DEREGISTRATION OF SECURITIES

Mesa Laboratories, Inc. (“Mesa Labs” or the “Registrant”) is filing this Post-Effective Amendment No. 1 to the Registration Statement on Form S-3 to deregister all of its securities originally registered by the Registrant pursuant to its Universal Shelf Registration Statement on Form S-3 which was declared effective by the Securities and Exchange Commission (the “Commission”) on April 23, 2015, File No. 333-202487 (the “Registration Statement”), with respect to up to \$130,000,000 of the common stock of the Registrant, no par value per share (the “Common Stock”), and common stock purchase warrants (the “Warrants”), thereby registered for offer or sale pursuant to the Registration Statement.

As of the date hereof, none of the Registrant’s Common Stock or Warrants which were initially registered for issuance under the Registration Statement has been sold. Further, as of April 23, 2018 (three years after the initial effective date of the Registration Statement), the Registration Statement has now expired without any Common Stock or Warrants which were initially registered for issuance and sale under the Registration Statement having been sold.

The Registrant has terminated all offerings of the Common Stock and Warrants pursuant to the Registration Statement. Accordingly, the Registrant hereby removes from registration, by means of this Post-Effective Amendment, all of the shares of Common Stock and Warrants which were registered under the Registration Statement that remained unsold as of the date of this filing.
