Item 1.01 Entry into a Material Definitive Agreement.

On September 13, 2005, Kansas City Southern ("KCS") announced that it and its subsidiaries, TFM, S.A. de C.V. ("TFM") and Grupo Transportacion Ferroviaria Mexicana, S.A. de C.V. ("Grupo TFM"), along with the Mexican holding company Grupo TMM, S.A. ("Grupo TMM"), entered into a settlement agreement with the Mexican government on September 13, 2005, resolving the controversies and disputes between the companies and the Mexican government concerning the payment of a value added tax ("VAT") refund to TFM and the purchase of the remaining shares of TFM owned by the Mexican government. As a result of this settlement, KCS and its subsidiaries now own 100% of Grupo TFM and TFM shares; the potential obligation of KCS, Grupo TFM and Grupo TMM to acquire the Mexican government's remaining 20% ownership of TFM has been eliminated; and the legal obligation of the Mexican government to issue the VAT refund to TFM has been satisfied. Part of the value of the VAT refund was used to purchase the TFM shares owned by the Mexican government and to cover taxes related to the settlement. There will be no cash payment made by any party under the settlement agreement. In addition, the parties have entered into mutual releases of all existing and potential claims relating to the VAT refund and the Put obligation, and have entered in an agreement to dismiss all of the existing litigation between the parties within three days of entering into the agreement.

As a result of the resolution of TFM's VAT claim, KCS is required to make a contingency payment of \$110.0 million to Grupo TMM in accordance with the terms of the December 15, 2004 Amended and Restated Acquisition Agreement in a combination of stock, notes and cash. A copy of the press release making this announcement is attached as Exhibit 99.1
