## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Stockholders  
of Preferred Apartment Communities, Inc.

We have audited the accompanying combined statement of revenues and certain expenses for Village at Baldwin Park ("the Acquired Property") for the year ended December 31 2015.

### Management's Responsibility for the Combined Statement of Revenues and Certain Expenses

Management is responsible for the preparation and fair presentation of the combined statement of revenues and certain expenses in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the combined statement of revenues and certain expenses that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the combined statement of revenues and certain expenses based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined statement of revenues and certain expenses is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement of revenues and certain expenses. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the combined statement of revenues and certain expenses, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Company's preparation and fair presentation of the combined statement of revenues and certain expenses in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined statement of revenues and certain expenses. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the combined statement of revenues and certain expenses of the Acquired Property presents fairly, in all material respects, the revenues and certain operating expenses described in Note 1 of the Acquired Property for the period ended December 31, 2015 in accordance with accounting principles generally accepted in the United States of America.

### Emphasis of Matter

The accompanying combined statement of revenues and certain expenses were prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission as described in Note 2 and are not intended to be a complete presentation of the Acquired Property's revenues and expenses. Our opinion is not modified with respect to this matter.

VILLAGE AT BALDWIN PARK

NOTES TO THE STATEMENTS OF REVENUE AND CERTAIN EXPENSES

1. ACQUIRED PROPERTY

Preferred Apartment Communities, Inc. (the "Company") is a majority owner in Preferred Apartment Communities Operating Partnership, L.P., which acquired the Village at Baldwin Park, a 528-unit multifamily community located in Orlando, Florida ("Baldwin Park") from an unaffiliated third party (the "Seller") on January 5, 2016. The accompanying combined statement of revenues and certain operating expenses for the year ended December 31, 2015 of Baldwin Park represents revenues and results of operations for the period preceding the acquisition of Baldwin Park by the Company. Prior to January 5, 2016, the Seller was responsible for the accounting and management decisions of Baldwin Park.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Presentation

The accompanying combined statement of revenues and certain expenses has been prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended, and accordingly, is not representative of the actual results of operations of the properties for the period presented, due to the exclusion of the following revenues and expenses which may not be comparable to the proposed future operations of Baldwin Park:

• Depreciation and amortization

• Interest income and expense

• Amortization of in place leases and above and below market leases

• Other miscellaneous revenue and expenses not directly related to the proposed future operations of the properties.

Except as noted above, management is not aware of any material factors relating to the properties that would cause the reported financial information not to be indicative of future operating results. In the opinion of management, all adjustments (consisting solely of normal recurring adjustments) necessary for the fair presentation of this combined statement of revenues and certain expenses have been included.

B. Use of Estimates

The preparation of the combined statement of revenues and certain expenses in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of revenues and certain expenses. Actual results could differ from those estimates.

C. Revenue Recognition

Residential properties are leased under operating leases with terms generally of one year or less. Rental revenue for residential leases, which include period of free rent and/or scheduled increases in rental rates over the term of the lease, are recognized on a straight-line basis.

D. Advertising costs

Advertising costs are expensed when incurred. Advertising costs for the year ended December 31, 2015 totaled \$48,724 and are included in miscellaneous operating expenses.

E. Tenants' accounts receivable and bad debt

Tenants' accounts receivable are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. GAAP requires that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off

F-4

NOTES TO THE STATEMENTS OF REVENUE AND CERTAIN EXPENSES

method is not materially different from the results that would have been obtained under the allowance method.

F. Operating expenses

Operating expenses represent the direct expenses of operating the properties and consist primarily of real estate taxes, payroll, repairs and maintenance, utilities, management fees, insurance and other operating expenses that are expected to continue in the proposed future operations of the properties.

3. RELATED PARTY

In connection with the management of the rental operations, a property management fee is paid to The Morgan Group, an affiliate. The property management fee is based on the greater of \$8,500 per month and 3.5% of gross rental income, as defined in the Management Agreement. For the year ended December 31, 2015, property management fees of \$331,878 were charged to Baldwin Park. The Morgan Group is also entitled to reimbursement of gross salaries, payroll taxes and benefits of those employees that operate, manage and maintain Baldwin Park. Such reimbursements totaled \$192,057 for the year ended December 31, 2015.

4. COMMITMENTS AND CONTINGENCIES

Liabilities for loss contingencies arising from claims, assessments, litigation, fines, penalties and other sources are recorded when it is probable that a liability has been incurred and the amount of the assessment can be reasonably estimated. Legal costs incurred in connection with loss contingencies are expensed as incurred. There is no material litigation nor to management's knowledge is any material litigation currently threatened against the properties other than routine litigation, claims and administrative proceedings arising in the ordinary course of business.

5. SUBSEQUENT EVENTS

Events that occurred after December 31, 2015 but before the combined financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at December 31, 2015 are recognized in the accompanying combined financial statements. Subsequent events which provide evidence about conditions that existed after December 31, 2015 require disclosure in the accompanying notes. Management evaluated the activity of Baldwin Park through July 15, 2016 (the date the combined financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the combined financial statements or disclosure in the notes to combined statement of revenues and certain operating expenses.

6. CONCENTRATION OF RISK

The Property is located in Orlando, Florida and is subject to the risks of real property ownership and local and national economic growth trends.

To the Board of Directors and Stockholders

Preferred Apartment Communities, Inc.

We have audited the accompanying combined statements of revenues and certain expenses of the Southeastern 6 Portfolio for the year ended December 31, 2015, and the related notes (the Historical Summary).

### Management's Responsibility for the Historical Summary

Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summary is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Historical Summary. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Historical Summary, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Historical Summary in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Historical Summary.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the Historical Summary referred to above presents fairly, in all material respects, the combined revenues and certain expenses described in note 2 of Southeastern 6 Portfolio for the year ended December 31, 2015, in accordance with U.S. generally accepted accounting principles.

### Emphasis of Matter

We draw attention to note 2 of the Historical Summary, which describes that the accompanying combined statements of revenues and certain expenses was prepared for the purpose of complying with the rules and regulations of Securities and Exchange Commission (for inclusion in the filing of Form 8-k of Preferred Apartment Communities, Inc.) and is not intended to be a complete presentation of the Southeastern 6 Portfolio's revenues and expenses. deferred loan origination costs are to be amortized over the lives of the loans using the effective interest method and include loan coordination fees of \$2,684,800, which were paid to the Company's Manager. The pro forma adjustment to cash was calculated as follows:

Proceeds from mortgage debt financing on Southeastern 6 Portfolio and Avalon Park	\$90,000,000
Proceeds from draw on revolving line of credit	68,000,000
less:	
Purchase price of Southeastern 6 Portfolio and Avalon Park	(161,150,000)
Loan coordination fees	(1,440,000 )
Deferred loan costs	(1,814,715 )
Net cash adjustment	\$(6,404,715 )

(C) The adjustment to accumulated deficit is to reflect the pro forma loan coordination fee due to the Manager of 1.6% of the amount of debt placed on the Southeastern 6 Portfolio and Avalon Park.

3. Adjustments to Unaudited Pro Forma Condensed Consolidated Statements of Operations

The adjustments to the Unaudited Pro Forma Condensed Consolidated Statement of Operations for the three months ended March 31, 2016 are as follows:

(AA) Reflected in the pro forma adjustment is the Company's estimate of the amount of below-market retail leases which are to be amortized into income over the actual underlying lease terms.

(BB) Effective with the purchase of Avalon Park by the Company, the management will be assumed by Preferred Residential Management, an affiliate of the Company and the property management fee will be 4% of monthly gross rental income, as stipulated in the Management Agreement. The Southeastern 6 Portfolio will be managed in tandem by New Market Advisors, an affiliate of the Company and another unrelated third party. The management fee will be 4% of monthly gross rental income for all the assets except for Anderson Central, which will be charged 3% of gross monthly income. The pro forma adjustments reflect this additional cost burden on the Acquired Properties' operations.

(CC) Reflected in the pro forma adjustment is the Company's estimate of the depreciation and amortization charges that would have been incurred by Avalon Park, the Southeastern 6 Portfolio, and the pro forma adjusted depreciation and amortization for Baldwin Park. The adjustments utilize a straight-line depreciation method using 40 year remaining useful lives for buildings, five to ten years for acquired furniture, fixtures and equipment, and for remaining lease terms ranging from one month to 12.5 years for tenant improvements in the Southeastern 6 Portfolio. Also included is the amortization of the estimated fair values of the acquired intangible assets for the Southeastern 6 Portfolio, which are also to be amortized over the actual remaining lease terms ranging from one month to 12.5 years.

(DD) The Company had recorded due diligence costs related to the Acquired Properties during the three months ended March 31, 2016 of approximately \$2.0 million. These costs are removed for pro forma purposes.

(EE) The estimated asset management fee is based on 0.5% of the total value of the Company's assets based on their adjusted cost before reduction for depreciation, amortization, impairment charges and cumulative acquisition costs charged to expense in accordance with GAAP (adjusted cost will include the purchase price, acquisition expenses, capital expenditures and other customarily capitalized costs). In calculating the estimated asset management fee, the Company used the total acquired assets from the Acquired Properties, as adjusted, plus the pro forma loan

coordination fees incurred. In addition, a similar adjustment is included for general and administrative expense fees, recorded as 2% of gross revenues of the Acquired Properties for the three months ended March 31, 2016.

Notes to Unaudited Pro Forma Condensed Consolidated Financial Statements

(FF) Reflected in the pro forma adjustment is the Company's estimate of interest expense on the \$90 million of mortgage debt, the amortization of associated debt issuance costs, and interest accrued on the drawn proceeds from the Company's revolving line of credit of \$68 million. The Company obtained a mortgage in the amount of \$65 million on Avalon Park, which matures on June 5, 2019 and accrues interest at a variable rate of the monthly London Interbank Offered Rate ("1 Month LIBOR"), plus a spread of 245 basis points per annum. The Company obtained individual mortgages on each property within the Southeastern 6 Portfolio totaling \$25 million, each of which mature on May 1, 2026 and accrue interest at a fixed rate of rate of 3.97% per annum. The revolving line of credit bears interest at a rate of 1 Month LIBOR, plus a spread of 325 basis points per annum. If 1 Month LIBOR were to fluctuate upward or downward by 1/8%, it would result in an increase or decrease in interest expense of \$52,500 for the pro forma three month period ended March 31, 2016.

(GG) Outstanding Class A Units of the Operating Partnership become entitled to pro-rata distributions of profit and allocations of loss as non-controlling interests of the Operating Partnership. The weighted-average percentage of ownership by the non-controlling interests was approximately 2.6% for the three months ended March 31, 2016. This adjustment reflects the pro-rata adjustment to the amount of net income (loss) attributable to the non-controlling interests.

The adjustments to the Unaudited Pro Forma Condensed Consolidated Statement of Operations for the year ended December 31, 2015 are as follows:

Also included is the amortization of the estimated fair values of the acquired intangible assets for the Southeastern 6 Portfolio, which are also to be amortized over the actual remaining lease terms ranging from one month to 12.5 years and the pro forma in-place leases for Avalon Park and Baldwin Park, which are assumed to have been amortized in full during the year ended December 31, 2015.

(DD) The estimated asset management fee is based on 0.5% of the total value of the Company's assets based on their adjusted cost before reduction for depreciation, amortization, impairment charges and cumulative acquisition costs charged to expense in accordance with GAAP (adjusted cost will include the purchase price, acquisition expenses, capital expenditures and other customarily capitalized costs). If 1 Month LIBOR were to fluctuate

upward or downward by 1/8%, it would result in an increase or decrease in interest expense of \$307,250 for the pro forma twelve-month period ended December 31, 2015.

(FF) Outstanding Class A Units of the Operating Partnership become entitled to pro-rata distributions of profit and allocations of loss as non-controlling interests of the Operating Partnership. The weighted-average percentage of ownership by the non-controlling interests was approximately 1.24% for the twelve months ended December 31, 2015. This adjustment reflects the pro-rata adjustment to the amount of net income (loss) attributable to the non-controlling interests.
