## Item 1.01 Entry into a Material Definitive Agreement

### Asset Purchase Agreement

On May 11, 2009, Western Iowa Energy, LLC, an Iowa limited liability company ( WIE ), entered into an Asset Purchase Agreement with Renewable Energy Group, Inc., a Delaware corporation ( REG ), REG Newco, Inc., a Delaware corporation ( Newco ), and REG Wall Lake, LLC, an Iowa limited liability company and a wholly owned subsidiary of Newco ( Wall Lake ) (collectively, with REG and Newco, the REG Parties ) pursuant to which Wall Lake will acquire substantially all of WIE 's assets, assume certain liabilities of WIE, and thereafter operate WIE 's biodiesel production facility (the Transaction ). The WIE assets to be acquired by Wall Lake under the Asset Purchase Agreement include, without limitation, all of the business, assets, properties, contractual rights, goodwill, going concern value, rights and claims of WIE related to its biodiesel production business. Wall Lake will not acquire any of the membership interests of WIE. The WIE liabilities to be assumed by Wall Lake under the Asset Purchase Agreement include, without limitation, accounts payable incurred in the ordinary course of business and certain indebtedness of the company.

In addition to the Transaction described above, the Asset Purchase Agreement contemplates the simultaneous closing of several other transactions, including (i) REG 's merger with and into a wholly-owned subsidiary of Newco, with REG being the surviving entity, (ii) the acquisition by REG Newton, LLC, a wholly-owned subsidiary of Newco ( Newton ), of substantially all of the assets of, and Newton 's assumption of certain liabilities of, Central Iowa Energy, LLC, an Iowa limited liability company ( CIE ), and (iii) the merger of Blackhawk Biofuels, LLC, a Delaware limited liability company ( Blackhawk ), with and into REG Danville, LLC, a wholly-owned subsidiary of Newco ( Danville ), with Danville being the surviving entity (collectively, the Common Plan Transactions ).

Upon closing of and in consideration of the Transaction, WIE unitholders will receive an aggregate of 6,963,377 shares of Common Stock of Newco and 259,012 shares of Preferred Stock of Newco. These shares of Newco Common Stock and Preferred Stock will be distributed to WIE unitholders in proportion to each unitholder 's respective ownership interest in WIE, with each fractional share of Common Stock or Preferred Stock to which a unitholder is entitled being rounded up to the next full share of Common Stock or Preferred Stock, as the case may be. Upon closing of the Transaction and the other Common Plan Transactions contemplated in the Asset Purchase Agreement, WIE 's unitholders will hold in the aggregate approximately 1.89% of the total issued and outstanding shares of Newco Preferred Stock and approximately 19.04% of the issued and outstanding shares of Newco Common Stock. As of the closing date of the Transaction, WIE will be entitled to designate a director nominee for election to Newco 's board of directors to serve until the expiration of certain transfer restrictions contained in the Certificate of Incorporation of Newco, which is expected to occur on the earlier of December 31, 2010 or 180 days after the effective date of a registration statement relating to a qualifying initial public offering of Newco 's Common Stock (subject to certain extensions in each event).

The closing of the Transaction contemplated by the Asset Purchase Agreement is conditioned upon the receipt of certain regulatory approvals, the approval of the unitholders of WIE, and the approval of the unitholders and shareholders of the REG Parties, among other things. If the Transaction is duly approved by WIE 's unitholders and all other conditions to closing are satisfied, WIE intends to liquidate, windup and dissolve and terminate its existence as soon as practicable following closing of the Transaction and the Asset Purchase Agreement, but in no case more than 30 days following such closing. Until WIE is dissolved and its existence is terminated, Newco will pay certain mutually agreeable ongoing costs related to WIE.

The Asset Purchase Agreement requires WIE 's board of directors to convene a special meeting of WIE 's unitholders for the purpose of holding a vote to obtain the requisite unitholder approval on the Transaction and the Asset Purchase Agreement. Approval of the Transaction and the Asset Purchase Agreement requires the affirmative vote of

unitholders holding a majority of the outstanding membership interests of WIE; provided, however, that the affirmative vote of unitholders holding no less than 75% of the outstanding membership interests of WIE will be required to approve the liquidation, dissolution and winding up of WIE, which is part of the Transaction contemplated in the Asset Purchase Agreement.

WIE and the REG Parties have made customary representations, warranties, and covenants in the Asset Purchase Agreement. WIE has, among other things, agreed (i) to conduct its business in the ordinary course of business consistent with past practice during the interim period between the date of execution of the Asset Purchase Agreement and the date of closing thereof and not to engage in certain kinds of transactions during such interim period, (ii) subject to certain exceptions, not to solicit proposals relating to alternative business combination transactions or participate in discussions or negotiations regarding an alternative business combination transaction, and (iii) subject to certain exceptions, not to approve, recommend, or propose publicly any alternative business combination transaction or enter into any agreement or letter of intent related to an alternative business combination transaction. Newco has, among other things, agreed to use commercially reasonable efforts to file a registration statement on Form S-4 (the Registration Statement ) to register with the Securities and Exchange Commission (the SEC ) the Newco shares of Common Stock and Preferred Stock to be issued in consideration of the Transaction and the other Common Plan Transactions. The Registration Statement will contain as a prospectus a joint proxy statement prepared in cooperation by CIE, the REG parties and the other parties to the Common Plan Transactions and which will describe the Transaction and the other Common Plan Transactions.

In addition to the receipt of the approval of the unitholders of WIE and the unitholders and shareholders of the REG Parties, each party's obligation to consummate the Transaction is subject to a number of other conditions, including without limitation (i) the absence of any law, order, or injunction prohibiting the consummation of the Transaction or the other transactions contemplated by the Asset Purchase Agreement, (ii) each party's representations and warranties to the other must be complete and correct in all respects (with respect to representations and warranties qualified or limited as to materiality or material adverse effect) or true and correct in all material respects (with respect to representations and warranties not qualified or limited as to materiality or material adverse effect) as of the date of execution of the Asset Purchase Agreement and as of the closing date thereof, (iii) no material adverse effect shall have occurred with respect to WIE or the REG Parties between the date of execution of the Asset Purchase Agreement and the closing of the Transaction and the Asset Purchase Agreement, (iv) each party shall have performed and complied in all material respects with its covenants under the Asset Purchase Agreement, and (v) the Registration Statement will have been declared effective by the SEC and the other necessary regulatory approvals with respect to the Transaction will have been obtained, and (vi) other customary conditions to closing contained in the Asset Purchase Agreement.

Upon closing under the Asset Purchase Agreement, WIE and REG will each release and discharge the other and their respective officers, directors, and affiliates, from all obligations under the Management and Operational Services Agreement dated May 9, 2005, between WIE and West Central Cooperative, and assigned to REG on July 31, 2006, and the First Amendment to the Management and Operational Services Agreement dated November 22, 2006.

This Report on Form 8-K is being furnished pursuant to Item 1.01, Entry into a Material Definitive Agreement. The foregoing description of the Asset Purchase Agreement is qualified in its entirety by reference to the full text of the Asset Purchase Agreement, which WIE intends to file as an exhibit to its quarterly report on Form 10-Q for the three months ending March 31, 2009. The Asset Purchase Agreement will be filed to provide investors with information regarding its terms. It is not intended to provide any other factual information about WIE or the REG Parties. In particular, the assertions embodied in the representations and warranties contained in the Asset Purchase Agreement are qualified by information in each of the disclosure schedules attached to the Asset Purchase Agreement. These disclosure statements contain information that modifies, qualifies, and creates exceptions to the representations and warranties set forth in the Asset Purchase Agreement. Moreover, certain representations and warranties in the Asset Purchase Agreement were used for the purpose of allocating risk between WIE and the REG Parties, rather than establishing matters as facts. Accordingly, you should not rely on the representations and warranties in the Asset Purchase Agreement as characterizations of the actual state of facts about WIE or the REG Parties.

#### Additional Information About the Asset Purchase Transaction

WIE anticipates preparing a joint proxy statement with the cooperation of the REG Parties, Blackhawk and CIE, describing the Transaction and the other Common Plan Transactions (collectively, the Business Combination Transactions) along with the other relevant documents regarding the proposed Business Combination Transactions. Newco has agreed to file a Registration Statement with the SEC to register the securities of Newco to be issued in connection with the Business Combination Transactions. The Registration Statement will contain the joint proxy statement/prospectus and other relevant documents concerning the Business Combination Transactions.

Before making any decisions, WIE unitholders are urged to carefully read in its entirety the joint proxy statement/prospectus that will be contained in the Registration Statement filed by Newco and any other relevant documents (when these documents become available), as such documents will contain important information about WIE, the REG Parties, CIE, Blackhawk and the Business Combination Transactions. A definitive joint proxy statement, once available, will be sent to the unitholders of WIE seeking their approval of the Transaction. Unitholders may obtain free copies of the joint proxy statement and related documents (when they become available) and other documents filed with, or furnished to, the SEC by WIE, the REG Parties, Blackhawk and CIE at the SEC's

website at <http://www.sec.gov>.

Information regarding the identity of persons who may, under the SEC's rules, be deemed to be participants in the solicitation of shareholders of Renewable Energy Group and the unitholders of WIE, Blackhawk and CIE in connection with the proposed Business Combination Transactions, and their interests in the solicitation, will be set forth in the joint proxy statement/prospectus that will be filed with the SEC and contained in the registration statement that will be filed by Newco with the SEC.
