PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
September 11, 2012

We are sending this proxy statement to shareholders of TuCows Inc., a Pennsylvania corporation, in connection with our board of directors' solicitation of proxies for use at our annual meeting of shareholders on September 11, 2012. We invite you to attend in person. We have also enclosed our 2011 Annual Report on Form 10-K (which does not form a part of the proxy solicitation material).

VOTING INFORMATION

Record date.

The record date for the annual meeting was July 23, 2012. You may vote all shares of our common stock that you owned as of the close of business on that date. On July 23, 2012, we had 45,484,997 shares of common stock outstanding. Each share of common stock is entitled to one vote on each matter to be voted at the annual meeting. We will begin mailing this proxy statement and the proxy card on or about August 7, 2012 to shareholders of record as of the close of business on the record date.

How to vote.

By mail. If you hold your shares through a securities broker (that is, in street name), you may complete and mail the voting instruction card forwarded to you by your broker. If you hold your shares in your name as a holder of record, you can vote your shares by proxy by completing, signing and dating the proxy card and returning it in the enclosed postage-paid envelope. A properly completed and returned proxy card will be voted as you instruct, unless you subsequently revoke your instructions.

By telephone. If you hold your shares through a securities broker, you may vote by telephone by following the instructions included with the voting instruction card forwarded to you by your broker. If you vote your shares via telephone, you may incur additional charges.

By Internet. If you hold your shares through a securities broker, you may vote your shares via the Internet by following the instructions included with the voting instruction card forwarded to you by your broker. If you vote your shares via the Internet, you may incur costs such as telephone and Internet access charges.

At the annual meeting. Submitting your vote by mail or via the Internet does not limit your right to vote in person at the annual meeting if you later decide to do so. If you hold your shares in street name and want to vote in person at the annual meeting, you must obtain a proxy from your broker and bring it to the annual meeting.

Revoking your proxy.

You can revoke your proxy at any time before your shares are voted at the annual meeting by:

• sending a written notice of revocation to our secretary at our principal executive office (96 Mowat Avenue, Toronto, Ontario, M6K 3M1, Canada);

- submitting a properly executed proxy showing a later date to our secretary at our principal executive office; or

• attending the annual meeting and voting in person. Merely attending the annual meeting will not revoke your proxy.

Returning your proxy without indicating your vote.

If you return a signed proxy card without indicating your vote and do not revoke your proxy, your shares will be voted according to the Board of Directors' recommendations.

Withholding your vote or voting to "abstain."

In the election of directors, you can withhold your vote for any of the nominees. Withheld votes will be excluded entirely from the vote and will have no effect on the outcome. On the other proposals, you can vote to "abstain." If you vote to "abstain," your shares will be excluded entirely from the vote and will have no effect on the outcome.

Quorum required to hold the annual meeting.

On September 11, 2012, we need a majority of shares of common stock outstanding as of July 23, 2012, the record date, present, in person or by proxy, to have a quorum to be able to hold the annual meeting. Shares represented by a properly signed and returned proxy are considered present at the annual meeting for purposes of determining a quorum, regardless of whether the holder of such shares or proxy withholds his, her or its vote or abstains. Broker non-votes also count as shares present at the annual meeting for purposes of a quorum.

Vote required to elect directors.

A plurality of the votes cast is required for the election of directors. Accordingly, the nine nominees for election as directors who receive the highest number of votes actually cast will be elected.

Vote required to ratify the appointment of KPMG LLP.

The affirmative vote of a majority of the votes cast by all holders of shares of common stock represented at the annual meeting, in person or by proxy, and entitled to vote is required to ratify the appointment of KPMG LLP as our independent public accountant for the year ended December 31, 2012.

Street Name Shares and Broker Non-Votes.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include the election of directors. Non-routine matters include matters such as the approval of stock plans. Therefore, if you do not give your broker or nominee specific instructions, your shares may not be voted on non-routine matters and will not be counted in the voting results. Shares represented by such "broker non-votes" will be counted in determining whether there is a quorum. Broker non-votes will not be counted toward a nominee's total of affirmative votes in the election of directors and will have no effect on the approval of the other proposals.

Postponement or adjournment of the annual meeting.

If the annual meeting is postponed or adjourned, your proxy will still be valid and may be voted at the rescheduled meeting. You will still be able to revoke your proxy until it is voted.

Our committees generally meet in connection with regularly scheduled quarterly and annual meetings of the Board of Directors, with additional meetings held as often as its members deem necessary to perform its responsibilities. From time to time, depending on the circumstances, the Board may form a new committee or disband a current committee.

The Audit Committee currently consists of Mr. Schwartz (Chair), Mr. Karp and Dr. Morrisett.

The Audit Committee held five meetings during Fiscal 2011. The Audit Committee also took action by unanimous written consent on one occasion during Fiscal 2011. The Audit Committee’s purposes are:

-

Edgar Filing: TUCOWS INC /PA/ - Form DEF 14A

To assist the Board of Directors in its oversight of (1) our accounting and financial reporting processes and the audits of our financial statements, and (2) our compliance with legal and regulatory requirements;

To interact directly with and evaluate the performance of the independent auditors, including to determine whether to engage or dismiss the independent auditors and to monitor the independent auditors' qualifications and independence; and

- To prepare the report required by the rules of the SEC to be included in our annual Form 10-K.

Each of the members of our Audit Committee is an independent director and satisfies the independence standards specified in Section 803 of the NYSE MKT listing requirements and Rule 10A-3 under the Exchange Act and is able to read and understand fundamental financial statements including balance sheets, income statements and cash flow statements. Additionally, the Board of Directors has determined that Mr. Schwartz qualifies as an “audit committee financial expert” as defined under Item 407(d)(v) of Regulation S-K. The Board of Directors has adopted a written charter for the Audit Committee, which the Audit Committee has reviewed and determined to be in compliance with the rules set forth in the NYSE MKT listing requirements and which is available at www.tucowsinc.com/investors/charters.php.

The Corporate Governance, Nominating and Compensation Committee currently consists of Messrs. Karp (Chair), Schwartz, Stern and Dr. Morrisett.

The Corporate Governance, Nominating and Compensation Committee held two meetings during Fiscal 2011. This committee also took action by unanimous written consent on one occasion during Fiscal 2011. The Corporate Governance, Nominating and Compensation Committee’s purposes are:

- o To recommend and review the compensation structure for the company’s senior executives, including the Chief Executive Officer;
 - o To review employee compensation and benefit programs, including risk oversight;
- o To develop and recommend to the Board a set of corporate governance guidelines applicable to the company and to periodically review the guidelines;
- o To oversee the Board’s annual evaluation of its performance and the performance of the other Board committees;
 - o To advise the Board regarding membership and operations of the Board; and
- o To identify individuals qualified to serve as members of the Board, to select, subject to ratification of the Board, the director nominees for the next annual meeting of shareholders and to recommend to the Board individuals to fill vacancies on the Board.

The Corporate Governance, Nominating and Compensation Committee may delegate authority to one or more members of the committee or one or more members of management when appropriate, but no such delegation is allowed if the authority is required by law, regulation or listing standard to be exercised by the Corporate Governance, Nominating and Compensation Committee as a whole. Each of the members of our Corporate Governance, Nominating and Compensation Committee are independent directors as defined in Section 803 of the NYSE MKT listing standards. The Board of Directors has adopted a written charter for the Corporate Governance, Nominating and Compensation Committee, which the Corporate Governance, Nominating and Compensation Committee has reviewed and determined to be in compliance with the rules set forth in the NYSE MKT listing requirements and which is available at www.tucowsinc.com/investors/charters.php.

Board Leadership Structure and Responsibilities

Our Board oversees management’s performance on behalf of our shareholders. The Board’s primary responsibilities are to (1) monitor management’s performance to assess whether we are operating in an effective, efficient and ethical manner to create value for our shareholders, (2) periodically review our long-range plans, business initiatives, capital projects and budget matters and (3) select, oversee and determine compensation for our President and Chief Executive Officer who, with senior management, manages our day-to-day operations.

The Board and its committees meet throughout the year on a set schedule, and also hold special meetings and act by written consent from time to time as appropriate. The independent directors meet without management present at regularly scheduled executive sessions at each quarterly Board meeting and some special Board meetings. The Board has delegated certain responsibilities and authority to its Audit Committee and Corporate Governance, Nominating and Compensation Committee. The Audit Committee periodically discusses with management the company's policies and guidelines regarding risk assessment and risk management, as well as the company's major financial risk exposures and the steps that management has taken to monitor and control such exposures. The Audit Committee also reviews, evaluates and recommends changes to the company's financial reporting policies and procedures. The Corporate Governance, Nominating and Compensation Committee reviews and evaluates the risks underlying the company's compensation policies and plans and recommends changes to these policies and plans accordingly. The Board believes that risk oversight actions taken by the Board and its committees are appropriate and effective at this time.

We believe it is beneficial to separate the roles of Chief Executive Officer and Chairman to facilitate their differing roles in the leadership of our company. The role of the Chairman includes setting the agenda for, and presiding over, all meetings of the Board, including executive sessions of non-management or independent directors, providing input regarding information sent to the Board, serving as liaison between the Chief Executive Officer and the independent directors and providing advice and assistance to the Chief Executive Officer. The Chairman is also a key participant in establishing performance objectives and overseeing the process for the annual evaluation of our Chief Executive Officer's performance. In addition, under our Bylaws, our Chairman has the authority to call special meetings of our Board and shareholders. In contrast, our Chief Executive Officer is responsible for handling our day-to-day management and direction, serving as a leader to the management team and formulating corporate strategy.

Currently our Chairman is Mr. Karp and Mr. Ralls is our Lead Director, while Mr. Noss serves as our Chief Executive Officer. Both Mr. Karp and Mr. Ralls are independent directors. Mr. Karp has extensive executive leadership skills, long-standing senior management and board experience, a strong ethics and compliance focus and audit committee experience. Mr. Ralls has a wealth of industry experience, most notably the experience that he gained through his leadership of Netidentity.com. In addition, Mr. Ralls contributes a unique perspective to the Board's discussions and considerations based on two decades of investing and portfolio management experience.

We believe that a leadership structure for the Board that provides us with the most effective level of oversight over the company's business operations while at the same time enhancing the Board's ability to oversee our enterprise-wide approach to risk management and corporate governance will best serve the interests of our shareholders. Accordingly, in recognition of their respective talents and subject to their reappointment, we will be adopting a leadership structure with Mr. Karp and Mr. Ralls as Co-Chairmen, effectively immediately following the annual meeting.

Our Board believes that both our current and proposed leadership structures allows for appropriate oversight of the company by the Board, fosters appropriate accountability of management and provides a clear delineation of responsibilities for each position. In addition, we believe that both our current and proposed leadership structures allow for a balanced corporate vision and strategy, which is necessary to address the challenges and opportunities we face at this time and demonstrates our commitment to good corporate governance.

Role of the Board in Risk Oversight

One of our Board's key functions is providing oversight of our risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, our Corporate Governance, Nominating and Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking, monitors our major legal compliance risk exposures and our program for promoting and monitoring compliance with applicable legal and regulatory requirements, and our Board is responsible for monitoring and assessing strategic risk exposure and other risks not covered by our committees.

The full Board (or the appropriate committee in the case of risks that are under the purview of a particular committee) receives reports on the risks we face from our Chief Executive Officer or other members of management to enable us to understand our risk identification, risk management and risk mitigation strategies. When a committee receives the report, the chairman of the relevant committee reports on the discussion to the full Board during the committee reports portion of the next Board meeting. However, it is the responsibility of the committee chairs to report findings regarding material risk exposures to the Board as quickly as possible.

Director nomination process.

Our Corporate Governance, Nominating and Compensation Committee is responsible for identifying potential nominees to the Board, and will consider any candidate proposed in good faith by one of our shareholders. As set forth in the charter of the Corporate Governance, Nominating and Compensation Committee, recommendations submitted by the company's shareholders shall be timely submitted, along with the following to the attention of the Chairperson of the Corporate Governance, Nominating and Compensation Committee at 96 Mowat Avenue, Toronto, Ontario M6K 3M1 Canada, the following:

the candidate's name and the information about the individual that would be required to be included in a proxy statement under the rules of the SEC;

- information about the relationship between the candidate and the nominating shareholder;
- the consent of the candidate to serve as a director; and

proof of the number of shares of our common stock that the nominating shareholder owns and the length of time the shares have been owned.

In order for a shareholder nominee to be considered by the Corporate Governance, Nominating and Compensation Committee, the shareholder nomination must be delivered at least 120 days before the date on which we first mailed our proxy materials for our prior year's annual meeting of shareholders. Subject to compliance with statutory or regulatory requirements, our Board of Directors does not expect that candidates recommended by shareholders will be evaluated in a different manner than other candidates.

In considering candidates for nomination, our Board of Directors shall seek individuals who evidence strength of character, mature judgment and the ability to work collegially with others. Furthermore, it is the policy of our Board of Directors that it endeavor to have directors who collectively possess a broad range of skills, expertise, industry and other knowledge and business and other experience useful to the effective oversight of our business; therefore, in considering whether to nominate a person for election as a director, the independent directors and our Board of Directors will consider, among other factors, the contribution such person can make to the collective competencies of the Board based on such person's background. In determining whether to nominate a current director for re-election, the Board will take into account these same criteria as well as the director's past performance, including his or her participation in and contributions to the activities of the Board.

Ethics policy for senior officers.

Our Board of Directors has adopted an ethics policy for our senior officers, including our Chief Executive Officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the ethics policy for senior officers can be obtained without charge from our Internet web site at <http://turowsinc.com/investors/>.

Communications with the Board of Directors.

We provide an informal process for shareholders to send communications to our Board of Directors. If you wish to communicate with our Board of Directors, you may send correspondence to the attention of our Secretary at 96 Mowat Avenue, Toronto, Ontario M6K 3M1 Canada. The Secretary will submit your correspondence to the Chairman of the Board of Directors, the chairman of the appropriate committee, or the appropriate individual director, as applicable.

(1) For the purpose of the table we assumed an annual base salary at the executive's level as of December 31, 2011.

(2) Severance for Mr. Noss is compensation for one year plus one month additional compensation for each completed year of service, capped at 24 months. For Messrs. Cooperman and Woroch, severance compensation is for six months plus one month additional compensation for each completed year of service.

- (3) For the purpose of the table we assumed that the annual incentive bonus target as of December 31, 2011 had been achieved and that no overachievement bonus or special bonuses would be payable.
- (4) For purposes of the above table, these amounts have been calculated based on the following: (i) on termination without cause all unvested options held by Mr. Noss will vest automatically and all unvested options held by Messrs. Cooperman or Woroch will continue to vest through and until the end of any severance period and (ii) on a change in control all unvested options held by Messrs. Noss or Cooperman will vest automatically and that all unvested options held by Mr. Woroch will continue to vest through and until the end of any severance period. Amounts disclosed in this table were calculated using the closing market value of our common stock as of December 31, 2011, minus the exercise price of the option, multiplied by the number of unvested shares of our common stock that would vest under the option. The closing market value of our common stock on December 31, 2011 was \$0.75.
- (5) Pay for unused vacation, extended health, matching registered retirement savings plan benefit, life insurance and accidental death and dismemberment insurance are standard programs offered to all employees and are therefore not reported.

Employment Agreements—Termination

Employment contracts are currently in place for each of the named executive officers. These contracts detail the severance payments that will be provided on termination of employment and the consequent obligations of non-competition and non-solicitation.

The following details the cash severance payment that will be paid to each of the named executive officers in the event of termination without cause or termination for good reason.

Upon termination without cause, Mr. Woroch is entitled to a severance payment in the amount of six months' compensation plus one month's compensation for each additional completed year of service. Severance payments can be made in equal monthly installments. Mr. Woroch is bound by a standard non-competition covenant for a period of twelve months following their termination.

Messrs. Noss and Cooperman's employment agreements are subject to early termination by us in the following circumstances:

- the death or disability of the executive;
- for "cause;" or
- without "cause."

If we terminate Mr. Noss without "cause," he is entitled to receive 12 months of compensation plus one month of compensation for each year of service, to a maximum of 24 months of compensation.

If we terminate Mr. Cooperman's employment without "cause," he is entitled to receive six months of compensation plus one month of compensation for each year of service.

For purposes of the employment agreements, "cause" is defined to mean the executive's conviction (or plea of guilty or nolo contendere) for committing an act of fraud, embezzlement, theft or other act constituting a felony or willful failure or an executive's refusal to perform the duties and responsibilities of his position, which failure or refusal is not

cured within 30 days of receiving a written notice thereof from our Board of Directors.

Employment Agreements—Change in Control

Under their employment agreements, both Messrs. Noss and Cooperman are also entitled to the change in control benefits described in the following paragraph if:

the executive resigns with or without “good reason” within the 30-day period immediately following the date that is six months after the effective date of the “change in control;” or

- within 18 months after a “change in control” and executive’s employment is terminated either:
 - without “cause;” or
 - by resignation for “good reason.”

If an executive’s employment is terminated following a change in control under the circumstances described in the preceding paragraph, the executive is entitled to receive a lump sum payment based upon the fair market value of the company on the effective date of the “change in control” as determined by our Board of Directors in the exercise of good faith and reasonable judgment taking into account, among other things, the nature of the “change in control” and the amount and type of consideration, if any, paid in connection with the “change in control.” Depending on the fair market value of the company, the lump sum payments range from \$375,000 to \$2 million in the case of Mr. Noss, and from \$187,500 to \$1 million in the case of Mr. Cooperman. In addition to the lump sum payments, all stock options held by the executive officers will be immediately and fully vested and exercisable as of the date of termination.

A “change in control” is generally defined as:

- the acquisition of 50% or more of our common stock;
- a change in the majority of our Board of Directors unless approved by the incumbent directors (other than as a result of a contested election); and
- certain reorganizations, mergers, consolidations, liquidations or dissolutions, unless certain requirements are met regarding continuing ownership of our outstanding common stock.

AUDIT COMMITTEE REPORT

The Audit Committee operates pursuant to a formal written charter that was most recently reviewed, approved and adopted by the Audit Committee in March 2012.

In accordance with that charter and the independence criteria prescribed by applicable law and the rules and regulations of the SEC for audit committee membership, each of the members of the Audit Committee is an independent director and meets the NYSE MKT's financial sophistication requirements. Mr. Schwartz has been designated by our Board of Directors as an "audit committee financial expert" pursuant to Item 407(d)(v) of Regulation S-K.

The purposes of the Audit Committee are described on page 12 of this proxy statement under the caption "Corporate Governance—Committees" and in the charter of the Audit Committee. In particular, it is the Audit Committee's duty to review the accounting and financial reporting processes of the company on behalf of the Board. In fulfilling our responsibilities, the Audit Committee has reviewed and discussed the audited consolidated financial statements to be contained in our Annual Report on Form 10-K for the fiscal year ended December 31, 2011, as amended, with our management and also with KPMG LLP, our independent auditors. Management is responsible for the financial statements and the reporting process, including the system of internal controls, and has represented to the Audit Committee that such financial statements were prepared in accordance with generally accepted accounting principles. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States.

The Audit Committee has also discussed with KPMG LLP the matters that are required to be discussed by the auditors with the Audit Committee under Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU § 380), as may be modified or supplemented. Furthermore, the Audit Committee discussed with KPMG LLP their independence from management and the company and KPMG LLP provided the Audit Committee with the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence.

Based on the reviews and discussions referred to above, the Audit Committee has recommended to our Board of Directors that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2011 as filed with the SEC.

In performing all of these functions, the Audit Committee acts in an oversight capacity. The Audit Committee reviews our earnings releases before issuance and the Annual Report on Form 10-K, as amended, prior to filing with the SEC. In its oversight role, the Audit Committee relies on the work and assurances of our management, which has the primary responsibility for financial statements and reports, and of the independent auditors, who, in their report, express an opinion on the conformity of our annual financial statements to accounting principles generally accepted in the United States.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Ratification of appointment.

KPMG LLP has served as our independent auditor since our merger with Tucows Delaware in August 2001. Although shareholder approval is not required, the Board of Directors desires to obtain shareholder ratification of this appointment. If the appointment is not ratified at the annual meeting, the Board of Directors will review its future selection of auditors. A representative of KPMG LLP is expected to be present at the annual meeting and will have the opportunity to make a statement, if he or she desires to do so, and to respond to appropriate questions.

Audit Committee pre-approval of audit and permissible non-audit services of independent auditors.

The Audit Committee has adopted a pre-approval policy that provides guidelines for the audit, audit-related, tax and other non-audit services that may be provided to us by our independent auditors. Under this policy, the Audit Committee pre-approves all audit and certain permissible accounting and non-audit services performed by the independent auditors. These permissible services are set forth on an attachment to the policy that is updated at least annually and may include audit services, audit-related services, tax services and other services. For audit services, the independent auditor provides the Audit Committee with an audit plan including proposed fees in advance of the annual audit. The Audit Committee approves the plan and fees for the audit.

With respect to non-audit and accounting services of our independent auditors that are not pre-approved under the policy, the employee making the request must submit the request to our Chief Financial Officer. The request must include a description of the services, the estimated fee, a statement that the services are not prohibited services under the policy and the reason why the employee is requesting our independent auditors to perform the services. If the aggregate fees for such services are estimated to be less than or equal to \$25,000, our Chief Financial Officer will submit the request to the Chairman of the Audit Committee for consideration and approval, and the engagement may commence upon the approval of the Chairman. The Chairman is required to inform the full Audit Committee of the

services at its next meeting. If the aggregate fees for such services are estimated to be greater than \$25,000, our Chief Financial Officer will submit the request to the full Audit Committee for consideration and approval, generally at its next meeting or special meeting called for the purpose of approving such services. The engagement may only commence upon the approval of full Audit Committee.
