Item 1.01 Entry into a Material Definitive Agreement.

On October 18, 2010, Trinity Industries, Inc. (the "Company"), Trinity Industries Leasing Company ("TILC") and Trinity Rail Leasing 2010 LLC ("TRL-2010") entered into a Note Purchase Agreement dated October 18, 2010 (the "Note Purchase Agreement") with Credit Suisse Securities (USA) LLC, Lloyds TSB Bank PLC, Credit Agricole Securities (USA) Inc., Wells Fargo Securities, LLC, and Rabo Securities USA, Inc. (the "Purchasers"). The Note Purchase Agreement provides for the issuance and sale of an aggregate principal amount of \$369,214,928 of TRL-2010's Secured Railcar Equipment Notes, Series 2010-1 (the "Notes") to the Purchasers. The Notes will bear interest at a fixed rate of 5.194%, will be payable monthly, and will have a stated final maturity date of October 16, 2040. The Purchasers are expected to resell the Notes pursuant to Rule 144A of the Securities Act of 1933 and Regulation S thereunder. The Notes will be secured by (among other things) approximately 6,734 railcars and operating leases thereon, which TRL-2010 is purchasing from TILC and TILC's railcar warehouse financing subsidiary, Trinity Rail Leasing Warehouse Trust. The Note Purchase Agreement contains customary representations, warranties, covenants and closing conditions for a transaction of this type. The Note Purchase Agreement also contains customary provisions pursuant to which the Company, TILC, and TRL-2010 agree to hold harmless and indemnify the Purchasers against damages under certain circumstances, which are customary for a transaction of this type.

The issuance and sale of the Notes are part of an asset backed securitization which, subject to satisfaction of a variety of customary conditions precedent, is scheduled to close on or about October 25, 2010. The Company can give no assurance that the transaction will close on that date or at all.
