The 2013 annual meeting of shareholders of HomeStreet, Inc., a Washington corporation (the "Company" or "HomeStreet") will be held at 10:00 a.m., local time, on May 30, 2013, in the Windward Room of the Hilton Hotel, 1301 Sixth Avenue, Seattle, Washington 98101. References to the "Annual Meeting" in this Proxy Statement ("Proxy Statement") include any postponements or adjournments of such meeting. At the meeting, the Company's shareholders will be asked to approve a proposal to elect five nominees for the Board of Directors (the "Board") and to ratify the selection of the Company's independent registered public accounting firm of for the year ending December 31, 2013. This Proxy Statement is first being sent to the shareholders of the Company on or about April 29, 2013, and is accompanied by a proxy card that is being solicited by the Company for use at the Annual Meeting.

Unless otherwise specified, all ownership interests or voting power referenced herein, either in percentage terms or number of shares, in respect of the Company's outstanding shares, have been calculated in accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act") as reflected in the beneficial ownership table shown in the "Principal Shareholders" section elsewhere in this Proxy Statement. Unless otherwise noted, all share numbers in this Proxy Statement reflect the 2-for-1 forward stock splits which were effective March 6, 2012 and November 5, 2012.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND ANNUAL MEETING

Why am I receiving these materials?

Our Board has sent you this Proxy Statement and the accompanying proxy card to ask for your vote, as a shareholder of HomeStreet, on certain matters that will be voted on at the Annual Meeting. As a shareholder of record, you are invited to attend and are entitled to and requested to vote on the proposals set forth in this Proxy Statement. The reasons for, and further information in relation to, each of these proposals are described in more detail in the questions and answers and other materials that follow.

Who is entitled to vote?

All shareholders of record of HomeStreet common stock at the close of business on April 11, 2013 (the "Record Date") are entitled to notice and to vote at the Annual Meeting.

Who is a shareholder of record?

A shareholder of record is a person or entity whose name appears on or in our records as an owner of one or more shares of our common stock as of the close of business on the Record Date.

How many shares are entitled to vote at the meeting?

As of the Record Date, 14,401,773.6 shares of our common stock were issued, outstanding and entitled to vote at the Annual Meeting.

How many votes do I have?

Each common share you owned of record on the Record Date is entitled to one vote for each director candidate. You may NOT cumulate votes relating to the election of directors. For the other proposals presented at this meeting, you are entitled to one vote for each common share you owned of record on the Record Date.

What proposals will be voted on at the Annual Meeting?

The proposals scheduled to be voted on at the Annual Meeting are:

The election of the three Class II directors listed in this Proxy Statement to serve for a term of three years or until their respective successors are duly elected and qualified, and the election of two Class I directors to serve for a term of two years or until their respective successors are duly elected and qualified; and

- The ratification of Deloitte & Touche LLP as HomeStreet's independent registered public accounting firm for the fiscal year ending December 31, 2013.

What is the voting requirement to approve each of the proposals?

Proposal	Vote Required	Broker Discretionary Voting Allowed
Proposal 1: Election of three Class II Directors and two Class I Directors	Plurality of votes cast	No
Proposal 2: Ratification of appointment of independent registered public accounting firm	Majority of shares entitled to vote and present in person or by proxy	Yes

How does the Board of Directors recommend I vote?

Our Board recommends that you vote your shares:

•“FOR” the five director nominees; and

•“FOR” the ratification of appointment of Deloitte & Touche LLP as HomeStreet’s independent registered public accounting firm for the fiscal year ending December 31, 2013.

How long will each of the directors elected at the Annual Meeting continue to serve?

Our Articles of Incorporation provide that our directors will serve a term of three years or until their respective successors are duly elected and qualified. Our Board is divided into classes of directors, with each class serving a three-year term. At each annual meeting, our shareholders elect directors within one class, and each class is staggered in a manner that causes approximately one-third of our total number of directors to be elected annually, an arrangement commonly known as a staggered board.

In connection with the impending retirement from the Board of two current Class I directors, we are nominating at the Annual Meeting two Class I directors to serve until the 2015 annual meeting of shareholders along with all three of our Class II directors, who will serve until the 2016 annual meeting of shareholders.

How do I vote?

You can vote on matters that properly come before the Annual Meeting in one of four ways:

You may vote by mail.

You do this by marking, signing and dating the proxy card and mailing it in the enclosed, prepaid and addressed envelope or otherwise mailing it to us at our mailing address on the cover page of this Proxy Statement prior to the Annual Meeting. If you mark your voting instructions on the proxy card, your shares will be voted as you instruct.

You may vote in person at the meeting.

You can vote in person at the meeting. However, if you hold your shares in street name (in the name of a bank or some other nominee), you must request and receive a legal proxy from the record owner prior to the meeting in order to vote at the meeting.

In order to facilitate an orderly Annual Meeting, we request that you provide the Board of Directors your vote prior to the Annual Meeting by completing and returning the enclosed proxy card as soon as possible.

You may vote on the Internet.

Go to www.voteproxy.com and follow the instructions. You should have your proxy card in hand when you access the website.

You may vote by Telephone.

Call the toll-free number listed on the proxy card from any touch-tone telephone and follow the instructions. You should have your proxy card in hand when you call.

If you own your shares through a brokerage account or in other nominee form, you should follow the instructions you receive from the record holder to see which voting methods are available.

What if my shares are held in street name?

If you are the beneficial owner of shares held by a broker in street name, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. Pursuant to applicable regulations, if you do not give instructions to your broker, your broker will not be permitted to vote your shares with respect to Proposal 1, described in this Proxy Statement.

If your shares are held in street name, you will need proof of ownership to be admitted to the Annual Meeting. A recent brokerage statement or a letter from the record holder of your shares is an example of proof of ownership. If you want to vote your shares of common stock held in street name in person at the Annual Meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

What happens if I sign and return my proxy card, but don't mark my votes?

If you do not mark your vote on your proxy, David A. Ederer, Chairman of the Board of Directors, and Godfrey B. Evans, our Corporate Secretary, General Counsel and Chief Administrative Officer, will vote your shares as recommended by the Board of Directors: FOR each of the director nominees identified herein, and FOR the ratification of our independent auditors.

Can I revoke my proxy?

You have the power to revoke your proxy at any time before the polls close at the Annual Meeting. You may do this by either:

- a. submitting another proxy with a later date prior to the date of the Annual Meeting over the internet, by telephone or to our Corporate Secretary, Godfrey B. Evans, at our mailing address on the cover page of this Proxy Statement, or
- b. sending a written notice of your revocation to our Corporate Secretary at our mailing address on the cover page of this Proxy Statement, or
- c. voting in person at the Annual Meeting.

What happens if additional matters are presented at the Annual Meeting?

If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named as proxy holders, David Ederer and Godfrey Evans, will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify an individual shareholder are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within the Company or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote and (3) to facilitate a successful proxy solicitation. If you provide written comments on your proxy card, such comments may be forwarded to the Company's management, however, there can be no guarantee that such comments will be forwarded or reviewed. We encourage any shareholders who would like to provide comments to management to contact us directly at the address provided on the cover page of this Proxy Statement.

Who will count the votes?

American Stock Transfer and Trust Company, LLC, our stock transfer agent will serve as the inspector of elections and in that capacity will count and tabulate the votes.

Where can I find the results of the Annual Meeting?

We intend to announce preliminary voting results at the Annual Meeting and will publish final results in a Current Report on Form 8-K, which we will file with the Securities and Exchange Commission (the "SEC") within four (4) business days of the Annual Meeting.

What does it mean if I get more than one proxy card?

It means that you may have multiple stock ownership accounts. Please mark, sign and return all proxy cards to ensure that all your shares are voted.

What constitutes a “quorum”?

A “quorum” refers to the number of shares that must be represented at a meeting in order to lawfully conduct business. A majority of the outstanding common shares entitled to vote at the Annual Meeting, present in person or represented by proxy, will constitute a quorum at the Annual Meeting. Without a quorum, no business may be transacted at the Annual Meeting. However, whether or not a quorum exists, a majority of the voting power of those present at the Annual Meeting may adjourn the Annual Meeting to another date, time and place.

How are abstentions treated?

Abstentions will be counted for the purpose of determining the presence or absence of a quorum for the transaction of business. The election of directors requires that the candidates elected receive a plurality of votes, which means that the five candidates receiving the largest number of votes cast will be elected. Accordingly, assuming the presence of a quorum, abstentions will not affect the results of the matters to be affected at the Annual Meeting.

What percentage of stock do the directors and executive officers own?

Together these persons had or shared the right to vote or dispose of approximately 12.3% of our common stock as of the Record Date.

Who is paying the cost of preparing, assembling and mailing the notices of the Annual Meeting, Proxy Statement and form of proxy and the solicitation of the proxies?

The Company is paying all such costs. We may reimburse brokerage firms, custodians, nominees, fiduciaries and other persons representing beneficial owners for their reasonable expenses in forwarding solicitation material to such beneficial owners. Our directors, officers and employees may also solicit proxies in person or by other means of communication. Such directors, officers and employees will not be additionally compensated but may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation.

What is the deadline for submitting shareholder proposals for consideration at the Company’s next annual meeting of the shareholders or to nominate individuals to serve as directors?

For inclusion in HomeStreet’s proxy materials: Shareholders may present proper proposals for inclusion in HomeStreet’s Proxy Statement and for consideration at the next annual meeting of shareholders by submitting such proposals in writing to our Corporate Secretary in a timely manner. In order to be included in the Proxy Statement for the 2014 annual meeting of shareholders, shareholder proposals must be received by HomeStreet’s Corporate Secretary no later than December 30, 2013, and must otherwise comply with the requirements of Rule 14a-8 of the Exchange Act and of HomeStreet’s bylaws.

To be brought before an annual meeting: In addition, our bylaws establish an advance notice procedure for shareholders who wish to present certain matters before an annual meeting of shareholders.

In general, nominations for the election of directors may be made (1) by or at the direction of the Board of Directors, or (2) by a shareholder who has delivered written notice to HomeStreet’s Corporate Secretary within the Notice Period (as defined below) and who was a shareholder at the time of such notice and as of the record date. The notice must contain specified information about the nominees and about the shareholder proposing such nominations.

Our bylaws also provide that the only business that may be conducted at an annual meeting is business that is (1) specified in the notice of meeting given by or at the direction of the Board of Directors, (2) properly brought before the meeting by or at the direction of the Board of Directors or (3) properly brought before the

meeting by a shareholder who has delivered written notice to our Corporate Secretary within the Notice Period (as defined below) and who was a shareholder at the time of such notice and as of the record date. The notice must contain specified information about the matters to be brought before such meeting and about the shareholder proposing such matters, including information related to the shareholder's ownership interest in the Company and any material interests of the shareholder in the business desired to be brought before the meeting.

The "Notice Period" is defined as that period not less than 90 days nor more than 120 days prior to the one year anniversary of the date on which we mailed our proxy materials to shareholders in connection with the previous year's annual meeting of shareholders. As a result, the Notice Period for the 2014 annual meeting of shareholders will start on December 30, 2013 and end on January 29, 2014. However, if the annual meeting for 2014 is more than 30 days before or 60 days after May 30, 2014, in order to be timely notice must be delivered not less than 90 days nor more than 120 days prior to the actual date of the 2014 meeting; provided, that if the notice of such meeting is less than 100 days before the date of such meeting, notice of such proposal must be made not less than 10 days after the date of the notice of the meeting in order to be timely.

If a shareholder who has notified the Company of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, the Company need not present the proposal for vote at such meeting.

A copy of the full text of the bylaw provisions discussed above may be obtained by writing to our Corporate Secretary at our principal executive offices or by accessing our filings on the SEC's website at www.sec.gov. All notices of proposals by shareholders, whether or not included in our proxy materials, should be sent to our Corporate Secretary at our principal executive offices.

Who can help answer any other questions I may have?

PROPOSAL 1 ELECTION OF DIRECTORS

Introduction

Our bylaws permit our Board of Directors to establish by resolution the authorized number of directors, which shall be between nine and 13 directors. The Board is currently comprised of 11 members. Our articles of incorporation provide that directors are elected for three-year terms, with one-third of the board of directors elected at each annual meeting of shareholders. Each director holds office until that director's successor is duly elected and qualified or until his earlier death or resignation. Our directors are currently classified into the following three classes:

- Class I directors are Brian P. Dempsey, Gerhardt Morrison and Douglas I. Smith, and their terms will expire at the annual meeting of shareholders to be held in 2015;

• Class II directors are Michael J. Malone, Victor H. Indiek, Scott M. Boggs and Bruce W. Williams, and their terms expire at the Annual Meeting; and

• Class III directors are David A. Ederer, Thomas E. King, George "Judd" Kirk and Mark K. Mason, and their terms will expire at the annual meeting of shareholders to be held in 2014.

Mr. Dempsey and Mr. Morrison have indicated to the Company that they will be retiring from the Board of Directors as of the conclusion of the Annual Meeting and thus will not stand for re-election. According to our articles of incorporation, if the number of directors on our Board of Directors is changed, any increase or decrease shall be apportioned among the classes of directors, so as to maintain the number of directors in each class as nearly equal as possible. As a result, in connection with the impending retirements of Messrs. Dempsey and Morrison, the Human Resources and Corporate Governance Committee has decided to move Mr. Mason from Class III into Class I and Mr. Boggs from Class II into Class I, effective at the conclusion of the Annual Meeting. In order to assure that no director serves on the Board of Directors for a term greater than three years, the Human Resources and Corporate Governance Committee has decided to nominate Messrs. Mason and Boggs for election to the Board of Directors at the Annual Meeting, for a term to expire at the Company's 2015 annual meeting of shareholders.

The three other directors standing for election to our Board of Directors are nominees for re-election as Class II directors with terms to expire in 2016.

All nominees are incumbent directors of the Company.

Nominees for Directors – Terms Expire in 2015 and 2016

Upon recommendation of the Human Resources and Corporate Governance Committee, the Board of Directors has nominated Mark K. Mason and Scott M. Boggs, for re-election to the Board of Directors as Class I directors with a term set to expire at the Company's annual meeting of shareholders to be held in 2015, and Michael J. Malone, Victor H. Indiek and Bruce W. Williams for re-election as Class II directors, with a term set to expire at the Company's annual meeting of shareholders to be held in 2016. Biographical information about each of the nominees is contained in the following section. A discussion of the qualifications, attributes and skills of each nominee that led our Board of Directors and the Human Resources and Corporate Governance Committee to the conclusion that he should continue to serve as a director has been added following each of the director and nominee biographies.

If you are a shareholder of record and you sign your proxy card but do not give instructions with respect to the voting of directors, your shares will be voted FOR the re-election of Messrs. Mason, Boggs, Malone, Indiek, and Williams. While we expect that all of the nominees will be able to qualify for and accept office, if for any reason a nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the Board of Directors to fill such vacancy. If you wish to give specific instructions with respect to the voting of directors, you may do so by indicating your instructions on your proxy card. If you hold your shares in street name and you do not give voting instructions to your broker, your broker will leave your shares unvoted on this matter.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF MARK K. MASON, SCOTT M. BOGGS, VICTOR H. INDIEK, MICHAEL J. MALONE, AND BRUCE W. WILLIAMS.

OUR BOARD RECOMMENDS THAT SHAREHOLDERS VOTE TO APPROVE THE NOMINEES LISTED ABOVE BY SIGNING AND RETURNING THE ATTACHED PROXY TO THE COMPANY.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

General

The Audit Committee has selected Deloitte & Touche LLP as the Company's independent registered public accounting firm to audit the consolidated financial statements of HomeStreet and its subsidiaries for the fiscal year ending December 31, 2013. Deloitte & Touche LLP replaces KPMG LLP, who had audited the company's financial statements since 2003.

Shareholder ratification of the selection of Deloitte & Touche LLP is not required by our bylaws or other applicable legal requirements. However, the Board of Directors is submitting the selection of Deloitte & Touche LLP to our shareholders for ratification as a matter of good corporate practice. In the event that this selection of an independent registered public accounting firm is not ratified by the affirmative vote of a majority of the shares present and voting at the meeting in person or by proxy, the appointment of the independent registered public accounting firm will be reconsidered by the Audit Committee. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its shareholders.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting and will be given the opportunity to make a statement at the Annual Meeting if they desire to do so. We do not anticipate that representatives of KPMG LLP will be present at the meeting to respond to questions about financial statements and related matters for the three-year periods ended December 31, 2012, 2011 and 2010.

Replacement of KPMG LLP as Independent Auditors

In January 2013, the Audit Committee determined that it would solicit proposals and pursue a competitive bidding process for external audit services as of and for the year ended December 31, 2013. On March 18, 2013 KPMG LLP was notified of the Audit Committee's decision to dismiss KPMG LLP as the Company's independent auditor. The reports of KPMG LLP on the financial statements of the Company as of and for the fiscal years ended December 31, 2012 and 2011 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty or audit scope, but the 2011 report did contain an explanatory paragraph related to the application of a new accounting principle.

There were no disagreements with KPMG LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure during the fiscal years ended December 31, 2012 and 2011 and through March 18, 2013, which disagreements, if not resolved to KPMG LLP's satisfaction, would have caused KPMG LLP to make reference to the subject matter of the disagreement in its report on the Company's financial statements for such years.

There were no reportable events pursuant to Item 304(a)(1)(v) of Regulation S-K under the Exchange Act during the fiscal years ended December 31, 2012 and 2011 and through March 18, 2013.

Principal Accounting Fees and Services

The following table presents fees billed for professional audit services and other services rendered to HomeStreet by KPMG LLP for the year ended December 31, 2011 and fees paid for audit services rendered by KPMG LLP for the year ended December 31, 2012. Amounts in this table are presented in thousands.

	2011	2012
Audit Fees (1)	\$704	\$935
Audit-Related Fees (2)	18	38
Audit-Related Fees - IPO (3)	620	203
All Other Fees (4)	55	—
Total	\$1,397	\$1,176

- Audit Fees consist of fees billed for professional services rendered for the audit of our consolidated financial statements included in our Annual Report on Form 10-K and for the review of our quarterly financial statements,
- (1) as well as services that generally only our independent registered public accounting firm can reasonably provide, including statutory audits and services rendered in connection with SEC filings.
- (2) Audit-Related Fees consist of fees paid for professional services rendered in connection with audits of our employee benefit plans.
- (3) Audit-Related Fees—IPO consists of fees billed for professional services rendered in connection with our initial public offering, including comfort letters, consents and reviews of documents filed with the SEC.
- (4) Represents fees for advisory services related to a review of our allowance for loan and lease losses (“ALLL”) methodology. There were no other services provided by KPMG LLP in 2012.

Pre-Approval of Audit and Non-Audit Services

It is the responsibility of HomeStreet’s Audit Committee to pre-approve all audit and non-audit services provided by our independent auditor. The Audit Committee has adopted a policy authorizing certain permissible audit and non-audit services to be performed by our independent auditor with subsequent reporting and oversight required by the Audit Committee. Permissible services, not pre-approved pursuant to this policy, require specific review and approval prior to the engagement by the Audit Committee, or a designated member. All services rendered by and fees paid to our independent auditor are reported to and monitored quarterly by the Audit Committee. The Audit Committee considers whether the provision of related audit services is compatible with maintaining the independent registered public accounting firm’s independence. To assist the Audit Committee in its oversight responsibilities, the pre-approval policy identifies the three basic principles of independence with respect to services provided by the independent registered public accounting firm, as well as the non-audit services the independent registered public accounting firm is prohibited from providing. All services provided by KPMG LLP in each of the last two fiscal years were pre-approved by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS HOMESTREET’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2013.

CORPORATE GOVERNANCE

Code of Ethics

Our board of directors has established a code of ethics as defined under the Exchange Act that applies to all HomeStreet directors, officers and employees, including our principal executive officer, principal financial officer and principal accounting officer. A copy of our code of ethics (“Code of Ethics”) is available on our website at <http://ir.homestreet.com>. We will post on our website any amendments to, or waivers (with respect to our principal executive officer, principal financial officer and principal accounting officer) from, this code of ethics within four business days of any such amendment or waiver. Among other things, the Code of Ethics addresses the following principles:

- complying with laws and regulations;
- prohibiting insider trading;
- avoiding conflicts of interest;
- avoiding questionable gifts or favors;
- maintaining accurate and complete records;
- treating others in an ethical manner;
- maintaining integrity of consultants, agents and representatives; and
- protecting proprietary information and proper use of assets.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities (our “Reporting Persons”), to file with the Securities and Exchange Commission reports of ownership and reports of changes in ownership of common stock and our other equity securities. Reporting Persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of such reports received or written representations from certain Reporting Persons, the Company believes that during fiscal 2012 all Reporting Persons complied with all applicable requirements, except that five directors had late filings of Form 3, and a total of two directors and ten officers had one late Form 4 filing, a total of six directors had two late Form 4 filings, a total of three directors had three late Form 4 filings and one director had four late Form 4 filings.

Principles of Corporate Governance

The Company has adopted Principles of Corporate Governance, which are available on the Company’s website at <http://ir.homestreet.com>. Shareholders may request a free copy of the Principles of Corporate Governance at the address and phone numbers set forth above.

Director Independence

The Board of Directors has determined that, with the exception of Mark Mason, all of its members are currently “independent directors” as that term is defined in the listing standards of Nasdaq. In the course of determining the independence of each non-employee director, the Board considered the annual amount of HomeStreet’s sales to, or purchases from, any company where a non-employee director serves as an executive officer as well as all other relevant facts and circumstances, including the director’s commercial, accounting, legal, banking, consulting, charitable and familial relationships.

Board Leadership Structure

Our Board of Directors believes that it is in the best interests of the Company for the Board to retain discretion to make a determination regarding whether or not to separate the roles of Chairman of the Board and Chief Executive Officer based upon varying circumstances. The Board of Directors is currently chaired by an independent director, Mr. Ederer, who is subject to re-appointed as Chairman of the Board each year by the Board of Directors.

The Board of Directors presently believes that having two different individuals serve in the roles of Chairman of the Board and Chief Executive Officer is in the best interests of the Company and that separating these roles provides the right foundation for the Company to pursue its strategic and operational objectives, while maintaining effective oversight and objective evaluation of corporate performance. By allowing our Chief Executive Officer to focus on his operational responsibilities, while keeping a measure of independence between the oversight function of the Board of Directors and those operating decisions, the Board of Directors believes that this leadership structure provides an appropriate allocation of roles and responsibilities at this time.

Board Role in Risk Oversight

The Board of Directors is responsible for overseeing the major risks facing the Company while management is responsible for assessing and mitigating the Company's risks on a day-to-day basis. In addition, the Board has delegated oversight of certain categories of risk to the Audit Committee, the Risk Management Committee, and the Human Resources and Corporate Governance Committee, or "HRCG Committee". The Audit Committee reviews and discusses with management significant financial and nonfinancial risk exposures and the steps management has taken to monitor, control and report such exposures. The Risk Management Committee oversees and assesses the adequacy of the Company's management of key enterprise-wide risks and monitors the Company's risk profile and exposure to various types of risks. The HRCG Committee oversees management of risks relating to the Company's compensation plans and programs. The Audit Committee, the Risk Management Committee and the HRCG Committee report to the Board as appropriate on matters that involve specific areas of risk that each Committee oversees, and with the Board, each committee periodically discusses with management the Company's policies with respect to risk assessment and risk management .

Employee Compensation Risks

HomeStreet's management and the HRCG Committee have assessed the risks associated with our compensation policies and practices for all employees, including non-executive officers. Based on the results of this assessment, we do not believe that our compensation policies and practices for all employees, including non-executive officers, create risks that are reasonably likely to have a material adverse effect on HomeStreet.

Board Meetings and Committees

During the year ended December 31, 2012, the Board of Directors held 17 meetings. Except for Mr. Malone, who attended only two meetings of the Board in 2012 due to a seven month pre-planned family sabbatical (which concluded in November 2012), each of the directors attended or participated in 75% or more of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all committees of the Board on which that director served during the past fiscal year. Since his return to the Board in November 2012, Mr. Malone has attended over 85% of the meetings of the Board of Directors.

The Board of Directors has three standing committees: an Audit Committee, a Risk Management Committee and a Human Resources and Corporate Governance Committee.

The Audit Committee held 15 meetings during the last fiscal year. The Audit Committee Report is included in this Proxy Statement.

Risk Management Committee

The Risk Management Committee oversees and assesses the adequacy of the Company's tolerance and management of key enterprise-wide risks, including credit, interest rate risk, liquidity, price, operational, compliance/legal, strategic and reputational risks. The Risk Management Committee is also responsible for monitoring the Company's risk profile and exposure to various types of risks, as well as reviewing management’s adherence to the Company's established risk management policies and benchmarks.

The Company's Board of Directors has adopted a written Risk Management Committee charter, a current copy of which is available on our website at <http://ir.homestreet.com>. Among other things, this charter requires the Risk Management Committee to:

- review and approve the Company's enterprise risk assessments prepared in connection with the Company's strategic plan;
 - monitor the implementation of changes in significant regulation and the impact of such changes upon the Company's significant risks;
 - monitor overall capital adequacy and capacity within the context of the approved risk limits and actual results;
 - provide a forum for evaluating and integrating risk issues, processes and events arising within the Company and its subsidiaries;
 - coordinate with various Board committees a discussion of the Company's significant processes for risk assessment, risk management and actions taken by management to monitor, control and remediate risk exposures; and
- The membership of the Risk Management Committee is limited to persons who meet the independence standards established by the Nasdaq corporate governance rules and is currently comprised solely of independent directors as defined by such rules. The Risk Management Committee was formed in October 2012, and is required by its charter to meet at least quarterly. The Risk Management Committee held one meeting during the last fiscal year.

Human Resources and Corporate Governance Committee

The HRCG Committee acts as both our nominating and corporate governance committee and our compensation committee. The HRCG Committee has the authority to establish and implement our corporate governance practices, nominate individuals for election to the board of directors and evaluate and set compensation with respect to our directors and executive officers, among other things.

Our Board of Directors has adopted a written charter for the HRCG Committee that satisfies the applicable standards of Nasdaq Corporate Governance rules as to both compensation and nominating committee requirements. A copy of this charter is available on our website at <http://ir.homestreet.com>. Among other things, this charter calls upon HRCG Committee to:

- develop criteria for selecting new directors and to identify individuals qualified to become board members;
- select, or recommend that the Board select, the director nominees for each annual meeting of shareholders;
- develop and recommend to the Board a set of corporate governance principles applicable to the corporation, including periodic review and reassessment of such principles;
- administer our equity incentive plans, pursuant to the authority delegated to it by our Board;
- set the corporate goals and objectives, if any, relevant to our executive officers' compensation and evaluate our executive officers' performance in light of those goals and objectives, if any;
- establish and provide oversight of compensation philosophy and programs; and
- oversee and make decisions regarding executive management salaries, incentive compensation, long-term compensation plans and equity plans for our employees and consultants.

Each member of the HRCG Committee meets the independence standards established under Section 10A(m)(3) of the Exchange Act and the proposed rules adopted by the SEC directing the national securities exchanges (including the Nasdaq Stock Market) to adopt independence standards relating to members of compensation committees.

The HRCG Committee held 17 meetings during the last fiscal year. The HRCG Committee Report is included in this Proxy Statement.

Interaction with Consultants

Pursuant to its charter, the HRCG Committee has the sole authority to retain, terminate, obtain advice from, oversee and compensate its outside advisors, including its compensation consultant. The Company has provided appropriate funding to the HRCG Committee to do so.

In November 2012, the HRCG Committee retained Pearl Meyer & Partners (“PM&P”) as its independent executive compensation consultant. None of the Company’s management participated in the Committee’s decision to retain PM&P. PM&P reports directly to the HRCG Committee and the HRCG Committee may replace PM&P or hire additional consultants at any time. PM&P attends meetings of the HRCG Committee, as requested, and communicates with the Chair of the HRCG Committee between meetings; however, the HRCG Committee makes all decisions regarding the compensation of the Company’s executive officers.

PM&P provides various executive compensation services to the HRCG Committee with respect to HomeStreet’s executive officers and other key employees pursuant to a written consulting agreement with the HRCG Committee. The services PM&P provides under the agreement include advising the HRCG Committee on the principal aspects of HomeStreet’s executive compensation program and evolving best practices, and providing market information and analysis regarding the competitiveness of HomeStreet’s program design and HomeStreet’s award values in relationship to its performance.

The HRCG Committee regularly reviews the services provided by its outside consultants and believes that PM&P is independent in providing executive compensation consulting services. The HRCG Committee conducted a specific review of its relationship with PM&P in 2012, and determined that PM&P’s work for the HRCG Committee did not raise any conflicts of interest, consistent with the guidance provided under the Dodd-Frank Act, the SEC and the Nasdaq.

The Committee continues to monitor the independence of its compensation consultant on a periodic basis.

Human Resources and Corporate Governance Committee Interlocks and Insider Participation

None of the members of the HRCG Committee served as an officer or employee of the Company during fiscal year 2012 or any of the three previous years or has had any relationships or participated in any related party transactions that qualify as “interlocking” or cross-board memberships that are required to be disclosed under the rules of the SEC. See also the “Certain Relationships and Related Transactions” section in this Proxy Statement.

Process for Recommending Candidates for Election to the Board of Directors

The HRCG Committee is responsible for, among other things, determining the criteria for membership to the Board of Directors and recommending candidates for election to the Board of Directors. It is the policy of the HRCG Committee to consider recommendations for candidates to the Board of Directors from shareholders. Shareholder recommendations for candidates to the Board of Directors must be directed in writing to HomeStreet, Inc., 601 Union Street, Suite 2000, Seattle, Washington 98101, Attention: General Counsel, and must include the candidate’s name, home and business contact information, detailed biographical data and qualifications, information regarding any relationships between the candidate and the Company within the last three years and evidence of the nominating person’s ownership of the Company’s common stock. Such recommendations must also include a statement from the recommending shareholder in support of the candidate, particularly within the context of the criteria for Board membership, including issues of character, judgment, diversity, age, independence, background, skills, expertise, corporate experience, length of service,

other commitments and the like, personal references, and an indication of the candidate's willingness to serve. Nominees for our Board of Director must also meet any approval requirements set forth by our regulators.

The HRCG Committee regularly reviews the current composition and size of the Board of Directors. The HRCG Committee's criteria and process for evaluating and identifying the candidates that it recommends to the full Board of Directors, for selection as director nominees are as follows:

In its evaluation of director candidates, including the members of the Board of Directors eligible for re-election, the HRCG Committee seeks to achieve a balance of knowledge, experience and capability on the Board of Directors and considers (1) the current size and composition of the Board of Directors and the needs of the Board of Directors and the respective committees of the Board of Directors, (2) such factors as issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, potential conflicts of interest, other commitments and the like, and (3) such other factors as the HRCG Committee may consider appropriate.

While we have not established specific minimum qualifications for director candidates, we believe that candidates and nominees must reflect a Board of Directors that is comprised of directors who: (1) are predominantly independent, (2) are of high integrity, (3) have broad, business-related knowledge and experience at the policy-making level in business or technology, including their understanding of the Company's business in particular, (4) have qualifications that will increase the overall effectiveness of the Board of Directors and (5) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to audit committee members. With regard to candidates who are properly recommended by shareholders or by other means, the HRCG Committee will review the qualifications of any such candidate, which review may, in the HRCG Committee's discretion, include interviewing references for the candidate, direct interviews with the candidate, requesting additional information to be shared with our regulators or other actions that the HRCG Committee deems necessary or proper.

In evaluating and identifying candidates, the HRCG Committee has the authority to retain and terminate any third-party search firm that is used to identify director candidates and has the authority to approve the fees and retention terms of any search firm.

The HRCG Committee will apply these same principles when evaluating Board candidates who may be elected initially by the full Board of Directors to fill vacancies or add additional directors prior to the annual meeting of shareholders at which directors are elected.

After completing its review and evaluation of director candidates, the HRCG Committee recommends the director nominees to the full Board of Directors.

Attendance at Annual Meetings of Shareholders by the Board of Directors

Although HomeStreet does not have a formal policy regarding attendance by members of the Board of Directors at our annual meeting of shareholders, we encourage, but do not require, directors to attend. Except for Mr. Malone who was on a seven month pre-planned family sabbatical at the time, all of our directors attended our last annual meeting held in May 2012.

Insider Trading Policy and Rule 10b5-1 Trading Plans

HomeStreet has an insider trading policy that prohibits, among other things, short sales, hedging of stock ownership positions and transactions involving derivative securities relating to our common stock. The Company does not undertake any obligation to report Rule 10b5-1 trading plans that may be adopted by any of its officers and directors in the future, or to report any modifications or terminations of any publicly announced plan, except to the extent required by law.

Director Compensation

Current Non-Employee Director Compensation

Non-employee directors of HomeStreet, Inc. and the Bank each earn an annual retainer of \$20,000, other than for committee chairs, who each earn an additional annual retainer of \$10,000 for each committee chaired, and the chairman of the HomeStreet, Inc. Board of Directors and the HomeStreet Bank's lead director, who earn an additional annual retainer of \$15,000 and \$10,000 respectively. In addition, each director earns a fee of \$1,000 per board meeting attended, and each committee member earns an additional fee of \$500 per committee meeting attended (other than for short, telephonic committee meetings, for which the fee is \$250 per meeting attended). Fifty percent of the annual retainer is paid in cash and the remaining fifty percent is paid in common stock under our 2011 equity incentive plan for non-employee directors described below. All meeting fees are paid in cash.

In addition, upon the closing of the Company's initial public offering in February 2012, the Company made certain grants of restricted stock to our directors. The chairman of the Board of Directors received a one-time grant of 2,600 shares under the 2010 Equity Incentive Plan and all other directors received a grant of 1,700 shares for an aggregate issuance of 19,600 shares. These grants consist of restricted stock that will vest in equal installments over each of the first three anniversaries of the grant date.

We believe that our current overall non-employee director compensation program and the director compensation program in effect in 2012 are reasonable and appropriate based on our review of peer financial institution data and the data provided by our outside compensation consultants

Directors' Deferred Compensation Plan

In 1999, we adopted a plan to permit directors to defer all or a portion of their fees received for services as a director that would otherwise be payable in cash (with a minimum \$2,500 deferral in a plan year for those who elect to make such deferrals). Interest earned on participant deferrals is equal to the average five year daily treasury rate for the quarter. A participant or his or her beneficiary will begin receiving a distribution of his or her deferrals for a particular plan year upon the earliest of (1) a future date specified by the participant, (2) the participant's death or (3) the date the participant ceases to be a director. The form of payment includes either a single lump sum payment or annual installment payments over a period of up to ten years. The participant has a limited ability to change these elections. We suspended this plan in 2008 due to HomeStreet's financial condition and as a result none of our directors were participants in this plan for the year ended December 31, 2012. However, we did re-activate this plan for 2013.

2011 Equity Incentive Plan for Non-Employee Directors

Our shareholders have approved the 2011 HomeStreet, Inc. Equity Incentive Plan for Non-Employee Directors, which was implemented upon the closing of the Company's initial public offering in February 2012. This plan reserves for issuance awards of up to 168,000 shares of our common stock in order to provide for compensation to directors for their services on our Board of Directors. All such awards are fully vested immediately upon issuance.

Compensation for Employee Directors

Employee directors do not receive compensation for serving on our Board of Directors.

Director Compensation Table

The following table shows the compensation earned or paid to our non-employee directors for 2012. Employee directors are not compensated separately for their services as directors. Effective upon the closing of our initial public offering on February 15, 2012, the majority of our then existing board of directors resigned and certain new directors were appointed to the vacancies. This table includes all compensation earned or paid to all directors who were on our Board of Directors during any portion of 2012.

In February 2012, the

chairman of the Board of Directors, Mr. Ederer, received 2,600 shares of restricted stock and all other non-employee directors each received 1,700 shares of restricted stock, all of which will vest in three equal installments over each of the first three anniversaries of the February 15, 2012 grant date.

EXECUTIVE COMPENSATION

We are an “Emerging Growth Company,” as defined in the Jumpstart Our Business Startups Act, or “JOBS Act”, and are eligible to take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not Emerging Growth Companies. These include, but are not limited to reduced disclosure obligations regarding executive compensation in our proxy statements, including the requirement to include a specific form of Compensation Discussion and Analysis, as well as exemptions from certain requirements under the Dodd-Frank Act, including the requirement to hold a non-binding advisory vote on executive compensation and the requirement to obtain stockholder approval of any golden parachute payments not previously approved. We have elected to comply with the scaled disclosure requirements applicable to Emerging Growth Companies.

Compensation Program Objectives and Philosophy

We believe it is critical to the Company’s success to attract, retain and incentivize highly qualified executives and to promote a high-performance culture. We have therefore adopted compensation policies that we believe reward executives for achieving and maintaining short- and long-term performance that builds shareholder value. The principles underlying our executive compensation policies and programs include:

- provide levels of compensation competitive with those offered by our peers and competitors and consistent with our level of performance;
- attract and retain the most qualified and experienced individuals available to further our success;
- align the interests of executives and shareholders by linking a significant portion of an executive’s compensation to the Company’s short- and long-term financial performance; and
- reward and motivate appropriate executive behavior that produces strong financial results while managing risks and promoting regulatory compliance

This philosophy pertains to executive compensation as well as employee compensation at all other levels throughout our organization.

Notwithstanding our overall compensation objectives, incentive compensation opportunities for specific individuals may vary based on a number of factors, including competing compensation programs available for similar positions, scope of duties, tenure, specialized experience, institutional knowledge and performance. We believe a portion of each executive’s potential compensation should be tied to individual performance as evaluated by the HRCG Committee and the Chief Executive Officer (other than for our Chief Executive Officer, whose performance is evaluated solely by the HRCG Committee). In addition, we believe a meaningful portion of each executive’s total compensation opportunity should be linked to our long-term company-wide goals of safety and soundness, increased shareholder value and risk management. Actual compensation in a given year will vary from the target compensation levels based primarily on the attainment of operating goals, the Company’s overall performance, and changes in shareholder value. In some instances, the amount and structure of compensation results from arm’s-length negotiations with executives, which terms reflect an increasingly competitive market for proven expertise and managerial talent. We design our compensation programs and make individual pay decisions and adjustments in the context of this philosophy.

Decision Making and Policy Making

The HRCG Committee is responsible for setting the policies and compensation levels for our directors and Named Executive Officers and for determining the compensation of our Chief Executive Officer. See “Management —Committees of the Board of Directors —Human Resources and Corporate Governance Committee.” Certain members of senior management, including the Chief Executive Officer, Chief Human Resources Officer, General Counsel and Risk and Regulatory Oversight Director regularly participate in the HRCG Committee process for compensating Named Executive Officers. Executive officers in attendance may provide their insights and suggestions, but only independent committee members may vote on decisions regarding executive compensation, and executive officers are excluded from deliberations regarding their own compensation. In particular, the Chief Executive Officer provides recommendations relating to other executive

officers; however, after the HRCG Committee reviews and discusses the Chief Executive Officer's compensation with him, final deliberations and all votes regarding his compensation are made in executive session, without the Chief Executive Officer present. The committee also ordinarily reviews recommendations and input from compensation consultants regarding executive officers' compensation. Participation levels in all incentive programs for Named Executive Officers are established by the HRCG Committee at the beginning of each fiscal year. These participation levels may be increased or decreased after the beginning of a fiscal year at the discretion of the committee. However, it has been the practice of the HRCG Committee to do so only in the event of a material change in an executive officer's responsibilities. In establishing incentive plan participation levels, the HRCG Committee considers market data relating to compensation practice of our peers as well as internal parity. We do not follow formal guidelines for establishing internal parity, but we do seek to correlate organizational responsibility with participation level.

Summary Components of Compensation

Currently, the compensation package for our Chief Executive Officer and our two other most highly compensated executive officers (collectively referred to as the "Named Executive Officers") is comprised of base salary, an annual short-term cash incentive plan, equity opportunity awards, a 401(k) plan, health and welfare benefits plan and perquisites.

Base Salary

Base salaries are provided for each named executive for performing specific job responsibilities giving consideration to the knowledge, skills, abilities and experience of each executive as well as competitive market pay. Mr. Mason's base compensation for 2012 was reduced from \$600,000 to \$500,000 on March 26, 2012 in accordance with his employment agreement following the Bank's initial public offering. Mr. Bennion's base salary is \$203,000 and has not been increased since January, 2007. Mr. van Amen earns a base salary of \$220,000 which was effective September 7, 2012 due to a promotion to Chief Investment Officer.

Short-Term Incentive Compensation

HomeStreet maintains the Management/Support Performance-Based Annual Incentive Plan (the "Management Support Plan") to provide employees with incentive awards upon the attainment of pre-defined annual performance goals that are designed to align eligible employees with the short-term objectives of HomeStreet. Mr. Mason and Mr. van Amen participate in the Management Support Plan.

Each eligible participant in the Management Support Plan is assigned target and maximum incentive award opportunities, expressed as a percentage of base salary. The specific level and range of opportunities varies by individual, and reflects each participant's past and expected future contributions to the success of HomeStreet, as well as market-competitive opportunities for employees with similar skills, experience and responsibilities at companies comparable to HomeStreet. The 2012 target incentive opportunity was 60% of base salary for Mr. Mason, 35% for Mr. van Amen and 25.0% to 40.0% for other executive officer participants. The maximum incentive opportunity in 2012 was 120% of base salary for Mr. Mason and 70% of base salary for van Amen.

Pre-defined corporate, department and/or individual performance goals are assigned to each participant and weighted according to the participant's level of responsibility and ability to influence overall corporate performance outcomes. Mr. Mason's 2012 incentive opportunity was weighted 80% to corporate goals and 20% to individual goals. The 2012 weighting for Mr. van Amen was 50% to corporate goals and 50% to individual goals. Corporate performance goals are established each year by the HRCG Committee, with input from our Chief Executive Officer. Individual goals for Mr. Mason are established by the HRCG Committee; and department and individual goals for the other executive officer participants are established by Mr. Mason and approved by the HRCG Committee.

2012 Performance Goals and Actual Results for Mr. Mason: The corporate performance goals (80% of total) established for Mr. Mason included threshold, target and stretch performance goals for net income (60% weight), classified assets (15% weight), nonperforming assets (10% weight), net interest margin (10% weight) and core deposit growth (5% weight). The individual goals (20% of total) established for Mr. Mason were related to capital management, regulatory matters and revenue diversification. Individual goals for Mr. Mason

were not assigned specific weights in 2012. The following table summarizes Mr. Mason's 2012 corporate performance goals, as established by the HRCG Committee, and actual results for 2012:

Corporate Performance Area	Weight	Corporate Performance Goals		Maximum (200% of Target Payout)	Actual Result
		Threshold (0% of Target Payout)	Target		
Net Income (millions)	60%	\$22.4	\$27.3	\$33.5	\$82.1
Classified Assets (%)	15%	5.50%	4.50%	4.00%	3.29%
Nonperforming Assets* (%)	10%	3.00%	2.08%	1.50%	2.05%
Net Interest Margin (%)	10%	2.75%	3.00%	3.25%	2.89%
Core Deposit Growth (%)	5%	5.00%	15.00%	25.00%	35.10%

* Less restructured loans.

The HRCG Committee determined that Mr. Mason performed at the maximum level for each of his individual performance goals in 2012. When combined with the above 2012 corporate performance results, Mr. Mason earned a total cash incentive under the Management Support Plan equal to \$542,557, or 181% of target.

2012 Performance Goals and Actual Results for Mr. van Amen: The corporate performance goal (50% of total) established for Mr. van Amen was based solely on net income. Actual 2012 net income performance of \$82.1 million exceeded the maximum performance goal of \$33.5 million. Mr. van Amen's individual goals were focused in the following areas: asset yield management, interest rate risk management, successful implementation of a company-wide loan pricing model and process, and satisfactory results of internal audit findings. Based on combined 2012 corporate and individual performance results, Mr. van Amen earned a total cash incentive under the Management Support Plan equal to \$148,225, or 193% of target.

2012 Performance Goals and Actual Results for Mr. Bennion: Mr. Bennion, Executive Vice President and Residential Lending Director, participates in an individualized annual incentive arrangement. Approximately 75% of Mr. Bennion's incentive opportunity was tied to loan production and profitability through overrides on single family permanent and construction loan production and goals related to target net operating income for single family origination. Approximately 15% of the total incentive opportunity was based on sound risk management through an assessment of loan quality and another 10% of the total opportunity was based on achievement of specific individual performance goals. Mr. Bennion received a 2012 incentive award equal to \$688,239, or 194% of target, based on his unit's extraordinary achievements in loan production, profitability and safe and sound lending practices.

Incentive Plan Risk Management

The HRCG Committee regularly reviews our incentive compensation arrangements for all executives and non-executive employees who, either individually or as part of a group, have the ability to expose HomeStreet to material amounts of risk ("covered employees" under the interagency Guidance on Sound Incentive Compensation Policies). In addition to rigorous company-wide internal controls processes, the HRCG Committee takes the following measures to ensure that incentive compensation arrangements for covered employees do not encourage participants to expose HomeStreet to unnecessary or excessive risks:

- Annual HRCG Committee approval of incentive plan payouts;
- HRCG Committee approval of any material changes to plan terms;

- HRCG Committee oversight of annual incentive plan risk assessments;
- Allowance for HRCG Committee discretion, if necessary, to address extraordinary events or circumstances;
- Caps and/or deferral mechanisms to avoid “run-away” short-term incentive opportunities;
- Balanced performance metrics, including safety and soundness goals;
- Delivery of a meaningful portion of executive compensation in the form of equity instruments that vest over multiple years, encouraging a natural interest in the long-term financial health of HomeStreet;
- Clear communication and transparency in the establishment, administration and monitoring of incentive arrangements

“Clawback” Provisions: Each of HomeStreet’s incentive compensation arrangements includes provision for the reduction or recovery of awards if the HRCG Committee determines that materially inaccurate financial information was used in determining award payouts or if it was determined that the recipient’s activities exposed HomeStreet to imprudent risks. Should it be necessary, the HRCG Committee will determine the amount of any award that was overpaid as a result of inaccurate information and will send the participant a recovery notice specifying the overpayment amount and the terms for repayment.

In addition, Section 304 of the Sarbanes Oxley Act of 2002 provides a basis to recover incentive awards in certain circumstances. If we are required to restate our financials due to noncompliance with any financial reporting requirements as a result of misconduct, our Chief Executive Officer, Chief Accounting Officer and Chief Investment Officer must reimburse the Company for: (1) any bonus or other incentive or equity based compensation received during the 12 months following the first public issuance of the non-complying document, and (2) any profits the executive realized from sales of HomeStreet securities during that period.

Based on the findings from its ongoing monitoring and oversight efforts, the HRCG Committee has determined that none of our incentive compensation arrangements expose HomeStreet to unnecessary or excessive risks that could materially threaten the value of HomeStreet.

CEO Discretionary Bonuses for 2012

For his performance in 2012, Mr. Mason was awarded with two discretionary bonuses above and beyond the Management Support Plan described above. The first discretionary bonus was \$100,000 and was awarded to Mr. Mason upon the successful completion of HomeStreet’s initial public offering, in order to recognize his significant contributions to our positive outcome.

The second discretionary bonus of \$457,443 was awarded to Mr. Mason on March 31, 2013 in recognition of his leadership efforts during 2012 that resulted in Company performance and shareholder wealth creation well beyond the maximum performance criteria contemplated by the Management Support Plan. The following key outcomes in 2012 were considered in establishing this discretionary bonus:

- Following our successful initial public offering in February 2012, HomeStreet’s shareholders enjoyed greater than 100% stock price appreciation through the end of the fiscal year;

- HomeStreet significantly outpaced Peer Banks* in regard to total shareholder return, return on average assets and return on average earnings;

- Revenues continued to grow throughout the year;

- Asset quality improved significantly; and

- Regulators terminated the Federal Deposit Insurance Corporation’s cease and desist order for HomeStreet Bank (the “Bank Order”) and subsequently lifted the corresponding memorandum of understanding.

In addition to the outcomes considered above, the Committee asked PM&P to perform analyses of realized cash compensation and realizable total compensation for CEOs of Peer Banks* to determine whether the additional discretionary bonus was appropriate from the perspective of relative pay for performance. The Committee determined that the PM&P analyses also supported the decision to award the additional discretionary bonus.

* Peer Banks include the following 19 companies: Banner Corporation, BofI Holding, Inc., Cascade Bancorp, Central Pacific Financial Corp., CoBiz Financial, Inc., Columbia Banking System, Inc., CVB Financial Corp., Farmers & Merchants Bancorp, First Interstate BancSystem, Inc., Glacier Bancorp, Heritage Financial Corp., National Bank Holdings Corp., Pacific Continental Corp., PacWest Bancorp, Provident Financial Holdings, Inc., TriCo Bancshares, Washington Banking Company, Westamerica Bancorporation, Western Alliance Bancorporation.

Equity Incentive Compensation

2010 Equity Incentive Plan. On January 20, 2010, the shareholders approved the 2010 Equity Incentive Plan (the “2010 Plan”), which authorizes the grant of nonqualified and incentive stock options, stock appreciation rights (“SARs”), restricted stock awards, restricted stock units, stock bonus awards and cash incentive bonus awards. The 2010 Plan became effective upon the closing of our initial public offering in February 2012. We are authorized to issue up to 1,412,712 shares of our common stock issuable under the 2010 Plan, however, our Board of Directors have indicated that they intend to limit the amount of aggregate awards to be granted under the 2010 Plan such that the total amount of all awards including certain awards made outside of the plan in 2010 as retention grants will not exceed 10.0% of our outstanding shares of common stock as measured immediately after the closing of our initial public offering in February 2012, excluding any shares issued under restricted stock awards granted effective upon the completion of such offering. The purpose of the 2010 Plan is to give us a competitive position in attracting, retaining and motivating officers, employees, directors and consultants and to provide a means whereby officers, employees, directors and consultants can acquire common stock or earn incentive compensation based on the value of our common stock, thereby strengthening their commitment to HomeStreet and promoting an identity of interest with our shareholders. We do not believe that any element of the 2010 Plan encourages excessive or unnecessary risks to HomeStreet’s assets or reputation. The 2010 Plan is to be administered by the HRCG Committee.

Equity Grants Effective at the Closure of our Initial Public Offering

In connection with the closing of our initial public offering in February 2012, the Company awarded stock options and restricted stock awards to our executive officers and senior managers, in order to maintain the existing ownership percentage targets for those executive officers and senior managers. These grants were allocated 25% to restricted stock awards and 75% to stock options; the stock options vest ratably on the first, second and third anniversaries of the completion of the initial public offering while the restricted stock grants vest upon the occurrence of certain events based upon an increase in the price of our common stock in comparison to the price at which the initial public offering was consummated: one-third of the restricted stock awards vest upon an increase in our stock price of 25.0% from the offering price; an additional one-third vest upon an increase of 40.0% from the offering price and the remaining one-third vest upon an increase of 50.0% from the offering price. We issued an aggregate of 705,568 shares of our common stock (after giving effect to our 2-for-1 forward stock split in November 2012) as part of those grants. The following table sets forth the amount of each of these grants made to the Named Executive Officers:

Name and Principal Position	Ownership Target as % Outstanding Stock Post-Offering	# of Shares Granted as Restricted Stock Award	# of Shares Granted as Stock Option Award	Aggregate # of Shares Granted as Equity Awards at Closing
Mark K. Mason Chief Executive Officer	3.7%	80,724	242,168	322,892
Richard W.H. Bennion Executive Vice President, Residential Lending Director	0.3%	6,456	19,372	25,828
Darrell S. van Amen Executive Vice President, Chief Investment Officer & Treasurer	0.2%	7,320	21,960	29,280

Subsequent to the February 2012 equity grants, Mr. van Amen was granted an additional 30,000 stock options and 10,000 restricted shares (adjusted for November stock split) upon his promotion to Chief Investment Officer. The options vest ratably on the first, second and third anniversaries of the grant date. The restricted shares vest upon an increase in the price of our common stock in comparison to the price at grant date: one-third of the restricted shares vest upon an increase in our stock price of 25.0% from the grant date; an additional one-third vest upon an increase of 40.0% from the grant date and the remaining one-third vest upon an increase of 50.0% from the grant date.

Other Benefit Plans

401(k) Savings and Employee Stock Ownership Plan & Trust

Effective July 26, 2012, the Employee Stock Ownership Plan & Trust (the “ESOP”) was merged into our 401(k) Savings Plan (the “401(k) Plan”). This change allowed employees with large accumulations of employer stock to diversify within the 401(k) Plan reducing concentration risk. Effective September 1, 2012, the employer matching contributions for the 401(k) Plan were increased from 50% on the first 6% of eligible pay to 100% on the first 3% of eligible pay plus 50% on the next 2% of eligible pay with immediate vesting. Effective January 1, 2013, the employer matching structure and vesting qualified the 401(k) Plan as a “Safe Harbor Plan” under the Small Business Job Protection Act of 1996. The waiting period for receiving the Company match was changed from six months to the pay period following an employee’s hire date and eligible compensation for the Company match changed to include all compensation subject to IRS limits. All employees, including our Named Executive Officers, are eligible to make pre-tax 401(k) Plan contributions and are eligible to may be eligible to receive a discretionary matching contribution. Any such discretionary matching contribution matches a participant’s pre-tax 401(k) Plan contributions at a percentage we determine of the first 6.0% of eligible compensation (subject to IRS limits). Employees are eligible to participate in the 401(k) Plan if they meet the applicable service requirements and are at least 18 years old.

Executive Deferred Compensation.

In 2004, we adopted a deferred compensation plan which allows designated executive officers to defer annually all or part of their incentive bonus and to receive an employer contribution equal to the additional employer contributions, if any, that would have been made to the 401(k) Plan and ESOP based on participants’ eligible compensation if certain IRS limitations on compensation and benefits did not apply. Interest earned on participant deferrals and employer contributions under the plan is equal to the average five-year daily treasury rate for the relevant quarter.

A participant or his/her beneficiary receives a distribution of his or her plan deferrals and Company contributions for a particular plan year upon the earliest of: (1) a future date specified by the participant, (2) the participant’s death, (3) the participant’s permanent disability, (4) the participant’s retirement on or after age 65 or (5) the participant’s termination of employment. The form of payment includes either a single lump-sum payment or annual installment payments over a period of years, but not more than ten years.

We suspended this plan in 2008 due to HomeStreet's financial condition and as a result none of our Named Executive Officers were participants in this plan for the year ended December 31, 2012. We did not re-activate this plan for 2013.

Health and Welfare Benefits

All Named Executive Officers are provided with the same medical, dental, vision and life insurance programs as all other benefited employees of HomeStreet on the same terms and conditions as applicable to employees generally.

Perquisites and other Personal Benefits

We provide our Named Executive Officers with benefits that we believe are reasonable and consistent with our overall compensation program and beneficial to the Company in attracting and retaining qualified executives. Perquisites include health club membership and parking.

Executive Employment Agreements

We use employment agreements to retain certain executives and the talent, skills, experience and expertise that they provide to HomeStreet, with a goal of protecting the Company and the shareholders and to provide the stability and skilled leadership needed in our current environment. In 2011, we entered into an executive employment agreement with Mr. Mason. This agreement became effective upon lifting of the Bank Order on March 26, 2012.

This agreement continues for a term of three years from the effective date, with an automatic renewal for additional one- year periods thereafter unless either party gives notice of termination 180 days prior to the expiration of the then-current term.

Mr. Mason's employment agreement provides for a base salary of not less than \$500,000. In addition, his employment agreement requires the Company to establish a performance based target bonus under the Company's incentive bonus incentive plan (discussed above under Short Term Incentive Compensation – Management/Support Performance-Based Annual Incentive Plan), pursuant to which Mr. Mason may receive, subject to completion of objectives, no less than 50% of his salary (or such higher amount as the HRCG may approve), less required withholding and authorized deductions. The Board of directors or the HRCG Committee and Mr. Mason are required to establish mutually acceptable performance objectives and related payout ratios no later than May 31 of each fiscal year. Additionally, Mr. Mason's employment agreement provided that in the event of an initial public offering, he was entitled to stock options and restricted stock equal to the product obtained by multiplying the percentage of our pre- initial public offering common stock reflected by Mr. Mason's 2010 retention grant, by the number of shares of our common stock as measured immediately after the completion of the initial public offering, and subtracting from that result the number of shares represented by Mr. Mason's 2010 retention grant. See "Equity Incentive Compensation - Equity Grants Effective at Closing of our Initial Public Offering" above for details of this award. Our Board of Directors approved this grant to be made at the closing of our initial public offering in February 2012 even though Mr. Mason's employment agreement was not yet effective.

In addition to the payment of earned and unpaid salary and incentive compensation, unused vacation time, and unreimbursed business expenses, in the event of termination of Mr. Mason's employment within one year or during the 90 days immediately preceding a "change of control" by the Company other than for "cause" or by Mr. Mason for "good reason," in conjunction with a mutual release agreement, Mr. Mason will receive an amount equal to the sum of: (1) two-and-one-half times his then current base salary, (2) an amount equal to two-and-one-half times the greater of his annual incentive payment earned by Mr. Mason in the year prior to termination or the contracted executive's target incentive payment for the current year and (3) payment of health insurance premiums for Mr. Mason and his dependents for up to 18 months. In addition, all of Mr. Mason's unvested restricted stock and stock options will immediately vest and will remain exercisable according to any stock option grant or plan.

In addition to the payment of accrued and unpaid salary and incentive compensation, unused vacation time and unreimbursed business expenses, in the event of a termination without cause or resignation for good reason not involving a change in control, in exchange for executing a release, Mr. Mason will receive: (1) two times his then current base salary, (2) an amount equal to two times the greater of his (a) annual incentive payment earned in the year prior to termination or (b) his target incentive payment for the current year and (3) payment of health insurance premiums for executive and his dependents for up to 18 months. In addition, Mr. Mason's unvested restricted stock and stock options will immediately vest and will remain exercisable according to any stock option grant or plan.

In addition to the prohibitions against solicitation of customers and employees and the diversion of corporate opportunities, Mr. Mason's agreements also contain a six-month non-competition agreement which restricts certain competitive acts on behalf of another bank or thrift located in Washington, Oregon, Idaho or Hawaii.

Mr. Mason's employment agreement further provides that if any payments received by Mr. Mason would constitute an "excess parachute payment" within the meaning of Section 280G of the Internal Revenue Code, the Company will pay him individually an additional amount so that his net payment will not be diminished in any respect by the additional excise or other tax due pursuant to Section 280G of the Internal Revenue Code.

Severance and Change in Control Arrangements

We adopted a broad-based, non-discretionary severance plan following approval by our regulators on February 25, 2009. The plan provides one week of pay for every year of service with a minimum payment of two weeks and a maximum payment of 26 weeks. This plan was adopted to further reduce expenses and preserve capital. The plan modification brought HomeStreet's severance plan within the definition of a "non-discriminatory" severance plan, pursuant to 12 C.F.R §359.1(j), for purposes of the Federal Deposit Insurance Corporation's Golden Parachute rules.

Human Resources and Corporate Governance Committees Report

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In addition to the compensation arrangements with directors and executive officers described in “Executive Compensation” above, the following is a description of each transaction since January 1, 2008, and each proposed transaction in which:

- we have been or are to be a participant;
- the amount involved exceeds or will exceed \$120,000; and
- any of our directors, executive officers or beneficial holders of more than 5% of our capital stock, or any immediate family member of or person sharing the household with any of these individuals (other than tenants or employees), had or will have a direct or indirect material interest.

Loan Transactions

From time to time, the Bank makes loans to directors, executive officers and other affiliates in compliance with Regulation O issued by the Federal Deposit Insurance Corporation. These loans are made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to us, and do not involve more than the normal risk of collectability or present other features unfavorable to us.

Indemnification Agreements

We have entered into indemnification agreements with each of the current and former directors and executive officers of HomeStreet, Inc. Subject to certain limitations, these agreements require us to indemnify these individuals to the fullest extent permitted under applicable law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceedings against them as to which they could be indemnified. We also intend to enter into indemnification agreements with our future directors and executive officers.

Procedures for Approval of Related Party Transactions

The Bank is subject to the requirements of Regulation O, which places certain restrictions on loan transactions between the Bank and its directors, executive officers and principal shareholders (or any of their related interests). Regulation O generally defines a principal shareholder as a person that directly or indirectly, or acting through or in concert with one or more other persons, owns, controls or has the power to vote more than 10% of any class of voting shares. The Bank surveys Company and Bank directors and senior and executive officers each year to identify their related interests. The board of directors has adopted a policy for lending to our employees, directors and executive officers to ensure compliance with Regulation O loans by the Bank to our employees, directors and executive officers that exceed \$500,000 in aggregate require the approval of the Bank’s board of directors.

Prior to the completion of our initial public offering, in addition to the application of Regulation O to certain related-party transactions, we have followed formal conflict of interest policies requiring the review and pre-approval of transactions with a related party by the chief executive officer and audit committee where the related party is a director or by the chairman, chief executive officer or general counsel for non-director employees. Following the completion of our initial public offering in February 2012, in accordance with the audit committee’s charter, the audit committee will review and pre-approve in writing any proposed related party transactions; however, certain types of transactions, including Regulation O Loans, executive officer employment arrangements and director compensation required to be disclosed in our Proxy Statements, certain charitable contributions, transactions where all shareholders receive a proportional benefit and transaction entered into through a competitive bid prices, may be automatically deemed pre-approved as related party transactions under our Related Person Transaction Policies and Procedures, a copy of which is available on our website at www.homestreet.com. In the case of a loan requiring board approval under Regulation O, however, review and approval by our Board of Directors would still be required to approve such loan under Regulation O despite any such pre-approval as a related party transaction.

PRINCIPAL SHAREHOLDERS

The following table sets forth the beneficial ownership of our common stock as of April 11, 2013, by:

• each of the directors and Named Executive Officers of HomeStreet, Inc.;

• all of our directors and executive officers as a group; and

• each person known to us to be the beneficial owner of more than 5% of any class of our securities.

The amounts and percentage of our common stock beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities. The SEC has defined “beneficial” ownership of a security to mean, generally, the possession, including shared possession, directly or indirectly, of voting power or investment power. A shareholder is also deemed to be, as of any date, the beneficial owner of all securities that such shareholder has the right to acquire within 60 days after that date through (1) the exercise of any option, warrant or right, (2) the conversion of a security, (3) the power to revoke a trust, discretionary account or similar arrangement or (4) the automatic termination of a trust, discretionary account or similar arrangement. Under these rules, more than one person may be deemed a beneficial owner of the same securities, and a person may be deemed a beneficial owner of securities as to which he has no economic interest. Unless otherwise indicated, we believe that each of the shareholders listed has sole voting and investment power with respect to their beneficially owned shares of our common stock.

The percentages reflect beneficial ownership as of April 11, 2013, as determined under Rule 13-d3 under the Exchange Act and are based on 14,401,773.6 shares of our common stock outstanding as of that date. In addition, any options exercisable within 60 days of April 11, 2013 will be included in the beneficial ownership of the holder of such option, and the percentage ownership for that holder will be calculated by adding the aggregate number of options exercisable within 60 days of April 11, 2013 to both the number of shares held by that specific shareholder and the total number of shares outstanding. Unless otherwise set forth in the following table, the address of the listed shareholders is c/o HomeStreet, Inc., 601 Union Street, Suite 2000, Seattle, Washington 98101.
