Pursuant to the Second Amendment, the Borrowers borrowed an additional \$100 million (the Incremental Loan) from the Lenders. After giving effect to the Incremental Loan, the aggregate principal amount outstanding under the Loan Agreement was \$621.9 million. Mr. Edward S. Lampert, the Company's Chief Executive Officer and Chairman, is the sole stockholder, chief executive officer and director of ESL Investments, Inc., which controls JPP, LLC and JPP II, LLC. The Incremental Loan matures on July 20, 2020. The Company expects to use the proceeds of the Incremental Loan for general corporate purposes.

The Incremental Loan will have an annual interest rate of LIBOR plus 9.00%, with accrued interest payable monthly. In addition to the Incremental Loan, as of March 5, 2018, under the Loan Agreement there were \$379.2 million aggregate principal amount of outstanding loans maturing July 20, 2020, for which the interest rate was increased to LIBOR plus 9.00% in connection with the Second Amendment, as well as \$142.7 million aggregate principal amount of outstanding loans maturing April 23, 2018 (subject to extension to July 6, 2018), for which the interest rate remains 11.0%. As with the existing loans under the Loan Agreement, the Incremental Loan is guaranteed by the Company and is currently secured by a first priority lien on certain real properties owned by the Borrowers. No upfront or funding fees will be paid in connection with the Incremental Loan.

The Loan Agreement includes certain representations and warranties, indemnities and covenants, including with respect to the condition and maintenance of the real property collateral. The Loan Agreement has certain events of default, including (subject to certain materiality thresholds and grace periods) payment default, failure to comply with covenants, material inaccuracy of representation or warranty, and bankruptcy or insolvency proceedings. If there is an event of default, the Lenders may declare all or any portion of the outstanding indebtedness to be immediately due and payable, exercise any rights they might have under the Loan Agreement and related documents (including against the collateral), and require the Borrowers to pay a default interest rate equal to the greater of (i) 2.5% in excess of the base interest rate and (ii) the prime rate plus 1%.

The foregoing description of the Second Amendment, the Incremental Loan and the Loan Agreement does not purport to be complete and is qualified in its entirety by reference to the Second Amendment, a copy of which is filed herewith as Exhibit 10.1 and is incorporated by reference herein.

The Credit Agreement has certain events of default, including (subject to certain materiality thresholds and grace periods) payment default, failure to comply with covenants, material inaccuracy of representation or warranty, and bankruptcy or insolvency proceedings. will use the proceeds of the Mezzanine Loan to make a contribution to the Company's pension plans.

The Mezzanine Loan is guaranteed by the Company and the same subsidiaries that guarantee the Secured Loan.
