ANNUAL MEETING OF SHAREHOLDERS
To Be Held February 1, 2018

PROXY STATEMENT

The Board of Directors of Marathon Patent Group, Inc. (the “Company”) is soliciting proxies from its shareholders to be used at the annual meeting of shareholders (the “Annual Meeting”) to be held at the law offices of Sichenzia Ross Ference Kesner LLP, 1185 Avenue of the Americas, 37th Floor, New York, NY 10036, on February 1, 2018, beginning at 10:30 a.m. EST, and at any postponements or adjournments thereof. This proxy statement contains information related to the Annual Meeting. This proxy statement and the accompanying form of proxy are first being sent to shareholders on or about January 2, 2018.

ABOUT THE ANNUAL MEETING

Why did I receive these materials?

Our Board of Directors (the “Board”) is soliciting proxies for the 2017 Annual Meeting. You are receiving a proxy statement because you owned shares of our common stock on January 11, 2018 (the “Record Date”) and that entitles you to vote at the meeting. By use of a proxy, you can vote whether or not you attend the meeting. This proxy statement describes the matters on which we would like you to vote and provides information on those matters so that you can make an informed decision.

What information is contained in this proxy statement?

The information in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, our Board, the compensation of Directors and Executive Officers and other information that the Securities

and Exchange Commission requires us to provide annually to our shareholders.

Who is entitled to vote at the meeting?

Holders of our voting capital stock as of the close of business on the Record Date will receive notice of, and be eligible to vote at, the Annual Meeting and at any adjournment or postponement of the Annual Meeting. At the close of business on the Record Date, we had outstanding and entitled to vote _____ shares of common stock; one share of Series B Preferred Stock, convertible into 1 share of common stock; and 5,480.65 shares of Series E Preferred Stock, convertible into 5,067,435 shares of common stock, which vote is subject to the 4.99% beneficial ownership limitation.

How many votes do I have?

Each outstanding share of our common stock you owned as of the Record Date will be entitled to one vote for each matter considered at the meeting. There is no cumulative voting.

Who can attend the meeting?

Only persons with evidence of stock ownership as of the Record Date or who are invited guests of the Company may attend and be admitted to the Annual Meeting of the shareholders. Shareholders with evidence of stock ownership as of the record date may be accompanied by one guest. Photo identification may be required (a valid driver's license, state identification or passport). If a shareholder's shares are registered in the name of a broker, trust, bank or other nominee, the shareholder must bring a proxy or a letter from that broker, trust, bank or other nominee or their most recent brokerage account statement that confirms that the shareholder was a beneficial owner of shares of stock of the Company as of the Record Date. Since seating is limited, admission to the meeting will be on a first-come, first-served basis.

Cameras (including cell phones with photographic capabilities), recording devices and other electronic devices will not be permitted at the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the voting power of our capital stock issued and outstanding on the Record Date will constitute a quorum, permitting the conduct of business at the meeting. Proxies received but marked as abstentions or broker non-votes, if any, will be included in the calculation of the number of votes considered to be present at the meeting for purposes of a quorum.

How do I vote?

If you are a holder of record (that is, your shares are registered in your own name with our transfer agent), you can vote either in person at the Annual Meeting or by proxy without attending the Annual Meeting. We urge you to vote by proxy even if you plan to attend the Annual Meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting.

Each shareholder receiving proxy materials by mail may vote by proxy by using the accompanying proxy card. When you return a proxy card that is properly signed and completed, the shares represented by your proxy will be voted as you specify on the proxy card.

If you hold your shares in "street name," you must either direct the bank, broker or other record holder of your shares as to how to vote your shares, or obtain a proxy from the bank, broker or other record holder to vote at the meeting. Please refer to the voter instruction cards used by your bank, broker or other record holder for specific instructions on methods of voting, including by telephone or by using the Internet.

Your shares will be voted as you indicate. If you return the proxy card but you do not indicate your voting preferences, then your shares will not be voted with respect to any proposal. The Board and management do not intend to present any matters at this time at the Annual Meeting other than those outlined in the notice of the Annual Meeting. Should any other matter requiring a vote of shareholders arise, shareholders returning the proxy card confer upon the individuals designated as proxy's discretionary authority to vote the shares represented by such proxy on any such other matter in accordance with their best judgment.

Can I change my vote?

Yes. If you are a shareholder of record, you may revoke or change your vote at any time before the proxy is exercised by filing a notice of revocation with our Secretary or by mailing a proxy bearing a later date or by attending the Annual Meeting and voting in person. For shares you hold beneficially in “street name,” you may change your vote by submitting new voting instructions to your bank, broker, other record holder of your shares or other nominee or, if you have obtained a legal proxy from your bank, broker, other record holder of your shares or other nominee giving you the right to vote your shares, by attending the meeting and voting in person. In either case, the powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

Who is soliciting this proxy?

We are soliciting this proxy on behalf of our Board of Directors and will pay all expenses associated with this solicitation. In addition to mailing these proxy materials, certain of our officers and other employees may, without compensation other than their regular compensation, solicit proxies through further mailing or personal conversations, or by telephone, facsimile or other electronic means. We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of our stock and to obtain proxies.

Will shareholders be asked to vote on any other matters?

To the knowledge of the Company and its management, shareholders will vote only on the matters described in this proxy statement. However, if any other matters properly come before the meeting, the persons named as proxies for shareholders will vote on those matters in the manner they consider appropriate.

What vote is required to approve each item?

Election of the Class III director requires a plurality of the votes cast at the Annual Meeting. The approval of (i) the issuance of securities in one or more non-public offerings where the maximum discount at which securities will be offered will be equivalent to a discount of 25% below the market price of our common stock, as required by and in accordance with Nasdaq Marketplace Rule 5635(d), (ii) any change of control that could result from the potential issuance of securities in the non-public offerings following approval of Proposal 1, as required by and in accordance with Nasdaq Marketplace Rule 5635(b), (iii) the advisory resolution on executive compensation, (iv) the Say-on-Pay Frequency Vote, (v) the adoption of the Company's 2018 Equity Incentive Plan, including the reservation of 10,000,000 shares of Common Stock thereunder, and (vi) the ratification of the appointment of RBSM, LLP ("RBSM") requires the affirmative vote of a majority of the votes cast for these proposals.

How are votes counted?

With regard to the election of directors, votes may be cast in favor or withheld and votes that are withheld will be excluded entirely from the vote and will have no effect. You may not cumulate your votes for the election of directors.

For the other proposals that are deemed non-routine, you may vote "FOR," "AGAINST" or "ABSTAIN." Abstentions and broker non-votes will not be counted as votes cast either for or against any of the non-routine proposals being presented to shareholders and will have no impact on the result of the vote. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name, as defined below, on these non-routine proposals only if the brokerage firm has received voting instructions from their clients. Such broker non-votes will not be considered in determining the number of votes necessary for approval of these non-routine proposals and will have no effect on the outcome, although they will be counted towards determining whether a quorum exists.

If you hold your shares in "street name," the Company has supplied copies of its proxy materials for its 2017 Annual Meeting to the broker, bank or other nominee holding your shares of record and they have the responsibility to send

these proxy materials to you. Your broker, bank or other nominee that have not received voting instructions from their clients may not vote on any proposal other than the appointment of RBSM. These so-called “broker non-votes” will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum, but will not be considered in determining the number of votes necessary for approval of any of the proposals and will have no effect on the outcome of any of the proposals. Your broker, bank or other nominee is permitted to vote your shares on the appointment of RBSM as our independent auditor without receiving voting instructions from you.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please vote your shares applicable to each proxy card and voting instruction card that you receive.

How can I find out the Results of the Voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K, which we will file within four business days of the Annual Meeting.

Do I Have Dissenters' Rights of Appraisal?

Under the Nevada Revised Statutes and our charter documents, holders of our common stock will not be entitled to statutory rights of appraisal, commonly referred to as dissenters' rights or appraisal rights (i.e., the right to seek a judicial determination of the "fair value" of their shares and to compel the purchase of their shares for cash in that amount) with respect to the proposals contained herein.

What Interest Do Officers and Directors Have in Matters to Be Acted Upon?

No person who has been a director or executive officer of the Company at any time since the beginning of our fiscal year, and no associate of any of the foregoing persons, has any substantial interest, direct or indirect, in any matter to be acted upon, other than Proposal No. 3, the election of the nominee as a Class III director set forth herein.

Householding of Annual Disclosure Documents

The SEC previously adopted a rule concerning the delivery of annual disclosure documents. The rule allows us or brokers holding our shares on your behalf to send a single set of our annual report and proxy statement to any household at which two or more of our shareholders reside, if either we or the brokers believe that the shareholders are members of the same family. This practice, referred to as "householding," benefits both shareholders and us. It reduces the volume of duplicate information received by you and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once shareholders receive notice from their brokers or from us that communications to their addresses will be "household," the practice will continue until shareholders are otherwise notified or until they revoke their consent to the practice. Each shareholder will continue to receive a separate proxy card or voting instruction card.

Those shareholders who either (i) do not wish to participate in "householding" and would like to receive their own sets of our annual disclosure documents in future years or (ii) who share an address with another one of our shareholders and who would like to receive only a single set of our annual disclosure documents should follow the instructions described below:

shareholders whose shares are registered in their own name should contact our transfer agent, Equity Stock Transfer LLC, and inform them of their request by calling them at (212) 575-5757 or writing them at 237 W. 37th Street, Suite 601, New York, NY 10018.

shareholders whose shares are held by a broker or other nominee should contact such broker or other nominee directly and inform them of their request, shareholders should be sure to include their name, the name of their brokerage firm and their account number.

The following table sets forth certain information regarding beneficial ownership of our common stock as of December 8, 2017: (i) by each of our directors, (ii) by each of the Named Executive Officers, (iii) by all of our executive officers and directors as a group, and (iv) by each person or entity known by us to beneficially own more than five percent (5%) of any class of our outstanding shares. On November 1, 2017, the Company and Doug Croxall entered into an amendment (“Retention Amendment”) to Retention Agreement dated August 22, 2017, as amended and restated on August 30, 2017 (the “Retention Agreement”), whereby his tenure as Chief Executive Officer of the Company would be extended through and until December 31, 2017. Pursuant to the Retention Amendment, Mr. Croxall’s monthly base compensation was adjusted to \$30,000 per month through December 31, 2017 and upon execution of an Agreement and Plan of Merger by and between the Company and Global Bit Ventures, Inc. dated as of November 1, 2017 (the “Merger”), fifty (50%) percent of the remaining retention bonus, in the amount of \$187,500, would be immediately paid to Mr. Croxall, with the remainder to be paid upon close of the Merger. In addition, the Company and Mr. Croxall entered into a Voting and Standstill Agreement on November 1, 2017 whereby Mr. Croxall agreed to vote all of the shares he either directly or beneficially owns at the recommendation of the Board and to not sell any shares until ten (10) days after a change of control as defined in the Retention Agreement.

On September 29, 2017, pursuant to the Retention Agreement with Mr. Croxall, the Company executed an Irrevocable Stock Power to transfer and assign one hundred (100%) percent of its beneficial ownership of the shares of common stock of 3D Nanocolor Corp. to Mr. Croxall.

On September 7, 2017, the Company entered into a Lock-up Agreement with Mr. Croxall (the “Lock-up Agreement”). The Lock-Up Agreement also amends the Amended and Restated Retention Agreement, dated August 30, 2017, by and between the Company and Mr. Croxall (the “Amended and Restated Agreement”, and together with the Lock-up Agreement, the “Croxall Agreements”). Under the Croxall Agreements, 700,000 restricted shares of common stock issuable to Mr. Croxall in connection with their respective agreements also become subject to a lock-up provision pursuant to the terms and subject to the conditions set forth in the Croxall Agreements.

On September 1, 2017, the Company entered into a Share Purchase Agreement (the “Purchase Agreement”) whereby a wholly-owned subsidiary of the Company, Marathon Group, S.A. (“Marathon SA”), sold its shares of Munitech IP S.a.r.l. (“Munitech”) to GPat Technologies, LLC (“GPat”). Pursuant to the Purchase Agreement, Marathon SA transferred the shares to GPat and the Company paid GPat \$25,000, in return for which, GPat acquired all the shares of Munitech, along with all assets and liabilities of Munitech.

On August 31, 2017, the Company entered into an AP Settlement Agreement with Medtronic, Inc. pursuant to which the Company settled its outstanding invoices with Medtronic, Inc. in the aggregate amount of \$600,000 in exchange for a payment of \$220,000.

On August 31, 2017, the Company and Erich Spangenberg entered into a Consulting Termination and Release Agreement (the “Termination Agreement”), pursuant to which the consulting agreement dated as of August 3, 2017, by and between Mr. Spangenberg and the Company was terminated and of no further force and effect, and Mr. Spangenberg is no longer entitled to any compensation from the Company. In consideration for the foregoing, the Company entered into a new Consulting Agreement on August 31, 2017, with Page Innovations, LLC (“Page”), an entity designated by Mr. Spangenberg, whereby Mr. Spangenberg shall provide advice and consulting services to the Company, as an independent contractor, with respect to the business of the Company as may be requested by the Company from time to time, not to exceed one (1) hour per day or ten (10) hours in any calendar month, for which, Page will be granted 100,000 shares of restricted common stock of the Company.

On August 30, 2017, the Company entered into a revised employment Agreement with James Crawford, the Company’s Chief Operating Officer (the “Crawford Agreement”), pursuant to which (a) the employment agreements between Mr. Crawford and the Company were terminated and of no further force and effect, and Mr. Crawford is no longer entitled to any payment relating to severance, change of control of the Company or termination pay from the Company, and (b) Mr. Crawford shall continue to serve as the Chief Operating Officer until such time as provided in the Crawford Agreement. In consideration for the foregoing, pursuant to the Crawford Agreement, Mr. Crawford shall

receive from the Company monthly compensation in the amount of \$7,500.

On August 30, 2017, the Company entered into a Retention Agreement with Francis Knuettel II, the Company's Chief Financial Officer (the "Knuettel Retention Agreement"), pursuant to which the existing employment agreement between Mr. Knuettel and the Company was terminated. Pursuant to the Knuettel Retention Agreement, Mr. Knuettel shall continue to serve as Chief Financial Officer until such time as provided in the Knuettel Retention Agreement through March 31, 2017, unless earlier terminated in accordance with the Knuettel Retention Agreement. Pursuant to the Knuettel Retention Agreement, Mr. Knuettel shall be entitled to receive: (i) a monthly consulting fee in the amount of \$15,000 for a period of six (6) months commencing on October 1, 2017, (ii) 200,000 shares of restricted common stock of the Company, which was subject to shareholder approval of the Company's 2017 Equity Incentive Plan, and (iii) medical and other insurance benefits through the end of March 2018.

Other than disclosed herein, there were no transactions during the year ended December 31, 2016 or any currently proposed transactions, in which the Company was or is to be a participant and the amount involved exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest.

Review, Approval or Ratification of Transactions with Related Persons

We have not adopted written policies and procedures specifically for related person transactions. Our Board is responsible for approving all related party transactions. The independent directors that are on our Board are responsible to approve all related party transactions that involve Mr. Okamoto, if any.

PROPOSAL NO. 1

APPROVAL OF ISSUANCE OF SECURITIES IN ONE OR MORE NON-PUBLIC OFFERINGS WHERE THE MAXIMUM DISCOUNT AT WHICH SECURITIES WILL BE OFFERED WILL BE EQUIVALENT TO A DISCOUNT OF 25% BELOW THE MARKET PRICE OF OUR COMMON STOCK, IN ACCORDANCE WITH NASDAQ MARKETPLACE RULE 5635(d)

Our common stock is currently listed on the Nasdaq Capital Market and, as such, we are subject to Nasdaq Marketplace Rules. Nasdaq Marketplace Rule 5635(d) (“Rule 5635(d)”) requires us to obtain shareholder approval prior to the issuance of our common stock in connection with certain non-public offerings involving the sale, issuance or potential issuance by the Company of common stock (and/or securities convertible into or exercisable for common stock) equal to 20% or more of the common stock outstanding before the issuance. Shares of our common stock issuable upon the exercise or conversion of warrants, options, debt instruments, preferred stock or other equity securities issued or granted in such non-public offerings will be considered shares issued in such a transaction in determining whether the 20% limit has been reached, except in certain circumstances such as issuing warrants that are not exercisable for a minimum of six months and have an exercise price that exceeds market value. We may effectuate the approved offerings or transactions in one or more transactions, subject to the limitations herein.

We may seek to raise additional capital to implement our business strategy and enhance our overall capitalization. We have not determined the particular terms for such prospective offerings. Because we may seek additional capital that triggers the requirements of Rule 5635(d), we are seeking shareholder approval now, so that we will be able to move quickly to take full advantage of any opportunities that may develop in the equity markets.

We hereby submit this Proposal No. 1 to our shareholders for their approval of the potential issuance of shares of our common stock, or securities convertible into our common stock, in one or more non-public capital-raising transactions, or offerings, subject to the following limitations:

The maximum discount at which securities will be offered (which may consist of a share of common stock and a warrant for the issuance of up to an additional share of common stock) will be equivalent to a discount of 25% below the market price of our common stock at the time of issuance in recognition of the limited public float of our traded common stock and historical volatility making the pricing discount of our stock required by investors at any particular time difficult, at this time, to predict. For example, as reported in our Annual Report on Form 10-K filed with the SEC on March 30, 2016, the range of high and low closing prices for our common stock as reported by the Nasdaq Capital Market, for the period December 31, 2014 through December 31, 2015 was \$8.43 and \$1.34, respectively;

The aggregate number of shares issued in the offerings will not exceed 50,000,000 shares of our common stock, subject to adjustment for any reverse stock split effected prior to the offerings (including pursuant to preferred stock, options, warrants, convertible debt or other securities exercisable for or convertible into common stock);

The total aggregate consideration will not exceed \$100,000,000;

Such offerings will occur, if at all, on or before December 15, 2018, unless a shorter time is required by Nasdaq; and

Such other terms as the Board of Directors shall deem to be in the best interests of the Company and its shareholders, not inconsistent with the foregoing.

The issuance of shares of our common stock, or other securities convertible into shares of our common stock, in accordance with any offerings would dilute, and thereby reduce, each existing shareholder's proportionate ownership in our common stock. The shareholders do not have preemptive rights to subscribe to additional shares that may be issued by the Company in order to maintain their proportionate ownership of the common stock.

The issuance of shares of common stock in one or more non-public offerings could have an anti-takeover effect. Such issuance could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary corporate transaction opposed by the Company.

The Board has not yet determined the terms and conditions of any offerings. As a result, the level of potential dilution cannot be determined at this time, but as discussed above, we may not issue more than 50,000,000 shares of common stock in the aggregate pursuant to the authority requested from shareholders under this proposal (subject to adjustment for any reverse stock split). It is possible that if we conduct a non-public stock offering, some of the shares we sell could be purchased by one or more investors who could acquire a large block of our common stock. This would concentrate voting power in the hands of a few shareholders who could exercise greater influence on our operations or the outcome of matters put to a vote of shareholders in the future.

We cannot determine what the actual net proceeds of the offerings will be until they are completed, but as discussed above, the aggregate dollar amount of the non-public offerings will be no more than \$100,000,000. If all or part of the offerings is completed, the net proceeds will be used for general corporate purposes. We currently have no arrangements or understandings regarding any specific transaction with investors, so we cannot predict whether we will be successful should we seek to raise capital through any offerings.

Vote Required

The affirmative vote of a majority of the votes cast for this proposal is required to approve the issuance of securities in one or more non-public offerings, as required by and in accordance with Nasdaq Marketplace Rule 5635(d).

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THIS PROPOSAL NO. 1.

PROPOSAL NO. 2

APPROVAL OF ANY CHANGE OF CONTROL THAT COULD RESULT FROM THE POTENTIAL ISSUANCE OF SECURITIES IN ONE OR MORE NON-PUBLIC OFFERINGS AS AUTHORIZED BY THE SHAREHOLDERS IN PROPOSAL NO. 1, IN ACCORDANCE WITH NASDAQ MARKETPLACE RULE 5635(b)

Nasdaq Marketplace Rule 5635(b) requires us to obtain shareholder approval prior to certain issuances with respect to common stock or securities convertible into common stock which will result in a change of control of the Company. This rule does not specifically define when a change in control of a Company may be deemed to occur. However, guidance suggests that a change of control would occur, subject to certain limited exceptions, if after a transaction a person or an entity will hold 20% or more of the Company's then outstanding capital stock. For the purpose of calculating the holdings of such person or entity, the Nasdaq Capital Market would take into account, in addition to the securities received by such person or entity in the transaction, all of the shares owned by such person or entity unrelated to the transaction and would assume the conversion of any convertible securities held by such person or entity. We do not anticipate that the issuance of securities pursuant to Proposal No. 1, if authorized by the shareholders, will result in a change in control. We are seeking the shareholders' approval on any change in control in accordance with Nasdaq Marketplace Rule 5635(b) in the event that potential issuance of securities in the offerings proposed in Proposal No. 1 would result in a change in control.

Shareholders should note that a change of control as described under Nasdaq Marketplace Rule 5635(b) applies only with respect to the application of such Nasdaq rule. Neither Nevada law nor our articles of incorporation or bylaws requires us to obtain shareholder approval of such change in control.

Vote Required

The affirmative vote of a majority of the votes cast for this proposal is required to approve any change of control that could result from the potential issuance of securities in the non-public offerings following approval of Proposal No. 1, as required by and in accordance with Nasdaq Marketplace Rule 5635(b).

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THIS PROPOSAL NO. 2.

PROPOSAL NO. 4

ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, we included a shareholder vote on the frequency of future shareholder votes to approve named executive officer compensation (commonly referred to as a “say-on-pay” vote) in our proxy statement related to our 2014 annual meeting of shareholders. In that vote, which was advisory and nonbinding, our shareholders approved the recommendation of the Board of Directors to hold future say-on-pay votes every three years. The shareholder vote on the frequency of future say-on-pay votes is set forth in Proposal No. 5 herein.

We are asking shareholders to approve an advisory resolution on the Company’s 2016 executive compensation as reported in this proxy statement. As described in this proxy statement, our compensation policies and determinations, including those made for fiscal year 2016, have been the product of discussions between our entire Board. Our Compensation Committee will make all compensation decisions regarding executive compensation in future periods. Accordingly, the compensation paid to our named executive officers for fiscal year 2016 is not necessarily indicative of how we will compensate our named executive officers in the future.

We urge shareholders to read the “Executive Compensation” section beginning on page 16 of this proxy statement, as well as the Summary Compensation Table and other related compensation tables and narrative in this proxy statement, which provide detailed information on the compensation of our named executive officers.

In accordance with Section 14A of the Exchange Act, and as a matter of good corporate governance, we are asking shareholders to approve the following advisory resolution:

RESOLVED, that the shareholders of Marathon Patent Group, Inc. (the “Company”) approve, on an advisory basis, the 2016 compensation of the Company’s named executive officers disclosed in the Executive Compensation section and the related compensation tables, notes and narrative in the Proxy Statement for the Company’s 2017 Annual Meeting of Shareholders.

This advisory resolution, commonly referred to as a “say-on-pay” resolution, is non-binding on the Board. Although non-binding, the Board will review and consider the voting results when making future decisions regarding our executive compensation program.

Vote Required

Approval of this proposal requires that votes cast in favor of the proposal exceed the votes cast against the proposal. Because your vote is advisory, the result will not be binding upon the Company. Although not binding, the Compensation Committee of the Board and the Board values the opinions of our shareholders and will consider the outcome of the vote, along with other relevant factors, in deciding whether any actions are necessary to address any concerns raised by the vote and when making future compensation decisions for named executive officers.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THIS PROPOSAL NO. 4.

PROPOSAL NO. 5

ADVISORY VOTE ON THE FREQUENCY OF THE SHAREHOLDERS' SAY ON PAY

We are including in this proxy statement a separate non-binding shareholder vote to advise on whether the say-on-pay vote should occur every one, two or three years. You have the option to vote for any one of the three options, or to abstain on the matter.

The Board has determined that an advisory vote on executive compensation every three years is the best approach for the Company based on a number of considerations, including the following:

Our compensation program is designed to induce performance over a multi-year period. A vote held every three years would be more consistent with, and provide better input on, our long-term compensation, which constitutes a significant portion of the compensation of our named executive officers;

A three-year vote cycle gives the Board sufficient time to thoughtfully consider the results of the advisory vote and to implement any desired changes to our executive compensation policies and procedures; and

A three-year cycle will provide shareholders sufficient time to evaluate the effectiveness of our short- and long-term compensation strategies and the related business outcomes of the Company.

Vote Required

Although the vote is non-binding, our Board of Directors and the Compensation Committee will take into account the outcome of the vote when making future decisions about the Company's executive compensation policies and procedures. The Company's shareholders also have the opportunity to provide additional feedback on important matters involving executive compensation even in years when say-on-pay votes do not occur. For example, as discussed under "Shareholder Communications", the Company provides shareholders an opportunity to communicate directly with the Board, including on issues of executive compensation.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THIS PROPOSAL NO. 5.

PROPOSAL NO. 6

APPROVAL OF THE COMPANY'S 2018 EQUITY INCENTIVE PLAN

Description of Our 2018 Stock Incentive Plan

Shareholders are being asked to approve the adoption of the Company's 2018 Equity Incentive Plan (the "**Plan**"). The Company's Board has approved the ratification of the Plan, a copy of which is included as *Appendix A*, pursuant to which the Company may grant an aggregate of 10,000,000 shares of the Company's common stock to the Company's directors, officers, employees or consultants. The Plan has been designed to provide the Board with an integral resource as it evaluates the Company's compensation structure, performance incentive programs, and long-term equity targets for executives and key employees. Set forth below is a summary of the Plan, but this summary is qualified in its entirety by reference to the full text of the Plan.

Shares Available

The Plan authorizes issuance of approximately 10,000,000 shares of the Company's Common Stock. As of the Record Date, 1,150,000 shares of common stock have been granted by the Board under the previously adopted 2017 Equity Incentive Plan. As of the Record Date, 1,127,937 options and 47,329 shares of Common Stock were issued and outstanding under the previously adopted 2014 Equity Incentive Plan, and 1,727,917 options and 0 shares of Common Stock were issued and outstanding under the previously adopted 2012 Equity Incentive Plan.

Administration

The Board shall appoint and maintain as administrator of the Plan a Committee (the "**Committee**") consisting of two or more directors who are (i) "Independent Directors" (as such term is defined under the rules of the NASDAQ Stock Market), (ii) "Non-Employee Directors" (as such term is defined in Rule 16b-3 under the Exchange Act) and (iii) "Outside Directors" (as such term is defined in Section 162(m) of the United States Internal Revenue Code of 1986, as amended (the "Code")). The Committee, subject to the terms of the Plan, shall have full power and authority to designate recipients of options ("Options"), warrants ("Warrants"), restricted stock ("Restricted Stock"), preferred stock, which may or may not be convertible ("Preferred Stock"), and restricted stock units ("RSUs"), and to determine the terms and conditions of the respective agreements (which need not be identical) and to interpret the provisions and supervise the administration of the Plan. The Committee shall have the authority, without limitation, to designate which Options

or Warrants granted under the Plan shall be Incentive Options or Incentive Warrants and which shall be Nonqualified Options or Non-Qualified Warrants. In the absence of a Committee, the Plan shall be administered by the Board.

In lieu of grants of Options, Warrants, Restricted Stock and RSUs, the Committee has the full power to and authority under the Plan to grant shares of the Preferred Stock. Further, to the extent that the Committee shall determine that the issuance of Options, Warrants, Restricted Stock or RSUs to a Participant (as defined below) could cause the beneficial ownership by such Participant or its affiliates to exceed more than 9.99% of the total outstanding shares of Common Stock of the Company upon the exercise of the Option or Warrant or the vesting of the Restricted Stock or RSU, as applicable, the Committee shall also have the full power and authority under the Plan to designate Participants to receive shares of Preferred Stock in either a series of preferred that has already been authorized and designated by the Board or in a new series of preferred that shall be authorized and designated by the Board in accordance with the Company's Amended and Restated Articles of Incorporation.

Eligibility

Generally, the persons who are eligible to receive grants are directors, officers and employees of, and consultants and advisors to, the Company or any subsidiary (each a "Participant"); provided that Incentive Options or Incentive Warrants may only be granted to employees of the Company and any subsidiary.

Stock Subject to the Plan

Stock subject to grants may be authorized, but unissued, or reacquired common stock. Subject to adjustment as provided in the Plan, (i) the maximum aggregate number of shares of common stock that may be issued under the Plan is 10,000,000. The shares of common stock subject to the Plan shall consist of unissued shares, treasury shares or previously issued shares held by any subsidiary of the Company, and such number of shares of common stock shall be reserved for such purpose. Any of such shares of common stock that may remain unissued and that are not subject to outstanding Options, Warrants or Preferred Stock at the termination of the Plan shall cease to be reserved for the purposes of the Plan, but until termination of the Plan the Company shall at all times reserve a sufficient number of shares of common stock to meet the requirements of the Plan.

Terms and Conditions of Options

Options awarded under the Plan shall be designated in the Award Agreement as either an Incentive Stock Option or a Nonqualified Stock Option. The purchase price of each share of common stock purchasable under an Incentive Option shall be determined by the Committee at the time of grant, but shall not be less than 100% of the Fair Market Value (as defined in the Plan) of such share of common stock on the date the Option is granted; provided, however, that with respect to an Optionee who, at the time such Incentive Option is granted, owns (more than 10% of the total combined voting power of all classes of stock of the Company or of any subsidiary, the purchase price per share of common stock shall be at least 110% of the Fair Market Value per share of common stock on the date of grant. The purchase price of each share of common stock purchasable under a Nonqualified Option shall not be less than 100% of the Fair Market Value of such share of common stock on the date the Option is granted.

The term of each Option shall be fixed by the Committee, but no Option shall be exercisable more than ten years after the date such Option is granted and in the case of an Incentive Option granted to an Optionee who, at the time such Incentive Option is granted, owns (within the meaning of Section 424(d) of the Code) more than 10% of the total combined voting power of all classes of stock of the Company or of any Subsidiary, no such Incentive Option shall be exercisable more than five years after the date such Incentive Option is granted.

Terms and Conditions of Warrants

Warrants awarded under the Plan shall be designated in the Award Agreement as either an Incentive Warrant or a Non-Qualified Warrant. The purchase price of each share of common stock purchasable under an Incentive Warrant shall be determined by the Committee at the time of grant, but shall not be less than 100% of the Fair Market Value (as defined in the Plan) of such share of common stock on the date the Warrant is granted; provided, however, that

with respect to an Grantee who, at the time such Incentive Warrant is granted, owns (more than 10% of the total combined voting power of all classes of stock of the Company or of any subsidiary, the purchase price per share of common stock shall be at least 110% of the Fair Market Value per share of common stock on the date of grant. The purchase price of each share of common stock purchasable under a Non-Qualified Warrant shall not be less than 100% of the Fair Market Value of such share of common stock on the date the Warrant is granted.

The term of each Warrant shall be fixed by the Committee, but no Warrant shall be exercisable more than ten years after the date such Warrant is granted and in the case of an Incentive Warrant granted to an Grantee who, at the time such Incentive Warrant is granted, owns (within the meaning of Section 424(d) of the Code) more than 10% of the total combined voting power of all classes of stock of the Company or of any Subsidiary, no such Incentive Warrant shall be exercisable more than five years after the date such Incentive Warrant is granted.

Terms and Conditions of Restricted Stock

Restricted Stock may be granted to Participants at any time as shall be determined by Committee, in its sole discretion. Subject to the Plan, the Committee shall have complete discretion to determine (i) the number of shares subject to a Restricted Stock award granted to any Participant, and (ii) the conditions that must be satisfied, which typically will be based principally or solely on continued provision of services but may include a performance-based component, upon which is conditioned the grant, vesting or issuance of Restricted Stock.

The Committee, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of Restricted Stock granted under the Plan; provided that Restricted Stock may only be issued in the form of shares. Restricted Stock grants shall be subject to the terms, conditions, and restrictions determined by the Committee at the time the stock or the restricted stock unit is awarded. Any certificates representing the shares of stock awarded shall bear such legends as shall be determined by the Committee.

Terms and Conditions of Preferred Stock

Preferred Stock may be granted to Participants at any time as shall be determined by Committee, in its sole discretion. Subject to the Plan, the Committee shall have complete discretion to designate the number of shares of Preferred Stock authorized by the Board on the terms and conditions determined by the Committee. The Committee shall determine the terms and conditions of the issuance of any Preferred Stock issued pursuant to the Plan (which terms and conditions may include standard equity blockers, conditions to issuance and the conversion price of the Preferred Stock) and any related agreements with respect to the issuance of the Preferred Stock and to interpret the provisions and supervise the administration of the Plan with respect to the issuance of any Preferred Stock.

The Company shall not effect any conversion of Preferred Stock issued under the Plan, and no Participant shall have the right to convert any Preferred Stock, to the extent that after giving effect to such conversion, the beneficial owner of such shares (together with such Participant's affiliates) would have acquired, through conversion of such Preferred Stock or otherwise, beneficial ownership of a number of shares of Common Stock that exceeds 9.99% of the number of shares of Common Stock outstanding immediately after giving effect to such conversion. For purposes of the foregoing, the number of shares of Common Stock beneficially owned by a Participant and its affiliates shall include only the number of shares of Common Stock issuable upon the shares of Preferred Stock being converted with respect to which the determination of such sentence is being made.

Terms and Conditions of Restricted Stock Units

Restricted Stock Units, or RSUs, may be granted to Participants at any time as shall be determined by Committee, in its sole discretion. Subject to the Plan, the Committee shall have complete discretion to determine (i) the number of shares subject to a RSU award granted to any Participant, and (ii) the conditions that must be satisfied, which typically will be based principally or solely on continued provision of services but may include a performance-based component, upon which is conditioned the grant, vesting or issuance of RSU.

The Committee, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of RSUs granted under the Plan; provided that RSUs may only be issued in the form of shares. RSU grants shall be subject to the terms, conditions, and restrictions determined by the Committee at the time the RSU is awarded. Any certificates representing the shares of stock awarded shall bear such legends as shall be determined by the Committee.

Transferability of Awards

Awards may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the participant, only by the participant, without the prior written consent of the Committee. If the Committee makes an Award transferable, such Award shall contain such additional terms and conditions as the Committee deems appropriate.

Merger or Change in Control

In the event of a Change in Control (as defined in the Plan), the Committee may accelerate the vesting and exercisability of outstanding Options, in whole or in part, as determined by the Committee in its sole discretion. In its sole discretion, the Committee may also determine that, upon the occurrence of a Change in Control, each outstanding Option or Warrant shall terminate within a specified number of days after notice to the Optionee or Grantee thereunder, and each such Optionee or Grantee shall receive, with respect to each share of the Company's common stock subject to such Option or Warrant, an amount equal to the excess of the Fair Market Value of such shares immediately prior to such Change in Control over the exercise price per share of such Option or Warrant; such amount shall be payable in cash, in one or more kinds of property (including the property, if any, payable in the transaction) or a combination thereof, as the Committee shall determine in its sole discretion.

In the event of any merger, reorganization, consolidation, recapitalization, stock dividend, or other change in corporate structure affecting the Company's common stock, the Committee shall make an appropriate and equitable adjustment in the number and kind of shares reserved for issuance under the Plan and in the number and option price of shares subject to outstanding Options or Warrants granted under the Plan, to the end that after such event each Optionee's or Grantee's proportionate interest shall be maintained (to the extent possible) as immediately before the occurrence of such event. The Committee shall, to the extent feasible, make such other adjustments as may be required under the tax laws so that any Incentive Options or Incentive Warrants previously granted shall not be deemed modified within the meaning of Section 424(h) of the Code. Appropriate adjustments shall also be made in the case of outstanding Restricted Stock, Preferred Stock and RSUs granted under the Plan.

Federal Income Tax Consequences

The following is a brief summary of the federal income tax consequences as of the date hereof with respect to awards under the Plan for participants who are both citizens and residents of the United States. This description of the federal income tax consequences is based upon law and Treasury interpretations in effect on the date of this information statement (including proposed and temporary regulations which may be changed when finalized), and it should be understood that this summary is not exhaustive, that the law may change and further that special rules may apply with respect to situations not specifically discussed herein, including federal employment taxes, foreign, state and local taxes and estate or inheritance taxes. Accordingly, participants are urged to consult with their own qualified tax advisors.

Non-Qualified Options and Non-Qualified Warrants

No taxable income will be realized by the participant upon the grant of a non-qualified option or non-qualified warrant. On exercise, the excess of the Fair Market Value of the stock at the time of exercise over the price of the Option or Warrant of such stock will be compensation and (i) will be taxable at ordinary income tax rates in the year of exercise, (ii) will be subject to withholding for federal income tax purposes and (iii) generally will be an allowable income tax deduction to us. The participant's tax basis for stock acquired upon exercise of a non-qualified option or warrant will be equal to the price paid for the stock, plus any amounts included in income as compensation. If the participant pays the exercise price of an option or warrant in whole or in part with previously-owned shares of common stock, the participant's tax basis and holding period for the newly-acquired shares is determined as follows: As to a number of newly-acquired shares equal to the number of previously-owned shares used by the participant to pay the exercise price, no gain or loss will be recognized by the participant on the date of exercise and the participant's tax basis and holding period for the previously-owned shares will carry over to the newly-acquired shares on a share-for-share basis, thereby deferring any gain inherent in the previously-owned shares. As to each remaining newly acquired share, the participant's tax basis will equal the fair market value of the share on the date of exercise and the participant's holding period will begin on the day after the exercise date. The participant's compensation income and our deduction will not be affected by whether the exercise price is paid in cash or in shares of common stock. Special rules, discussed below under "Incentive Options and Incentive Warrants - Disposition of Incentive Option Shares and Incentive Warrants Shares," will apply if a participant surrenders previously-owned shares acquired upon the exercise of an incentive option or incentive warrant that have not satisfied certain holding period requirements in payment of any or all of the exercise price of a non-qualified option or non-qualified warrant.

Disposition of Option Shares and Warrant Shares

When a sale of the acquired shares occurs, a participant will recognize capital gain or loss equal to the difference between the sales proceeds and the tax basis of the shares. Such gain or loss will be treated as capital gain or loss if the shares are capital assets. The capital gain or loss will be long-term capital gain or loss treatment if the shares have been held for more than twelve months. There will be no tax consequences to us in connection with a sale of shares acquired under an option or warrant.

Incentive Options and Incentive Warrants

The grant of an Incentive Option or Incentive Warrant will not result in any federal income tax to a participant. Upon the exercise of an Incentive Option or Incentive Warrant, a participant normally will not recognize any income for federal income tax purposes. However, the excess of the fair market value of the shares transferred upon the exercise over the exercise price of such shares (the “spread”) generally will constitute an adjustment to income for purposes of calculating the alternative minimum tax of the participant for the year in which the Option Or Warrant is exercised. As a result of the exercise a participant’s federal income tax liability may be increased. If the holder of an Incentive Option or Incentive Warrant pays the exercise price, in full or in part, with shares of previously acquired common stock, the exchange should not affect the Incentive Option or Incentive Warrant tax treatment of the exercise. No gain or loss should be recognized on the exchange and the shares received by the participant, equal in number to the previously acquired shares exchanged therefor, will have the same basis and holding period as the previously acquired shares. The participant will not, however, be able to utilize the old holding period for the purpose of satisfying the incentive option or incentive warrant holding period requirements described below. Shares received in excess of the number of previously acquired shares will have a basis of zero and a holding period, which commences as of the date the common stock is issued to the participant upon exercise of the Incentive Option or Incentive Warrant. If an exercise is effected using shares previously acquired through the exercise of an Incentive Option or Incentive Warrant, the exchange of the previously acquired shares will be considered a disposition of such shares for the purpose of determining whether a disqualifying disposition has occurred.

Disposition of Incentive Option Shares and Incentive Warrant Shares. If the holder of Incentive Options or Incentive Warrants disposes of the stock acquired upon the exercise of an Incentive Option or Incentive Warrant (including the transfer of acquired stock in payment of the exercise price of another Incentive Option or Incentive Warrant) either within two years from the date of grant or within one year from the date of exercise, the Option or Warrant holder will recognize ordinary income at the time of such disqualifying disposition to the extent of the difference between the exercise price and the lesser of the fair market value of the stock on the date the Incentive Option or Incentive Warrant is exercised or the amount realized on such disqualifying disposition. Any remaining gain or loss is treated as a short-term or long-term capital gain or loss, depending on how long the shares were held prior to the disqualifying disposition. In the event of such disqualifying disposition, the Incentive Option or Incentive Warrant alternative minimum tax treatment described above may not apply (although, where the disqualifying disposition occurs subsequent to the year the incentive stock option is exercised, it may be necessary for the participant to amend his

return to eliminate the tax preference item previously reported).

Our Deduction. We are not entitled to a tax deduction upon either exercise of an Incentive Option or Incentive Warrant or disposition of stock acquired pursuant to such an exercise, except to the extent that the Option or Warrant holder recognized ordinary income in a disqualifying disposition.

Stock Grants

A participant who receives a stock grant under the Plan generally will be taxed at ordinary income rates on the fair market value of shares when they vest, if subject to vesting or other restrictions, or, otherwise, when received. However, a participant who, within 30 days after receiving such shares, makes an election under Section 83(b) of the Code, will recognize ordinary income on the date of issuance of the stock equal to the fair market value of the shares on that date. If a Section 83(b) election is made, the holding period for the shares will commence on the day after the shares are received and no additional taxable income will be recognized by the participant at the time the shares vest. However, if shares subject to a Section 83(b) election are forfeited, no tax deduction is allowable to the participant for the forfeited shares. Taxes are required to be withheld from the participant at the time and on the amount of ordinary income recognized by the participant. We will be entitled to a deduction at the same time and in the same amount as the participant recognizes income.

PROPOSAL NO. 7

THE RATIFICATION OF THE APPOINTMENT OF RBSM LLP AS THE COMPANY'S INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2017

The Board of Directors has appointed RBSM LLP ("RBSM") as our independent registered certified public accounting firm for the fiscal year 2017 and has further directed that the selection of RBSM be submitted to a vote of shareholders at the Annual Meeting for ratification.

As previously reported in the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on January 17, 2017, on January 11, 2017, the Company notified SingerLewak LLP ("SingerLewak") of its dismissal, effective January 11, 2017, as the Company's independent registered public accounting firm. SingerLewak served as the auditors of the Company's financial statements for the period from April 16, 2014 through the date of dismissal. On January 5, 2017, the Board appointed BDO USA, LLP ("BDO") as the Company's independent registered public accounting firm for the Company's fiscal year ending December 31, 2016. As previously reported in the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on December 1, 2017, on November 27, 2017, the Company received notice from BDO that it resigned as the Company's auditor effective immediately. On November 30, 2017, the Board appointed RBSM as the Company's independent registered public accounting firm for the Company's fiscal year ending December 31, 2017.

As described below, the shareholder vote is not binding on the Board. If the appointment of RBSM is not ratified, the Board will evaluate the basis for the shareholders' vote when determining whether to continue the firm's engagement, but may ultimately determine to continue the engagement of the firm or another audit firm without re-submitting the matter to shareholders. Even if the appointment of RBSM is ratified, the Board may in its sole discretion terminate the engagement of the firm and direct the appointment of another independent auditor at any time during the year if it determines that such an appointment would be in the best interests of our Company and our shareholders.

Representatives of RBSM are expected to attend the Annual Meeting, where they will be available to respond to appropriate questions and, if they desire, to make a statement.

Vote Required

The affirmative vote of the majority of the votes cast at the Annual Meeting is required for the ratification of the appointment of RBSM as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017.
