**Item 7.01. Regulation FD Disclosure**

In addition to the statement of work for certain services supporting Cingular's Business End User Care program (filed with StarTek Inc.'s Form 10-K for the year ended December 31, 2006), StarTek USA, Inc. (StarTek) and AT&T Mobility, LLC (f/k/a Cingular Wireless, LLC) (AT&T) have also been negotiating the terms of a new statement of work for certain other call center services (new SOW) that would supersede the current contract between them for those other services. Pricing and general terms for the new SOW have been agreed to at a management level. Some legal wordsmithing is being resolved, after which the new SOW must go through the internal AT&T approval process.

To allow time for that approval process, AT&T proposed and StarTek signed an extension of the term of the current contract through July 31, 2007. As of the date of this Form 8-K, StarTek is waiting to receive confirmation of AT&T's signature on the extension and anticipates that the internal approval process for AT&T will be complete in advance of such July 31<sup>st</sup> expiration. StarTek does not anticipate any interruption in such services for AT&T.
