**Item 8.01 Other Events.**

On December 1, 2010, Dr Pepper Snapple Group, Inc. (the "Company") issued a press release announcing the commencement of a private offer to exchange up to \$600 million in aggregate principal amount of its outstanding 6.82% Senior Notes due 2018 (2018 Notes) for a like principal amount of a new series of Senior Notes due 2020 (Exchange Notes) plus cash (Exchange Offer) and an additional offer to purchase up to \$600 million in aggregate principal amount of its 2018 Notes for cash only (Tender Offer).

The offers are only being conducted pursuant to the terms and subject to the conditions set forth in an offering memorandum, dated December 1, 2010, and the related letter of transmittal. The Exchange Offer is only made to holders of the 2018 Notes who certify their status as a "qualified institutional buyer" as defined in Rule 144A under the Securities Act of 1933. The Tender Offer is being made to all holders of the 2018 Notes.

Depending on market conditions and other considerations, the Company intends to fund the cash consideration in the Tender Offer (other than premiums above the par amount, which shall be paid with cash on hand) with proceeds from the issuance of a new series of senior, unsecured debt securities with terms substantially similar to those of the Exchange Notes, except that the Company anticipates that such debt securities will have a five year term and will be priced in accordance with general market conditions for debt securities of comparable maturities.

A copy of the press release is attached as Exhibit 99.1 to this report and is incorporated herein by reference.
