---

**Item 8.01. Other Information.**

On December 30, 2013, Tucows Inc. (the “Company”) filed an Articles of Amendment to the Company’s Fourth Amended and Restated Articles of Incorporation to effect a 1-for-4 reverse stock split of the Company’s common stock, to be deemed effective on December 30, 2013, the date the Articles of Amendment is to be accepted for filing by the Department of State of the Commonwealth of Pennsylvania. As a result of the reverse stock split, every four (4) shares of the Company’s issued and outstanding common stock will be combined into one share of common stock and any fractional shares created by the reverse stock split will be rounded up to the nearest whole share.

The reverse stock split also applies to the issuance of the Company’s common stock pursuant to stock options outstanding immediately prior to the effective date of the reverse stock split. The reverse stock split will reduce the number of shares of the Company’s common stock outstanding from 43,625,048 shares on December 30, 2013 to approximately 10,910,000 shares.

Each shareholder’s percentage ownership interest in the Company and the proportional voting power remain unchanged after the reverse stock split, except for minor changes and adjustments resulting from rounding of fractional interest. The rights and privileges of the holders of the Company’s common stock are unaffected by the reverse stock split.

Beginning with the opening of trading on December 31, 2013, the Company’s common stock will trade on the NASDAQ Stock Market LLC on a split-adjusted basis. The Company’s common stock will continue to trade under the current trading symbol “TCX”. The Amendment to the Company’s Fourth Amended and Restated Articles of Incorporation is filed as Exhibit 3.1 hereto.
