### **Clarification on activities in Espírito Santo Basin**

Rio de Janeiro, October 27, 2011, Petróleo Brasileiro S.A. – Petrobras provides clarification about news released today concerning concession areas BM-ES-32 and BM-ES-23, located in Espírito Santo Basin.

Petrobras confirms the information about oil discoveries in block ES-M-594 (BM-ES-32), as disclosed to the market on December 16, 2010 and about discoveries in block ES-M-525 (BM-ES-23), as disclosed to the market on June 09 and 04, 2011.

The Company also informs that exploratory activities are taking place according to the commitments of each block, provided in the schedule agreed with the National Oil, Natural Gas and Biofuels Agency (ANP) and that new data which would support the announcement of estimated volume has not been obtained yet.

The information released in the media is mere speculation, with a high degree of uncertainty. Any estimation of volume will depend on the result of the drilling activity and on tests to be executed in the region.

Petrobras is the operator of the consortium for the exploration of BM-ES-23 (65%), which is also comprised by Shell Brasil Petróleo Ltda (20%) and Inpex Petróleo Santos Ltda (15%) and is the operator of the consortium for the exploration of BM-ES-32 (60%), developed in partnership with Statoil (40%).

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions

or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
