

ITEM 5.02. DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS;
APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS

On April 15, 2010, the compensation committee of the board of directors of Energy Recovery, Inc. adopted an annual equity incentive compensation arrangement for new and existing employees, including named executive officers. Under the arrangement, the committee will allocate up to 1.5% of the outstanding shares of company common stock each year for stock option awards. All of such stock option awards will be issued pursuant to the Company's 2008 Equity Incentive Plan, which was approved by shareholders.

Under the arrangement, named executive officers will be eligible for annual incentive grants in amounts ranging from 30,000 to 40,000, 40,000 to 60,000 and 100,000 to 150,000 option shares based on their respective job grades and depending on past performance and future potential. The chief executive officer and executive chairman will not be eligible for option awards this year in light of their awards in 2009.

For 2010, the committee set the share budget at 750,000 option shares. Options granted under the plan will vest over four (4) years with 25% of the shares vesting on the first anniversary of the grant date. After the first anniversary date, 1/48 of the shares will vest each month.
