Item 2.02 Results of Operations and Financial Condition

On February 6, 2014, Tempur Sealy International, Inc. (the “Company”) issued a press release to announce its financial results for the fourth quarter and year ended December 31, 2013 and issue financial guidance for 2014. Subsequently and in preparation of the Company’s 2013 Annual Report on Form 10-K, an adjustment to previously reported income attributable to non-controlling interests was identified by Management. This adjustment has been appropriately reflected in the audited financial statements included in the 2013 Annual Report on Form 10-K, which was filed with the Securities and Exchange Commission on February 21, 2014. This adjustment does not change 2013 net sales, adjusted net income or adjusted earnings per common share from the information disclosed in the February 6, 2014 press release.

The information in this report shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liability of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Item 7.01 Regulation FD Disclosure

The information furnished under Item 2.02 of this Form 8-K is hereby incorporated by reference under this Item 7.01 as if fully set forth herein.
