Item 8.01 Other Events.

Healthcare Trust of America, Inc. (NYSE:HTA) (“HTA”) announced today that it has revised the record date for the cash dividend for the quarter ending March 31, 2013 to account for a New York Stock Exchange holiday. The dividend will be paid on April 4, 2013 to stockholders of record on March 28, 2013. This dividend, in the amount of \$0.14375 per share, represents an annualized rate of \$0.575 per share and will be paid on all Class A and Class B shares. The previously announced record date of March 29, 2013 falls on a holiday for the New York Stock Exchange. The amount of distributions HTA pays to its stockholders is determined by HTA’s board of directors, at its discretion, and is dependent on a number of factors, including funds available for the payment of distributions, HTA’s financial condition, capital expenditure requirements and annual distribution requirements needed to maintain HTA’s status as a real estate investment trust under the Internal Revenue Code. HTA’s board of directors may reduce its distribution rate and HTA cannot guarantee the amount of distributions paid in the future, if any.
