and the Independent Shareholders

THE DATANG FURTHER SUBSCRIPTION

Reference is made to the announcement by the Company dated 8 November 2008 and the Investor Announcement relating to, among other things, the potential exercise of the preemptive right and subscription of the Datang Pre-emptive Securities by Datang.

Datang has indicated in writing to the Company that it wishes to subscribe for the Datang Pre-emptive Securities, pursuant to which the Company and Datang entered into the Datang Further Subscription Agreement on 5 May 2011 under which Datang will subscribe for (i) 84,956,858 Convertible Preferred Shares at a price equivalent to the Investor Subscription Price of HK\$5.39 per Convertible Preferred Share (the ‘Datang Pre-emptive Preferred Shares’) and (ii) 16,991,371 Warrants at an exercise price of HK\$5.39 per Warrant (the ‘Datang Pre-emptive Warrants’ and, together with the Datang Pre-emptive Preferred Shares, the ‘Datang Pre-emptive Securities’). The issue of the Datang Preemptive Securities to Datang is conditional on the obtaining of the approval of Independent Shareholders and necessary governmental approvals.

The Datang Pre-emptive Preferred Shares represent (i) approximately 3.1% of the existing issued share capital of the Company as at the Latest Practicable Date (assuming full conversion thereof); and (ii) approximately 2.7% of the issued share capital of the Company as enlarged by the issue of the Investor Initial Preferred Shares and the Datang Pre-emptive Preferred Shares (assuming full conversion thereof).

The Datang Further Subscription Price of HK\$5.39 which is reflective of an effective conversion price of HK\$0.539 per Ordinary Share (based on the initial Conversion Rate) represents (i) a discount of approximately 28.1% to the closing price of HK\$0.75 per Ordinary Share as quoted on the Stock Exchange on 5 May 2011, being the last full trading day immediately before the execution of the Datang Further Subscription Agreement; (ii) a discount of approximately 25.3% to the average closing prices of approximately HK\$0.72 per Ordinary Share as quoted on the Stock Exchange for the last five consecutive trading days up to and including 5 May 2011; and (iii) a discount of approximately 20.9% to the average closing prices of approximately HK\$0.68 per Ordinary Share as quoted on the Stock Exchange for the last ten consecutive trading days up to and including 5 May 2011.

The Datang Warrant Preferred Shares (if issued pursuant to full exercise by Datang of the Datang Pre-emptive Warrants) represent (i) approximately 0.6% of the existing issued share capital of the Company as at the Latest Practicable Date (assuming full conversion thereof); and (ii) approximately 0.5% of the issued share capital as enlarged by the Investor Subscription and the Datang Further Subscription, assuming a full exercise of the Investor Warrants and the Datang Pre-emptive Warrants (assuming full conversion thereof).

The exercise price of HK\$5.39 per Datang Warrant is equivalent to the Datang Subscription Price for the Datang Pre-emptive Preferred Shares and is reflective of an effective conversion price of HK\$0.539 per Ordinary Share (based on the initial Conversion Rate), which represents (i) a discount of approximately 28.1% to the closing price of HK\$0.75 per Ordinary Share as quoted on the Stock Exchange on 5 May 2011, being the last full trading day immediately before the execution of the Datang Further Subscription Agreement; (ii) a discount of approximately 25.3% to the average closing prices of approximately HK\$0.72 per Ordinary Share as quoted on the Stock Exchange for the last five consecutive trading days up to and including 5 May 2011; and (iii) a discount of approximately 20.9% to the average closing prices of approximately HK\$0.68 per Ordinary Share as quoted on the Stock Exchange for the last ten consecutive trading days up to and including 5 May 2011.

PRE-EMPTIVE RIGHTS OF TSMC

Reference is made to (i) the Company's announcement dated 10 November 2009 in relation to the TSMC Share and Warrant Issuance Agreement which was completed on 5 July 2010, as a result of which TSMC now holds 1,789,493,218 Ordinary Shares constituting approximately 6.53% of the issued share capital of the Company and (ii) the Investor Announcement.

Pursuant to the TSMC Share and Warrant Issuance Agreement, in case of any issue of new shares or warrants, subject to certain exceptions, TSMC has a pre-emptive right to purchase a pro rata portion of the new shares and warrants being issued equivalent to the percentage of the issued share capital of the Company then owned by TSMC prior to the issue of the new shares and warrants. The Company has notified TSMC in accordance with the terms of the TSMC Share and Warrant Issuance Agreement in connection with the Investor Subscription. TSMC has notified the Company that it will not exercise its pre-emption rights in respect of the Investor Subscription and the Datang Further Subscription.

REASONS FOR, AND BENEFITS OF, THE DATANG SUBSCRIPTION

The Company is of the view that the Datang Further Subscription will strengthen the relationship between Datang and the Company and provide additional source of funding for the Company's needs beyond the equity capital raised through the Investor Subscription. The Company has been informed by Datang that it continues to view its holding in the Company as a long term strategic investment, and that it will not dispose of the Ordinary Shares held by it in any significant way.

On this basis, the Directors (including the independent non-executive Directors) consider that, subject to the opinion of Guangdong Securities, the terms of the Datang Further Subscription are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

USE OF PROCEEDS

It is estimated that the net proceeds from the issue of the Datang Pre-emptive Preferred Shares will be approximately US\$58.3 million.

It is estimated that the net proceeds upon exercise of the Datang Pre-emptive Warrants would be approximately US\$11.7 million.

The Company intends to use the net proceeds for capital expenditure and debt repayment.

LISTING RULES IMPLICATIONS

The issue of the Convertible Preferred Shares by the Company is subject to the approval of the Stock Exchange under Chapter 16 of the Listing Rules. The issue of the Warrants and the Warrant Preferred Shares by the Company is subject to the approval of the Stock Exchange under Chapters 15 and 16 of the Listing Rules, respectively.

Datang currently holds 19.07% of the entire existing issued share capital of the Company. By virtue of its shareholding interest, Datang is a substantial shareholder of the Company and accordingly is a connected person of the Company. The Datang Further Subscription constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules. The Datang Further Subscription is subject to reporting, announcement and independent shareholders' approval requirements under Chapter 14A of the Listing Rules. Accordingly, the Datang Further Subscription is subject to approval of the Independent Shareholders at the EGM. To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, apart from Datang and its associates (as defined in the Listing Rules), no other Shareholder of the Company will be required to abstain from voting on the resolutions for approving the Datang Further Subscription Agreement, the Datang Warrant Agreement, the Further Special Mandate and the transactions contemplated thereunder at the EGM.

Pursuant to the Listing Rules, an Independent Board Committee (consisting of all the independent non-executive Directors of the Company who have no direct or indirect interest in the Datang Further Subscription and the Further Special Mandate, other than, where applicable, being a Shareholder of the Company) has been established to advise the Independent Shareholders as to whether the respective terms of the Datang Further Subscription Agreement, the Datang Warrant Agreement and the Further Special Mandate are fair and reasonable, whether the entering into of the Datang Further Subscription Agreement, Datang Warrant Agreement and the proposal for the grant of the Further Special Mandate are in the interests of the Company and the Shareholders as a whole and to advise the Independent Shareholders on how to vote, taking into account the recommendations of Guangdong Securities.

The Independent Board Committee has approved the appointment of Guangdong Securities as the independent financial adviser to make recommendations to the Independent Board Committee and Independent Shareholders as to whether the respective terms of the Datang Further Subscription Agreement, the Datang Warrant Agreement and the Further Special Mandate are fair and reasonable and the reasons thereof, whether the entering into of the Datang Further Subscription Agreement and the Datang Warrant Agreement are in the interests of the Company and the Shareholders as a whole, and to advise the Independent Shareholders as to whether they should vote in favour of the Datang Further Subscription and the Further Special Mandate.

GRANT OF FURTHER SPECIAL MANDATE

An ordinary resolution will be proposed at the EGM to seek the Independent Shareholders' approval for the grant of the Further Special Mandate to authorise the Directors to allot and issue the Datang Pre-emptive Securities.

GENERAL

At the EGM, ordinary resolutions will be proposed to the Shareholders (and the Independent Shareholders, as applicable) to approve (i) the Investor Subscription and the issue of the Investor Securities, (ii) the Datang Further Subscription and the issue of the Datang Pre-emptive Securities, (iii) the Special Mandate and the Further Special Mandate. Datang and its associates (as defined in the Listing Rules), being connected persons in respect of the Datang Further Subscription, will abstain from voting on the ordinary resolutions to approve the Datang Further Subscription Agreement, the Datang Warrant Agreement and the Further Special Mandate. Any vote of the Independent Shareholders at the EGM will be taken by poll.

A circular containing, among other things, further details on (i) the Investor Subscription, (ii) the Datang Further Subscription, (iii) the Special Mandate and the Further Special Mandate, and (iv) the notice of the EGM will be despatched to the Shareholders on or around 11 May 2011 in accordance with the requirements of the Listing Rules.

An application will be made by the Company before completion of each of the Investor Subscription and the Datang Further Subscription for the listing of, and permission to deal in, the Ordinary Shares issuable on conversion of the relevant Convertible Preferred Shares and Warrant Preferred Shares.

The Convertible Preferred Shares, the Warrants, and the Warrant Preferred Shares will not be listed on the Stock Exchange or offered for sale in the United States.

Shareholders and potential investors should note that completion of the Investor Subscription and the Datang Further Subscription will be subject to the fulfilment of the respective conditions under the Investor Subscription Agreement and the Datang Further Subscription Agreement. As the Investor Subscription and the Datang Further Subscription may or may not proceed, Shareholders and potential investors are advised to exercise caution when dealing in the Ordinary Shares.

THE DATANG FURTHER SUBSCRIPTION AGREEMENT

On 5 May 2011, the Company entered into the Datang Further Subscription Agreement with Datang, whereby (i) the Company has conditionally agreed to allot and issue to Datang, and Datang has conditionally agreed to subscribe for 84,956,858 Convertible Preferred Shares at a Datang Further Subscription Price of HK\$5.39 per Convertible Preferred Share (the ‘‘Datang Pre-emptive Preferred Shares’’) and (ii) the Company will issue 16,991,371 Warrant Preferred Shares (assuming a full exercise of the Warrants) at an exercise price of HK\$5.39 per Warrant (the ‘‘Datang Pre-emptive Warrants’’ and, together with the Datang Pre-emptive Preferred Shares, the ‘‘Datang Pre-emptive Securities’’). The principal terms of the Datang Further Subscription Agreement are as follows:

Date

5 May 2011

Parties

- (i) The Company, as the issuer; and
- (ii) Datang as the subscriber of (a) 84,956,858 Convertible Preferred Shares and (b) 16,991,371 Warrants.

Interest to be acquired

The consideration of the Datang Pre-emptive Warrants and the Datang Further Subscription Price

The Datang Further Subscription Price of HK\$5.39 per Datang Pre-emptive Preferred Share is reflective of an effective conversion price of HK\$0.539 per Ordinary Share (based on the initial Conversion Rate) and the total cash consideration payable by the Datang is US\$58.9 million (equivalent to approximately HK\$457.9 million, using the exchange rate of US\$1=HK\$7.7743).

The Datang Further Subscription Price represents (i) a discount of approximately 28.1% to the last traded price of the Ordinary Shares of HK\$0.75 per Ordinary Share at the end of the trading session ended at 4.00 p.m. on the date of this announcement; (ii) a discount of approximately 25.3% to the average closing price of HK\$0.72 per Ordinary Share as quoted on the Stock Exchange for the last five trading days up to and including the last full trading day; and (iii) a discount of approximately 20.9% to the average closing price of HK\$0.68 per Ordinary Share as quoted on the Stock Exchange for the last ten trading days up to and including the last full trading day.

Dividend entitlements

The Convertible Preferred Shares will rank pari passu in respect of entitlement to dividends and other income distribution as Ordinary Shares as if the Convertible Preferred Shares had been converted into Ordinary Shares for the relevant accounting period.

Capital

On a liquidation, dissolution, winding up (whether voluntary or involuntary) or return or reduction of capital of the Company (but not on conversion of the Convertible Preferred Shares or any repurchases by the Company of any Convertible Preferred Shares or Ordinary Shares) the assets of the Company available for distribution among the members will be applied first in paying to the holders of the Convertible Preferred Shares and holders of other preference shares of the Company an amount in repayment of capital equal to the amount paid up or credited as paid up on such shares in priority to:

(A) any payment to the holders of Ordinary Shares; and

(B) any other obligations ranking pari passu with the claims of the holders of Ordinary Shares.

Ranking

The Datang Pre-emptive Preferred Shares will, upon issue, rank (a) pari passu with the claims of holders of (i) any class of preferred share capital of the Company and (ii) other obligations of the Company which rank pari passu with the Convertible Preferred Shares or such preferred shares, and (b) in priority (including with respect to distribution of proceeds upon any liquidation event up to the amount paid up) to any payment to the holders of Ordinary Shares of the Company and other obligations of the Company, incurred directly or indirectly by it, which rank, or are expressed to rank, pari passu the claims of the Ordinary Shares.

Conversion right

The holders of the Convertible Preferred Shares will have the right at any time to convert (in whole or in part) their Convertible Preferred Shares into fully paid Ordinary Shares at the Conversion Rate (which shall be for a minimum amount of 70,000,000 Convertible Preferred Shares or, if less than 70,000,000 Convertible Preferred Shares are then held by Datang, all of such Convertible Preferred Shares). The holders of the Convertible Preferred Shares are not required to pay any amount for conversion of their Convertible Preferred Shares into Ordinary Shares. The Ordinary Shares issued upon conversion will be credited as fully paid, and will rank pari passu in all respects with the other Ordinary Shares in issue as at the date of the conversion, and will be allotted and issued free from all liens, charges and encumbrances and together with all rights attaching thereto upon allotment and issue and at any time thereafter, including all rights to any dividend or other distribution declared, made or payable by reference to a record date falling on or after the date of the conversion notice.

Mandatory Conversion Date

The Convertible Preferred Shares will be mandatorily converted into Ordinary Shares at the then applicable Conversion Rate on the day immediately following the expiry of twelve months commencing from the Investor Closing Date as if the holder of the Convertible Preferred Shares has elected to convert its Convertible Preferred Shares into Ordinary Shares on the mandatory conversion date.

Adjustment to Conversion Rate

The initial Conversion Rate will be ten Ordinary Shares per Convertible Preferred Share (subject to adjustments as described below).

The initial Conversion Rate is subject to adjustment upon the occurrence of certain prescribed events, among other things, capitalisation of profits or reserves, consolidations, sub-divisions and re-classifications of shares, capital distributions, issue of shares or other securities, and the issue of a new class of shares carrying voting rights.

In the event of any issue of any Ordinary Share or any securities which by their terms are convertible into or exchangeable for, or carry right(s) of subscription for, any Ordinary Share, the Conversion Rate in force immediately before such issue will be adjusted to compensate the holders of Convertible Preference Shares by reference to the lowest of:

- (i) the reference price per Ordinary Share which initially is HK\$0.5390 (subject to adjustment as described in this section);
- (ii) the amount which represents:
 - a. in respect of any rights issue of Ordinary Shares by the Company, 90% of the relevant theoretical ex-rights price for an Ordinary Share under that rights issue;
 - b. in respect of any issue of securities which by their terms are convertible into or exchangeable for, or carry right(s) of subscription for, Ordinary Share(s):
 - (1) in the case of options, warrants or similar instruments, the aggregate of the subscription price or premium for such instrument and the initial exercise price at which the holder of such instrument may subscribe for Ordinary Shares;
 - (2) in the case of convertible bonds or convertible shares or similar instruments, the initial conversion price at which such instrument may be converted into Ordinary Shares; or
 - (3) in any other case, the aggregate price paid and initially payable by the subscriber of such securities in order to receive Ordinary Shares; and
 - c. in respect of any other issue of Ordinary Shares by the Company, the relevant issue price for an Ordinary Share under that issue;
- (iii) the amount which represents a discount of 10% to the arithmetic average of the daily volume weighted average price for an Ordinary Share as shown on the VAP page of Bloomberg for the:
 - a. ten consecutive trading days immediately after the date on which the relevant issue is announced; or
 - b. in the case of a rights issue, ten consecutive trading days immediately after the ex-rights date; or
 - c. if the reference price to determine the issue price is based on share prices for a period after the relevant issue is announced, all the trading days during that period.

The adjustment will become effective immediately following the date of the issuance of the new securities.

No adjustment to the Conversion Rate will be made which has the effect or result of: (i) reducing the initial Conversion Rate upon the issue of the Convertible Preferred Shares, except upon any consolidation of Ordinary Shares or any corporate exercise with the effect of increasing the nominal value of the Ordinary Shares; or (ii) any Ordinary Share, upon conversion, falling to be issued at a price below the nominal value of the Ordinary Share.

Voting

The Convertible Preferred Shares will entitle the holders thereof to receive notice of, attend and vote at any meeting of members of the Company. Each Convertible Preferred Share will confer on its holder such number of voting rights as if the Convertible Preferred Share had been converted into Ordinary Shares.

Consent

Except with the consent or sanction of at least 75 per cent. of the vote of the holders of the Convertible Preferred Shares given at a separate class meeting, no resolution may be made by the Company to amend the terms of the Convertible Preferred Shares.

Transferability

The Convertible Preferred Shares will be freely transferrable save as provided for under the terms of the Datang Further Subscription Agreement.

Redemption

The Convertible Preferred Shares are non-redeemable.

Protection

The Company has undertaken to each holder of Convertible Preferred Shares (including but not limited to) (i) that all the Ordinary Shares upon conversion will be duly and validly allotted and issued as fully paid or credited as fully paid and free from all liens, charges and encumbrances; (ii) that it will not in any way vary the rights attached to any class or series of shares, or attach any restriction to any class or series of shares, to the extent that such variation would have the effect of varying the rights attaching to the Convertible Preferred Shares, without prior written approval of 75 per cent. of the holders of Convertible Preferred Shares; (iii) that there will not be shares of different nominal values in issue at any time; (iv) it will not without prior written approval of 75 per cent. of the holders of Convertible Preferred Shares, take any steps to or so as to liquidate, dissolve or windup the Company or any of its subsidiaries unless such liquidation, dissolution or winding-up will not have a material adverse effect; (v) it will not make any reduction or redemption of capital, share premium account or capital redemption reserve involving repayment of money to its shareholders or reduce any uncalled liability in respect of any issued share except in certain situations; and (vi) it will not enter into any agreement, instrument or other document whatsoever binding on it which may result in any breach of the memorandum and articles of association of the Company.

- (v) by the Company if there has been a material breach of any representation, warranty, covenant or agreement of Datang contained in the Datang Further Subscription Agreement.

Pre-emptive Rights

Datang will have the following right to subscribe for (subject to any authorisation, consent, approval, licence or notification required for the purposes of or as a consequence of the Datang Further Subscription either from governmental, regulatory or other public bodies):

- (i) whilst any Convertible Preferred Shares issued to and beneficially held by Datang (and/or its Permitted Transferee) remain unconverted, and to the extent that the percentage (the "Original Percentage") of the issued share capital of the Company held by Datang on a fully-diluted basis through such Convertible Preferred Shares immediately prior to the issue is reduced as a result of the issue of the Relevant Securities (after having taken into account any adjustment to the conversion rate), such number of additional Convertible Preferred Shares (bearing the same conversion rate as the existing issued Convertible Preferred Shares having reflected the adjustment) so as to enable Datang to hold, after the issue of the Relevant Securities, a pro rata portion of the issued share capital of the Company (on a fully-diluted basis) equal to the Original Percentage; and
- (ii) to the extent that any of the Convertible Preferred Shares held by Datang have been converted and Datang is holding Ordinary Shares issued as a result of the said conversion, such number of additional Relevant Securities so as to enable Datang to hold, after the issue of the Relevant Securities, a pro rata portion of the Relevant Securities equal to the percentage of the issued share capital of the Company represented by the converted Ordinary Shares then beneficially owned by Datang immediately prior to the issuance of the Relevant Securities,

provided that Datang's shareholding in the issued share capital of the Company represented by the Convertible Preferred Shares or converted Ordinary Shares shall be excluded and ignored for the purpose of determining the number of securities that Datang is able to acquire pursuant to its pre-emptive rights under the Datang Share Purchase Agreement.

Lock-up Undertaking

Datang will be restricted from selling, or transferring the Datang Pre-emptive Preferred Shares, any Convertible Preferred Shares issued upon the exercise of the Datang Pre-emptive Warrants and any additional Convertible Preferred Shares or Warrants subscribed for a period of 2 years from the Datang Closing Date, except that Datang may transfer any Convertible Preference Shares or Ordinary Shares to a permitted transferee. The Lock-up Undertaking will cease to apply where any of the following members of the senior management of the Company, being Mr. David N.K. The Warrant Preferred Shares will not be adjusted but will bear a conversion rate for conversion into Ordinary Shares that may be adjusted as described in the section “A. Datang Further Subscription Agreement — Adjustment to Conversion Rate” above. The Warrant Preferred Shares will entitle the holders thereof to receive notice of, attend and vote at any meeting of members of the Company. Pursuant to the TSMC Share and Warrant Issuance Agreement, in case of any issue of new shares or warrants, subject to certain exceptions, TSMC has a pre-emptive right to purchase a pro rata portion of the new shares and warrants being issued equivalent to the percentage of the issued share capital of the Company then owned by TSMC prior to the issue of the new shares and warrants. The Company has notified TSMC in accordance with the terms of the TSMC Share and Warrant Issuance Agreement in connection with the Investor Subscription. TSMC has notified the Company that it will not exercise its pre-emption rights in respect of the Investor Subscription and the Datang Further Subscription.

REASONS FOR, AND BENEFITS OF, THE DATANG FURTHER SUBSCRIPTION

The Company is of the view that the Datang Further Subscription will strengthen the relationship between Datang and the Company and provide additional source of funding for the Company's needs beyond the equity capital raised through the Investor Subscription. The Company has been informed by Datang that it continues to view its holding in the Company as a long term strategic investment, and that it will not dispose of the Ordinary Shares held by it in any significant way.

On this basis, the Directors (including the independent non-executive Directors) consider that, subject to the opinion of Guangdong Securities, the terms of the Datang Further Subscription is fair and reasonable and in the interests of the Company and the Shareholders.

USE OF PROCEEDS

It is estimated that the net proceeds from the issue of the Datang Pre-emptive Preferred Shares will be approximately US\$58.3 million.

It is estimated that the net proceeds upon exercise of the Datang Pre-emptive Warrants would be approximately US\$11.7 million.

The Company intends to use the net proceeds for capital expenditure and debt repayment.
