Item 2.02 Results of Operations and Financial Condition.

On April 28, 2016, GWG Holdings, Inc. issued a press release reporting the financial results for its first fiscal quarter ended March 31, 2016.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Effective April 26, 2016, the Board of Directors of GWG Holdings adopted an amendment to its Certificate of Designation for Redeemable Preferred Stock that revised Section 4(a) of the Certificate of Designation to provide that the regular record date to be used for determining the holders of record entitled to receive any payment of dividends is the final business day of the month on which GWG Holdings' common stock trades or is eligible to trade, subject to the requirement that a holder must have held shares of Redeemable Preferred Stock for more than two business days. Previously, the record date had been the last calendar day of each month.

In addition, Section 9(a)(i) of the Certificate of Designation was deleted in its entirety and Section 9(a)(ii) was amended, the result of which deletion and amendment revised the redemption terms of the Certificate of Designation to permit holders to request redemption at any time (thereby eliminating the previous one-year holding requirement), and without volume limitations (thereby eliminating the previous limitation that a holder could request redemption for a maximum of up to 25% of such holder's shares of Redeemable Preferred Stock). The amendment to Section 9(a)(ii) also revised the redemption fees applicable to a holder who requests redemption of Redeemable Preferred Stock to be: (i) 12% if the redemption is requested before the first anniversary of the original issuance of such shares; (ii) 10% if the redemption is requested on or after the first anniversary and before the second anniversary of the issuance of such shares; (iii) 8% if the redemption is requested on or after the second anniversary and before the third anniversary of the issuance of such shares; and (iv) no redemption fee if the redemption requested on or after the third anniversary of issuance. A copy of the amendment is filed as Exhibit 3.1 to this report. The description of the amendment contained above is qualified in its entirety by the actual text of the amendment.
