the Securities Exchange Act of 1934.

Yes No

If "Yes" is marked, indicated below the file number assigned to the
registrant in connection with Rule 12g3-2(b):

São Paulo, July 7, 2014 – GOL Linhas Aéreas Inteligentes S.A. (BM&FBOVESPA: GOLL4 e NYSE: GOL), (S&P: B, Fitch: B-, Moody's: B3), the largest low-cost and low-fare airline in Latin America, has signed a codeshare agreement with Etihad Airways, an airline headquartered in Abu Dhabi, in the United Arab Emirates. The agreement depends on approval from ANAC (National Civil Aviation Agency) and CADE (Brazil's antitrust authority).

The companies already have an interline agreement and the expansion of the partnership through the codeshare agreement will initially allow Etihad Airways to include its code on flights operated by GOL, giving its customers a greater number of connections for destinations in Brazil and South America.

"GOL has been investing in partnerships that are ensuring greater benefits for our customers and strengthening the alliance with Etihad will do precisely that," said Paulo Kakinoff, GOL's CEO.

Both companies will soon sign a Frequent Flyer Program (FFP) agreement offering all their customers the benefits of their respective mileage programs – GOL's Smiles and Etihad's Etihad Guest.

ABOUT GOL LINHAS AÉREAS INTELIGENTES S.A.

GOL Linhas Aéreas Inteligentes S.A. (Bovespa: GOLL4 and NYSE: GOL), the largest low-cost and low-fare airline in Latin America, offers around 910 daily flights to 67 destinations under the GOL and VARIG brands, 15 of which international flights in South America, the Caribbean and the United States, using a young, modern fleet of Boeing 737-700 and 737-800 Next Generation aircraft, the safest, most efficient and most economical of their type. The SMILES loyalty program allows members to accumulate miles and redeem tickets to more than 560 locations around the world via flights with foreign partner airlines. The Company also operates Gollog, a logistics service which retrieves and delivers cargo and packages to and from more than 3,500 cities in Brazil and six abroad. With its portfolio of innovative products and services, GOL Linhas Aéreas Inteligentes offers the best cost-benefit ratio in the market.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
