**Item 8.01 Other Events.**

On October 23, 2009, Robert Glaser, Chairman and Chief Executive Officer of RealNetworks, Inc. (the "Company"), sent an email message to the Company's employees advising them that the Company's shareholders approved a proposal relating to a potential stock option exchange program and providing additional information on the anticipated communications process for the stock option exchange program. A copy of Mr. Glaser's email message to Company employees is attached to this report as Exhibit 99.1.

**ADDITIONAL INFORMATION AND WHERE TO FIND IT**

The option exchange program described in this report has not yet commenced and the terms of the program, including what options are eligible and exchange ratios, remain subject to change. In addition, RealNetworks may decide later not to implement the option exchange program. If RealNetworks implements the option exchange program, RealNetworks will file a Tender Offer statement on Schedule TO with the SEC upon the commencement of the option exchange program. Persons who may be eligible to participate in the option exchange program should read the Tender Offer statement on Schedule TO, including the offer to exchange and the other related materials, when those materials become available because they will contain important information about the details of the option exchange program. RealNetworks shareholders and option holders will be able to obtain these written materials and other documents filed by RealNetworks with the SEC free of charge from the SEC's website at [www.sec.gov](http://www.sec.gov) and from RealNetworks upon written request to Investor Relations Department, RealNetworks, Inc., P.O. Box 91123, Seattle, Washington 98111-9223.
