Item 8.01 — Other Events

As previously reported by Issuer Director Corporation (the “Company”) on a Current Report on Form 8-K filed with the Securities and Exchange Commission (“SEC”) on March 11, 2015, Auer Metals & Mineral (“AMM”) filed a Form 3 which the Company believed and continues to believe is entirely without merit.

On March 23, 2015, AMM filed an additional Form 3 and a separate Form 4 purporting to own a substantial portion of the Company. The Company believes both of these filings to be entirely without merit as well. The Company and its management have been working with the SEC to have all three of these filings removed from EDGAR and to prevent additional filings by AMM that are without merit.
