CAMELOT CORPORATION NOTES TO FINANCIAL STATEMENTS (UNAUDITED)

ITEM 1. Management's Representations of Interim Financial Information

The accompanying consolidated financial statements have been prepared in accordance with the instruction to Form 10-QSB, and do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements.

In the opinion of management, all adjustments (consisting of normal recurring adjustments) considered necessary for a fair presentation have been included. These statements should be read in conjunction with the audited financial statements and notes thereto included in the Registrant's annual Form 10-KSB filing for the year ended April 30, 2006.

ITEM 2. Management Discussion and Analysis of Financial Condition and Results of Operations

During the quarter ended July 31, 2006 the Company ceased recording a franchise tax accrual. The amount ultimately payable, if any, cannot be determined but is expected to be less than the reserve already established.

On November 28, 2006, the Board of Directors of Camelot Corporation (the "Company"), acting by written consent, issued 43,000,000 restricted common shares of the Company in full and final settlement of indebtedness in the total amount of \$28,752 owed by the Company to Daniel Wettreich its President and Director. This indebtedness was incurred by the Company during the last two years due to its limited cash resources. As a result of the inability of the Company to pay its corporate expenses, and in particular recent legal fees in the amount of \$18,741, such expenses were either paid on behalf of the Company by Daniel Wettreich, or the monies needed to pay corporate expenses were loaned to the Company by Daniel Wettreich. Following this transaction Daniel Wettreich now controls 87.33 % of the presently issued and outstanding common shares of the Registrant.

The Company's revenue for the period ended January 31, 2007 was \$0 compared with \$0 in the comparable period of 2006. Net loss for the nine month period was \$21,158 compared with a loss for the previous period of \$2,361. The Company is now inactive.

Liquidity and Capital Resources

Net cash used by operating activities for the period was \$0 compared with \$0 in 2006. Net cash used by financing activities was \$0 compared with \$0 provided in 2006. Cash of \$90 compares with \$90 at April 30, 2006.

The Company does not have any plans for capital expenditures. The Company has negligible cash resources and will experience liquidity problems over the next twelve months due to its lack of revenue unless it is able to raise funds from outside sources. There are no known trends, demands, commitments, or events that would result in or that is reasonably likely to result in the Company's liquidity increasing or decreasing in a material way.

Item 3. Controls and Procedures

As of the end of the period covered by this quarterly report, our Chief Executive Officer and Chief Financial Officer (the "Certifying Officer")

Edgar Filing: CAMELOT CORP - Form 10QSB

conducted evaluations of our disclosure controls and procedures. As defined under Sections 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934 Act, as amended (the "Exchange Act") the term "disclosure controls and procedures" means controls and other procedures of an issuer that are designed to ensure that information required to be disclosed by the issuer in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the

6

Exchange Act is accumulated and communicated to the issuer 's management, including the Certifying Officer, to allow timely decisions regarding required disclosure. Based on this evaluation, the Certifying Officer has concluded that our disclosure controls and procedures were effective to ensure that material information is recorded, processed, summarized and reported by our management on a timely basis in order to comply with our disclosure obligations under the Exchange Act, and the rules and regulations promulgated there under.
