**MEDIA RELEASE**

**Gold Fields Secures 95.6% of Western Areas  
Confirms Intention to Invoke 440K**

**Johannesburg, 18 January 2007.** Gold Fields Limited (Gold Fields) (NYSE, JSE, DIFX: GFI) is pleased to announce that it has received acceptances for a total of 88.5 million Western Areas shares which, combined with the 66.1 million shares already owned by Gold Fields, represents an interest of 95.6% in

Western Areas.

Gold Fields now intends to invoke Section 440K of the Companies Act which, if successfully implemented, will result in Gold Fields compulsorily acquiring all of the shares in Western Areas in respect of which the offer was not accepted.

A further announcement will be made in due course, providing greater detail and clarity on the invocation of Section 440K.

Ian Cockerill, Chief Executive of Gold Fields said: “We are delighted to have reached this significant milestone. Subject to completion of the 440k we can proceed with the full integration of the entire South Deep Gold Mine as an operating division of Gold Fields, which will result in a simplified management structure for that operation.”
