Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 10, 2007, the Compensation Committee of Cabot's Board of Directors authorized grants of Cabot common stock to Cabot's executive officers under the 2007 long-term incentive compensation program. Each long-term incentive grant involves a specific number of shares of Cabot common stock (the "Grant Number") that the executive officer may elect either (i) to purchase as shares of restricted stock at 30% of the market price of such stock on the date of grant, (ii) to receive as a non-qualified stock option for a number of shares of Cabot common stock equal to two times the Grant Number, exercisable at 100% of the market price of such stock on the date of grant, or (iii) a combination of purchase restricted stock and stock options. The closing price of Cabot common stock on May 10, 2007 was \$46.03. Each executive officer has until May 29, 2007 to make his election. Both the purchase restricted stock and the stock options are subject to a three-year vesting period, and the benefits of both types of grants (other than dividends already paid on the restricted stock) are forfeited if the executive leaves Cabot prior to the end of such three-year period for any reason other than death or disability, unless the Compensation Committee, in its sole discretion, determines otherwise.

The Grant Numbers for each of Cabot's named executive officers for the 2007 long-term incentive program are as follows: Kennett F. Burnes, Chairman, President and CEO, 86,000; Jonathan P. Mason, Executive Vice President and CFO, 23,800; William J. Brady, Executive Vice President and General Manager, Carbon Black, 27,000; Dirk L. Blevi, Executive Vice President and General Manager, Europe, 13,500; Brian A. Berube, Vice President and General Counsel, 17,500.
