of both Patterson-UTI and SSE common stock or you own shares of Patterson-UTI or SSE common stock that are registered under different names. For example, you may own

Table of Contents

some shares directly as a stockholder of record and other shares through a bank, broker or other nominee or you may own shares through more than one bank, broker or other nominee. In these situations, you will receive multiple sets of proxy materials. You must complete, sign and return all of the proxy cards or follow the instructions for any alternative voting procedure on each of the voting instruction forms you receive in order to vote all of the shares of Patterson-UTI and/or SSE common stock that you own. Each proxy card you receive will come with its own self-addressed, stamped envelope; if you submit your proxy by mail, make sure you return each proxy card in the return envelope that accompanied that proxy card.

The Meetings

The Patterson-UTI Special Meeting (see page 63)

The special meeting of Patterson-UTI stockholders will be held at Patterson-UTI's executive offices at 10713 West Sam Houston Parkway North, Suite 800, Houston, Texas 77064 on _____, at _____, local time. The special meeting of Patterson-UTI stockholders is being held to consider and vote on:

a proposal to approve the issuance of shares of Patterson-UTI common stock to SSE stockholders in connection with the merger;

a proposal to approve the adjournment of the Patterson-UTI special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies in the event there are not sufficient votes at the time of the special meeting to approve the first proposal listed above.

Completion of the merger is conditioned on approval by Patterson-UTI stockholders of the issuance of Patterson-UTI common stock pursuant to the merger agreement.

Only record holders of shares of Patterson-UTI common stock at the close of business on February 22, 2017, the record date for the Patterson-UTI special meeting, are entitled to notice of, and to vote at, the Patterson-UTI special meeting. At the close of business on the record date, the only outstanding voting securities of Patterson-UTI were common stock, and 166,327,753 shares of Patterson-UTI common stock were issued and outstanding, approximately _____ of which were owned and entitled to be voted by Patterson-UTI directors and executive officers. The Patterson-UTI directors and executive officers are currently expected to vote their shares in favor of each Patterson-UTI proposal listed above.

With respect to each Patterson-UTI proposal listed above, Patterson-UTI stockholders may cast one vote for each share of Patterson-UTI common stock that they own as of the Patterson-UTI record date. The proposal to approve the issuance of Patterson-UTI common stock requires the affirmative vote of a majority of the shares of Patterson-UTI common stock, present in person or represented by proxy at the Patterson-UTI special meeting and entitled to vote thereon. The proposal to approve the adjournment of the Patterson-UTI special meeting, if necessary or appropriate, to solicit additional proxies requires the affirmative vote of a majority of the shares of Patterson-UTI common stock, present in person or represented by proxy at the Patterson-UTI special meeting and entitled to vote on the proposal, regardless of whether there is a quorum.

No business may be transacted at the Patterson-UTI special meeting unless a quorum is present. If a quorum is not present at the special meeting, or if a quorum is present at the special meeting but there are not sufficient votes at the time of the special meeting to approve the proposal to issue shares of Patterson-UTI common stock in connection with the merger, then the chairman of the meeting has the power to adjourn the meeting, or, alternatively, Patterson-UTI stockholders may be asked to vote on a proposal to adjourn the Patterson-UTI special meeting in order to permit the

further solicitation of proxies. No notice of an adjourned meeting need be given unless the date, time and place of the resumption of the meeting are not announced at the adjourned meeting, the adjournment is for more than 30 days or, if after the adjournment, a new record date is fixed for the adjourned meeting, in which case a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

Reasons for the Merger; Recommendation of the Patterson-UTI Board of Directors (see page 83)

The Patterson-UTI board of directors unanimously approved the merger agreement, the merger and the other transactions contemplated by the merger agreement, and declared the merger agreement, the merger and the other transactions contemplated by the merger agreement (including the issuance of shares of Patterson-UTI common stock to SSE stockholders in connection with the merger) to be advisable and fair to and in the best interests of Patterson-UTI stockholders. **The Patterson-UTI board of directors unanimously recommends that Patterson-UTI stockholders vote FOR the proposal to approve the issuance of Patterson-UTI common stock pursuant to the merger agreement and FOR the proposal to approve the adjournment of the Patterson-UTI special meeting to a later date or dates, if necessary or appropriate to solicit additional proxies in the event there are not sufficient votes at the time of the special meeting to approve the issuance of shares of Patterson-UTI common stock.** For more information regarding the factors considered by the Patterson-UTI board of directors in reaching its decisions relating to its recommendation, see the section titled *The Merger Patterson-UTI's Reasons for the Merger; Recommendation of the Patterson-UTI Board of Directors.*

Opinion of Patterson-UTI's Financial Advisor (see page 86)

Patterson-UTI engaged Piper Jaffray & Co., through its Simmons & Company International division (referred to as Piper Jaffray), to act as financial advisor in connection with the transactions contemplated by the merger agreement. On December 12, 2016, Piper Jaffray delivered to the Patterson-UTI board of directors its oral opinion, confirmed by its delivery of a written opinion dated December 12, 2016, that, as of the date thereof, and based upon and subject to the assumptions, procedures, factors, qualifications, limitations and other matters set forth in Piper Jaffray's written opinion, the up to 49,559,000 shares of Patterson-UTI common stock to be issued for all outstanding shares of SSE pursuant to the merger agreement was fair, from a financial point of view, to Patterson-UTI.

The full text of Piper Jaffray's written opinion dated December 12, 2016, which sets forth, among other things, the assumptions made, procedures followed, matters considered and qualifications and limitations on the scope of review undertaken by Piper Jaffray in delivering its opinion, is attached as Annex C to this proxy statement/prospectus and is incorporated herein by reference in its entirety.

Piper Jaffray's opinion was addressed to, and provided for the information and benefit of, the Patterson-UTI board of directors and was delivered to the Patterson-UTI board of directors in connection with its evaluation of the fairness of the merger consideration from a financial point of view, to Patterson-UTI, and did not address any other aspects or implications of the transactions contemplated by the merger agreement. Piper Jaffray's opinion does not constitute a recommendation to the Patterson-UTI board of directors or to any other persons in respect of the transactions contemplated by the merger agreement, including as to how any holder of Patterson-UTI common stock should vote or act with respect to the proposal to adopt any other matter. Piper Jaffray's opinion did not address the relative merits of the transactions contemplated by the merger agreement compared to other business or financial strategies that might be available to Patterson-UTI, nor did it address the underlying business decision of Patterson-UTI to enter into the merger agreement or to consummate the transactions contemplated by the merger agreement.

For a more complete discussion of Piper Jaffray's opinion, see *The Merger Opinion of Patterson-UTI's Financial Advisor* beginning on page 86.

The SSE Special Meeting (see page 68)

The special meeting of SSE stockholders will be held at SSE's executive offices at 777 N.W. 63rd Street, Oklahoma City, Oklahoma 73116, on _____, 2017, at _____, local time. The special meeting of SSE stockholders is being held in order to consider and vote on:

a proposal to adopt the merger agreement, which is further described in the sections titled "The Merger" and "The Merger Agreement," beginning on pages 73 and 125, respectively;

a proposal to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to SSE's named executive officers in connection with the merger; and

a proposal to approve the adjournment of the SSE special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies in the event there are not sufficient votes at the time of the special meeting to approve the first proposal above.

Completion of the merger is conditioned on approval and adoption of the merger agreement and the transactions contemplated by the merger agreement, including the merger, by the SSE stockholders. The proposal to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to SSE's named executive officers in connection with the merger is a vote separate and apart from the vote on the proposal to adopt the merger agreement. Accordingly, a SSE stockholder may vote to approve one proposal and not the other. Because the vote on the proposal to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to SSE's named executive officers in connection with the merger is advisory in nature only, it will not be binding on SSE or Patterson-UTI, and the approval of that proposal is not a condition to the completion of the merger.

Only record holders of shares of SSE common stock at the close of business on February 22, 2017, the record date for the SSE special meeting, are entitled to notice of, and to vote at, the SSE special meeting. At the close of business on the record date, the only outstanding voting securities of SSE were common stock, and 22,949,374 shares of SSE common stock were issued and outstanding and entitled to vote at the SSE special meeting, approximately _____ of which were owned and entitled to be voted by SSE directors and executive officers. The SSE directors and executive officers are currently expected to vote their shares in favor of each of the SSE proposals listed above.

In connection with the execution of the merger agreement, certain affiliates of Axar Capital Management, LLC, BlueMountain Capital Management, LLC and Mudrick Capital Management, L.P. have entered into voting and support agreements with Patterson-UTI, pursuant to which each such stockholder agreed to vote all of its shares of SSE common stock in favor of the adoption of the merger agreement and against, among other things, alternative transactions. As of the date of this joint proxy statement/prospectus, those stockholders hold and are entitled to vote in the aggregate approximately 59% of the issued and outstanding shares of SSE common stock entitled to vote at the SSE special meeting. In the event that SSE's board of directors changes its recommendation that SSE stockholders adopt the merger agreement, such stockholders, taken together, will be required to vote shares that, in the aggregate, represent 39.99% of the issued and outstanding shares of SSE common stock on such proposal, with each such stockholder being able to vote the balance of its shares of SSE common stock on such proposal in such stockholder's sole discretion. See "The Merger Agreement Voting and Support Agreements" beginning on page 148 for more information.

With respect to each SSE proposal listed above, SSE stockholders may cast one vote for each share of SSE common stock that they own as of the SSE record date. The proposal to adopt the merger agreement requires the affirmative vote of a majority of the outstanding shares of SSE common stock entitled to vote thereon. The proposal to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to SSE's named executive officers in connection with the merger requires the affirmative vote of a majority of

Table of Contents

the voting power of the outstanding shares present in person or represented by proxy at the special meeting and entitled to vote thereon, assuming a quorum is present. The proposal to approve adjournment of the SSE special meeting, if necessary or appropriate, to solicit additional proxies requires the affirmative vote of a majority of the voting power of the outstanding shares present in person or represented by proxy at the special meeting and entitled to vote thereon, regardless of whether there is a quorum.

No business may be transacted at the SSE special meeting unless a quorum is present. If a quorum is not present, or if fewer shares are voted in favor of the proposal to adopt the merger agreement, than is required, then the chairman of the meeting has the power to adjourn the meeting, or, alternatively, SSE stockholders may be asked to vote on a proposal to adjourn the SSE special meeting in order to permit the further solicitation of proxies. No notice of an adjourned meeting need be given unless the date, time and place of the resumption of the meeting are not announced at the adjourned meeting, the adjournment is for more than 30 days, or, if after the adjournment, a new record date is fixed for the adjourned meeting, in which cases a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

Reasons for the Merger; Recommendation of the SSE Board of Directors (see page 95)

The SSE board of directors unanimously approved the merger agreement, the merger and the other transactions contemplated by the merger agreement, and declared the merger agreement, the merger and the other transactions contemplated by the merger agreement to be advisable and fair to and in the best interests of SSE stockholders. **The SSE board of directors unanimously recommends that SSE stockholders vote FOR the proposal to adopt the merger agreement, FOR the proposal to approve, on an advisory (non-binding) basis, the compensation that may be paid or become payable to SSE's named executive officers in connection with the merger and FOR the proposal to approve the adjournment of the SSE special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies in the event there are not sufficient votes at the time of the special meeting to adopt the merger agreement.** For more information regarding the factors considered by the SSE board of directors in reaching its decision to recommend the approval of the merger agreement, see the section titled "The Merger - SSE's Reasons for the Merger; Recommendation of the SSE Board of Directors."

Opinion of SSE's Financial Advisor (see page 98)

SSE retained Morgan Stanley & Co. LLC, which we refer to in this joint proxy statement/prospectus as "Morgan Stanley," in connection with the merger. On December 12, 2016, Morgan Stanley rendered to the SSE board of directors its oral opinion, subsequently confirmed in writing on December 12, 2016, that, as of such date and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations on the scope of the review undertaken by Morgan Stanley as set forth in its written opinion, the consideration to be received by SSE stockholders pursuant to the merger agreement was fair, from a financial point of view, to the holders of SSE common stock. The full text of Morgan Stanley's written opinion dated as of December 12, 2016, to the SSE board of directors, which sets forth, among other things, the assumptions made, procedures followed, matters considered and qualifications and limitations on the scope of review undertaken by Morgan Stanley in rendering its opinion, is attached as Annex D to, and is incorporated by reference into, this joint proxy statement/prospectus. The summary of the opinion of Morgan Stanley in this joint proxy statement/prospectus is qualified in its entirety by reference to the full text of the opinion. We encourage you to read Morgan Stanley's opinion and the summary of Morgan Stanley's opinion below carefully and in their entirety.

Morgan Stanley's opinion was rendered for the benefit of the SSE board of directors, in its capacity as such, and addressed only the fairness, from a financial point of view, of the consideration to be received by SSE stockholders pursuant to the merger agreement to the holders of SSE common stock as of the date of

Table of Contents

the opinion. Morgan Stanley's opinion does not address any of the relative merits of the transactions contemplated by the merger agreement as compared to other business or financial strategies that might be available to SSE, nor does it address the underlying business decision of SSE to enter into the merger agreement or proceed with any other transaction contemplated by the merger agreement. In addition, Morgan Stanley's opinion does not in any manner address the prices at which Patterson-UTI common stock will trade following the consummation of the merger or at any time. The opinion was addressed to, and rendered for the benefit of, the SSE board of directors and was not intended to, and does not, constitute advice or a recommendation to any holder of SSE common stock as to how to vote or act on any matter with respect to the merger.

For a more complete discussion of Morgan Stanley's opinion, see "The Merger" Opinion of SSE's Financial Advisor beginning on page 98.

The Merger

A copy of the merger agreement is attached as Annex A to this joint proxy statement/prospectus. Patterson-UTI and SSE encourage you to read the entire merger agreement carefully because it is the principal document governing the merger. For more information on the merger agreement, see the section titled "The Merger Agreement" beginning on page 125.

Form of the Merger (see page 125)

Subject to the terms and conditions of the merger agreement, at the effective time, Merger Sub, a wholly owned subsidiary of Patterson-UTI that was formed for the sole purpose of effecting the merger, will merge with and into SSE. SSE will survive the merger and become a wholly owned subsidiary of Patterson-UTI.

Merger Consideration (see page 125)

Each issued and outstanding share of SSE common stock, other than shares owned by SSE and its wholly owned subsidiaries, shares owned by Patterson-UTI or Merger Sub and shares for which appraisal rights held by SSE stockholders have been perfected in compliance with Section 262 of the DGCL, will be converted into the right to receive a number of shares of Patterson-UTI common stock equal to the exchange ratio. The exchange ratio will be equal to 49,559,000 shares of Patterson-UTI common stock, divided by the total number of shares of SSE common stock outstanding or deemed outstanding immediately prior to the effective time (which includes (i) shares of SSE common stock outstanding as a result of the exercise of warrants to acquire SSE common stock, (ii) shares of SSE common stock deemed outstanding as a result of the vesting of SSE restricted stock unit awards that existed prior to the execution of the merger agreement, (iii) any shares of SSE common stock subject to perfected appraisal rights, (iv) shares of SSE common stock that underlie restricted stock unit awards that SSE issues on or after the execution of the merger agreement and (v) 50% of any shares of SSE common stock that have been tendered to SSE on or after August 1, 2016 for the purposes of satisfying tax withholding obligations upon the vesting of SSE restricted stock unit awards); *provided that*, in the event that any Series A warrants to acquire shares of SSE common stock are forfeited or net settled, such 49,559,000 shares of Patterson-UTI common stock will be reduced by a number equal to (i) the aggregate exercise price for the warrants that are forfeited or net settled, divided by (ii) the volume weighted average price of a share of Patterson-UTI common stock for the ten consecutive trading days immediately preceding the third business day prior to the closing. In no event will Patterson-UTI issue more than 49,559,000 shares of its common stock as merger consideration. Annex B of this joint proxy statement/prospectus sets forth illustrative calculations of the exchange ratio.

In addition, Patterson-UTI will not issue fractional shares of SSE common stock pursuant to the merger agreement. Instead, each SSE stockholder who otherwise would have been entitled to receive a fraction of a share

Table of Contents

of Patterson-UTI common stock will receive cash (without interest) in lieu thereof, upon surrender of his or her shares of SSE common stock. The exchange agent will aggregate and sell all fractional shares issuable as part of the merger consideration at the prevailing price on the NASDAQ. An SSE stockholder who would otherwise have received a fraction of a share of Patterson-UTI common stock will receive an amount of cash generated from such sales attributable to the stockholder's proportionate interest in the net proceeds of such sales, less expenses and without interest.

The exchange ratio will not be adjusted for changes in the market value of the common stock of SSE or Patterson-UTI. As a result, the implied value of the consideration to SSE stockholders will fluctuate between the date of this joint proxy statement/prospectus and the effective time. Based on the closing price of Patterson-UTI common stock on the NASDAQ on December 12, 2016, the last trading day before public announcement of the merger, the aggregate transaction value of the merger consideration payable to SSE stockholders was approximately \$1.42 billion, assuming the issuance of 49,559,000 shares of Patterson-UTI common stock.

Treatment of SSE Incentive Plan Restricted Stock Unit Awards (see page 114)

Each SSE restricted stock unit award granted prior to December 12, 2016 that is outstanding as of immediately prior to the effective time will immediately vest, and any forfeiture restrictions applicable to all such awards will immediately lapse. Such restricted stock unit awards will be deemed settled, and shares of SSE common stock subject to such awards will be treated as shares of SSE common stock and receive the merger consideration. In addition, at the effective time, each SSE restricted stock unit award granted on or following December 12, 2016 will be assumed by Patterson-UTI and converted into a restricted stock unit award, with the same terms and conditions as in effect immediately prior to the effective time, covering a number of shares of Patterson-UTI common stock equal to (i) the number of shares of SSE common stock subject to the award immediately prior to the effective time, multiplied by (ii) the exchange ratio (discussed above), rounded to the nearest whole share.

Expected Timing of the Merger

Patterson-UTI and SSE currently expect the closing of the merger to occur late in the first quarter or early in the second quarter of 2017. However, the merger is subject to the satisfaction or waiver of conditions as described in the merger agreement, and it is possible that factors outside the control of Patterson-UTI and SSE could result in the merger being completed at an earlier time, a later time or not at all.

Conditions to Completion of the Merger (see page 142)

The respective obligations of Patterson-UTI, SSE and Merger Sub to effect the merger and otherwise consummate the transactions contemplated by the merger agreement are subject to the satisfaction or waiver of the following conditions at or before the closing date:

effectiveness of the registration statement on Form S-4 of which this joint proxy statement/prospectus forms a part and the absence of a stop order suspending the effectiveness of such registration statement on Form S-4 or proceedings initiated or threatened by the SEC for that purpose;

adoption of the merger agreement by the affirmative vote of holders of a majority of the outstanding shares of SSE common stock entitled to vote thereon;

approval of the issuance of Patterson-UTI common stock pursuant to the merger agreement by the affirmative vote of holders of a majority of the shares present in person or represented by proxy and entitled to vote thereon;

authorization for the listing on the NASDAQ of the shares of Patterson-UTI common stock to be issued in connection with the merger, subject to official notice of issuance;

expiration or termination of any waiting periods applicable to the consummation of the merger and the other transactions contemplated by the merger agreement under the HSR Act (on January 13, 2017, Patterson-UTI and SSE were notified by U.S. antitrust authorities that the early termination of the waiting period under the HSR Act had been granted); and

absence of any laws, temporary restraining orders, preliminary or permanent injunctions or other orders that have the effect of making the merger illegal or otherwise prohibiting completion of the merger.

In addition, Patterson-UTI's and Merger Sub's obligations to effect the merger are subject to the satisfaction or waiver of the following additional conditions:

each of the representations and warranties of SSE set forth in the merger agreement being true and correct as of the date of the merger agreement and as of the closing date as though made on the closing date, unless otherwise specified and subject to certain materiality thresholds;

performance of, or compliance with, in all material respects, all covenants and obligations required to be performed or complied with by SSE under the merger agreement on or prior to the closing date;

receipt of a certificate executed by the chief executive officer and chief financial officer of SSE, dated as of the closing date, confirming the satisfaction of the conditions described in the preceding two bullet points;

receipt by Patterson-UTI of a tax opinion from its counsel, dated as of the closing date, that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Code;

SSE or any of its subsidiaries not incurring one or more material losses the value of which exceed, or would reasonably be expected to exceed, individually or in the aggregate, \$100 million during the pre-closing period; and

net debt of SSE and its subsidiaries not exceeding \$500 million and SSE furnishing to Patterson-UTI and Merger Sub a certificate executed by the chief executive officer and chief financial officer of SSE, dated as of the closing date, confirming that the net debt of SSE and its subsidiaries as of the closing date does not exceed \$500 million and setting forth SSE's calculation of the net debt of SSE and its subsidiaries.

In addition, SSE's obligations to effect the merger is subject to the satisfaction or waiver of the following additional conditions:

each of the representations and warranties of Patterson-UTI set forth in the merger agreement being true and correct as of the date of the merger agreement and as of the closing date as though made on the closing date, unless otherwise specified and subject to certain materiality thresholds;

performance of, or compliance with, in all material respects, all covenants and obligations required to be performed or complied with by Patterson-UTI under the merger agreement on or prior to the closing date;

receipt by SSE of a certificate executed by the chief executive officer and chief financial officer of Patterson-UTI, dated as of the closing date, confirming the satisfaction of the conditions described in the preceding two bullet points;

receipt by SSE of a tax opinion from its special counsel, dated as of the closing date, that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Code;

Patterson-UTI or any of its subsidiaries not incurring one or more material losses the value of which exceed, or would reasonably be expected to exceed, individually or in the aggregate, \$300 million during the pre-closing period; and

the net debt of Patterson-UTI and its subsidiaries not exceeding \$725 million plus any indebtedness incurred to refinance SSE's existing indebtedness or pay transaction costs, and Patterson-UTI furnishing to SSE a certificate executed by the chief executive officer and chief financial officer of Patterson-UTI, dated as of the closing date, confirming that the net debt of Patterson-UTI and its subsidiaries as of the closing date does not exceed \$725 million plus any indebtedness incurred to refinance SSE's existing indebtedness or pay transaction costs.

Debt Financing (see page 134)

In connection with the merger, Patterson-UTI entered into a financing commitment letter with Canyon Capital Advisors LLC for a senior unsecured bridge facility in an aggregate principal amount not to exceed \$150 million for the purposes of repaying or redeeming certain of SSE and its subsidiaries' indebtedness and to pay related fees and expenses. Any undrawn commitments under the bridge facility will automatically terminate on the closing date. Patterson-UTI may issue debt securities or equity, incur bank loans or consummate other financings or use cash on hand in lieu of drawing all or a portion of the bridge loan committed to be funded under the bridge facility.

No Solicitation of Competing Proposals (see page 135)

The merger agreement generally precludes SSE from, directly or indirectly, (i) soliciting, initiating, facilitating, knowingly encouraging or inducing or taking any action that could be reasonably expected to lead to the making, submission or announcement of a proposal competing with the transactions contemplated by the merger agreement, (ii) furnishing any nonpublic information regarding SSE or its subsidiaries to any third party in connection with or in response to a proposal competing with the transactions contemplated by the merger agreement, (iii) engaging in discussions or negotiations with any third party with respect to a proposal competing with the transactions contemplated by the merger agreement, (iv) approving, endorsing, or recommending a proposal competing with the transactions contemplated by the merger agreement or (v) entering into any agreement contemplating or otherwise relating to a proposal competing with the transactions contemplated by the merger agreement. However, if SSE receives a proposal meeting certain requirements from a third party, and the SSE board of directors determines in good faith, after consultation with its outside legal counsel and its outside financial advisor, that such competing proposal is or is reasonably likely to result in a superior proposal, and that the failure to take such action would be inconsistent with its fiduciary duties under applicable legal requirements, SSE may furnish non-public information to, and engage in discussions or negotiations with, that third party regarding such competing proposal. See the section titled "The Merger Agreement - No Solicitation of Competing Proposals."

non-public information to, and engage in discussions or negotiations with, that third party regarding such competing proposal. See the section titled *The Merger Agreement No Solicitation of Competing Proposals*.

Changes in Board Recommendations (see page 138)

The merger agreement generally provides that, subject to the exceptions described below, SSE may not change its recommendation that SSE stockholders adopt the merger agreement, and Patterson-UTI may not change its recommendation that Patterson-UTI stockholders approve the issuance of Patterson-UTI common stock in the merger.

However, notwithstanding the foregoing, the merger agreement provides that, prior to obtaining SSE stockholder approval of the merger and in response to a bona fide competing proposal that did not result from a material breach of the non-solicitation covenants and certain related covenants, SSE may effect a change of recommendation after satisfaction of certain conditions set forth under *The Merger Agreement Changes in Board Recommendations*. In addition, the merger agreement provides that, prior to obtaining SSE stockholder approval of the merger and in response to an intervening event with respect to SSE, SSE may effect a change of recommendation after satisfaction of certain conditions set forth under *The Merger Agreement Changes in Board Recommendations*.

The merger agreement also provides that, prior to obtaining Patterson-UTI stockholder approval of the proposed issuance of Patterson-UTI common stock in the merger and in response to a bona fide competing proposal that did not result from a material breach of the non-solicitation covenants and certain related covenants or an intervening event with respect to Patterson-UTI, the Patterson-UTI board of directors or any committee thereof may effect a change of recommendation after satisfaction of certain conditions set forth under *The Merger Agreement Changes in Board Recommendations*.

Termination of the Merger Agreement (see page 144)

The merger agreement may be terminated prior to the effective time under the following circumstances:

by mutual written consent of Patterson-UTI and SSE;

by either Patterson-UTI or SSE:

if the merger is not consummated by on or before 5:00 p.m. Central Time on June 30, 2017 (or August 31, 2017 in the event such date is extended as provided for in the merger agreement), unless the failure to close by that date is due to the failure of the terminating party to perform any of its material covenants or agreements under the merger agreement;

if any governmental entity issues a final and nonappealable order, or takes any other action, permanently restraining, enjoining or otherwise prohibiting the consummation of the merger or a legal requirement is in place which permanently makes the completion of the merger illegal or otherwise prohibits the consummation of the merger;

if the SSE stockholders fail to adopt the merger agreement at the SSE special meeting; or

if the Patterson-UTI stockholders fail to approve the issuance of Patterson-UTI common stock in the merger at the Patterson-UTI special meeting;

by Patterson-UTI:

prior to obtaining approval of the SSE stockholders, if (i) the SSE board of directors makes a change of recommendation, (ii) SSE fails to include the SSE board recommendation in this joint proxy statement/prospectus or (iii) SSE, its subsidiaries, any SSE directors or officers, any stockholders party to the voting agreements or any designated representative of SSE materially violates or breaches the non-solicitation covenants of the merger agreement;

Table of Contents

if (i) SSE's representations and warranties were inaccurate as of the date of the merger agreement such that the condition regarding the accuracy of SSE's representations in the merger agreement would not be satisfied, (ii) SSE's representations and warranties become inaccurate as of a date subsequent to the date of the merger agreement, such that the condition regarding the accuracy of SSE's representations in the merger agreement would not be satisfied, or (iii) SSE breaches any of its covenants, such that the condition regarding SSE's covenants in the merger agreement would not be satisfied;

by SSE:

prior to obtaining approval of the Patterson-UTI stockholders, if (i) the Patterson-UTI board of directors makes a change of recommendation, (ii) Patterson-UTI fails to include the Patterson-UTI board recommendation in this joint proxy statement/prospectus or (iii) Patterson-UTI, its subsidiaries, any Patterson-UTI directors or officers or any designated representative of Patterson-UTI materially violates or breaches the non-solicitation or stockholder meeting covenants of the merger agreement;

if (i) Patterson-UTI's representations and warranties were inaccurate as of the date of the merger agreement such that the condition regarding the accuracy of Patterson-UTI's representations in the merger agreement would not be satisfied, (ii) Patterson-UTI's representations and warranties become inaccurate as of a date subsequent to the date of the merger agreement, such that the condition regarding the accuracy of Patterson-UTI's representations in the merger agreement would not be satisfied, or (iii) Patterson-UTI breaches any of its covenants, such that the condition regarding Patterson-UTI's covenants in the merger agreement would not be satisfied.

Termination Fees and Expenses (see page 146)

Generally, all fees and expenses incurred in connection with the merger agreement and the transactions contemplated by the merger agreement will be paid by the party incurring those expenses, subject to the specific exceptions discussed in this joint proxy statement/prospectus. In certain circumstances, SSE or Patterson-UTI may be required to pay up to \$7,500,000 of the other party's expenses, SSE may be required to pay Patterson-UTI a termination fee of \$40,000,000, or Patterson-UTI may be required to pay SSE a termination fee of either \$40,000,000 or \$100,000,000. See the section titled "The Merger Agreement Termination Fees and Expenses" beginning on page 146 for a discussion of the circumstances under which such termination fee will be required to be paid.

Comparison of Stockholder Rights and Corporate Governance Matters (see page 168)

The governing corporate documents of SSE differ from the governing corporate documents of Patterson-UTI. As a result, SSE stockholders that receive Patterson-UTI common stock as merger consideration will have different rights once they become stockholders of Patterson-UTI. These differences are described in detail under the section titled "Comparison of Rights of Patterson-UTI Stockholders and SSE Stockholders."

Listing of Patterson-UTI Common Stock; Halting of Trading of SSE Common Stock (see page 121)

It is a condition to the completion of the merger that the shares of Patterson-UTI common stock to be issued to SSE stockholders be authorized for listing on the NASDAQ at the effective time, subject to official notice of issuance. Upon completion of the merger, shares of SSE common stock will cease to be traded on the OTC Grey.

Interests of SSE Directors and Executive Officers in the Merger (see page 113)

SSE's directors and executive officers have interests in the merger that may be different from, or in addition to, the interests of the SSE stockholders generally. The members of the SSE board of directors were aware of and

Table of Contents

considered these interests, among other matters, in evaluating and negotiating the merger agreement and the merger, and in recommending that SSE stockholders adopt the merger agreement.

These interests include, among others:

Each SSE executive officer is a party to an employment agreement with SSE that would provide that executive with potential compensation and benefits in the event that the executive is involuntarily terminated in connection with the merger.

SSE's directors and executive officers hold equity compensation plan awards under the Seventy Seven Energy Inc. 2016 Omnibus Incentive Plan (the SSE Incentive Plan), the vesting of which will be accelerated as a result of the merger, in accordance with the terms of those awards and the merger agreement.

SSE's directors and executive officers are entitled to continued indemnification and insurance coverage under the merger agreement, as more fully described in The Merger Agreement Indemnification and Insurance beginning on page 142.

In addition, the SSE board of directors has adopted a resolution providing that the disposition of SSE shares by SSE's officers and directors in exchange for Patterson-UTI shares in the merger is intended to be exempt from liability pursuant to Section 16(b) of the Exchange Act.

Regulatory Clearances Required to Complete the Transactions (see page 118)

Consummation of the merger is subject to the expiration or termination of any applicable waiting period under the HSR Act. On January 3, 2017, Patterson-UTI and SSE filed Notification and Report Forms with the Antitrust Division of the Department of Justice and the Federal Trade Commission, which is referred to as the FTC. On January 13, 2017, Patterson-UTI and SSE were notified by the FTC that the early termination of the waiting period under the HSR Act had been granted. See The Merger Regulatory Clearances Required for the Merger.

Board of Directors and Executive Management Following the Merger (see page 118)

Following the completion of the merger, it is anticipated that the Patterson-UTI board of directors will have seven members, consisting of the seven individuals currently serving on the Patterson-UTI board of directors as of the date of this joint proxy statement/prospectus.

Following the completion of the merger, it is anticipated that each of the Patterson-UTI executive officers will continue to serve in their current positions and under the same compensation plans and arrangements that were in place prior to the merger.

Appraisal Rights (see page 121)

The holders of Patterson-UTI common stock are not entitled to appraisal rights in connection with the merger under Delaware law.

The holders of SSE common stock are entitled to appraisal rights in connection with the merger under Delaware law. SSE common stock held by stockholders that do not vote for approval of the merger and make a demand for appraisal in accordance with Delaware law will not be converted into Patterson-UTI common stock, but will be converted into the right to receive from the combined company consideration determined in accordance with Delaware law.

Table of Contents

Exchange of Shares in the Merger (see page 126)

On or prior to the effective time, Patterson-UTI will enter into an agreement with a bank or trust company reasonably acceptable to SSE to act as agent for the holders of SSE common stock in connection with the merger and to receive the merger consideration and cash sufficient to pay cash (without interest) in lieu of fractional shares to which holders of fractional shares may become entitled. At the effective time, each share of SSE common stock outstanding immediately prior to the effective time, other than shares owned by SSE and its wholly owned subsidiaries, shares owned by Patterson-UTI or Merger Sub and shares for which appraisal rights held by SSE stockholders have been perfected, will be converted into the right to receive a number of shares of Patterson-UTI common stock equal to the exchange ratio (as defined above).

Promptly after the effective time, but in no event later than three business days after the closing date, Patterson-UTI will cause the exchange agent to mail to each holder of SSE common stock a letter of transmittal specifying, among other things, that delivery will be effected, and risk of loss and title to any certificates shall pass, only upon proper delivery of such certificates to the exchange agent, or in the case of book entry shares, upon adherence to the procedures set forth in the letter of transmittal and instructions explaining the procedure for surrendering SSE stock certificates in exchange for shares of Patterson-UTI common stock or, in the case of book entry shares, the surrender of such shares for payment of the merger consideration.

After the effective time, shares of SSE common stock, including shares for which appraisal rights held by SSE stockholders have been perfected, will no longer be outstanding. At the effective time, all such shares will be automatically canceled and will cease to exist, and each certificate or book entry share, if any, that previously represented shares of SSE common stock (other than shares for which appraisal rights have been perfected) will represent only the right to receive the merger consideration as described above, any cash (without interest) in lieu of fractional shares of Patterson-UTI common stock and any dividends or other distributions to which the holders of the certificates become entitled upon surrender of such certificates or book entry shares. Any shares of SSE common stock for which appraisal rights have been perfected will represent the right to payment of the fair value of such shares in accordance with the provisions of Section 262 of the DGCL. With respect to those shares of Patterson-UTI common stock deliverable upon the surrender of SSE stock certificates or book entry shares, until holders of such SSE stock certificates or book entry shares have surrendered those stock certificates or book entry shares to the exchange agent, those holders will not receive dividends or distributions declared or made with respect to such shares of Patterson-UTI common stock with a record date after the effective time.

SSE stockholders will not receive any fractional shares of Patterson-UTI common stock pursuant to the merger. Instead of any fractional shares, SSE stockholders will be paid an amount in cash (without interest) for such fraction of a share. The exchange agent will aggregate and sell all fractional shares issuable as part of the merger consideration at the prevailing price on the NASDAQ. An SSE stockholder who would otherwise have received a fraction of a share of Patterson-UTI common stock will receive an amount of cash generated from such sales attributable to the stockholder's proportionate interest in the net proceeds of such sales, less expenses and without interest.

Patterson-UTI stockholders need not take any action with respect to their stock certificates.

Anticipated Accounting Treatment (see page 156)

Patterson-UTI prepares its financial statements in accordance with U.S. Generally Accepted Accounting Principles (GAAP). The merger will be accounted for using the acquisition method of accounting with Patterson-UTI being considered the acquirer of SSE for accounting purposes. This means that Patterson-UTI will allocate the purchase price to the fair value of SSE's tangible and intangible assets and liabilities at the acquisition date, with the excess

purchase price being recorded as goodwill. Under the acquisition method of accounting, goodwill is not amortized but is tested for impairment at least annually.

Table of Contents

Material U.S. Federal Income Tax Consequences (see page 153)

The merger is intended to qualify as a reorganization within the meaning of Section 368(a) of the Code. It is a condition to Patterson-UTI's obligation to complete the merger that Patterson-UTI receive an opinion of Vinson & Elkins LLP, counsel to Patterson-UTI, to the effect that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Code, and it is a condition to SSE's obligation to complete the merger that SSE receive an opinion of Wachtell, Lipton, Rosen & Katz, special counsel to SSE, to the effect that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. If the merger so qualifies, a U.S. holder (as defined under Material U.S. Federal Income Tax Consequences) of SSE common stock generally will not recognize any gain or loss for U.S. federal income tax purposes upon the exchange of shares of SSE common stock for shares of Patterson-UTI common stock pursuant to the merger, except with respect to cash received in lieu of fractional shares of Patterson-UTI common stock. For further information, see Material U.S. Federal Income Tax Consequences beginning on page 153.

Your tax consequences will depend on your individual situation. Accordingly, please consult your own tax advisor for a full understanding of the particular tax consequences of the merger to you.

Risk Factors (see page 35)

In evaluating the merger, in addition to the other information contained in this joint proxy statement/prospectus, you should carefully consider the risk factors relating to the merger and each of Patterson-UTI and SSE beginning on page 35.

Summary Selected Consolidated Historical Financial Data of SSE

The following table sets forth SSE's selected consolidated historical financial information that has been derived from the consolidated financial statements of SSE and its predecessor, Chesapeake Oilfield Operating, L.L.C. (COO), as of and for the years ended December 31, 2016, 2015, 2014, 2013 and 2012. This consolidated financial data does not include the effects of the merger. You should read this financial information in conjunction with Management's Discussion and Analysis of Financial Condition and Results of Operations and the consolidated financial statements and notes thereto included in this joint proxy statement/prospectus under Information about SSE beginning on page 182. The selected statement of operations data and cash flow data for the years ended December 31, 2013 and 2012 and selected balance sheet data as of December 31, 2014, 2013 and 2012 have been derived from SSE's audited consolidated financial statements for such years, which are not included in this joint proxy statement/prospectus. See Where You Can Find More Information beginning on page 233.

The historical combined financial statements of COO for periods and as of dates prior to its formation on October 25, 2011 were prepared on a carve-out basis from CHK and are intended to represent the financial results of CHK's oilfield services operations, which is COO's accounting predecessor, for the periods presented. The selected historical financial data is not necessarily indicative of results to be expected in future periods and does not necessarily reflect what SSE's financial position and results of operations would have been had SSE operated as an independent public company during periods prior to its spin-off from CHK.

On June 7, 2016 (the Petition Date), SSE and its subsidiaries (collectively the Debtors) filed voluntary petitions for relief (the Bankruptcy Petitions) under Chapter 11 of the United States Code (Chapter 11 or the Bankruptcy Code) in the United States Bankruptcy Court for the District of Delaware (the Bankruptcy Court), case number 16-11409. The Debtors continued to operate their business as debtors-in-possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and the orders of the Bankruptcy Court. The subsidiary Debtors in these Chapter 11 cases were Seventy Seven Operating LLC, Seventy Seven Land Company LLC, Seventy Seven Finance Inc., Performance Technologies, L.L.C., PTL Prop Solutions, L.L.C., Western Wisconsin Sand Company, LLC, Nomac Drilling, L.L.C., SSE Leasing LLC, Keystone Rock & Excavation, L.L.C. and Great Plains Oilfield Rental, L.L.C., which represent all subsidiaries of SSE. On July 14, 2016, the Bankruptcy

Court issued an order (the Confirmation

Table of Contents

Order) confirming the Joint Pre-packaged Plan of Reorganization (referred to, as amended and supplemented, as the Plan) of the Debtors. On August 1, 2016 (the Reorganization Effective Date), the Plan became effective pursuant to its terms and the Debtors emerged from their Chapter 11 cases.

Upon emergence from bankruptcy, SSE adopted fresh-start accounting and became a new entity for financial reporting purposes. As a result of the application of fresh-start accounting and the effects of the implementation of the Plan, SSE's condensed consolidated financial statements on or after August 1, 2016 are not comparable with the financial statements prior to the Reorganization Effective Date. Subsequent to the Petition Date, all expenses, gains and losses directly associated with the reorganization are reported as Reorganization items, net in the accompanying statements of operations. References to Successor or Successor Company relate to SSE on and subsequent to August 1, 2016. References to Predecessor or Predecessor Company relate to SSE prior to August 1, 2016. All significant intercompany accounts and transactions within SSE have been eliminated. See Unaudited Pro Forma Condensed Combined Financial Statements beginning on page 157. In addition, for more information with respect to the implementation of the Plan and subsequent emergence from Chapter 11 bankruptcy, see SSE's Current Report on Form 8-K filed on July 20, 2016 and SSE's Current Report on Form 8-K filed on August 4, 2016.
