To ensure that your vote is recorded properly, please vote your shares as soon as possible, even if you plan to attend the meeting in person. Each proxy executed and returned by a shareholder may be revoked at any time thereafter except as to any matter or matters upon which, prior to such revocation, a vote shall have been cast pursuant to the authority conferred by such proxy. CORPORATE GOVERNANCE

Code of Business Conduct and Ethics

The Company has a Code of Business Conduct and Ethics that is applicable to all of the Company's employees, officers and directors, including its Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer. This Code addresses a variety of issues, including conflicts of interest, the protection of confidential information, insider trading, and employment practices. It also requires strict compliance with all laws, rules and regulations governing the conduct of the Company's business.

The Code of Business Conduct and Ethics is posted in the Corporate Governance area of the Investor Relations section of the Company's website at www.invtile.com. The Company intends to disclose future substantive amendments to or waivers from the Code of Business Conduct and Ethics on its website within two business days after such amendment or waiver.

Shareholder Communications with Directors

Shareholders can communicate with members of the Company's Board of Directors in one of two ways. Shareholders may mail correspondence to the attention of the Corporate Secretary, P.O. Box 2687, Chapel Hill, North Carolina 27515-2687. Any correspondence sent via mail should clearly indicate that it is a communication intended for the Board of Directors. Shareholders may also use electronic mail to contact the Board of Directors at boardofdirectors@invtile.com. The Corporate Secretary regularly monitors this email account. Any communication that is intended for a particular Board member or committee should clearly state the intended recipient.

The Corporate Secretary will review all communications sent to the Board of Directors via mail and email and will forward all communications concerning Company or Board matters to the Board members within five business days of receipt. If a communication is directed to a particular Board member or committee, it will be passed on only to that member or the members of that committee. Otherwise, relevant communications will be forwarded to all Board members.

Independent Directors

The Board of Directors has determined that the following directors and nominees for director are independent directors within the meaning of the applicable listing standards of The NASDAQ Stock Market LLC (“NASDAQ”) and the Company’s Board of Directors Independence Standards: David L. Francis, Richard M. Hutson II, R. Horace Johnson, H. Joe King, Jr., James R. Morton, and James H. Speed, Jr. The Board of Directors Independence Standards can be found on the Company’s website at www.invttitle.com/investor-rel/corp-gov/committees.

Executive Sessions

Executive sessions that include only the independent members of the Board of Directors are held periodically.

Board of Directors and Committees

During the year ended December 31, 2010, the Board of Directors held four meetings. All incumbent directors and nominees attended 75% or more of the aggregate number of meetings of the Board of Directors and committees of the Board on which they served. The Company expects each of its directors to attend the Annual Meeting of Shareholders unless an emergency prevents them from attending. All of the Board members were present at the 2010 Annual Meeting.

The Company’s Board of Directors has a standing Audit Committee, Compensation Committee, and Nominating Committee.

The Audit Committee. In 2010 the Audit Committee was composed of Mr. Francis, Mr. Johnson and Mr. King. The Audit Committee met eleven times in 2010.

The Audit Committee is directly responsible for overseeing the Company’s accounting and financial reporting processes and appointing, retaining, compensating and overseeing the Company’s independent registered public accounting firm and reviewing the scope of the annual audit proposed by the independent registered public accounting firm. In addition, the Committee reviews and approves related party transactions and periodically consults with the independent registered public accounting firm on matters relating to internal financial controls and procedures. The Committee is responsible for establishing and administering complaint procedures related to accounting and auditing matters.

The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is posted on the Company’s website at www.invttitle.com/investor-rel/corp-gov/committees. The Committee reviews and assesses the adequacy of the charter on an annual basis.

The Board of Directors has determined that each member of the Company’s Audit Committee is “independent” as defined under applicable NASDAQ listing standards and SEC rules. The Board of Directors has also determined that all of the current Audit Committee members—Mr. Francis, Mr. Johnson and Mr. King—are “audit committee financial experts” as defined under applicable SEC rules. See “Audit Committee Report” below for the formal report of the Audit Committee for 2010.

The Compensation Committee. In 2010, the Compensation Committee was composed of Mr. Hutson, Mr. Morton and Mr. Speed. The Compensation Committee met once in 2010. The Board of Directors has determined that each member of the Compensation Committee is “independent” as defined under applicable NASDAQ listing standards.

The Compensation Committee operates under a written charter that can be found on the Company’s website at www.invttitle.com/investor-rel/corp-gov/committees. The Compensation Committee reviews and assesses the adequacy of the charter on an annual basis.

Edgar Filing: INVESTORS TITLE CO - Form DEF 14A

The Compensation Committee makes all compensation decisions for the named executive officers and approves recommendations regarding equity awards for all of the Company's elected officers. The Compensation Committee may not delegate these responsibilities. Decisions regarding non-equity compensation of all other officers and employees are made by the Company's named executive officers.

The Chief Executive Officer annually reviews the performance of each of the other named executive officers with respect to achievement of established performance standards and attainment of the Company's objectives. Based on those reviews, the Chief Executive Officer makes recommendations with respect to compensation to the Committee. The Committee then can exercise its discretion in modifying any recommended adjustments or awards to the other named executive officers based upon its evaluation of their performance as well as other aspects of our compensation philosophy.

The Committee's review of the Chief Executive Officer's compensation is subject to separate procedures. The Committee evaluates the Chief Executive Officer's performance, reviews the Committee's evaluation with him, and based on that evaluation and review, determines the amount of salary adjustment and incentive award. Consistent with the requirements of the listing standards of The NASDAQ Stock Market LLC, the Chief Executive Officer is excused from meetings of the Committee during voting deliberations regarding his compensation.

The Committee does not currently retain executive compensation consultants.

The Nominating Committee. In 2010, the Nominating Committee was composed of Mr. Hutson, Mr. King and Mr. Morton. The Nominating Committee met two times in 2010.

The Nominating Committee operates under a written charter that can be found on the Company's website at www.invtile.com/investor-rel/corp-gov/committees. The Nominating Committee reviews and assesses the adequacy of the charter on an annual basis.

The Board of Directors has determined that each member of the Company's Nominating Committee is "independent" as defined under applicable NASDAQ listing standards.

The Nominating Committee is responsible for identifying, evaluating and recommending to the Board of Directors candidates for election to the Board of Directors as well as appropriate members for the Audit and Compensation Committees. A slate of nominees for director to present to the shareholders is recommended to the Board of Directors by the Nominating Committee and determined by at least a majority vote of the members of the Board of Directors whose terms do not expire during the year in which the election of directors will occur.

The Nominating Committee considers a variety of factors before recommending a new director nominee or the continued service of existing Board members. At a minimum, the Nominating Committee believes that a director nominee must demonstrate character and integrity, have an inquiring mind, possess substantial experience at a strategy or policy setting level, demonstrate an ability to work effectively with others, possess either high-level managerial experience in a relatively complex organization or experience dealing with complex problems, have sufficient time to devote to the affairs of the Company and be free from conflicts of interest with the Company and its subsidiaries.

Other factors the Nominating Committee considers when evaluating a potential director nominee are:

1. Whether the candidate would assist in achieving a diverse mix of Board members;
2. The extent of the candidate's business experience, technical expertise, and specialized skills or experience;
3. Whether the candidate, by virtue of particular experience relevant to the Company's current or future business, will add specific value as a Board member; and
4. Any other factors related to the ability and willingness of a candidate to serve, or an incumbent director to continue his or her service to, the Company.

Edgar Filing: INVESTORS TITLE CO - Form DEF 14A

The Nominating Committee believes that a majority of the members of the Company's Board of Directors should be independent as defined under applicable NASDAQ listing standards and, as a result, it also considers whether a potential director nominee is independent under such standards. The Committee also requires that all members of the Audit Committee be financially literate pursuant to applicable NASDAQ listing standards and that at least one member of the Audit Committee be an "audit committee financial expert" as defined under SEC rules. Therefore, the Nominating Committee considers whether a potential director nominee meets these criteria when evaluating his or her qualifications. The Nominating Committee does not have a formal policy regarding diversity, but diversity is one of the various factors the Nominating Committee may consider when considering director candidates.

It is the policy of the Nominating Committee to consider all director candidates recommended by shareholders, provided that such recommendations are made in accordance with the procedures outlined below. The Nominating Committee evaluates such candidates in accordance with the same criteria it uses to evaluate all other director candidates.

Any shareholder that wishes to recommend a director candidate to be considered for the 2012 Annual Meeting of Shareholders should send his or her recommendation to the attention of the Corporate Secretary, Investors Title Company, P.O. Box 2687, Chapel Hill, North Carolina 27515-2687, no later than December 15, 2011. The candidate's name, age, business address, residential address, principal occupation, qualifications and the number of shares of Common Stock beneficially owned by the candidate must be provided with the recommendation. The shareholder must also provide a signed consent of the candidate to serve, if elected, as a director of the Company, and shall include all other information that would be required under the rules of the SEC in the proxy statement soliciting proxies for election of the director candidate.

The Company's Bylaws provide that nominations for election to the Board of Directors may be made at any annual meeting by any shareholder of record entitled to vote on such election. Such nominations must be submitted in writing to our Corporate Secretary at our principal office not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting, and in accordance with the procedures specified in our Bylaws. The Company or the presiding officer at the annual meeting of shareholders may refuse to accept the nomination of any person that is not submitted in compliance with such procedures.

Board Leadership Structure

J. Allen Fine serves as both the Chairman of the Board of Directors and the CEO of Investors Title Company, and Richard M. Hutson II serves as the Lead Independent Director.

The Board of Directors does not have a general policy regarding the separation of the roles of Chairman and CEO. Our bylaws permit these positions to be held by the same person, and the Board of Directors believes that it is in the best interests of the Company to retain flexibility in determining whether to separate or combine the roles of Chairman and CEO based on our circumstances.

The Board has determined that it is appropriate for Mr. Fine to serve as both Chairman and CEO (1) in recognition of his status as the founder of the Company and (2) because it provides an efficient structure that permits us to present a unified vision to our constituencies.

The Board of Directors has elected Mr. Hutson to serve as its Lead Independent Director. The duties of the Lead Independent Director include presiding at the executive sessions of the independent directors, serving as liaison between the chairman and the independent directors, approving information, meeting agendas and schedules for the board of directors, and calling meetings of the independent directors.

The Board's Role in Risk Oversight

Management is responsible for managing the risks that Investors Title Company faces. The Board of Directors is responsible for overseeing management's approach to risk management. Management identifies material risks facing Investors Title Company on an ongoing basis and discusses those risks and the management of those risks with the Board of Directors or its committees, as appropriate. While the Board of Directors has ultimate responsibility for overseeing management's approach to risk management, various committees of the Board assist it in fulfilling that responsibility. In particular, the Audit Committee assists the board in its oversight of risk management in the areas of financial reporting, internal controls and compliance with regulatory requirements.

COMPENSATION OF DIRECTORS

Directors who are not employees of the Company receive an annual retainer for Board services of \$3,000 and an attendance fee of \$1,500 for each meeting of the Board of Directors attended, in addition to actual travel expenses related to the meetings. Directors receive a \$500 fee for participating in a committee meeting provided that the committee meeting is held on a day other than the regularly scheduled board meeting date. The Audit Committee Chairperson receives an additional annual retainer of \$500. Directors who are employees of the Company are paid no fees or other remuneration for service on the Board or on any Board committee.

On May 19, 2010, the date of the Company's 2010 Annual Meeting of Shareholders, each non-employee director was granted 500 Stock Appreciation Rights ("SARs") under the Company's 2001 Stock Option and Restricted Stock Plan with an exercise price of \$33.31. Upon exercise of each SAR, a director is entitled to receive an amount (payable in shares of the Company's common stock) equal to the difference between the closing price of the Company's common stock on the business day immediately preceding the date of exercise and the exercise price. The number of shares paid on exercise is determined by dividing this amount by the closing price of the Company's common stock on the business day immediately preceding the date of exercise. These SARs vest in four quarterly installments and became exercisable, to the extent vested, as of June 30, 2010 and will expire on May 19, 2017.

The Board of Directors makes all decisions regarding the compensation of the members of the Board of Directors. The Chief Executive Officer makes periodic recommendations regarding director compensation, and the Board of Directors may exercise its discretion in modifying any recommended compensation adjustments or awards to the directors.
