**Item 2.02. Results of Operations and Financial Condition.**

On December 18, 2017, the San Juan Basin Royalty Trust (the "Trust") issued a press release, a copy of which is attached hereto as Exhibit 99.1, announcing a monthly cash distribution to the holders of its units of beneficial interest of \$3,415,851.12 or \$0.073288 per unit, based principally upon estimated production during the month of October 2017, as further described below. The distribution is payable January 16, 2018, to unit holders of record as of December 29, 2017.

The sale of San Juan Basin assets, including the oil and gas interests from which the Trust's royalty interest was carved ("Subject Interests"), from Burlington Resources Oil & Gas Company LP ("Burlington") to Hilcorp San Juan L.P. ("Hilcorp") closed on July 31, 2017. Due to the transition from Burlington, Hilcorp informed the Trust that Hilcorp does not yet have all of the revenue decks for October 2017 installed, and therefore does not have the appropriate detail to provide actual revenue numbers for the December 2017 distribution. Therefore, Hilcorp estimated the December 2017 revenue distribution based on the revenue distribution detail for the July 2017 production month previously provided by Burlington and rounded to the nearest thousand.

The December 2017 declaration of cash distribution includes an additional \$1.0 million in estimated gross revenue based on Hilcorp's knowledge that production volumes in October 2017 were in line with production volumes during the month of September 2017.

In accordance with general instruction B.2 to Form 8-K, the information in this Form 8-K shall be deemed furnished and not filed with the Securities and Exchange Commission for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise, subject to the liabilities of that section.
