THE COMPANY

We are a diversified, community-based financial services company organized under the laws of the State of Delaware and registered as a financial holding company and a bank holding company under the Bank Holding Company Act of 1956, as amended. Founded in 1852 and headquartered in San Francisco, we provide banking, insurance, investments, mortgage, and consumer and commercial finance through banking locations, ATMs, the internet and mobile banking, and we have international offices to support our customers who conduct business in the global economy.

We are a separate and distinct legal entity from our banking and other subsidiaries. A significant source of funds to pay dividends on our common and preferred stock and debt service on our debt is dividends from our subsidiaries. Various federal and state statutes and regulations limit the amount of dividends that our banking and other subsidiaries may pay to us without regulatory approval.

USE OF PROCEEDS

Unless the applicable prospectus supplement states otherwise, the net proceeds from the sale of the offered securities will be added to our general funds and will be available for general corporate purposes, including, but not limited to, the following:

investments in or advances to our existing or future subsidiaries;

repayment of obligations that have matured; and

reducing our outstanding commercial paper and other debt.

Until the net proceeds have been used, they will be invested in short-term securities.

RATIOS OF EARNINGS TO FIXED CHARGES

	Fiscal Year Ended December 31,					Quarter Ended September 30,	
	2016	2015	2014	2013	2012	2017	2016
Ratio of Earnings to Fixed Charges:							
Excluding interest on deposits	7.49	10.74	11.05	10.68	8.40	4.75	7.42
Including interest on deposits	6.06	8.60	8.56	7.91	6.08	3.53	6.03

The ratio of earnings to fixed charges is calculated as follows:
(income before income tax expense)

$$\frac{\text{(net income from noncontrolling interests) + (fixed charges)}}{\text{(fixed charges)}}$$

Fixed charges, excluding interest on deposits, consist of

interest on short-term borrowings and long-term debt;
amortization of debt expense;
capitalized interest; and
one-third of net rental expense, which we believe is representative of the interest factor.

Fixed charges, including interest on deposits, consist of all of the items listed immediately above plus interest on deposits.

We have included these ratios to comply with SEC regulations. However, we believe that the fixed charge ratios are not meaningful measures for our business due to two factors. First, even if our net income did not change, our ratios would decline if the proportion of our income that is tax-exempt increased. Conversely, our ratios would increase if the proportion of our income that is tax-exempt decreased. Second, even if our net income did not change, our ratios would decline if our interest income and interest expense increased by the same amount due to an increase in the level of interest rates. Conversely, our ratios would increase if our interest income and interest expense decreased by the same amount due to a decrease in the level of interest rates.

RISK FACTORS

Your investment in our securities involves risks. Before purchasing any securities, you should carefully consider the risk factors incorporated by reference in this prospectus, including the risk factors contained in our annual and quarterly reports. **Additional risk factors specific to particular securities will be detailed in one or more supplements to this prospectus.** You should consult your financial, legal, tax and other professional advisors as to the risks associated with an investment in our securities and the suitability of the investment for you.

LEGAL OPINIONS

Faegre Baker Daniels LLP will issue an opinion about the legality of the debt securities offered by this prospectus. Mary E. Schaffner, who is our Senior Company Counsel, or another of our lawyers, will issue an opinion to the underwriters or agents on certain matters related to the debt securities. Ms. Schaffner owns, or has the right to acquire, a number of shares of our common stock which represents less than 0.1% of the total outstanding common stock. Unless otherwise provided in the applicable prospectus supplement, certain legal matters will be passed upon for any underwriters or agents by Davis Polk & Wardwell LLP. Davis Polk & Wardwell LLP represents us and certain of our subsidiaries in other legal matters. Ms. Schaffner may rely on Davis Polk & Wardwell LLP as to matters of New York law. The opinions of Faegre Baker Daniels LLP, Ms. Schaffner and Davis Polk & Wardwell LLP will be conditioned upon, and subject to certain assumptions regarding, future action that we and the trustee are required to take in connection with the issuance and sale of any particular debt security, the specific terms of the debt securities and other matters which may affect the validity of the debt securities but which cannot be ascertained on the date of such opinions.

Article Fourteenth of the restated certificate of incorporation of Wells Fargo & Company (Wells Fargo), as amended, provides for broad indemnification of directors and officers. Wells Fargo also maintains insurance coverage relating to certain liabilities of directors and officers.

Pursuant to the terms of forms of underwriting or distribution agreements filed or to be filed in connection with this Registration Statement, the directors and officers of the Registrant will be indemnified against certain civil liabilities that they may incur under the Securities Act of 1933, as amended, in connection with this Registration Statement and the related prospectus and applicable prospectus supplement.

ITEM 16. EXHIBITS

The exhibits to this Registration Statement are listed on the Exhibit Index to this Registration Statement, which Exhibit Index is hereby incorporated herein by reference.

ITEM 17. UNDERTAKINGS

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

II-1

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the Registration Statement as of the date the filed prospectus was deemed part of and included in the Registration Statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a Registration Statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the Registration Statement relating to the securities in the Registration Statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a Registration Statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
